INT - STUDIO APARTMENT (MAN) - DAY

The screen is black and you hear someone fiddling with a camera.

LUKE

(Confused)

Okay, Recording.. No image.. Great!

A couple more fiddling noises.

LUKE (CONT'D)

Ah, the lens cap. (Laughs)

As the camera comes into focus, you can see that Luke is within a small apartment, as he turns the camera to face parts of the apartment.

LUKE (CONT'D)

This is going to be great! Now time to start working on my short film!

LUKE shuts off the camera.

ABRUPT OUT:

NOTHING FOR 3 SECONDS

ABRUPT IN:

As the camera comes in, LUKE starts walking towards a window, and before he gets there, he starts the dialogue below.

LUKE (CONT'D)

(Surprised)

Well, I'll be damned...

Luke peels back the blinds and looks outside

LUKE (CONT'D)

Someone's moved in next door!

As the person turns off the engine, a female steps out of the car, and looks up at the apartment, then turns her head towards LUKE. LUKE then quickly closes the blinds and steps back.

LUKE (CONT'D)

(Shock)

Whoa! Well.. I guess I should go down and introduce myself.

LUKE heads towards the door, opens it and heads down the stairs. As he opens the door down the bottom, he pokes the camera out first.

HEATHER

(Surprised)

Okay, that's a big camera! Are you recording me?

LUKE

I could be.. Wait! That sounds wrong. (Giggles)

HEATHER

(Giggling)

A little bit, yes..

LUKE

Oh, sorry. The names Luke!

HEATHER

Well, hi Luke. I'm Heather.

LUKE

Okay Heather.. Uh, is this all your stuff?

HEATHER

(Laughs) No, Silly. My dad will be here any second now with my stuff.

A Car pulls up behind her car, with a trailer. The trailer contains a Bed, chest of drawers and a small TV Cabinet. An older man steps out.

GEORGE

Can you get the doors open love?

HEATHER

Yes dad, two seconds!

LUKE

Oh, did you need some help?

HEATHER

(Aggressive)

NO! I DO NOT!

LUKE

(Startled)

Whoa, Okay. No problem. I'll just head inside. See you later then..

HEATHER

(Gentle/Happy)

Oh, okay then! See ya!

Confused, LUKE heads back inside, closes the door, locks it and heads up the stairs, and inside his apartment.

LUKE

(Confused)

Well, that was odd. Oh well..

LUKE puts the camera down and then shut's it off.

ABRUPT OUT:

LUKE walks over towards the wall closest to next door, it is a little dark, and he stops moving for a bit and waits.

A Very unusual noise startles LUKE, it came from next door as well.

LUKE (CONT'D)

(Startled)

Holy! That was louder, I hope I caught it on the camera... Wow, I'm starting to tingle, that was creepy!

LUKE shuts off the camera.

The camera is turned on, and Luke walks over to the corner of the room, lifts up the camera and faces it towards the apartment.

LUKE

Okay, this should be..

Luke fiddles with the screen of the camera, then slightly adjusts the angle a bit more.

LUKE (CONT'D)

.. Perfect!

Luke walks over to a bench and puts the camera down, facing the corner of the room. Luke then proceeds to set up a camera on a tripod in the corner. The after 10 seconds, his phone rings.

LUKE (CONT'D)

Hello?

DAVID (V.O.)

Hey Luke, What's up?

LUKE

Oh, nothing much. Yourself?

DAVID (V.O.)

Yeah, same old same old. Hey, you wanna catch up?

LUKE

Yeah sure, I was actually going to call you later (Laughs)

DAVID (V.O.)

You were? What for?

LUKE

I was going to see if you wanted to crash here tonight.

DAVID (V.O.)

Uh, sure. I got nothing planned.

LUKE

Cool, just come over in a few hours, we could grab something to eat.

DAVID (V.O.)

Sounds good, I'll see you then.

Luke opens the top door, and heads down the stairs with the camera, unlocks the bottom door and opens it.

DAVID (CONT'D)

(Shocked)

Wow, nice camera. Looks expensive..

LUKE

Yeah, it was a bit. (Laughs)

Luke lets David come in, and David heads up the stairs. Luke closes the door and locks it, then heads up himself.

DAVID

So what was it that you wanted to show me?

LUKE

Okay, this is going to sound really strange. But this chick moved in next door, and ever since some weird noise has happened nearly every night, and I actually caught it on this camera. I'll play it, Two seconds...

The Camera switches to the one in the corner, as Luke turns off the handheld camera. He starts searching through the camera and then plays the recording.

They both listen closely for a bit, and then you hear the noise. David Leans back after hearing it, then Luke looks at David.

DAVID

(Surprised)

Wow, that is strange..

LUKE

No shit, I heard it myself. That's why I wanted you to pop round tonight, just in case you can hear it too.

DAVID

(Nervous)

I guess. What do you think it is?

LUKE

Well at first I thought it was just her TV, Could of been some weird movie (Laughs)

DAVID

Well, I guess I could stay, would be kind of creepy, but cool..

LUKE

Okay, but first. Food!

DAVID

Yeah Definitely!

The main camera is still the one in the corner. Then you see Luke and David walk out the door and lock it. You hear them walk down the stairs, open up the bottom door, lock it. Luke steps back from the camera.

LUKE (CONT'D)

I knew something was wrong when there wasn't a red light (Laughs)

DAVID

Why do you have one there anyway?

Luke walks back and proceeds to continue eating dinner, while watching TV.

LUKE

Don't know exactly, just felt like sticking one up I guess, just incase there's some creepy sounds when I'm not here, or when I'm sleeping. (Laughs)

DAVID

Have you checked it yet?

LUKE

Nah, not yet. I probably won't until the hard drive is completely full. Which may take awhile..

DAVID

Okay cool. I'd like to check it out as well.

LUKE

Sweet.

The Camera Shuts off.

David locks his car, then Luke and David run up the stairs and look around the apartment for the source of the knocks.

LUKE

DAVID

Luke walks everywhere in the apartment with the camera.

Luke heads towards the stairs and starts climbing up them, as he nearly gets to the top, he hears the noise in the garage.

LUKE (CONT'D)

(Scared)

Ahh... What the fuck!

Luke walks down and faces the camera into the dark garage. Luke slowly starts walking down the stairs, starts breathing a bit heavier. Then you hear a click of the storage room door, which is at the top of the stairs next to the front door of the apartment, open up and creak.

LUKE (CONT'D)

No way.. No way.. No fucking way!

Luke heads up the stairs and see's the storage door slightly open.

Luke faces the camera toward the computer screen, Its a still image of the night David stayed over when the noise occurred. Luke pans the camera towards the face in the bathroom.

LUKE (CONT'D)

This.. Was in my bathroom, after the noise occurred..

Luke changes the open window on the computer, to a video. It's the video of when the Cupboard door opens up.

LUKE (CONT'D)

.. And this is when I was at work, the Cupboard door opens, and the camera goes blank. But it doesn't stop recording, and this sound played.

Luke plays the video, and you hear a strange noise, different to the one that is heard previously.

Luke walks backwards, and peers his head out of his door and looks towards the far wall. Luke shrugs, then closes the bathroom door. Nothing really happens for a short moment, until you hear a drawn out growl-like sound. The shower turns off, you hear wet footsteps, and the door opens and Luke slowly walks out with a towel around his waist. Luke has a confused look upon his face, he looks around, and then the Cupboard door opens.

LUKE (CONT'D) (Frightened)
Whoa, Whoa! Holy Crap!

Luke steps back, completely focused on the cupboard. The door slowly opens all the way. Luke waits, then slowly walks over to the Cupboard, and then closes it. Luke then walks back, and it opens again, but faster. Luke then walks back up to the door.

LUKE (CONT'D)
(Nervous)

Luke grabs a large bandage, and starts putting it over the cuts.

LUKE (CONT'D)

(Slight Pain)

Once Luke applies the bandage, he walks out of the bathroom, then the camera changes to the Tripod Camera. Luke then puts a shirt on and sticks the handheld camera down. Luke then turns on the Television and Sits down and watches some TV.

LUKE (CONT'D)

Fuck, fuck, Come on!

Luke finally unlocks the door, and quickly turns to next door's front door. Luke Knocks on the door loud and fast. You don't hear anything, Luke Knocks again.

LUKE (CONT'D)

Come on, Come on. I hope she's okay.

You hear 2 more loud bangs. Then another Blood Curdling Scream.

After what... happened, I have not heard any noises what so ever. Which is calming but unnerving too. The cuts on my back, the doctors couldn't explain, but they did stitch them up for me..

Luke pulls into his driveway.

LUKE (CONT'D)

I also have 2 detectives coming to give me an interview also. I'm supposedly a suspect! What Shit is that! They said later on today which will be fun.. It's probably illegal but I'll document that too (Laughs)

LUKE

Well, I was sitting here, watching TV when I heard a really loud scream. Blood Curdling!

The 2nd Detective starts writing down notes in his Journal as Luke talks.

LUKE (CONT'D)

So, I ran down the stairs to find out what was wrong. I knocked on the front door. I waited, then I heard another scream. So I panicked. And kicked the door in. I was really worried. As I ran up the stairs, the door was unlocked. I opened the door.

The 1st Detective stops Luke there.

DETECTIVE 1

Wait, so you just let yourself in? You didn't think to knock again?

LUKE

(Nervous)

Well, no. I thought that If she was okay, she would of heard me knock on the door down stairs, let alone me kicking it in..

DETECTIVE 2

But what if she was okay? That's classed as breaking and entering.

LUKE

(Nervous)

Yeah.. I know, but..

DETECTIVE 1

It's okay Luke, continue.

The 2nd Detective shakes his head slightly, and continues to write in his Journal.

LUKE

Well, when I opened the door. I saw her. Floating in mid-air.

The 2nd Detective looks up at Luke.

DETECTIVE 2

(Confused)

..Floating?

DETECTIVE 1

Luke were you by any chance under the effects of Alcohol or Narcotics at the time?

LUKE

No, I was not. I don't drink and I Definitely don't do drugs! But, That's when I collapsed on the floor.

DETECTIVE 2

Are you able to provide any evidence that proves this?

LUKE

Well, yeah.. I recorded the whole thing on camera.

The 2 Detectives look at each other puzzled but intrigued.

DETECTIVE 1

Can we please see the recording?

Luke gets up and goes over to his desk.

LUKE

Yeah, I burnt it onto disc.

Luke opens up the top draw of his desk and pulls out a DVD Disc.

LUKE (CONT'D)

Here you go.

Luke walks over to the detectives and hands them the disc.

DETECTIVE 1

Luke Hears a car pull up out front.

LUKE (CONT'D)

What is that I hear? A car?

Luke runs up to the window, and peers his camera outside.

LUKE (CONT'D)

Oh my Go...

The Camera cuts off.
