BIRD SHOT VIEW AS IF BIRD IS FLYING THROUGH THE AIR TILL IT REACHES A 19 YEAR OLD PETER LOFT RUNNING HIS WEEKLY JOGS AROUND NEIGHBORHOOD.

It started off sunny then all of a sudden it started to rain. As he ran his only focus was on running. There were things happening around him but he just ran and wasn't distracted. As he is getting closer to home there are sirens interrupting his music in the background. As Peter grew closer he started to realize that the sirens came from his house.

PETER

Mom where's dad?

THE CAMERA FOLLOWS DOWN TOWARDS AN OLD MAN LYING ON A STRETCHER GETTING CARRIED TOWARDS THE AMBULANCE.

Peter looks shocked then scene skips to hospital where nurses are rushing Peter's father down the aisle on a stretcher

No audio as Peter and his mother run after the stretcher trying to keep up. Peter gets a glimpse of his father's face as they turn into the room and the nurses stop Peter and his mother from entering.

PETER V.O

Just like that I never saw my father again.

SCENE SKIPS TO GRAVEYARD WHERE ALL THE GUESTS WAIT FOR PETER'S FATHER TO BE DESCENDED UNDERGROUND. CAMERA SCANS AROUND THE ROOM EMPHASIZING ON PETER AND HIS MOTHER AND THE MANY GUESTS THAT ARE CRYING. IN BACKGROUND A FEMALE SINGER SINGS (IN THE ARMS OF THE ANGEL) THE CAMERA ALSO PICKS UPON A GUEST, THE BANK MANAGER GEORGE LONDON, WHO IS STANDING AT AWE TRYING TO HOLD BACK THE TEARS AND SAD.

SCENE SKIPS TO PETER IN HIS ROOM (ONE MONTH LATER)

As Peter is trying to watch Dexter, the cable starts to mess up. Peter goes down to go ask his mom what's going on with the cable

PETER

MOM! MOM! ...what's wrong with the TV??

MOM

It's tired of you watching it. (Mom finds scantron on the table) Is this your grades, that says a 52 not a 92 I thought you were still making A's

PETER STUMBLES ON WORDS

It's just one test I can just talk to my professor to try to get it to a C and I can definitely still get a B as a grade for the year.

MOM

Peter you're scaring me I thought you wanted to be successful, these bullshit grades aren't gonna get you there. You know your dad wouldn't have supported this Peter

PETER

Wow only a month and you're already using the dad's dead card. Since the cables not working I'm going to get something to eat

MOM

If I knew there was a dad's dead card, I would've used it weeks ago!

She yells this out as he is leaving. Peter storms out and gets into his car and drives to a local diner where he orders the same thing every time. As he waits at a table a woman in her mid 30s is approaching him to be his waitress.

WAITRESS

Hi how are you what would you like to order today sir?

PETER

Excuse me umm who are you?

AS PETER LOOKS CONFUSED. CAMERA POINTS AT WAITRESS NAME TAG.

WAITRESS

Tammie lee and I am your waitress for this afternoon.

PETER

Did Annie call in sick or something? she already knows what I want and it will be a lot easier if she would be the one to be my waitress please.

WAITRESS

Well she's very busy right now and If you could just give me your order I could get your food to you faster than waiting for her.

PETER

Ok well I would like (Quesadillas with Grilled Chicken, Pepper Jack Cheese, Black Beans, Sour Cream & Spanish Rice) and a cookies and cream sundae.

WAITRESS

Okay thanks. I will be right back with your order.

While waiting for food peter suddenly catches eye of a girl who he believes to be flirting with him but is actually talking to someone behind him. He gets caught trying to flirt back and becomes embarrassed but is quickly distracted as Annie walks in the room.

She walks in the room in slow motion and wind blowing in her hair but she isn't as beautiful as the scenery that she is presented in.

PETER V.O

Annie Hall, my pride and joy, my key to a door that has pleasureville written in bold, all caps letters. But only one exclamation mark cause she won't let me fuck her from behind. It's ironic because she was outrageously anal.

SHOT OF THE DOOR TO "PLEASUREVILLE!" OPENING, WHEN THE DOOR OPENS, SHOT CHANGES BACK TO ANNIE IN PRESENT TIME.

ANNIE

What up pete. You ordered already?

PETER

Yea.

ANNIE

You still hanging in there I haven't heard from you in a while.

PETER

Aww you missed me

ANNIE

Just a tinsy bit, just like your penis. Jk
jk

Peter imitates himself getting shot at

PETER

POW POW shots fired MAN DOWN MAN DOWN.

Annie laughs but to the audience it seems fake but to Peter it seems real

ANNIE

Peter i need to ask you something and this question requires your total honesty.

PETER V.O

Holy fuck what did I do?

PETER

yea

ANNIE

Remember the last time we had sex

PETER

Yea when your mom went to Canada.

ANNIE

You used a condom right?

Scene skips to them at Annie's house about to have sex but when he looked in the drawer for condom he didn't see any, so he took a wrapper of candy to pretend that it was the condom.

PETER

Yea I remember i did cuz I took the last one that night was amazing

ANNIE

Oh thank god. I guess its just a mix up cuz im late.

MANAGER

Hall! You're Late! AGAIN!

ANNIE

I'm sorry I gotta go bye

Peter waits a couple of seconds then his V.O says.

PETER V.O

Hold on she meant she was late for work
right?

Scene shows that peter is very stressed out and his voice over just screams as Annie leaves the table to go back to work.

Scene skips to peter staying up all night and cant fall asleep. When he finally goes to sleep. He has a nightmare of him and the baby. He was trying to change the babies diaper's and just started peeing everywhere, uncontrollable. Then he wakes to a phone call he looks at caller id and it says Annie Hall. And he just looks at the phone for a while then answers.

Annie crying over the phone but doesn't show her on the screen.

PETER

Hello

ANNIE

Peter im not okay I think I feel the baby.
And I threw up and I don't remember going
to a party!

PETER

Come on I'm not the smartest person in the
world but im not stupid. I know I had a
condom on, I don't want to have a baby.
I'm too young to have a baby maybe there
was a hole or something. It must've been a
mistake.

ANNIE

I called my doctor after work yesterday
and I scheduled an appointment today at 3.
Come pick me up at my house and we'll go
together

PETER

I'm sure everything's OK.

ANNIE

It better be

The phones cuts off because Annie hung up on him.

PETER V.O

OK now that I knew that Annie was 100% pregnant I needed a FUCKING job. Life has an insanely horrifying way of telling you to get your shit together.

Scene changes to Peter looking online for jobs when...

MOM

Peter I need you to deposit some checks for me today!!

PETER

Mom I've got school today

MOM

No you don't peter, you don't have school any day, I wasn't born yesterday

She says as if she knows about peter skipping school all these months. Then she hands him the checks.

SCENE SKIPS AS PETER WALKS INTO A BANK AND TO ONE OF THE BANK TELLERS TO DEPOSIT THE CHECKS FOR HIM.

He asks him for bank account # or debit card. As peter is doing the whole transaction he hears some people arguing behind him but doesn't really pay attention and when he is about to leave he notices that the 2 people arguing are a bank teller and the bank manager that was at his dad's funeral. But as soon as he notices what was going on he was spotted by the boss, the manager suddenly directs his attention to peter. Peter remembers the manager from his dad's funeral.

MR. LONDON

Peter, I haven't seen you since... How is your mother?

PETER

Oh, she's fine

MR. LONDON

Well these things have a way of sorting themselves out it only... how insulting of me I haven't even asked how you were doing?

Peter looks at the bank manager's tag that read George London.

PETER

I'm doing better too. Mr. London but I've sort of gotten tired of moping around and I need something to keep me occupied and get my mind off my dad. I was thinking that maybe a Job might do the trick

MR. LONDON

Do you have any experience in the bank as you might have seen, it looks as if I am in need for one more bank teller.

PETER

He's fired

MR. LONDON

Hell yeah, he's always late.

PETER

Well I've never worked at a bank, the last place I worked at was a burger joint actually not too far from here.

MR. LONDON

Oh the in 'n out burger place?

PETER

Yea

MR. LONDON

Yea my daughter actually used to work there. She begged me for a couple of weeks to get a job here because she hated it so much.

PETER

It wasn't that bad except for the fact that we were making like a million burgers a month and only earning minimum wage. So it was awful.

MR. LONDON

Ha those cunts

PETER

Yea I would rather ask my mom and dad for money than stay so I left

MR. LONDON

Before you left, I bet you gave em a piece of your mind.

PETER

Nah It was still a great experience, just terrible management.

MR. LONDON

You know what you seem like a good kid ill start you off on our training program and we'll see how you do. Then start you at \$8.20 an hour for uhh maybe 2 months then if you do great ill bump you up to regular pay.

PETER

OH my goodness, Mr. London, you don't understand..

MR. LONDON

Don't worry bout it

PETER

I came here to deposit a check for my mom and left with a job. I really appreciate this opportunity, you won't regret this sir.

PETER V.O

Maybe my kid's life isn't as fucked as I thought.

Peter says as he walks out smiling. PETER DRIVES TO ANNIE'S PLACE WITH FLOWERS AND READY TO HEAL THEIR RELATIONSHIP. HE ALSO BOUGHT ABOUT A DOZEN BALLOONS TO SURPRISE ANNIE. PETER KNOCKS ON THE DOOR 3 TIMES TILL ANNIE ANSWERS. ANNIE ANSWERS THE DOOR BY THROWING A WHOLE BUCKET IN PETERS FACE.

ANNIE

YOU THINK I'M A FUCKING IDIOT!!

PETER

whoa!! What the fuck

ANNIE

Ofcourse you do if you fucking think I
cant tell that there is semen in my
fucking vagina!

PETER

Ok i get it you're mad cause you're
pregnant but I've got good news and look
I've got fucking flowers and balloons too.
You love balloons.

ANNIE

No im not pregnant, you think I don't
prepare for scumbags like you. I was on
the pill.

PETER

Birth control?

ANNIE

No gun control, you are just so freaking
immature and I hate your Fucking guts and
you know what else...

A soft melody plays as now peter isn't in the room anymore but is
now running in the field smiling and as happy as ever.

ANNIE

you know what I was being nice by waiting
a month after your father's... How the hell
do you do that? You look almost identical
to how you would look if you were paying
attention but I've known you long enough
to tell that you're not, where do you go
to? cuckoo land. You know what I was going
to throw more bucket of water at you but
now I really just feel sorry for you.
You're not gonna say anything, you're
going to continue to make yourself look
like a dumb ass. So just GET THE FUCK
OUTTA MY HOUSE!

Door slams on peters face then peter walks to his balloon filled
car with sayings like it's a boy, it's a girl and congrats. He
drives off.

THE SCENE SKIPS TO PETERS FIRST DAY OF WORK.

Peter wakes up and gets ready. He gets downstairs and tells his mom he has his first day of work today.

PETER

Mom I start work today

MOM

Oh yeah I spoke to George the other day.
Are you excited?

PETER

Yes

MOM

Make sure you go to class

PETER

I don't have class today

MOM

Ofcourse you don't. Ok love you

Peter's car pulls up in the parking lot of the bank and he walks out in a suit ready for his first day.

PETER

Hi how are you Jenna, I guess Im your new
co worker

JENNA

Oh hi im jenna

PETER V.O

I thought I said that already.

JENNA

Oh my God, Are you stalking me peter,
didn't we use to work at in 'n out
together

PETER

Yea, i hope this place is better

JENNA

It is. It's amazing.

PETER

Do I have like a cubicle or what do I do now?

JENNA

You should probably go to Mr. London's office. He's my dad

She then points at her name tag that reads Jenna London. Peter smiles and moves along.

MR. LONDON

Peter! You're early

PETER

Well I didn't wanna make a bad first impression. So What's the plan boss

MR. LONDON

Well to tell you the truth you're not going to be doing anything for now. You've got to get trained first and after that we'll start you off where you're gonna be doing is counting money, opening accounts for people and cashing checks. Once in a while people will come in here to get loans and such but you just send them to either me or Ryan who is the assistant manager for this bank. With whom you will treat him respect at all times.

PETER

Yessir.

MR. LONDON

After training you're going to be in a cubicle where you'll be able to see who comes in and out the bank. We pride ourselves in having great customer service so always make them feel welcome

Mr London is preparing to eat a sandwich

PETER

So they'll want to continue to coming back.

(Peter finishes)

MR. LONDON

m'hmm m'hmm. (As he bites down on the sandwich.) HOLY MACKEREL I NEED A CHEF. YOU KNOW MY WIFE IS NOT REALLY A GOOD COOK. IT'S A SANDWICH FOR PETE'S SAKE. I KNOW I HAVE TO DO EVERYTHING TO KEEP THE WIFE HAPPY BUT MY GOD AT WHAT COST.

(Peter snickers but not a full laugh.)

PETER

Well sir I kinda used to make burgers for a living if you need a good lunch you know where my office is.

MR. LONDON

well you kinda don't have an office but if you can start bringing the lunches by tomorrow I can see what I can do about that.

PETER

(as peter is about to leave.) Mr London?

Mr. London interrupts and says "call me George".

MR. LONDON

Call me George, Unless you would like for me to call you Mr. Loft all day.

PETER

George so where exactly do i report to until I finish my training.

Scene skips to the small window where peter would collect peoples checks and money into their accounts. A SERIES OF SCENES POP UP IT STARTS WITH PETER MOVING IN TO HIS LITTLE SPOT IN THE WINDOW. HE GETS TRAINED ON OUR TO DO EVERYTHING AND TIME WENT BY 2 MONTHS.

ANDY ACCETELLA

Man, working at a bank isn't as cool as I thought it would.

PETER

It's a bank what did you expect.

ANDY

I thought if you loved money this place should be Disney land to you. You know? But its just other people's money if it was mines then we would be having this convo with a Russian model grinding on my dick

DANIEL

I don't think we would having a convo with that happening.

ANDY

Nah dude Natalia doesn't mind, she likes it when people watch.

DANIEL

Haahahah LOL (Daniel has a weird laughing face.

ANDY

Dang danny You've got a terrible laughing face. It's just so bad like it makes me not even want to be funny anymore. It's fucking up my hilarious vibe. You're definitely not invited when me and Natalia are getting it on. (Andy pretends to fuck the wall) If you take care of that face then we might be able to work something out

DANIEL TOWNSON

Andy guess what

ANDY

what? (But in a joking way)

DANIEL

Fuck you

They see Mr. London about to come and act as if they are doing something.

MR. LONDON

(Walks past them but comes back to Daniel and whispers to him loudly) I heard what you said it was pretty funny but get to fucking work.

PETER V.O

(Peter chuckles) After being here for a couple of months I've realized that, one Mr. London isn't a very good whisperer (pause) and two hes actually not that bad of a boss. He's cool.

Mr. London walks up to peter and peter slides him a bag with a sandwich in it.

PETER V.O

On account of his wife being a terrible cook (showing peter trying her sandwiches and looking in disgust) and my talents on working at that burger place I've probably become Mr London's favorite worker besides for Jenna and that asshole Ryan.

(Peter says as he watches Ryan try to flirt with Jenna.)
He's never even opened an account before and all he pretty much does is count money and make sure that none is missing and then acts like he deserves an award. Fuck Him

Then Jenna and Ryan go into the bathroom to have sex because the bank is empty. Ryan goes in first and then Jenna goes into the bathroom.

An old woman walks up into peter's cubicle and sits down. But peter's still looking at jenna and ryan.

PETER

Hi how are you doing today Mrs. Huh Loft?
Mom did something happen?

MOM

Lonely old people need money too Pete.

PETER

Mom should I be worried? You haven't been yourself lately and I don't know what to do.

MOM

I'm fine Peter I just need 60 dollars from my account.

PETER

Well you don't need to come to me I have
no money in here.

MOM

(In a dementian state of mind as if
she forgot. she leaves and went to
get the money.)

Scene skips to peter, Andy, Daniel and Ryan in a car about to go
somewhere.

RYAN

Danny if you don't fuck someone tonight
then you're hopeless.

ANDY

Not too much on Danny boy he's got hoes
for days HAHA. Don't laugh.

(He says don't laugh to Daniel. Ryan
then turns around to give Andy a high
five for that)

PETER

I thought we were going to a strip club
today.

RYAN

So you think that's stopping me

PETER

Nah dude you cant fuck no stripper.

RYAN

Your mom can't fuck a stripper ill make
that stripper sing carols. (Pause) From
Ryan Carrolle. Goddamn I'm a maniac I
should start writing these things down.

They get in the car and scene skips to them outside the strip club.

ANDY

(Andy looks at his watch and say.) Holy
crap we're missing Jackie.

Andy and Ryan walk faster to see her

RYAN

You guys are missing Jackie

PETER

We don't give a shit. As long as i see
some big titties I'm good.

WHEN THEY FINALLY GET IN THE CLUB.

DANIEL

I need a drink first ill meet you up.

PETER

Yea could you get me one too

(Peter hands him the money.)

Peter walks up to the strip pole and Jackie is performing. After the illusion of it being her 4th song, She gets replaced by a woman in cowboy outfit and the song like a rhinestone cowboy turns on and there are some southern cowboy people at the strip club yelling yeeee haw

Ryan and Andrew are drunk.

RYAN

BOO BOO you suck. She is not very good!
She is not very good!

Andrew joins him and says She is not very good! 4x. They try to get the other guys on saying it but the others realize that the cowboys don't look too happy anymore. Then the cowboys come up behind them in a threatening type of way.

Cowboy #1- Is there a problem here?

Ryan- yea they kicked Jackie out for this fucking bull shit

Cowboy #2- are you gonna go up there and take my sister off the stage. Cuz I would like to see you try.

RYAN

Thanks for giving me the blessing. Get
this bitch off the....

Andy realizes to shut the fuck up but Ryan, trying to be tough ass acts as if he was literally gonna go on stage and pull her out when all of a sudden the cowboys pull him by the shirt and start whooping his ass.

As peter sits there the camera zooms in from his POV.

PETER V.O

I don't know who told Ryan he was invincible because he isn't. Good thing the club had security cause Ryan could have died. They just kept PUNCHING and KICKING and PUNCHING it was awful, I really wanted to help but I was the only sober one and someone had to be the responsible one and drive us all home.

(The screen closes up on Peter and changes.)

Ring ring the phone rings at Mrs. Jefferson's house. She was an old and retired woman answers

MRS. JEFFERSON

Hello?

PETER

Hello Good Afternoon ma'm this is Peter Loft from Golden Gate Bank calling and it seems your card has been flagged for bank fraud. Is your house 1856 Glenpike drive? (Pause and no respond) Hello M'am Is your house 1856 Glendpike drive? We will now be requiring your card #

(She is distracted by watching a show on tv.)

MRS. JEFFERSON

Yes it is. (she reads the card number.) and My social security is 574-76-5365

PETER

I didn't need your social, if you have your debit number

MRS. JEFFERSON

What?

PETER

I don't need your social

MRS. JEFFERSON

What?! What does me being social have to do with anything

PETER

Never mind ma'am, but I don't think you want to keep the account so we are setting you up with another account. I'm going to transfer the phone to my manager to walk you through on the rest. Thank you have a nice day.

(She doesn't even wait 2 seconds and ask.)

MRS. JEFFERSON

Oh is this the manager?

PETER

What? No

MRS. JEFFERSON

I have 60,000 in that account to transfer. I have been waiting for a while now.

PETER

(Peter thinks about it for a second.
) "Yea I am"

When peter hears 60,000 he gets tempted and caves in to the pressure of that situation.

MRS. JEFFERSON

Thank God the account number for my account is and are you going to also need my pin code ... Well i'll give it to you anyway. It's 3987 (She was reading off a paper that had all her important documents.)

Peter sits there in awe of what he is doing

PETER V.O

She pretty much just gave me her lifes saving and I didn't even ask her out on a date first. But i'm not a greedy scoundrel so...

MRS. JEFFERSON

How much did they take?

PETER

I'm looking at the balance now and it seems to be about 50,000 now. So the

perpetrators stole 11,000. (They only stole \$1000)

MRS. JEFFERSON

I'm over 70, I think I can live on 50,000

PETER

You will be living quite well Mrs. Jefferson.

MRS. JEFFERSON

I know that but how much did they take?

SCENE CHANGES PETER TAKING MONEY OUT IN THE MIDDLE OF THE NIGHT

PETER V.O

Using her account # and pin code I went to a bank of America on the east side and took out 10,000 for myself and leave Mrs. Jefferson with 50 grand. I had to launder the money into my account with my paychecks. #1 rule is don't get caught.

Scene skips to a guy pulling up in a BMW, he gets out the car and has a suit and gold watch on his arms but we don't see his face. And then a man comes up to him. And the audience realize that the man in a BMW and gold-watch is Ryan not peter and the guy walking up to him was peter.

PETER

Nice watch, DANG I wish I had it like that.

RYAN

You probably won't but i'm gonna lie to you and say you will. (Ryan then just walks away)

Scene skips to peter and Ryan talking but later in the day.

RYAN

Hahah so she threw a whole jug filled with water on your face

PETER

Yea man

RYAN

Just cuz you busted in her, That's it!
That bitch is crazy

PETER

I even bought her flowers and balloons.

RYAN

And you bought flowers and balloons. I thought it was only me but I guess girls are just born crazy. I thought it was only because I got alot of money and a sexy ass Beemer.

PETER

Yea I've actually been meaning to talk to you about that.

RYAN

Well it's a series 7 Bmw, I might get the convertible for my birthday though.

PETER

No dude, How are you so rich if you just work here?

RYAN

Dude you don't know, my dad's like hella rich, my dad probably has the biggest account in the whole city.

PETER V.O

Oh so that's how you got this fucking job?

PETER

What does he actually do?

RYAN

He owns a bunch of companies and shit.

PETER

I guess that puts a lot of stress on you to be like some sort of millionaire huh?

RYAN

Yea but for some reason my stress is only coming cuz these bitches won't get off my dick. Its like damn bro there is never a reason to call someone 87 times

(Shows him 87 missed calls from one person.)

PETER

Damn you must have fucked up

RYAN

Nah I get rid of all evidence, sometimes I have to buy new sheets weekly.

PETER

Weekly?

RYAN

Yea sometimes daily, When I get started I ain't stopping till it rains on my dick if you know what I'm saying.

PETER

Yea dude

(Peter says feeling awkward.)

RYAN

(Ryan becomes animated about what he does when he has sex.)

Peter totally tunes him out and the scene goes mute until Jenna comes in to tell Ryan that Mr. London wants him

JENNA

Yo Mandingo! My dad needs you in his office.

RYAN

Mandingo huh?

JENNA

Yea Mandingo (flirtingly.)

Ryan leaves and jenna stays

JENNA

He's pretty weird huh?

PETER

Yea I really don't understand how he doesn't see it. Wait I thought you liked him.

JENNA

Nobody really likes him they just like the fact that he is rich. His credit card comes in handy alot. You might think I'm a gold digger but trust me he makes it impossible to not wanna like him for his money.

PETER

Nah that didn't even cross my mind. It's not like you guys are fucking on the low or anything.

JENNA

Nah well... (says awkwardly) I got to get to work see ya around Pete

As she leaves Ryan walks by.

SCENE SKIPS TO PETER AND HIS MOM IN LIVING ROOM WATCHING TV.

PETER

Mom, are we rich?

MOM

Ha good one peter

PETER

I'm serious but didn't you ever want more mom

MOM

I had you and your dad, in my eyes I had it all.

PETER

Aw mom but I'm serious. Like real money millions mom millions

MOM

Well you should have been thinking about
this before you dropped out of college..

(peter zones out.)

PETER V.O

HOLY SHIT FUCK Mrs. fucking Jefferson!!

Knock knock

MRS. JEFFERSON

Who is it?

PETER

Mrs. Jefferson this is Peter loft from
Golden Gate Bank.

Mrs. Jefferson answers the door.

MRS. JEFFERSON

I wasn't aware that I had a meeting today.
Well come in.

PETER

Well Mrs. Jefferson this wasn't a
scheduled meeting, I was the teller that
investigated on the fraudulent activities
on your account a couple of weeks ago.

MRS. JEFFERSON

Oh my!! How much did they take?! Oh NO I
gotta call Freddy!!

PETER

Do you think Freddy committed these
fraudulent behaviors?

MRS. JEFFERSON

No he's my son.

(in tears)

I try to be strong for him. I always
follow the calendar. EVERY 5 minutes I...
How could this have happened?

PETER

Oh no Mrs. Jefferson we spoke on the phone and we at Golden Gate already investigating our case. We are very close. I'm just here to do sort of a follow-up to make sure that you don't have any troubles and have been satisfied with our services

MRS. JEFFERSON

So I'm not in trouble?

PETER

We at, golden gate bank, pride ourselves in making sure our customers are happy. So no ma'am you are not in trouble.

MRS. JEFFERSON

Well I haven't had any suspicious activities going on in my account. I've been checking, my calendar here and everyday at 2:00 after watching the maury show I check my bank statements and if i see anything suspicious i write a x with red marker on the 2:00 time

(brings the calendar and explains calendar system to peter. When he looks at the calendar there is so many x's on it.)

PETER

Mrs. Jefferson, if you don't mind me asking, how long have you had the calendar?

MRS. JEFFERSON

Well I just recently got it. Maybe a couple of weeks I don't remember. But it can't be longer than a month since it only has c's for this month.

PETER

Wow you must have put that up there after you found out about the fraudulent activity in your account. That's very smart of you. I have faith that you are going to take very good care of yourself Mrs. Jefferson

MRS. JEFFERSON

You should tell Freddie that, I don't remember the last words he told me but I still feel it right in here.

(Puts hands on heart. Starts to cry again and peter comforted her.)
It hurts.

SCENE SKIPS TO FREDDY AND MRS. JEFFERSON ARGUING.

FREDDY

Mom you are a danger to yourself and everyone around you! Im putting you back in a home!!

MRS. JEFFERSON

What im I a fucking dog! You cant just send me to the pound when you don't want to take care of me anymore!! Im not LEAVING THIS HOUSE AND LOOK I JUST STARTED USING A CALENDAR TO HELP ME WITH MY DAILY RESPONSIBILITIES!

FREDDY

Ok then stay here and get all your money taken from you but I promise you i'm not coming back to take care of you no more! It's exhausting and I have my own fucking life!

SCENE CHANGES BACK TO PRESENT TIME

MRS. JEFFERSON

No Freddy don't leave

(in a sobbing voice)

PETER

Don't worry Mrs. Jefferson, you'll be alright. I promise

Scene skips to the bank everyone just chilling in there cubicle. Then all of a sudden...

MR. LONDON

Have I told you how much I hate my wife's cooking! Peter never forgets my sandwich!

JILL

Yea you know there's a chick fil'a down the street George. All you have to do is ask.

MR. LONDON

ASK! I've been asking for the last 30 minutes.

Scene changes to Mr. London awkwardly trying to eat the food his wife made with disgust. And Jill is secretary watching him trying not to laugh.

JILL

OK sir you want the chicken sandwich?

MR. LONDON

Yes that would be lovely. Actually I think I am feeling like eating some chicken tenders.

As Jill leaves Mrs. Jefferson walks in the bank feeling and looking a lot happier than her previous scene.

MRS. JEFFERSON

Where could I find Peter Loft?

PENNY

Well over there Ma'am

MRS. JEFFERSON

Peter!

PETER

Mrs. Jefferson! What a surprise visit. Is everything going well, you keeping up with the calendar?

MRS. JEFFERSON

Of-course. And I don't think I ever thanked you for helping and listening to a poor old lady like me. Frederick is even visiting me again.

PETER

That's great

MRS. JEFFERSON

I even took your advice and got a cat.
Look (She proceeds to show him pictures of
her cat.)

PETER

He pretty cute. What's his name?

MRS. JEFFERSON

Well HER name is Cate with a c. And you
were right I don't ever have to actually
take care of her. All I do is change the
cat litter AND she just absolutely hates
showers so we just enjoy each other's
company.

PETER

I'm glad to have helped you, so what can I
do for you today?

MRS. JEFFERSON

Well I have gotten some money after
selling my summer house and I would like
to have the money moved it into my
account. You know, I was very appreciated
by your generosity that I even told a
couple of my friends about you.

PETER

You know we have an incentive program for
recommendations here at golden gate.
That's just something that differentiates
us from other banks.

MRS. JEFFERSON

Really, if that's the case then I guess I
should tell more people.

PETER

For each referral that opens a new Golden
Gate checking account with a \$100 or more
in their opening deposit, we will credit
your account \$35. But the people you are
recommending have to record that you
recommended them.

MRS. JEFFERSON

I was a very popular gal when I was at the Miller Funeral Home. My nickname was Cinnamon BUNNZ.

PETER

Cinnamon Bunnz?

MRS. JEFFERSON

Cuz of my bunnz peter, Like you kids say now days I've got a fatty. (Peter and Mrs. Jefferson laugh.) I can probably get you lots of retirees looking for a safe place like Golden Gate bank to keep their money

Peter zones out on her talking.

PETER V.O

I've been trying my hardest to stay legit... but I guess it just wasn't meant to be. I hit the FUCKING mother load!

MRS. JEFFERSON

Peter, shouldn't you be writing this down?

PETER

Yes of course.

MRS. JEFFERSON

RING RING

PETER V.O

I guess people with Alzheimer only hang out with other people with Alzheimer. Cuz it was like stealing candy from a baby.

THOMAS WEST

Hello

JESSICA WYATT

Hello

TINA SIMPSON

Hello

ELAINE WONDERS

Hello

PETER

Well this is John Black at Golden Gate Bank speaking and it seems your card has been flagged for bank fraud. Is your house 1856 Scott Rd?

ELAINE

Oh No! How could this have happened?

PETER

Sorry ma'am but are you saying that 1856 Scott Rd is not your address

ELAINE

It probably is but i'm not sure lemme get my notebook. Who is this speaking?

PETER

John Simpson from Golden Gate Bank. I will now be requiring your card # and social security number

ELAINE

Umm ok give me a second. But hold on why do you need my social?

PETER

Security Protocol ma'm. Don't worry we're going to be canceling your account.

ELAINE

Ok give me a second... my social security # is 574-76-5365 and she reads the card number. Hold on why i'm i giving you my card number again? And why are you calling me?

PETER

Well ma'am this is Justin Bieber and your account has been hacked into. It looks

like they've stolen \$7000 from your account. (They only stole 2000)

SCENE SKIPS TO PETER THROWING MONEY IN THE AIR IN A BANK VAULT WITH AUDIO STILL IN BACKGROUND.

It shows peter trying to take money from an ATM.

PETER V.O

Yes my system is extremely flawed right now, but it's an easy fix. All I need is someone who could actually hack into these accounts, I can't keep showing up at atms, it might look too suspicious. Then it hit me like MAC truck, COLLEGE.

PETER V.O

It's funny because I've been trying so hard to avoid this place now I find myself actually needing this place. Being the smart guy that I am I started my investigation in the library for all nerds.

(He walks into the room and the place is pretty much empty except for one of his former classmate Dane.)

Peter looks around library hoping to find someone here. He saw a couple having sex in the bathroom and almost lost hope then saw one of his classmate from when he went to college sitting on the ground in the book aisle reading and studying.

PETER

Hello?? Hello?? Did everyone dropout too?

He walks into restroom and sees two people having sex next to the sink. He quietly leaves to remain undetected. Then he sees Dane and introduces himself as he's an old friend.

PETER

Hey you're that kid from my American Literature class. I don't know if you remember me but I'M peter.

DANE

Oh whats up man? Shit I don't know if you remember me but I'm Dane

PETER

Good but you don't look so good; you're really taking this school thing seriously. You're literally the only one here.

DANE

It's the weekend, but im not going to lie to you, this place is usually always empty. Its a good thing cuz then I get to study in peace.

PETER

Yea studying in peace is very important.

DANE

The only thing that sucks is that I have to actually make sure to put all these books back.

PETER

Hahaha they probably blame everything on you huh.

DANE

I'm actually on their most wanted list. I stole a couple of books.

(Switches to the most wanted list for Dane.)

PETER

I bet you feel like a total bad-ass. Im not necessarily a saint myself but I never made it on no most wanted list. Aren't you hella good with computers?

DANE

Yea

PETER

Then you should totally hack into their website and take your name out.

DANE

Yea but then I'll end up on the school's most wanted list

PETER

Haha Yea I guess that makes sense. Well you look like you don't want to be bothered so im just gonna get out your hair. (Pauses) But actually I just realized that i'm in need of a tech guy for a company that I am running, If you're interested we can meet up at a coffee shop or something and talk if you want.

DANE

Wait you own your own company?

PETER

Yea something like that...

SCENE SKIPS TO THEM AT THE RESTAURANT WHERE ANNIE (HIS EX-GIRLFRIEND) WORKED AT.

WAITRESS

You've got some balls showing up here. You know Annie still works here right?

PETER

Tammie lee, good to see you too, it's been a minute. Me and my friend here would like 2 cups of coffee.

WAITRESS

Holy shit

(Out of nowhere Annie runs at Peter with a knife and the camera drops and blurs and all you hear is screaming.)

ANNIE

Your Fucking Dick!! Ill cut it fucking off!!!

TAMMIE LEE

No! Annie!

Then the camera freezes on her angry face. Then scene peter and Dane walking put the diner.

PETER V.O

I'm not going to lie her trying to kill me kinda sorta turned me on. But due to the circumstances I had to get me the fuck out of there. I told Dane that I didn't have

any crazy ex-girlfriends in my house and if he still wanted to talk business we can meet at my house.

PETER

I don't have any crazy ex-girlfriends in my house and if you still want to talk business we can meet at my house.

DANE

OK but that was fucking crazy. Why didn't you think about that earlier.

PETER

It's been like a year, I've moved on and i thought she did too. (They get in their cars)

Scene changes to them in peter's room

DANE

Dude she almost killed us. At first when i saw her i thought it was a joke, I was smiling and laughing like i was watching an Adam Sandler movie but Oh NO she was not joking, she wanted you dead.

PETER

Bitches, what are you gonna do right?

DANE

Yea Man I get crazy chicks like that all the time (says awkwardly.)

PETER

Really, it's my first

DANE

Oh man you've got it good. So this business its owned by your parents or something right?

PETER

No its owned by me.

DANE

And this is your parent's house

PETER

Yea

DANE

If you own your own business then why do you live with your mom?

PETER

I haven't seen you since Professor Yates class, maybe we can catch up first, like did you ever get in trouble for the blowjob video.

DANE

Oh you remember that?

PETER

Yea that was probably the dopest thing I've ever seen. I almost went to class for a whole week cause of that. How did you even do it?

DANE

Yea well I always noticed that Jennifer would always stay after class to talk with Professor Yates

PETER

Yea everyone knew something was going on I don't think they knew the definition of subtleness.

DANE V.O

I hacked into his webcam and recorded and off the bat like literally blam in front of my face. They would do all sorts of X-rated shit together. Like she was extremely OPEN to anything. And it was only 3 o' clock in the afternoon!

Scene skips to back in professor Yates class. It was the end of class when one of his student, Jennifer stays after to "talk to the professor." Dane sees this and notices that she always stays after class. He then went home hacked into Professor Yate's labtop and turn on the webcam. The scene shows series of professor yates and

Jennifer having hardcore sex. When dane says "she was extremely OPEN to anything" Jennifer spreads her legs wide open.

DANE V.O

But I just wanted to teach him a lesson so I only used the blowjob video. I actually felt KINDA bad because I think they actually really liked each other.

Shows the scene where he put the video on the projector and the whole class is cracking up. Peter is in the seat behind him, and gives Dane a thumbs up.

PETER

Why did you make the video? What he do? Yea he was a grade A douche-bag but...

DANE

Yea well I was supposed to get this scholarship, but he being the douche-bag that he is, gave me a bad recommendation letter. I was hands down the smartest person in class.

PETER

You didn't read it first?

DANE

I wasn't supposed to but I thought he liked me. I'm a teacher's wet dream.

PETER

Guess not haha

DANE

So really how were you able to start a business. No offense dude but you're not that smart. Is it even legal?

PETER V.O

That was fast. (Peter now looks like a schoolboy that got caught in a lie.)

DANE

Holy fuck it is illegal

Dane prepares to leave but peter stops him and goes in his drawer where he pulls out \$30,000 worth of cash and pours it on the floor.

PETER

Wait stop

DANE

(Dane is now in shock.) Whoa

PETER

I'm going to need you to calm down and listen to my proposition.

(Dane sits down still staring at the money.)

DANE

It better not have anything to do with drugs or im outta here.

PETER

No drugs. DANE I just need your technical skills and we would be totally unstoppable.

DANE

Hackers go to jail too! Fuck this shit, trust me I won't tell anyone but you're going to get caught regardless!

PETER

Shit dude calm the fuck down and listen to my plan. Dude if you don't like it walk out the door and I'll find someone else, but my fucking mom's downstairs FUCK. I believe you I know you won't tell anyone

DANE

I won't

PETER

Alright then be cool. Well about 7 months ago I left college to work at a bank.

DANE

A bank?? That makes this plan better (Sarcastically, peter ignores his comment)

PETER

My manager tells me about an account that has been flagged for fraud and that I should call the owner of this account to help clarify the issue. I go through procedure and I ask for her address and card number and all the other bullshit right. So after this I looked up her account and found out that her account actually got hacked. So I asked her how much money she had in her bank account and she told me \$61,000 and I looked at the amount of money in her account and realized that the hacker only took \$1000. But she sounded old and she was very forgetful and I ceased the opportunity and told her that the hacker took \$11,000. But she wasn't even that mad, she's like 70 she doesn't need \$60,000, she told me herself. So I went to the atm and took \$10000 from her account and not a single complaint.

DANE

Okay that has got to be the stupidest thing I have ever heard in my life.

PETER

Trust me, no one will even expect me, I'm like the most trustworthy person there. We are a very closed knit family there. They will always feel like it is an outside job. And the second they give me some kind of notice that someone is going on a hacking spree, we would have already made a KILLING!

DANE

What about me they can find out that I am hacking.

PETER

Look we're not going to use our own laptops. You'll just go to some library but not the one at the college, cuz that would just be idiotic. And listen I'm your inside man I will know what they are doing

as they are doing it. I will give you some kind of notice so you can get the fuck out of there. They will just expect a hacker, this is not a hugemungous bank. They won't expect some well thought out plan. I got lucky the first time because she had Alzheimer and I went back to her house and she totally forgot all about me. But I impressed her so much the second time that she gave me a whole bunch of her friends numbers, thinking that she is helping me make a few extra bucks on commission but I'm just using her for the scam.

DANE

But wouldn't I get caught for hacking into their accounts?

PETER

No cuz I am building relationships with these people. They know my work and cell number. If I call them saying that someone took \$5000 from their account. They might panic but ill calm them down and they might check for themselves but they cant file a complaint when they think the problem is being resolved. They are still drowning in money, and most of it is never going to be spent. So you can literally hack into these accounts and take a lot money, I call them ensuring them that the problem has been noticed and i tell a lil lie and become richer! But we have to play it smart never withdraw from the same ATM, only one hack per person, we don't want any external radars going off and we definitely need an end game. We're not doing this forever, that's how people get caught. We walk away with a boatload of cash and retire to embark in other ventures in life. Like I said I form relationships with these people and most of them have Alzheimer...

DANE

So they would just forget (Dane interrupts)

PETER

Exactly. Dane, one of these days you're going to graduate from college and go into the real world. And when you get there you

will find out that you are not the smartest person in the world, you don't even make the top 100 lists. But if you go in this with me you will have money and intelligence, which will then put you in the position to buy your way into the fucking list. And when you get on that list you'll be shitting green!

Series of scenes that show peter and dane are shown, while the song Surfjan Stevens- Chicago plays. No audio besides for background music. * Peter is talking on the phone with one of the clients and smiling and laughing. And then he writes down the information he needs and sends it to Dane in a prepaid phone. And shows Dane in the library hacking and sending the money to a fake account and cleaning the account of all the money. And then they meet up and split the money looking very happy. Also in the midst of this you see a scene of dane showing peter some of the crazy things that professor yates and Jennifer did sexually. And also peter giving his more depressed mom a kiss as he ran out the door. She cracks a little smile to see that her son found something that makes him so happy.

PETER V.O

Who would've thunk old people would bring such joy to a bunch of 20 year olds. And all I had to do was just visit them and let them talk. And boy could they talk but once in while I come across some really cool ones.

Scene shows a series of clips of old people talking to peter and him just sit there and say yea.

Scene skips to peter playing dominoes with an old man

MR. JOHNSON

Peter I know when you see me you probably only see a crazy ass old man but I'm here to tell you that you're wrong cause i'm actually a crazy ass old man who ONLY FUCKS DIMES!! GIMMEE TEN!

PETER

HAHA so you got jokes old man well gimme 15!

MR. JOHNSON

Gimme 20!

PETER

GIMME...

MR. JOHNSON

I wouldn't do that if I was you.

PETER

25!!!!

MR. JOHNSON

Oh shit! you didn't fall for it

PETER

I'm the best that ever played old man

MR. JOHNSON

Well maybe 2nd best. Now throw some 30's
on my Caddy!!

Scene skips to Dane and Peter talking in deserted college library.

PETER

Bro I definitely got a new lead today.

DANE

Yea?

PETER

Yea this old guy, Mr. Johnson. He's too
perfect, he taught me how to play
dominoes, I never understood why they
would slam the dominoes, but it's pretty
fucking fun.

DANE

It's still stupid.

PETER

I guess

PETER

Yea he gives absolutely no fucks about
money. Ever since his daughter put him in
the home, he's just sitting on \$80k that
is just rotting in the bank. And he

doesn't give a fuck about anything. All he does is play dominoes like literally all day.

DANE

So how much should we take? Probably 30k right?

PETER

Yea but I was thinking probably 30 now and 30 right before we stop. You know just a lil last minute scheme (DANE writes it down on his journal.)

DANE

Dude guess who I ran into the other day?

PETER

Idk

DANE

Yea well idk is not a name. Make one guess and ill tell you

PETER

Idk dude

DANE

Just guess

PETER

Ok, your best friend from high school

DANE

No, why would I even tell you that. And What kinda conversation is that even going to start. You didn't go to my high school.

PETER

Yea well you told me to guess so I did

DANE

OK I saw...

(Dane shows a gesture of a girl spreading her legs as if she's down for anything.)

PETER

Professor yates?!

DANE

No better, Jennifer!

PETER

How is that better I feel like meeting professor Yates would have been a lot more awkwarder. Well Is she still sucking old dudes dicks?

DANE

Idk man probably but I feel like she was flirting with me.

PETER

OK. (pauses)

DANE

No dude did you hear what I said, she wants tha D! She gave me the up and down look.

PETER

Maybe she wasn't used to you taking showers hahaha

DANE

Hold on you could tell?

PETER

Anybody with a nose could tell haha

DANE

Ooh shit ok from 0-10 how bad was it

PETER

Dude I was just joking haha.

PETER V.O

I wasn't

PETER

Atleast now I know you didn't take showers
in college.

DANE

Oh well it was a couple of days I just
thought maybe people might have jumped
into conclusion because of those couple of
days.

PETER

Jumped into conclusion what the fuck haha

DANE

I don't know Faggat I was never popular! I
don't know how yll think!

PETER

I don't know either but all I know is
Jennifer's pretty smoking hot if you're
going to fuck her you might want to spend
some of the money on a new swag.

DANE

Fuck you I like my clothes they're
comfortable. And I don't really want to
fuck her she seems like a chill chick you
know?

PETER

I know what?

DANE

You know the type that you fall in love
with.

PETER

Chill chick? The type that you fall in
love with? You must be a virgin huh hahah?
Im going to have to get you laid dude.

DANE

Nah don't worry I don't help, Jennifer
definitely wanted the dick

PETER

Trust me if you fuck Jennifer your first time you'll literally never see her again. She'll be a ghost in your past. *dane phone vibrates and he looks at the message.

DANE

Look dude! She just texted me back, she got some new boobs right so I texted her and said "im not going to lie to you but you probably have the best tits on campus, you didn't need to get your boobs done" and she said "aww that's sweet." Now i'm stuck, i dont know...

PETER

Rookie gimme the phone I gotchu. (peter texts)" When do you get off of work, i would like to take you out and maybe we can catch up some more." Oh shit you got a new message! "she sent her address, she says she gets out of work in 3 hours and you can pick her up then."

DANE

Haha good one fucking asshole

PETER

Who's the asshole

(shows dane the text.)

DANE

Oh shit well Nice chatting with you but as you can see I've got some good ol' nasty oily aggressive FINGER LICKING sex to have.

PETER

You have 3 hours, that's not a long time for me to unvirginize you bro.

DANE

Dude we have made a lot of money together but you are crossing the line. I don't roll that way its cool if you do but I don't haha.

PETER

I'm not fucking gay!! You need to have sex before you go to her house. Trust me, you'll never know until you know.

DANE

What?!

PETER

I've got an idea. Let's go!

(Peter pretty much drags Dane out the room.)

PETER AND DANE PULL UP TO A STREET CORNER WHERE PROSTITUTES ARE STANDING.

PETER

Pick one

DANE

OK I'll admit that i'm a virgin and Jennifer might be my first girlfriend EVER, but this seems like the complete opposite of the thing that I am supposed to be doing right now.

PETER

Nah trust me. After you know what the pussy feels like you might have a chance at actually keeping this girl.

DANE

I have an hour and a half before I take the girl of my dreams out on a date!

PETER

Yea you have an hour and a half so hurry up and pick! Cuz these girls walk unbelievably slow.

DANE

What if I say no

PETER

Well then I will say yes

DANE

I say no!

PETER

I say yes!

DANE

Did you do this?

PETER

Well no

DANE

Then i say NO!

PETER

I was too young but I wish I did cuz my first time is like probably top 3 most horrifying experience of my life dude. One ahead of almost being killed by Annie. (pulls up to one of the girls.) Hey beautiful ummm I don't really know how to do this so im asking for straight normal vaginal intercourse right now. No kinky shit

PEACHES

Right now but what about later baby

PETER

Well later is inaccessible because I have about an hour. And ive got money. (shows cash)

PEACHES

That's all you needed to say, this aint fucking mcdonalds

Hooker gets in the car. Dane looks uncomfortable.

PETER

So peter pats him on back and tells him "have I ever let you down?"

PEACHES

So which one you schoolboys are trying to lose their virginitities?

DANE

Virgins we're not Vigin's

PEACHES

(Doesn't look convinced but doesn't say anything)

SCENE skips to them in a hotel room.

DANE

I'm sorry that I'm a virgin

PEACHES

Aww darling dont worry everyone's a virgin at one point in their lives. Im actually glad you are, my pussy's pretty sore right now.

PETER

Well then (sarcastic voice) I guess that's my cue

PEACHES

Come on lets get this over with.

Peter leaves and walks out and camera follows him get something to drink. Then he walks back upstairs.

PEACHES

I want you to fill me up with that fat dick of yours

DANE

What? i wouldn't say fat but thanks. It's really making me feel better.

PEACHES

Yea Baby get that dick hard for me.

DANE

Oh my you're good at this, is that what I should tell Jennifer to do to me? I should probably write these down.

PEACHES

Are we actually having sex? Or are you
wanna those feelings kind.

DANE

Oh hell no im definitely gonna stick my
fat dick inside of you. I mean fill you up
with my fat dick. We're gonna do some
nasty things tonight! That was good right?

PEACHES

Yea you're really turning me on right now

DANE

I was watching this YouTube video and the
guy was like "smack her with the dick,
smack her with the dick, smack her with
the dick" Should I try that. Should i do
that to you? smack you with the dick,
smack you with the dick

PEACHES

I hope you don't think this is what sex is
right?

DANE

Of-course not, its my first time even
though you're just a prostitute.

PEACHES

Hey! i prefer to be called an escort.

PETER

Oh sorry even though you're just an
escort, I want it to be special.

PEACHES

Yep we're definitely not having sex
tonight. Are we?

DANE

Yea but what I was thinking was that
peter, my friend out there, was saying
that I had to atleast know what the pussy
feels like so im just gonna close my eyes
and just stick it in there for a quick

second, Then i won't feel guilty of cheating.

PEACHES

Quick second? How are you going to recollect the memory of how it feels like. And you know what they say it aint cheating unless you get caught.

DANE

Ok you got me. I'll do it for a full second.

PEACHES

I don't think a full second would work either.

DANE

Yea well im closing my eyes extra tight so I think that would be enough.

Scene changes to peter drinking his drink and accidentally spills it on himself and tries to clean it. He spits on napkins and uses it to try to clean the stain.

DANE

Ok I'm ready

(phone vibrates)

Hey I got a message. It's from Jennifer. She got off work early and is looking forward to catching up!

PEACHES

Catching up? You telling me this chick isn't already your girlfriend.

DANE

Not yet. I'm an optimist. Well I guess we gotta kick things into gear let me just go ahead and stick my... OHHHHH! (dane almost immediately has an orgasm.)

PEACHES

Wow kid you're a rebel that was longer than a full second.

DANE

Wow that was amazing! Way better than jacking off

PEACHES

You can stick it in there for another five seconds if you want.

DANE

I don't know but I think I came already

PEACHES

Uh?

DANE

Yea, hold up gimme a sec, Yep its sticky, I've ejaculated.

PEACHES

I guess that's it for you then. Who's paying?

DANE

Noo! I wasn't ready that time, you gotta let me try one more time!

PEACHES

Sorry son but i'm on a schedule

DANE

Come on just one more time

PEACHES

OK but this is the last time.

DANE

I promise i will not cum quick this time. I think it's cause I closed my eyes. It definitely enhanced the experience.

PEACHES

OK

Scene shows 30 seconds later then changes to them dressing up

DANE

I felt really good about that one. I must have lasted like 6 or 7 minutes.

PEACHES

Hold on what did you say I was returning an email

DANE

Never mind (Then they walk out to find peter just sitting there.)

PEACHES

Money?

PETER

You got it dane

DANE

What? You were the one that was flashing money to her. This was...

PETER

It was your penis.

(peaches looks at him like yea it was.)

OK let's get you to your date

Dane pays peaches.

DANE

OK dude I forget something I'll meet you in the car.

(Takes peaches to the side and asks her "how was I?")

PEACHES

You were great, you might need to work on your orgasm face though.

DANE

Like How'd it look like it went by so fast I don't remember

PEACHES

Yea it went by a little too fast.

Shows a ugly face of how his orgasm face looked like and teach him how to make his look better for like 2 mins.

PEACHES

You'll get it I believe in you *but he never actually fixes it*

DANE

Alright thanks you were great too by the way.

(Peaches immediately starts walking away.)

SCENE SKIPS TO DANE AND PETER IN THE CAR

PETER

So did I tell you so or did I tell you so?

DANE

OK you were right, I feel like my confidence is at an all-time high like I could fuck anything that moves! Jennifer's probably not gonna be able to walk for days when i'm done with her.

PETER

Yea bro go get her

DANE

I just hope she didn't have any stds.

PETER

Damn I know Jennifer was a slut but you cant just say that she has stds!

DANE

Jennifer? No im talking about peaches.

(Peter abruptly stops the car!)

PETER

Peaches! Holy fuck Holy Fuck! you cant go!
You cant go and fuck Jennifer you gotta go
get tested or something!

DANE

Ok dude let's go

PETER

Getting tested takes like a month

DANE

A month, we gotta go back!! We gotta go
back in time!

PETER

Who do you think I am Doctor who?

DANE

Hahahaha oh damn this is too much! you
looked like you were gonna piss in your
pants.

PETER

Haha you've got jokes

DANE

Yea i do. We probably need to go find a
new hooker, now that I think about it I
think I came a lot quicker than I thought.

PETER

No man you don't need it, you got this.
Jennifer wont know what hit her. We gotta
get those accounts hacked tomorrow so make
sure you sleep early.

DANE

Yea fasure dude, she texted me earlier so
I gotta go get ready. So lets make moves.

SCENE CHANGES TO SERIES OF VIDEOS THAT SHOW PETER AND DANE WORKING
WITH NO AUDIO AND PETER TALKING TO HIS CLIENTS.

JILL

I don't think you're supposed to use the phones for personal uses Pete.

PETER

I was calling a clients

JILL

Oh so you weren't calling one of your little girlfriends.

ANDY

Haha Yea my boy peter got all the girls let him live

JILL

Just try to act like you're doing some real work next time. You cant get fired if you're looking like you're doing your job. (Jill leaves)

ANDY

That's crazy cuz I used to work at mcdonalds and feel like shit at the end of the day. Now i work here and make way more money and i don't feel like shit. It's like as you move up in the world the less you actually do and the more you look like you're doing.

PETER

Mr London probably does a lot.

ANDY

Don't get me wrong Mr. London is cool but he has reached a peak. He's like 80, he should be owning this joint. Now George has to work so hard so that he can retire without worrying too much about bills and stuff. But the key is to move up until youre making atleast 200k a year and then you can chill for the rest of your life. And George is lucky if he is making 100k working for this bank. Oh shit man i gotta go I've got more "HARD WORK" to do. (Whispers) it's not hard work, i'm just filling out paperwork and then sleeping with these on. (He puts on his ray ban shades) Let's get this MONEY! (He yells as he leaves)

PETER V.O

Everywhere I go its MONEY MONEY MONEY. All this money talk has fueled me to taking the scam a step further. For some reason it was really easy for me to get these old people to like me.

PETER

I think I have about 5 more alzheimer's.

DANE

Holy crap man im gonna be able to pay off my tuition a lot faster than I thought. Mrs. Tate had atleast 200k bro!

PETER

So how much did you take?

DANE

80k now and 80k when we stop? By the way when are we stopping?

PETER

Just chill, there's nothing to worry about we panic when the bank panics. Just be careful don't try to put one of those signature hack moves and we both are gonna get on the next plane to another state and start a new life fresh!

DANE

What about Jennifer?

PETER

Its your first pussy ofcourse youre sprung! There will be plenty of pussy when we're scott free and rich. How much do we even have anyway?

DANE

What im I an accountant? I don't fucking know

PETER

Aight then let's count this shit

DANE AND PETER START COUNTING HOW MUCH THEY HAVE.

PETER V.O

For some crazy reason I thought it was
maybe 200k maybe 100 each.

DANE AND PETER IN UNISON

\$950,715!

PETER

I need a better job to launder all this
money man!

DANE

I don't even have a job.

PETER

How did we accidentally make so much
fucking money!

DANE

Without getting caught! I can probably
take Jennifer with me then huh?

PETER

Jennifer is forbidden to come! You might
as well just walk out right now! What we
are doing is illegal. If anyone was to
find out they can take us down for a long
time! She is forbidden!!

DANE

Peter, she would be devastated

PETER

No you would be devastated, in prison.
She's probably gonna break your heart.

(phone rings)

DANE

Are you gonna answer that?

PETER

Hello!

DR. FRANKS

Hello this is Dr. Franks, is this Peter
loft

PETER

Yes

DR. FRANKS

Sorry to disrupt you but this is Dr.
Franks and we have a JUDY Loft here and

PETER V.O

What's up with people saying their names

PETER

PETER

Mom what the fuck are you talking about?
Are you fucking going crazy or are they
giving you too much meds?

MOM

lower voice)

PETER

Mom it might be the pills so just ignore
that thought.

MOM

Ignore what thought! the thought that
someone is trying to kill your mother and
they framed her for doing it! That guy's
probably CIA with a sniper ready to
assassinate me!

PETER

Well ill protect you. I'll use my spiderman powers, and don't worry about the bill I'll make sure everything's paid for and im even giving the nurses a lil something to take extra care of you, you're going to...

MOM

(She interrupts him and says)
Make it?! Be alright?! Peter I thought I could make it, I thought I could be strong. Don't waste your money I wanna see your dad I wanna see mikey. You didn't see him when we were younger pete he was always happy and outgoing. He was such a ladykiller and I couldn't believe he was mines but he was. And

PETER

Mom youre killing me here

MOM

And you know your father was in a band when we were younger, it was a beatles cover band. I went to every show, it wasn't anything flashy but I was there, always.

Scene changes to Peter and his mom talking in mute but his dad's
singing is still in the background. Then his mom cries on his

shoulders as he comforts her as he says mom I still need you I really do.

MOM

You don't even need me anymore, so let me be with your dad.

PETER

Mom, No

MOM

We've raised you the best we could. We've taught you right from wrong and now it's your turn to find your own happiness.

PETER

Mom, i need you now more than ever.

MOM

You really don't. I know the look of a man on a hunt you've got that fire in your eyes. It's like I can tell you're going to be alright Pete. You don't even hang around with me anymore. Sometimes i don't see you for days. You are on your grind and i hope you find what you are looking for.

PETER

Mom are you trying to cook up a way for me to let you die hell no that's definitely out of the question Mom!

MOM

I used to hate myself for loving you more than your dad, I never imagined in my life loving anyone like him. I could feel the..

PETER

Mom hell no. This conversation is over. You stay on the meds and listen to your doctor.

(Then peter just walks out.)

MRS GRANGER

It's a pleasure seeing you again peter

PETER

Likewise Mrs. Granger, I love your British accent "it's very pleasant" (says in British accent. You can't hear Mrs. Granger respond.)

PETER V.O

She sure was very pleasant.

(Changes to scene of Mrs. Granger giving peter a blowjob.)
Don't judge me, I've been really stressed cause of my mom... plus she actually gives amazing head.

ASAP ROCKY GOLDIE PLAYS THEY KINDA FLASH THEIR MONEY AND HIT THE LOUIS VUITTON STORE, VERSACE AND GUCCI STORE.

Then inviting some girls over and throwing money all on them and after that have sex.

Scene changes to the morning when they are having coffee

PETER

But dude now that we are filthy rich, we turn up in Vegas and then we're done

DANE

Yea definitely, i'm not trying to get caught

MR. LONDON

(In a whisper to Jill.)
There has been a lot of complaint about
people being scammed lately.

JILL

Oh that's not good.

MR. LONDON

I talked to the tech team and they are now
starting an investigation to find out who
is doing this. It must be a group of
people because it's kind of a lot of
money.

JILL

How much?

MR. LONDON

Right now it's like \$300,000

JILL

Holy crapsticles

MR. LONDON

Yea crapsticles

(old Mr. London looks as if he knows
he might lose his job.)
Jill leaves and Peter walks up to George.

PETER

I have the report for you

(In a British accent)
Lord sire London from the town of
Massachusetts.

MR. LONDON

Did you do the Carter account? I don't see
it in here

PETER

Oh shit George It must've slipped my mind

MR. LONDON

Shit? Atleast say crap, for petes sake is this a fucking strip club or a bank! Look at you all, you think I don't see you guys looking and acting like you're working. And you Jenna fucking Ryan in the bathroom like everyone doesn't hear the walls banging. Sex is loud guys! There's a lot of fucking movement. We thought you knew that. Peter's probably the only one who actually kinda does stuff here. It all reflects on me guys I don't wanna lose my job so handle your shit!

DAVID

What happened?

(David just walked in)
RYAN

George needs a blowjob, you should probably help him with that.

DAVID

(Doesn't say nothing he is very quiet and embarrassed.)

PETER CATCHES UP TO MR. LONDON AS HE IS LEAVING

PETER

Mr. London

MR. LONDON

What?!

PETER

It might be a wrong time but i need to take a vacation day this weekend. I'm going on vacation with my mom.

MR. LONDON

Were you even listening just now. We have to be on our best behavior no more lollygagging.

PETER

I understand that but I don't know if you heard about what happened about my mom.

MR. LONDON

Oh shit peter, I totally forgot. I'm very sorry about that by the way.

PETER

We just need a little family time probably this weekend.

MR. LONDON

Alright just make sure you guys take care of yourselves out there.

PETER

Of course sir

Peter goes back to office space and immediately calls Dane

PETER

Hey Dane lets go turn up in Vegas.

DANE

Aight man I gotta go its Jennifer.

PETER

Ok.

Scene changes to peter getting ready to go. He has his money and clothes packed up. But Dane is with Jennifer having sex instead of packing

SCENE THEN CHANGES TO PETER WAITING AT THE AIRPORT.

PETER

Where the fuck dude? Why are you not here we've got like 30 mins left till the plane leaves.

DANE

(Dane and Jennifer are making out on his bed and he calls. So Dane is a little distracted when he is responding.)

Yea about going to Vegas this weekend I don't think I can make it.

PETER

How? What the fuck, we made plans!

DANE

Yea I know but its Jennifer, no offense
babe but you're a dirty little whore.

(Jennifer laughs)

Like dude she does things that would make
me wanna change my religion.

PETER

It's your first girlfriend

(Then Dane hangs on him before he
could finish. But after he hangs up
peter still finishes and says)
you can't get too hung up on her.

PETER

Peter is a little sad then out of nowhere is voice over says Vegas
is fun alone too right?

PETER V.O

Vegas is fun alone too right? *then peter
jumps on the plane going first class and
goes to Vegas.

Shows him in first class getting a drink

PETER V.O

Vegas is like the biggest amusement park
in the whole world. I only brought 100k in
case I accidentally spend all my money. So
many lights it was amazing. No wonder
people spend so much money here I never
was able to comprehend that but I guess I
do now.

THE SCENE ZOOMS STRAIGHT TO PETERS BEAUTIFUL HOTEL ROOM FROM SEEING
ALL THE VEGAS LIGHTS.

CONCIERGE

Welcome Mr. Loft to your suite. For a
steal too, its usually 50000 a night but
you got it for 27000

SHOWS ALL THE LAVISHNESS OF THE HOTEL ROOM.

PETER V.O

I don't know why he told me that, he was
right next to me when they told me the

same thing downstairs. But anyway luxury living huh?

PETER

It ends with peter laying on the bed watching the big screen TV in his room.

Scene changes again but this time his body is slumped in with the bed then the phone rings.

PETER V.O

Holy shit what am I doing I'm in Vegas! (he doesn't even answer the phone.)

Then scene changes to him downstairs in the hotel walking around. Then he goes gambling he would bet little by little then he ended up getting more and more and it turned into a huge scene of him gambling. Then all of a sudden he sees a girl that he would compare to the most beautiful person in the world. She was looking at him do all the spending and was impressed but he didn't know. Later on he sees her as he is heading towards the bar.

PETER V.O

Holy God of heaven, I didn't even know girls like this even existed.. Her eyes were a bright, emerald-green that had enough color to brighten the world. She was the picture of perfection. When she smiled, the world would smile with her. If she laughed, the world would laugh with her. How the fuck do I fuck her? OK peter you can't fuck this up, you got this, lead with a smile be charming lets go

Peter pussies out and tries to walk past her then...

SARAH

Hey cutie

PETER

Me? (peter gets confused because he doesn't know if she's talking to him.)

SARAH

Yea you. How are you im sarah

PETER

I'm Peter

SARAH

You're new huh?

PETER

Yea how do you know?

SARAH

You've been standing there just looking at me for the past couple of minutes.

PETER

Uh??

SARAH

I'm always in vegas and the newbies always drool. (She then wipes the side of his mouth to be funny, but there's no spit) Its cool you can look but don't touch.

PETER

What if I really wanted to touch.

SARAH

If you're cute then Ill give you a really nice little feel.

(and she starts to dance all up on him.)

PETER

Oh god you are very straightforward.

SARAH

You looking to party baby?

PETER

Yea im in the tower suite im always turnt.

SARAH

Did you win the lottery or something?

PETER

Nah but it would feel like it if you were mine

SARAH

Oh good one there, that was cute.

(And she takes some hits of cocaine.)
You want some?

PETER

No

SARAH

Come on you earned it with that, look at
me I'm blushing.

PETER

OK... (snorts the coke)

PETER

Wow that's some good shit. (but peter
doesn't actually know what good shit would
feel like.)

SARAH

Only the best, I get it from a friend of
mine who gets it from Bolivia

PETER

Oh tell him I said that that was some nice
shit.

SARAH

You can tell him yourself, he's coming to
the party that we are throwing

Peter's eyes grow because he starts to feel the high

PETER

My room can fit a lot of people in them;
you should call however many friends you
want.

SARAH

Ok free booze right?

PETER

Yes of course who do you think I am. Wow
that was some really good shit.

She looks at him for a sec asks him he wanted to hit some more
cocaine, he accepts, and then the scene changes to the big party in
his hotel room with all sorts of drugs and alcohol.

Peter ended up drunk and dancing with Sarah, and fucking Sarah but
for a quick scene

SARAH

Want some?

(he snorts it then it goes to drunk
and party scene.)

PETER

(Trying to wake up and is muttering
something in his sleep and then wakes
up somehow outside on the balcony. He
gets up buck naked and walks in. he
then starts to walk but totally
doesn't see all the bodies on the
ground from the party. He trips and
hit his head on table and knocks out
and wakes up to police officers
questioning him and take him
downstairs.)

OFFICER JACK

Was that beautiful suite that we found you
sleeping in yours?

PETER

Yes

OFFICER GABE

Then why the fuck does it look and smell
like you did a lot more than sleep in it!

OFFICE JACK

Yea everything in there is broken. Nothing
in the room is use-able anymore, and you
know how we got into the room so easily?

PETER

Idk

OFFICER JACK

Just guess

PETER

Umm yll are fucking cops maybe that's how.

OFFICER GABE

No asshole you have no fucking door!

OFFICER JACK

Like you didn't leave it open, its not broken, somebody literally stole the \$50,000 door from the hinges.

PETER

\$50,000 are you high?

OFFICER JACK

We're cops so obviously not. (they looked little high)

For the DVD, I want a behind the scenes of the hilarious scene of how the cops got Peter downstairs

PETER

Did you say \$50,000, if I knew that I would have probably taken it too.

OFFICER JACK

Well you paid for the room so you gotta pay for it. Or you are gonna be locked in here for a long time.

PETER

I can't do that!

OFFICER JACK

Your choice

PETER

(Is silent for a while trying to find something to say then says)
"well I don't have a choice."

OFFICER JACK

Yes you do, I just gave you a straightforward one weren't you listening.

PETER

No officers, I have a week left.

OFFICER GABE

Left for what.

PETER

Officers I've got leukemia.

OFFICERS

hahahahaha

PETER

Look at me how could I afford a room like this!

OFFICER

Idk are you on Disney channel or nickelodeon? We get a lot of those fruity singing fuckers around here.

PETER

No I am dying, my family raised money for me to have the best weekend of my life. And I asked to go to vegas. I'm supposed to go to Paris next but I think I'm just gonna go back home. I've done enough damage. I don't have much but maybe 30,000 upstairs.

OFFICER JACK

Who do you think we are a bunch of fools?

PETER

No sir, i'm dead serious, this was my last wish.

OFFICER JACK

Oh so you actually got that shit.

PETER

Yea.

OFFICER GABE

Then why don't you look sick.

PETER

I had some antibiotics but I started to feel even better when the alcohol and drugs sunk in. They should've prescribed me that years ago. I would've probably made it.

OFFICER JACK

Go check up in his room (suspiciously) hopefully someone didn't steal it.

OFFICER GABE

So where is it

PETER

In the closet.

(THEY WAIT)

OFFICER GABE

Its here, he actually has the money.

OFFICER JACK

We apologize we didn't know we thought you were some kinda clown or something.

PETER

Yea but im still willing to give you guys the rest, I've had enough fun for a lifetime.

OFFICER JACK

I bet you are! Cuz we didn't even talk about the bill for the inside of the room.

(They all laugh.)

OFFICER GABE

Don't worry about the door, it actually happens all the time. I don't know when the hotel's going to learn to stop buying such expensive doors.

OFFICER JACK

It's a fucking door!

OFFICER GABE

But we really hoped you had the time of your life.

PETER

Don't worry officer, I did.

OFFICER GABE

So that's all we wanted to have a chat with you about, you can keep the money and do some more wild, crazy shit for the time you have left!

OFFICER JACK

We're Americans and I just remembered that we hate the french people! Or was it the Russians?

OFFICER GABE

None of those sound right to me so I think we hate them both.

PETER

Are you sure? Won't you guys get in trouble?

OFFICERS JACK

Ofcourse not kid we're cops we can do whatever we want to as long as we file the paperwork for it. We'll just say that the perp got away and paid cash, which you did.

PETER

Oh thanks

OFFICER JACK

By the way whats your name son?

PETER

Ryan

OFFICER JACK

Well Ryan be safe

(and gives him the bags of money.)
PETER

Thanks but are you guys sure? I'm dying soon I don't think I need this money.

OFFICER JACK

Yes we are. Now go out there and destroy another hotel room.

OFFICER GABE WHISPERS

Hold on but I want the new xbox

PETER V.O

I didn't wanna push my luck so I dipped out of there as fast as possible.

(Mr. London calls him.)
MR LONDON

Peter, uhh well it seems like we've had some new information from those cunt sucking bank scammers out there.

PETER

Bank scammers?

MR. LONDON

Yea the bank scammers. Did I not tell you?

PETER

No sir you did not tell me.

MR. LONDON

Well you probably need to be back ASAP. We have a very important meeting at 5. I'll let you have another vacation next week. But you have to be here for this.

PETER

Ok I'll be there tonight. *He walks out to his rented car and checks in the backseat where he checks for the extra 50000 of the money that he hid in the car.

INTRODUCES GHETTO CHECK-IN DESK LADY AT AIR PORT

AIRPORT WORKER

Hello sir where would you like to go to today?

PETER

Can I get 1st class tickets to Boston?...

AIRPORT WORKER

Sorry sir but there are no more 1st class tickets for this flight.

(he takes out a \$100 bill and asks her if it's still full, she acts as if she is about to say yes and takes the money and says "no")

PETER

So are you sure?

AIRPORT WORKER

Oh sorry sir I think I have something here, it seems like there is still no more 1st class tickets. *says it in a sarcastic way.

PETER

Well then I think I want my money back then

AIRPORT WORKER

I don't think you'll want that anymore.

PETER

Why would I not want it anymore.

AIRPORT WORKER

Because there's a countless amount of different ways that I can use this \$100 bill to sue you. It aint nothing to cut this bitch off! Next person!

PETER

Cut what? Are we in kindergarten? And There's no one behind me. Ok I apologize for bribing you. Is business class full too, at least let me buy a ticket. I'm sort of in a rush here.

AIRPORT WORKER

Well you're just in luck cuz there are tickets for business class.

PETER

Thank you.

PETER V.O

Cunt. As I took the ticket I realized that if I were in trouble there would be a several federal agencies surrounding me and ready to arrest me. So I decided to calm down and take a chill pill but being me that didn't last very long.

AIRPORT WORKER

Yea but the flight leaves in about 60 seconds

PETER

Oh shit

(peter started running)

AIRPORT WORKER

Run Forrest Run!

Peter makes it just in time and goes to sit down and turns off phone, and puts it in his pockets. After the plane is in air he puts on headphones and then plays music. He plays Red Eye- Kid Cudi and Haim. And sings it in his head.

PETER V.O

Things get crazy, I feel like I'm losing my mind

I don't know what to do

I'm going insane and I really don't know why

There's only one thing to do

I'm floating through the night on a red eye [x2] [x2]

Scene changes to when they are in the air and peter is sleeping. Peter wakes up and walks into the bathroom then out of no where turbulence hit and the plane dropped 100ft in the air then peter

gets a sense of fear and devastation and the audio of something intense plays.

PETER V.O

oh fuck oh fuck oh fuck oh fuck (grows louder in his head), how the hell I'm I caught already. It was probably Dolores that cunt. They had to get me back in Boston! I can't go to prison fuck that shit! OK where do they keep the Parachutes?

FLIGHT ATTENDANT

Sir are you alright in there.

PETER

Yea

FLIGHT ATTENDANT

Well you sounded pretty angry and you were screaming. I was just making sure the turbulence didn't hurt you.

PETER V.O

screaming?

(peter realizes he must have said that out loud. And covers mouth)

PETER

No I was but I am good now thank you

(Peter is now walking out of the airport looking petrified)

PETER V.O

How do I get out of this one? Fuck my Life

Peter still goes to the meeting to face his jail SENTENCE

MR. LONDON

Peter! You actually made it

PETER

Yea I thought that's what you wanted

MR. LONDON

But I didn't think you were actually going to do it. You're a good kid, you're a man of your word and traits like that are hard to find these days.

PETER

Preciate that Mr. London

MR. LONDON

How many times do I have to tell you call me George

PETER

Im sorry George

MR. LONDON

Come on we gotta get moving, this case is starting to be a rather exciting one. As you kids say shits is about to get real.

PETER

Just say shit not shits

MR. LONDON

But what if there are multiple shits that are about to be real.

PETER

It doesn't matter just shit

MR. LONDON

OK (scene changes to an agent speaking to the employees of bank.)

Scene introduces African American agent

GABRIEL

How are you guys doing today I am Gabriel Harris from the FFETF.

RYAN

Hahah FFETF i'm I the only one that sees through this BS. How gullible do you think we are! He's part of the scam! Don't you see! FFETF? Come on there's CSI, FBI, CIA

then this asshole here comes out with
FFETF! That's like 6 letters, Arrest that
hoodlum!!

MR. LONDON

Shut the fuck up Ryan, these cops work for
him dumb-ass

RYAN

Oh no we're surrounded!

MR. LONDON

Are you fucking stoned again?

RYAN

Probably.

GABRIEL

No worries people I'm from the Financial
fraud enforcement task force. The FFETF is
a task force that encompasses a wide range
of illegal behavior from mortgage scams to
Ponzi schemes, credit card theft to tax
fraud. And in your case Bank Scam.

DANIEL

Dumb-ass (towards Ryan)

GABRIEL

Well I'm going to start off with some good
and bad news, I'll start with bad. Well it
seems like these "hoodlums" are smart and
are covering their tracks. Which is making
it hard to get them, but I've done this
for long enough to know that it's a matter
of time. They will get sloppy! And the
Good news is that they have really ramped
up their game by so much and are getting
really greedy so we might have the
perpetrators a lot sooner than we expect.

MR. LONDON

When you say greedy what do you mean?

GABRIEL

I mean these scumbags have stole about 1.7
million. That's why they sent me, it was

getting out of hand. And it looks like the victims consist of only retired senior citizens. So they are stealing the life savings of these poor old senior citizens who can't even work to redeem their money back so it's up to us to Recuperate their money for them! And we need full cooperation from everybody so we can try to get most of the money back in time.

(Throughout this peter looks sketchy and a lil guilty.)

ANDY

1.7 million right under our nose how did they manage to do that?

JILL

Maybe its cause Ryan's the assistant manager.

RYAN

Fuck you Jill go give your brother jack a blowjob hahaha

(No one really laughs. So he looks like a dumb-ass.)
You get it jack and Jill?

ANDY

What do you even do all day anyway?

RYAN

OK now we all wanna fuck with ryan well fuck you guys.

MR. LONDON

Its noone's fault guys lets not start to point...

GABRIEL

George I don't wanna interrupt you but 1.7 million means it's definitely someone's fault. If I have to fly all the way here from DC, it's definitely somebody's fault

JILL

(Coughs)
Ryan.

Ryan flicks her off.

MR. LONDON

I know this is now official police matter but this is my bank and I feel like if there's anyone who can help it would be me.

GABRIEL

Umm we at FFETF feel like we've got the situation handled and don't need any external help. Just your full cooperation.

MR. LONDON

Come on!

GABRIEL

It's greatly appreciated but NO

MR. LONDON

Don't worry I won't get in the way but I could help identify things that outsiders, like you, might miss. This aint DC Gabriel.

GABRIEL

(Doesn't answer but gives a face as if he's saying yes but doesn't want to say yes. Then the scene changes to them leaving.)

Peter waits for everyone to leave then he speeds out and drives off super fast. He is on the phone calling Dane but dane's not answering.

PETER

FUCK!

PETER V.O

This guy better not be fucking me right now

THEN BAM! HE BROKE THE DOOR DOWN INTO THE ROOM DANE WAS IN

(THE WHOLE SCENE DANE WALKS WITH A LIMP)

DANE

What the fuck that's my door!

(then peter punches him in the face.)

PETER

Asshole! 1.7!!

DANE

What does that even mean?! What the fuck's wrong with you! You're such a fucking asshole! You're out of line

PETER

I'm out of line! The only thing out of line is you!

DANE

Your mother's out of line

PETER

My mother? fuck you! And pull your head out of your ass. We're in fucking trouble don't you get it!!

DANE

Trouble? Like trouble trouble.

PETER

Did you hack into more accounts without telling me?!

DANE

No what are you talking about?

(then peter punches him in the face again.)

PETER

They said its 1.7 million dollars it was only 4 days! How did it jump from like 950,000 to 1.7 million in 4 days.

DANE

Fuck! OK dude I know we were supposed to only do old people but I thought if we were stopping we might as leave with a bang and be out forever. I've got some of Jennifer's rich dumb blondes friends and I even got that Ryan kid from the bank.

PETER

Well they've been following you and are tracking the fuck out of you.

DANE

Hold up what? But you told me that...

(looks confused)

PETER

I told you we were done that's what I told you!

DANE

Why are you getting mad at me?! Why didn't you see it coming?!

PETER

Uh... See it coming I thought we both agreed that we were done.

DANE

Hold on they've been tracking me.

SCENE CHANGES TO GABRIEL AND HIS TEAM WORKING ON THE CASE

TIM

I think I got something!

GABRIEL

What is it?

TIM

For this transaction, it looks like a personal lab top. It has image and a lot of different types of files that you wouldn't find in a burner. It might be of our perp's laptop.

GABRIEL

Really what a dumbass? Alright I need you to pin point his location and ill set up a team. Good Work Tim!

TIM

The files are still protected but as long as they don't destroy the lab-top, I'll have the location in no time.

GABRIEL

They probably will so we gotta move fast!

Scene skips back to peter and dane

PETER

Yea they were tracking you

(Dane looks at his laptop.)

DANE

Then we probably have to get the fuck out of here then.

PETER

Why?

DANE

I did something bad.

PETER

What is it?

DANE

I kinda used that laptop yesterday night to hack into Ryan's account.

(Dane goes to the lab-top and smashes it And throws it out the window. Dane limps when he runs to the laptop and is in pain.)

PETER

Can they still track that?!

DANE

I don't think so

PETER

Why do I not trust you when you say that

DANE

Because you're an asshole, and because I'm not really sure myself. It depends on the type of software that they are using. But if they find anything new, they might tell you when you go to the bank tomorrow

PETER

So I can end up with cuffs on my hands, I think not

DANE

Well since I just destroyed the laptop, they won't find out about the laptop for a couple more days. And it only proves that I committed the fraud, it doesn't mean they found out about you. You might still have time to at least warn me which could help you warn yourself.

PETER

I guess but Laptop or not we gotta get the fuck outta the country tomorrow!

DANE

Tomorrow! We gotta leave right now man!

PETER

What about your true love Jennifer

DANE

She did something to me man! It was really really bad!

PETER

I told you she was gonna break your heart!

(Then Dane pulls down pants and peter looks nauseated.)

Scene changes to Jennifer giving Dane a blowjob for like 6 secs then the look on dane's face changes from pleasure to fright as Jennifer bit his dick. Dane-"FUCK!!" and dane waits a while before resorting to violence and starts hitting her in the head with his cellphone and then a glass plate to pull Jennifer away.

JENNIFER

(In tears.)

I loved him!! AND YOU TOOK HIM AWAY!! HE WAS MY SOUL MATE!! I HATE YOU AHHH!!!

Then she runs at him but he moves out the way and she hits her head on the metal bed post and gets knocked out. Right when she gets knocked out kanye west- devil in a new dress plays. The next scene is portrayed as if it is the music video of the song.

DANE

Jennifer?

Words are mouthed and Dane starts to cry. Then he starts to shake her and slaps her multiple times. Then tries to listen for a heartbeat but he is surprised to not hear any. The scene skips and song also skips to rick ross part to him panicking then he he turns to look at the body and the scene skips to him dragging her in the bathroom and putting her in the bathtub. Her eyes were already closed but he thought it would add more suspense if he closed it more.

PETER

Oh my God. Whoa so she's dead?

DANE

Yea MAN, even though she bit my dick I still hold her in a special place in my heart.

PETER

Did that happen right before I came in and punched you in the face.

DANE

Well no I was thinking about calling the cops. Got some ice and I sat for hours and then I decided to put her in the bath tub. You know incase somebody came in. It would've been a little bit too awkward.

PETER

Holy smokes man im sorry man I didn't know.

(Gives dane a hug.)

I was being inconsiderate. For fuck sakes your penis looks like its hanging on for dear life

DANE

It's okay dude but im more angry at myself for using my own fucking laptop! I'm so

stupid I was going to throw it away but I totally forgot.

PETER

Shit if we get caught we go to jail for like 5 years maybe 3 for good behavior. But I don't think you can have sex again with that thing. My God what kinda teeth does she have. How did it not get in the way before?

DANE

Fuck you man, this aint the time for jokes.

PETER

I'm sorry man but its not everyday that your best friend gets their dick bit by their crazy girlfriend. At least now you can actually say you've dealt with a crazy bitch.

DANE

We're best friends. Aww man I never had a best friend before.

PETER

Yea dude you're my FUCKING best friend, and bro we got this shit in the bag. Ain't no cop gonna take us down

DANE

Damn I guess this must mean that

We're the Two Best Friends

That Anyone Could Have, Oh yea

the Two Best Friends

That Anyone Could Have

We're the Two Best Friends

That Anyone Could Have

And We'll Never ever ever ever ever ever ever ever ever ever Leave Each other

PETER

Man no wonder you never had a best friend.
I don't even think I wanna be your best
friend no more.

DANE

Awwww man but We were the two best fiends
that anyone can have.

PETER

Yea sure dude but seriously I gotta dip.
We might really be Scott free I just have
some things to handle tomorrow and if im
not back by then you should probably leave
cuz something has to be wrong.

(Peter walks as if he is about to
leave.)

DANE

Whoa where you going?

PETER

Home, where else.

DANE

Dude I don't think I can sleep alone
tonight

PETER

What?

DANE

I mean aren't you scared that I could go
to the cops

PETER

Are you?

DANE

Not if you stay

PETER

What would stop you from waking up in the
middle of the night and going to the cops

DANE

(dane pulls out sex handcuffs.)
Either this or sharing jail cells. And
dude I can't sleep alone with a dead girl
in my bathroom.

PETER

OK im not going to lie, this is definitely
going to be better than not sleeping at
all. OK I'll stay

(Dane limps to give him a hug and completely falls on a faintly way
but doesn't faint.)

DANE

Just great!

SCENE SKIPS TO WHEN THEY ARE ABOUT TO SLEEP.

DANE

Ok dude here's your handcuff

PETER

So who sleeps on the floor?

DANE

On the floor? I thought we were sleeping
buddies

PETER

Ummm NO Well too late I just handcuffed
myself to the bed.

DANE

Well so did I

(he handcuffs himself)

PETER

Fuck, you got the keys right? Yea its in
the dresser.

SCENE CHANGES TO WHEN THEY ARE ON THE BED.

DANE

I know this is a very stressful time in
our life's but dude we need each other, we
cant be just turning on each other and

punching ppl in the face even if I did
deserve it. Like we have a dead girl in
our bathroom for fuck sake...

PETER

I hope you're not going to talk all night,
I don't need this right now so go to
sleep.

DANE

Aight peter Good night

PETER

Night

Peter and dane are laying on the bed together then peter says "no
homo" because with the handcuffs dane's back is faced to peter and
it looks like they are having sex And dane claps and the lights go
off then dane says "no homo"

PETER

No homo

DANE

Oh yea, No homo

Scene changes to Gabriel and Mr. London are waiting outside Mr.
Johnson.

GABRIEL

George, you gotta let me do the talking
here, things would go by a lot smoother.
Right now we're visiting a Mrs. Johnson.
(Gabriel stumbles and accidentally says
Mrs. Johnson)

MR. LONDON

Hold up just because you got a badge don't
mean you know what's best for this
investigation. This is my bank. This is my
City.

GABRIEL

See I knew this was a bad idea. George
this is my job and I don't like to brag
but im pretty good at it.

MR. LONDON

Wow you should probably get an award for being the most humblest agent in the force. You should probably start writing your acceptance speech now. What are you doing wasting your time with me for?

GABRIEL

I have been asking myself that all day but Don't worry I already did and it's a real tear dropper. (Shows tears dropping down face with hand)

MR. LONDON

HAHA(sarcastically) What's her name anyway?

GABRIEL

Well umm George she's kinda sort of a he

MR. LONDON

What really? Whoa this is exciting, times have really changed; I guess people don't care to hide it anymore.

GABRIEL

We're here to see Mr. Johnson.

ASSISTANT

Hold up sir

MR. LONDON

So it's still Mr. Johnson too.

GABRIEL

What the hell are you talking about? Oh you think he's a trans...

(Under his breath.)

MR. LONDON

Shhh! That's rude. He's still a man.

ASSISTANT

Yes sir he's still a man even though he doesn't poop or pee like one. Goddamn It's like we grow up just to become a baby again. Sometimes I make fun of him and

call No dick Johnson, never mind you won't really get it yet. It really gets on his nerves but it's funny. Well lemme check on him first, Just give me a sec and wait right here.

Gabriel and Mr. London say in unison- Thanks

GABRIEL

(they wait for a while in awkwardness and then Gabriel says "George I need to tell you something?")

MR. LONDON

Yea wassup?

GABRIEL

I'm probably going to regret this because it would've been insanely funny but Mr. Johnson, oh man we're going to laugh about this later, is ...

ASSISTANT

OK he's ready for you guys

MR. LONDON

Alright let's go

GABRIEL

Oh God

ASSISTANT

Sorry I had to make sure that he didn't shit on himself. I'm really surprised cause he didn't. OK this way.

(she takes them to Mr. Johnson's room.)

MR. LONDON

Oh wow, wow she's depressing

MR. JOHNSON

Are you guys cops?

GABRIEL

Yes sir. How are you today Mr. Johnson?

MR. JOHNSON

Good besides for the fact that I probably can't afford to stay here anymore. But I'm gonna die soon anyway so Fuck it.

GABRIEL

No sir you don't look a day past 70

MR. JOHNSON

How does that even help, people can still drop dead at 69, the day before their own birthday too.

MR. LONDON

Yea come on Gabriel use your brain.

MR. JOHNSON

Yea shit he doesn't get it. He's a young cat so he don't know it yet but your body has a way of telling you these things.

MR. LONDON

Hold on what? I'm not old. I don't get it either, I was only agreeing with you.

(But no one actually pays attention to him)

GABRIEL

Sorry sir what I meant to say was we are going to catch these assholes and get your money back.

MR. LONDON

These assholes?

MR. JOHNSON

You think I can't handle some curse words. I've dealt with a few assholes myself

MR. LONDON

I'm sure you have Mr. Johnson

(At this time Mr. Johnson bends down to pick up his reading glasses that he dropped.)

By the way what's your first name.

MR. JOHNSON

Morgan

GABRIEL

Oh this just keeps getting better.

MR. LONDON

How fortunate? Were you born with that name?

MR. JOHNSON

Yea my grandmother named me

MR. LONDON

She must've seen the future because that named fits you perfectly

MR. JOHNSON

Fits me perfectly? What are you trying to say? Oh are you trying to say that I look like Morgan freeman.

(I want to cast someone who looks like Morgan freeman for the Mr. Johnson part.)

MR. LONDON

No that's not what I'm trying to say

MR. JOHNSON

So all black, old people look like Morgan Freeman huh?!

MR. LONDON

What? No im talking about... Well you still kinda look like him though.

GABRIEL

How life is great and we are all here for a reason and it's to ultimately die but until then we have to live.

MR. LONDON

What the fuck are you talking about?

GABRIEL

I'm trying to stop you from...

MR. JOHNSON

I've been in here for a long time but I guess some things never change; white people still crazy as hell.

MR. LONDON

Morgan there's nothing to worry about, we know.

MR. JOHNSON

Know what?

MR. LONDON

About your situation. "No dick Johnson"

(looks at crotch area.)

MR. JOHNSON

You talking bout that ugly creature out there. I am black maybe your little weiner aint working but mines is. Im still fucking all sorts of bitches.

MR. LONDON

Oh you have both. But isn't it a little awkward sometimes

MR. JOHNSON

Yea I know im old as hell but I just pop a couple of Viagra pills and do ma thing.

MR. LONDON

Viagra works for vaginas too but... How

MR. JOHNSON

Yea it does (pause) when my dick gets harder her pussy gets wetter.

(then Gabriel has had enough fun and rushes George out to tell him that he isn't a transgender.)

GABRIEL

Hey man He isn't a transgender!

MR. LONDON

Wait what do you mean he's not a transgender?

GABRIEL

I mean he has a penis. It's a pretty fucking big one too. How do you not see it through his pants.

MR. LONDON

Hold up that was his penis? Gawley I thought that was like his diapers or something. Did he have a boner he had to have a boner that thing was huge.

GABRIEL

Just shut the fuck up and let me do the talking. I have a job to do. Ok.

MR. LONDON

Ok

(Gabriel starts to walk in the room but Mr. London seems to be going the opposite way.)

GABRIEL

Whoa where are you going?

MR. LONDON

I don't know if I can do this anymore. I am just very disappointed right now.

GABRIEL

In what

MR. LONDON

I have never met a transsexual person in my life, I was so excited and I had all these questions about like how they feel or does he ever gets hit on by girls and is like ewww and then the girl slaps him in the face and he's like men are right, women are just crazy but now I feel so discouraged and overwhelmed. I never

thought I would say this but I really wanted him to have a vagina.

GABRIEL

I understand that but I am scared to leave you out here alone. You might get lost among all these old folks.

MR. LONDON

Oh haha(sarcastically) so you're starting to come around and actually value my company.

GABRIEL

Ohh N...

MR. LONDON

That's great cuz I really think we can be great partners in solving crime.

GABRIEL

It's Partners in crime

MR. LONDON

Yea that's it partner in crime. We probably need codenames since we're dealing with such high level criminals huh

GABRIEL

George, we gotta get going.

MR. LONDON

You're right we should do this later.

They enter back in the room.

GABRIEL

Sorry about that Morgan, can I call you Morgan.

MR. JOHNSON

No you fucking cracker

GABRIEL

OK Mr. Johnson. We would like to ask you a couple of question to help us find the perpetrators of this crime.

MR. JOHNSON

Aight

GABRIEL

Did you get any strange emails from anyone

MR. JOHNSON

That weird front lady checks my mail. And I throw them in the trash.

MR. LONDON

No we mean like from the internet

MR. JOHNSON

Hahaha you over here making fun of my name what kinda name is in-to-net. Is he a fisherman or something. Shit I aint ever met an in-to-net in my life. And if I did like I said Emily gives me the mail and I give it to the trashcan so ask him.

GABRIEL

I see this isn't going anywhere, well thank you for your time.

(they leave the room)

MR. LONDON

Wait that's it. Why are we leaving aren't we supposed to be grilling someone right now. Like fucking good cop bad cop or something.

GABRIEL

Did you hear that he doesn't know shit.

MR. LONDON

Maybe we can ask the cuckoo lady at the front desk.

GABRIEL

OK your lead

MR. LONDON

Alright Gabemeister

(Winks and doesn't give Gabriel a chance to respond, George walks away.)

MR. LONDON

(looks at the name tag) Emily, can I call you Emily.

EMILY

Why of course

MR. LONDON

If you don't know Mr. Johnson was recently a victim of a bank fraud and we were wondering if you might have any clues that might help us in our investigation. Cuz it seems like we couldn't get anything out of him.

EMILY

It's funny cause I had a dream that I couldn't get anything out of him. I woke up and I think I was a little wet.

GABRIEL

Goddamn! We get it you don't like this job but he has lost a lot of money and we need to catch this scam artist before he steals more money from more innocent people

EMILY

Ok what would you like

GABRIEL

Has Mr. Johnson ever received any mail that look suspicious or anything.

EMILY

No not really.

MR. LONDON

What about any suspicious people, has there been any suspicious activity going on around here

GABRIEL

And NO that was not an invitation to say more about how you hate this job!

EMILY

(emily looks as if she was going to say something and then catches herself) No not really but someone from the bank has been visiting him though

GABRIEL

From the bank?

EMILY

Yea he was a very good guy, Mr. Johnson seemed to really like him. He worked with him on his money management.

GABRIEL

Who was he?

EMILY

Pete

GABRIEL

Pete?

MR. LONDON

Oh it's just peter

GABRIEL

Ok I don't care if he's Jesus Christ, he has just added himself to my list of suspects.

EMILY

No peter was always nice to Mr. Johnson, they used to play dominoes together, Morgan really looked forward to it when peter came to visit him. But he mightn't seemed a little sketchy.

MR. LONDON

I've known peter and his family before he was even born

GABRIEL

Well then that doesn't make any sense

MR. LONDON

You know what I mean

GABRIEL

Who's peter anyway?

MR. LONDON

The only quiet one during our meeting on Sunday.

GABRIEL

The only quiet one huh?

MR. LONDON

No man his mother tried to kill herself and he was just trying to make his mom feel more loved and I ruined his vacation with her. And he even came back early so he could make the meeting. He's also too invested in this job to risk it all on a bank scam.

GABRIEL

I'm sorry about his mom and you're right he did seem like a good kid but we need to make some progress before these guys leave town forever.

MR. LONDON

Yea I know. So Emily is there anything else that you feel that would be useful for us.

EMILY

Nope

GABRIEL

Thank you very much Emily

EMILY

You're welcome

MR. LONDON

The name Emily is just such a beautiful name me and my wife almost named our daughter that.

EMILY

Well thank you Mr. London. (reading name tag)

MR. LONDON

No, call me George.

GABRIEL

Gabriel

EMILY

Thanks Gabriel, oooohh your hands are soft, you probably can touch any woman you want huh Gabriel.

(waits for him to say something back)
isn't this the part where you ask me out

GABRIEL

Nope.

(And he just walks out)
MR. LONDON

(As they are walking out)
That was pretty insensitive.

GABRIEL

She seemed like the stalker type and I've went down that road and I don't wanna go down there no more.

MR. LONDON

Same here. Mines was a close on.

GABRIEL

Oh how?

MR. LONDON

Well my wife almost killed me trying to
kill her. Who was yours?

GABRIEL

My ex-wife, she used to...

SCENE FADES TO PETER IN BED.

PETER WAKES UP AND DANE IS NOT NEXT TO HIM. HE HAS TROUBLES TRYING
TO GET OUT OF BED BECAUSE OF HIS HANDCUFFS AND THINKS HE'S THE HULK
AS HE RIPS THE HANDCUFF OFF THE BED. BUT IT STILL TAKES HIM A LONG
TIME TO RIP IT OFF. HE RUNS TO THE DOOR AND SEES THAT IT IS
UNLOCKED. HE CHECKS UNDER THE BED , THE CLOSET, BATHROOM AND CHECKS
IN BATHTUB BUT JENNIFER IS NOT THERE.

PETER

Dane!? Dane

He goes to the garage to see if Danes car is still there and it
wasn't so he heads back to the room. But the car was there, but he
just couldn't find it.

PETER V.O

That sneaky bastard! FUCKKK!!

(He gets to the room and finds the
door wide open when he remembers
closing it.)

And then the scene freezes with peter with a petrified expression

PETER V.O

Shit the cops. I swear every bone in my
body made me feel like I just shitted on
my self.

(And then he hears a flush in the
bathroom.)

DANE

Man I tell you it is impossible for me to
piss straight anymore. Dude I missed and I
was in the fucking tub.

PETER

Where were you?!

DANE

Oh dude I guess it looks like Jennifer's
still alive. What a trooper huh? I went to
go see where she went.

PETER

No you didn't, you ran away and your pussy ass realized you would be fucked without me and came running back.

DANE

Whoa at least you can pee straight. I literally walked downstairs and came back up. Why are you so cranky?

PETER

I'm not cranky I woke up to find that my partner in crime abandoned me to go to jail for him. How did you even get out of the handcuffs?

DANE

Dude they're plastic; it came off in my sleep. You don't need a fucking key.

PETER

Oh... Why was the door unlocked?!

DANE

I must've forgotten to lock it cuz I was in such a rush. I still have a bladder so in the middle I woke up to take a piss. And when I got in there she was gone.

PETER

Why didn't you wake me up?

DANE

So you can punch me in the face again. I think not you douche.

PETER

Fuck you man where's your fucking money?

DANE

My Money worry about your own fucking money!

PETER

I guess I know where your alliance lies. I need my cut from the money you just got!

DANE

We don't have time to argue! But trust me I didn't leave the room to fuck you over.

PETER

What about if she goes to the cops?

DANE

She kinda bit my dick, and she doesn't know about the scam

PETER

So?

DANE

So she could go to jail too. She aint gonna risk that, we'll be in jail for the same amount of time since i didn't kill her.

Dane gets his cut from a bag and gives it to him

PETER

Well just know that if we make it out of this we go our separate ways cuz I don't know if I can trust you. (Pauses) Now I!, have to go handle our situation. And get us out of this mess. Don't leave the fucking room!

PETER V.O

I was livid but I had to look at the bright side there was still light at the end of the tunnel. And i was on my way out.

Peter walks out of car and walks up towards the bank. As he got closer all of a sudden every single type of federal enforcement agency arrives and peter tries to run, but there was nowhere to actually go.

PETER V.O

Gotcha, those fuckers didn't have a clue. I walked in the bank as if nothing ever happened. They don't even know about the

laptop cuz timothy here is dishing out to me all the details that they had about the case.

(But then they get interrupted by ryan.)

RYAN

So wat's popping pete

PETER

Well nothing just trying to find out what's going on with this case.

RYAN

Well you probably need to find out some other time George wants to talk to you.

PETER

OK gimme a second. Tell him I'll call him back.

RYAN

Umm you should probably take this he actually said it's about the case

PETER

Hello

MR. LONDON

Peter, we just made a big break! These fuckers got sloppy and used their own FUCKING laptops! Isn't that exciting you should see me out here I feel like Sherlock fucking Holmes or something.

PETER

That's crazy what are you federal agents up to now?

MR. LONDON

Well me and Gabemeister here

(Gabriel looks disapproval of the name.)
are interviewing each person that has been scammed to get any clues

PETER

You guys already have a list of all the people?

MR. LONDON

Yea it wasn't hard. These guys were greedy scoundrels, so when people like dear old Mr. Johnson or Mrs. Pryor heard about the scam on the news they've been calling non-stop.

PETER

Hold up they've been calling

MR. LONDON

Yea non-stop. Peter I've been meaning to tell you something.

PETER

Mhmmm

MR. LONDON

When this is all over I am letting go of Ryan.

PETER

No

(but peter was only saying it because he is feeling the walls falling on him.)

MR. LONDON

Yes peter, you are way too modest, that's why I am promoting you to Assistant manager. I know you haven't been here long but you've really earned it son.

PETER

I really appreciate this George. I won't let you regret this. (in a monotone voice)

MR. LONDON

OK Pete. Now get back to work! Hahaha

Camera stays with Mr. London and not peter

GABRIEL

Mrs. Jefferson did anything unusual happen during the time that you found out about the scam?

MRS. JEFFERSON

No at least I don't think so

MR. LONDON

What does she mean she doesn't think so?

GABRIEL

She's got Alzheimer.

MRS. JEFFERSON

I've got Alzheimer's, im not deaf

GABRIEL

Sorry ma'am but we need everything that we can get to help solve this case before these guys get away with it and all your money.

MRS. JEFFERSON

Well I don't know I can't remember but I don't understand why peter's not here with you guys. I was expecting to see him again. He hasn't come to visit me in a couple of weeks. I can't even remember why or how we met but something tells me this would be better if peter was here.

Gabriel and Mr. London then look at each other.

CAMERA SKIPS BACK TO THE BANK AND SHOWS PETER SNEAKING OUT OF THE BANK. BUT GETS INTERRUPTED BY JILL.

PETER V.O

If they are calling a lot it's a matter of time before find out about me.

JILL

Peter, umm I wanted to talk to you but it seems like you're busy.

PETER

Yea im kin...

JILL

(interrupts him and says)
Do you wanna go out sometime?

PETER

Go out?

JILL

Yea like get coffee or whatever floats
your boat

(saying it looking embarrassed and
awkward.)

PETER

Umm yea that would be nice

JILL

Great, after work?

PETER

Probably not today but tomorrow?

JILL

Yea that's good. Thanks oh shit not thanks
but Bye.

(says awkwardly)

PETER V.O

Damn and I would have really liked to fuck
her too.

SCENE CHANGES BACK TO MRS. JEFFERSON HOUSE.

GABRIEL

Ok thank you for your cooperation and if
you find out anything make sure you
contact me. Here's my card.

MRS. JEFFERSON

Oh no problem. I'll be sure to add it to
my contact list

They leave.

GABRIEL

Hello

(they are leaving Mrs. Jefferson house and he gets a call from one of the other agents.)

TIM

Sir we got a picture!

GABRIEL

You did?! That's amazing!

TIM

Yes sir! Im sending it to you as we speak

GABRIEL

Make sure you send the pics out to all the airports, train station and any form of transportation in a 50 mile radius. I don't think they've left yet but they might be making a getaway. Make sure you find out who his friends are, he didn't do this alone!

TIM

Yes sir

MR. LONDON

Good news?

GABRIEL

Great news we got a pic

MR. LONDON

Oh that's spectacular news. it's not Peter though right? That shit in there kinda scared me. she said his name like 15 times. She couldn't stop talking about him for fuck sakes.

GABRIEL

Nope it cant be, then Tim woulda told me, he's seen peter too. Tim's a smart guy he mustn't already looked at all the pics.

MR. LONDON

I knew it, peter is a good guy, he wouldn't be able to stomach the torture of knowing that he is hurting other people.

GABRIEL

Ok finally here's the pic.

(Gabriel shows Mr. London the pic and he realizes that it is Dane. It shows a flashback of Mr. London seeing them both together leaving the bank.)

MR. LONDON

You said the guy couldn't have done this by himself right?

GABRIEL

Of Course not it's too much money to be one person, maybe even 4 or 5 people. We might be talking about a whole hacking group.

MR. LONDON

That means that we still have lots of work to do then.

SCENE CHANGES TO PETER AT HIS HOUSE.

PETER V.O

There's one thing I'm not leaving without ... My trophy

Peter put his money on top of the ceiling, and the access to getting it was taking longer than he expected because there is so much money bills. After being exhausted by taking it stack y stack, he goes down to the basement and gets a hammer. Then he gets the hammer and smashes the ceiling and all the money drops to the ground. He then starts to pick it up and throw it in his bag, puts it in a bag and carries it out try to leave the house quietly. But he hits the trash can as he is leaving. He leaves everything there clothes and e.t.c, even some money that was dropped on the ground. On his way to the airport he looks and sees the highway number to get to see his mom and he takes it.

PETER

Mom I brought some snacks for you, you hungry?

MOM

Peter! I've missed you so much

PETER

After that peter walks into elevator and when it closes it goes to his mom who picks up the box and opens it to find the bag has a lot of money in there. And in shock tries to call peter but he puts the phone behind his car and backs over the phone but was able to see that his mom was the one calling.

PETER

(When peter gets to the airport,
peter walks to find his terminal for

a while. He is excited cause he finally made it, but then he sees Mr. London waiting for him. He tries to avoid him but Mr. London catches up to him.) OH Shit

Then Mr. London corners him

MR. LONDON

Peter! How could you do this?!

PETER

Do what?

MR. LONDON

You think pleading the fifth would fix anything to me! I'm not a judge in not your boss, I took you in like you were my own. I know you've had issues but Fuck peter! This is bad, you have to at least own up to it like a man can you at least see that!

PETER

I Know! I know! but it wasn't supposed to end like this he got greedy!

MR. LONDON

Of course he got greedy, that's the sort of things that happens in these things people get greedy!

PETER

Welll sorry but George, I could leave you with loads of cash! You can retire. You can have a better life for you, your wife and jenny. Just let this go. This wasn't suppose to happen but it did. And I am so sorry.

MR. LONDON

So you think I'm gonna take your money you didn't make this money from the bank it was stolen

PETER

You're going to be working at the bank for the rest of life if you don't take the

money. You can be your own boss! Be smart
George! 50K just walk away!

MR. LONDON

The money is stolen!!! Come with me and
you can atleast leave with some of your
dignity Pete!

PETER

Ok lower your fucking voice! Ill go, ill
go

MR. LONDON

Now if you can turn around quietly and
follow me

THEN PETER HITS MR. LONDON IN THE BACK OF THE HEAD AND RUNS OFF. HE
RUNS OFF JETTING THROUGH THE AIRPORT. HE RUNS FOR A WHILE AND THEN
LITTLE BY LITTLE HE SEES MORE AGENTS THEN OUT OF NOWHERE BANG! HE
GETS WRESTLING CLOTHESLINE HIT BY AGENT. HE THEN GETS ARRESTED.

IT THEN SHOWS DANE BEING ARRESTED IN HIS ROOM AS MULTIPLE AGENTS
BUST INTO HIS ROOM TO FIND HIM PACKING, HE IMMEDIATELY GIVES UP.
DANE TAKES HIS MUG SHOT THEN PETER TAKES HIS MUG SHOT AND MESSES UP
AND ASKS IF HE CAN TAKE ANOTHER ONE BUT IS REJECTED AND THE PICTURE
IS WEIRD.

The scene skips to where peter and Dane are in court and it shows
all the people the scam has affected. He goes up to them and
apologizes awkwardly and walks away. And then the scene changes to
the prison that peter would be staying and then the prison cell.
And the movie ends.

PETER V.O

North Central Correctional prison place
was going to be my home for the next 2
years.

Shows someone getting jumped outside

(when the cell door closed)
I will now begin to cry till there are no
more tears.

(Peter cries and the movie finishes.)
Shows THE END, then credits for Producers, writers and Directors
and the movie starts again with a birds flying.

Another bird shot of a bird flying but this time near the hills of
somewhere in europe, where a red Aston martin Vanquish is driving
with non-other than an older Peter sitting in the front seat and is
getting a blowjob in the car.

PETER V.O

Well hello there oh lemme stop you there I know what you're thinking hey! Isn't he supposed to be in prison, well after about a year of suffering, I was let out early on good behavior. I don't want to sound too pompous because to tell the truth I was undeniably terrified but just as the emperor penguins adapted to the freezing temperature of Antarctica, I adapted to that hell we call prison. And you know why because I'M FUCKING PETER LAST NAME LOFT AND ANYONE WHO GOT IN MY WAY I RAN THEM OVER!

Girl that is giving him a blowjob is chocking from holding it too long

PETER

I'm sorry babe I got a lil too intense proceed

CLAIRE

(has a british accent)
You bastard that really hurt. I could've bit your fucking dick off

PETER

(Peter smiles to the camera reminiscing on how dane got his dick bitten)
Of-course you're not going to bite my dick off. You literally don't have the balls. Haha I should totally write that down, I should be a fucking comedian or something. If you think about it I'll probably be great at everything.

(he starts flicking people off.)
See look at me I'm flicking everyone off and they can't do shit cuz im in an Aston martin and they are in some kind of ford or Chevrolet bullshit. Just wait till we get to my Hugemungous estate!

Then out of nowhere a group of people in helicopters hover in front of Peter and peter immediately has the look of terror in his eyes and he tries to turn around but the guy has a torpedo and shoots it at the car. It shoots in slow motion and "ROLLING THUNDER" by Action Bronson plays as the torpedo blows up the car and the car flies over the hill.

PETER

OHHH SHHIITTT!!

Credits start and MGMT- electric feel/ Pink- sober/ professional - THE WEEKND/ TEARS ON MY PILLOW LITTLE ANTHONY AND THE IMPERIALS, begins the outro and credits are fun and bouncy

THE CHANGE IN PETER'S CHARACTER AND THE FACT THAT SOMEONE FEELS THE NEED TO SHOOT HIM WITH A TORPEDO INDICATES THAT THERE IS GOING TO BE A SECOND MOVIE TO FILL IN WHAT THE AUDIENCE DOESN'T KNOW.
