START COLD OPEN

BLACK

FADE TO:

EXT-CAMP PATUNGA-DAY

We see the front of the camp where the dining hall is and the parking lot also. We see Camp Director SAM and CIT leader WILL walk out of the dining hall looking around the camp.

SAM

Can't you believe it's that time of the year once more?

WILL

I know you definitely didn't remind me every week

SAM

A lot of stuff is going to happen that is just going to last a lifetime.

WILL

Depends on if people enjoy it.

SAM

But think about it, this whole summer will be part of us forever, like some of us it might feel like 5 years!

WILL

Depends on the person

WILL looks at his watch.

WILL (CONT'D)

Well I have to get setup for the CITs, I'll see you at lunch

Will walks away.

SAM

Yeah, I'll see you soon

Sam waves to Will. He then looks around, sees no one, pulls out his boombox and turns on a very catchy song. Sam starts to sing (*Italics*)

SAM (CONT'D)

*Wow, can't you believe that camp  
has started? It felt like last  
yesterday when everyone departed*

He walks around the area. As he's continuing to sing, dance girls appear behind him.

SAM (CONT'D)

*I just can't wait to see what will  
happen to me when I meet all the  
new campers and CITS!!!*

Sam runs into the Dining hall

INT-DINING HALL-CAMP PATUNGA-CONT.

SAM

*This Summer anything can happen,  
that's why you have to stick  
around because you don't want to  
get caught nappin' or you'll get  
stuck on the ground*

Sam runs outside the dining hall again.

EXT-SWIMMING POOL-CAMP PATUNGA-CONT.

We see a swimming pool with dance girls swimming around Sam who is floating in the pool

SAM

*Like you could see a rival camp  
that will come and do something  
ultimate. Or a CIT might do  
something that is totally  
sorrowful. Or a Trio of friends  
might do something powerful.*

INT-CRAFT SHOP-CAMP PATUNGA-CONT.

We see Dance girls once more but they are painting pictures in the craft shop. Sam comes out of the closet.

SAM

*Like the camp might have something  
to showcase. Or we have a war that  
will put you in your place. But  
most of all, the summer will put  
you in a huge ball. Your eyes I  
mean*

EXT-DINING HALL-CAMP PATUNGA-CONT.

We see a bunch of dance girls run out of the dining hall into a circle. They run around in the circle for a while then they close in on the circle so that there's no middle. Once they back out, Sam appears out of nowhere from the middle. The girls continue to run around him

SAM

*This Summer anything can happen,  
that's why you have to stick  
around because you don't want to  
get caught nappin' or you'll get  
stuck on the ground!!!*

Sam holds his position.

WILL (O.S.)

Sam, Sam, Sam!!!

SNAP TO:

EXT-DINING HALL-CAMP PATUNGA-CONT.

Sam suddenly realizes where he is, the dance girls are gone and WILL is back right next to Sam

WILL

Are you okay?

SAM

Yeah, I'm just excited! This will  
be a great summer!!

END OF COLD OPEN

INT-DINING HALL-CAMP PATUNGA-CONT.

Camp Patunga where a bunch of C.I.T's and Counselors is sitting at their tables. We see DAMIEN (16), who is walking out of the Kitchen with his food, he looks around trying to find his table. He looks and sees it and walks over.

He walks over to the table and there's a counselor already sitting there.

DAMIEN

Hello? Are you Connor?

CONNOR (18) looks up at Damien.

CONNOR

Yes, are you Damien?

DAMIEN

Yes

CONNOR

Then yes I am!

Connor gets up and shakes Damiens' hand

CONNOR (CONT'D)

Very nice to meet you!

DAMIEN

Nice to meet you too! So this is Hatchling 3

CONNOR

Indeed it is! A great way to start the summer!

They start at each other for a while in an awkward silence.

DAMIEN

Do you think we should sit down?

CONNOR

Oh yeah yeah oh yeah

Connor and Damien sit down at their table. They look at each other, Damien keeping a straight face while Connor still looking at Damien happily and with a wide grin on his face. Damien sits there awkwardly with Connor, confused on what to say, but just uncomfortable with the situation itself.

CONNOR (CONT'D)

So where are you from?

DAMIEN

Oh, uh, Newark, it's upstate

CONNOR

Really? I live down state but I'm going to school in Newark

DAMIEN

You're going to the University of Delaware?

CONNOR

Yeah

DAMIEN

I live like 10 minutes away from the University

CONNOR  
Trunkicular! Maybe after the  
summer we could meet up and hang  
out

DAMIEN  
Maybe

Damien looks around the table and sees an empty flower pot  
with the words H3 on it

DAMIEN (CONT'D)  
So I guess we are Hatchlings 3?

CONNOR  
Oh yeah, but it's the oldest group  
of the hatchlings

DAMIEN  
That's good, I dont think I could  
handle the youngest ones

CONNOR  
That's understandable, I had the  
youngest group as a CIT and I  
swear to god I wanted to take my  
knife and just-

Damien listens in horror as Connor is trying to think of  
something to say.

CONNOR (CONT'D)  
But It's just going to be a great  
summer

DAMIEN  
I bet!

We turn our attention to the door. We see a girl, ALEX  
(16), walk into the cafeteria, she looks around the  
cafeteria, she stops and starts to walk towards a table  
with a female counselor sitting there. Damien looks up and  
sees Alex as she walks past his table. Damien continues  
watching her until she stops at her table. Alex looks at  
the counselor at her table.

ALEX  
Hello, are you Hannah?

Hannah (18) looks up and sees Alex, she looks at her very  
cautiously

HANNAH  
Yes, and are you Alex?

ALEX  
Yes, I am!

Alex shows her hand to Hannah looking for a handshake. Hannah looks at her and then back down to the table. Alex puts her hand down and sits down at the table. She looks at Hannah, who is still looking at the table. Alex sits there, silently.

ALEX (CONT'D)  
So where do you go to school?

HANNAH  
None of your business

ALEX  
What do you like to do?

HANNAH  
None of your business

ALEX  
Are yo-

Hannah interrupts Alex

HANNAH  
I think it'd be great if we can just start off the summer quietly if that's alright?

ALEX  
Yeah that's fine

Alex agains sits there quietly. She looks at the middle of the table and see a flower pot with H6 written on it

ALEX (CONT'D)  
H6 huh, I loved that cabin when I was little

Alex looks around the cafeteria. something catches her eye, she chuckles a bit. We look at what she was laughing at and we see RILEY (16) sleeping at his table with drool coming out of his mouth. We see BEN (18), sitting at the same table, looking at Riley in disgust.

BRAD  
Excuse me

Riley still asleep. Ben looks at him and bangs on the table real loudly. Riley wakes up

RILEY  
Wha- What's What's up!

BRAD  
I don't know if you knew but you  
fell asleep

Riley looks over at Ben confusingly

RILEY  
No, I wasn't, I was just wondering  
what the back of my eyelids look  
like

BRAD  
Uh, well it looks like you looked  
too hard

RILEY  
my bad, I'm just super tired

BRAD  
Well, you can't get tired now  
because you're going to have to  
get used to it with these kids.

RILEY  
What kids?

BRAD  
The ones that are coming in today

RILEY  
It's fine as long as we don't have  
E3

BRAD  
Did you not know that's what we  
have?

RILEY  
What do you mean?

Brad points to the empty flowerpot. Riley looks over to the  
flower pot. Painted on it reads 'E3'. Riley looks scared he  
almost looks like he's about to cry.

RILEY (CONT'D)  
Oh dear god no!

BR  
What's so wrong with E3?

We pan over back to Alex who's looking at Riley.

ALEX  
I guess he's not having a good  
day?

We pan the camera over back to Damien who is looking at Alex

DAMIEN  
I wonder what's she's looking at

CONNOR  
So I guess you're excited about  
this summer?

Damien still looking at Alex. Connor again tries to get his attention

CONNOR (CONT'D)  
Yello!

Damien looks at Connor

DAMIEN  
What!?

CONNOR  
I asked if you were excited about  
this summer.

DAMIEN  
Oh, oh yeah! I just want to kinda  
get away, you know?

CONNOR  
That's great, that's great

We see Sam. He walks up to the front of the cafeteria. He stands there and looks around and watches everyone. He has a horn in his hand. He raises it and blows it. People jump due to the fact that the horn scared them. Some people drop their lunches and some people actually drop it on themselves. They all have his attention. He puts the horn away

SAM  
Welcome to the summer of 1983!

People look around. They look really annoyed due to the fact he just had to say that

CIT (O.S.)  
Is that it?!

SAM  
Uh actually no, so today if nobody  
knew it's the official first day  
of camp!

Sam starts clapping hoping someone would follow his lead.  
No one does, Sam stands there awkwardly

SAM (CONT'D)

Okay so today, of course, there's  
going to be lot to do so CIT's you  
will go with your new supervisor  
WILL

We see Will raise his hand as he stands from his table

SAM (CONT'D)

He will take care of you guys in a  
sec. Counselors, though, they will  
go to their unit leaders. So  
E-Unit Boys will go with Justin  
and H-Unit Boys will go with Ben.  
H-Unit Girls will go with Kat  
while E-Unit Girls go with Carson,  
understand?

Everyone looks around. Sam is now unamused

SAM (CONT'D)

Alright, I guess everyone is  
ready. So let's get summer  
started!

Everyone stands up. Damien walks up to Alex.

DAMIEN

Hey, do you know where we are  
going?

ALEX

Uh sorry no

DAMIEN

Oh okay, at least it's not that  
big of a deal, I mean we can just  
wai-

We see Will Walking through a bunch of people.

WILL

CIT's with me!

Will walks out the door.

DAMIEN

I guess we follow him

EXT-CAFETERIA DECKS-CAMP PATUNGA-CONT.

Damien and Alex walk out of the cafeteria and they walk out onto the decks in front of the cafeteria. There are already CIT's there.

PHILIP AND ZANE (O.S.)  
Is that Big Daddy Damien

Damien looks up and sees ZANE (16) and PHILIP (16). He runs over to them and hugs them both.

DAMIEN  
I'm soo glad you guys are working  
this year!

PHILIP AND ZANE  
Me too! I was so hype when I found  
out

DAMIEN  
Are you still doing that thing?

PHILIP AND ZANE  
What thing?

Alex watches their conversation.

IZZY (O.S.)  
Alex!

Alex looks over and sees IZZY (16). Alex smiles and runs over to her.

ALEX  
Izzy, I haven't seen you in years!

IZZY  
I know, I know I really missed  
you! Oh, by the way, this is  
Natalia and Eliza

Alex looks over and sees ELIZA (16) and NATALIA (16)

ALEX  
Oh hi! It's so nice to meet you!

ELIZA AND NATALIA  
So nice to meet you too!

Suddenly WILL pops up outta nowhere. he blows a whistle. The CITS get scared just like how they were when Sam blew the horn.

WILL  
Now that I got your attention!  
Welcome to Camp! Let's get  
excited!

The CITS cheer a little but not loudly.

WILL (CONT'D)  
Alright, we will work on that.  
Anyway so today, obviously you  
guys know that it's move in day  
for session 1, The first day of  
Summer 2017!

The CITS cheer a little, quieter than last time

WILL (CONT'D)  
Still needs work. But anyway,  
parents and campers will be coming  
into camp and of course, they have  
tons and tons of luggage that need  
to be taken out of their car and  
need to be put into the pile with  
their cabin, good so far?

CITs nod

WILL (CONT'D)  
Not very enthusiastic today, I can  
work with that. So, I made 4  
groups of 3 for luggage line. One  
person will write down the cabin  
on the luggage and the two others  
will take the luggage, good?

The CITs say nothing

WILL (CONT'D)  
Come on guys, just, okay? This is  
supposed to be an exciting summer.

EVAN  
For you

The CITs Laugh. Will looks mad

WILL  
I'm sorry who are you?

EVAN  
I'm Evan

WILL

Cool, cool, you are cleaning the bathrooms and the kitchen after the session, is that exciting for you?

EVAN

Whoah, you can't just-

WILL

I think the cabins will need cleaning too. Actually, the kayaks, canoes, boats need to be cleaned as well. Or is that not exciting enough, Evan?

EVAN

That's exciting enough

WILL

Good. So I already made the groups and when I say them I want you to get into your groups when I'm done alright.

CITs don't say anything. Will looks even madder

WILL (CONT'D)

Group 1, Ashlyn, Zoe and Evan.  
Group 2, Philip, Zane, and Natalia  
Group 3, Cole, Izzy, and Eliza  
Group 4, Damien, Alex and --

Riley comes bursting out of the cafeteria

RILEY

I'm here!

WILL

Riley

RILEY

That's me sorry

WILL

Well you got here just in time because we just assigned groups

RILEY

Groups for what?

COLE

For luggage line!

RILEY  
Oh, okay, what's luggage line?

WILL  
So now everyone has been assigned,  
go into your groups.

All the CITs start walking away and joining their groups.  
Both Damien and Alex walk to Riley.

RILEY  
This is our group?

DAMIEN  
Yep

ALEX  
For the whole summer

RILEY  
I guess we should get used to each  
other

DAMIEN  
I would say so

Damien, Riley, and Alex stand around in a circle for  
awkwardly.

ALEX  
How about we introduce ourselves?

DAMIEN  
Oh yeah that would be great

They continue to stand there awkwardly.

ALEX  
Well, I'm Alex. I'm fro-

DAMIEN AND RILEY  
Hi Alex

Alex looks a little Irritated because she got interrupted  
but she continues to talk anyway

ALEX  
Anyway, I'm Alex and I'm from  
Middletown

DAMIEN  
I'm Damien. I'm fro-

ALEX  
Hi Damien

Alex interrupts Damien. Riley and Damien give Alex a  
disgustful look

DAMIEN  
Why?

ALEX  
I just thought because-

RILEY  
No

ALEX  
Well I'm sorry

They are all silent.

DAMIEN  
I think we should just get started

ALEX  
Yeah that'd be great

Alex and Damien walk away. Riley still stands there.

RILEY  
I'm Riley by the way!  
(to himself)  
Not like that matters

EXT-LUGGAGE LINE-CAMP PATUNGA-CONT.

We see all the groups at the luggage line with Ashlyn, Zoe,  
and Evan and all the way down to Damien, Alex, and Riley.  
They look bored out of their minds.

RILEY  
What are we waiting for?!

DAMIEN  
Camp always start the luggage line  
a couple minutes late

ALEX  
It's supposed to start at 3

RILEY  
I still don't know what luggage  
line is

We can hear a horn blown in the distance

DAMIEN  
What does that mean?

ALEX  
That means it's starting

RILEY  
Finally! I can figure this all out

We see 3 cars go by them. Then a car stops in front of them. Alex walks up to the window. Damien and Riley open the trunk

ALEX  
Hello, welcome to camp!

PARENT #1  
Thanks!

ALEX  
Your Welcome! What cabin is your camper in?

PARENT #1  
He's in E5

Alex writes that down. Damien picks up a bag and takes it out of the car and immediately falls to the ground.

RILEY AND ALEX  
Are you okay?

DAMIEN  
Yeah, I'm fine, what's in here?!

Damien opens the bag up and sees 75 pounds worth of dumbbells.

DAMIEN (CONT'D)  
Why do you have weights?!

The back window rolls down and reveals a camper

CAMPER  
Because I work out bro

DAMIEN  
At camp!?

CAMPER  
Yeah man

The camper rolls the window back up. Riley takes out the last of the luggage and closes the trunk. Alex tagged them

and the car drives away. Damien gets up and struggles to put the weights with the other luggage.

The camera pans up and then back down. Alex, Riley, and Damien are back at the luggage line. Stephen walks up to them

STEPHEN  
How are all of you?

ALEX  
We are pretty good

DAMIEN  
I don't understand how every bag  
of luggage I grab are so heavy

STEPHEN  
Okay so not all of you, good news  
though! The last car is arriving  
so get ready

RILEY  
Thank god!

Stephen walks away. Alex turns towards Damien and Riley

ALEX  
Look, we have to work with each  
other for the rest of the summer,  
I say we straighten up and not act  
like we are in H3

DAMIEN  
Except I'm in H3

ALEX  
You got my point?! Got it!

DAMIEN AND RILEY  
Got it!

Then finally the final car pulls up. Alex goes up to the window again and Damien and Riley open the trunk.

ALEX  
Hello, welcome to camp, what's  
your cabin number?

PARENT #2  
H1

Alex writes it down. You hear a loud thump in the background. Alex runs over. Damien is on the ground with a huge suitcase over him

DAMIEN  
Everytime!

INT-DINING HALL-CAMP PATUNGA-CONT.

The dining hall is full. Campers are finally there. Riley, Alex, and Damien walk into the dining, very tired and very exhausted. They all sit at their tables which are filled with campers. Damien sits with his campers

DAMIEN  
Hey guys sorry I'm late, Luggage  
line was, um, eventful

We see all the campers, PENN, WILL, COREY, KEN, PIPP and CHIPP, sitting around the table with Connor

CONNOR  
It's alright Damien, we are just  
going over names, this is Penn,  
Will, Corey, ken, Pipp and Chipp

As he says introduces them, they all wave

DAMIEN  
Hi nice to meet you all, I'm  
Damien, your CIT

Alex sits at her table, she sits with her campers LAURA, ELISE, SKYLAR, FRANCESCA, KAILEY, and BRI

ALEX  
So I'm your CIT Alex, how are all  
of you?

H-6 CAMPERS  
Good

We go down to Riley's table where he sits with his Campers CHRIS, RYAN, JAMES, HARRY, TOM, and WILL with Ben who's at the end of the table

BRAD  
Guys, this is your CIT Riley

RILEY  
How it going guys

The campers look at him like he's crazy

RILEY (CONT'D)  
The tough group already huh?

Again the campers just look at him. Riley sits there awkwardly.

We see Sam walk to the front of the dining hall. Again, he stands there and watches everyone talk. He again has a horn in his hand. He holds it in the air and blows it. Everyone screams. The screams got louder

SAM

Now I know not to do that again

STAFF MEMBER 1

You think!

SAM

Alright, so, welcome to session 1!

People clap. We see WILL looking a little upset.

SAM (CONT'D)

Okay, so here's the run down on the first day! After dinner, we will pair groups up for marshmallow roasting and we will have the groups on the bulletin board and then it's bedtime! SO Who's excited!

People cheer loudly. WILL is even more upset.

SAM (CONT'D)

Let's go eat!

People get up and start to walk towards the buffet, all the campers run up with the counselors and C.I.T's slowly walking up.

INT-BUFFET-DINING HALL-CONT.

We see Damien finally getting to the buffet and picking out all the food that is offered. Alex goes up next to him in line. Damien notices then glances back at the food.

ALEX

Good work today.

DAMIEN

Yeah if it wasn't for you.

ALEX

No we all did great today

Riley walks up behind Alex in line.

RILEY  
Anything good to eat.

DAMIEN  
I think I heard the Chicken was  
great

RILEY  
Oh yeah everything Jim makes is  
good

ALEX  
Jim?

RILEY  
Yeah the cook, he's actually over  
there.

Damien, Alex looks towards Rileys direction. We see the  
Chef JIM sitting down reading the newspaper, he sees a fly.  
He rolls up his newspaper and attempts to kill the fly. We  
look back at Damien, Alex, and Riley

RILEY (CONT'D)  
Nice guy

Riley continues to collect food from the buffet. Damien and  
Alex look at each other then back at the buffet as they  
continue to move down the line.

RILEY (CONT'D)  
So where you guys campers ever?

ALEX  
Yeah but like years ago

DAMIEN  
Uh, no, first time

RILEY  
Ah, well, welcome to Camp!

DAMIEN  
Thanks

They all get their food and go back to their tables with  
their campers and counselors.

INT-TABLES-DINING ROOM-CONT.

We start out with Damien and his Campers and Connor first.  
They are all eating and enjoying their time.

KEN

I saw a dog one time, and I went  
to go pet it and I did

Damien looks around and looks confused

DAMIEN

Is that it?

KEN

Pretty much yeah

DAMIEN

(Chuckles)

I ask you how was your summer  
going.

KEN

Yeah I know

Ken looks at his food and continues to eat. Damien  
continues to look around the table. We see Corey look up.

COREY

I found a frog in my toilet this  
summer.

Damien gets tired enough and smashes his face right on the  
pile of mashed potatoes.

We go over to Alex and her table where she seems to have a  
nice conversation with her girls.

ELISE

So I really wanted the one barbie  
because it came with the Car and  
the house

SKYLAR

And the cute little dog that I  
liked

ELISE

So yeah, but I got the one with  
Ken too

ALEX

Wow that's really cool, I had a-

Hannah lifts her head from the table

HANNAH

Shh, can I just eat in silence?

Hannah puts her head back down on the table. Alex looks around the table confused. She looks at all the campers who are deathly silent.

BRI  
So on the way home

Hannah gets up

HANNAH  
What did I say?!

Bri looks scared.

We pan the camera over to Rileys table where he is watching everything that is going on. He's confused as well.

HANNAH (CONT'D)  
I just need some coffee

Hannah walks away and Riley follows her as she goes into the kitchen. Riley looks back at his campers.

RILEY  
Tough crowd?

WILL  
She's hot

RILEY  
She's like twice your age

HARRY  
She doesn't have to know

RILEY  
She doesn't--she can tell, you are still a camper

JAMES  
You know what they say about big surprises in small packages

Riley rolls his eyes at him in a very disgustful way

RILEY  
I'm not having this conversation

Hannah comes back with a cup of coffee and about 15 packs of sugar. She opens them all at once with her teeth and poured them all at once.

Everyone around her looks at her as she does.

BEN  
I think that may be too much

HANNAH  
No, I need it bad

She looks for what's in the sugar packets and then pours it all int her mouth. Everyone around her looks at her. She notices

HANNAH (CONT'D)  
WHAT!

Damien looks at his campers

DAMIEN  
Make sure you stay away from her

Hannah hears him and throws all the trash at him. Damien falls out of his chair.

EXT-FIREPIT-NIGHT

It's night. You can see fireflies and hear crickets in the background. We see Riley's group walking down the path to the firepit.

TOM  
So I hit my homer right and I totally got this one girls attention, got her number and totally met up with her afterward if you know what I mean

RILEY  
Hey, can we just chill for the rest of the day and not talk about girls for once, this is camp

All the campers looked disgusted.

RYAN  
Wow, way to be a bunk

HARRY  
Like really, wow, thanks

Riley rolls his eyes and continues to walk.

The group finally gets to the fire. All the campers run down to the food. Brad walks up to Riley

BRAD

It seems like you aren't getting  
along with the group very much

RILEY

They are annoying me soo much

BRAD

Well we got 9 more days so things  
better get better

Ben walks away. Riley looks confused. He also walks away.  
Riley sits up on the logged wall and watches all the  
campers have fun. He looks over

RILEY

Hey I didnt know that you were at  
this bonfire

Damien walks over and sits right next to Riley

DAMIEN

Yeah, I am, should be fun right?

RILEY

Yeah, how are your kids?

DAMIEN

They are good

Damien looks over and his eyes are wide

DAMIEN (CONT'D)

Penn, you are not supposed to  
throw your marshmallow in the  
fire, you're supposed to eat it

A melted marshmellow flies over and hits Damien in the  
face, it goes down Damien's face and hits the floor

DAMIEN (CONT'D)

That's no more Marshmallows for  
you!

(back to Riley)

How about your campers?

RILEY

How about the same

Riley looks over and sees his camper James chase Chris with  
a flaming marshmallow on a stick

RILEY (CONT'D)  
Are you really doing this right  
now? James stop  
(back to Damien)  
Yeah they are angels

JAMES (O.S.)  
Eat me!

RILEY  
From hell

DAMIEN  
I don't think it's as bad as you  
think

RILEY  
As bad as I think? They literally  
drive me crazy

DAMIEN  
Figuratively

RILEY  
What?

DAMIEN  
Nothing continue

RILEY  
For some reason, I knew that this  
group was going to be bad

DAMIEN  
You just gotta go with it, I  
definetly had some bad groups

RILEY  
Did you counsel before?

Damien looks nervous

DAMIEN  
Uh, no-no i haven't before

Riley looks confused, but he just minds his business and  
continues

RILEY  
Well, this will definitely be a  
long summer if smore of my groups  
are like this

DAMIEN  
Did you say Smore?

RILEY  
Did you catch on to that?

DAMIEN  
Yeah, I did! That was funny!

RILEY  
Thanks, that made my day a lil  
better

DAMIEN  
Look this summer will be a whole  
lot better than you think

RILEY  
I really hope so, I missed working  
at my Dad's Hardware store for  
this

DAMIEN  
I promise, this is a summer you'll  
never forget

Damien punches Riley softly in the arm. Riley Chuckles and punches Damien back a little harder. Damien chuckles and punches Riley again but harder this time. Riley chuckles and punches Damien way harder than last. Damien is in pain.

DAMIEN (CONT'D)  
OW!

INT-STAFF LOUNGE-CONT.

We see the Staff Lounge, a nice and casual place to hang out. We see the door open and Alex walks in.

,ALEX  
Oh hey guys!

We see counselors ANNIE, AUSTIN, BROOKS, HART, DAVID, RYAN, BECCA, MORGAN and ELLIE. They all see Alex walk in and they all look surprised

BROOKS  
Aren't you a CIT?

ALEX  
Yeah?

AUSTIN  
That's not normal, who's your  
Counselor?

ALEX

Hannah

All the counselors look at each other and start nodding their head

ALEX (CONT'D)

What does that mean?

DAVID

Well you know, Hannah is kinda crazy

ALEX

Okay....and?

RYAN

What we are trying to say is that CITS don't get the first night off, usually

ALEX

Oh

ANNIE

But you're fine, it's alright

ELLIE

Yeah just come over and sit with us it will be fine

BECCA

Yeah we like CITS

ALEX

Thanks

Alex walks over to them and sits down with the group

BROOKS

So where is Hannah?

ALEX

We just got back from the bonfire and she just crashed

AUSTIN

That's typical of her

All the counselors laugh. Alex is confused

ALEX

I'm sorry, is there something about her

DAVID  
Hannah was voted Worst counselor  
of the year last year

RYAN  
But she didn't show up

ALEX  
Well I wouldn't if I won an award  
like that

ANNIE  
It wasn't because she didn't want  
it

BECCA  
She was asleep

ELLIE  
She wasn't the best at watching  
her kids

ALEX  
She might be different this summer

MORGAN  
Counselors like her don't just  
change in a year. She is a-

Damien and Riley show up in the lounge

DAMIEN AND RILEY  
Hey, guys! We are here!

BROOKS  
Too many CITS!

DAVID  
They know where we hang out!

AUSTIN  
We gotta go!

All the counselors get up and leave the lounge. Damien and Riley look confused. Alex looks at them both

RILEY  
What was that about?

ALEX  
They aren't a big fan of CITS, but  
we got the lounge all to ourselves

Damien and Riley walk over and sit with Alex. They all sit there silently awkwardly

DAMIEN

So how were everyone's days?

RILEY

I hate my group

ALEX

I hate my counselor

DAMIEN

So good things this summer so far

RILEY

This summer might be super long

ALEX

I hope not 5 years long

DAMIEN

Woah, c'mon guys, lets give this a chance, this may be the greatest summer of our lives

RILEY

Not the way this summer has started so far

ALEX

Yeah, Hannah almost fell in the fire while she was sleeping

RILEY

My campers tried chasing each other with flaming marshmallows

DAMIEN

My camper threw one at me

They all laugh, they are all comfortable around each other now

ALEX

You know this summer might not actually suck

RILEY

I feel like if we stick together, this would be a better summer than it might seem

DAMIEN

That's the spirit! Lets get excited!!!

They all laugh again. Now they are really comfortable together

RILEY

So why did those counselors leave

ALEX

Apparently, CITs don't get nights offs on the first night

DAMIEN

So I guess we broke the biggest rule on camp or something

They all laugh again

RILEY

If it wasn't for this, this day would have been the worst

ALEX

Yeah you guys aren't half bad

DAMIEN AND RILEY

Woah!

DAMIEN

Aren't we that bad?

ALEX

Yeah, I thought I would hate you guys, but you guys seem all right

RILEY

I don't know if I should take that as a compliment

DAMIEN

I'm just going to let it slide since she did save us today during luggage line

RILEY

You did do that

ALEX

What are you talking about?

DAMIEN

We were struggling and your emotional speech saved us and got us moving

ALEX

That wasn't me

RILEY  
I for sure know it wasn't me

DAMIEN  
And me

ALEX  
Aw thanks guys

They sit there silently again in a good way

DAMIEN  
You know we got to stick together  
this summer

RILEY  
What do you mean?

DAMIEN  
I mean I feel like we can make  
something special together

ALEX  
Something unbreakable

DAMIEN  
Exactly

RILEY  
Like the 3 amigos

ALEX  
Or Amigas

DAMIEN  
Or just the 3 buddies. Just  
something to cherish forever

RILEY  
I agree

ALEX  
During this summer, we won't leave  
together or stab each other's  
backs

DAMIEN  
Yeah!

RILEY  
Hold on, I found something in the  
closet earlier

Riley gets up and walks to the closet. He comes back with  
whiskey and 3 shot glasses

RILEY (CONT'D)  
I say we celebrate

ALEX  
I don't know about that

DAMIEN  
Yeah I agree

Riley sits down and pours whiskey in the glasses

RILEY  
It's going to be fine, just don't  
think about

He hands the glasses to them all.

RILEY (CONT'D)  
Just clink on 3. 1...2...3!

They clink glasses and drink the shots in one gulp. They  
all look around, kinda confused

RILEY (CONT'D)  
What is this?

ALEX  
This actually tasted nice

DAMIEN  
I think it's ice tea

THE END
