WRITING
Once upon a time, there was a world where heroes and villains where lampooned without fear or limits. Welcome to my world.

FADE IN:

INT. COURTROOM

“Tom Cruise,” character, GOLLUM.

GOLLUM
I want my precious! I want the Ring!

COL NATHAN JESSUP
You can't handle the Ring! Son, we live in a world that has walls, and those walls have to be guarded by men with wands. Who's gonna do it? You? You, Gollum? I have a greater responsibility than you can possibly fathom. You weep for Captain Kirk, and you curse the Orcs. You have that luxury. You have the luxury of not knowing what I know – that Captain Kirk’s death, while tragic, probably saved lives; and my existence, while grotesque and incomprehensible to you, saves lives. You don't want

(MORE)
the Ring because deep down in places you don't talk about at parties, you want me on that wall -- you need me on that wall. We use words like "Star Wars," "Lord of the Rings," "Harry Potter." We use these words as the backbone of a life spent increasing box office receipts. You use them as a punch line. I have neither the time nor the inclination to explain myself to a man who rises and sleeps under the blanket of the very freedom that I provide and then questions the manner in which I provide it. I would rather you just said "May the force be with you" and went on your way. Otherwise, I suggest you pick up a wand and wave it at a post. Either way, I don't give a damn what you think you are entitled to!

Gollum seethes.

**GOLLUM**

We hate's you, hates you we do!

Gollum leaps onto Jessup. They wrestle for the ring.

Okay now, tell me about Middle Earth.

SARUMAN
What do you want to know?

PALPALTINE
Well, hash its legal there, right?
SARUMAN
Yeah, it's legal, but it ain't a hundred percent legal. I mean, if you're a wizard or Hobbit you can smoke that shit in every second scene, but you can't do it if you're an Elf or in a battle scene.

PALPALTINE
When you're the Emperor there's never a chance for a drag man. I want to rule Middle Earth.

SARUMAN
You'll dig it. But you know what the funniest thing about Middle Earth is?

PALPALTINE
What?

SARUMAN
It's the little differences. A lotta the same shit they've got in the Empire, but there they're a little different.

PALPALTINE
Examples?

SARUMAN
Well, in Middle Earth, you can grow an army Out of the ground. And I don't mean in a factory either. You grow these ugly Orcs dudes straight out the ground like vegetables. Also, you know what they call a Ewok in Middle Earth?
PALPALTINE
They don't call it an
Ewok?

SARUMAN
No, they wouldn't know
what the fuck an Ewok is.

PALPALTINE
What'd they call it?

SARUMAN
Hobbit.

PALPALTINE
Fuck me. What'd they call
a Dark Sith?

SARUMAN
A dark dudes, a dark
dudes, but they call it
Dark Wizard.

PALPALTINE
What do they call a Storm
Trooper?

SARUMAN
An Orc, But you know what
they wear instead of head
to toe little white party
fucking suits man like
they straight off the toy
shelf.

PALPALTINE
What?

SARUMAN
Skulls and bitchin dirty
armor with blood and shit
over it.

Maximus looks ahead powerfully.

MAXIMUS
(continuing)
I AM FATHER TO A MURDERED SON AND HUSBAND TO A MURDERED WIFE AND LANDLORD TO A MURDERED WORLD -- AND I WILL HAVE MY CHEESE BURGER!

WILLIAM WALLACE
I give homage to the Oscar I’ll win for this.
(to army of Scots)
And if this is your army, why does it go?
VETERAN SOLDIER
We didn't come here to fight for them.

YOUNG SOLDIER
Home. The Lord of the Rings are too many.

WILLIAM WALLACE
Sons of Brave Heart! I am William Wallace!

YOUNG SOLDIER
William Wallace is 7 feet tall.

WILLIAM WALLACE
Yes, I've heard. He kills men by the hundreds, and if he were here he'd consume the Lord of the Rings with fireballs from his eyes and bolts of lightning from his arse. I am William Wallace, and I see a whole army of my 'extras' here in defiance of the 'new franchise.' You have come to fight a 'Big battle,' and 'big lusty men you are.' What will you do without that 'BIG BATTLE?'

VETERAN SOLDIER
Against "Peter Jackson," We will run, and we will live.

WILLIAM WALLACE
Aye, fight and you may die, run and you'll live. At least a while. And lying in your beds 'out of work' years from now,

(MORE)
would you be willing to trade all the days from this day to that for one chance, just one chance to come back here and tell our enemies that they may take our lives, but they'll never take our 'BIG BATTLE!'

Soldier yell war cry.

"LORD OF THE RINGS." ARAGON on horse in front of LOTR army.

ARAGON

Hold your ground! Hold your ground! Sons of Gondor, of Rohan. My brothers. I see in your eyes the same fear that would take the heart of me! A day may come, when the sales of Orc toys fail, when we forsake our Lord of the Rings franchise and break all bonds of Box Office, but it is not this day! An hour of wolves and shattered shields when the age of men comes crashing down! But it is not this day! This day we fight! By all that you hold dear on this good earth, I bid you, stand, men of the West!

He looks at his army.

ARAGON

(continuing)

PIPPIN
FOR MERCHANDISING!

They charge across field.

INT. MENTAL HOSPITAL-CELL

“SILENCE OF THE LAMBS.” Hannibal in cell.

HANNIBAL LECTOR
You look Like a Rube.
You're so-o ambitious, aren't you? You know what you look like to me, with your good bag and your cheap shoes? You look like a rube. A well-scrubbed, hustling rube, with a little taste. Good nutrition's given you some length of bone, but you're not more than one generation from poor white trash, are you Dorothy? And that accent you've tried so desperately to shed - pure Kansas. What does your father do? Is he a coal miner? Does he stink of the lamp? You know how quickly the boys found you. All those tedious, sticky fumblings in the back seats of cars, while you could only dream of getting out. Getting anywhere, getting all the way to the WIZARD OF OZ...You fly back to Kansas now, little Dorothy. Fly, fly, fly. Fly, fly, fly.

DOROTHY
So, you don’t know my Ruby slippers are then?
INT. CAFÉ

“HEAT.” Legendary exchange between Deniro and Pacino.

George Lucas is Deniro. Peter Jackson is Pacino.

PETER JACKSON
Thirty years making Star Wars. American Graffiti before that.

GEORGE LUCAS
Yeah.

PETER JACKSON
Was making Star Wars as tough as they say?

George strokes his monolith fat throat.

GEORGE LUCAS
You looking to have a throat like Jabba the Hutt?

PETER JACKSON
You looking to make more fantasy epics? I’m thinking of making a franchise on the Oompa Luumpa’s from Charlie and the Chocolate Factory.

GEORGE LUCAS
You must be getting some dip-shit scripts...

PETER JACKSON
I get all kinds.

GEORGE LUCAS
(pause)
You see me doing thrill-seeker Spoof movies with “selling out big time” tattooed on my chest?
PETER JACKSON
No, I do not.

GEORGE LUCAS
Right. And I...
(low threat)
I am never going too.

The adversarial intensity is eye-to-eye.

PETER JACKSON
Then don't talk about a “Howard the Duck,” superhero film ever again, ever.

GEORGE LUCAS

(shrugs)

PETER JACKSON
You never wanted to make a film not overloaded with special effects?

GEORGE LUCAS
What the fuck is that? A script?

PETER JACKSON
That's part of it.

GEORGE LUCAS
That's nice. That your life?
PETER JACKSON
No. I’m building an Island with Hobbit houses on my ranch, growing hair on my feet like a Hobbit, I’m going to live in those houses, and make Son Of Kong where its an hour of camera looking into King Kong’s butt waiting for his son to be born. But then there’s a kick ass action scene, trust me, STAY AWAKE! And every moment I got, I'm talking to guys like you about how we wish we were Speilberg.

GEORGE LUCAS
A man told me once: you want to make movies? Don't keep a plot point in your film you're not willing to toss out on in 30 seconds flat if you feel you need another CGI sidekick, ‘I love Jar Jar, and Jar Jar loves me.’
(pause)
So if you're trying to make the next Star Wars and you gotta lock yourself in a room with your Fluffy Ewok toys, how do you expect to keep your wife?

PETER JACKSON
What are you, a monk?
GEORGE LUCAS
No. A Jedi.
(pause)
It’s all in chin. I love my Jabba chin.

PETER JACKSON
What do you do with your Ewok toys?

GEORGE LUCAS
Love them until they love me back. “Love me back!”

PETER JACKSON
And if you spot a quality script coming around the corner. You gonna tear it up? Not even see if it’s the next Matrix?

GEORGE LUCAS
That's the discipline.

PETER JACKSON
What you're left with is your CGI Jar Jar Binks and army of stuffed Ewok toys..

GEORGE LUCAS
Yeah?
(beat)
Then maybe you and me should make a Hobbit and Ewok, “Ken and Barbie’ deal, “my Ewoks have a lot of loving to give, “TRUST ME.”

Both of these guys look at each other and recognize the mutuality of their condition. Peter Jackson's light laughter:
PETER JACKSON
We're sitting here like a coupla regular fellas. You do what you do. I do what I gotta do. What happens if I have a great scripted film and I got to put your CGI carnival film away?
(pause)
I won't like it. But, if it's between you and a Lord of the Rings fanatic, brother, you are gonna go down. 'Cause you could have got Speilberg to direct your films.....or even a mailman.

GEORGE LUCAS
There's a flip side to that coin. What if you got me boxed in and I gotta put my film down?
(beat)
'Cause no matter what, you will not get in my way.
(beat)
But now that we been face to face, I would not feel good about that. But I won't hesitate. Not for one second.

PETER JACKSON
(smiles)
Maybe it'll happen that way. Or who knows...

GEORGE LUCAS
...maybe I’ll make a film about my Jabba chin.

They look at each other for a moment. George Lucas's wry smile.
PETER JACKSON
(to waitress)
We can have the bill.

INT. DINGY ROOM

"PULP FICTION"

Executioner's "The Path of a Righteous Man" (Loosely Based on Ezekiel 25:17)

George Lucas dressed in Palpaltine gear as (Samuel L. Jackson)

GEORGE LUCAS
The path of the Lucas Empire is beset on all sides by the inequities of the Lord of the Rings and the tyranny of non CGI films. Blessed is he, who, in the name of Box office and merchandising, shepherds the weak fans through the valley of darkness, for he is truly their FANTASY EPIC KING and the finder of lost fantasy fans. And I will strike down upon thee with great vengeance and furious anger those who would attempt to poison and steal my Star Wars fan base with great story telling. And you will know my name is the George Lucas when I lay my vengeance upon thee.

PETER JACKSON dressed in hobbit gear.
PETER JACKSON
I promise to Direct a film completely based on the comedy styling of Jar Jar Binks and you can write the script.

George Lucas smiles.

GEORGE LUCAS
Let’s do this shit.

They walks off like bad ass gangsters.

INT. BARRACKS—DAY

“FULL METAL JACKET.”

Villain recruits stand at attention in front of their bunks. VADER, MAGNETO, TERMINATOR, and HANNIBAL LECTOR.

Master Gunnery Sergeant HARTMAN walks along the line of blank-faced recruits.

HARTMAN
I am Gunnery Sergeant Hartman, your Senior Drill Instructor. From now on, you will speak only when spoken to, and the first and last words out of your filthy sewers will be "Sir!" Do you actors understand that?

VILLAIN RECRUITS
(in unison)
Sir, yes, sir!

HARTMAN
Crap! I can't hear you. Sound off like you got a pair.
VILLAIN RECRUITS
(louder)
Sir, yes, sir!

HARTMAN
If you ladies leave my island, if you survive 'villain' training...you will be a weapon, you will be a minister of death, praying for 'superhero films.' But until that day you are 'stunt doubles!' You're the lowest form of life on Earth. You are not even human goddamn 'sidekicks'! You are nothing but unorganized grabasstic pieces of amphibian crap! Because I am hard, you will not like me. But the more you hate me, the more you will learn. I am hard, but I am fair! Do you actors understand that?

VILLAIN RECRUITS
(in unison)
Sir, yes, sir!

HARTMAN
Crap! I can't hear you!

VILLAIN RECRUITS
(louder)
Sir, yes, sir!

Sergeant HARTMAN stops in front of TERMINATOR.

HARTMAN
What's your name, scumbag?

TERMINATOR
(shouting)
Sir, Tim Brown, sir!
HARTMAN
Crap! From now on you're
Private Terminator! Do you
like that name?

TERMINATOR
(shouting)
Sir, yes, sir!

HARTMAN
Well, there's one thing
that you won't like,
Private Terminator! They
don't serve fried chicken
and watermelon on a daily
basis in my mess hall!

TERMINATOR
Sir, yes, sir!

HANNIBAL LECTOR
(whispering)
Is that you, John Wayne?
Is this me?

HARTMAN
Who said that? Who said
that? Who's who just
signed his own death
warrant? Nobody, huh?! The
fairy goddamn godmother
said it! Goddamn-standing!
I will P.T. you all until
you
die! I'll P.T. you until
your superhero costumes
are sweating buttermilk.

Sergeant HARTMAN grabs Magneto by the shirt.

HARTMAN
Was it you, you scroungy
little actor, huh?!

MAGNETO
Sir, no, sir!
HARTMAN
You little piece of crap!
You look like a goddamn extra! I'll bet it was you!

MAGNETO
Sir, no, sir!

HANNIBAL LECTOR
Sir, I said it, sir!

Sergeant HARTMAN steps up to HANNIBAL LECTOR.

HARTMAN
Well...no crap. What have we got here, a goddamn comedian? Private Hannibal Lector? I admire your honesty. Hell, I like you. You can come over to my house and do scrip lines with my sister.

Sergeant HARTMAN slaps HANNIBAL LECTOR.

HARTMAN
You little cannibal wannabe! I've got your name! I've got your IMDB credits! You will not laugh! You will not cry! You will learn by the numbers. I will teach you. Now get up! Get on your feet! You had best uncrap yourself or I will unscrew your head and send you to a spoof movie!

HANNIBAL LECTOR
Sir, yes, sir!
HARTMAN
Private Hannibal Lector, why did you join my beloved Corps?

HANNIBAL LECTOR
Sir, to eat people, sir!

HARTMAN
So you're a cannibal!

HANNIBAL LECTOR
Sir, yes, sir!

HARTMAN
Let me see your eating face!

HANNIBAL LECTOR
Sir?

HARTMAN
You've got a eating face? Aaaaaaaagh! That's a eating face. Now let me see your eating face!

HANNIBAL LECTOR
Aaaaaaaagh!

HARTMAN
Crap! You didn't convince me! Let me see your real eating face!

HANNIBAL LECTOR
Aaaaaaaaaaaaaaaaaaagh!

HARTMAN
You didn’t make me think you were going to eat me! Work on it!

HANNIBAL LECTOR
Sir, yes, sir!

Sergeant HARTMAN speaks into Magneto's face.
HARTMAN
What's your excuse?

MAGNETO
Sir, excuse for what, sir?

HARTMAN
I'm asking the goddamn questions here, Private. Do you understand?!

MAGNETO
Sir, yes, sir!

HARTMAN
Well thank you very much! Can I be in Charge for a while?

MAGNETO
Sir, yes, sir!

HARTMAN
Are you shook up? Are you nervous?

MAGNETO
Sir, I am, sir!

HARTMAN
Do I make you nervous?

MAGNETO
Sir!

HARTMAN
Sir, what? Were you about to call me an extra?!

MAGNETO
Sir, no, sir!

HARTMAN
How tall are you, Private?
MAGNETO
Sir, five foot nine, sir!

HARTMAN
Five foot nine? I didn't know they stacked out of work actors that high! You trying to squeeze an inch in on me somewhere, huh?

MAGNETO
Sir, no, sir.

HARTMAN
Crap! It looks to me like the best part of you ran down Hollywood Boulevard in a chicken suit and shat eggs outside Universal to get this part!

HARTMAN
Where in hell are you from anyway, Private?

MAGNETO
Sir, X-Men Universe, sir!

HARTMAN
Holy crap! X-Men Universe! Only Hugh Jackman and Hale Berry come from X-Men Universe, Private Magneto! And you don't look much like a Hugh Jackman to me, so that kinda narrows it down! Do you do fashion shoots!

MAGNETO
Sir, no, sir!

HARTMAN
We're you in CatWoman?
MAGNETO
Sir, no, sir!

HARTMAN
I'll bet you're the kind of villain that would destroy the superhero and not even have the goddamn common courtesy to spout a cool line! I'll be watching you!

Sergeant HARTMAN walks down the line to another recruit, a tall, metallic boy.

HARTMAN
Did your parents have any children that lived?

VADER
Sir, yes, sir!

HARTMAN
I'll bet they regret that! You're so ugly you could be a modern art masterpiece! What's Your name, metal boy?

VADER
Sir, Anakin Skywalker, sir!

HARTMAN
Skywalker? Skywalker, what, of sky?

VADER
Sir, no, sir!

HARTMAN
That name sounds like your from pretty boy land? Are you a pretty boy?

VADER
Sir, no, sir!
HARTMAN
Do you love Ewoks?

VADER
Sir, no, sir!

HARTMAN
Crap! I'll bet you could love an Ewok toy right out of its fur!

VADER
Sir, no, sir!

HARTMAN

VADER
Sir, yes, sir!

HARTMAN
Well, any time, sweetheart!
VADER
Sir, I'm trying, it’s a mask, sir.

HARTMAN
Private Vader, I'm gonna give you three seconds--exactly three seconds--to wipe that stupid-looking grill off your face, or I will gouge out your Metallic eyeballs and Ewok-love you! One! Two! Three!

VADER shakes his head.

VADER

ROBIN
Why am I Robin?

JOE
Cause you're a side-kick.

Everybody laughs.

ROBIN
Why can't we pick out our own action hero’s?

JOE
I tried that once, it don't work. You get four
guys fighting over who's gonna be the Terminator. Since nobody knows anybody else, nobody wants to back down. So forget it, I pick. Be thankful you're not Jar Jar Binks.

VADER
Yeah, but Vader? My suit’s too tight.

Everybody laughs.

ROBIN
Yeah, Robin sounds like Ewok. Tell you what, let me be Batman. That sounds good to me, I'm Batman.

JOE
You're not Batman, somebody from another spoof film’s Batman. You're Robin.

TERMINATOR
Who cares what your name is? Who cares if you're Robin, Spiderman Jar Jar Binks, a hobbit...

ROBIN
Oh that's really easy for you to say, you're the Terminator. You gotta cool-looking costume. So tell me, Terminator, if you think Robin is no big deal, you wanna trade?

JOE
Nobody's trading with anybody! Look, this ain't a goddamn Jedi Council meeting! Listen here, Robin. We got two ways here, my way or the highway. And you can go down either of 'em. So what's it gonna be, Robin?

ROBIN
Goddamn Joe. Forget it. I’m beneath you, and I like the view! I’m Robin, let's move on.

Gordon Gecko
Wall Street (1987)

"Greed is Good"
GEORGE LUCAS is Gordon Gecko.
GEORGE LUCAS
The point is, ladies and gentleman, is that Star Wars - for lack of a better word - is money. Lots of money. Star Wars works. Star Wars clarifies, cuts through and captures the essence of my bank balance. Star Wars, in all of its forms - toy sales, for fast food ties ins, for DVD sales, for box office - has marked the upward surge of my bank balance. And Star Wars - you mark my words - has not only made me a billionaire but will drain the ban balances of Star Wars fanatics long after my future films SUCK.

EXT. INTERVIEW ROOM

"MATRIX." Neo is sitting at a table by himself in a small room. The door opens and the agents enter. Agent Smith sits down across from Neo with a folder in front of him. "CLARK KENT," is Neo.

AGENT SMITH
As you can see, we've had our eye on you for some time now, Mr. Kent. It seems you have been living...two lives. In one life, you’re Clark Kent, reporter for a respectable Newspaper....you have a social security number, you pay your taxes, and you...help your landlady carry out her _garbage. The other life is lived in (MORE)
(CONT’D)
Super Hero universe, where you go by the name 'Superman', and are guilty of virtually every good deed known to man. One of these lives has a future....the other does _not_.... I'm going to be as forthcoming as I can, Mr. Kent. You're here because we need your help. We know that you've been contacted by a certain individual, a man who calls himself...Bryan Singer. Now whatever you _think_ you know about this man is irrelevant. He is considered by many authorities to be the most talented director alive. My colleagues believe that I am wasting my time with you, but I believe you wish to do the right thing. We're willing to wipe the slate clean, you're a little too clean, give you a fresh start, and all that we're asking in return is your co-operation in bringing us a meeting with a future Oscar winner.

CLARK KENT
Yeah...Wow, that sounds like a really good deal. But I think I got a better one. How about...I give you the Superman symbol...

Clark Kent pulls open his suit to reveal the, “S”
CLARK KENT
And you give _me_ my phone
call.

AGENT SMITH
Mr. Kent, you disappoint
me.

CLARK KENT
You can't scare me with
this 'we want' a meeting
with Bryan Singer. I know
my rights. I _want_ my
phone call.

AGENT SMITH
And tell me, Mr. Kent,
what good is a phone
call...if
you are unable to speak.

The question unnerves Neo and strangely, he begins to
feel the muscles in his jaw tighten.
The standing agents snicker, watching Clark Kent’s
confusion grow into panic.
Neo feels his lips grow soft and sticky as they slowly
seal shut, melding into each other until
all trace of his mouth is gone.
Wild with fear, he lunges for the door but the agents
restrain him, holding him down onto the table.

AGENT SMITH
You're going to help us
get Bryan Singer to direct
my step brothers script,
Mr. Kent, whether _you_
like it or not.

INT. OFFICE

"USUAL SUSPECTS." MR. KOBAYASHI briefs criminals on what
"KYSA SOSEA." wants them to do.
MR. KOBAYASHI a tall, slim, well groomed man stands in
the hall. He has a briefcase in his hand. He smiles
politely.
KOBAYASHI
Mr. Dare Devil?

Dare Devil stands back and lets him in. Kobayashi looks them over.

KOBAYASHI (CONT'D)
I am Mr. Kobayashi. I've been asked by my employer to bring a proposal to you gentlemen. That must be Mr. Predator. I recognize Mr. Hulk from his mug shot, as well as Wonder Woman. (To Robin) I can only assume that you are Mr. Robin. I believe you were the one who disposed of the Joker. My employer sends his gratitude. A most unexpected benefit.

DARE DEVIL
What can we do for you?

KOBAYASHI
My employer requires your services. One job. Three months work. Very dangerous. I don't expect all of you to live, but those who do will have ninety-one million dollars to divide any way they see fit.

DARE DEVIL
Who's your boss?

KOBAYASHI
My employer wishes to remain anonymous.
DARE DEVIL
Don't play me off. We all know what this is. You don't work with me if I work with you without knowing who I'm working for. Now let's cut the crap. Who's the man?

KOBAYASHI
I work for Michael Bay.

A strange look crosses Dare Devil's face. Skepticism, mockery and just a hint of fear. Predator, Wonder Woman, Hulk, and Robin, all share similar looks.

DARE DEVIL
What is this?

ROBIN
Who's Michael Bay?

KOBAYASHI
I am sure you've heard a number of tall tales, myths and legends about Mr. Bay. I can assure you gentlemen, most of them are true.

ROBIN
Who's Michael Bay?

KOBAYASHI
Judging by the sudden change in mood, I am sure the rest of your associates can tell you, Robin. I have come with an offer directly from Mr. Bay. An order actually.

ROBIN
An order.
KOBYASHI
You had no way of knowing Ben Afleck couldn’t act, because people are to distracted by his rigid jaw.
(Beat)
Mr. Hulk made a film that took two hours to get to the action scene. That film did not set the box office on fire.

Kobayashi turns and points at Predator.

KOBYASHI (CONT'D)
Two years ago, Mr. Predator cheapened his franchise with Alien Vs Predator-

Everyone looks at Predator.
He smiles shyly.

KOBYASHI (CONT'D)
Wonder Woman is still trying to get her franchise off the ground.
(turning to Robin)
Which brings us to Robin.

Robin crumbles under his stare.
KOBYASHI (CONT'D)

Nine months ago, one of our less than intelligent film executives was taken in a complicated confidence scam by the super hero sidekick. He green lit a franchise based on, “Robin’s,” night-time adventures in Gotham City.

(To all of them)
It has taken us some time to find you.

KOBYASHI
Because Mr. Bay wants an action film with real superheros, you will work for him.

HULK
Who is this guy? How do we know you work for Michael Bay?

KOBYASHI
I don't think that is relevant, Mr. Bay. The five of you will become the side kicks in B-Grade films if you refuse.

HULK
This is a load of crap.
KOBYASHI
The offer is this, gentlemen. Mr. Bay’s primary interest, as I am sure you all know, is BIG ACTION SCENE’S AND KICK ASS HELICOPTERS. He’s been – competing shall we say, with a group of new film makers for several years. Competing with Mr. Bay has taken its toll. These new film makers are negotiating the sale of their souls to become his assistants in three days time. Needless to say, this deal will provide Mr. Bay with many new assistants to fetch him coffee. Mr. Bay wants you to steal Peter’s Jackson new scripts. Mr. Bay wants you to get to Peter Jackson scripts and destroy them before he has the chance to make another, “Lord of the Rings.” Nobody can compete that that.

DARE DEVIL
Give me one good reason why I shouldn't beg Speilberg to revive my franchise right now.

Kobayashi smiles and puts his briefcase on the table in front of him.

KOBYASHI
A gift from Mr. Bay.

He turns and walks out of the room. They look in box.
DEAR DEVIL
He’s got every movie I’ve ever made. ONE!

EXT. ROOFTOP - DAY

Riggs nods to the Jumper.

VADER (JUMPER)

Go away.

RIGGS
My name is Riggs.

VADER
Go away.

RIGGS
I can't do that.
(beat)
What's your name?

VADER
Look, I know all the Jedi mind trick crap, it won't work.

RIGGS
I'm not a Director.

VADER
Yeah? What are you?

RIGGS
A film producer.

VADER
You're late. I have no films anymore.
RIGGS
At least tell me your
name. Look, I gotta fill
out the little piece of
paper. Okay?

VADER
(swallows)
LORD. VADER.

RIGGS
Thanks. 'Preciate it.
(beat)
That L -- V ... ?

VADER
VADER, now get outta here.

Riggs leans out farther, perches on the ledge.
Absolutely calm.

RIGGS
Why are you doing this?

VADER
None of your business.

RIGGS
Fair enough.
(pause; then)
I'm coming out. Take it easy.

Riggs stands, steps out onto the narrow ledge. He seems
unconcerned.

VADER
Don't come near me!

RIGGS
Ssshhh. Easy. I'm just
going to talk.

VADER
Touch me and Vader will
jump.
RIGGS
I understand.

EXT. BUILDING - DAY

On the ground below, Roger Murtaugh reacts with disbelief. His partner is taking an insane risk. Up above, Riggs pauses. Around him the WIND BLOWS treacherously.

RIGGS
You're not the first super villain to think of this, you know. Everyone's franchise ends.

VADER
You don't know crap. Is your film franchise over?

RIGGS
Wrong. Dead wrong.
(beat)
The last film in my franchise tanked at the box office. Seriously. Jet Li was the only decent thing about it.

VADER
(sarcastically)
You're breaking Vader's heart.

Riggs takes out his wallet, flashes it at VADER.

RIGGS
This is the picture of Jet Li kicking me in the face..

VADER
Nice. Go away.
RIGGS
I'm trying to tell you I understand, you dope.

He takes a step closer.

VADER
Don't touch me. I'm not doing anything wrong.

RIGGS
I know that. Not like you're murdering anyone.

VADER
Right. I miss those, 'Force' choking days.

RIGGS
Gotta love that 'Force.' I'm gonna stand beside you, okay?

VADER
No!

(beat)
Dammit, keep away.

RIGGS
Please. This is scary stuff. Like the first movie I directed, "Man Without A Face."
Just...let me stand next to you.

VADER
Don't try nothing.

RIGGS
I try something, we both go.

VADER
Right.

Riggs slowly steps up to the man. Shudders.
RIGGS
There. Damn cold, up here.
(beat)
Helluva day for both of us, huh?
(looks around at the sea of traffic far below)
Here we are.
(beat)
God, this is really scary. I'm scared.

VADER
Me, too.

RIGGS
You wanna talk about crossover film, “RIGGS VS VADER?”
(pulls out cigarettes)

VADER
‘LETHAL VADER,” I like.

Riggs snaps a handcuff on Vader’s wrist. Snaps the other end onto his own wrist.

VADER
Vader is most displeased...

RIGGS
Sorry.
(beat)
See this key?

He holds up the key to the cuffs. Flings it out into space.

RIGGS
We're together on this.
You can go if you want.
But you take me with you. Are you a murderer?
VADER
Does a Sith Lord crap in the woods.

RIGGS
Aaah, I loved you in Empire.

Silence.

VADER
Everybody loves Empire.

And suddenly Riggs turns on him. Eyes like steel.

RIGGS
You wanna jump Sith. You really want to ... ?
(long pause; then)
Fine. Let's do it.

He steps to the edge.

VADER
You are bad ass. Want to become my new apprentice?

RIGGS
You asked for it.

VADER
Hey, wait a minute...!

Riggs does something very drastic. He jerks them both off the ledge. Holy shit. The crowd gasps.

RIGGS
Geronimoooooo ...

As down they plunge, all ten stories -- Tumbling and falling -- VADER shrieking like a lunatic ... And suddenly, BAM -- ! They land in a fireman's net. Bounce a few times. Come to rest, safe and unharmed ... Riggs rolls over with a sour look on his face. Cops surround them. VADER is a trifle upset.
VADER
Get him away from me!!

JOHN CARPENTER
In fact, I don't know if you know this or not, Scary Movie was spawned by horror films... It's a fact. Scary Movie has real horror films pumpin' through its hearts. If you don't believe me, look it up. You see, for hundreds and hundreds of years, the horror director conquered the horror market. And horror directors are bad ass. Way back then, Horror films were like the fear machines. Scary, terrifying. But, once Scary Movie moved in there, they changed the whole horror market. They did so much spoofing with the horror film, they changed the horror-line forever, from scary and terror to laughs and slapstick. I find it absolutely amazing to think that to this day, hundreds of years later, Horror films still carry that scary gene. I'm just history. It's a fact. It's written. Your Scary Movie franchise came from horror films. Your great, great, great, great, great-horror (MORE)
