FADE IN:

INT. HOSPITAL ROOM - DAY

White medical equipment, quite stylish and sophisticated.

SUPER: YEAR 2069

OLD LEO, 90's, balding white hair. Dressed only with a hospital robe, lying in a bed. Serene even though his life is almost over.

Old Leo surrounded by four family members. BERT, 70's, bald, wearing a black three pieces suit. A successful businessman retired. Without qualm he's smoke.

DAVE, 50's, bald, wearing a black three pieces suit. Also a businessman that made big. He smoke.

THOMAS, 30's, bald, three pieces suit, probably a businessman. Cigar in mouth.

THEODORE (15) that keeps his hair long, dressed like a colorful rapper. He is busy playing with the hologram projected by his bracelet. A small raspberry crate half eaten on his lap. Nonchalant.

OLD LEO  
I'm glad, you are all here with me.

BERT  
Dad! You threatened to take us off your will if we didn't show up.

OLD LEO  
You seem happy to be here.

BERT  
No!

DAVE  
Why we here grand pa?

OLD LEO  
I have a stupendous gift for you all.

All of a sudden, Bert, Thomas and Dave are interested by what the old Leo say. As for Theodore, all his attention stay on the hologram.

OLD LEO (CONT'D)  
One last story--

Bert, Thomas and Dave upset.

BERT  
Fuck! We already heard all your  
endless stories!

OLD LEO  
Not this one Bert.

THOMAS  
Can't you be like the elderly of  
your generation. Dying quietly and  
alone.

OLD LEO  
I'm not like the old folks!

THOMAS  
Why is this story any different  
than all your other boring stories?

OLD LEO  
This one is true.

DAVE  
Leo, if you are going to tell a  
story, I will live-- Theo!

Theodore eat a raspberry.

DAVE (CONT'D)  
Stop eating that poison, berries  
are carcinogenic.

Bert, Dave and Thomas glare at Theodore.

Theodore let go off the raspberry.

Raspberry hits the floor. Theodore foot squishes this juicy  
berry.

THOMAS  
Unbelievable Theodore. Can't even  
behave yourself in a hospital and  
in presence of a sick elder.

OLD LEO  
I ate some in my younger days and  
look at me, I don't have a cancer.

BERT

With or without cancer, you probably leave this place feet first.

OLD LEO

Considering that fact, let me tell you my last story before I die.

Bert, Thomas and Dave discouraged.

BERT

Fuck! You don't give up! Tell your damn story so that we can get out of here!

OLD LEO

It all started on a friday.

INT. LOCKERS CORRIDOR - SCHOOL - DAY

Students between 14 and 17 years old. Some are top of the class. Others are last of the class. They are between periods.

SUPER: YEAR 1993

There are athletes, musicians, pretty girls and future killers. A typical American school.

Among all these students, three ordinary teenagers who do not stand out. They are pots smokers.

To the left, WAYNE (16) has on a Mario Bros 2 sweater. Total nerd.

In the middle, BRUCE (16), long hair, jeans too tight. A sweater portraying a rainbow with a unicorn running back and forth on it. The unicorn runs non-stop.

To the right, LEO (16), wearing an Iron Maiden T-shirt of the album NUMBER OF THE BEAST. Is virgin.

WAYNE

Friday guys. Ready to get your asses kicked at Street Fighter tonight?

BRUCE

In between two drags of weeds, anytime Wayne.

LEO  
 Too lousy Wayne. I beat you with  
 my eyes closed.

Leo, Wayne and Bruce laugh.

WAYNE  
 I accept the challenge Leo.

AMANDA SMITH (16) not hot, but not ugly either. Wears black  
 glasses, she's blind. Not the most popular at school. Her  
 blind cane hits students feet sometimes.

AMANDA  
 (shy, embarrassed)  
 Sorry. Sorry.

Amanda walks by Leo.

Amanda nose smells the air. SNIFFFFF.

AMANDA (CONT'D)  
 Hello Leo.

Leo notices Amanda without paying attention.

LEO  
 Eeee, hi Amanda.

Three pretty girls. BLONDI, KIKA and VIVIAN, all 16 years  
 old. Dressed to give a boner to a priest. The school sluts.

Vivian is has a headband adorned with cats ears. Her orange  
 hair defies gravity, as it they were in water. It's  
 magnificent, graceful and unreal. --THE CHARACTERISTIC OF  
 THE HAIR IS PERMANENT.-- A cross on a chain around her neck.

Leo notices the girls come towards him. They pass beside  
 Leo.

Leo's eyes meet Vivian's eyes for a moment.

LEO FANTASY:

SLOW MOTION: Vivian winks at leo. A star briefly shines in  
 the corner of Vivian's eye. She continues her way.

Leo turns around to not lose sight of Vivian.

LEO (CONT'D)  
 Boys. My future awaits.

Leo's hand touches Vivian shoulder.

Vivian turns around. Leo grasps Vivian's breasts. He gropes them vigorously.

VIVIAN

Above all, do not stop Leo.

Blondi and Kika watch the show. They smile with their white teeth.

KIKA

Wow Leo! You've got it!

LEO

Yeah!

VIVIAN

Yep Leo! You know girls.

Eyes closed, Leo's face approaches to Vivian for a kiss.  
FANTASY END.

Leo still fantasizes in his head. Eyes shut, he gropes something O.S.

Bruce and Wayne have their mouths open, stupefied.

Leo's hands grope breast on a unattractive sweater. Sweater of FAT BOB (15), school's fat boy. He isn't offended.

FAT BOB

Like it Leo?!

Leo opens his eyes, back to reality. Leo sees his hands on fat Bob's pecs.

Silence in the school. Everyone stares at Leo.

A little CHIPMUNK along the wall, also stares at Leo.

Everyone laughs. Even a TEACHER WITH GLASSES, 40's.

The PRINCIPAL, 50's, usually strict. Also laugh.

Leo searches with his eyes past fat Bob's shoulder.

Vivian move away in the distance.

INT. LONG HALLWAY - SCHOOL - DAY

Our three friends move forward fast.

WAYNE

What'up with this shitty shame you afflicted on us Leo?

LEO

It was Vivian.

BRUCE

No, it wasn't!

WAYNE

How did you mistake fat Bob for Vivian?

BRUCE

It did no bother fat Bob.

LEO

My feelings guided me to Vivian. Too desirable. I love her.

WAYNE

Stop! You don't have a chance with her.

LEO

Wayne. That girl is perfect and made for me.

WAYNE

Believe me Leo. I've never seen a slut as slutty as that slut.

BRUCE

She considers no one.

LEO

She isn't a slut! You are just jealous, fuckers.

Wayne arches a brow.

FLASHBACK - INT. HALLWAY - SCHOOL - DAY

--WAYNE'S POV FOR THE WHOLE SCENE--

Boys washroom door shut. The male icon on the door is animated, he pee. Door opens.

Vivian exits. Straightens out her skirt. Puts her breast where they go, wipes her mouth. Door automatically shuts.

VIVIAN  
Hey Wayne.

CUT BACK TO:

INT. LONG HALLWAY - SCHOOL - DAY

Bruce, Wayne and Leo still converse.

LEO  
That doesn't mean anything Wayne.  
Maybe she just went in the wrong  
bathroom.

WAYNE  
Iiiiiisssh!

FLASHBACK - INT. HALLWAY - SCHOOL - DAY

--WAYNE'S POV FOR THE WHOLE SCENE--

Boys bathroom door opens. A HANDSOME MUSCULAR BOY exit's, shirt unbuttoned. A NERD exit's. The principal exit's, his socks worn as mittens to hide his hands. Fat Bob exit's.

INT. LONG HALLWAY - SCHOOL - DAY

Leo scratches his forehead. There is a explication.

LEO  
Maybe they all had to go at the  
same time. Coincidence, ever heard  
of it, Wayne? And plus you didn't  
see anything, you weren't even in  
the bathroom!

WAYNE  
You're right, I wasn't there. But--

FLASHBACK - INT. HALLWAY - SCHOOL - DAY

--WAYNE'S POV FOR THE WHOLE SCENE--

Boys bathroom door closes. Fat Bob notices Wayne.

FAT BOB  
Hi Wayne.

Fat Bob leaves.

Boys bathroom door opens. Bruce exits-- Surprised, he freezes in front of Wayne.

BRUCE  
I'm a victim!

CUT BACK TO:

INT. LONG HALLWAY - SCHOOL - DAY

Leo, Wayne and Bruce keep on going. Leo stare at Bruce with disdain.

LEO  
My goal doesn't falter. I'll do everything to go out with her.

WAYNE  
You don't have enough muscles.

LEO  
I will workout.

WAYNE  
You aren't popular.

LEO  
I'll enroll in a sport.

WAYNE  
Your dick is surely not big enough.

LEO  
I got an e-mail to enlarge my penis.

WAYNE  
Don't hope to date Vivian.

BRUCE  
Leo, try with Amanda, you know, the blind one.

LEO  
Amanda is nice, but people will think I want to date her because she can't see me and know what I look like.

WAYNE

Up! You might seem like a  
desperate loser.

LEO

I'm desperate. To go out with  
Vivian, I would sell my soul to the  
devil.

INT. CLASS ROOM - DAY

No teacher, class hasn't started.

Leo draws cleavage in his math book.

Vivian and Kika at their desk, sitting side by side.

KIKA

It's happening tonight at Arnold's.

VIVIAN

Finally a party with real men. And  
Arnold, simply hearing his name  
gets me wet like a mermaid.

Leo at the desk behind them. Listens to Vivian and Kika  
conversation.

Vivian and Kika giggles.

Leo turns to Bruce and Wayne behind him. Both read a wedding  
dress magazines.

LEO

Wayne, Bruce. There's a party at  
Arnold's tonight.

WAYNE

Forget that. There are only two  
ways to get in that kind of party.

LEO

Tell me quick so I can get ready.

WAYNE

You have be invited or have a  
vagina.

BRUCE

You have neither of the two Leo.

LEO  
You're boring! If we don't try.  
For sure we will never get in that  
kind of party.

WAYNE  
Stop that! You wanna go there  
because you don't want me to wipe  
your ass at Street Fighter.

LEO  
Bruce, fuck off!

INT. LEO'S BEDROOM - DAY

Walls covered by posters of metal bands.

On a computer desk: Hash pipe, cd cases.

Hamper over flowed with dirty clothes.

Leo comes in. --Throws his school bag in a corner. --Goes  
to his desk. --Grabs his pipe. --Leo takes a drag. --Holds  
the smoke in his lungs.

Leo kneels beside his bed. Lays his elbows on the bed.  
Crosses his fingers. Exhales the smoke and coughs. Spits  
toward the trash pail beside his bed.

The spit lands beside the trash pail full of tissues.

LEO  
Why not. Nothing to lose.

Leo shuts his eyes. Prays.

LEO (CONT'D)  
God, I'm so pathetic. How come I'm  
still a virgin. Yes I know, there  
are people worse than me. Lil  
Africans dying of hunger. Lil  
Canadians dying of cold and Indians  
who stink. But they certainly have  
fucked at least once. Anyway,  
that's not the reason of my  
prayer... It is, but no-- I just  
want to ask for Vivian to love me.  
That she becomes my girlfriend. I  
mean, she's so fucking fine, I  
don't wanna sleep with her-- Yes,  
no doubt about it, I want to sleep  
with her. I dream of the day I  
finally use my dick.

(MORE)

LEO (CONT'D)

However, I'd make do with a sexless relationship for about a month. After I'd make love to her, if she wants. So I am asking you from my deep within. Because I love you God-- not like a gay. I'm not gay, not for one second, no! So please, I beg you God. Help me. Help me oh God almighty.

Leo raises his arms in the air. Opens his eyes. Waits a bit. Nothing happens.

Leo drops his arms on the bed, gives up. Puts his forehead on the bed. His eyes stare at the floor.

At his knees, a very bright white dot appears. Leo's finger touches it carefully. The floor whitens inch by inch.

Bed, desk, computer, clothes and the walls whiten. An blinding white like the midday sun.

WHITE NOTHINGNESS

Panicked, Leo gets up. Turns on himself to see what's around him. No walls, no sky, no ground and Leo has no shadow.

Pure white.

LEO

What the fucking freaking fuck!

Two gigantic bare feet behind Leo. This being must measure a hundred fifty feet high. White glow shines from this being. It's GOD.

--WE ONLY SEE HIS FEET--

Imposing voice, deep, move your soul.

GOD'S VOICE

Leo.

Scared Leo turns, see gigantic bare feet.

Leo backs up, tries to see his interlocutor. The white glow dazzles him, protects his eyes.

LEO

Who are you?!

Huge hand descends over Leo. Between index and thumb, sunglasses.

GOD'S VOICE

Put these on.

Leo's shaky hands take the sunglasses. Puts the glasses on.  
Looks up at God. Recognizes him.

LEO

No way! Wayne put LSD in my diet  
sprite or what!?

GOD'S VOICE

Not that I know of.

LEO

You're like, God?

GOD'S VOICE

Insightful Leo.

LEO

Yippee! You're gonna answer my  
prayer?

GOD'S VOICE

Absolutely not!

LEO

Shit! Why are you here then?

GOD'S VOICE

I'm not here. It is you that is  
with me and you are here for a good  
reason.

LEO

You're gonna answer my prayer.

GOD'S VOICE

Fuck! You ain't the sharpest toll  
in the shed.

Leo lowers his head in shame.

GOD'S VOICE (CONT'D)

At school I heard you tell Wayne  
and Bruce something bad.

LEO

Don't think so.

GOD'S VOICE

You want to sell your soul.

LEO

That!-- You know how we are, us  
teens. Always joking around.

GOD'S VOICE

Seemed sincere.

LEO

Of course not! You know me.

GOD'S VOICE

If you dare sell your soul to that  
bloody Satan. I won't be able to  
help you. Of course you will get  
what you want in this life. At the  
end of the pact. You are going  
straight to hell. Ploooooouh BOOM!  
You see what I mean Leo.

LEO

What's in hell?

GOD'S VOICE

That's a mystery, even for me.  
Fucking devil is powerful. Less  
than me, still a kind of God.

LEO

Yeah, well I promise. My soul is  
not for sale. Devil can find  
himself another loser.

GOD'S VOICE

Good boy Leo.

God's feet disappear in a million sparks. Like mini  
fireworks.

Leo looks at the show-- Leo free falls in the white  
nothingness. AAAAAH!

INT. LEO'S BEDROOM - DAY

Eyes closed, Leo lies on the floor. A hand in his pants.

Leo wakes up with a start. Confused, looks around. Lets  
fall his head down.

Leo rubs his face with the other hand. Gazes at ceiling.

Leo removes his hand from pants.

LEO  
No more jerking-off.

Leo gets up. Smells his hand-- Freezes. Lifts his head to see something unusual on his bed.

Floating four inches over the bed. A black cloud that look like cigarette smoke swirling and crisscrossing slowly. It stays fused, the size of a soccer ball.

Leo unsure, takes a step back.

The smoke stands still.

Leo smells his fingers again.

POUF! The smoke burst, disappears. Replaced by a red SATAN, twelve inches high. Head bigger than his body, like a caricature. Tail has an arrow head at the end. He is buck naked.

Leo flabbergasted. Takes his hash pipe out of his pant pocket. Throws it.

Hash pipe lands next to the trash pail.

Satan points trident at Leo.

SATAN  
You summoned me Leo?

LEO  
No!

SATAN  
Yes, you did it.

Leo backs-up toward his bedroom door. Grabs the door knob. Pulls, turns, forces. Doesn't open.

SATAN (CONT'D)  
I'm not planning on poking you.

LEO  
You aren't the devil.

SATAN  
Yes, I am.

LEO  
(trembling voice)  
The real devil shouldn't look like--  
Hum! More terrifying than cute?

Satan grows rapidly.

Spikes come out of his back.

Satan muscles define themselves, sorta like Mr.Cleans.

Satan's face becomes terrifying.

Satan's skin turns into a dark shell.

Satan's hands grow and look like a dragon's hands.

Spikes on Satan's back go through the ceiling.

Bed collapses under Satan's heaviness.

Floor shakes. Leo crouches down, hides his face.

Pieces of the ceiling fall.

Walls crumble.

The whole room becomes dark. We're far from heaven.

Satan now gigantic. His face approaches Leo whom is crushed with fear.

Black smoke comes out of Satan's yellow eyes who shed light on Leo.

Satan's VOICE deep and horrifying.

SATAN

Am I still cute Leo?

LEO

(terrorized)

No! But I liked your cuteness.

SATAN

Are you sure lil' boy?

LEO

I could shit my pants right now.

Satan Goes back to being small and cute. Furniture and room return to normal as before.

SATAN

By the way, call me Satan.

LEO  
 (shaken)  
 Am I hallucinating cause I have  
 brain cancer?

SATAN  
 Not that I know of. Sit down leo,  
 we need to talk.

Leo seated on his desk chair. Satan stands on the bed.

SATAN (CONT'D)  
 I'm before you to purchase your  
 soul.

LEO  
 Not for sale.

SATAN  
 In exchange, I help you. Concrete  
 and immediate help. Not like a  
 master and his apprentice.

LEO  
 You mean, not like a Padawan?

SATAN  
 A panda in Taiwan.

LEO  
 No! A Padawan.

SATAN  
 There are no pandas in Taiwan!

LEO  
 (Irritated)  
 Not a panda. A Padawan!

SATAN  
 (loses patience)  
 In Taiwan there's no panda.

INT. KITCHEN - LEO'S HOUSE - DAY

LEO'S MOTHER, 40's, wearing a dress with flowers that bloom  
 non-stop under a dirty apron. She shops a chocolate bar with  
 an oversized Rambo like knife.

Leo's scream in the distance.

LEO (O.S.)  
 Padawan!

Leo's mother looks up at the ceiling.

LEO'S MOTHER  
Our Leo takes drugs.

LEO'S FATHER, 40's, skinny, jobless, wearing a dirty tank top. Seated at the table, four empty beer bottles on it.

LEO'S FATHER  
You know fuck all! He just has  
mental problems in the head.

Leo's father open's a fifth beer with his teeth.

LEO (O.S.)  
A PA-DA-WAN!

LEO'S MOTHER  
Mental problems caused by drugs for  
sure.

Leo's father eats the beer cap.

LEO'S FATHER  
Let him live in his own world!

INT. LEO'S BEDROOM - DAY

Leo and Satan in a heated discussion.

LEO  
I think that you--

SATAN  
For Christ sake! Do you have a  
dental apparatus?

LEO  
What's it to you?

SATAN  
There you go! That's why I  
understand fuck all! Take that out  
of your mouth now.

Leo inserts his fingers in his mouth. Takes out the dental apparatus. A strand of saliva links his mouth to the dental apparatus.

SATAN (CONT'D)  
Speak.

LEO  
 (unintelligible)  
 Pan-nan-wannd--

SATAN  
 Damn! Put it back in your mouth  
 asap.

Leo inserts the dental apparatus back in his mouth.

SATAN (CONT'D)  
 Let's forget the panda thing.

LEO  
 Good idea.

SATAN  
 You won't be the first, nor the  
 last to benefit from my powers.  
 So, would you like to know who  
 benefited from my help?

LEO  
 (sarcastic)  
 Can't wait to know their names.

SATAN  
 Macaulay Culkin, Donald Trump, Adam  
 Sandler--

LEO  
 Don't know, don't know and don't  
 care.

SATAN  
 (frustrated)  
 Damn! The only thing you need to  
 know is that, they got what they  
 wanted. Like you, if you want.

Satan looks to his left. Pile of cash and six gold bars  
 appear on the bed.

LEO  
 Sweet!

Satan turns his eyes to the wall next to the bed.

The wall explodes. Black nothingness is there, a Lamborghini  
 manifests itself.

Leo slumps in his chair.

The Lamborghini revs the engine. VROOOM! VROOOOOOM!

Satan looks at his chest. Two marvelous boobs appear.

LEO (CONT'D)

That, doesn't impress me.

Satan smiles. His breast get bigger. Bigger. Become so big, they get as big as himself.

Satan's breast touches the quilt. Oversized and caricatural.

In awe, Leo stares the magnificent round and red breast of Satan.

SATAN

Wanna touch them?

LEO

Iiisssh! Tempting.

Satan grows and turns into Vivian unclothed.

Leo can't believe it. Speechless, admires Vivian.

A lump builds up in Leo pants. Hidden hard on.

Leo moves closer to Vivian. Attracted like a magnet.

Leo's lips approach Vivian's lips-- Leo stops.

Leo backs up.

LEO (CONT'D)

I see through your little game.

VIVIAN

My game, what game?

LEO

I'm convinced that to kiss you is the same as signing a pact.

Vivian disappears in a cloud of smoke. Satan, twelve inches tall, appears on the bed.

SATAN

For sure, kissing could be equivalent to a signature. You know me, I would never stoop as low as transforming myself into a girl you have a crush on to get your soul. Cause in my book, a pact becomes official either with a real signature or a handshake.

LEO  
For sure, that's it.

SATAN  
I'm not as deceiving as God.

LEO  
Anyhow, I'm not gonna sell my soul  
to you.

SATAN  
We'll see.

Satan vanish in a cloud of black smoke.

Cash and gold bars disappears in black smoke.

The Lamborghini backs-up, disappears in the dark. Bricks  
reassemble the wall back together.

Leo wipes his forehead.

LEO  
Gone at last!

Leo smells his wet armpits.

INT. BATHROOM - LEO'S HOUSE - EVENING

Shower curtain shut. We HEAR the shower. Leo comes.

LEO  
Oooh! Yesss!

INT. LEO'S BEDROOM - EVENING

Leo enters, a towel wrapped around his waist, hair wet-- Leo  
startled, falls backwards.

Leo gets up without the towel. Hides his crotch with his  
hands.

LEO  
Shit! You still here?

Satan standing on the bed, a blue lightsaber in hand. He  
handles it skillfully like a Jedi.

Satan strikes the air. He spins toward the pillow, a Care  
Bear is on it. Satan throws the Care Bear in the air.

Satan jumps up. Cuts the Care Bear head off with the lightsaber.

LEO (CONT'D)  
NOOOO! Not Steven!

Satan lands on the bed.

In two pieces, the Care Bear falls at Leo feet.

SATAN  
Anything else I can slice?

Leo hugs the two pieces of the Care Bear tightly.

LEO  
Heartless man! Grandma gave me that on her deathbed. What am I gonna do without Steven?

Satan repulsed by Leo clasping the teddy like a child.

SATAN  
You cuddle your teddy often?

LEO  
Fuck off! What do you want?

SATAN  
I surfed the net using your super fast 56k modem. And no, there are no pandas in Taiwan.

Leo rewraps the towel around his waist.

LEO  
Shit, I fucking know that!

SATAN  
But I found something about Padawans. You know, the Jedis apprentice.

LEO  
Jesus Christ! I told you--

VOICE of Leo's mother from outside Leo's bedroom.

LEO'S MOTHER (O.S.)  
Leo, who are you talking to?

LEO  
Hum-- Nobody.

SATAN  
Tell her you're talking to the  
devil.

LEO'S MOTHER (O.S.)  
I heard you screaming.

LEO  
A crow got into my room.

SATAN  
(unimpressed)  
A crow?

LEO'S MOTHER (O.S.)  
A crow? Leo, weren't you playing  
with yourself again?

SATAN  
Again?

LEO  
Uhhh! No mom.

LEO'S MOTHER (O.S.)  
Alright sweet heart.

LEO  
Seriously Satan. What are you  
here?

Satan disappears.

Satan appears on Leo's shoulder.

SATAN  
You seem like a good boy. Even  
though you use drugs once in a  
while to have fun.

LEO  
No. I take drugs to escape  
reality.

SATAN  
Really?!

LEO  
You crazy! It's only religious  
extremists and non-stoners who say  
absurd shit like that.

SATAN  
Fucking A!

Satan Disappears.

Satan reappears on the bed.

SATAN (CONT'D)

Leo. You have the whole weekend to consider what I'm offering you. Monday, you will let me know if you want my help or not.

Satan vanish. Black smoke rises and evaporates.

INT. WAYNE'S BEDROOM - EVENING

Wayne sitting on his bed. Super Nintendo controller in hands. Concentrated on the TV screen.

Leo sitting on the bed beside Wayne. Super Nintendo controller in his hands. He plays hard.

TV SCREEN: THE GAME STREET FIGHTER 2.

Bruce on an uncomfortable chair. Between his thighs, a two liters of Pepsi bottle with the bottom cut out. A bread bag taped to the bottom and inside the bottle. Druggies call this device: "lung".

A lighter held by Bruce approaching the neck of the bottle where there is a pipe bucket. Marijuana in it.

Bruce other hand pulls the bag out of the bottle.

The fire from the lighter burns the weed.

Bottle and bag fill with smoke.

Bruce's fingers twist the cap off.

Bruce inhales the smoke through the bottle opening. Holds the breath. He's turning red. Spits out the smoke. Cough's hard.

LEO

Don't know how to smoke Bruce?

BRUCE

Wrong! The more I cough, higher I get.

Bruce gives Leo the lung.

QUICK SHOT: --A lighter ignites. --Leo's hand pulls on the bag. --Leo inhales the smoke. --Leo spits the smoke.

Leo's eyes are red. High like a hippie.

LEO

Boys, I have to tell you--

BRUCE

You're gay.

Wayne and Bruce laugh.

LEO

Very funny goofs. No seriously. A little while ago, the devil came to me. He asked if I wanted to sign a pact with him. You know, sell my soul to get what I want.

Bruce and Wayne stunned.

LEO (CONT'D)

And that happened after God had left.

Bruce and Wayne crack up.

BRUCE

Leo, I want the drug you took.

LEO

Forget what I just said.

A CAT comes through the unclosed door.

Cat jumps on Leo's thighs. A friendly animal.

LEO (CONT'D)

Hey you! Wayne, since when do you own a cat?

WAYNE

Two days.

Leo caresses the cat. Cat lifts its behind, tail straight up.

LEO

Oh yeah! You're liking this lil trollop.

Cat purrrrs.

LEO (CONT'D)  
 You like when uncle Leo caresses  
 your ass, bitch.

WAYNE  
 My cat is not a bitch.

LEO  
 (to the cat)  
 Yes you are a lil bitch.

WAYNE  
 Is a male.

Leo lets fall his arms. Leo stares at the cat silently. Leo  
 take the cat, drops it over the floor.

The cat jump again on the Leo's thighs.

LEO  
 I know it! This cat is so fucking  
 gay!

Wayne and Bruce rolls ours eyes.

Leo strokes the cat.

LEO (CONT'D)  
 So boys, we should try and get in  
 Arnold's super party?

BRUCE  
 Let it go, we're not welcome there.

LEO  
 Damn it! It's not staying here  
 that we're gonna hook-up with  
 girls. Christ!

WAYNE  
 Instead Leo, wanna go to the 7  
 eleven?

LEO  
 No.

BRUCE  
 I want chips and a Dr.Pepper.

WAYNE  
 Let's bet Leo. If I whip your ass  
 in the next fight. You go to the  
 store to pick up chips and my

VIVIAN

(aloof)

That might be a good idea. But I'm  
missing something I need.

LEO

I'm sure I can help you.

VIVIAN

Ouf! Doubt it. I want ecstasy.

LEO

No problem.

VIVIAN

I don't think the dealer will sell  
some to an unpopular kid--

Leo presses his index to Vivian lips in order to keep her

LEO  
Leo. You know, Wayne's friend.

DRUG DEALER  
Who?

LEO  
Bruce's friend.

DRUG DEALER  
Fucking who?!

LEO  
I'm Vivian future boyfriend.

Drug dealer bursts out LAUGHING. Spits out a berry.

DRUG DEALER  
Vivian's future boyfriend. Shit!  
What do you want man?

LEO  
Rumor has it you have magic pills.

DRUG DEALER  
Seems it's the best "E" in town to.

LEO

LEO

DRUG DEALER

See the fat guy by the pool? Go beat him up.

LEO

What did he do to you?

DRUG DEALER

Leo dazed.

INGROUND POOL

Fat ass on the ground, holds his belly. A few feet away, a OBESE dances poorly in front of the girls in the pool.

Fat on obese's arms, wobbles to the beat of the music.

A little further from the obese, a GUY WITH A HAT pees in the pool.

Leo comes up behind the obese. Leo kicks the back of the knee. The obese collapse heavily.

DRUG DEALER

No! You'll do it for her if you truly love her. Go through the two fatsoes pockets. They surely have money for you.

INGROUND POOL

Leo takes the hurting obese's wallet. He takes a twenty.

Leo takes fat ass's wallet. Fat ass's hand grabs Leo's wrist.

FAT ASS

Give it back!

Leo tries to get away from fatso's grip.

LEO

Fuck! Let go of me ass hole!

Leo punches fat ass in the face. He release Leo right away.

OBESE

Fuck! I'll tell my bro!

LEO

Don't give a shit!

 tongue.

## INT. KITCHEN - ARNOLD'S HOUSE - NIGHT

Vivian, Blondi and two JOCKS talk. Each have a beer in hand.  
 They are enjoying themselves.

Leo chesty, he cuts the conversation. Leo moves the jocks  
 aside.

LEO  
 Vivian, I have it!

VIVIAN  
 Fuck! What do you fucking want  
 now?

LEO  
 I just popped an "E" and I have one  
 with your name on it.

VIVIAN  
 Impossible! Show me.

Leo extends his fist towards Vivian. He opens his hand,  
 there is a pill in it.

VIVIAN (CONT'D)  
 You got lucky.

Vivian grabs the pill. Puts it on her tongue. Licks her  
 finger like a porn star.

LEO  
 Green Mohawk guy drives a hard  
 bargain, not like my grand-mom.

Vivian glimpses at Blondi. She rolls her eyes.

LEO (CONT'D)  
 He made me do things I though't I  
 could never do.

Leo takes a beer from the case-- Blondi slaps Leo hand, Leo  
 removes his hand right away as if nothing happened.

LEO (CONT'D)  
 And now I'm wondering if--

VIVIAN

Boring leo. So now i'm gonna go to  
the restroom. Alone. You know.  
Like, without you.

Vivian hauls ass.

Leo scrutinise Blondi and the two jocks.

LEO

Real quick. Do you think I have a  
chance with Vivian.

Without answering, Blondi and the two jocks leaves Leo alone.  
They exit the kitchen.

--Leo's eyes wander. --He waves "hi" to somebody O.S. --Leo  
opens the fridge door.

Leo opens a cupboard. It's full of glasses. There is a  
condom covering one of them.

Leo, like a good boy, looks at the shelf above. Full of  
coffee cups.

Written in fluorescent letters on a cup: "JESUS IS GOOD AND  
JUST". Leo's hand takes the cup.

Leo in front of the sink. He strokes the faucet up and down,  
he masturbate it.

Water comes out of the faucet. The cup fills with water.

Leo licks the side of the cup. Drinks from it and gawks  
through the window over the sink-- Leo spits his gulp in the  
window.

Leo comes in closer to the window to get a better look  
outside.

EXT. BACKYARD - ARNOLD'S HOUSE - NIGHT

Leo observe through the window what's happen outside.

runs behind two sweet and PLEASED GIRLS.

INT. LIVING ROOM - ARNOLD'S HOUSE - NIGHT

Lying under the cow, fat Bob having a good time with it's teats. He milks her, his face gets sprayed by milk. Looks like a porno.

A FRIENDLY GIRL walks up to Leo. She has a beer in each hand, labels removed.

FRIENDLY GIRL  
Are you thirsty?

LEO  
No, but i'm looking--

Friendly girl shove a beer at two inches of Leo's face. He takes it. Looks it over.

LEO (CONT'D)  
There's no label?!

FRIENDLY GIRL  
Clothes do not make the man. That doesn't apply now. No clothes.

Leo arches an eyebrow.

FRIENDLY GIRL (CONT'D)  
Hey! Let loose a bit!

Friendly girl disappears in the crowd.

LEO  
Hey! Yep.  
(loud voice)  
Thanks for the nude beer.

INT. STAIRWAY - ARNOLD'S HOUSE - NIGHT

Leo does up the stairs dodging through the partying teens. A HYPED UP GUY stops Leo.

HYPED UP GUY  
Shit Leo, man! Fucking cool party man!

LEO  
Do we know each other? Eeeeh man.

HYPED UP GUY  
Yeah!

Leo and hyped up guy silent. An unease settles between them.

Hyped up guy offers Leo an unopened beer. No label on the bottle.

Leo takes the beer. Looks it over carefully.

LEO  
Come on! Where do you guys buy  
beer? Nude bottles, what the  
fuck?!

Hyped up guy yanks the bottle out of Leo's hand. Examines the bottle from very close. He means business.

HYPED UP GUY  
Complete mystery man.

Hyped up guy gives bottle back to Leo.

LEO  
Do you know Vivian?

HYPED UP GUY  
Yeah man.

LEO  
Oook! Know where she's at?

HYPED UP GUY  
Don't know. But, she is soo  
fabulous with her hair.

LEO  
Thanks anyway.

HYPED UP GUY  
By the way Leo. Do not hope to  
date her.

LEO  
What are you talking about?

HYPED UP GUY  
It's soo obvious. You're looking  
for her, she don't.

Leo goes up. Hypes up guy throws himself down the stairs.

INT. HALLWAY ON THE SECOND FLOOR - ARNOLD'S HOUSE - NIGHT

Leo in front of a shut door. Looks at the two beers in his hands. Wonders what to do with them.

Leo knocks on the door with his foot. The door undulates like a wave.

LEO  
Is Vivian there?

INT. BATHROOM - ARNOLD'S HOUSE - NIGHT

Door slowly opens. Leo peeks inside.

Nobody there.

Leo goes in, shuts the door behind him.

LEO  
Naughty girl.

Leo on the bowl. He's taking a shit. The two beers at his feet.

Leo crocks open a beer. Eats the cap. Takes a sip-- Throws up right away.

A puddle of yellow vomit in front of Leo.

LEO (CONT'D)  
Fucking shit! This shit tastes like fucking shit!

Leo puts the bottle on the rim of the tub.

Leo opens the second beer bottle. Eats the cap. Takes a sip-- Instantly, he throws up.

Vomit puddle has doubled in size. Still just as yellow.

Leo puts the second bottle on the tub rim.

LEO (CONT'D)  
This is a poor man's beer.

SATAN (O.S.)  
Definitely!

Leo startle. Tries to find where the voice comes from.

Satan's face appears in the tub, between the two beer bottles.

Satan sits down on the tub rim. Grabs a beer, takes a gulp... very big gulp... drinks it all.

SATAN (CONT'D)

Ark! That is beyond disgusting!

LEO

I wasn't hallucinating! You really do exist!

SATAN

Are you gonna drink the other one?

LEO

Or the ecstasy just kicked in.

Satan drinks the whole second beer.

LEO (CONT'D)

Christ! If I ain't hallucinating and you truly do exist. Why, the fuck are you still harassing me?

Satan finishes the second beer.

SATAN

Give me time to convince you to sell me your soul.

LEO

Don't waste your time and go to hell!--

Satan burps.

SATAN

Wooh! The tiny bubbles in my stomach are protesting. Keep going Leo, I'm eager to know more.

LEO

Get away from--

Satan burps again.

SATAN

Unbelievable. This beer is really awful. Keep going, I won't interrupt anymore.

LEO

Disappear from my life.

SATAN

Come on Leo, you--

Satan burps, a long endless burp. Satan chokes.

A chipmunk's head comes out of Satan's mouth, followed by its body.

The adorable chipmunk licks himself clean.

SATAN (CONT'D)

Far from plain this home made beer.

Chipmunk turns toward Satan. Hisses like a cat and runs away through the semi-open window.

Satan Kicks both beer bottles into the tub. Raises his arms like a football ref would when there's a touchdown.

A fire swirl emanates from the tub. Satan chuckles diabolically.

SATAN (CONT'D)

Just looove doing that.

Leo tries to get as far away from the fire as he can, without leaving the toilet bowl.

Satan drops his arms. Fire vanishes.

LEO

You are pure evil. The devil,  
Satan or Belzebuth. I want nothing  
to do with you.

SATAN

Don't be soo harsh with me.

LEO

Of course! You however, have the  
right to be hateful to the world.

SATAN

It's obvious, you need to know more  
about my desolate situation.

LEO

Don't care.

SATAN

Your soul would be soo beneficial  
to me. It would give me a bit more  
power on earth.

LEO

Another great reason to refuse.  
God should be powerful, not you.

SATAN

You're been brainwashed your whole life. But, I can cure you by elaborating on the truth about me and him.

LEO

Good chance, that will take a while?

SATAN

If you keep on interrupting me, it will.

LEO

Ok! go on, but when my last turd falls, you're done.

SATAN

Seems fair. You already know, I'm not a God, I'm more of a grand magician. Kinda like, Gandalf, Merlin, Yoda, Santa Claus.

LEO

Boring.

SATAN

You're almighty God and me have a few similar abilities. One of which is very interesting. God is unable to hear my conversations. Dido for me and his conversations.

LEO

Not impressive.

SATAN

However, I do not have the power of creation.

LEO

That's almost pitiful.

SATAN

It is for me... Leo, would you like to know the biggest lie of that ever existed?

Leo sighs, exasperated, sick of listening to him.

SATAN (CONT'D)

Picture a gardener setting up his garden.

(MORE)

SATAN (CONT'D)

Plants seeds, Pulls out the weeds.  
Waters the sprouts. Once he does  
all that, he'll want to harvest big  
delicious vegetables. He'll want  
his garden to be plentiful. If he  
could see into the future. He  
would certainly water the  
vegetables at the perfect time.  
Give the exact amount of water  
needed. He would also know how to  
get rid of vermin before they even  
manifest themselves. All of this  
work would amount to a healthy  
garden.

LEO

Are you going to get to the fucking  
point and tell me the biggest damn  
lie of all time?

SATAN

Now, picture this same gardener.  
He has the power to create a world.  
Has the ability to know the fate of  
all it's inhabitants. Would the  
gardener abandon them to their  
plight?

LEO

Don't know.

SATAN

This gardener would be aware who  
with become killers, rapists. He'd  
know who will dig of famine. Who  
will invent the next utlra  
efficient bomb. He would know  
which country is going to use these  
bomb against the innocent. He is  
all knowing. Would you consider  
the gardener as a good creator if  
he allowed all those awful things  
to happen?

LEO

Wars, murders and every awful  
things you mentioned. You create  
them.

SATAN

You forget, Leo. I do not have the  
power to create, nor do I possess  
the ability to annihilate.

Leo speechless.

SATAN (CONT'D)

In order for me to be able to compete with that liar. He who claims to be your savior. I need more mightiness. I must convey more souls in hell.

LEO

I'm almost done.

SATAN

God is soo almighty, only cause he has too many souls in his firmament. And regardless of all his power, he sits back and watches you destroy each other. Leo, the biggest lie ever is that God is not the good guy.

Leo fed up.

SATAN (CONT'D)

I get your reluctance. But have faith--

LEO

Shhh, quiet! Listen.

Leo's face red, he's pushing. PLOUTCHE!

LEO (CONT'D)

Time's up.

Satan disappointed. He disappears, black smoke goes up and evaporates.

Leo notice the vomit puddle at his feet. Disgusted.

Leo looks around, trying to find something. He smiles.

INT. BATHROOM - ARNOLD'S HOUSE - NIGHT

Leo is gone. HEAR door shutting. Vomit puddle has disappeared. Big dirty towel in the toilet bowl.

INT. SECOND FLOOR - ARNOLD'S HOUSE - NIGHT

A chilling Leo walk through the cheerful teenagers. He smiles back from ear to ear.

Leo caresses the walls. So smooth.

Leo engages NATASHA. Her eyes bloodshot, high as a kite.

LEO

Hey! Have you seen Vivian?

NATASHA

Nope. But look in the bedrooms.  
You'll probably find her there.  
You know how sluts are.

Leo in front of a shut door. He touches the door knob like it's a boob.

INT. MASTER BEDROOM - ARNOLD'S HOUSE - NIGHT

Quite tidy, well decorated. Door opens, Leo peeks his head in. Turns light on.

LEO

Hellooo! Vivian! Where are you?

Vivian's not there.

INT. CHILD'S BEDROOM - ARNOLD'S HOUSE - NIGHT

Light is off. Clothes lying around. Six TEENS in front of a TV. One of them plays Super Nintendo. Door opens, Leo pokes his head in. Turns on light.

The teens cover their eyes. That hurts. One of them turns towards Leo, he has cat's eyes. He makes a snake sound.  
SSSSSS!

Leo frightened, shuts the door.

INT. LIVING ROOM - ARNOLD'S HOUSE - NIGHT

Cow very still, surrounded by a small crowd.

Vivian under the cow, each hand has a teat in it. She squirts milk on her face. Like a pornstar would.

Front door opens. Kika, Blondi come in with Amanda. Amanda timid, doubts being welcome.

Vivian stands up, face covered in milk. She wipes it off with her fingers. Shoves her fingers in the nearest guys mouth. She sees Amanda, smiles.

Vivian joins Kika, Blondi and Amanda.

VIVIAN

Dearest Amanda. Your presence fills me with joy.

AMANDA

Am I welcome here?

Kika, Blondi and Vivian LAUGH.

VIVIAN

Of course not! You are welcome here more than anybody. Would you like something to help you forget how meaningless your life is?

INT. STAIRWAY - ARNOLD'S HOUSE - NIGHT

--Leo slides his hand on the handrail.

--Leo's cheek softly touches the handrail.

--Leo humps the handrail. A COOL GUY passes behind Leo.

COOL GUY

Fucking good trip happening here?!

Leo keeps on grinding. Beside Leo, a BLACK TEEN do the same. They grind in sync.

INT. LIVING ROOM - ARNOLD'S HOUSE - NIGHT

A shelf on the wall where there is a framed picture of Ben Johnson in the hundred meter final of the 1988 Olympics. Beside, a GOTH TEEN and a NERD make out eyes shut. PFFFFTPT! Nerd opens his eyes, heard the fart.

Nerd moves away from the goth.

NERD

Did you fart?

GOTH

No.

NERD

I'm pretty sure I heard a fart.

GOTH

I know my anus's muscle and nothing  
has come out of it since noon  
today.

Nerd satisfier. Kisses the goth teen. A tiny cloud of light  
green fumes goes into the nerd's nostrils.

Nerd pulls away from the goth.

NERD

Go get your anus fixed.

Nerd walks away. Leave the goth alone. Sad, she cries.  
Mascara runs down her face cheeks.

Leo walks by teen goth. He's looking for someone.

EXT. BACKYARD - ARNOLD'S HOUSE - NIGHT

Leo's eyes searching, he fondles his cheeks. Amanda walks by  
Leo. He doesn't notice her.

Amanda stops, smells the air.

AMANDA

That you Leo?

Leo notices Amanda.

LEO

Amanda! How did you know it's me?

AMANDA

Smelt you.

LEO

I stinks?

AMANDA

Ha ha! No. You just smell  
different from other people.

LEO

Oh! Cool! What are you doing  
here?

AMANDA

I was out for a walk. I live a few  
blocks away.

(MORE)

AMANDA (CONT'D)

Ran into Kika, one of Vivian's friends. And she invited to the party.

LEO

Sweet!

AMANDA

You, how did you manage to get in?

A STONE GIRL passes behind them. She is shirtless.

LEO

I met up with the right person at the right time.

AMANDA

Hope you're making the most of it, the party I mean. This is certainly a once in a lifetime fluke.

LEO

Trust me Amanda, I'm taking advantage of the party more than anyone else. I took a lot of--

Vivian interrupts Leo and Amanda.

VIVIAN

Hello Leo darling.

LEO

Hello.

Vivian's arm around Leo's shoulders.

VIVIAN

I need you. You have to do me an important favor.

Vivian creates a distance between Leo and Amanda by petting Leo's arm.

VIVIAN (CONT'D)

You have to find Arnold for me. Tell him to come see me. I want some blow.

LEO

Your wish is my command Vivian. But, what does he look like?

VIVIAN

Tall. Marvelous muscles. A face popular and to die for.

LEO

Yeah. Got it.

VIVIAN

Go Leo. During that time, I'll take care of Amanda.

Leo leaves.

Vivian turns to Amanda. Gives her middle finger to the Amanda's face.

INT. KITCHEN - ARNOLD'S HOUSE - NIGHT

SYLVESTER, muscular and mean. Arm wrestling with ARNOLD, handsome, ripped, tall like a wrestler. Over the top virile.

Leo enters the room smiling idiotically. Fondles his beer bottle. Takes a sip.

Leo sits on a barstool beside Arnold. Leo look silly.

Leo admires Arnold's contracted muscle. He caresses Arnold's biceps. Arnold focuses, ignores Leo.

Leo rests his cheek on Arnold's arm. Leo gives Arnold's biceps a peck. Leo places his cheek back on it.

LEO

Yours muscles really are marvelous.

Sylvester notices Leo.

SYLVESTER

Arnold! You're letting him do that shit to you?

ARNOLD

Come again Sylvester!

SYLVESTER

You're letting--

Arnold compels all his strength. Slams Sylvester's hand on the table.

Leo backs up a bit and admires Arnold.

LEO  
Wow! I felt your unbelievable  
muscles working.

Arnold hateful, look our dear Leo over.

ARNOLD  
Name?

LEO  
Leo.

Arnold stands. Stares at Leo a sec.

ARNOLD  
Thanks Leo for having distracted  
poor Sylvester.

Leo reaches for Arnold's biceps. He wants to touch it.

Sylvester pissed, gets up.

SYLVESTER  
Fuck you Arnold! My hand is  
probably broken!

ARNOLD  
Leo, follow me.

INT. BASEMENT - ARNOLD'S HOUSE - NIGHT

White wall, cement floor.

Arnold goes down the last step, followed by Leo.

A couch, chairs and a desk covered by sheets. A child's  
fort. Light from a flashlight inside, filtered by the  
sheets.

INT. CHILD'S FORT - NIGHT

A flashlight illuminates the whole thing.

Three muscly boys in tank tops sitting indian style.  
HERCULE, SAMSON and HULK all 18 years old, but they look 25  
though. They aren't the brightest bulbs.

Hercule has the flashlight. Holds it up to do a scary  
flashlight face.

HERCULE

--We had drank like fish Arnold and me.

The junction of two sheets opens. Arnold goes in, followed by Leo.

Samson, Hulk and Hercule move over to make room.

ARNOLD

Fucking Christ Hercule! What are you saying about me?

HERCULE

Shuu! So he was there in front of us. A real live living skeleton. It comes towards me and ever so softy asks me to scratch him between two of his ribs. Arnold beside us doesn't say a peep, completely terrorized by the bag of bones.

ARNOLD

Shut your fucking hole dickwad!

HERCULE

I can clearly see that the skeleton is unarmed, nothing for to kill us with. So I do what he asked.

The five guys sit in a circle. Leo tiny between Arnold and Hulk. Leo does not fit with them.

HERCULE (CONT'D)

I scratch in between the two ribs with my finger. It was tight. Was difficult getting in there. I had to push hard to be able to scratch him between his ribs. And then! I woke up. Laying in my bed. Awful headache. Arnold sleeping on his stomach, snoring. I try to scratch my balls, can't. My hand is stuck, more like my finger is trapped. I check to see what is confining it. Damn! My finger is in Arnold asshole.

SAMSON

GROSS! Shit man!

HULK

EOU! Way too disgusting!

ARNOLD

Ha ha! Very good one!-- Hey boys.  
I found some two legs  
entertainment.

Hulk approaches his index finger towards Leo.

A white powder is spread across Hulk's finger.

ARNOLD (CONT'D)

Do you know what to do with that?  
Leo.

LEO

Ha ha! Who do you I am? It's not  
cause I'm not pumped up on roïds,  
that I'm clueless. I know more do--

HULK

Fucking snort before I stick it up  
your ass.

Leo's nose snorts the line.

Muscle boys yelp with delight.

HULK (CONT'D)

We're gonna give you a nickname.

LEO

Alright.

ARNOLD

Bigfoot!

LEO

Bigboobs?!

ARNOLD

Fuck! If you were a girl or a fat  
like my brother. Your nickname  
would be Bigboobs, but since you  
aren't, it's gonna be Bigfoot.

LEO

Bigfoot like the Sasquatch?

HERCULE

Sasquatch?! What's that? We mean  
Bigfoot, like the Bigfoot who lives  
in forests.

LEO

Oook! You not talking about  
Bigfoot like the Monster trucks.

ARNOLD

What's that?!

LEO

Big trucks with big wheels.

ARNOLD

Why don't you just say, the trucks  
with big wheels?

LEO

I don't decide the name of things.

HERCULE

Never heard of trucks with big  
wheels called Bigfoot.

HULK

Yeah! You're pulling ours leg!

LEO

You know the super fast cars who  
race on the Formula one race track?

LEO

Simple. I AM HER BROTHER!!

Arnold, Hulk and Hercule CRY OUT with fear like girls.

HERCULE

Fucking imbecile! God!

HULK

Good God!! You really got us good.

ARNOLD

Stunning Leo.

LEO

Yep! When I came in your fort  
earlier. I thought it was gonna be  
a gay thing. You know, make me  
suck you off and shit. But after  
all boys, your little private party

Arnold snorts a line off of hulk's finger.

Satan analyzes Leo.

SATAN (CONT'D)

Beer isn't the only thing you had tonight?

SATAN (CONT'D)

What in the whole world Leo, do you want the most?

Stoned dude and drunk girl sit on the floor. Dude lights a joint.

SATAN (CONT'D)

By the way, wishing a million wishes, does not work.

LEO

If it makes you happy well. Eeeeh, real quick. I'd wish for Vivian to love me forever.

Stoned dude laughs like an idiot. Drunk girl kisses stoned dude. There is no romance at all.

SATAN

That's beyond obvious.

LEO

I want to be as rich as Elton John.

Stoned dude and drunk girl lie down. Intoxicated.

SATAN

Classic.

Drunk girl rides stoner. His eyes are shut.

Satan looks at drunk girl kissing stoner.

LEO

I want to live eternally.

SATAN

Like everyone. If you truly desire those things. Your wishes could come true.

LEO

And also, make out with Vivian.

SATAN

Uninteresting wish.

LEO

Anyway, I won't change my mind Satan. I'm not a--

SATAN

Shuuut! I'm going to offer you a little something that I hope, will change your mind.

Leo intrigued.

SATAN (CONT'D)

I'm going to clean you.

Leo's hand is in his pants, scratches his crotch.

LEO

I'm not dirty.

Leo smells his armpit.

SATAN

No, I'm going to cleanse your inside. Nothing left of beer or drugs. Your blood will be as red as I am.

LEO  
I've heard enough! I'm going to  
see my friends.

SATAN  
I told you before, you are the last  
thought on their minds.

you to think about my proposal and  
especially, what you really want.

LEO  
I don't want your--

Satan SNAPS his fingers. Satan disappears.

LEO (CONT'D)  
What?! Now?! I-- Woooooo!

Leo's eyes perk up.

Leo studies his hands as if they were new.

SATAN  
It is not amazing? Eh?

LEO  
My thoughts are crystal clear now.

ANGELIC VOICE (O.S.)  
Aaaaaaaaaaaaa!

A light shines on Leo like a sign from God. Leo blinded by the light, he covers his eyes.

Satan flies over Leo. He points a flashlight on Leo. Leo annoyed, takes the flashlight away from Satan and throws it behind him without looking.

Flashlight hits drunk girl's forehead. She drops heavily on stoned dude.

SATAN

You just killed the mood Leo!

LEO

I must talk to Vivian. Tell her that I love her. The worst that can happen, is that she reject me like a piece of shit.

Near the basement stairs. A PUNK moves his head to the beat of the music. Has a beer in hand.

Leo goes up the last step. Stops. Stretches his neck out in order to see what people are staring at. Pumped, Leo snatches the beer out of the punk's hand.

Leo curious, clears a path through the crowd to get to the action.

Leo able to get to the center. People LAUGH and HOLLER. But Leo is not amused.

Amanda in the middle, dressed in only her bra and panties. On all fours, trying to find her cane and her black glasses. Humiliated, she cries.

Some assholes throw Cheetos on Amanda.

Leo examines the people around the circle. His eyes rests on a person across the circle.

Vivian, Kika and Blondi each hold a piece of Amanda's clothing. Arnold, Hulk and Hercule are behind the three shanks. Who would want to be friends with cunts like them?

Leo shakes his head. Disappointed.

Vivian SCREAMS at Amanda.

Leo lowers his head towards Amanda.

Leo picks the cane up. We hear SCREAMS and LAUGHTER in the background. Only Vivian's VOICE still clear.

VIVIAN (V.O.)

Leo.

Leo stands back up. Enthralled by Vivian's VOICE.

Vivian is no longer laughing, looks at Leo. Only the Vivian's voice can be heard.

VIVIAN

Don't touch her. Come to me  
instead. I know what you desire.  
What you really want.

Vivian throws Amanda's blouse in the intoxicated crowd.

Vivian and Leo never stop staring at each other.

The beer in Leo's hand falls to the floor.

LIL BRETON passes in front of Leo. Trips over the beer bottle, falls on his back.

Outside the circle, two COOL GUYS notice Vivian.

COOL GUY #1

I would so love for her to unbutton  
her blouse.

Vivian unbuttons her blouse half way.

COOL GUY #1 (CONT'D)

No way! She did it!

COOL GUY #2

Try again dude!

Leo self assured, slowly walks toward Vivian.

COOL GUY #1

I'd love for her to sensually suck  
on her finger.

Vivian sensually sucks on her finger. Porno style. Leo facing Vivian.

COOL GUY #1 (CONT'D)

Oh my God! She's obeying me again!  
Haha! Alright! I'd love for her  
come suck my dick right now.

Leo moves closer to Vivian. Vivian's chest touches Leo.

The bulge in Leo's pants touches Vivian.

Vivian wraps her arms around Leo.

VIVIAN

I want you Leo, I always have.

Vivian french kisses Leo. He shuts his eyes. Savours the moment.

The two cool guys stunned to see Vivian kissing Leo.

COOL GUY #1

Pfff! Skank.

Leo kisses Vivian. Vivian's hair drops, stops defying gravity.

The cross at Vivian neck, turns white. A white so bright, it's blinding.

The walls whiten.

Every teen explode, leaving only red smoke.

Every object in the house explodes becoming red smoke.

WHITE VOID

Leo eyes still shut, notices nothing. Vivian backs up.

Leo's eye open.

Leo is in the middle of nothing. Spinning.

LEO

No! This can't be! YOU PROMISED!  
TOLD ME YOU WOULD NEVER STOP SO  
LOW! I believed you!

GOD'S VOICE

Leo.

Leo tries to see where the voice is coming from.

God's humongous feet next to Vivian.

Leo sees God's feet and Vivian the shank.

LEO

you?!

GOD'S VOICE

I warned you Leo, told you I'd be watching you. And I'm positive that you sold your soul to M.Lucifer.

LEO

No!

GOD'S VOICE

Yet, there's no more substance left in your body.

LEO

Satan cleansed my body. But I promise you. I did not sign a pact with him.

GOD'S VOICE

Too late! I will never allow that gad for sake Devil take over this world.

LEO

I don't get it. How exactly could Satan take the world away from you?

GOD'S VOICE

I had the bad idea to want some company. So I created a pal to travel with, a co-worker, a best friend forever. At the beginning, our collaboration was all good. But after a few thousand years. He thought he could tell me what to do. He felt that I was neglecting you, two-legged creatures.

LEO

Well, that is kinda true.

GOD'S VOICE

Would you like to finish this conversation by dying right away, Leo?

LEO

Nope! Sorry God.

GOD'S VOICE

Good, now shut the fuck up you annoying bastard.

Leo obeys.

GOD'S VOICE (CONT'D)

At one point, I offered to play a game with Satan. Whoever took possession of the most human souls. Would have complete control of the entire planet. That way, if I win, he'll have no say in how I treat humans.

LEO

What does Satan want to do with us?

GOD'S VOICE

He wants you all to be good looking, nice and peaceful. Hippies for Christ sake!

LEO

Wow! So it's true! He is the good one.

GOD'S VOICE

(mad)

NO! I created you. I'm your king, your God. I give life or death when I want. You all owe me everything and I owe you shit! I own you.

Leo dumbfounded by what he just heard.

GOD'S VOICE (CONT'D)

But let's get back to you Leo, you, whom has almost sympathized with the Devil. I consider that as being a major insult to me, God. In order for me to prove to you that I'm not that bad one. I'm offering that we make a pact.

LEO

Just wondering Vivian, did you sign a pact with him?

VIVIAN

Of course! Tell me what fucking idiot would turn down a pact with our one and only God?

GOD'S VOICE

Oh! And by the way Leo. If you had signed a pact with Satan, and if you had wished Vivian to be in love with you. Would have been impossible, because I already own her soul.

LEO

NOOOOOO!

Leo falls to his knees. Cries like a baby.

LEO (CONT'D)

I was really hoping Vivian would desire me.

Leo's nose is runny. His sobs intensifies. What a pitiful situation.

GOD'S VOICE

I have a proposition. A little bonus if you sign with me.

LEO

What kind of bonus?

GOD'S VOICE

You could go out with Vivian.

VIVIAN

What! I do not want to date that!

GOD'S VOICE

Shut up!

VIVIAN

(obedient)

As you wish God almighty!

DIEU

When your time has come Vivian. I promise that you will have prized position at my side.

VIVIAN

Thank you Lord.

Vivian disappears, leaving red smoke.

GOD'S VOICE  
Little leo.

Leo teary-eyed. Looks up at God.

Really!

AMANDA  
But for now. I just wanna know  
what friendship is. I want real  
friends.

Leo understands. Amanda now quiet.

EXT. AMANDA'S HOUSE - NIGHT

Amanda walks towards the entrance her house. She's had  
better days.

Leo on the sidewalk, watches her walk away.

Amanda enters her house, door closes.

INT. WAYNE'S BEDROOM - NIGHT

Leo walks in-- Freezes.

Bruce and Wayne only in briefs, laying on the bed. They cuddle and caress each other. That's serious.

Vaseline and tampons beside Wayne.

LEO

Ewww! Are you in underwear?

BRUCE

Sure does look like it.

WAYNE

Geez Leo! Who did you piss off?!

LEO

A ton of muscle and a double dildo-- but that's not important! Bruce, is that your hand caressing Wayne's thigh?

BRUCE

Yes.

LEO

Oook! And Wayne. Is your hand where I think it is?

WAYNE

Yes Leo. My hand is where you think it is. Comfortably resting on Bruce dick.

LEO

(bewildered)

Gross.

WAYNE

And just before you got here. Our hands were doing something else and we weren't as decently clothed. If you catch my drift.

LEO

Are you on drugs? You know, the kind of drug that makes you want to touch and be touched.

WAYNE

No.

LEO

Ok! Just wondering. But seriously, WHAT THE FUCK?!

WAYNE

We're in love. Me and Bruce is the true love.

BRUCE

It's just physique for me.

LEO

Uhh huh...

Wayne grabs the Vaseline. Dives fingers in.

WAYNE

Interested?

Leo looks at his wrist as if there was a watch there.

LEO

Woe! It's getting late.

Leo leaves the room.

Wayne shows his Vaseline-covered fingers to Bruce. Bruce smiles while holding up the tampon box. They both giggle.

INT. LEO'S BEDROOM - NIGHT

Discouraged, Leo falls backwards on his bed. Covers his face with his hands. Shakes his head.

Leo lifts his head, looks his room over, his desk, the walls.

Evil drawings on the posters: Heavy metal bands.

--Leo gets up --Kneels. --Shuts his eyes. --Clasps his hands in prayer. --Breathes in deeply.

LEO

God? Satan? You here?

Beat.

Leo's eye opens. It briefly looks down, briefly looks up. Eye shuts.

LEO (CONT'D)

I need to speak to one of you.  
Pleeease.

Beat.

Nothing, silence. Leo disappointed, drops his hands. Looks above his door.

The crucifix above his door.

Leo silently stares at the crucifix.

--Leo's hand takes the crucifix down.

--Leo opens the window. Throws the crucifix outside.

--Leo tears every posters down.

--Leo throws the posters out the window.

--Leo throws the severed Care Bear towards his trash can.

Both pieces of the Care Bear land beside the trash can.

Lights off. Leo laying in his bed. Hides his face with his pillow. We HEAR his sobs.

Both pieces of the Care Bear, magically reassemble.

EXT. SCHOOL - MORNING

Leo overwhelmed, school bag on his back. Stares at his shoes as he walks toward the main entrance.

Students glare at him. They know what happened at the party.

INT. LOCKER HALLWAY - SCHOOL - MORNING

Leo opens his locker-- Arnold slams Leo into his locker. Leo tries to find did such a cheap-shot.

Arnold keeps on walking while flipping Leo the bird.

Vivian and Arnold holding hands. The perfect couple. Muscle to one side, skank with floating hair on the other.

Leo opens his locker door for a second time. Stops moving. Stares ahead, emotionless.

Satan sitting in the locker. Legs crossed. Serious.

SATAN

Good morning Leo.

LEO

What do you want?!

SATAN

Times up! Decision time boy.

LEO  
I prayed both of you after the party.

SATAN  
I remember.

LEO  
God didn't respond nor did you.

SATAN  
You're right. But today, I am here and he's not.

Leo hesitates before his response.

LEO  
Ya well! I've made up my mind, Satan.

SATAN  
Whatever you have decided, I won't hold a grudge.

LEO  
If I sign with God, I will be able to have Vivian as my girlfriend, And honestly, I think about her all the time, since I saw her the first time. And this weekend, I thought about her even more. And seriously I know now, she's the fucking biggest to I ever met.

SATAN  
She sure had look like one to me.

LEO  
I've decided to sign a pact with you. But not here.

SATAN  
(glad)  
Why not?!

LEO  
I don't want people thinking I'm a madman who talks to himself.

SATAN  
Look around you.

Leo checks out his surroundings. Surprised, he is heads to the middle of the hallway, fat Bob is there.

Fat Bob frozen stiff like a marble statue. Time has stopped.

Leo looks to his left.

Every students petrified. No movement at all.

Leo looks to his right.

There as well, more petrified students.

LEO

Wow! You stopped time?!

SATAN

No Leo. Our conversation is only in your head. And when it will be over. It will have lasted only a fraction of a second.

Leo in front of Arnold.

LEO

And if I do this.

Leo punches Arnold in the face. His fist goes through Arnold's head as if it were made of smoke.

LEO (CONT'D)

Fuck!

SATAN

We are in your head. Just like a dream.

LEO

Too bad.

SATAN

And now, the moment we've all been waiting for.

Satan walks out of the locker. Walks around amongst the petrified students.

SATAN (CONT'D)

Here are the rules. You get four wishes.

LEO

Isn't it usually three wishes that are granted?

SATAN

Have you ever made a pact in your life?

LEO

No.

SATAN

Well, in that case, you can't know how many wishes there are in a pact.

LEO

But in Aladdin--

SATAN

Aladdin?! You're kidding! This is real life here. We are not in a freaking movie.

Satan and Leo look at us (CAMERA) for a second.

LEO

(to Satan)

If you say so.

SATAN

So, there is a very important rule you must adhere to when you pick your wishes. Your demands have to be only for you. They must be selfish. So, forget about world peace for mankind. You aren't mother Theresa.

LEO

Got it.

SATAN

Also, your wishes cannot affect someone that already has a pact with God or with me.

LEO

God already mentioned that to me.

SATAN

And, once the pact is sealed. There's no going back. The deal is final.

LEO

Got it.

SATAN

Before making your wishes, think  
long and hard.

Leo pauses, rubs his forehead. Thinks long and hard. Looks  
at Arnold and Vivian next to him. Leo expands his chest.  
He's ready.

LEO

Alright! I'm ready.

Satan stops walking. Turns all his attention towards Leo.

SATAN

My ears are all yours.

LEO

First. I want to be happy for the  
rest of my life.

Satan observes at Leo silently.

LEO (CONT'D)

Second. I want to be lucky for the  
rest of my life.

Satan impassive, waits for the rest.

LEO (CONT'D)

Third. I want to choose the day  
and the time I die.

Satan admires that wish.

Leo hesitates, his eyes search. Seems deep in his thoughts.  
Studies his right hand. Rubs his fingers together.

Satan flies to the height of Leo's face.

SATAN

Something bothering you Leo?

LEO

Huum... I think so.

SATAN

What?

LEO

I wonder if my last wish is self-  
centered enough to meet your  
standards.

SATAN

Go ahead, tell me. I'll judge by myself.

LEO

I want my right hand to have the power to grant a wish. A wish I will make when and where I want.

SATAN

Specify your request in more detail.

LEO

This hand will have a power waiting to be called upon. I'll have the luxury to make up my mind when it's convenient for me. And to prove this is all in good faith. The wish is only good once and I'll make it within the next hour.

SATAN

Not much selfishness in your request.

LEO

Once granted, I'll be blissfully.

Satan SNAPS his fingers.

All the students vanish up in smoke.

The walls crumble like ash. Ceiling turns into black stone. The floor collapses around Leo.

PILLARS - HELL

Looks like a cave where the walls are illuminated by an orange glow.

Terrified, Leo turns on himself to find out where he is. He's on a platform made of stone, a pillar within the abyss.

Leo examine the abyss.

Hundred feet deep.

BOTTOM OF THE ABYSS - HELL

A lot of bubbling magma, like the center of a volcano.

## PILLARS - HELL

Leo perched at the top of a pillar. He looks so little on it.

Seventy feet in front of Leo. A pillar seven times larger than Leo's.

Leo squints his eyes straining to see what is on the big platform.

LEO'S POV -- Satan is one foot tall.

LEO

Satan! That you over there?  
Please tell me this is still only  
in my head.

Satan grows. Turns into a mean Satan.

Black smoke comes out of Satan's yellow eyes. Satan frowns. Makes him look even more evil.

SATAN

We are in my home. In hell.

LEO

Oh, ok! Love what you've done with  
the place. Black stone, the red  
all of it.

Satan is not happy. Walks up to Leo.

## BOTTOM OF THE ABYSS - HELL

Stone pillars rise out of the magma, one by one, very quickly.

## PILLARS - HELL

With each one of Satan's heavy steps. A new pillar emerges for him to step on.

Leo backs up.

Leo's feet at the edge of his pillar. A stone breaks off and falls into the abyss.

BOTTOM OF THE ABYSS - HELL

Stone lands in the bubbling magma. It expels a tower of lava that goes up remarkably fast. Look like a fountain.

PILLARS - HELL

Leo backs up. Lava tower rises beside Leo, and collapses just as fast as it went up.

Satan joins Leo on his pillar.

Leo turns around-- Satan is two inches from Leo's face. Satan examines Leo who stands very still.

SATAN

Little Leo. You are cleverer than you seem. Too clever actually.

Satan moves his head away from Leo.

SATAN (CONT'D)

To the contrary of popular belief. I'm not the bad one in the story.

Leo kneels.

LEO

(quavering)

I apologize Satan for being so clever.

SATAN

Leo. I will abide to your wishes. However, a pact goes both ways. I also want contentment.

LEO

I know. My soul will be yours.

SATAN

Your soul isn't enough.

Leo arches a brow. Doesn't understand.

SATAN (CONT'D)

For the next three generations. I want each and every one of your descendent's souls so that they come down here, in hell.

LEO

Just that?

SATAN

Of course not. I want to be able to offer a pact to the firstborn of your fourth generations.

LEO

That's it?!

SATAN

I need nothing else.

LEO

In that case I gladly accept your demands.

SATAN

Excellent.

LEO

Do I need to sign with my blood in order to wrap this up?

Satan transforms himself into the adorable little devil. A foot tall. He approaches Leo who's still on his knees.

Satan offers Leo his right hand.

Leo looks at it carefully. Uncertain of what will really happen. But at the point he is now, what else could he lose?

Leo and Satan shake hands.

A white very bright light tries to break through their hands.

The light is so intense, like an x-ray. Bones in their hands are visible.

Leo examines the light. Not sure it's normal.

The white light exudes from the top of their shake hands. Like a lightsaber.

Leo eyes squint. Blinded by the white glow.

The light emanates out of their hands-- Disappears, leaving a trail of sparks. It's magical like Harry potter.

Satan evaporates, leaving black smoke.

White flash!

Leo covers his eyes--

INT. SCHOOL HALLWAY - MORNING

Leo stumbles at the foot of his locker.

Arnold and Vivian MOCK Leo without slowing down. They don't care about Leo at all.

In front of Leo, Wayne and Bruce cash out stretch a hand towards their buddy Leo.

Leo accepts their help, grabs both hands. Bruce and Wayne lift Leo off the floor.

BRUCE

We warned you Leo. Vivian is not a girl for you.

LEO

Guys, about last night--

WAYNE

Don't worry about it. We should have told you.

The three fellas smile at each other..

INT. CLASS ROOM - DAY

Students talking. Class hasn't started yet.

Leo at his desk, close to the windows.

KID WITH GLASSES draws on his desk. Goth girl texting. A new couple kiss with passion.

A STRESSED TEACHER stands behind his desk. Opens his briefcase and waits for the bell.

Amanda is the last to enter the classroom. Sullen look on her face. She guides herself with her cane. Sits at the desk close of the door. School bell RINGS.

STRESSED TEACHER

To your places.

Vivian and Blondi in back. Giggle.

STRESSED TEACHER (CONT'D)

GO ON! SIT DOWN!

Amanda crabbed, stares blanky ahead.

Leo scratches his head. Hesitant.

The students all sit.

Leo, unable to wait any longer. Gets up.

STRESSED TEACHER (CONT'D)  
Sit back down Leo.

Leo doesn't pay attention to the teacher's command. He walks across the classroom towards the doors.

STRESSED TEACHER (CONT'D)  
Leo! I'm talking to you!

Leo walks by the teacher. Leo knows where he's going.

All the students whisper and observe Leo.

Leo beside Amanda. She smells the air. She smiles discreetly.

LEO  
Amanda.

AMANDA  
You should go sit back down Leo.

LEO  
I'd like for you to stand up.

Amanda not sure if she must listen to him.

LEO (CONT'D)  
Trust me.

Amanda shy, stands up.

STRESSED TEACHER  
(irritated)  
Last warning! Sit down!

LEO  
I need to apologize for not really helping you at the party.

AMANDA  
Don't sweat it. I've been through worse. Anyway, you've helped me get home before.

VIVIAN  
(to Blondi, low voice)  
Fucking blind cunt.

LEO  
That's not enough.

AMANDA  
Ok.

LEO  
Take off your glasses and shut your eyes.

AMANDA  
I already can't see Leo.

LEO  
I know.

Amanda removes her glasses and shuts her eyes. Tilts her head forward. Her face near Leo's. Her lips are a centimeter away from Leo's, expecting a kiss--

Leo blocks her advance by placing his right hand on her eyes.

The students wonder what's happening between Leo and Amanda.

STRESSED TEACHER  
ENOUGH! SIT THE FUCK DOWN!

White light appears under Leo's right hand for two seconds. He removes his hand, Amanda's eyes still shut.

LEO  
Open your eyes Amanda.

Amanda obeys-- AWWWWHHH! It must hurts. Amanda covers her eyes.

Teacher disturbed goes to Amanda.

STRESSED TEACHER  
What the hell you did you do to her?!

Leo frigid, goes back to his desk.

Amanda carefully removes her hands. Teacher beside Amanda.

Amanda blinks many times. Her irises change color. The gray turns to a splendid blue.

Amanda touches her eyes. Looks at her hands. Touches her clothes.

AMANDA  
No! No! NO!

Students whisper to each other.

STRESSED TEACHER  
Are you hurt?! Speak Amanda!  
SPEAK!

Amanda amazed, discovers her surroundings.

AMANDA  
I see. I SEE!

Leo at his desk, smiles.

STRESSED TEACHER  
Fuck off! You're blind!

AMANDA  
I see! YESSS! I see! So much  
color!

Amanda turns to admire the humans in the room. Her gaze stops on the black girl behind her.

AMANDA (CONT'D)  
Who are you?

BLACK GIRL  
Euh, Julie.

Amanda feels Julies face with hands. To make sure it's really her.

Amanda goes to the back of the classroom. Looking to somebody. She makes contact with the first girl she sees.

AMANDA  
You, what's your name?

EVE  
Eve.

Amanda moves on to the next girl.

AMANDA  
Your name please.

BLONDI  
Blondi.

Amanda turns to the girl sitting next to Blondi.

AMANDA  
You?

VIVIAN

Vivian.

They are who Amanda wants to find. She smiles. She punches Blondi.

Amanda's blow lands right on Blondi's nose.

Vivian petrified. Amanda's punch hits hard the pretty Vivian's face.

Amanda punches, punches again, again and again. Amanda relishes her vengeance.

Students flabbergasted by Amanda actions.

Teacher separates Vivian and Amanda.

STRESSED TEACHER  
STOP AMANDA! STOP! ENOUGH!

Teacher guides Amanda towards the exit.

STRESSED TEACHER (CONT'D)  
(to Vivian)  
Good for you.

Vivian on the floor. Bloody nose, lip cut open and bushy hair.

Teacher makes Amanda sit at her desk.

STRESSED TEACHER (CONT'D)  
You ok?

Amanda satisfied, looks down at her knuckles covered in blood. Observes the red color.

AMANDA  
Ha ha! More than ever!

Can HEAR student's whispers.

STRESSED TEACHER  
Alright everyone. Back to work.

Amanda studies the objects and the people around her.

Vivian at her desk. Shoves a tampon up her nose. Mascara rolls down her cheeks.

Amanda gaze stops on Leo. Observes him.

Leo scribbles in his note book. Amanda appears in front of Leo. Leo notices her.

Amanda smells the air to confirm Leo's aroma.

AMANDA  
Stand up please.

Leo unsure.

AMANDA (CONT'D)  
Have faith in me Leo.

Leo stands. Observes Amanda. Leo smiles, happy.

Amanda studies Leo. Amanda feels Leo's face. She discovers it. Amanda smiles, kisses Leo. Leo pleased, returns her kiss.

Satan is perched at the top of a cabinet that's at the far end of the classroom. Satan smiles, proud. Disappears within a cloud of black smoke.

Amanda and Leo embrace, kiss. Love is in the air.

INT. HOSPITAL ROOM - DAY

Old Leo is weak. Hard time breathing.

OLD LEO  
Now you know how I met my wife.  
Amanda.

Bert, Dave, Thomas disappointed and shocked.

BERT  
Seriously! You made us all come  
here to tell us that bullshit?!

OLD LEO  
You had to know it before I leave  
this world.

DAVE  
I'm sure the doctors found nothing  
wrong with you. Because you just  
had a fit of loneliness. Caused by  
grandma's death, three days ago!

THOMAS  
If you're gonna die soon. Why are  
you telling us a stupid made up  
boring story?

OLD LEO  
 If Amanda was still with us. She  
 would kick all your asses after  
 asserting that what I say is true.

THEODORE  
 Well, I'm happy that. I heard it,  
 even if it's untrue.

Old Leo Smiles.

OLD LEO  
 Thank you Theodore.

Old guy happy, SNAPS his fingers. BIIIIIIIP! From the  
 heart monitor. Old Leo's eyes shut. Dead.

#### STONE BRIDGE - HELL

A river of lava flows un der the oversized bridge. Old Leo  
 walks on it. He's accompanied by Satan who is larger than  
 life.

OLD LEO  
 I couldn't have dreamt for a better  
 life.

SATAN  
 If only everyone believed me the  
 way you did.

OLD LEO  
 There's somebody above feeding us  
 bullshit.

SATAN  
 And all the humans pray to God.  
 Oblivious that their souls could be  
 used to destroy humanity. But they  
 don't know that their souls will be  
 used to destroy humanity.

#### SHORE OF THE LAVA RIVER - HELL

ADAM SANDLER crucified upside down on a cross. Behind Adam,  
 a DEMON, red, chunky, annoyed, a whip in hand. A rack beside  
 him, full of weapon.

STONE BRIDGE - HELL

Old Leo stops walking. Sees Adam Sandler crucified at the lower level, on the bank of the lava river.

OLD LEO  
Is that Adam Sandler I see down there?

SATAN  
Yep! That's him.

OLD LEO  
Didn't you tell me that people were pampered in hell?

SATAN  
Yes. But Adam Sandler did not comply to our pact.

SHORE OF THE LAVA RIVER - HELL

Adam Sandler turns to the demon. Tries to see him.

ADAM SANDLER  
Wait a minute buddy! I don't get why I'm being tortured. I did what I was supposed to. I conformed to the pact. I made millions of people laugh.

DEMON  
Make me laugh.

ADAM SANDLER  
Aaaah-- Oh yes! Got a good one. A cop stop a woman. Ask's her if she saw the red light. Of course I did, she says, problem is I didn't see you!

Adam Sandler cracks up.

Demon impassive. Doesn't laugh. He puts the whip on a rack.

ADAM SANDLER (CONT'D)  
Gotta admit that is a good one.

Demon's hand works it's way down the rack. Goes past a club, stick, flail, hammer, sledgehammer and a morning star.

ADAM SANDLER (CONT'D)  
Put some effort in it, buddy.

Demon's hand takes hold of a lightsaber.

ADAM SANDLER (CONT'D)  
Got another one.

Demon stands up straight. Activates the blue lightsaber.

DEMON  
Can't wait for my shift to end.

ADAM SANDLER  
There was a guy in a bar. Trying  
to pick up a chick. He asks her,  
my place or yours?

Demon lights a cigar with the lightsaber.

ADAM SANDLER (CONT'D)  
Girl answer. Both, you go to your  
place and me, I go to my place.

Demon goggly eyes. He does not have a sense of humor.

QUICKS SHOTS: --Demon deactivates the lightsaber. --His hand  
place it on the rank. --His hand seizes the handle of the  
flail. --A chain with three spiked iron balls. --Balls  
dives in a cauldron of boiling tar. --Demon blows fire on  
the three balls.

Demon hold flail that has three flaming balls. Welcome to  
hell.

ADAM SANDLER (CONT'D)  
I have another--

DEMON  
Certainly not!

STONE BRIDGE - HELL

Satan and old Leo continue their path. Adam Sandler SHRIEKS  
OUT in pain. Hell for him.

GATE - HELL

Satan and old Leo stops at the gate. Double door forty feet  
high, skillfully forged.

SATAN  
She is on the other side.

OLD LEO  
(delighted)  
Amanda!

SATAN  
She's waiting for you, pal.

Gate opens. White glow.

Old Leo covers his eyes.

Satan goes in. Glow wraps around Satan, disappears in the light.

Old Leo goes in. Glow wraps around him, disappears in the light. Gate shuts. BOOONGGG!

INT. THEODORE'S BEDROOM - NIGHT

Futuristic decoration as the future will be. Posters of Satanic musical bands on the walls. The images in motion as seen in the Harry Potter movies.

Theodore comes in. Headphone on ears. Closes the door.

Theodore goes to-- He backs up, staggers, falls on his butt.

Satan, smaller, he's on Theodore's bed. The bed levitate.

Theodore backs up on his buttocks, until he hits the door.

Satan jumps off the bed. Spins. Lands heroically like a superheros.

SATAN  
Nice to meet you. Theodore.

Satan smiles, happy.

FADE OUT.

END
