FADE IN:

INT. HELICOPTER - NIGHT

From the cockpit, a view of a moving spotlight on the ground as it passes across terrain. In that spotlight, a figure appears running in the rain through brush. The PILOT calls out-

PILOT

Okay, we got em. Just north on Soho.

On the ground, police officer LEE HO FOOK, 36, chubby, answers the message on his microphone.

LEE HO FOOK

Okay, we have one hairy headed gent.

PILOT

Are you declaring a werewolf sighting?

LEE HO FOOK

Pilot, I command you, switch the mic over to Kent.

The co-pilot KENT MAYFAIR, 34, queen style hair.

KENT

Kent here sir.

LEE HO FOOK

We have a confirmed breaking and entry on London. An elderly man states his wife was mutilated just minutes ago in their kitchen. Can you confirm?

KENT

There have been reports of howling in the Lon Chaney addition of the London Estates sir.

A POLICE OFFICER runs through back yards just behind a HAIRY HEADED MAN in a very nice suit. Flash lights swing wildly into the night. The hairy mans yells aloud-

HAIRY HEADED MAN

You got the wrong guy.

POLICE OFFICER
Stop or we shoot.

The hairy headed man stops and is overrun by officers.

POLICE OFFICER
Get on the ground savage.

HAIRY HEADED MAN
I'm telling you, I'm a citizen. You
got the wrong guy.

POLICE OFFICER
Tell it at the pound dog face.

They pull him to his feet in handcuffs. His face blurred to
protect the innocent.

POLICE OFFICER
Nice outfit, poodle boy. I'll have
to meet your Tailor.

HAIRY HEADED MAN
His name is Jim, I will introduce
you to him.

The police station, the hairy headed gent waits.

HAIRY HEADED MAN
I can clear this up with a phone
call.

In walks VIC, 25, slick.

HAIRY HEADED MAN
Vic, you trader. I swear to dog,
you better clear this up.

VIC
If you are who you say you are,
then name a ship the pilgrims came
over on?

HAIRY HEADED MAN
The pina colada?

VIC
He is not who you are looking for,
release him.

A police officer un-cuffs the hairy headed gent.

VIC
Wait. What hair treatment are you
using?

HAIRY HEADED MAN
The man starts to run.

VIC
Stop him.

The police take him down. Vic yells-

VIC
Fifteen percent...

HAIRY HEADED MAN
No. Get him off of me.

VIC
Hold him down, hold him down.
Fifteen percent...

The men struggle with the hairy headed gent.

HAIRY HEADED MAN
Aaahhh-Nooo!

VIC
Fifteen per-

HAIRY HEADED MAN
Okay, okay, could save you fifteen
percent or more. You happy? Get off
of me.

VIC
Ahah! Case solved gentlemen. Just
another caveman. Let him up.

The caveman gets up. The two stare at each other.

VIC
What happened to you?

HAIRY HEADED MAN
Ever tried to compete with a
lizard? I'm trying to get on the
apprentice.

VIC
Get him out of here. If I see you
again, I'm gonna rip your lungs
Jim.

They escort the hairy headed gent out.

POLICE OFFICER

How did you know he wasn't a
werewolf?

VIC

Werewolves are slobs. His hair was
perfect. Take him and draw blood.
