Green Arrow and Black Canary Movie

FADE IN:

EXT: BUILDING ENTITLED WILD CAT'S GYM.

Man and woman stand on mat and spare. Woman fighting well but is over powered by man.

TED GRANT:
Nice try Dinah. But you need to
work on your left.

BLACK CANARY:
I know Ted. You know I could have
won if I...

TED GRANT:
Used your little birdcall. I
really find that unlikely.

Both get up and get drink of water. Black Canary goes to
table and sees note.

BLACK CANARY:
Don't tell me you got another
overdue bill.

TED GRANT:
Nah, that's just a threat from
Tobias Whale.

BLACK CANARY:
Another threat? Is this because
you didn't throw last week's fight
to his boxer?

TED GRANT:
Of course it is. And I couldn't
lose to someone that just couldn't
even land a descent punch.

BLACK CANARY:
Maybe these threats should tell
you it's time to retire.

TED GRANT:

And what die as a quitter. No way. I can handle anybody. I mean I'm Wild Cat.

BLACK CANARY:
You were Wild Cat and now your Ted Grant. You have to stop someday.

TED GRANT:
Well that day is not today. I don't need you telling me when it's time to quit. I didn't do that for you.

BLACK CANARY:
I know, but Ted if you keep pissing off these gangsters they're going to do something drastic.

TED GRANT:
Let them do what they want.

BLACK CANARY:
Ted, come on.

TED GRANT:
Look Dinah, I made my decision and nothing is going to change it.

Knock on door is heard and Black Canary goes to door. She opens it to find a deliveryman holding package.

DELIVERY MAN:
Package for Mr. Grant.

Black Canary takes package and signs paper.

BLACK CANARY:
Thank you.

Black Canary looks to see if there is a card but none can be seen.

BLACK CANARY:
Who sent this?

DELIVERY MAN:

Don't know. Some guy just told us
to deliver it.

Deliveryman walks to car and drives away. Black Canary looks
at box and then puts it on table not noticing it starts to
beep and antenna comes out on top. She walks back to Ted who
is at punching bag.

BLACK CANARY:
Now where were we?

TED GRANT:
You were trying to tell me to
quit.

BLACK CANARY:
I didn't say quit. I'm just
saying you have to take better
care of yourself. You aren't as
young as you used to be. And by
continuing to do those extreme
fights and making a crime boss
angry will just get you closer to
being put into the ground. I only
want to help you because you've
been...

Ted starts to slow down on punches. Black Canary notices and
goes to him.

BLACK CANARY:
See? You're getting slower.

TED GRANT:
It's not me, I just feel kinda
dizzy.

BLACK CANARY:
What do you...?

Black Canary starts to move around in a dizzy like state.

BLACK CANARY:
What's happening?

Ted looks and sees box.

TED GRANT:
What is that?

BLACK CANARY:

What? The box? The deliveryman
said he didn't know where it came
from.

TED GRANT:

Did it have something sticking out
of the top?

Black Canary notices and both try to get to table. Black
Canary collapses on ground but Ted makes it and throws box
into wall. Box opens and machine revealed inside.

TED GRANT:

What the heck is this?

Ted notices device counting down and goes to Black Canary. He
places mat on her.

TED GRANT:

Brace yourself.

Cut to:

Outside of gym where explosion occurs and building is encased
with flame. Black Canary climbs out from under mat and sees
Ted on top of her bleeding.

BLACK CANARY:

Ted? Ted!

Black Canary holds Ted in her arms and cries. Fade out.

Opening Credits.

FADE IN:

EXT: THREE YEARS LATER STAR CITY WAREHOUSE

Three men place boxes into truck while one man sits in driver
seat.

MAN 1:

Come on guys we gotta hurry.

MAN 2:

What's the rush? Whale can wait.

MAN 3:

Yeah man, why are you so jumpy?

MAN 1:

Because I don't want any trouble.
Especially on what happened to
Earl last week when he didn't
deliver. I heard Whale had him
lunch with some sharks.

MAN 3:

Come on man, what could happen?

Man 4 climbs down from truck.

MAN 4:

Will you guys hurry up? I haven't
got all night.

Man 4 is hit and pinned to truck by a green arrow. He
struggles but is kicked by man swinging down on wire connected
to arrow. He falls unconscious and three men look at man.

GREEN ARROW:

Actually you got a headache.
Gentlemen, I don't think those
belong to you.

Man 1 takes out gun and starts shooting. Green Arrow dodges
and jumps on crates and fires arrow at gun, which explodes.
Green Arrow fires another arrow that breaks and forms bolo
around Man 1 and he falls to the ground struggling to get
free. Green Arrow walks to him and looks around.

GREEN ARROW:

Now where are your friends?

Man 2 hits Green Arrow in back with crowbar and Green Arrow
rolls forward as Man 2 charges. Green Arrow fights against
Man 2 but is held down.

MAN 2:

Not so tough at close range are
ya?

GREEN ARROW:

Not really, but I'm pretty clever.

Green Arrow holds out arrow and slams into Man 2, which electrocutes him. Green Arrow gets up and he punches Man 2 out cold. Green Arrow looks to see Man 3 running away.

GREEN ARROW:

Now let's see, go with three out of four or go for the whole package?

Green Arrow watches man run and thinks.

GREEN ARROW:

Whole package.

Green Arrow shoots arrow upward and swings toward direction Man 3 ran. He swings to see Man 3 being beat up by figure in shadows.

MAN 3:

I don't know okay. He calls us.

GREEN ARROW:

Ah, excuse me. I got dibs on this guy.

Figure turns to be woman. Green Arrow stares at her.

GREEN ARROW:

Wow. And I thought I knew all the hot woman in Star City, which means you must new around here. Name's Green Arrow and your name.

BLACK CANARY:

Black Canary and now if you will excuse me, I still have some questions for this thug.

GREEN ARROW:

Yeah, but you see Star City is my turf, so why don't you just take it easy and we can figure out this situation.

Black Canary uses her sonic scream and knocks Green Arrow into wall and pins Man 3 into wall.

BLACK CANARY:

Last time where is Tobias Whale?

MAN 3:

I told you lady, I don't know.

Black Canary looks at thug, sighs and punches him out cold. She then walks past Green Arrow on ground and disappears into shadows as Green Arrow watches.

CUTS TO:

EXT: QUEEN INDUSTRIES.

Building shown to scale as people enter. Man walks down hallway with other man by his side as people work.

DIGGLES:

And as you can see everything is ready to go on the satellite project.

GREEN ARROW:

Ah ha.

DIGGLES:

And there are a few people with complaints about the washrooms.

GREEN ARROW:

Ah ha.

DIGGLES:

And you have been nominated for the ugliest CEO in the world.

GREEN ARROW:

That's impossible.

DIGGLES:

Just seeing if you were paying any attention to anything I'm saying.

GREEN ARROW:

Sorry Diggles, I was just thinking about last night. First four common hoods stealing high-class sonic technology, without them knowing their employer and then this new vigilante shows up.

DIGGLES:

You mean the woman that kicked
your ass.

GREEN ARROW:

She got a lucky shot. And how was
I supposed to know she had powers.

DIGGLES:

And because of that you can't stop
thinking about her.

GREEN ARROW:

Why would I focus on an incredible
beautiful woman that was able to
beat me up?

DIGGLES:

Okay time to change the subject.
For it's time for the receptionist
interviews.

GREEN ARROW:

Receptionist interviews?

DIGGLES:

The ones that you scheduled for three weeks ago.

GREEN ARROW:

Oh right.

DIGGLES:

Well the first one is in your
office.

GREEN ARROW:

All right, let's meet these
ladies.

CUTS TO:

INT: OLIVER QUEEN'S OFFICE.

Green Arrow and Diggles going into office where Black Canary
sits wearing a black wig on other side of desk.

DIGGLES:

Oliver queen, this is Dinah Lance.

Green Arrow looks to see woman and just stares at her.

GREEN ARROW:

Hello.

BLACK CANARY:

Hello Mr. Queen.

Green Arrow walks to shake hands and then to sit behind desk.

GREEN ARROW:

Welcome to Queen Industries. You know my name and I know your name, but since he's here, this is John Diggle, my personal bodyguard. But everyone calls him Diggles.

Black Canary turns and smiles at Diggles. Diggles smiles back.

GREEN ARROW:

All right let's get to it. What qualifications do you have to be my receptionist?

BLACK CANARY:

Well as my resume states, I have several degrees in law...

Green Arrow looks at her up and down as she talks. Diggles softly hits him to focus.

BLACK CANARY:

And for the last three years I have been a swimsuit model.

GREEN ARROW:

I see, anything we may know about?

BLACK CANARY:

You know Star City extreme sport magazine.

GREEN ARROW:

SCESM? Yeah, why?

BLACK CANARY:

I was on the cover of last years December.

GREEN ARROW:
With the caption "let this heat
you up"?

BLACK CANARY:
Yes.

GREEN ARROW:
I see, well you seem well
qualified and I don't have much
time for today, so Diggles send
everyone else home. I've got a
new receptionist.

Black Canary stands up and shakes Green Arrow's hand.

BLACK CANARY:
Thank you Mr. Queen you won't
regret this.

GREEN ARROW:
No, I don't believe I will.

CUTS TO:

INT: PENTHOUSE.

Huge man sits on couch with two woman feeding him grapes as
figure of man talks on screen.

COUNT VERTIGO:
Do you have any idea how stupid
your men are?

TOBIAS WHALE:
Calm down my friend. Everything
is under control. I just sent a
new crew to get the parts you
wanted. And because Green Arrow
attacks at night, they're moving
right now.

COUNT VERTIGO:
In broad daylight?

Cuts to:

Area being robbed by men wearing officer uniforms as Tobias Whale speaks.

TOBIAS WHALE

(VO):

Yeah but you see I like to have a few actors in my organization. You know men that can be there and look like they belong.

CUTS TO:

INT: PENTHOUSE.

COUNT VERTIGO:

I see, so when will I get my shipment?

TOBIAS WHALE:

By tomorrow.

COUNT VERTIGO:

Good, I don't want another mishap like that little stunt you pulled on Ted Grant.

TOBIAS WHALE:

Grant had what came to him.

COUNT VERTIGO:

Not with my technology. If you have scores to settle, don't use your partner's work.

TOBIAS WHALE:

I'll keep that in mind.

COUNT VERTIGO:

Fortunately, even with your blundering, everything moves into focus and soon this world will belong to me.

CUTS TO:

INT: QUEEN INDUSTRIES.

Green Arrow walks with Black Canary around building.

GREEN ARROW:

And as you can see we are a fully developed corporation so you have to keep up with everything that is going to come my way.

BLACK CANARY:

That won't be a problem Mr. Queen.

GREEN ARROW:

Good.

BLACK CANARY:

How goes the work on Operation
Global Bridge coming along?

GREEN ARROW:

Well we...

Green Arrow turns to Black Canary.

GREEN ARROW:

How do you know about that?

BLACK CANARY:

I heard a few things about your
company working on such a project
and find it so assuring that
people like you want to help
everyone in the country of America
become closer. It's one of the
reasons I wanted to work here, to
help people with such a cause.

GREEN ARROW:

Good to hear. Most people know me
for my other reputation.

BLACK CANARY:

I am also aware of that sir. And
it will not be so easy to concur.

Green Arrow smiles at Black Canary and continues.

GREEN ARROW:

Anyway, just so you know we are
planning to expand the project to
the entire world, not just
America.

BLACK CANARY:

The entire world?

GREEN ARROW:

Just imagine it. Every person being able to communicate with one another with each message being translated into their personal language. So, no more misconceptions, no misunderstandings, and no...

COUNT VERTIGO:

Chaos.

Green Arrow and Black Canary turn to see Count Vertigo standing at end of the hallway.

COUNT VERTIGO:

Mr. Queen, how goes our little project?

GREEN ARROW:

Ah Mr. Vertigo.

COUNT VERTIGO:

Count Vertigo!

GREEN ARROW:

Right Count Vertigo. All the material for the satellite is being worked on we speak. Oh, this is my new receptionist Diana Lance. Ms. Lance, this is my partner on the Global Bridge project. He's a royal in a small country called Vlatava.

BLACK CANARY:

I see, nice to meet you sir.

COUNT VERTIGO:

Your servants do not bow before a powerful figure, that's not the way of Vlatava.

BLACK CANARY:

I'm not a servant.

GREEN ARROW:

Okay well Count Vertigo is everything for launch?

COUNT VERTIGO:

Not yet. There are still a few modifications I need to make; it should be ready in about a year.

GREEN ARROW:

All right, keep me posted.

COUNT VERTIGO:

Of course partner.

Count Vertigo walks away. Green Arrow and Black Canary watch him walk away.

BLACK CANARY:

Charming man.

GREEN ARROW:

Yeah, but his work on the satellite has been productive.

Black Canary looks at watch.

BLACK CANARY:

Ah Mr. Queen according to your schedule you have to attend a charity for the Star City Orphanage today.

GREEN ARROW:

Oh that's right. On your game on the first day good to know. Well keep everything neat in the office and I'll be back in a few hours. And then maybe we can go for a drink.

BLACK CANARY:

Perhaps, Mr. Queen.

Green Arrow walks away and Black Canary watches him leave.

CUTS TO:

INT: OFFICE OF OLIVER QUEEN.

Black Canary hacks into server with device.

BLACK CANARY:
Come on Frank, you told me that
this would get me in.

Device beeps and files pour in.

BLACK CANARY:
Thank you Frank. Now let's see
here.

Black Canary works at computer and sees many files. One
entitled Global Bridge. She opens file to look around.

BLACK CANARY:
All right, that's interesting, but
not what I'm looking for.

She closes folder and keeps looking around and sees file that
is entitled Top Secret.

BLACK CANARY:
Hello, what do we have here?

Black Canary looks and sees several files that show her Green
Arrow secret.

BLACK CANARY:
I can't believe it. The handsome
billionaire is really a masked
vigilante. Well it does make
sense.

DIGGLES:
What makes sense?

Black Canary looks up and sees Diggles standing at door.

BLACK CANARY:
Mr. Diggle? I didn't expect you
back so soon.

DIGGLES:
What are you doing Ms. Lance?

BLACK CANARY:
I was just checking to see about a
virus warning in the server.

DIGGLES:
With a hacking unit?

BLACK CANARY:
You know what this is?

DIGGLES:
I know a guy that supplies the
military with those devices. Now
what are you doing?

Black Canary picks up unit and jumps up and kicks Diggles to
ground.

BLACK CANARY:
Leaving.

Diggles gets up and follows Black Canary down hallway as he
phones Green Arrow.

CUTS TO:

EXT: STAR CITY ORPHANAGE.

Green Arrow at charity standing in front of people.

GREEN ARROW:
And our future lies in the care
and support of the next
generation, especially those that
are without family to guide them.
I know what it is like to loss
parents and I strive to secure
this foundation to help the
children of Star City that are in
need of a friendly hand. Thank
you.

Photographers take picture of Green Arrow as he poses with
children. After the photos that teenagers high five him and
walk away as the curator walks to him.

CURATOR:
Mr. Queen I can't thank you enough
for this generous charity drive.
This will really help the kids
reach their full potential.

GREEN ARROW:

Just glad I could help.

Green Arrow hears phone ring, he picks it up and sees Diggles number.

GREEN ARROW:

Excuse me.

Green Arrow goes to clearing and picks up phone.

GREEN ARROW:

What's up Diggles?

DIGGLES:

Your new receptionist just hacked into the system. I'm putting the building into lock down, but by the way this woman is moving I don't think that will hold her for very long.

GREEN ARROW:

I'm on my way.

CUTS TO:

INT: QUEEN INDUSTRIES.

Black Canary running down hallway to find every exit closed off. She looks around.

BLACK CANARY:

What is going on? Where is everyone?

DIGGLES:

Whenever the building is put on lock down there's an alarm for everyone to evacuate. Now give me that device and come quickly.

BLACK CANARY:

I don't have time for this. I need to get out of here.

DIGGLES:

Well you are not going anywhere.

Diggles charges and fights Black Canary, but is easily out matched by Black Canary's skills.

DIGGLES:

I know those moves. My
instructors showed me and told me
that the professional fighter Wild
Cat did them. Did he train you?

BLACK CANARY:

I was one of his best.

Black Canary kicks Diggles across hallway and goes to air duct.

CUTS TO:

EXT: QUEEN INDUSTRIES ROOF.

Black Canary climbing out on roof. She runs but stops as arrow lands in front of her.

BLACK CANARY:

I was wondering when you'd show
up.

Green Arrow swings down to her.

GREEN ARROW:

All right miss, I should warn you
these arrows are non-lethal, but
they hurt.

Black Canary:

I would imagine, Mr. Queen.

GREEN ARROW:

You mean the billionaire playboy?
What makes you think I'm someone
like him?

BLACK CANARY:

By the data of your arrows on the
top-secret area on your computer
network.

GREEN ARROW:

I see you've been working late Ms.
Lance.

BLACK CANARY:

Let me through.

GREEN ARROW:

Sorry can't, it's against the law to hack into a multi-million dollar corporation for espionage.

BLACK CANARY:

You think I'm a spy?

GREEN ARROW:

Give me a reason not to think that.

BLACK CANARY:

I can't deal with this.

Black Canary steps forward.

GREEN ARROW:

I said you are not going...

Black Canary screams and Green Arrow flies off of roof. Green Arrow grabs handrail of fire escape.

GREEN ARROW:

It's her.

Black Canary jumps off roof, throws off black wig and runs away while Green Arrow follows. Black Canary lands on third roof when Green Arrow fires arrow that shoots out a net to capture Black Canary. Black Canary gets up and removes net as Green Arrow arrives and attacks. Green Arrow continues to fire arrows as Black Canary dodges and tries to attack while they talk.

BLACK CANARY:

I understand you want me to keep your secret, but I am not after you.

GREEN ARROW:

If you aren't trying to steal anything then why did you want to be in Queen Industries?

BLACK CANARY:

Because your company has some connection to Tobias Whale.

GREEN ARROW:
The crime boss?

BLACK CANARY:
You know him?

GREEN ARROW:
Yeah, he's responsible for several smuggling, drug deals, and murders throughout the area. He used to work in Gotham, but he recently moved here. But why do you want him?

BLACK CANARY:
He hurt my friend.

Men seen on rooftops looking at fight.

MAN 1:
Boss, I've got the woman on target as well as Green Arrow. Do you want us to take them out?

CUTS TO:

INT: TOBIAS WHALE'S PENTHOUSE.

Tobias Whale talks into phone while sitting in penthouse.

TOBIAS WHALE:
Both an annoying pest and a crazy hero out of commission? Sounds good to me. Take them down. But I want them alive.

CUTS TO:

EXT: ROOFTOP.

One man takes out device and presses button as other two watch and put ear plugs in their ears. Black Canary continues to attack as she disarms Green Arrow and they both fight hand to hand until Green Arrow falls to ground. Black Canary pins him down.

GREEN ARROW:

You know if it weren't for this situation I would so enjoy this moment.

BLACK CANARY:

Then leave me alone! I just need to...

Black Canary starts to act nauseously, Green Arrow sees.

GREEN ARROW:

What's with you?

BLACK CANARY:

Oh no. It's happening again.

GREEN ARROW:

What is? And why do I feel so sick right now?

Both collapse as men come to them as Green Arrow presses button on belt.

CUTS TO:

INT: WAREHOUSE.

Green Arrow waking up in warehouse tied to Black Canary and hanging on hook.

MAN 1:

I just don't get why we can't take off his mask.

MAN 2:

Because the boss said not to until he gets here.

MAN 3:

Then we are going to soon. He just arrived.

GREEN ARROW:

Great now I've been taken captive by a bunch of crime lord goons. This will not be good for my reputation.

Men turn as door opens and Tobias Whale enters warehouse.

TOBIAS WHALE:
Good work boys. Ah, Green Arrow
we meet face to face at last.

GREEN ARROW:
Tobias Whale, I can see why you
have that name. You need to lay
off the pie.

TOBIAS WHALE:
I'll think about it.

BLACK CANARY:
You slime!

Green Arrow turns to see Black Canary awake.

TOBIAS WHALE:
Hello Dinah how's Ted?

GREEN ARROW:
Ted?

BLACK CANARY:
Ted Grant, my mentor.

TOBIAS WHALE:
And the idiot that messed up a
perfectly fixed fight. All he had
to do was take a dive, but he
didn't and cost me a fortune. He
was also someone I hated.

BLACK CANARY:
And you tried to have him killed.

TOBIAS WHALE:
(Surprised)
Tried?

BLACK CANARY:
That's right, Ted's alive you
overgrown guppy.

TOBIAS WHALE:

Good to know. So after our plan is done, I can go pay him a visit and kill him myself.

GREEN ARROW:

Our plan?

TOBIAS WHALE:

But first I always like to see whom I'm going to kill. So, get ready Green Arrow because as soon as that mask goes off, you're dead.

Car crashes through doors and men move away. Car slams in metal and two fall to ground and land of their feet.

BLACK CANARY:

Who's that?

GREEN ARROW:

A friend.

Diggles comes out wearing mask and shooting at Whale and men. They duck to cover and fire back. Green Arrow and Black Canary swing off hook and land on ground. They dodge attacks, got to arrows and freed themselves by cutting ropes with arrow point. Green Arrow fires arrow and flash of bright light blinds Whale and his men as heroes escape in car. Whale watches them escape and smirks.

TOBIAS WHALE:

Let them go. It doesn't matter if they escape or not. We got everyone right where we want them.

CUTS TO:

EXT: STAR CITY STREETS.

Car with heroes driving around Star City.

BLACK CANARY:

Where are we going? Whale is back there.

DIGGLES:

To regroup and figure out our next move.

Black Canary looks at driver.

BLACK CANARY:
Diggles? Why am I surprised?

GREEN ARROW:
Just as we were being grabbed I
signaled him to come and get us.
He's pretty quick.

DIGGLES:
Years of training in the military.
Now would you care to tell us what
this is all about?

GREEN ARROW:
That sounds like a great idea.

Black Canary looks at them both.

BLACK CANARY:
Get us somewhere safe and I'll
tell you everything.

GREEN ARROW:
Then I guess we're taking you back
to my house.

Car drives off.

CUTS TO:

INT: TOBIAS WHALE PENTHOUSE.

Goons packing up materials for Whale. Computer beeps and one
of the girls hands it to Whale.

GIRL 1:
Tobias, it looks like you got a
call.

Whale takes computer and turns it on to reveal dark figure.

COUNT VERTIGO:
What happened? I received word
that Green Arrow is on your trail.

Whale looks around.

TOBIAS WHALE:

Who squealed?

Men look at Whale and one begins to flinch. Whale snaps his fingers and two men take the flinching man away. Whale looks at computer.

TOBIAS WHALE:

Just a minor set back. He has no idea what we're planning.

COUNT VERTIGO:

Good, because I cannot afford any distractions at this time. If he crosses your path again, I don't need to tell you what you must do.

TOBIAS WHALE:

Don't worry about it. I can handle Green Arrow. Everything's under control.

COUNT VERTIGO:

It better be.

Computer screen turns black and Whale throws it into wall.

TOBIAS WHALE:

Annoying pest.

CUTS TO:

INT: QUEEN MANSION.

Green Arrow and Black Canary sit in living room as Diggles makes drinks.

GREEN ARROW:

So, you were here to take down Whale. What's that got to do with Queen Industries?

BLACK CANARY:

You see Ted Grant's gym blew up three years ago by some device that was mailed to him. I have a friend that traced the device to a branch of Queen Industries. That

led me to the conclusion that Tobias Whale had some connection to the company. So, for the last three years I have been working to uncover the connection. I worked as something I knew would get your attention, a beautiful receptionist. No offense.

GREEN ARROW:
None taken. Go on.

BLACK CANARY:
My plan was simple get into Queen Industries, get the evidence of Whale's attack at the Gym and take him down once and for all. Unfortunately, I didn't find anything but...

GREEN ARROW:
My secret nightlife.

Diggles carries drinks to them.

DIGGLES:
I told you not to hold that kind of data on your computer.

GREEN ARROW:
Lesson learned.

BLACK CANARY:
Anyway, I just wanted to find some way to incriminate Whale. But all I found besides your data was the date of the satellite project being today.

Green arrow about to drink, but stops from hearing comment.

GREEN ARROW:
What? The project isn't supposed to ready until next year.

BLACK CANARY:
But according to the data it was being launched today at midnight. I assumed you wanted to get it in

the atmosphere to do some testing
of it in actual space.

Green Arrow thinks for a minute.

GREEN ARROW:
Would you excuse me?

Green Arrow goes to phone, dials numbers, and talks. Diggles
goes to Black Canary.

DIGGLES:
So, what exactly was your plan?
Incriminate Whale or kill him.

BLACK CANARY:
What do you mean?

DIGGLES:
I was outside I heard how you
sounded. You sounded like someone
that was going to rip out his
heart, not throw him in jail.

BLACK CANARY:
I just want to stop him. Ted got
hurt badly by that explosion he's
been in a hospital bed for the
last three years. You see I lost
my parents when I was very young.

DIGGLES:
I'm sorry to hear that. It must
have been hard for you. But how does
Ted fit into that situation.

BLACK CANARY
Ted was an old friend of my
mother's. After she died he took
me in. He trained me, cared about
me, and became the father I never
knew. That reason alone is why I
need to make sure Whale is stopped
before he hurts anyone else.

DIGGLES:
I understand, but don't forget
there is a limit to how far

someone needs to go to stop
someone else.

BLACK CANARY:

I know that.

DIGGLES:

You say you know it, but do you
believe it?

Green Arrow comes back into room.

GREEN ARROW:

I just got off the phone with the
head engineer. He says that the
satellite is ready for launch
thanks to Count Vertigo's input
and as requested by Vertigo to be
tested in an outside facility
prior to my confirmation.

BLACK CANARY:

Which means...

GREEN ARROW:

He lied to me and he stole my
project.

BLACK CANARY:

Tobias said our plan. Right?

GREEN ARROW:

Yeah.

BLACK CANARY:

Well think about it. He steals
technologies that are associated
with sonic. Such technology that
is similar to what has been used
on us.

GREEN ARROW:

And the satellite is being a
strong signal force for sonic
output.

DIGGLES:

Which could be used to generate the same effect on everyone if they all heard it.

GREEN ARROW:

And the man who constructed the satellite personally makes all that possible.

BLACK CANARY:

Count Vertigo and Tobias Whale are working together.

DIGGLES:

And if they succeed, then everyone on Earth is going to be completely at their mercy.

GREEN ARROW:

Then we got to find them.

BLACK CANARY:

But how? The data only said when they were going to launch the satellite.

GREEN ARROW:

We do it the old fashion way.

CUTS TO:

INT: DARK ROOM WITH SCREENS OF SATELLITE IN VIEW.

Count Vertigo watches satellite from room as Whale enters.
Count turns to him revealing himself.

COUNT VERTIGO:

Is everything in order?

TOBIAS WHALE:

Yeah, not a problem. My friend we are about to be rich.

COUNT VERTIGO:

And powerful. For the world will bow to our glorious might.

CUTS TO:

INT: NIGHT CLUB

People dance on floor as men sit and enjoy music. Man sits and watches girls dancing.

BENNY:
I love this place.

Arrow flies through air and hits DJ table and music stops.

GREEN ARROW:
Sorry folks, shows over.

Green Arrow and Black Canary walk across room to table of thugs and man that watched the girls.

GREEN ARROW:
Hey there Benny.

Man sits and looks at Green Arrow.

BENNY:
Arrow! What are you doing here?
And who's your date?

GREEN ARROW:
I need info. What have you heard
about Whale?

Men sneak behind Green Arrow and about to attack.

BENNY:
Depends, do you mean the water one
or the land one.

GREEN ARROW:
Benny, I don't have time for games.
Where's Whale?

BENNY:
You have to give me a minute. I
need to think before I answer.
That's what happens when you know
what goes on in the underworld.

Men charge but are attacked by Black Canary. As she fights men, Green Arrow continues to talk to Benny.

GREEN ARROW:

By the way did I forget to mention that she's not just my date, she my muscle and if she does that to them, think what she'll do to you.

Benny watches Black Canary beat up thugs and he starts to shake in fear and looks at Green Arrow.

BENNY:

Okay. Well I only know about tonight. I heard that he's been seen at the old radio station. No one knows why, it's like he's just waiting for something.

GREEN ARROW:

Good to know.

Green Arrow turns and shoots man that is holding Black Canary. Man drops to ground and Black Canary walks to exit.

GREEN ARROW:

Thanks Benny.

Green Arrow and Black Canary leave with half of room unconscious.

Cuts to:

INT: Radio Station around 11 p.m.

Vertigo sits and watches clock.

COUNT VERTIGO:

In one hour the domination of this world will come. For as the people struggle to even move my forces will move in and take the world by storm and I will become a king of all nations.

TOBIAS WHALE:

And I get all the wealth of the nations as we agreed.

COUNT VERTIGO:

Of course my friend. All the wealth shall be yours to possess and the control shall be mine.

Cuts to:

EXT: Rooftop.

Green Arrow and Black Canary on roof across radio station. Black Canary stands for look out as Green Arrow talks on phone. They see time is at 11:30 p.m.

BLACK CANARY:

We only have half an hour to get over there and stop them.

GREEN ARROW:

Yeah, we better hurry.

BLACK CANARY:

I just don't understand why here of all places.

GREEN ARROW:

The old radio station has been out of business for months. I guess they needed a quiet place with satellite connection to access the satellite.

BLACK CANARY:

I guess, and the concept of using the radio station is pretty poetic. Radio brings music to make people move, and this weapon that they made also makes them move, but in a different manner.

GREEN ARROW:

Which is why I talked to Diggles about getting ready to retaliate the problem.

BLACK CANARY:

Retaliate? How?

GREEN ARROW:

According to the notes left by our friend the count, the effects of his device are associated with sound, so no sound, no nausea. Diggles is having my tech boys

work on some means to block the device's effects.

BLACK CANARY:

Clever. Do you think the preparations will be done in time?

GREEN ARROW:

I don't know but we can't take any chances. And speaking of chances, Diggles also told me about how much you want to take down Whale. I know what he did to your mentor was rough, but do you really want to take him down permanently?

BLACK CANARY:

(turns away)

Whatever it takes to make sure he never harms anyone again.

GREEN ARROW:

That's not the kind of person I see you as.

BLACK CANARY:

(turns back to Green Arrow)

Excuse me?

GREEN ARROW:

I believed you when you said that you liked the idea of helping people. That shows that you are a caring person. And those kind of people are not those that want to kill. Even if they are creeps like Whale.

BLACK CANARY:

You don't know me; so don't act like you do.

GREEN ARROW:

I know you're angry right now. I just want you to think about what you are going to do before you make any decisions.

BLACK CANARY:

Let's just stop these maniacs
before they hurt the entire world.
We're running out of time.

Green Arrow turns to building and fires an arrow and grabs Black Canary to swing to building where three men sit and wait. Heroes swing in and three men attack. They are easily defeated by heroes and the two climb stairs to empty room.

GREEN ARROW:
Okay I think we're in the clear.

TOBIAS WHALE:
You would be wrong.

Tobias Whale steps forward out of shadows. Green Arrow holds bow and points at Whale. Black Canary stops him.

BLACK CANARY:
He's mine, go stop the satellite.

GREEN ARROW:
No way am I leaving...

BLACK CANARY:
Just go. I got this.

Green Arrow nods and runs off. Black Canary steps toward Whale.

BLACK CANARY:
I'm taking you down.

TOBIAS WHALE:
That's something I would like to see.

Black Canary charges and attacks Whale with strong punches and kicks but they have no effect on Whale. Whale catches kick and throws Black Canary across room into wall. Black Canary gets up and tries attacking again.

TOBIAS WHALE:
Grant would have at least been a challenge.

Whale grabs Black Canary and squeezes her.

TOBIAS WHALE:

And now you will die. The whole mask thing doesn't apply to you.

Tobias Whale continues to squeeze and Black Canary screams in pain until arrow flies and hands on Whale's face and covering his eyes with fluid. Whale lets go of Canary and stumbles backwards and tries to remove fluid from eyes as Black Canary falls to the ground. Two arrows fly to Whale and he coughs as smoke comes out of them. Green Arrow swings to Black Canary.

BLACK CANARY:

You came back? I told you to stop the satellite.

GREEN ARROW:

I know but I just remembered, you work for me. And what kind of boss would I be if I let one of my employees die, especially such a hot one that I want to get a drink with?

Black Canary smiles at Green Arrow.

BLACK CANARY:

Thank you.

Whale clears smoke and moves toward the heroes.

TOBIAS WHALE:

Forget the mask rule. I'll crush you both right now.

Tobias Whale charges and heroes jump to safety. Green Arrow looks at Black Canary.

GREEN ARROW:

You have to do that scream thing.

BLACK CANARY:

What for?

GREEN ARROW:

Trust me.

Black Canary dodges Tobias Whale attacks and back flips to safe distance and screams at Tobias Whale. He slows down as Green Arrow fires arrow at Tobias Whale's feet, which explodes and releases gel that begins to solidify. Tobias Whale tries

to continue to move but Green Arrow fires three more gel arrows, which encase Tobias Whale's body with a solidified coating to stop him from moving. Black Canary stops screaming.

TOBIAS WHALE:

I can't move.

BLACK CANARY:

Good.

Black Canary looks at Whale. Green Arrow puts his finger in his ears and then goes to Black Canary.

GREEN ARROW:

You got him. We can let the police handle it from here. Once we stop Vertigo, he'll be charged for his crimes. Do what Ted would want you to do. Which is right now stopping Vertigo. Now let's move.

BLACK CANARY:

But I can end him now.

TOBIAS WHALE:

Then what are you waiting for? You're absolutely right, you can kill me and avenge Teddy. But I don't think you have the guts to do such a gruesome act.

Black Canary looks at Whale and takes arrow from Green Arrow, and goes to Whale's head with arrow head.

BLACK CANARY:

Wanna bet?

Green Arrow grabs hand and stops Black Canary.

GREEN ARROW:

You don't want to do that.

Black Canary looks at Green Arrow.

BLACK CANARY:

Why not?

GREEN ARROW:

Because you'll be just like him.
And I may not know Ted Grant, but
I don't think he would want you do
be a murderer on his behalf.

Black Canary looks at Whale, puts down arrow and sighs.

BLACK CANARY:

You're right.

GREEN ARROW:

Then let's go.

Both run to door, Black Canary turns back to Whale, looks at him smiling and then goes after Green Arrow.

Cuts to:

EXT: Roof.

Count Vertigo stands at area with view of the satellite as it is about to launch.

COUNT VERTIGO:

Only ten minutes until I rule this
world with an iron hand.

Green Arrow and Black Canary arrive on roof and see Count Vertigo working. Count Vertigo turns to see them.

COUNT VERTIGO:

I see I have some guests no thanks
to my partner Mr. Whale.

GREEN ARROW:

Give it up Count Vertigo.

COUNT VERTIGO:

You know who I am?

BLACK CANARY:

Let's just say we know people that
are aware of you. Like Mr. Queen
who isn't too happy about you
taking his project.

COUNT VERTIGO:

I see my other partner told you about me. However, he did not tell you everything.

Black Canary charges and Green Arrow draws arrow. Count Vertigo raises hand and sonic wave hits both making them dizzy.

GREEN ARROW:

What's happening?

COUNT VERTIGO:

My devices allow me to control a specific sonic burst that affects that human brain function of coordination.

BLACK CANARY:

So that's why we feel so dizzy. And what happened to us back in Ted's gym.

COUNT VERTIGO:

Yes, Mr. Whale wanted to get even with Mr. Grant and I needed the device tested.

GREEN ARROW:

So you gave it to him to use on Ted Grant.

COUNT VERTIGO:

Correct. But now you two will fall.

Count Vertigo moves forward and beats on Green Arrow who can't move properly. Count Vertigo then moves toward Black Canary and knocks her into Green Arrow.

COUNT VERTIGO:

You two heroes are nothing compared to Count Vertigo.

BLACK CANARY:

Maybe not alone, but together...

Black Canary holds Green Arrow's hand.

BLACK CANARY:

We might be enough.

Count Vertigo attacks two but two coordinate on each other and are able to hold their own against him. Green Arrow takes out arrow.

GREEN ARROW:

Get in close.

Count Vertigo charges and attacks, but two dodge and Green Arrow places arrow on Count Vertigo glove, which electrocutes and disables the effects. Black Canary regains coordination and attacks Count Vertigo.

COUNT VERTIGO:

You can't win.

BLACK CANARY:

Just watch us.

Black Canary continues attack but Count Vertigo takes out knife and is about to stab. Green Arrow jumps in way and is stabbed in the left arm. Green Arrow screams in pain and Black Canary, angrily screams at Count Vertigo and he goes flying into the console and falls to ground out cold. Black Canary goes to Green Arrow.

BLACK CANARY:

Why did you do that?

GREEN ARROW:

Call it the gentlemen in me.

BLACK CANARY:

You do know that was stupid,
macho, and...

Black Canary smiles at Green Arrow.

BLACK CANARY:

(CONTIUED)

...very sweet.

Green Arrow smiles at Black Canary as she goes to Count Vertigo and rips off his cape and comes back to cover up wound. Satellite activates and system begins to count down for launch.

BLACK CANARY:

We're out of time.

Computer counts down starting at 60 seconds.

GREEN ARROW:

According to the computer, we only have a minute before this thing launches. We've got to destroy it.

BLACK CANARY:

The exterior is too thick. My scream can't breach it.

Green Arrow pulls out arrow.

GREEN ARROW:

Diggles thought I might need these. These three arrows are designed to break through the exterior of any machine and cause a system overload, but I can't fire them like this.

Black Canary takes bow in her hands.

BLACK CANARY:

Then I will.

Black Canary fires one arrow and misses. She fires a second arrow and misses again.

BLACK CANARY:

Oh come on.

Green Arrow goes to her.

GREEN ARROW:

You got to relax.

Green Arrow puts arm around waist and stands next to her. Black Canary blushes.

GREEN ARROW:

Look at the target and imagine it's what you want more than anything else in the world. Once you have that thought, take the shot and take what you want.

Black Canary holds up bow and carefully aims arrow at Satellite.

BLACK CANARY:
I want the world to be safe.

GREEN ARROW:
Then make that happen. For Ted.

BLACK CANARY:
For Ted.

Black Canary breathes and releases arrow. It flies through the air and hits the side of Satellite and electrocutes side and causes structure to explode.

GREEN ARROW:
Nice shot.

BLACK CANARY:
Thank you. But I hope you had insurance.

Cuts to:

EXT: Hospital two weeks later.

Black Canary takes Ted out in wheelchair.

TED GRANT:
Three years I was in that hospital bed and now I'm stuck in this stupid thing.

BLACK CANARY:
The doctor says you'll be fine. It's only for a few months.

TED GRANT:
That doesn't mean I'll like it. By the way I heard Whale was arrested a few weeks ago.

BLACK CANARY:
Really?

TED GRANT:
Nice job.

BLACK CANARY:
Thanks. But now what?

TED GRANT:
Good question.

They go forward to see a man holding a sign saying Grant and Lance.

TED GRANT:
What the?

DIGGLES:
Ride for Dinah Lance and Ted Grant.

BLACK CANARY:
Diggles?

TED GRANT:
You know this guy?

BLACK CANARY:
Yeah, but...

DIGGLES:
Just get in. Everything will be explained.

Black Canary and Ted look at each other.

Cuts to:

EXT: Construction Site.

Diggles, Grant and Black Canary arrive where Green Arrow stands looking over papers with case on left arm.

DIGGLES:
We're here.

Green Arrow turns and smiles at Black Canary.

BLACK CANARY:
Mr. Queen!

Green Arrow looks at Black Canary.

GREEN ARROW:

Call me Ollie.

Green Arrow holds out hand to Ted.

GREEN ARROW:

Oliver Queen. It's nice to meet
you Mr. Grant.

Ted shakes Green Arrow's hand.

TED GRANT:

What's this about?

GREEN ARROW:

Your gym.

TED GRANT:

My gym?

GREEN ARROW:

This is the exact location your
old gym was three years ago. It's
been on hold until now and I just
bought it.

TED GRANT:

Good for you.

GREEN ARROW:

And I'm giving it to you.

TED GRANT:

What?

Black Canary stands stunned at comment.

GREEN ARROW:

It will be your property, just
sign the paperwork and you can
lead the top construction workers
of Star City to build the gym just
the way you want it. Down to
every last detail.

Ted looks and sees papers. He looks at Green Arrow and
smiles.

TED GRANT:

Thank you.

He then signs the papers and looks down at lot at crew.

TED GRANT:

All right ladies! Let's get to work. I want this place build to scale and then to shine like a new pair of shoes.

Black Canary turns to Green Arrow.

BLACK CANARY:

I don't know what to say.

GREEN ARROW:

Consider it your severance package. You were a great receptionist. Even if you just worked for that one day. Take care of yourself Dinah.

Green Arrow and Diggles walk away and Black Canary watches them leave. Ted looks back at her.

TED GRANT:

I told you to keep your guard up on the left.

BLACK CANARY:

What?

TED GRANT:

The left side is where the heart is and he just broke through to it.

Black Canary looks at Ted.

TED GRANT:

Go get him.

BLACK CANARY:

But...

TED GRANT:

I'll be okay. I still got some lives left. I just want you to be happy.

Black Canary thinks for a moment and Ted takes her hand.

TED GRANT:

That's what your mother did when she met your father. She knew what she wanted and took it. And are you not your mother's daughter?

Black Canary smiles at Ted.

BLACK CANARY:

Yes I am. Thank you Ted, for everything.

Black Canary goes and kisses Ted on the cheek. She then turns and walks away.

Cuts to:

INT: Oliver Queen's Office.

Green Arrow going over papers.

GREEN ARROW:

Look at this to do list. I have interviews about the satellite project, investigations about my involvement in the attempt to take over the world, and the charity for the Star City hospital coming in a few days and I still haven't written a speech. All of these upcoming events and I can't get them straightened out.

Diggles enters office. Green Arrow looks up at him.

GREEN ARROW:

What's up Diggles?

DIGGLES:

Someone's here to apply as your new receptionist.

GREEN ARROW:

Send her in.

Black Canary comes in and walks past a smiling Diggles.

BLACK CANARY:
I didn't come to apply...

Green Arrow looks up and sees Black Canary.

BLACK CANARY:
I came to get to work.

Green Arrow smiles and goes to her.

GREEN ARROW:
You're late. I guess you'll have
to stay after hours.

BLACK CANARY:
Yes Mr. Queen. After that, I
would like that drink that you
promised to get with me.

GREEN ARROW:
Of course, but I must warn you I
tend to have fun with beautiful
women that I drink with.

BLACK CANARY:
Looking forward to it Ollie.

Green Arrow moves in and kisses Black Canary on the lips.
Diggles goes out of room.

DIGGLES:
And now no work is going to get
done.

Diggles walks down hallway. Fade Out.

End Credits
