WE SEE THE LAST FEW MINUTES OF THE PREVIOUS FILM:

SMASH CUT TO:

EXT. CAMP CRYSTAL LAKE, LAKE - FLASHBACK

We are in the scene from the first film. Carl is swimming around looking for Jason, the storm is loud and in its peak. CARL is now quite far from shore, he pops in and out of the water in search of the drowning boy.

CARL  
JASON??!!!

He looks back, he's quite far out. He treads the water for a moment in debate of whether or not he should just turn around. He goes back under.

WE WATCH CARL UNDER WATER, HE GOES PRETTY DEEP, THE WATER BEING SO CLEAN MAKES IT EASY TO SEE IN. IN THE DISTANCE WE SEE WHAT APPEARS TO BE A SMALL PERSON ABOUT TEN FEET DOWN.

Carl swims towards the figure. He goes up quickly for a breath then heads back down. He reaches the figure in a few scary seconds. It's JASON VOORHEES at 11 years old. He is not breathing. Carl grabs him and begins to frantically swim upwards. He reaches the surface and looks back, he's REALLY far now. He looks to the side and sees the forest less than 50 yards away he swims towards it. Jason is still not moving.

CARL (CONT'D)  
Come on Jason.

The boy is weighing him down but Carl keeps moving.

CARL (CONT'D)  
Come on.

Finally he reaches shore.

EXT. CRYSTAL LAKE, SHORE NEAR WOODS - CONTINUOUS

Carl, exhausted pulls Jason up and lays him on his back. Carl stands next to him and tries to tap him awake.

CARL  
Come on Jason!

Jason doesn't move.

CARL (CONT'D)  
Jason come on!!!

Carl begins to perform CPR.

CARL (CONT'D)  
BREATHE!!!

Nothing. Carl keeps going.

CARL (CONT'D)  
Come on!!

Still nothing. Carl keeps trying.

CARL (CONT'D)  
Jason!!!!

SUDDENLY JASON'S EYES POP OPEN. He sits upwards and begins coughing and hacking out water.

CARL (CONT'D)  
Good boy....

Jason spits out all the water and falls back down tired.

CARL (CONT'D)  
It's OK just relax. I'm going to  
kill Simon.

Jason is still catching his breath.

CARL (CONT'D)  
You OK?

Jason slowly nods, and tries to get up, but Carl pushes him back down.

CARL (CONT'D)  
No, stay here. We'll leave in a few  
minutes to get back to the camp. It  
shouldn't be more than a 25 minute  
walk. We can't really go anywhere  
when the storm is like this anyway.

Carl looks up the storm is raging on. He reaches into his pocket and takes out his cell phone. It's soaked, he tries to use it to no avail.

CARL (CONT'D)  
Shit!

He looks back at Jason who is shivering.

CARL (CONT'D)

Jesus.

He helps Jason stand.

CARL (CONT'D)

Come on. I'm going to get us some help.

Jason nods and they head into the woods.

INT. WOODS - CONTINUOUS

Carl and Jason make their way into the woods, its wet and muddy.

CARL

Terrible weather huh?

The joke doesn't go over. Jason looks shocked and sad.

CARL (CONT'D)

What's wrong buddy. You're fine now.

Beat. Slowly Jason speaks.

JASON

People....Simon.

Carl is thrilled Jason is speaking to him, but quickly gets back to the topic at hand.

CARL

Hey Simon cares about you he was distracted.

JASON

He didn't help me.

CARL

That's not true at all. He didn't know you were in trouble.

JASON

He was supposed to know!!

CARL

He just went away for a few minutes.

JASON

I want to be alone.

CARL  
Well when we get back to camp you  
can be.

JASON  
I don't want to go back. I'm  
staying here.

CARL  
No Jason come on.

Jason stands his ground. Carl grabs his arm and starts to  
drag him.

CARL (CONT'D)  
Come on Jason!! Don't be like this!

JASON  
NO LEAVE ME ALONE!!!

Just then in front of them appears something makes Carl  
release Jason immediately A BEAR. Full grown.

CARL  
Jason stay behind me.

Jason does so. The bear continues towards the two. Carl  
covers Jason.

CARL (CONT'D)  
Jason run!!

Jason doesn't need to be told twice, he bolts out of there  
running in the opposite direction of the camp. The Bear sees  
him and goes to follow.

CARL (CONT'D)  
No!

Carl gets in his way, but with an easy swipe of the paw, CARL  
FLIES INTO A TREE AND HIS NECK IS BROKEN INSTANTLY, KILLING  
HIM.

EXT. WOODS, JASON - CONTINUOUS

Jason looks over his shoulder as he sprints along. The bear  
is behind him and gaining. Jason looks to a nearby tree and  
begins climbing it fast. He gets pretty high and looks down  
to see the Bear beginning to climb up after him. Jason looks  
around and sees a branch about 5 feet higher up (he's about  
20 feet now). The Bear is gaining. Jason grabs the branch and  
pulls himself up. He stands there realizing there is not much  
higher to go.

The Bear jumps onto the branch but the combined weight is too much and branch SNAPS OFF COMPLETELY!! The Bear and Jason fall to the ground, the bear lands on top of a large jagged branch and is IMPALED, Jason lands on top of the bear, barely managing to avoid the jagged branch himself. In a moment of panic Jason grabs a large ROCK and begins POUNDING IT INTO THE BEARS SKULL! The bear tries to move after the first blow, but Jason is too strong and keeps them coming. Eventually the bear stops moving, the life gone from it completely. Jason looks around, his hands are covered in blood. He shivers again freezing, he looks around and then down to the dead Bear.

JUMP CUT TO:

EXT. WOODS - LATER

We see Jason has cut the BEARS STOMACH open and pulled out many of its insides. He carries the intestines several yards away and tosses them. We then see him CRAWL INTO the stomach of the bear and lay it down on its stomach hiding him. Then we see several flashlights hitting it. We see a couple of EXAMINERS come into frame.

MAN 1  
What is that?

They move closer.

MAN 1 (CONT'D)  
Is that a bear?

MAN 2  
Yeah. It's dead though.

MAN 1  
We're too far out from the shore.

MAN 2  
You never know, he could be here.

MAN 1  
We need to get closer to the water.  
I doubt the kid is all the way out here.

Man 2 looks around and slowly sighs.

MAN 2  
Alright let's head to the shore.

They move off. We then see Jason peak his head out of the bear's stomach.

PAULINE  
WHO'S THERE??? THIS NEEDS TO  
STOP!!!

Jason runs into the trees. Pauline looks around, holding the shotgun tight. We continue with Jason and we still hear Pauline yelling occasionally. Eventually Jason slows down, he looks back and sighs.

Jason approaches the road, giving up on a life of seclusion. He waits there. It is day time.

INT. HOSPITAL ROOM - DAY

TITLE CARD READS: PRESENT DAY

ALICE, lies in her bed. The scars on her face are somewhat healed but are still Her eyes are open and just staring at the wall. Her DOCTOR enters the room.

DOCTOR  
Hey Alice.

Alice nods.

DOCTOR (CONT'D)  
How you feeling?

ALICE  
Alright I guess.

DOCTOR  
Well cheer up, cause it looks like  
tomorrow may be your last day here.

Alice brightens.

ALICE  
Really?

DOCTOR  
Everything is looking good.

ALICE  
What about Eddie?

DOCTOR  
He's not going anywhere for a  
while.

ALICE  
Is he gonna be OK?

DOCTOR  
Eventually.

ALICE  
Can I see him?

DOCTOR  
Not right now.

Beat.

DOCTOR (CONT'D)  
Alice, Eddie was stabbed twice in  
the stomach. He lost a ton of  
blood. There was quite a bit of  
internal damage. We've managed to  
fix quite a bit of it, but he's  
gonna have to live with a lot of it  
for the rest of his life. What  
we're really worried about is  
actually his mental state.

ALICE  
What do you mean?

DOCTOR  
He's not talking. He blames himself  
for everything that happened.

ALICE  
Maybe if I spoke to him...

DOCTOR  
No Alice. Not yet.

He sees Alice is saddened by this.

DOCTOR (CONT'D)  
Hey cheer up. You'll be out of here  
tomorrow and you can see Eddie  
soon.

Alice slowly nods. Slowly the door opens and SIMON enters, he  
looks worried and is walking with his cane.

ALICE  
Simon!

SIMON  
Excuse me.

DOCTOR  
Yes.

The Doctor looks to Alice.

DOCTOR (CONT'D)  
Keep your chin up huh.

The Doctor leaves. Simon rushes to grab a chair by the bed.

SIMON  
I've been trying to get here for  
days, they told me you guys weren't  
allowed to have visitors.

ALICE  
Yeah.

SIMON  
How you doing?

ALICE  
I'm OK.

SIMON  
Eddie?

ALICE  
He's not doing well Simon.

SIMON  
What's wrong, he's alive right?

ALICE  
Yeah. He just, he blames himself.

SIMON  
Well...

ALICE  
Simon come on.

Beat, Simon seems to say something that he has been bottling up.

SIMON  
I warned him. I warned him three times that it was a mistake to re-open that camp. He didn't listen.

ALICE  
Don't blame him. He feels guilty enough as it is.

SIMON  
He should!

ALICE  
Simon!

SIMON  
Sorry its just...

ALICE  
I know.

Beat.

SIMON  
What happened?

ALICE  
I'm sure you know most of it already. Pamela came back. She killed my friends. She killed everyone.

SIMON  
What happened to Daniel?

ALICE  
Who?

SIMON  
Daniel my therapist. Did she get to him?

ALICE  
Yes.

SIMON

Oh Jesus.

Simon puts his head in his hands.

ALICE

Pamela was about to kill me, he talked her down. I ran out. I don't know what happened. I never saw him again, Burns told me he was dead.

SIMON

He was a good man.

ALICE

He saved my life.

SIMON

What happened to Pamela?

Alice looks at Simon right in the eyes.

ALICE

I killed her.

Simon reacts to this. He takes Alice's hand.

SIMON

Are you OK?

ALICE

Yeah.

She looks away.

SIMON

What's wrong.

ALICE

Nothing I just.

SIMON

What Alice?

Beat.

ALICE

I was happy.

SIMON

What do mean?

ALICE

When I killed her. I was happy.

SIMON  
Well that's understandable

ALICE  
No it's not.

SIMON  
Alice, this woman has tried to kill you multiple times. She's tried to kill me before.

Simon raises his weak leg and for the first time we see he has an artificial foot.

SIMON (CONT'D)  
I would have wanted to kill her too.

ALICE  
It's not the fact that I wanted to kill her or the fact that I did. It's the fact that I was happy she died. I enjoyed it. That scared me more than anything else that has happened to me.

Simon squeezes her hand.

SIMON  
Alice. Don't think like that. You are a good person. You saved Eddie's life.

ALICE  
He didn't even want to be saved.

SIMON  
Sure he did. He may not admit it now, but he did.

ALICE  
I don't think so.

Beat.

SIMON  
Well I guess I better go.

Simon goes to stand.

ALICE  
I saw Jason.

Simon sits back down.

SIMON  
What?

ALICE  
I saw Jason.

SIMON  
Jason Voorhees?

Alice nods.

SIMON (CONT'D)  
Don't be ridiculous.

ALICE  
I'm not!!

SIMON  
Alice, you had just seen your  
friends get killed not to mention  
what happened with you and Pamela.

ALICE  
NO NO!!! I SAW HIM!

SIMON  
He's dead!

ALICE  
He's out there Simon.

SIMON  
OK let's say he is, what then?

ALICE  
We need to find him.

SIMON  
Why?

ALICE  
Because it's our fault he's out  
there!

Simon takes this in.

ALICE (CONT'D)  
This all started with him! All  
started with Jason.

SIMON  
Leave it be. We have to leave it  
be.

ALICE

Simon none of this would have happened if he didn't fall in that water.

SIMON

First of all he was pushed in. By your brother.

ALICE

Don't start the blaming game cause you're going to lose.

SIMON

What do you expect me to do? Take him in as my own?

ALICE

Bring him out. Show the world he's alive.

SIMON

I'm not interested.

Simon gets up and begins to walk out.

ALICE

I'm going to find him.

Simon keeps going.

ALICE (CONT'D)

Eddie saw him too.

Simon stops and turns around right by the door.

ALICE (CONT'D)

I saw Eddie staring at him.

Simon stares at her for a moment.

SIMON

Get some rest.

He leaves Alice alone.

ALICE (CONT'D)  
Oh Jesus!! Oh fuck!

She grabs a nearby knife and looks around. Suddenly all the lights go out.

ALICE (CONT'D)  
Oh my god.

She reaches for a phone in the kitchen she picks it up and we see that it's dead. She slowly puts it back down.

TITLE CARD READS: FRIDAY THE 13TH PART III: HIS NAME WAS JASON.

INT. SHERIFF DARREL BURNS'S OFFICE - DAY

SHERIFF DARREL BURNS, sits at his desk. He looks even more tired and gruff then when we last saw him. He seems to be filling out some kind of paperwork. Just then there is a knock at the door.

BURNS

Come in!

MAYOR ALLISON RILEY enters, she is about 50 and demands respect just with her presence. She has the air about her that is about to give bad news.

BURNS (CONT'D)

Allison.

RILEY

Hi Darrel.

BURNS

To what do I owe the pleasure?

RILEY

I just had lunch with Pauline and she told me something interesting.

BURNS

Is it about the Voorhees kid again. I'm telling you Allison I tried to get her to stop spreading those lies.

RILEY

Not it's not about that. Although it was mentioned.

BURNS

What is it?

RILEY

The night that Charlie and Elsa were killed...

Burns looks down, this is a sore subject.

RILEY (CONT'D)

I don't mean to bring it up...

BURNS

What did she say?

RILEY

She said you had a meeting with Eddie Gersons that night.

BURNS

I did.

RILEY

She also told me you guys had a few drinks after that?

Beat.

BURNS

We did, but I was off duty.

RILEY  
What did I tell you Darrel?

BURNS  
It had been a hard day...

RILEY  
DAMMIT DARREL!

Burns stands up.

BURNS  
I didn't know this was gonna happen.

Riley calms herself down.

RILEY  
You came to me a month ago asking me if I could reverse my OK to re-open the camp. I said no.

BURNS  
Uhuh.

RILEY  
Then you give me this big song and dance about how we need extra security. I go to try and get some and then when we get a no and I ask you to keep a special eye out for Pamela Voorhees you go off and drink.

BURNS  
Maybe you shouldn't have re-opened the camp.

RILEY  
Maybe if you weren't drinking Elsa could have called you and none of that would have happened.

BURNS  
What are you saying?

RILEY  
I took a lot heat two weeks ago after Pamela Voorhees came back. I barely hung on to my job.

BURNS  
I can understand that, I did too.

RILEY

People are angry Darrel, as Mayor I can't just sit around and do nothing.

BURNS

What are you doing Allison?

RILEY

I'm taking your badge Darrel.

Burns is completely enraged.

BURNS

This is more your fault than it is mine. I told you not to allow that camp to re-open.

RILEY

Yeah? Well if you didn't drink on the job you could have saved some lives that night.

BURNS

We had three people Allison!! I had Charlie near the camp and Elsa at the entrance to town.

RILEY

Three people? Please you had two, and they both gave their lives that day.

Beat.

BURNS

I can't believe this.

RILEY

Sorry Darrel.

BURNS

Fuck you. Who's gonna replace me huh?

RILEY

That's yet to be decided. Since Pamela is dead, I'm thinking we have time to find a replacement.

BURNS

This happened 2 weeks ago and NOW you're telling me?

RILEY  
I just had lunch with Pauline  
today.

Burns slowly takes out his badge, takes off his hat and  
throws them on the desk.

BURNS  
Good luck getting someone to finish  
this shit!

He storms out slamming the door behind him!! Riley takes a  
second to compose herself.

INT. SIMON'S APARTMENT - MORNING

Simon limps in with a plate of breakfast, he turns on the tv  
and sits down. He channel hops for a minute then stops on a  
certain channel, he seems shocked at what he is saying.

INSERT ON TV, A NEWS REPORTER IS ON THE SCREEN.

TV REPORTER (ON TV)  
...survivor of the two Camp Crystal  
Lake murder sprees, has been found  
dead in her California home. So far  
the police have no suspects, but  
one thing is for sure it seems for  
whoever was after Alice Cooper, the  
third time was the charm.

Simon's eyes widen.

SIMON  
Jesus.

TV REPORTER (ON TV)  
What the police claim they find the  
most disturbing is Cooper was  
reported to have been stabbed to  
death with a machete, the same  
weapon used in the Crystal Lake  
murder sprees.

The tv turns off. Simon is shocked.

SIMON  
Alice....

INT. TRUCK - MORNING

SIX TEENS sit in the truck. FOUR GIRLS and THREE BOYS. At the wheel is KEVIN ALMONT, 20s good looking, sitting shotgun is his girlfriend SARAH HOLT, 20s stunning,. In the middle section are ZACKERY HOLT, Sarah's brother acne ridden and in his late teens, next to him is ELGA she is gorgeous and in their early 20s. KEVIN

About half an hour.

WYATT

Fuck!

ZACKERY

Are we sure this is a good idea?

SARAH

Zack come on!

ZACKERY

Leave me alone Sarah.

KEVIN

Why wouldn't it be?

ZACKERY

Didn't like 8 people get killed around your aunts place like 2 weeks ago?

JENNA

Yeah but it was like 3 weeks ago, plus That Pamela Voorhees bitch is dead.

SARAH

You're such a pussy Zack.

ZACKERY

Shut up Sarah, get off my back.

WYATT

Pretty pathetic when your sister says that to you bro.

Zackery rolls his eyes.

ELGA  
Can we turn the music down?

KEVIN  
Why?

ELGA  
I've got a headache.

Kevin rolls his eyes and turns down the music.

KEVIN  
There you go grandma.

The chatter in the back seat continues, Kevin leans over to Sarah and speaks discreetly.

SARAH  
Why do I have a feeling your hiding something about this trip?

KEVIN  
Because baby, I am.

He gives her a quick kiss.

SARAH  
OK come on tell me.

Kevin glances back and sees everyone is talking.

WYATT  
Shaving your pubs is gross.

This is the only fragment of the convo we get. Kevin looks back to Sarah.

KEVIN  
You know the camp?

SARAH  
Yeah...

KEVIN  
The one with the murders...?

SARAH  
Uhuh.

KEVIN  
I'm going to bring them out there and leave them there for the night.

SARAH

What?

KEVIN

I'm going to bring them to Crystal lake and lock them in a Cabin for the night.

Kevin laughs, Sarah's smile falters.

SARAH

Kevin that's not funny, you know how Zack gets.

KEVIN

Come on Sarah, we'll get my aunts house all to ourselves.

Beat.

SARAH

Let Zack stay in your aunts house.

KEVIN

That ruins the whole thing. Come on, he'll be fine. You heard Jenna, that Pamela bitch is dead. There is nothing in those woods that can hurt anybody. Except maybe the bears.

Off Sarah's uncomfortable look...

CUT TO:

EXT. ALICE'S HOUSE - DAY

Simon pulls up in his CAR, the house is surrounded by POLICE TAPE, CRUISERS and PARAMEDICS. Simon gets out and heads towards the house, but a UNIFORMED COP stops him.

UNIFORMED COP

Where the hell do you think you're going?

SIMON

Please, that woman was a friend of mine.

UNIFORMED COP

I'm sorry sir, but I can't let you in.

SIMON

Please!!

UNIFORMED COP

Step back.

Simon looks at the Uniformed Cop.

SIMON

She was a friend of mine, do you know who she was?

UNIFORMED COP

No.

SIMON

Then I have more right than you to be here!

UNIFORMED COP

I'm sorry for the loss sir, but I have my orders.

SIMON

Come on, what would you do if you were me. Please, I just want to say bye to my friend.

Beat, the Cop looks Simon over then.

UNIFORMED COP

Sir, I'm gonna have to ask you to leave.

Simon sighs and limps away. He then looks over and sees a WOMAN (BERTHA) sitting on the sidewalk crying. He goes over to her.

SIMON

Excuse me.

Bertha looks up, she is in her mid fifties.

BERTHA

What?

SIMON

Was she your neighbor?

BERTHA

Yes.

Simon looks a little relieved he sits down next to her.

BERTHA (CONT'D)  
What do you want?

SIMON  
Were you home last night, when she  
was killed?

BERTHA  
What are you some kind of  
detective?

Beat.

SIMON  
Sure.

BERTHA  
Yeah, I was here. I already told  
one of those guys.

SIMON  
Can you just tell me, please.

Bertha sighs, she wipes a tear away.

BERTHA  
I was lying in bed and I heard  
something outside. I went to the  
window and I saw someone standing  
on the street corner.

SIMON  
Did you get a good look at them?

BERTHA  
Not really it was dark.

Simon nods.

BERTHA (CONT'D)  
But it was a big son of a bitch. He  
had some kind of blade in his hand.  
I think I saw he was wearing some  
sort of mask.

SIMON  
What kind of mask?

BERTHA  
Yeah like a hockey mask of some  
kind.

Beat.

BERTHA (CONT'D)

I went downstairs to investigate what I'd seen but he was gone. I looked around the house, but I didn't see him. So I figured it was my imagination.

Bertha starts to cry again.

BERTHA (CONT'D)

Maybe had I called the police they would have stopped all this....

SIMON

It's OK.

Simon gets up.

SIMON (CONT'D)

Thanks for your time.

He limps off.

CUT TO:

EXT. PAULINE'S COTTAGE - DAY

ESTABLISHING SHOT OF PAULINE'S COTTAGE IN THE WOODS WE CAN HEAR THE SOUND OF WATER NOT FAR AWAY.

INT. PAULINE'S COTTAGE, KITCHEN - DAY

PAULINE is cleaning her kitchen. She hasn't changed much since we last saw her, but the events that have transpired over the course of the last two weeks seem to have aged her a little more. Her phone rings she grabs it.

PAULINE

Hello? Hey Frank. Yeah I'll be back next week, my nephew is coming in with some friends so I'm gonna take off for the weekend. Yeah. You'll be fine I'm sure. Uhuh. Alright Frank. Bye.

Pauline hangs up and resumes cleaning. Just then the sound of glass SHATTERING catches her attention, she turns around. She seems to be familiar with this.

PAULINE (CONT'D)  
That you again?

She drops her wet sponge and moves out of the kitchen.

INT. PAULINE'S COTTAGE, BASEMENT - MOMENTS LATER

Pauline enters the basement. It's dark, two dangling lights are the only source of brightness in the room. Cobwebs hang from the ceiling, this room has not been used in a very long time.

PAULINE  
You in here?

Nothing.

PAULINE (CONT'D)  
I know it's you Voorhees! I've been  
telling everyone in town you're  
alive.

She looks over and sees one of the windows is shattered. She backs up and hits one of the dangling lights causing it to swing rapidly.

PAULINE (CONT'D)  
Why don't you just come out?

She sees her SHOTGUN nearby and grabs it. She loads it with precision.

PAULINE (CONT'D)  
Where are you boy?

Behind her we see the swinging light SUDDENLY ILLUMINATE JASON VOORHEES for a second, but then he's gone. She turns around.

PAULINE (CONT'D)  
Come on, we both know you're in  
here.

She notices the swinging light and stops it. Just then we see JASON pop up behind her. He stands there a beat looking at her as she continues looking the other direction.

PAULINE (CONT'D)  
Now that I know you didn't drown  
that day, you don't have to hide.

Pauline turns around and sees him, her eyes widen.

PAULINE (CONT'D)

Oh Jesus.

Pauline swings the gun upwards the aim, but Jason grabs the barrel and pushes it forward HARD it causing the butt of the gun to hit Pauline in the face, she stumbles back, dropping the gun and attempting to cover her now bloody nose. Jason, now holding the gun now approaches Pauline.

PAULINE (CONT'D)

Please....I've fed you for most of your life....you owe me....

Jason swings the gun and it hits Pauline in the face, blood splatters and she tries to get up but Jason hits her again and she falls, she begins to convulse a little. Jason continues raining down blows as hard as he can. Jason then grabs Pauline's leg and begins to drag her lifeless body up the stairs.

EXT. TOWN OF CRYSTAL LAKE - DAY

Kevin's truck pulls up and stops near the sidewalk. Kevin and the rest of the group get out.

KEVIN

My aunt said we should pick some stuff up. Sarah, Zack you wanna come with me?

ZACKERY

Sure.

JENNA

What should we do?

ELGA

Yeah, don't really want to just sit in the car.

KEVIN

Grab me some gas.

He throws the keys to Wyatt who catches them.

WYATT

Dude are you serious?

Kevin nods slowly, then:

KEVIN  
FUCK NO! I'll get the gas with  
these two, you guys get the  
groceries.

Wyatt rolls his eyes and tosses the keys back.

WYATT  
Long way to go for a stupid joke my  
man.

Kevin smirks and takes out his wallet, he takes out a small  
wad of cash and hands it to Wyatt.

KEVIN  
Here, use this.

WYATT  
Yeah fuck you.

Wyatt, Jenna and Elga move towards the store.

SARAH  
So you are excluding Zack?

KEVIN  
No, I'm just including you and me.

SARAH  
What?

ZACKERY  
What are you guys talking about?

SARAH  
Kevin wants to spend the night at  
camp crystal lake.

ZACKERY  
What?? Dude you're nuts.

KEVIN  
Fuckoff, who gives a shit? It'll be  
cool.

ZACKERY  
I'm not sleeping there.

KEVIN  
Yes you are.

SARAH

So why are we keeping this a secret now? Cause it sounds like everyone is involved.

Kevin winks and pops the trunk, he takes out a fake machete and a FREDDY KRUEGER mask.

KEVIN

Cause it could be fun.

SARAH

That's not funny Kevin.

ZACKERY

Yeah dude, seriously. Freddy Krueger sucks.

KEVIN

It's harmless.

He closes the trunk. Zack and Sarah share a look.

INT. CONVENIENCE STORE - MOMENTS LATER

Wyatt, Jenna and Elga finish up and grabd there bags.

WYATT

Thanks.

The CLERK waves at Wyatt.

EXT. TOWN OF CRYSTAL LAKE, STREET - CONTINUOUS

Wyatt, Elga and Jenna walk out carrying their bags.

ELGA

You got Tylenol right?

JENNA

Yeah, its in there somewhere.

ELGA

Good this headache is really bad.

JENNA

Is it a migraine?

Elga shakes her head.

ELGA

I get them sometime.

Elga moves ahead a little, Jenna and Wyatt slow down.

WYATT  
Is she sick or something.

JENNA  
No she gets these sometimes. She  
thinks she's phsyic.

WYATT  
Are you serious?

JENNA  
Yeah.

WYATT  
Since when fuck?

JENNA  
Did you not hear?

WYATT  
About what?

Jenna pauses, a bit too long.

JENNA  
She made me promise not to tell  
anyone.

WYATT  
I won't say ANYTHING.

JENNA  
Ok, two months ago, she was in this  
car accident.

WYATT  
She was? Why wouldn't she tell me?

JENNA  
Just listen!

WYATT  
Sorry.

JENNA  
So yeah she was in this car  
accident and she hit her head  
really hard. She had a severe  
concusion...

WYATT  
No she didn't!

JENNA  
Fine, don't listen then.

She goes to walk off, but Wyatt grabs her.

WYATT  
OK, fine tell me.

JENNA  
OK. Well anyway she was unconscious for twelve hours and she told me she had this dream. About the murders that happened here.

WYATT  
What???

JENNA  
Yeah she said it was the most vivid thing she has ever seen. She said she saw them all get murdered.

WYATT  
Holy shit.

JENNA  
She tried to warn the cops but they didn't believe her.

WYATT  
Is she OK?

JENNA  
Well not really, she's been having these visions and they're all coming true. Whenever she gets a headache it usually means that a vision isn't far behind.

WYATT  
I just don't get why Elga wouldn't tell me this.

JENNA  
Well there was something else....

WYATT  
What??

JENNA  
She saw something about you.

WYATT  
What?

JENNA  
She said she saw you...die.

Beat. Wyatt smirks.

WYATT  
Fuckoff.

JENNA  
Hey you fell for it.

Just then RALPH BOYETT, from the first two, APPEARS in front of Elga, once again he slurs his words and appears drunk.

RALPH  
DOOMED!! ALL DOOMED!

ELGA  
What?

RALPH  
I tried to warn them last time!!  
Cursed!

ELGA  
What is this guys deal?

RALPH  
Please!!! God has warned me again.

JENNA  
Who are you?

RALPH  
I'm one of the only ones left.

WYATT  
What are you talking about?

RALPH  
Leave!!! LEAVE NOW!

Ralph is now screaming, Wyatt steps in front of Elga.

WYATT  
Alright calm down buddy.

RALPH  
LEAVE NOW!!

JENNA  
What's he talking about?

RALPH  
It's not over!!! They think it is,  
but its not!! I tried my best!!

Ralph slowly backs off towards his bike.

RALPH (CONT'D)  
If you had any sense you'd run now!

He gets on his bike.

RALPH (CONT'D)  
I saw them die! I saw them all die!

He rides away. After a beat, Wyatt turns to the girl.

WYATT  
You guys fucking with me again?

CUT TO:

INT. EDDIE'S HOSPITAL ROOM - DAY

EDDIE sits in his bed, he appears weak and, like Alice, he has a blank stare. The Doctor from the first scene sits with him.

DOCTOR  
How you feeling today Eddie?

Nothing.

DOCTOR (CONT'D)  
You've been in here for two weeks  
Eddie. You flat-lined twice on the  
table. You lost a ton of blood, but  
you're alive. You're a fighter. Can  
you at least talk to me? Give me  
something here buddy, maybe we can  
get you out of here sooner rather  
than later.

Nothing, the Doctor sighs.

DOCTOR (CONT'D)  
Well it's always good to check up  
on you.

The Doctor leaves. After a beat, Eddie looks to the door and puts his head in his hands. Just then the door opens and SIMON enters, he looks around as if he is perhaps not supposed to be here.

EDDIE  
Simon...?

Simon puts his finger to his mouth and looks back outside.

SIMON  
Hey.

He goes and sits beside Eddie.

SIMON (CONT'D)  
Did you hear about Alice?

Eddie nods.

SIMON (CONT'D)  
I'm sorry. I know the two of you  
were close near the end.

Eddie nods again, there are tears in his eyes.

EDDIE  
The Doctors tried to hide it from  
me, they think it'll cause some  
kind of mental breakdown.

SIMON  
Do you blame them, apparently you  
haven't been speaking ever since  
you woke up.

EDDIE  
What am I gonna say? I have nowhere  
to go, no one to go to. I figure  
the longer they think I'm nuts the  
longer I can stay. Plus you saw  
what happened to Alice...

SIMON  
That's ridiculous.

EDDIE  
Don't preach to me OK. I know what  
I did caused the death of all those  
people. May this actually is the  
right place for me.

SIMON  
It's not your fault those people  
died.

EDDIE

Oh come on! You were right! I should never have re-opened that camp.

SIMON

You know as much as I want to say I told you so. Deep down I never anticipated what happened.

EDDIE

Yeah well it did happen. The only person I could talk to about it, the only person that went through it with me is dead.

Eddie begins to cry a little, he manages to fight back the tears.

SIMON

You can talk to me.

EDDIE

No, you weren't there. It was so much worse.

SIMON

Be grateful. You're alive.

EDDIE

Oh please, after Jason drowned and Pamela went nuts you blamed yourself too. You said it should have been you that was killed not anyone else.

SIMON

That was different. I failed at my job I didn't watch Jason as carefully as I should have. You made a simple mistake.

EDDIE

Well its over now anyway. Nothing I can do about it.

Simon nods.

SIMON

Is it true?

EDDIE

What?

SIMON  
You saw him?

EDDIE  
Who?

SIMON  
Jason.

Beat.

EDDIE  
What makes you say that?

SIMON  
The day before she was killed I  
came to visit Alice. She told me as  
you guys were driving away you saw  
him.

EDDIE  
What does it even matter?

SIMON  
It matters because if he's out  
there I'm going to look for him.

EDDIE  
Jason Voorhees is dead Simon. That  
would be impossible.

SIMON  
Yeah I guess.

Simon stands.

SIMON (CONT'D)  
I should go I'm not even allowed in  
here.

Eddie nods.

SIMON (CONT'D)  
It was good to see you.

EDDIE  
Yeah, you too.

Simon goes to leave when he stops and turns around.

SIMON  
I'm glad you're OK.

Simon exits, Eddie sighs, then:

EDDIE  
SIMON WAIT!

Simon re-enters and looks to Eddie.

EDDIE (CONT'D)  
I lied.

Simon's interest is visibly rising.

EDDIE (CONT'D)  
I did see him. When I woke up in  
recovery I thought it was a dream.  
But I did see him. After we crashed  
he came towards the car. He's tall  
and big, he sure grew up.

Simon smirks a little.

EDDIE (CONT'D)  
He was wearing one of those Hockey  
masks.

Simon's eyes widen.

EDDIE (CONT'D)  
And he was holding Pamela's head.

SIMON  
Are you sure it was him?

EDDIE  
Yeah.

SIMON  
And you're sure he was wearing a  
goalie mask.

EDDIE  
Definitely.

Beat.

SIMON  
I'm going to find him.

EDDIE  
No Simon! See, this is why I didn't  
want to tell you. That town has  
been through enough.

SIMON  
I need to find him.

EDDIE  
No you don't.

SIMON  
Yes I do.

EDDIE  
Why?

SIMON  
Cause he killed Alice.

EDDIE  
What?

SIMON  
One of her neighbors said she saw a  
guy with a goalie mask.

EDDIE  
Oh my god.

Another beat. Simon is clearly thinking.

SIMON  
Come with me.

EDDIE  
What?

SIMON  
Yes, I could use your help. You  
know Sheriff Burns isn't going to  
be all ears.

EDDIE  
I can't Simon.

SIMON  
Why not?

EDDIE  
I've got nothing left.

SIMON  
I'm asking you for help Eddie.  
Please.

Long beat.

EDDIE  
I can't. I'm sorry.

Simon nods.

SIMON

Well thanks for talking to me.

He walks out, and this time Eddie doesn't stop him however the look on Eddie's face suggests he may have wanted to.

EXT. PAULINE'S COTTAGE - AFTERNOON

Kevin's truck pulls up to the cottage and from the outside it looks beautiful. The truck stops and Kevin, Sarah, Elga, Jenna, Zack and Wyatt exit.

ELGA

Wow nice place Kevin.

KEVIN

Thanks.

JENNA

Where's your aunt?

KEVIN

She's away for the weekend.

WYATT

Nice.

Kevin pops the trunk and starts grabbing things, he makes sure to take the machete and the mask. He walks over and pulls out his key, he unlocks the door and heads in, Wyatt grabs some bags and follows. Elga and Jenna head in without anything, leaving Zack and Sarah alone.

SARAH

It's all good girls we got it!

Beat.

SARAH (CONT'D)

Bitches...

ZACKERY

Why did you drag me here?

SARAH

Will you stop.

ZACKERY

I'm sorry, but I was perfectly happy staying home for the weekend.

SARAH

You need to get out more Zack.

ZACKERY

Oh thanks mom.

SARAH

I'm concerned about you.

ZACKERY

Again, thanks mom.

Zack goes to walk into the house.

SARAH

Well at least I'm doing something,  
unlike some people....like mom.

UNKNOWN POV, SOMEONE IS WATCHING THEM FROM FAIRLY CLOSE BY.

ZACKERY

Leave mom out of this.

SARAH

She was an enabler Zack she let you  
stay inside for five years.

Zack stops walking.

ZACKERY

I know it was great!

SARAH

How did that help you?

ZACKERY

Just drop it OK?

SARAH

No, honestly how the hell did it  
help you?

Zack turns around and faces Sarah.

ZACKERY

Sarah leave it!

SARAH

Maybe it helped because by the time  
she'd died you felt you HAD to go  
to her funeral.

ZACKERY

What?

SARAH

Admit it! The only reason you went  
was because she had let you stay  
inside and you felt you owed it to  
her,

ZACKERY

I was agoraphobic!

SARAH

And she did nothing.

ZACKERY

And what are you doing? I'm OUT!!  
Look at me, I'm standing outside,  
what else do you want?

SARAH

You're only here because I'm making  
you come. I wouldn't be surprised  
if I learned the reason that mom...

They are interrupted by Kevin who comes outside and grabs  
more bags.

KEVIN

You guys mind helping me out here?

Zack, looking for an excuse to leave the conversation  
immediately goes and grabs some bags. Sarah stands there  
exasperated, she walks away revealing RALPH standing in the  
woods a ways behind her. Sarah grabs the last bag and shuts  
the truck. She heads inside.

EXT. WOODS - AFTERNOON

Ralph is standing staring at the scene of the house, his bike  
can be seen in the bg. The door closes behind Sarah in the  
distance. Ralph continues to stare at the house, he pulls out  
a small bottle and takes a long swig. Suddenly he hears a  
TWIG snap behind him, he turns around. There is nothing but  
deep woods. He speaks under his breath.

RALPH

Voorhees...

Ralph clumsily gets onto his bike and begins peddling back  
towards the road. Its a bumpy ride and Ralph is not calm.  
More noises begin to be heard. Ralph glances over his  
shoulder and in his haste believes he sees things that are  
simply shadows and weird branches. Ralph stops and continues  
to look around. He is pretty far from the house now.

RALPH (CONT'D)

Hello?

Nothing. Ralph breathes in some relief, when SUDDENLY from the sky a large object falls onto the front of Ralph's bike. Ralph shrieks in fear and falls off the bike. He glances at the object and sees it is PAULINE'S BODY!

RALPH (CONT'D)

Oh my god!

He throws the body off the bike and gets back on, he peddles as fast as he can. In the unfocused BG, we see a large figure (JASON), jump from the tree where he dropped the body. Jason begins to SPRINT after Ralph. Jason is a fast runner. Ralph continues to bike fast, dodging trees. Ralph then makes the mistake to look back for a long beat. SMASH! Ralph collides head first with a tree and flies off the bike. Ralph hits the tree hard. He stumbles off, blood trickling from his head. Jason is no longer in sight.

RALPH (CONT'D)

Help!

His voice is low, he is barely conscious. He stumbles and grabs a nearby tree for support. When he turns around however, JASON is standing right there!!! Ralph clumsily takes a swing at Jason, who easily sidesteps Ralph and shoves him to the ground. Jason then grabs the bent out of shape bike and rips the chain off.

RALPH (CONT'D)

HELP ME!!!

Ralph tries to crawl away, but Jason grabs him by the foot and pulls him back. Jason wraps the bike chain around Ralph's neck and pulls as hard as he can. Ralph tries to fight back but blood begins to trickle from his neck. Ralph then elbows Jason hard in the face and Jason stumbles back releasing his grip on Ralph. Ralph begins to run through the woods, however the chain is STUCK IN HIS NECK!! Jason then grabs the bike again and he violently rips off one of the peddles leaving a jagged piece of metal at the end. Jason begins to sprint after Ralph and he is much quicker. Ralph glances back and sees Jason. When Ralph yells, blood spews from his neck and mouth.

RALPH (CONT'D)

PLEASE HELP!

Jason is too quick and he catches Ralph stabbing him in the back with the peddle. Ralph shrieks and falls on his stomach. Jason gets on his knees and flips Ralph over. Ralph swing upwards and manages a quick punch to Jason's face.

Jason barely reacts, he grabs Ralph's throat and begins to stab him in the FACE with the end of the peddle. After several stabs, Jason stops and looks down. Ralph is dead. His face is completely torn apart. Jason slowly stands and grabs Ralph's foot he drags him away.

INT. COTTAGE (FORMERLY PAULINE'S COTTAGE), ENTRANCE - MOMENTS LATER

The bags are stored by the door. Sarah drops the last bag. She looks into kitchen and sees the rest of the group standing there including Zack. Kevin notices her and comes towards the entrance way.

KEVIN

What's wrong baby? You still bent out of shape because of that prank?

SARAH

No, I'm just worried for Zack.

KEVIN

Oh forget about him.

SARAH

He's my brother Kevin.

KEVIN

You've done enough shit for that guy. If you ask me, it's his turn.

SARAH

I know, I just always think something bad is gonna happen.

Kevin kisses her.

KEVIN

Well don't worry everything will be fine.

SARAH

Yeah. But you're not helping with this stupid joke.

KEVIN

I wouldn't do it Sarah if I wasn't absolutely sure that everyone will be OK.

Just then, Jenna and Elge emerge from the kitchen and head upstairs.

ELGA  
We're gonna set up out room!

KEVIN  
Ok, remember its the one of the  
right not the left.

INT. COTTAGE, GUEST ROOM - MORNING

Elga and Jenna enter and drop their stuff.

JENNA  
How's your head?

ELGA  
A bit better I guess.

JENNA  
Good.

ELGA  
Its just a weird thing, everytime  
I'm in a car I get a headache.

JENNA  
When Kevin drives everyone gets a  
headache.

Beat, they both laugh and start to go through their things.

ELGA  
What do you think of Wyatt?

JENNA  
Oooh, am I sensing a bit of a  
crush.

Elga reddens.

ELGA  
I don't know, he's cute.

JENNA  
You like him!

ELGA  
I don't know...

JENNA  
Well, we are supposed to be going  
for a little bit of a walk  
later....

ELGA

So what?

JENNA

So maybe you should make a move.

ELGA

No. He should do that.

JENNA

He doesn't think you're interested.

ELGA

How do you know all this?

Jenna laughs. Just then Kevin enters.

KEVIN

Come on ladies, time to get moving!

JENNA

Already?

KEVIN

What else is there to do?

ELGA

Its true.

Elga winks at Jenna.

ELGA (CONT'D)

Maybe a walk is a good idea.

Jenna smirks.

JENNA

Alright.

They all exit.

EXT. TOWN OF CRYSTAL LAKE, STREET - AFTERNOON

A car pulls into town. It pulls over to the side and SIMON exits it. He looks around and again we see that the town is pretty empty.

SIMON

I hate this place.

He looks up to a building across the station. It appears to be the Sheriff's station, he enters.

INT. SHERIFF'S STATION - CONTINUOUS

Simon enters and approaches the nearby RECEPTIONIST.

RECEPTIONIST  
How may I help you?

SIMON  
I'm looking for Sheriff Burns.

RECEPTIONIST  
I'm sorry Mr. Burns is away at the moment.

SIMON  
When will he be back?

RECEPTIONIST  
I'm sorry I don't know.

Simon looks to his right and sees Allison Riley enter Burns's office.

SIMON  
Who's that?

RECEPTIONIST  
That's Mayor Riley sir.

SIMON  
I'll talk to her, thank you.

Simon makes his way towards Burns's office.

RECEPTIONIST  
Sir, I'm sorry you can't go in there.

Simon ignores her and barges into the office.

INT. SHERIFF DARREL BURNS'S OFFICE - CONTINUOUS

Simon walks in and sees Riley sitting at Burns's desk. She looks incredibly exasperated as she flips through Burns's paperwork. She looks up to see Simon.

RILEY  
Can I help...

Just then the receptionist bursts in. Riley then seems to recognise Simon.

RECEPTIONIST

I'm sorry Madam Mayor I tried to stop him.

RILEY

Its OK, Martha.

The Receptionist nods and leaves.

RILEY (CONT'D)

A Crystal Lake hero in the flesh. We could have used you three weeks ago.

SIMON

I try not to make it a habit to stop serial killers on my downtime.

RILEY

Witty. What can I help you with?

SIMON

You've got a problem here again. It's only a matter of time before something like three weeks ago happens again.

RILEY

What do you mean?

SIMON

Jason Voorhees.

RILEY

The boy who drowned?

SIMON

Yeah.

RILEY

What about him?

SIMON

He's still alive.

RILEY

Oh god, this is old. I've heard this story from Pauline several times.

SIMON

What about Alice?

RILEY

Who?

SIMON

The girl who killed Pamela Voorhees  
and saved Eddie Gersons life.

RILEY

What does she have to do with this?

SIMON

She was killed last night.

Riley is suprised, she didn't know.

RILEY

I'm sorry to hear that. But I don't  
know what that has to do with Jason  
Voorhees.

SIMON

He killed her.

RILEY

OK, that's enough. I don't have  
time for this.

SIMON

What do you mean you don't have  
time?

RILEY

I'm buried in a pile of paperwork  
up to my fucking eyes. I don't have  
time to go chasing ghosts in the  
woods.

SIMON

He was seen!!! Alice saw him, Eddie  
Gersons saw him and a neighbor of  
Alice's saw him minutes before she  
was killed.

RILEY

Alice and Eddie had been through  
quite an ordeal, its not surprising  
that they have thought...

SIMON

NO! NO!

Simon looks around.

SIMON (CONT'D)  
Where is the Sheriff?

RILEY  
He's been relieved of his duties.

SIMON  
What?? Why?

RILEY  
I don't have to explain myself to you.

SIMON  
Where is he?

RILEY  
I don't know.

SIMON  
Where does he live?

Riley sighs.

RILEY  
On Shester.

Simon nods and goes to leave.

RILEY (CONT'D)  
Simon listen, you've been through something I would not wish on my worst enemy, but its time to let go. Jason Voorhees death was a tragedy, but he is dead. Leave it.

Simon, who has stopped, ignores her and exits the office.

RILEY (CONT'D)  
Christ.

EXT. WOODS, NEAR PAULINE'S COTTAGE - DUSK

It's beginning to get dark, Kevin and Sarah walk ahead of the group, which is obviously Wyatt, Elga, Zack and Jenna. We stay with Kevin and Sarah.

KEVIN  
I'm gonna bring you guys to a cabin, I'm gonna tell the story then go outside and lock you guys in.

SARAH

This is so retarded they're just gonna break a window.

KEVIN

Not when I pretend to die and then dress up as Freddy Kreuger.

SARAH

How old are you?

KEVIN

For god's sake baby, it's just a fucking prank.

SARAH

It's not funny Kevin, especially with what's been happening around here lately.

KEVIN

I think it makes it more appropriate, people need to lighten up a bit you know?

Sarah sighs, she knows there is no way to convince him.

TO THE REST OF THE GROUP:

ZACKERY

This vacation sucks.

WYATT

Dude your sister is right, you are a pussy.

ZACKERY

Shut up.

Elga comes up next to Wyatt.

ELGA

Can I talk to you?

Wyatt looks surprised but nods, and they fall back a little, leaving Jenna and Zack.

ZACKERY

What's up with them?

JENNA

Oh they're dating.

ZACKERY  
Really?

JENNA  
Yeah.

Zack smirks, they walk in silence for a moment.

JENNA (CONT'D)  
So what's your deal?

ZACKERY  
What do you mean?

JENNA  
Why are you so uptight?

ZACKERY  
Wow you don't beat around the bush  
do you?

JENNA  
Why would I?

ZACKERY  
Cause we barely know each other.

JENNA  
Well I'm making an effort.

Zack snorts.

JENNA (CONT'D)  
Come on! Throw me a bone here.

ZACKERY  
This is kinda the first vacation  
I've ever been on in the woods.

JENNA  
You mean since your mom died?

ZACKERY  
No, ever. Actually this is my first  
vacation period.

JENNA  
That doesn't explain anything,  
vacations are a good thing.

ZACKERY  
This is kind of personal.

JENNA  
I'm not going to tell anybody.

Beat.

ZACKERY  
I was agoraphobic.

JENNA  
Oh, I didn't know that.

ZACKERY  
As I said it was personal.

JENNA  
Well yeah, but Sarah is my best friend, I figured she would maybe tell me.

ZACKERY  
I think she was a little ashamed.

JENNA  
Well she had no reason to be.

Zackery smiles. He looks at Jenna, they share a moment, then continue on.

POV, SOMEONE IS WATCHING THEM AS THEY WALK, IN THIS VIEW POINT WE CAN SEE WYATT AND ELGA TALKING IN A MUCH MORE INTIMATE SENSE.

We pull back to see the shoulder of the onlooker, its clearly JASON.

EXT. CRYSTAL LAKE, STREET - DUSK

Simon's car drives down the street, it stops in front of a HOME with the Sheriff's car parked outside it. Simon gets out of the car and limps towards the house. He knocks on the door. After a beat, Burns answers the door.

BURNS  
Simon?

SIMON  
Hey Sheriff.

BURNS  
What the hell do you want?

SIMON  
I need to talk to you.

Burns looks uncertain, Simon usually comes with trouble.

SIMON (CONT'D)  
5 minutes.

Burns sighs.

BURNS  
5 minutes?

SIMON  
Not a second more.

Burns nods and opens the door. Simon enters.

INT. SHERIFF DARREL BURNS'S HOUSE, ENTRANCE WAY/LIVING ROOM -  
CONTINUOUS

Simon enters, the house is cluttered, pizza boxes, old packages of many kinds and many many many beer bottles lie on the floor.

BURNS  
Sorry for the mess.

Simon clears a place on the couch and sits down. Burns sits across from him.

SIMON  
I see you've taken care of yourself.

BURNS  
The last few years haven't exactly been the easiest. Especially the last few weeks.

SIMON  
I heard you were fired.

BURNS  
Yeah well, I drank on the job. What do you expect?

Beat.

BURNS (CONT'D)  
So, what do you want?

SIMON  
I need your help.

BURNS  
With what?

SIMON  
He's still alive Sheriff.

Burns chuckles.

BURNS  
Call me Darrel, why be formal  
anymore.

SIMON  
OK Darrel...

BURNS  
Who's alive?

SIMON  
Jason Voorhees.

BURNS  
Oh god, not you too.

SIMON  
I didn't believe it when I first  
heard it either.

BURNS  
What changed your mind?

SIMON  
Alice's death.

Burns is surprised to hear this.

BURNS  
What?

SIMON  
Alice was killed last night.

BURNS  
What happened? I thought she was  
still in the hospital.

SIMON  
She got out, she was murdered a few  
hours after she got home.

BURNS

Oh god.

SIMON

Jason killed her.

BURNS

Oh for god sake Simon, listen to yourself! You sound crazy!!

SIMON

What about the man Alice AND Eddie saw? He matches the description of the person seen outside Alice's apartment. She only lives 25 minutes away from here.

Burns looks down.

BURNS

No one wants that boy to have survived that day more than me. Maybe it would have prevented all this, but we have to live with our mistakes.

SIMON

What if he is alive?

BURNS

Ok fine, what if he is Simon? Then what? You want to just let him back into civilization?

SIMON

No he needs help, he needs help before he hurts anyone else.

BURNS

This is nuts!

SIMON

Is it? I need your help. Help me find the boy that we couldn't save.

Burns sighs.

BURNS

If he is out there, why do you think we couldn't find him?

SIMON

Maybe he didn't want to be found.

BURNS

That's insane! Why wouldn't he want to be found?

SIMON

It's true! He had a wonderful mother! Great friends! Man he was popular!

BURNS

Alright, I get your point.

Small beat.

BURNS (CONT'D)

So what? You want to just go driving into the woods and start yelling his name?

SIMON

I haven't got that far. I just know you have a better chance of finding him now than you did before.

BURNS

Why?

SIMON

Cause I'll be there. I think he has unfinished business with me. I'm the reason this happened.

BURNS

That's not true. You could have prevented it, but you didn't cause it.

Simon, seeing Burns weakening goes for the kill.

SIMON

Help me find him. Let's fix this. We've been there since the beginning where all this shit started. Finish it with me.

Burns takes a long beat.

BURNS

Alright.... I'll help you look for him, but under one condition.

SIMON

Name it.

BURNS  
If we don't find him, you accept  
the fact that he is dead.

SIMON  
OK.

BURNS  
And if we do find him and he can't  
be persuaded to come back into  
society, then he is a murderer in  
my eyes and I will shoot him dead.

Beat.

SIMON  
Fine.

INT. MAYOR RILEY'S CAR - DUSK

It's getting pretty dark. Riley is driving her car through the dirt road which clearly leads in the general direction of Camp Crystal Lake. Just then her phone vibrates loudly. Riley leans over and answers it.

RILEY  
Riley speaking. Martha... don't  
worry about it. Just go home for  
the night. Well that's what I'm  
doing. Ok... OK I'll see you  
tomorrow... OK.... Martha I'm  
almost home I'm gonna lose  
you....OK well don't...

Then with a quick beep Riley's phone loses it's signal.

RILEY (CONT'D)  
Shit! Really gotta get that fixed.

Just then in the corner of her eye FLASHLIGHTS can be seen in the woods a fair distance away.

RILEY (CONT'D)  
Who the hell?

Riley stops the car and gets out.

EXT. DIRT ROAD - CONTINUOUS

Riley gets out of the car and we can see the flashlights about quite far away.

RILEY

Hello?

The flashlights do not change their apparent course.

RILEY (CONT'D)

Shit, they're going to the camp!

Riley turns to go back in her car, but JASON is standing right there.

RILEY (CONT'D)

Oh my....

Jason grabs her roughly causing her to scream. She pushes and shoves against him to no avail, he opens the car door and sticks her head inside it, he then shuts it quickly, cause blood to squirt out. He does this repeatedly and Riley' cries slowly cease. He then drops her dead body to the floor and looks at her destroyed head, admiring his work.

INT. SHERIFF DARREL BURNS'S HOUSE, ENTRANCE WAY/LIVING ROOM - LATER

We can tell it is now fully dark outside. Simon sits in the living room waiting. Burns enters, he holds an object wrapped in cloth, he unwraps it to reveal a GUN. He loads it then hands it to Simon.

BURNS

In case.

SIMON

Don't want it.

BURNS

Simon...

SIMON

No.

Burns sighs.

BURNS

You said we would do this my way.  
Take the gun, I don't want another  
dead body on my hands.

Simon slowly takes the gun and stuffs it in his pants.

BURNS (CONT'D)

You ready?

SIMON

Yeah.

Burns puts on his coat and heads for the door, Simon follows suit.

EXT. WOODS - LATER

The group, now split into three small groups walks in the forest. Leading the pack are Kevin and Sarah, behind them are Zack and Jenna and in back of them are Elga and Wyatt. Sarah stops walking.

SARAH

Did you hear that?

KEVIN

What?

SARAH

The screaming.

KEVIN

Don't worry about it baby, its the woods, everybody screams in the woods.

SARAH

Oh, yeah thanks for comforting me.

Elga then runs up to the two of them, Wyatt still behind.

ELGA

Did you guys hear that?

KEVIN

Yes, will guys please relax.

Kevin Sarah and Elga stop, Jenna, Zack and Wyatt catch up to them.

KEVIN (CONT'D)

Will you guys all please calm down. There is nothing in the woods, but us and a couple of locals.

WYATT

Dude I heard the screaming too, there was something weird going down.

KEVIN

You guys are all a bunch of pussies.

JENNA

I agree guys, we need to chill and just have some fun.

Zack nods, surprisingly.

ZACKERY

Yeah sometimes you just need to let loose, right Sarah?

He looks to Sarah, who seems to have put her foot in her mouth. Jenna smiles in Zack's direction, which only encourages Zack even more.

ZACKERY (CONT'D)

I think Kevin is right on the money and we should go to that camp for a bit. There is nothing to worry about. How far are we anyway Kevin?

Kevin turns his flashlight and it illuminates a sign which reads: Camp Crystal Lake, Next Exit.

KEVIN

Lets get moving.

The group trudges forward. Sarah stays behind and grabs Zack.

SARAH

What the hell was that?

ZACKERY

You were right. I need to enjoy myself.

SARAH

Why do you have to do it in spite?

ZACKERY

Maybe I'm just trying to have a good time.

SARAH

I just don't get why you're always budding heads with me.

ZACKERY

Just leave it alone Sarah.

Zack goes to walk away, but Sarah grabs him.

SARAH  
No answer me.

ZACKERY  
Stop it! You're not mom.

SARAH  
I'm your sister!

ZACKERY  
Exactly! I don't need this shit  
from you all the time.

SARAH  
Zack, tell me why you're so mad at  
me!

Zack stops for a second then starts to nod.

ZACKERY  
Well I didn't respond well to the  
fact that you think I caused Mom to  
commit suicide.

SARAH  
I didn't mean that and you know it.

ZACKERY  
Don't give me that shit, you meant  
it.

SARAH  
Stop being so selfish. Every time I  
say anything you bring it back to  
you.

ZACKERY  
I'm sorry OK. I'm just trying to  
have a good time. I thought you of  
all people would be happy I'm doing  
that.

He walks off towards the rest of the group. Sarah stays there  
a minute then moves toward the group as well.

EXT. TOWN OF CRYSTAL LAKE, STREET - NIGHT

Simon stands next to Burns's car, he holds the pistol in his  
hands.

SIMON  
Shit.

Just then Burns exits the house holding a shotgun. He goes over to the car and pops the trunk.

SIMON (CONT'D)  
Is that really necessary?

BURNS  
I told you, he is a murderer in my eyes. If he doesn't come peacefully I'm taking him down.

SIMON  
Well we should also avoid trying to scare him.

BURNS  
Listen, I don't even think he is still alive, so we're going to do this my way, or you can look for him on your own.

Beat, Simon stuffs the gun into his pants.

BURNS (CONT'D)  
You ready?

SIMON  
Yeah.

Burns gets into the car. Simon follows after a beat.

EXT. CAMP CRYSTAL LAKE, ENTRANCE AREA - NIGHT

Kevin and Sarah lead Jenna, Zack, Wyatt and Elga through the entrance of the camp.

WYATT  
OK, we're here, now what?

KEVIN  
Hey man, we're in a crime scene right now. Over 10 people we're killed here.

SARAH  
Wow baby, you're really good at convincing people to calm down.

KEVIN  
You guys are really getting annoying. Come on, let's shack up in one of the cabins.

ELGA  
This is fucking stupid, let's go  
back to the cottage.

WYATT  
Well we came this far. Might as  
well see it through.

JENNA  
Agreed.

Jenna starts making her move towards one of the cabins.

JENNA (CONT'D)  
I'm going to cabin A. Anyone want  
to join me?

She continues on.

KEVIN  
That's more like it!

Kevin starts making his way too. Zack smirks and follows as  
does Sarah. Elga and Wyatt are the last ones left.

ELGA  
I'm thinking maybe, we should head  
to cabin B.

Wyatt smiles, Elga then places her hand on Wyatt's chest.

ELGA (CONT'D)  
What do you think?

WYATT  
Um...I don't have.....

ELGA  
We can make do.

Elga leans forward and kisses Wyatt gently.

WYATT  
Ok.

They slowly make their way to another cabin.

INT. CABIN A - MOMENTS LATER

Jenna enters the cabin, followed by Kevin, Sarah and Zack.  
They dump their stuff on the floor and grab a seat on the  
beds.

KEVIN  
Where are Wyatt and Elga going?

JENNA  
Leave them.

KEVIN  
But the whole...

SARAH  
Let them do their thing Kevin.

Kevin sighs and grabs his bag.

KEVIN  
I'm going to explore. Who's coming?  
He winks at Sarah, who rolls her eyes.

ZACKERY  
We just got here.

KEVIN  
So? You coming?  
He winks obviously at Zack.

ZACKERY  
No thanks, I'll just stay here.

JENNA  
Me too.

Sarah grabs her flashlight and her and Kevin leave the cabin, shutting the door behind them.

INT. CABIN B - MOMENTS LATER

Wyatt and Elga are making out and are slowly undressing each other.

WYATT  
This is awesome!!

ELGA  
Shut up, you'll ruin it!

She pushes him down onto a bed and gets on top of him. Wyatt quickly flips her over and pins her down. He then goes down and they begin to kiss passionately. As they continue we pan back and we can see JASON in the window watching.

INT. MAIN HALL - CONTINUOUS

Kevin and Sarah enter the hall. Kevin puts his bag down and begins to pull out supplies for his prank.

SARAH  
Kevin....really? Really?

KEVIN  
Stop fucking bitching, its a harmless joke. It's even better now that Wyatt and Elga are in a different cabin.

He pulls out the Freddy Krueger mask and puts it on. It's actually a cool mask.

KEVIN (CONT'D)  
Do I look sexy or what?

Sarah smiles in spite of herself.

SARAH  
You are so immature.

KEVIN  
No, I'm what nightmares are made off.

He then takes out his fake machete.

SARAH  
You look retarded.

KEVIN  
In a hot way?

SARAH  
No in a retarded way.

Kevin rolls his eyes and pulls out two locks with their keys inside them.

SARAH (CONT'D)  
So you're gonna lock them in, peak in the windows a few times, then what?

KEVIN  
Then you and me trek back to the house.

He goes up to her and touches her shoulders softly.

KEVIN (CONT'D)  
It'll be fun.

SARAH  
What was the point of inviting them then? If you're just gonna leave them in the cabins why didn't they just stay home?

KEVIN  
Cause its hilarious.

Sarah sighs.

KEVIN (CONT'D)  
Wait here, I'll be back in a bit.

SARAH  
Don't leave me here Kevin, its freaky.

KEVIN  
Don't worry.

Kevin flicks a switch next to him and a light flickers on illuminating the hall, there is a large blood stain of the floor where Jessica's body once lay. Sarah sees it.

SARAH  
Oh my god!

KEVIN  
Nice.

Kevin goes closer and looks at it.

KEVIN (CONT'D)  
Thats awesome!

SARAH  
What the fuck is wrong with you?

KEVIN  
Oh god, just stay here.

Kevin runs out of the hall. Sarah stays there for a beat. She looks around.

SARAH  
Oh god.

Just then Kevin runs back in and rips off the mask.

KEVIN  
Shit, hide, someone's here!

SARAH  
Who?

KEVIN  
I dunno, just hide.

They both grab their stuff and hide under a table.

EXT. CAMP CRYSTAL LAKE, ENTRANCE AREA

Burn's car pulls up, and him and Simon exit the car. Burns pops the trunk and pulls out the shotgun, he loads it quickly and joins Simon who has the flashlight.

BURNS  
I don't think he'd be here.

SIMON  
Why not? It's got beds, recently food I think if he's anywhere its gonna be here.

Burns nods.

BURNS  
Fair enough. Let's start with the main hall.

Simon nods and they head for the hall.

INT. MAIN HALL - MOMENTS LATER

Simon enters first followed by Burns with his gun at the ready.

KEVIN AND SARAH'S POV OF BURNS AND SIMON'S FEET

Kevin has Sarah's mout covered.

SIMON  
I don't think he's in here.

BURNS  
VOORHEES!?

Sarah squirms at the sound of the name.

SIMON  
Lets check the cabins.

Burns slowly nods he gives the room one last look, then slowly walks out with Simon.

Kevin slowly lets go of Sarah's mouth and breathes out a sigh of relief.

SARAH  
Who were they looking for?

KEVIN  
No idea, doesn't matter though cause as soon as they leave, I'm pranking.

SARAH  
What if they find them in the cabins.

Beat.

KEVIN  
Fuck. Well hopefully they saw the car.

INT. CABIN A - MOMENTS LATER

Zack and Jenna are crouched under the window, the flashlight light is shining over them into the cabin.

ZACKERY  
Who the fuck is that?

JENNA  
Who knows. Just don't move.

EXT. CAMP CRYSTAL LAKE, CABIN AREA - CONTINUOUS

Simon shines the light into cabin.

BURNS  
You see something I don't?

SIMON  
No. Shit! Maybe he's out near Paulines house. She said she used to have break-ins. She always thought it was Jason.

BURNS

Uhuh. Well, I still have my doubts,  
but if you want to check there we  
can.

Simon sighs, he flashes the light around the camp again.

UNKNOWN POV SOMEONE IS WATCHING FROM THE WOODS, BURNS IS  
CLEARLY SEE, WHEREAS SIMON IS NOT. WHOEVER IS WATCHING CANNOT  
MAKE OUT SIMON.

Simon brings the flashlight back down.

SIMON

He's not here. Let's check  
Pauline's house.

BURNS

OK.

Burns and Simon turn and start heading back towards the car.

INT. CABIN A - CONTINUOUS

Zack and Jenna stare out the window, watching Simon and Burns  
leave.

ZACKERY

Wow some Sheriff.

Jenna snorts.

JENNA

Oh man.

ZACKERY

This is retarded.

JENNA

Hey you said it yourself, its good  
to get out.

We can hear Burn's car starting and driving off.

JENNA (CONT'D)

Well they're gone.

Zack nods, him and Jenna sit against the wall below the  
window, they share another moment.

JENNA (CONT'D)

So how did you do it?

ZACKERY  
How did I do what?

JENNA  
How did you defeat your fear?

ZACKERY  
You mean my agoraphobia?

JENNA  
Yeah?

ZACKERY  
I kind of just snapped out of it. I didn't allow myself to be afraid anymore.

JENNA  
Why?

Beat.

ZACKERY  
My mom died. The first time I went out in 4 years was to her funeral. I owed her that. After she took care of me for so long. It was the least I could do. Since I was the reason she died.

Zack starts to tear up. Jenna puts her hand on his face.

JENNA  
Hey, thats not true.

ZACKERY  
Yes it is. I made life hell for her. She killed herself, and it was all my fault. You wanna know the strangest thing?

We can tell Jenna didn't know that Zack's mom committed suicide, but she hides the shock well.

JENNA  
What?

ZACKERY  
My mom would go away on weekends, just to get away you know? Those weekends were always a scary concept for me, cause I was losing the person who could calm me down the best.

(MORE)

ZACKERY (CONT'D)

I always thought I would have one of my attacks and no one would be there to calm me down. But the strange thing was, was that when she was away I would never panic. I just wouldn't, because I knew I wouldn't know what to do.

Zack is now blubbering.

ZACKERY (CONT'D)

So every time she went away, I would be calm, I wouldn't allow myself to freak out. Which is what made it worse. When she would come back, I knew it was OK to freak out now, cause she would be there to comfort me. She would be able to help, and as soon as she would walk in the door I would start to scream. Who could deal with that? Who wouldn't kill themselves? And now she's gone, and its like a permanent weekend. I would trade anything to get my mom back. To show her how much I've improved. Just to thank her for all she's done for me. But I can't....and she couldn't live the happy life she deserved. She had to take care of me all the time.

Zack is now crying. Jenna is a little teary too, she reaches out and takes his head and places it on her shoulder. Just then there is a sound at the door, as if someone is locking it.

JENNA

What the hell is that?

They both stand, Zack wipes his remaining tears away. They run over to the door and try to open it, but it's locked.

JENNA (CONT'D)

Hello?!

ZACKERY

Oh shit, it's Kevin's stupid prank.

JENNA

What?

ZACKERY

He's locking us in here.

JENNA  
KEVIN!!!

EXT. CABIN A - CONTINUOUS

Kevin finishes locking the door, he smiles, we can heard the pounding of Zack and Jenna inside. Kevin laughs, he takes out the next lock to go to cabin B, but when he turns around JASON is there.

KEVIN  
Who the fuck are you?

Jason just stands there holding the machete.

KEVIN (CONT'D)  
What the fuck?

Jason then grabs Kevin roughly.

INT. CABIN B - CONTINUOUS

Wyatt and Elga lie next to each other naked.

ELGA  
Wow. That was great.

She leans over and kisses Wyatt, who smirks. He then gets out of the bed and begins to get dressed.

ELGA (CONT'D)  
Where are you going?

WYATT  
You should go see the rest of the group.

ELGA  
Why?

WYATT  
Well what do you want to do, snuggle?

ELGA  
Fine.

She's not happy, and Wyatt knows it.

WYATT  
What?

ELGA  
Nothing its fine.

Elga gets up and starts to get dressed.

WYATT  
Seriously whats wrong?

ELGA  
I just, thought maybe we can hang  
out a bit.

WYATT  
We just did.

Elga slowly nods.

ELGA  
I see.

WYATT  
Come on baby don't be like that.

ELGA  
I am so not your baby.

Elga goes to the door and tries to open it but its locked.

ELGA (CONT'D)  
What the hell?

Wyatt, pissed, goes to the door and tried to open it.

WYATT  
Ahh fuck, probably fucking Kevin.

Wyatt back up and charges at the door, it does nothing.

ELGA  
Wow, my hero.

WYATT  
Shut up!

Beat. They stand there.

EXT. DIRT ROAD - SAME TIME

Burn's car is pulled over next to RILEY'S CAR which sits with its driver door open, and with a huge puddle of blood on the ground. Simon and Burns stand there.

SIMON  
Who's car is this?

BURNS  
Mayor Riley.

SIMON  
Shit, maybe we should call the  
authorities.

BURNS  
No, not yet.

SIMON  
What? Why?

BURNS  
If Voorhees is out there and he did  
this, then obviously he knows these  
woods and we would never find him.  
We have a better chance of trapping  
him if he doesn't hear the sound of  
sirens 20 minutes before they get  
here.

SIMON  
But we may be dealing with another  
murder here, enough's enough.

BURNS  
Trust me on this. If we don't find  
him, or Riley by morning I'll call  
the police.

SIMON  
It may be too late by then.

BURNS  
I'm gonna tell you this one more  
time. You agreed to do this MY way!

SIMON  
What needs to happen for you to  
realize this is over both our  
heads.

BURNS  
We don't even know where she is!

SIMON  
I think the blood is a pretty huge  
fucking clue.

BURNS

This isn't going to work if you don't listen to me!

SIMON

This isn't even about finding Voorhees for you is it!?

BURNS

What the fuck are you spitting on about?

SIMON

You just want to find Jason to get back at the town, cause your angry, you have no interest in saving anyone!

Burns reddens.

BURNS

Don't you dare judge me. I have made soo many sacrifices for this town, that you wouldn't and couldn't even begin to imagine.

SIMON

Bullshit! You've done nothing except sit on your ass. Where were you three weeks ago when my friends needed you?

BURNS

Don't you dare!

SIMON

Oh yeah I remember sitting on your ass again drinking your face off.

Burns hauls off and punches Simon hard in the chin. Simon stumbles and tries to deliver one back, but Burns parries the blow and hits Simon again, sending Simon down hard on the road.

BURNS

YOU DON'T LIVE HERE!!! YOU DIDN'T HAVE TO DEAL WITH THOSE PEOPLE!! THE PARENTS OF THE COUNSELORS, THE PARENTS OF THOSE TWO BOYS!!! YOU DIDN'T STAND THERE AS THEY ATTEMPTED TO IDENTIFY THE BODIES WHICH WERE HACKED TO SHIT!!

(MORE)

BURNS (CONT'D)  
YOU MAY HAVE SAVED A LIFE THAT DAY,  
BUT YOU DIDN'T HAVE TO LIVE WITH  
THE LOOKS IN THE PARENTS EYES.

Burns takes a second to calm himself.

BURNS (CONT'D)  
And don't act like you're here for  
some heroic rescue.

SIMON  
What?

BURNS  
You came out here to die Simon. I'm  
not stupid, I know why you didn't  
want guns involved. You feel guilty  
about the kid's death and you want  
him to punish you. You've been dead  
since that day and everyone knows  
it. You came out here to make it  
official. You had zero intention on  
saving Voorhees. At least I'm  
trying to help someone.

Simon doesn't respond, he knows it's true. He tries to get up  
to lunge at Burn's again, but Burns punches him again in the  
face. Simon falls back down.

BURNS (CONT'D)  
Fuck you. You can walk back.

Burns gets in his car and drives off. Simon lays there.

INT. CABIN B - CONTINUOUS

Wyatt and Elga are knocking on the door again.

WYATT  
Fuck this, I'm breaking the window.

Wyatt goes and grabs a chair he readies himself to throw it  
at the window.

ELGA  
Wyatt don't!!

SMASH!! But it wasn't Wyatt something large has been flung  
into the cabin threw the window. ITS KEVIN!!! He is hog tied  
and is no longer wearing the mask or holding the machete, he  
bleeding all over, but is still alive, he is attempting to  
scream, but something seems to be blocking his voice. Elga  
screams!! Wyatt goes over to him.

WYATT  
Oh fuck!! Oh shit Kevin!

Kevin looks up and we can see his EYES ARE GONE!!! Wyatt freaks out and stumbles back. Kevin again tries to scream, but appears to be choking. Wyatt turns to Elga.

WYATT (CONT'D)  
Go get help!!

ELGA  
What the fuck am I supposed to do.

WYATT  
Go get the others.

Elga slowly nods.

ELGA  
But whoever did this is still out there.

Wyatt sighs.

WYATT
