ELLI "I love rock n' roll. So put another dime in the jukebox, baby. I love rock n' roll. So come and take your time and dance with me."

The song ends.

ELLI This is the best road trip ever girls.

MEGAN Did you think that a road trip with US will be boring?

THE CAR CONTINUES ITS WAY. THE CAMERA PULLS UP AND REVEALS A BLOODY TITLE:

HELL'S HOUSE

INT. CAR - NIGHT

Everyone looks sleepy and cold. The party from before is over.

SELENA Guys! It's getting cold! When will we find a hotel?

MEGAN Yeah, I know. But there isn't any motel or a house, or a village near here. Right Elli?

Elli is sleeping with the map covering him as a blanket. Megan sights.

Suddenly she sees an abounded house. It's a little wrecky, but it is the only shelter that they can find other then their car.

EXT. ROAD

The car stops near the house.

INT. CAR - NIGHT

MEGAN Hey, Elli! Wake up! We found a place when we can rest.

ELLI slowly wakes up.

ELLI Okay. Lets get in there.

EXT. ROAD

MEGAN and SELENA gets out of the car and go to the carrier.

SELENA You think he'll be okay in there?

MEGAN Absolutely. He has gone threw worse. You can count on that.

The two girls take out a wheelchair from the carrier.

ELLI Hurry up! I'm gonna freeze here! Then who will make the fun on this trip, heh?

MEGAN Me and Selena can make out freely without anyone star at us.

SELENA laughs.

Megan rolls the wheelchair to ELLI.

MEGAN

Come on big boy. Lets go in that house and we could tell spooky stories. And don't worry! I won't turn off the light.

The three goes to the house.

EXT./INT. HOUSE

Selena opens the door and the three walk in.

THERE'S A BRIGHT LIGHT AND WE SEE THE HOUSE FROM THE INSIDE. MEGAN, ELLI AND SELENA ARE STUNNED. AS THEY WALK IN WE SEE EVERY INCH OF THE HOUSE'S INSIDE. EVERYTHING IS LOOKING BRAND NEW AND IT'S LIKE A FIVE STAR HOTEL.

> ELLI Wow! I thought that this would be some wrecky shit, but...

MEGAN Yeah. This is strange.

They at the middle of the room when the door shuts.

MEGAN and SELENA run back to open the door, but it's locked.

SELENA Ahhh. What's goin' on here? Elli, Megan, what you think?

A loud noise is heard. Like just a big object has fallen.

MEGAN turns her head back. She is terrified.

MEGAN I don't think that Elli can say anything now.

THE CAMERA PULLS BACK AND REVEALS A GIANT METAL CUBE ON THE PLACE OF THE WHEELCHAIR MAN.

MEGAN and SELENA run scared trying to find Ellie somewhere in the room.

Elli!?

MEGAN

SELENA

Elli!?

SELENA Oh, my God! He must be...

MEGAN Don't say it!

SELENA Under this... thing!

BOTH GIRLS start to cry.

SELENA

We must get out of here! And to do it fast!

MEGAN

The windows!

:

But when they look the walls there are no windows. THE GIRLS run trying to find someway out of there.

SELENA Where are the fucking windows!?

MEGAN

I don't know!

SELENA

What we are gonna do!? Oh, God we will die! We are gonna be smashed by some rock and we will be dead like Elli!

MEGAN

Don't say things like! We are gonna be okay! Elli is okay! He is alive! Probably hiding somewhere! Remember why we are on this trip? It is because of him.

SELENA

Yeah. This is his fault! We are here because of him! If it wasn't this accident, he would never want to go anywhere and now we are doomed!

MEGAN

Everything is alright! There is nothing to worry about!

SELENA

Okay... But what is this then?

SELENA points to a bloody pool.

MEGAN

Oh, my...

The lights go out.

SELENA Oh, fuck! What's happ...

MEGAN AAAAAAAAAAAAAAAAA

SELENA MEGAN!? MEGAN!?

The lights go on again. But this time the room is different. It's old and wrecked like it should be, like the outside look.

MEGAN lies in a corner lifeless with her face missing, and her heart ripped off her chest lying next to her.

SELENA screams and starts walking backwards to the wall. Right behind her she hits a door. SELENA fast turns around and opens the door.

INT. BEDROOM

:

SELENA enters the room. There is a bed at the middle of the room.

A loud noise is heard from the room behind her. SELENA acting on a sudden impulse hides under the bed.

SELENA is scared like hell. A footsteps are hear. Selena sees feet outflank the room leaving behind these heavy footsteps.

The feet go out of the room. But SELENA is still scared.

SELENA starts to feel cold and trying to warm herself up.

We see a snowflake appearing from nowhere. It's followed by another, and the it starts snowing heavily.

SELENA is confused. She looks like she had gone crazy.

SELENA hop out of the bed and go directly to the door.

INT. ROOM

SELENA had gone crazy.

Selena is at the middle of a bad lighted room without any furniture or anything.

From the shadows a big man's figure appears. SELENA starts crying.

SELENA Don't hurt me! Please don't heart me! The man's face is visible now. It's ELLI! He smiles wicked. ELLI Why would I heart you? You are my friend, right? SELENA Oh, Elli! You are alive! And you can walk again! Oh, God! THEY hug each other. ELLI Oh, sweaty! You'll be okay now. (smiles) I promise. ELLI'S eyes start glowing green. EXT. HOUSE - NIGHT A car passes by. SELENA (O.S) ΑΑΑΑΑΑΑΑΑΑΑΑΑ... The house starts burying itself down to the ground.

:

Finally, there is no house and it never was one.
