FADE IN:

EXT. SOLAR SYSTEM - DAY

DRIFTING TOWARD EARTH

The motion is the same as a feather, tilting from side to side as it moves closer.

The corner of a one dollar bill flips up into view.

The dollar bill descends through clouds.

EXT. COUNTRYSIDE - DAY

Sun shines on a field of stumps from last years corn crop.

The dollar bill drops from the sky, and lands in the dirt road next to the field.

THE DOLLAR BILL

Face down, and still.

The eye above the pyramid blinks.

BACK TO SCENE

The wind lifts the dollar bill. It sails down the road, past a sign which reads: "LUXURY CONDOS COMING SOON."

EXT. LANDFILL - DAY

Seagulls circle above a mountain of trash.

The dollar bill topples end over end as it passes by.

EXT. CITY STREET - DAY

The dollar bill slides along the concrete, past litter. The rotting remains of road kill.

A HORN blows.

The dollar bill slides past many stopped wheels in an apparent traffic jam.

Black smoke is released from a buss's exhaust pipe, and strikes the dollar as it passes.

THE DOLLAR BILL

The eye above the pyramid squints closed.

EXT. CITY STREET - DAY

Tall buildings reach up, and almost touch the smog-filled sky.

The dollar bill slides down the sidewalk, past more litter, and squashed cigarette butts.

A poor GIRL (9) in tattered clothes, with snarly hair, digs through a garbage can. She pulls out a half-eaten hamburger in a fast food wrapper. A huge smile spreads across her face. She unwraps it.

THE DOLLAR BILL

A tear leaves the eye of the pyramid.

BACK TO SCENE

The wind lifts the dollar in front of a newspaper box.

The headline reads: "President vacations as unemployment skyrockets to a record high".

The dollar bill drops to the sidewalk, scoots along.

EXT. ALLEYWAY - DAY

The dollar bill slides on the ground between puddles, and past litter.

It passes by a sleeping man inside of a cardboard box.

Another man's foot sticks out from behind a dumpster. The dollar bill slides to his foot, and stops there.

BEHIND THE DUMPSTER

A MAN (40) sits on the ground. A belt is wrapped around his arm. A hypodermic needle is in his hand. He clenches a belt between his teeth, and tugs.

SPLASH! SPLASH! SPLASH! O. S.

He peeks around the dumpster.

EXT. ALLEYWAY - DAY

A MAN (20s) slows from a run. In his hand, a purse. He opens the purse, and riffles through it.

BEHIND THE DUMPSTER

A dollar bill at his foot.

The junkie's eyes light up with happiness as he reaches for the dough.

A BANG of gunfire.

He falls back in a heap. A bullet hole in his forehead.

The twenty year old man stands in front him with a hand gun pointed at him. He reaches down, and rips the dollar bill from the dead man's hand. He crumples up the dollar bill and puts it into his pocket.

BLACKNESS

BACK TO SCENE

The robber turns, and runs away.

Thick, black, storm clouds roll across the sky, and block out any sign of daylight. Flashes of blinding lightning strike through the clouds again and again.

EXT. SOLAR SYSTEM - DAY

The blue and white planet EARTH...

suspended by a string.

A hand with scissors move toward the string. The scissors open, then cut through the string.

Planet Earth drops into a garbage can.

FADE OUT.

THE END.
