JACK

No matter what it takes, my son

PHONE VOICE

Not if we operate soon, but this
operations Is very expensive, and I mean

Jack looks as his son as he continues to play, so young an innocent.

JACK

CUT TO. BACK TO INSIDE OF CAR - DAY

PHONE VOICE

Im sure I wouldn't, but look you found me,

JACK

Hey Im a low life murderer and we both

PHONE VOICE

Hell yeah I know,

JACK

Now im not leaving this business because
of feelings, I didn't give a shit who I was
assigned to kill as long as the money was good,
less would give a shit about them now that
they are all 6 feet under

PHONE VOICE

Im just saying Jack, you are pretty good at
what you do, you've never left a mess behind.

JACK

But im smarter than that, I know if I stay

like me... and because of that all im worth
is a gun and few bullets

PHONE VOICE

If this is truly you last time, It was
a pleasure to work you as you already know,
now come and get you money.

JACK

CUT TO. BUS STOP - 7 MILE BEACH - DAY

JACK

Hey how often the bus passes thru here?

GUY

About every 10 minutes... but yoh listen to this, they say a witness saw a blue Toyota Camry leaving the area after she heard the shoots, and was smart enough to get the plate numbers

JACK

ha-ha, a snitch ass person always sees something

GUY

I wouldn't call him a snitch, as long as their isn't a killer running around my town I don't give a shit what you call me, you feel me

JACK

Im jus saying, im sure whoever did that, was smart enough to use a stolen car, so the police ends up fucking with the wrong guy anyways

GUY

Come on men you wouldn't know that, they probably caught the dumbass driving the car already

JACK

You really think so?

GUY

Hell Yeah

Jack laughs

JACK

They have no chance

GUY

How would you know?

JACK

Believe me, I know!

As Jack finishes that sentence the bus pulls up and he jumps in and rides off, the scene fades
