

NOT TODAY, GUCCI

**WE ARE:**

**OVER BLACK**

MAN (V.O.)  
(distinctly French/Quebec  
accent)  
Bonjournno, mademoiselle. It is me,  
your brother -- or should I say,  
mother from another brother. A  
mother with a wang! Because I am ze  
male. But ze storeuy duz not stoart  
wiz ze vang --

**INT. A HOSPITAL ROOM - NIGHT**

In Utah or something. The walls are white, there's a bed.  
There's nurses and stuff too -- like wearing scrubs. Blue  
scrubs. There's also a Doctor, his name is DOCTOR.

MAN (V.O.)  
Ello, docteur.

DOCTOR  
What the fuck was that, man!!!

The Nurses give him a look -- yummy.

DOCTOR (CONT'D)  
Fuck off, sluts, nobody gets the  
wang except my girl. Now... PUSH!

He suddenly sucker punches the PATIENT in the stomach --  
she's pregnant and poops out the baby.

BABY  
Ello, docteur.

They watch him with wide eyed stares. One of the nurses has  
such wide eyes that her eyes poop out.

MAN (V.O.)  
Her eyes looked like my le balls.

DOCTOR  
Dayum, girl, those eyes be dropping  
like my rhymes. Yo, check it --  
(beat for effect)  
Hello, girly, girl, the name's  
Doctor Balls -- smacked against  
your walls. Smack, smack --

He slaps the baby's buttocks twice.

DOCTOR (CONT'D)  
-- love that body. Like a potty.  
Name's Doctor Shady -- slim like my  
wang. Bang bang.

The Doctor pulls out a revolver and shoots the mother twice. The nurses faun and shit, the baby fucking screams. Ear Numbingly Numb.

BABY

Oink!

DOCTOR

AHHHHH, HE'S FUCKING POSSESSED BY A PIG, DUDE!

The doctor grabs the baby and karate chops and does a somersault and fucking kicks him out the window.

BABY

You le fuck!

The nurses scream. But that nurse whose (eye) balls fell off? Yeah, her eyes are now like, back in her sockets. CAUSE OF THE DOCTOR! Fuck yeah. He just saved her eyes.

NURSE

You just saved me eyes, Bobby Brown! I guess that makes you a...

DOCTOR

A what?

NURSE

A super...

DOCTOR

SUPER FUCKER!

Ughhhh, yeah, fuck it, that'll do. Meet Super Fucker (my caps is broken, but this is his introduction. Blake Schindler should've got tips from me.).

SUPER FUCKER

Yeeee, boiiiiiii!!!

**EXT. SUPER FUCKER - NIGHT**

Super futuristic and stuff. The buildings are tall. You could say they're... Super tall.

MAN (V.O.)

Ha ha! Fuck, you're funny.

There's a statue in the middle. You could say its... Made of gold. Um, it towers. It's large, man. Fucking large. It's of Super Fucker. Horn rimmed glasses. Classy tux. He holds a mountain of grills in one hand and his crotch with the other.

The statue winks at us --

SUPER FUCKER

Ello, docteur.

MAN (V.O.)  
 But for every hero, there is a  
 villain.

**EXT. CAVE IN AUSTRALIA - NIGHT**

Crikey, mate! There's Kangaroos and Crocodiles and Possums  
 and shit. The CROCODILE winks at us, his eye poops out.

CROCODILE  
 Fuck.

The Crocodile begins convulsing.

CROCODILE (CONT'D)  
 Sdkjsadlkasjdlkasjdlasjdlaksjdlas

Having an seizure or some shit, that fuck. It then poops out,  
 oh, you guessed it, FRENCHMAN COZCO. The le villain.

FRENCHMAN COZCO  
 (Australian accent -- he's  
 probably from like Quebec  
 or something. No wait,  
 the Doctor kicked him  
 here, FUCK YEAH TWIST)  
 Blimey, buckaroo! Your dora's got  
 ya in a gazoogy, it seems! Ya shat  
 me out, mate!

Frenchman Cozco claps his red stilettos twice, or was it  
 three times? A whiteboard pops out of no where.

No, fuck it, unlimited budget. Get a cork board up on this  
 shit. Pictures and newspaper articles are pinned to it --  
 string snakes its way through. The string is actually a  
 snake, thus, it 'snakes' its way through HAHA.

The pictures are of Super Fucker doing Super Shit. Sometimes  
 literally -- like on a toilet. Other times, saving Damsels  
 without Dresses. Posing with the future president (Ted Cruz).  
 Other times with the Zodiac Killer (Ted Cruz).

I really don't know what other things Super Heroes do.  
 Anyway. Costco scratches his beard. He thinks back.

**A FLASHBACK**

Costco, stilettos still on, shoots a people in a Walmart.  
 Bang bang, biggity boop -- they're super villain poop.

**LATER**

Amongst the massacre, Costco exchanges a contract for a sum  
 of cash.

MAN (V.O.)  
 Crikey! How in the bloody hell did  
 I get any money from this business?  
 Well, the answer is that I was a  
 hitman, mate.

**INT. TV - NIGHT**

Costco's massacre is on full show. Confronting. Thanks Roget.  
 There's a Reporter there. A camera is on her. No cannibals to  
 be found unfortunately.

REPORTER  
 Ass in the moonlight? Not today,  
 Addy (Ted Cruz) -- reports are  
 coming in that this is the work of  
 the villain of this script. We  
 haven't got a name for him, YET!  
 But as my job as a respected  
 messenger for the people of Fucker  
 City, I shall call him...

HITMAN. No, that doesn't quite sound right. HITMAN MAN. No,  
 actually, that doesn't quite work either.

FRENCHMAN HITMAN MAN. So close. No, one last time.

AUSSIE FRENCHMAN HITMAN MAN.

AUSSIE FRENCHMAN HITMAN MAN (O.S.)  
 Blimey, Borris! I'm shiggying my  
 way to oblogone, and that's the  
 name ya give me!

He appears behind her. Suckerpunches her so hard that time  
 and space is warped and she's re-pooped into nothing.

**INT. SUPER FUCKER'S LAIR - NIGHT**

Super Fucker sits between the ladies, they all wear denim  
 cutoffs. As does Super Fucker. They watch the TV.

SUPER FUCKER  
 Oh, shit, girls. He just made  
 another poop joke!

NURSE  
 Who's this handsome Australian  
 Devil?

Aussie Frenchman Hitman Man appears on the TV.

AUSSIE FRENCHMAN HITMAN MAN  
 Super Fucker! Get your brass razoo  
 down to the Buck's Night so I can  
 Handle your heaps like a Jackaroo,  
 ya stubby sook.

SUPER FUCKER  
The fuck's that even mean, man! I  
thought you were French!

AUSSIE FRENCHMAN HITMAN MAN  
Yolo.

He winks at the TV. It explodes.

SUPER FUCKER  
Um...

NURSE  
What are you gonna do, Super  
Fucker?

SUPER FUCKER  
There's only one thing I can do.

Super Fucker paces up to his balcony. Watches the city with  
brooding eyes.

SUPER FUCKER (CONT'D)  
Life was always such a stagnant  
machine. It never moves on your  
behalf. You wait for it to make a  
move, yet, in the end, you find  
yourself checkmated before you can  
even react. This city... With its  
scum, its pain. The anguish --  
before me, criminals ran free.  
Mothers feared for their children.  
Corruption surged through the  
streets like poison. But when it  
came time for life to make the next  
move -- I was there. Everything I  
have done is to protect the world.  
And this... This villain that  
plagues the lives of the innocent  
and meek -- he needs to be stopped.

The Nurses, in awe, wait --

SUPER FUCKER (CONT'D)  
Not by me, though, lmao, get  
fucked.

Super Fucker gives the nurses the bird. Fucking flies to  
Pluto or someshit.

**EXT. PLUTO - MORNING**

SUPER FUCKER  
Ello, docteur.

**EXT. SUPER FUCKER'S LAIR - NIGHT**

The nurses look on, confused. Scratching their heads.

NURSE (O.C.)  
Whose will help us? Who will stop  
the sexy Australian hunk?

EYELESS NURSE (O.C.)  
I will!

The Eyeless Nurse, now with eyes, jumps into view. She gives them all a stern look, then a wink. Her eye poops out.

EYELESS NURSE (O.C.) (CONT'D)  
It is my duty to protect the world.

The Eyeless Nurse break dances her way out the window and soars away like an Emu.

**INT. WALLMART - NIGHT**

Aussie Frenchman Hitman Man waits at the massacre. He cleans the blood off his face. Sniffs it. Then gazes to his sides -- nobody's watching. He takes a lick, grimaces when...

SHADOOGLE -- the Eyeless Nurse appears, plummeting from the roof as she lands on her face. Leaps up. They face off.

AUSSIE FRENCHMAN HITMAN MAN  
Oi, it's a Sheila, mate! Let's get  
the frotara on, Damo!

EYELESS NURSE  
I only settle battles by rap! There  
is no need for violence. Spit a  
rhyme, fuccbois.  
(rapping)  
Greetings, Hitman. More like Woman.  
Untouched and unfucked. Get cucked.  
Shiggy diggy, wicky wah.

AUSSIE FRENCHMAN HITMAN MAN  
That's fucking terrible.

EYELESS NURSE  
I'm on page 6, man, give me a  
break. Douse it in flames. Take the  
blame -- you're a loser, Costco.  
You wanna start shit? How about you  
grow a dick? Change your name to  
Robert, probably is. Just your  
thing. Let me give you some  
treatment, oh wait, you're already  
retreatin ! OHHHHHHHH!

Aussie Frenchman Hitman Man readies his voice.

AUSSIE FRENCHMAN HITMAN MAN  
Ya dingus. Ello Docteur. I eat shit

Oh, fuck, I ran out of pages.
