

# **Limited Spaces**

===Opening Titles===

Crazy Old Man: Beware! The end is soon at hand!

1<sup>st</sup> Man: Shut up, crazy old man!

2<sup>nd</sup> Man: Yeah! Everyone knows that the 2012's Earth destruction is just a myth!

Crazy Old Man: Is it?! Didn't you hear about the Christchurch earthquake? About the Japan earthquake? It all seems to fit, we're all doomed!

Policeman: Alright! What's going on in here?

1<sup>st</sup> Man: That old man thinks the world will collapse because of that 2012 myth of his.

Policeman: He must be mad then!

2<sup>nd</sup> Man: Of course he's mad, you can read it from his face!

Policeman: See, old man, if you say one more thing about the 2012 myth, I'll make sure you'll be put in prison for the rest of your rotten life!

Crazy Old Man: Fine, go then!

You'll just die quicker!

Policeman: You have the right to remain silent, and you know what will happen if you won't.

1<sup>st</sup> Man: Did you hear him? "You Have the Right to Remain Silent"...

===Old Man punching the 1st Man in his face===

Policeman: Old man, you are going to jail!

Crazy Old Man: You will all die, you'll all die!

==One Year Later==

Judge: You will now be released for there is no proof that you did something more wrong than hitting a stranger in the streets.

Crazy Old Man: Thank you, Judge, I swear I will never do a wrong thing like that again.

Judge: Yes, do not repeat what you did.

===Old Man is walking out of the Court slowly===

===Jack and George Walking===

===Crowd clapping hands and talking between one another===

===Bleeding Souls stepping out of the club===

Daniel Goldstein: What the hell is goin' out here?

Crazy Old Man: These people are ignoring the 2012 myth.

Or Gamliel: Who cares what they think? They'll just die quicker!

Crazy Old Man: Maybe, and may be not.

Who knows, god might spare us!

Daniel Goldstein: Well, we'd love to stay and chat but we have another gig in one hour and we must go and prepare.

Crazy Old Man: OK.

===The earth exploding scene===

===Jack and George are hiding underneath a big table===

Jack: What was that?!

George: I don't know! Let's go to find out!

===Bricks falling from the ceiling===

Jack: OK, I don't think it's such a good idea.

George: You just read my mind.

Jack: It could have been an unexpected earthquake.

George: Oh really? 'Cause I think it was much stronger than an earthquake.

Jack: Oh shut up, let's just find out what happened.

George: Alright, whatever you want.

Jack: Stop it, George!

George: You... can't tell me, what to do!

===Jack pushing George and stepping forward===

George: Traitor!

Jack: Nag, nag, nag...

George: Look!

Jack: Where the hell are we?

George: It's like home, but in outer space!

Jack: That's frightening to death!

George: And not just that, we're all alone, no one else survived what happened!

Jack: The 2012 myth...

George: What?

===Flashback from the Bar Scene===

Jack: About a week ago I went to a bar with a friend of mine and I heard an old man saying something about yesterday night.

Maybe a... world destruction!

George: Then that means...

Jack: Earth just exploded and we are the only survivors of the explosion.

George: I can't take it in, maybe we're just dreaming.

Hit me!

===Jack punching George in the shoulder===

George: Not that hard, Jack!

Jack: Sorry...

I guess it's all real now, the world was destroyed.

George: Doesn't that mean we have to rebuild it?

Jack: Well...

I don't know.

George: You're right, we're just children, we can't rebuild Earth.

Jack: Wait, we can't rebuild Earth, but we can build a new world for ourselves!

George: Yeah, just for the two of us!

Jack: I'm clever or what?

George: What?

Jack: I asked, I'm clever or...

George: I understood what you asked, I chose the option "what".

Jack: Oh, I knew that!

George: Yeah, right...

Jack: With any case, we still have to talk to Dixon about this.

George: Dixon who? That little stickman of yours?

Jack: He's my friend!

George: He is just a painting!

Jack: But he is a good listener and also a good advice giver.

George: Do what you want.

===Jack taking a sheet of paper from the floor and draws Dixon===

Jack: Dixon, do you think we should build a new world?

Dixon: Just for you two?

Jack: What the?! George! Dixon can talk!

Dixon: Of course I can talk! What did you think? I'm just a painting?

George: Ah, Yeah!

Dixon: Well, you got it all wrong!

And I can also walk, not just talk.

Jack: Can you walk out of the paper?

Dixon: Well, yeah, I can.

Jack: Oh.

George: It still frights me that Dixon can talk at all.

Dixon: On Earth, I couldn't talk with you because the atmosphere there was quite different but now we can talk.

Jack: That's great!

Dixon: Yeah, that is good. But we have some work to do, don't we?

Jack: Sure! Step ahead, George.

George: I promise I will never underestimate you again.

Dixon: Well, then go ahead and start planning.

===Jack and George are drawing plans===

George: How are these?

Dixon: They look fantastic!

Jack: How 'bout these?

Dixon: They look very similar to George's works.

Jack: No, They're not.

George: Don't be stupid, they look exactly like mine!

Jack: You're just fooling around!

George: You're fooling around!

Dixon: No one should be fooling around! OK? Shut up and carry on working, both of you.

George: You know what? I quit!

Dixon: But you can't quit!

Jack: He can't?

Dixon: See, George, if you won't build a new world, your chronology will end.

George: Stop telling me what to do, alright?

Jack: We're not trying to, George!

George: Leave it! It doesn't worth the work!

Dixon: It does!

Jack: George, get over it!

George: No! No! No!

Jack: Calm down!

George: I don't want to!

Jack: George, please!

Dixon: George, don't!

George: No! I'm sick of you!

===George hitting Jack hard and Eventually Kills Him===

Jack: George, no, don't...

===George throwing Jack into space===

===The End===
