FADE IN:

EXT. LIQUOR STORE - DAY

Two POLICE OFFICERS, 20s, one female, one male, both draw and point their guns at a...

Male ROBBER, 24, black ski-mask, who exits the store -- holds a knife to the throat of a...

Female HOSTAGE, 19, ugly, paralyzed from fear.

POLICE WOMAN

Drop the knife. Drop it now!

Clearly stressed, the Robber does not obey.

From somewhere in the sky drops...

A MALE, completely naked except for a yellow cape and Roman sandals, somehow lands unharmed -- remains upright and on his feet. The concrete below his feet cracks.

Introducing...

COCK MAN, 28, hands on his waist, proudly thrusts his hip towards the Robber. His fantastic dick glistens in the mid-day sunshine.

Everything everybody was doing is now on hold. All eyes now trained on Cock Man's impressive member. He flexes... it slightly moves to the left...

COCK MAN

Greetings. You, disgruntled sociopath, behold the awesomeness that is... my COCK!

POLICE WOMAN

Oh my!

Female Hostage has the same reaction. They both fan themselves -- juices flowing, perhaps?

Robber removes his mask and stares...

ROBBER

That's a really nice package you got there, Cock Man.

Cock Man twitches his member, makes it stand outward -- it eventually settles into a romantic curve. He smiles.

COCK MAN

Thank you, deviant one. I'd show you the bottom of my balls but that would be most inappropriate.

Robber drops the knife. Begins crying...

ROBBER

I don't want to be a deviant anymore! I've seen the light -- and I've also seen... the COCK!

Everyone exhales with relief.

ROBBER (cont'd)

I'm sorry. Very sorry... please, arrest me now so that I can begin my rehabilitation.

Cock Man's chin proudly raised...

COCK MAN

Another crises averted by the power of my manhood. Carry on with your lives, average length citizens -- and remember, I will always rise to any occasion.

He shakes his hips three times --

The sound of smacking FLESH.

Our hero launches himself up and into the sky...

CUT TO:

Cock Man sailing through the clouds like Superman. His dick rapidly spins like a helicopter blade. He snaps to attention... *literally*.

COCK MAN

What is this I sense... sexual tensions? I must deeply probe this situation.

INT. BEDROOM - DAY

A DUDE, 30, begs to his...

Red head, WIFE, 27, not bad at all -- she ignores his plea, continues to pack a suitcase.

DUDE

Please, honey. Don't leave. I've tried everything I know... aroma therapy, satin sheets, ribbed -- for your pleasure.

WIFE

You just don't get it. If only you could be more like...

SMASH

The window shatters and in lands our hero -- statuesque pose.

WIFE

... COCK MAN!

COCK MAN

Note to self: don't speed through glass *cock first*. It could be career ending.

He checks out the Wife, clears his throat...

COCK MAN (cont'd)

Sexually frustrated female, behold... my COCK!

She stares...

WIFE

I think it winked at me. Honey, take me right here, right now!

She drops the suitcase, grabs Dude by the hand and pulls him onto the bed... begins to strip.

Cock Man and the camera connect...

COCK MAN

Ah, I just feel and smell the love in the air, don't you?

Then back to the lovers...

COCK MAN (cont'd)

Would you fine folks consider allowing me the honor of sloppy seconds?

(beat)

No? Very well. Off I go then.

He leaps out of the window and exits...

CUT TO:

EXT. SKY - DAY

Cock Man flying -- dick chops the air. He notices something, turns his head...

COCK MAN

What is this I detect below? Can
this even be... two young
individuals sterilizing the union?

He dives downward...

EXT. STREET SIDEWALK - DAY

A female-BUTCH, 24, short black hair, holds hands with her partner...

BLONDE girl, 21, long curly hair. They both kiss -- slurp each others moist tongues.

Cock Man lands in front of them...

COCK MAN

Greetings, *carpet munchers*. Good
thing I arrived --
(turns to camera)
bet you folks though I was going to
say: *came*.
(laughs, back to lesbos)
I sense a disturbance in your vag,
Ms. Pale-Haired Lady. Behold, the
power of... the COCK!

They both see the fabulous wall of flesh swell up before their very eyes. It twitches and vibrates.

BLONDE

Oh, wow. I'm sorry, Butch-partner.
I love you very much, but now I
know what I truly desire: a cox in
my box.

COCK MAN

Yes! You must find the biggest cock
you can and gift wrap it into your
box. Be sure the member in question
is... Cock Man approved!

BUTCH

I too find myself thinking about a
hot beef injection. And after
seeing Mr. Cock Man in the flesh...

(turns to Blonde)
 ... I now know that your fist, as good as you are with it, just doesn't quite do it for me anymore, lady blonde lover.

COCK MAN
 That's right! It's your duty as young budding woman to accept the gooey seed from the stimulating cock. By the way, how about a little menagerie O' twat with yours truly: Cock Man?

Dykes begin going separate directions...

BLONDE
 Sorry, I must find my own rod.

BUTCH
 Ya, Cock Man, we couldn't possibly fit you in...
 (turns, smiles at camera)
 ... time-wise, that is.

COCK MAN
 Darn! So be it, then. Dust off another two vaginas -- spread wide and read their lips as they lust for...
 (beat, looks at camera)
 ... I forgot what I was gonna say.
 (beat)
 No matter, just take a gander at my cock and everything will be dandy.

EXT. TOWN SQUARE GAZEBO - DAY

A large crowd listens to the town's MAYOR, 48, perched before a microphone.

MAYOR
 With the fiscal report finally in, I can say with complete certainty that the numbers in question are fully accounted for and we will guarantee all funds for immediate availability to the fine people of this community.

WHAM

Cock Man lands next to Mayor -- presents his golden asset...

The Mayor stares, begins sweating... uncovers the microphone, spills his guts --

MAYOR

No, it's not true! All lies! I stole the money, laundered it through campaign promises and back door deals... I'm sorry, please, forgive me! After seeing this beautiful cock, I can't possibly live with this guilt anymore!

Cock Man proudly smiles, makes his dick dance side to side.

THE CROWD CHEERS!

MAYOR (cont'd)

Cock Man, you have to stop her... she's pulling my strings... it's not my fault! I've seen it! If only you knew how truly ugly it really is!

A woman, 30s, climbs up onto the stage -- meet...

UGLY VAGINA LADY

MAYOR (cont'd)

There she is -- don't look I say! Turn away while you still can...

Cock Man turns and proudly stands before her...

COCK MAN

This sounds like a job for Cock Man... behold, Ugly Vagina Lady, the power of the... COCK!

UGLY VAGINA LADY

Your dick won't work on me, Cock Man. Fix your eyes on this mess...

She pulls away her skirt, reaches down and presents her most intimate area -- cackles with insane laughter!

THE CROWD IS REPULSED!

Even Cock Man falls backwards, crashes and knocks over the pedestal...

COCK MAN

Great orgasms! I've never seen such an ugly vag... vagi... VAGINA!

Cock Man's dick begins to wilt, shrinks half the size.

A random SOMEONE in the crowd yells...

SOMEONE

Oh noes, her vagina is like
kyrptonite to Cock Man!

ANOTHER SOMEONE calls out...

ANOTHER SOMEONE

It looks like someone hit her
between the legs with an axe!

Cock Man's face registers sheer panic. He reaches down,
slaps his dick -- tries to get some blood pumping to it. No
dice.

UGLY VAGINA LADY

My vaginal region has repulsed and
crippled every man's dick that I've
ever tried to sleep with since I
was a teenager. I feel the raw
power of the pent-up eternal orgasm
building within my loins. I shall
have my revenge -- nothing will
stop my plans to permanently remove
the word "man" from mankind...
FOREVER!
