FADE IN:

EXT. HIGH STREET - DAY

Intro music starts.

Camera moves up the High Street of a small coastal town.

The people of this town go about their daily business.

A WOMAN enters the bakery.

A MAN drives by in a car.

An OLD LADY, late 60's, walks up the high street holding a letter, heading for the...

TRADITIONAL RED BRITISH POST BOX

Old Lady approaches with the letter. She moves with the energy of a younger woman. She posts the letter, looks at her watch, then at the collecting times on the post box. She "ooh's" and looks around, realising it's almost collection time.

OLD LADY

Oooh.

Old Lady walks OS.

Two chavs make a drug deal. DRUG-DEALING CHAV 1, wearing a tracksuit and baseball cap, approaches DRUG-DEALING CHAV 2, dressed similarly.

Drug-dealing Chav 1 stops in front of Drug-dealing Chav 2 and they quickly exchange money and drugs, and then look around and walk off in opposite directions.

EXT. BUSY ROAD OUTSIDE CITY UNIVERSITY - ESTABLISHING

A car is stationary in front of a green traffic light. The cars behind are HOOTING at him.

The DRIVER BEHIND gets out of his car and storms over to the car in front.

Driver Behind approaches the open window and starts to shout abuse but realises the man is old and stops. DRIVER, male, 80's, is on a mobile. He notices Driver Behind, hangs up, and then tries to drive off quickly but stalls the engine.

INT. PROFESSOR DONOVAN'S OFFICE - DAY

PROFESSOR DONOVAN, mid-50's, graying hair, yet handsome with age, holds his head in his hands. The office in which he is sitting is well furnished, giving the impression of a successful man.

TRAFFIC can be heard outside, along with the BANGING NOISE created by the builders outside his window. He tries to ignore the distractions and picks up his pen.

He writes for a while.

The PHONE RINGS. The Professor looks at the phone, then up at the clock, then back at the phone with a frown. He picks it up.

PROFESSOR DONOVAN
Denise. I'm extremely busy today. I
thought I said...

DENISE (RECEPTIONIST)
Speeded up and indistinguishable
talking.

PROFESSOR DONOVAN
Oh for Christ's sake!

The Professor puts down the phone, gets up from his desk, and heads to the door.

PROFESSOR DONOVAN
(muttering)
Matter of life and death.

He opens his office door to reveal the SEER, forties, dressed in a robe and spiritual-type head wear with a large toy eye embedded in the folds, who gasps over-dramatically.

SEER
(over-dramatic)
It is youuuuu... the onnnnnneeeee.

Professor Donovan looks at the seer apprehensively.

PROFESSOR DONOVAN
I'm terribly sorry, but I can't see
you today. You'll have to make an
appointment.

SEER
But there is no timmmmmneeeee.

The Professor looks at the seer for a few moments.

(CONTINUED)

PROFESSOR DONOVAN
Time for what? And what do you
mean, I'm the one?

The seer points to the office and gives an inquisitive look,
over-dramatically.

The Professor sighs.

PROFESSOR DONOVAN
Oh very well then. But I'm
extremely busy. How long will this
take?

SEER
Not longggggg.

The Professor leads the way into the office and takes a seat
behind his desk. The seer sits opposite him.

There is a short silence.

PROFESSOR DONOVAN
Well?

SEER
Just like in the dreammmmmm.

Another short silence.

SEER
Do you believe in the supernatural,
Professor Donovannnnnn?

PROFESSOR DONOVAN
No. Why? If this is about...

SEER
It is about your vacation... to
Lowestoft.

PROFESSOR DONOVAN
It's not a vacation. I'm writing
a... How did you know about that?

SEER
(struggles with t-t-t-t)
Ahhh. I know a lot more than that.
How I know, well, that is rather
irrelevant-t-t-t-t.

Another short silence.

PROFESSOR DONOVAN

But I haven't told anyone. I booked my hotel just yesterday.

SEER

As I said, it is irrelevant... I am here today to deliver a messaggggggeeeeeee.

PROFESSOR DONOVAN

Are you spying on me?

SEER

In a way, I suppose. Into your future that issssss.

PROFESSOR DONOVAN

What on earth do you mean by that? Are you suggesting that you're some kind of...

SEER

Seer. I am a seeeeeerrrrrrr.

Professor Donovan laughs.

SEER

You are in grave danger, Professor Donovan. You must recognise those who possess the wisdom. And be sure to destroy them.

The seer gets up and leaves. Before she closes the door, she gives Professor Donovan a fearful look, over-dramatic.

INT. PASSAGEWAY OUTSIDE PROFESSOR DONOVANS' OFFICE - DAY

The seer sweeps down the passageway.

She stops and looks back.

SEER

I've never met someone so rude in my entire life! Too busy to see me ay? Laughing at me ay? He thinks his life is hard. I'd like to see him try predicting the fucking future.

The seer sticks her fingers up at the Professors office, the door of which now shows his name and profession as "PROFESSOR DONOVAN - DEPARTMENT OF HISTORY."

The seer turns around again, and continues down the passageway.

EXT. WOODS - DAY

CHANTING can be heard.

Four extremely strangely dressed people (The witches & wizards), SAMANTHA, DIANE, JAMES, and TOM, are doing a weird ritual around a fire in a clearing. They are standing in a circle, facing a blue fire, in hemp gowns, which covers them from head to toe. The overalls have two holes for eyes and one for the mouth and nose respectively. They are typical of a cheap Halloween ghost outfit. Name badges are pinned to their chests so that they can identify each other.

They rise their arms up and down, and then move them in a circular motion while taking a step to the left. They then repeat this motion several times before getting down on their knees and bowing to the fire.

Through a gap in the trees, CHAV 1, early twenties, wearing a white tracksuit, on a BMX bike, rides slowly past.

He looks into the clearing and stops.

He stares at the ritual in amazement, then looks behind him and calls his mates.

A group of five more chavs come into view. They watch for a while, then one of them, K-MAN, early twenties, tracksuit and cap, suggests that they go into the clearing.

They make their way in.

K-man picks up a stone and throws it. It hits Diane.

Diane looks at the chavs, then shakes the shoulders of Samantha and Tom on either side of her, who in turn, turn around and notice the new arrivals.

The last of the strangely dressed people, James, is shaken from his ritual and the four of them stare back at the chavs, who have stopped several meters in front of them.

K-man looks at his mates and laughs.

K-MAN
(loud and cocky)
What ya think you're doing? Some
kind of spiritual dance?

(CONTINUED)

CHAV 1
(deliberate high pitch)
Nah! They're witches mate!

K-MAN
Innit. That's what they are.
Witches.

The chavs laugh.

K-MAN
Oy! Witches! You wanna smoke some
drugs with us?

The witches & wizards look around at each other whilst K-man
looks around at his "crew" and laughs.

K-MAN
(slowly - spelling out - up to
"with us")
I said... do you wanna smoke some
drugs with us? You better answer me
this time yeah?

K-man crackles his knuckles.

The closest wizard, Tom, steps forward and points just above
the chavs.

TOM
(bellows to frighten)
Leave us in peace, and we will not
harm you!

The chavs look around at each other and laugh.

K-MAN
What you gonna do mate? In case you
haven't noticed there's more of us
than you.

CHAVETTE
(rapping movements as she says
this)
Yeah... Innit bruv.

Tom turns to the others, who stare back at Tom, before they
all look back at the chavs.

TOM
(bellows again)
Go!... Now!

K-MAN
(aggressive)
Yo, Yo, Yo bruv! Don't talk to me
like that! Show us some respect
blood!

The witches and wizards turn to one another again.

EXT. WOODS - DAY

SPLIT SCREEN

Still in the woods, yet away from the clearing, Chav 1 to 4 and Chavette, scream as they pelt through the trees, turning around every so often to reveal their petrified faces.

EXT. WOODS - DAY

Still in the woods, yet away from the clearing, K-man screams as he pelts through the trees, turning around every so often to reveal his petrified face.

He trips over a tree root as he does this. He turns over and crawls back slowly as he utters with a petrified look on his face...

K-MAN
(utters then screams)
no...no...noooooooooo!

INT. POLICE CAR - DAY

INSPECTOR SPENCER, well-built with brown hair, late 30's/early 40's, and INSPECTOR CAMPBELL, average build with blonde hair, same age, silently listen to the radio.

Inspector Spencer starts drumming his fingers on the steering wheel when he picks up the beat. Inspector Campbell looks miserable.

INSPECTOR SPENCER
(american accent)
You wanna do a blue light?

INSPECTOR CAMPBELL
You're driving.

INSPECTOR SPENCER
(usual british accent)
I have to ask. We both have to
agree remember.

(CONTINUED)

INSPECTOR CAMPBELL
Of course. Fine.

INSPECTOR SPENCER
What's wrong?

Inspector Campbell sighs.

INSPECTOR SPENCER
Cheer up Inspector Campbell. Come
on. Lots of crime to fight today.

Inspector Campbell remains silent.

INSPECTOR SPENCER
Do you want to talk about it?

Inspector Campbell sighs again.

A few seconds silence.

INSPECTOR CAMPBELL
I don't think I'm made out for the
force anymore.

Inspector Spencer looks taken aback.

INSPECTOR SPENCER
Why would you say something like
that?

INSPECTOR CAMPBELL
I'm just not cut out for it
anymore.

INSPECTOR SPENCER
Of course you are. Come on. You're
one of the finest police officers
in the county.

INSPECTOR CAMPBELL
I'm useless.

INSPECTOR SPENCER
(american accent)
You wanna drive?

Inspector Campbell ignores him and puts the sirens on.

Inspector Spencer accelerates.

EXT. THE ROAD - DAY

The chavs, minus K-man, get to a road and form a group, breathing heavily.

Watch this for a while.

CHAV 2

What the fuck just happened yo?!

CHAVETTE

(with rapping movements)

We got attacked by some muva fuckin witches! That's what happened!

CHAV 1

Yo! Where's K-man?!

The chavs look around each other then back into the woods, from which a blood-curdling scream is heard.

The chavs display shocked faces as they turn towards the woods.

CHAV 1

We have to go back innit... He would do the same for us.

CHAVETTE

Nah mate... he wouldn't innit... he'd just leave us.

The chavs all agree admirably.

The POLICE SIREN is heard in the distance. The chavs are taken by surprise.

CHAV 1

It's the five-o! Leg it!

Some of them make towards the woods, then think better of it and run down the road with the others.

INT. POLICE CAR - DAY

Inspector Spencer and Inspector Campbell look unexhilarated as they speed along the road.

Inspector Spencer notices the chavs in the distance. Inspector Campbell notices them as well.

(CONTINUED)

INSPECTOR SPENCER
Looks like we've found our first
arrest of the morning.

INSPECTOR CAMPBELL
I'm not looking forward to it.

INSPECTOR SPENCER
Come on Inspector. Name a better
way to spend a Wednesday morning
than putting a criminal behind
bars.

INSPECTOR CAMPBELL
I don't know Spence... Hawaai.

INSPECTOR SPENCER
Ah... so you need a holiday.

INSPECTOR CAMPBELL
Maybe.

Inspector Spencer and Inspector Campbell are silent for a
few moments as they approach the chavs at great speed.

INSPECTOR SPENCER
Why don't they just run into the
woods?

Inspector Campbell sighs.

INSPECTOR CAMPBELL
I don't know.

INSPECTOR SPENCER
They're all high. That's why.

Inspector Spencer cocks his head forward for a closer look.

INSPECTOR SPENCER
Hold on a second. That's K-man's
crew.

INT. BED & BREAKFAST - DAY

The Professor enters the reception area of the Bed &
Breakfast and approaches the desk.

PROFESSOR DONOVAN
Ah. Good evening. I'm Professor
Donovan. I have a room on the
second floor I believe.

(CONTINUED)

HOTEL RECEPTIONIST

Oh Yes. Professor Donovan. I'll
just get your key.

The HOTEL RECEPTIONIST, pretty woman, early thirties,
disappears through a door behind her.

The Professor looks around at the reception area happily.

The receptionist returns with the key then hands it to
Professor Donovan.

HOTEL RECEPTIONIST

Enjoy your stay.

PROFESSOR DONOVAN

Thank you...

The Professor starts to turn away and then turns back to the
receptionist.

PROFESSOR DONOVAN

Do you know anything about
witchcraft?

EXT - POLICE STATION - DAY - ESTABLISHING SHOT

INT. POLICE STATION INTERVIEW ROOM - DAY

CHAV 1

I'm telling you yeah. We was
attacked by witches. They had
powers and everything. K-man...

Chav 1 tries to look sad but fails.

CHAV 1

K-mans gone.

INSPECTOR SPENCER

Alright you little twat! I have had
enough of this bollocks about
witches! What kind of idiot do you
take me for!? Where... is...
K-man!?

Chav 1 looks back blankly.

CHAV 1

I told you innit.

(CONTINUED)

INSPECTOR SPENCER
Where... is... he?

Chav 1 continues to stare blankly at the Inspector.

INT. POLICE STATION INTERVIEW ROOM - DAY

CHAV 3 stares into space, looking petrified.

He jumps and looks to his left at nothing.

Inspector Campbell puts a chair in front of the other side of the table the wrong way round and takes a seat.

INSPECTOR CAMPBELL
Where's K-man?

CHAV 3
(stuttering)
D... dead... K-man's dead.

INSPECTOR CAMPBELL
How did he die?

CHAV 3
(stuttering)
W-w-w-witches.

INT. POLICE STATION - DAY

Chav 1 laughs openly.

CHAV 1
Camp bell! Fucking queer!

Inspector Campbell ignores the insult.

INSPECTOR CAMPBELL
Who's K-man working for?

CHAV 1
I already said innit... I...
don't... know. The witches got him.

INT. POLICE STATION INTERVIEW ROOM - DAY

CHAVETTE
You don't have to believe me yeah
but I'm telling you yeah. We was
attacked by four witches.

(CONTINUED)

INSPECTOR SPENCER

You were not attacked by witches
you lying little bitch!

CHAVETTE

I already said. You don't have to
believe me mate. But I'm telling
you yeah... we... was...
attacked... by... witches. Get me?

INT. POLICE STATION (OUTSIDE INTERVIEW ROOM)- DAY

INSPECTOR SPENCER

I can't crack them. We'll have to
let them go.

Inspector Campbell thinks.

INSPECTOR CAMPBELL

I think they know some people high
up... I should have told you this
but... the other day... You know
that house on the outskirts of
town? Near the farm that sells
garden equipment?

INSPECTOR SPENCER

What about it?

INSPECTOR CAMPBELL

I saw something strange the other
night as we drove past... The
curtains were drawn... but I swear
I saw a glow from behind them.

Inspector Spencer thinks.

INSPECTOR SPENCER

Burning evidence perhaps. Why
didn't you tell me?

INSPECTOR CAMPBELL

There was no smoke.

Inspector Spencer looks puzzled.

INSPECTOR SPENCER

Let's check it out.

Inspector Campbell nods in agreement.

Inspector Spencer turns around and heads to the door.

Inspector Campbell follows suit.

INT. GEEZERS HOUSE - DAY

GEEZER, thirties, built and shaved head, is watching the news whilst eating cereal.

TELEVISION

NEWS PRESENTER

And finally... has Lowestoft been visited by aliens?

GEEZER

(in disbelief)

Fuck off!

NEWS PRESENTER

A large saucer shaped object has been reported to be seen at various locations above the small town of Lowestoft in Suffolk. Even the experts are baffled to explain these photographs which were taken by several of the town's folk.

PHOTOGRAPHS - they are of a UBO (Unidentified British Object). It is a flying saucer with a posh door.

NEWS PRESENTER

Despite experts not being able to prove these photographs as a hoax, these saucers appear to have an ordinary wooden door, so of course, nobody is taking the matter seriously. Ahem.

GEEZER

Posh aliens. Hmmm.

INT. THE WITCHES/WIZARDS RESIDENCE - NIGHT

The witches and wizards are standing around K-man, who is bound to a chair.

K-MAN

You'll never get away with this! Do you know who I am blood?! Do you know who I work for?!

(CONTINUED)

TOM
Shut up!

Tom turns to the others.

TOM
He knows too much. And besides. The world's better off without him.

DIANE
We are not murderers! We must only sacrifice the one that is foreseen in the prophecy.

K-MAN
You wait yeah! You wait till they come!

TOM
I said shut up!

Tom gags K-man.

SAMANTHA
What else are we going to do with him?

DIANE
We keep him here!

JAMES
I'm consulting the cards.

The others turn to him.

TOM
Oh for Christ's sake! Every time!

DIANE
This is not going to be decided on by the cards!

SAMANTHA
Let's just kill him and get it over with!

James pulls out a deck of tarot cards and makes his way over to the dining table.

The others stare at each other in disbelief and shake their heads as they say...

(CONTINUED)

TOM
What is wrong with him?

DIANE
I know. He's obsessed.

SAMANTHA
Let's just kill him. Now!

INT. POLICE CAR - NIGHT

Inspector Spencer is eating fast food in the front seat while Inspector Campbell has sex with a PROSTITUTE on the back seat.

The prostitute EXPRESSES HER PLEASURE and Inspector Spencer looks indifferent as he wipes the window and peers through binoculars at the witches and wizards residence.

Then he puts the binoculars down, takes another mouthful of fast food and looks in the rear view mirror as he chews.

The prostitute is in view and with eyes closed, is in a state of ecstasy.

She then stops, gets up, and exits.

The DOOR SLAMS SHUT and the QUICK TAPPING OF HER HIGH HEELS are heard as she storms off down the road.

Inspector Campbell gets back into the front of the car via the door.

There are a few moments of silence while Inspector Spencer concentrates on the house.

Then he says, putting the binoculars down...

INSPECTOR SPENCER
So?

INSPECTOR CAMPBELL
So what?

INSPECTOR SPENCER
Well. How was it?

INSPECTOR CAMPBELL
Oh that... O.K...O.K. I guess.

Inspector Spencer nods thoughtfully.

INT. WITCHES/WIZARDS RESIDENCE - NIGHT

James picks up a card from the deck and "feels it", breathing in deeply with his eyes closed.

SAMANTHA
Stop feeling the cards and deal them!

James opens his eyes and looks at Samantha.

JAMES
You're breaking my concentration.

INT. POLICE CAR - NIGHT

Inspector Spencer is still eating his takeaway.

INSPECTOR SPENCER
You wanna try some?

INSPECTOR CAMPBELL
Er... no thanks Spence.

A short pause.

INSPECTOR CAMPBELL
So... anything happen while I was back there?

INSPECTOR SPENCER
Nope.

Inspector Spencer wipes the glass and looks through the binoculars again.

INSPECTOR SPENCER
If only we had Infra-red.

INSPECTOR CAMPBELL
Yeah. Sitting here with binoculars when the curtains are drawn kind of defeats the object doesn't it?

Inspector Spencer pulls the binoculars away from his eyes, looks thoughtful, then says...

INSPECTOR SPENCER
Yeah. Suppose it does.

Inspector Spencer then looks through the binoculars again.

(CONTINUED)

INSPECTOR CAMPBELL
You know... I think I packed
Infra-red equipment before I left.

INSPECTOR SPENCER
We have infra-red equipment?

INSPECTOR CAMPBELL
It's not the constabularies'. It's
mine.

INSPECTOR SPENCER
Is that illegal?

INSPECTOR CAMPBELL
Yeah... It is.

INSPECTOR SPENCER
Thought so.

INT. WITCHES/WIZARDS RESIDENCE - NIGHT

James is feeling the fifth card.

Watch this for a while until Samantha says...

SAMANTHA
Were wasting time! Those cards
don't reveal anything!

JAMES
Yes they do.

SAMANTHA
What? What do they reveal? It's all
poetic nonsense. It could mean
anything.

James ignores her and feels another card.

INT. POLICE CAR - NIGHT

INSPECTOR CAMPBELL
You've got them the wrong way
round.

Inspector Campbell reaches for the Infra-red goggles and
helps Inspector Spencer put them on the right way round.

Inspector Spencer looks through them.

(CONTINUED)

INSPECTOR SPENCER
You better take a look at this.

Inspector Campbell looks through his Infra-red goggles.

INSPECTOR SPENCER
Can you see him?

INSPECTOR CAMPBELL
My guess is that would be K-man.

INSPECTOR SPENCER
That's exactly what I was thinking.
And it looks like he's in
trouble... Which means we've
finally found the biggest suppliers
in Lowestoft.

INSPECTOR CAMPBELL
I'll call for back-up.

Inspector Campbell grabs the radio and tries to call for
back-up but the radio is dead.

INT. GODS OFFICE - DAY

GOD, dressed in a suit, 60's/70's, looks across at MARY,
60's.

GOD
Thank you for seeing me on such
short notice.

Mary looks unimpressed.

MARY
What is this about? You know I'm on
holiday.

A concerned look sweeps across Gods face.

GOD
There is trouble... on Earth.

Mary looks across at God.

MARY
I'm on holiday.

GOD
I need the best Mary... the best...
And you're the best I've got...

(MORE)

(CONTINUED)

GOD (cont'd)

You've been faithful to me for eons... you nurture me when I'm sick... you take care of... administration... you gave birth to my son and raised him... you... well... how is he by the way?

MARY

He's fine. Still a bit... you know...

GOD

It was the only way. What he did was... was... well... simply grounding him wasn't enough.

MARY

What if I refuse?

GOD

What? Oh... yes... trouble on earth... well... I'll send you to hell for one hundred years... you'll never get laid down there.

God passes a file across the table.

Mary picks it up and storms out angrily.

EXT. MRS DODWELL'S FRONT DOOR - MORNING

Professor Donovan rings the DOORBELL. He waits a few moments before it's answered by MRS DODWELL, 60's and short.

MRS DODWELL

Professor! It's a pleasure to meet you.

PROFESSOR DONOVAN

Oh the pleasure is all mine, Mrs Dodwell.

MRS DODWELL

Do come in.

INT. MRS DODWELLS' HOUSE - MORNING

The Professor follows Mrs Dodwell down the passageway and into the living room.

MRS DODWELL

I hope you like tea. I've made us a pot.

PROFESSOR DONOVAN

Oh that's lovely. How thoughtful of you.

They take a seat around the table.

MRS DODWELL

So... shall we get down to business?

While Mrs Dodwell pours tea, Professor Donovan clears his throat then says...

PROFESSOR DONOVAN

Er. yes. Of course.

Professor Donovan pulls out a notepad and pen.

Mrs Dodwell finishes pouring the tea, puts the pot down, and starts...

MRS DODWELL

(fictional story-telling voice
- spooky)

She was my great great grandmother...

Professor Donovan writes and occasionally looks up at Mrs Dodwell as she speaks

MRS DODWELL

(fictional voice for first two sentences and most part of last sentence.)

Her name was Elizabeth... She was walking home one evening as the sun was going down. Now, as I'm sure you're aware, nobody stayed out that late, not in Lowestoft anyway. It was said that this was the time when the witches practiced black magic.

(CONTINUED)

PROFESSOR DONOVAN
Of course. Yes.

MRS DODWELL
But she didn't believe in witches
you see. Thought it was made up...
fairytales... although she believed
in fairies...

Mrs Dodwell looks thoughtful for a moment then continues...

MRS DODWELL
(fictional voice after
"anyway")
Anyway... that evening she sensed
something. Something was watching
her... She quickened her pace...

Short pause.

MRS DODWELL
Am I any good?

The Professor looks confused.

MRS DODWELL
At telling stories.

PROFESSOR DONOVAN
Oh. Er... well... yes. But it's a
non-fictional book.

Short pause.

MRS DODWELL
Oh. Well in that case, she arrived
home and found her husband dead.
His throat was slit and his hands
were tied behind his back.

Short pause.

MRS DODWELL
(fictional voice)
Then the lamp went out...

Professor Donovan stops writing, and looks up at Mrs Dodwell
with a serious and interested expression.

PROFESSOR DONOVAN
What happened next?

MRS DODWELL

Well... nothing. She re-lit the lamp and then she found the note. Husband had committed suicide.

Professor Donovan looks puzzled.

PROFESSOR DONOVAN

I see... so... where does witchcraft come into this?

MRS DODWELL

Well... she had that feeling, you know, like a sixth sense that something bad had happened. God knows how he tied his hands together before doing it.

Professor Donovan looks confused.

PROFESSOR DONOVAN

So she was a witch?

Mrs Dodwell displays an expression of realisation.

MRS DODWELL

"She" wasn't a witch no... But... her husband was. How else could he have done it?

Long pause.

EXT. POLICE CAR - MORNING

The Inspectors are asleep, snoring.

A POLICE SIREN is heard which falters and dies and another police car crashes into the back at low speed, waking the inspectors.

SERGEANT MOORE, young and clumsy, steps out and trips but doesn't fall over.

The Inspectors step out of the car.

INSPECTOR SPENCER

Keep it down you idiot. And where the hell have you been?

SERGEANT MOORE

Er... well... er... sorry I... er... couldn't find... stopped and

(CONTINUED)

SERGEANT MOORE (cont'd)
asked for directions... but no-one
could direct me. I had to arrest a
few for verbal assault...

INSPECTOR SPENCER
Oh... Well... get in the car.

The witches and wizards come out of the house, arguing about whether to kill K-man or not, who is thrown into the boot of their red Clio.

They notice the policemen and speed off.

The officers look taken aback.

Inspector Campbell gets in the car while Sergeant Moore starts back to his car before being thrown into the back seat by Inspector Spencer, after saying...

INSPECTOR SPENCER
There's no time to lose! Let's go!

The policemen speed off in pursuit of the Clio.

EXT. ROUNDABOUT - MORNING

The round-about is clear, silent.

Watch this for a while until a POLICE SIREN can be heard. It gets louder and louder and then TWO CAR ENGINES can be heard.

The Clio speeds around the roundabout and goes back down the road it came off. Diane looks behind them as it does this. The police car is not far behind.

The police car skids around the roundabout and speeds off in pursuit.

A car, which was waiting at the roundabout, crosses afterwards, driven by the geezer.

He shouts abuse in a fuelled fashion and illustrates that they are "wankers" with his hand.

INT. WITCHES/WIZARDS CLIO - MORNING

Diane looks behind them.

DIANE
They're catching up.

Tom looks in the rear view mirror and then back at the road.

TOM
I'm going as fast as I can!

Samantha looks behind her, into the boot.

SAMANTHA
Let's throw him out.

The witches and wizards look around at each other.

K-man starts shouting at them through his gag.

SAMANTHA
Open the boot!

Tom opens it.

Samantha & Diane are about to push K-man out when James, who has dealt a card in the front seat, shouts...

JAMES
Wait!

Samantha & Diane look around.

JAMES
The cards say he might be useful.

Samantha & Diane exchange a look, then look at James.

Tom looks in the rear view mirror and then back at the road.

SAMANTHA
Fuck the cards! We need to lose
some weight!

TOM
James is right. He may be useful.

Samantha & Diane exchange a glance again, then Samantha swears and slams the boot closed but catches her gown in it.

She tries to remove it with Diane's help.

She swears.

(CONTINUED)

SAMANTHA

Fucking robes! I'm taking them off!

DIANE

No! Not until the fast is over.

K-man manages to spit his gag out.

K-MAN

You look like fucking wankers...

Samantha & Diane both shove the gag back in.

EXT. BLIND LADY'S FRONT DOOR - DAY

Professor Donovan rings the doorbell. He waits a few moments before it's answered by BLIND LADY, late fifties, black shades.

BLIND LADY

Professor! How lovely it is...

She jabs and prods the Professors face with her stick.

BLIND LADY

...to see you.

She hits him with it.

PROFESSOR DONOVAN

Ow!

BLIND LADY

You're not a salesman are you?

She hits him with the stick again.

PROFESSOR DONOVAN

Ow! No.

BLIND LADY

Just checking... Well... do come in.

The Professor rubs his head and says...

PROFESSOR DONOVAN

Thank you.

INT. BLIND LADY'S HOUSE - DAY

Professor Donovan follows the blind lady down the corridor and into the living room.

They take a seat.

The blind lady stares at him for a long while and the Professor feels awkward.

PROFESSOR DONOVAN

Well. Er... thank you for letting me into your home. Errrrmmm... so... you say you've seen a witch?

BLIND LADY

Yes. I saw one yesterday.

Short silence.

PROFESSOR DONOVAN

Well... thank you for contacting me.

BLIND LADY

Oh. My pleasure Professor.

Long pause while the Blind Lady stares at the Professor.

PROFESSOR DONOVAN

(uncomfortable)

So...erm...what did the witch look like?

BLIND LADY
They were all wearing gowns... hemp

The blind lady feels the Professor's face with her stick,
then puts it down.

BLIND LADY
You have a handsome face. If only I
could see it...

PROFESSOR DONOVAN
Oh... er... thank you.

Long pause.

PROFESSOR DONOVAN
So...erm... are you just partially
blind?

BLIND LADY
Oh no... completely blind.

PROFESSOR DONOVAN

Oh... I'm sorry.

BLIND LADY

There's no need to apologise. You must be wondering how I know they were witches and wizards and how I know they were wearing gowns.

PROFESSOR DONOVAN

well... er... well... er... well... yes.

BLIND LADY

They were bickering about how they hated them. And they mentioned a ritual... and a magic "fast".

PROFESSOR DONOVAN

Oh... I see.

Short pause.

BLIND LADY

And then they stole my stick... they said it had magical properties.

Short pause.

Professor Donovan is unsure but writes this down.

BLIND LADY

I gave them a good fight but they got it in the end.

Professor Donovan nods and writes.
