Husein throws down one of his sword, swiftly removes eight daggers from his pocket and swiftly shoots them at Amirez.

Amirez swiftly hits away the eight knives with his swords, with six swiftly going back to Hussein and two hooking on the wall behind Hussein.

Husein swiftly hits all six knives back with his sword harder towards Amirez. Amirez hits all six daggers upward with his sword and they hook on the ceiling.

Husein also swiftly shoots Amirez with his sword and Amirez turns round catching the sword without it cutting him.

They stop fighting. Amirez bows down to Husein as Husein bows down to him too. They raise their heads up.

HUSSEIN

I see you cannot disappoint me,
son. That's very good of you.

(CONTINUED)

AMIREZ

I will never disappoint you father.

HUSEIN

That's my son. When you are a grown up, you should over-throw the evil rulers of this entire kingdom. Remember Lord El Kadir killed your mother.

AMIREZ

I will kill all wicked people father. I will never forget that Lord El Kadir killed my mother.

HUSEIN

That is good my son. You now use a sword almost like your chains. But still, always practice with your chains. It takes a life time to be perfect with them. You will then have the strength to revenge the death of your mother.

AMIREZ

Yes father.

EXT. HUSEIN'S HOUSE - NIGHT - CONTINUES

LORD EL KADIR (30s) and TEN of his SOLDIERS are outside under the rain looking at the house of Hussein. TWENTY other SOLDIERS of Lord El Kadir are standing about 10 meters behind them.

Lord El Kadir talks to his soldiers. Ten of them move towards Hussein's house.

INT. HUSEIN'S HOUSE - BIG TRAINING HALL - NIGHT - CONTINUES

HUSEIN

You should always fight to kill the wicked.

AMIREZ

You have told me that so many times father.

HUSEIN

I know. I want it to stick in your memory. Never forget that.

AMIREZ

I will never forget that father.

HUSEIN

Also remember one thing. Practice with your chains everyday, for you will be unbeatable and untouchable. It takes a lifetime to be perfect with them.

AMIREZ

Yes father. You already told me that.

The door into the training room of Husein's house breaks open. Ten soldiers of Lord El Kadir come in.

HUSEIN

What is it you want from me? I have told your king I will never train his soldiers. I will never turn them into killing machines. So you get out of my house now.

Silence.

HUSEIN (CONT'D)

I have told your king, that I rather die than train his soldiers of darkness.

The soldiers of Lord El Kadir remove their swords from the left sides of their waists. Amirez and his father are still holding their swords.

HUSEIN (CONT'D)

I see you want to fight me.

Amirez is angry so moves two steps ahead to attack the soldiers of Lord El Kadir.

(CONTINUED)

HUSEIN (CONT'D)
Stay back son.

Amirez stops.

AMIREZ
You always told me to fight the
wicked.

HUSEIN
This is not your fight, it is ours.

Hussein attacks the soldiers of Lord El Kadir. Amirez joins him. Husein fights the soldiers of Lord El Kadir with his sword and hands. He kicks them, cuts them and box them to fall.

Amirez and Husein cut the soldiers of Lord El Kadir brutally. Hussein cuts off the leg of a soldier.

THE SOLDIERS
(shouting)
Ahh...

Hussein cuts off the head of the shouting soldier. Hussein also pierces the next soldier by his left with his sword and Amirez suddenly beheads the soldier.

Amirez is smashed down to fall. Two soldiers try to cut him but he swiftly gets up and pierces one with his sword, cuts the second soldier on his chest then beheads the first soldier.

Lord El Kadir watches how Amirez and his father fight his soldiers through the window.

HUSEIN
I will be forced to kill you all
since you do not want to accept the
fact that I will not train you.

Hussein and Amirez kill the last three soldiers. Hussein cuts two soldiers on their chest and swiftly beheads them.

HUSEIN
Die, fools.

The last soldier who tries to run out of the door is shot by Amirez with a sword. The sword hooks the soldier on his neck to the wall. Amirez and Husein are not hounded.

HUSEIN
Are you fine son.

AMIREZ
Yes father.

As Amirez and Hussein stand to rest, Lord El Kadir comes into the fighting room with his twenty soldiers.

The soldiers remove swords from the left side of their waists as they come into the room.

Amirez takes another sword from the wall so he and Hussein raise their swords and stand ready to fight.

LORD EL KADIR
I see you want to fight?

HUSEIN
What is it you want from me?

LORD EL KADIR
You know.

HUSEIN
I have told you I will never train your soldiers, I will never turn them into killing machines.

LORD EL KADIR
You have to.

HUSSEIN
I will never.

LORD EL KADIR
Why not?

HUSEIN
I will never teach the devil who may come back one day for me.

Husein says this changing his standing position still prepared to fight. Amirez turns his sword round and stops.

LORD EL KADIR
I see you want to fight.

HUSEIN
I do not want to fight. All I want is that you leave my home now.

(CONTINUED)

LORD EL KADIR
After haven killed my ten soldiers,
with your warrior son?

HUSEIN
You forced me to do so.

LORD EL KADIR
You also force me to do so.

Lord El Kadir says this pulling out his sword from its bag on the left side of his waist. His soldiers also remove their swords.

LORD EL KADIR (CONT'D)
Kill him. Do not harm his son. I
want him alive.

The soldiers of Lord El Kadir surround Husein and Amirez.

HUSEIN
Let's be prepared to fight the
wicked son. You are my first
student. You are the first Sandia
of Algrabar, you will be a killing
machine, if you always remember
your chains.

AMIREZ
You make me a Sandia?

HUSEIN
You always fight like a Sandia. I
never told you that so you should
keep working hard and be the best.

AMIREZ
Thanks father.

HUSEIN
You are more than a warrior. I
always have a dream, that you will
be the one to overthrow the wicked
rulers of Algrabar so other small
kings will bring their regions back
to it.

AMIREZ
I will do that father.

HUSEIN
You are now a sandia my son. Let
the blood of the wicked be shed. I
love you.

(CONTINUED)

AMIREZ

I love you too father.

Husein attacks the soldiers of Lord El Kadir. Amirez also fights them. Lord El Kadir is standing looking at them fighting.

LORD EL KADIR

I need his son alive. Kill the father.

Three soldiers of Lord El Kadir are killed by Husein and Amirez. They are swiftly pierced and cut. They stop fighting looking at themselves. Amirez and Hussein are still surrounded with no hound.

HUSEIN

You still want to fight? Are you not scared to die?

Husein speaks to the soldiers of Lord El Kadir.

LORD EL KADIR

My soldiers are never scared to die.

HUSEIN

Then they will all die with you.

Amirez, Hussein and the soldiers of Lord El Kadir continue fighting. Hussein cuts a soldier's hand. The soldier's hand and sword falls to the floor.

SOLDIER WITH A CUT HAND

Ahh...

Husein swiftly cuts the soldier's head off. Amirez pierces two soldiers on their bellies, run with them to the wall and hook them to the wall. He removes his hooked sword on the wall and beheads them.

A soldier comes behind Amirez so Amirez swiftly turns round bending down, pierces the soldier on his belly, lifts up the soldier with his sword and hits him down hard.

Husein is being cut on his back by a soldier of Lord El Kadir.

HUSEIN

Ahh.

Husein swiftly turns and beheads the soldier who cut him, cuts another soldier on the chest who tries to cut him, beheads the soldier then shoots another soldier with his sword. The sword pierces the soldier on his belly.

PIERCED BELLY SOLDIER

Ahh...

The pierced soldier holds the sword on his belly as he screams in pains. Amirez runs, jumps and smashes the sword on the soldiers belly so it comes out from the soldier's back.

Husein fights two soldiers with his hands and legs. He dodges their cuts, kicks them and box them. He holds a soldier by the head and turns his head round breaking the neck. He boxes the other soldier on the neck to death.

Husein grabs another sword from the two hooked beheaded soldiers on the wall. They stand in fighting positions watching themselves.

LORD EL KADIR

What are you waiting for. Get his son.

HUSEIN

Be careful son.

Husein and Amirez cut off the soldiers of Lord El Kadir. Lord El Kadir notices his soldiers are all dyeing so he comes in and grabs Amirez from behind.

AMIREZ

(shouting)

Allow me.

Lord El Kadir seizes Amirez' sword and carries him up in front of him. He puts his sword across his neck.

AMIREZ

Father.

Husein still fighting turns and looks.

HUSSEIN

My son.

The soldier Husein fights with tries to cut Husein.

AMIREZ

Watch out.

(CONTINUED)

Husein turns and cuts the soldier and pierces another soldier on his chest.

LORD EL KADIR
(shouting)
Stop fighting.

Husein beheads the soldier he pierced on the chest and stops fighting. Everybody stops fighting.

HUSEIN
Do not do that.

Lord El Kadir smiles.

HUSEIN
I will train your soldiers if you
let him go.

LORD EL KADIR
Seize his sword.

A soldiers of Lord El Kadir seizes the sword of Husein.

LORD EL KADIR (CONT'D)
So you are now prepared to teach my
soldiers.

Lord El Kadir hands over Amirez to one of his soldiers. The soldier also puts his sword across the neck of Amirez.

Lord El Kadir moves toward Hussein.

LORD EL KADIR (CONT'D)
So you wanted me to personally come
here the second time before you
accept to train by soldiers?

Lord El Kadir stands in front of Hussein.

LORD EL KADIR (CONT'D)
I no longer need you. I have the
real warrior with me, your son.

HUSEIN
No.

LORD EL KADIR
He will train my soldiers.

HUSEIN
No.

LORD EL KADIR
He will transform them into killing
machines.

HUSEIN
No.

LORD EL KADIR
He has the strength and skills.

HUSEIN
But he will never do that.

Lord El Kadir swiftly tries to put his sword into the belly
of Husein but Husein catches his sword with his two hands
not wounding him.

LORD EL KADIR
You claim to be smart.

HUSEIN
I am smart.

LORD EL KADIR
So...?

Silence.

LORD EL KADIR (CONT'D)
Let's see.

Lord El Kadir swiftly pulls out his sword from the hands of
Husein so Hussein swiftly removes his hands so the swords do
not wound him.

LORD EL KADIR
I told you but you wouldn't listen.

HUSEIN
I will never listen.

LORD EL KADIR
Then tonight, may your soul heavily
weep in hell.

HUSEIN
Then let Thy will be done as it is
in heaven.

AMIREZ
(shouting)
Don't touch my father.

(CONTINUED)

Lord El Kadir tries to cut Husein but Husein swiftly escapes his sword. Husein fights without a weapon. Husein escapes Lord El Kadir's cuts and either smashes or box Lord El Kadir.

LORD EL KADIR
Let's see how long you will cope
with this nonsense.

They continue fighting. Husein then takes another sword from the wall when he punches Lord El Kadir on the ground. Lord El kadir gets up.

They start fighting with swords. Husein cuts Lord El Kadir on his back.

Husein and Lord El Kadir fight hitting their swords together either blocking or wanting to cut the other.

Husein hits Lord El Kadir down with his elbow. Blood comes out from Lord El Kadir's nose.

HUSEIN
I do not want to kill you.

LORD EL KADIR
I want to.

AMIREZ
Don't touch my father.

Lord El Kadir gets up wiping his nose. He continues fighting with Husein. Husein still hits him on his nose with his elbow after blocking all his hits with his sword.

More blood comes out of Lord El Kadir's nose. Lord El Kadir wipes his nose.

They continue fighting seriously, hitting their swords together causing sparks.

As they fight and come near a soldier of Lord El Kadir, the soldier pierces Husein with his sword from behind and removes the sword.

Husein screams.

HUSEIN
(shouting)
Ah...

AMIREZ
(shouting)
No... Father...

Husein swings his hand and body round from front to back with his sword cutting off the head of the soldier who pierced him.

Lord El Kadir steps nearer and also pierces Husein from behind.

AMIREZ
(shouting)
No, don't kill my father.

The soldier of Lord El Kadir holding Amirez holds him tighter and presses his sword towards his neck causing it to give him a little wound.

AMIREZ
Ah... It hurts you fool.

HUSEIN
Leave my son you devils.

Husein falls to the floor. Lord El Kadir bends down and looks at Husein in his eyes.

LORD EL KADIR
You call my soldiers devils?

HUSEIN
They are all devils.

Husein spits on Lord El Kadir's face. Lord El Kadir wipes the spit and smiles.

LORD EL KADIR
No. They are not devils. I am the devil.

Lord El Kadir pierces the neck of Husein with his sword.

AMIREZ
(shouting)
No...

LORD EL KADIR
I am the devil.

Husein bleeds dying.

AMIREZ
No... Father...

Lord El Kadir gets up and looks at his soldiers standing with Amirez. He then moves towards them and looks at Amirez in his eyes.

AMIREZ
(shouting)
You are nothing but a fool.

Amirez tries to kick Lord El Kadir but he is pulled behind by Lord El Kadir's soldier holding him.

LORD EL KADIR
Do you want to die like your father?

AMIREZ
I am not scared to die. Do you think you can frighten me?

Lord El Kadir removes a dagger from the right corner of his waist. He sends it towards Amirez' face.

LORD EL KADIR
Hold him firm.

The soldier holding Amirez holds Amirez' head firm. Lord El Kadir cuts an X across the left eye of Amirez. Amirez frowns as Lord El Kadir does so. Blood comes out.

AMIREZ
(frowning, breathing heavily)
It didn't hurt.

LORD EL KADIR
It will hurt when I heal it with smelted iron.

AMIREZ
Go to hell.

Amirez immediately spits on Lord El Kadir's face.

LORD EL KADIR
(whipping the spit)
You little devil.

Lord El Kadir swiftly hits Amirez with the back of his palm on the right side of his face. Amirez collapses. The soldier holding him holds him not to fall.

(CONTINUED)

LORD EL KADIR

We go home with him. He knows all
what his father knew. He will turn
my soldiers into killing machines.

The soldier holding Amirez carries him on his soldier.

LORD EL KADIR

Burn the house before leaving.

A heavy thunder storms with lightning after Lord El Kadir
says this. Lord El Kadir walks out the door.

horse alive.

The soldier of Amirez who tells Amirez about king Buker's escape tries to follow king Buker but is killed in his attempt to catch him.

Amirez notices this so wraps his chains round his hands, takes out his sword and start running towards king Buker. He kills soldiers of King Buker as he runs towards him.

AMIREZ
(shouting)
I need him alive.

King Buker has difficulties forcing his way out as he is crowded by fighting soldiers. He also cuts the soldiers of Algrabar as he tries to escape. Amirez runs closer to him.

TIME LAPSE

Amirez jumps and smashes a soldier of king Buker on his shoddier, swiftly keeps his swords on his back and in the air, he loosens his chains turning them round cutting the right hand of King Buker as King Buker tries to cut him.

BACK TO SCENE

Amirez lands seated behind King Buker on his horse.

KING BUKER
Ahh...

Amirez removes a sword from his back and puts it across the neck of King Buker.

KING BUKER
You devil.

AMIREZ
Thanks very much.

Amirez presses his sword on King Buker's neck harder.

AMIREZ
(shouting)
You stop fighting.

KING BUKER
(shouting)
Stop fighting.

All the soldiers of Amirez and king Buker stop fighting.

(CONTINUED)

A soldier of Algrabar who had pierced a soldier of Astrabradir on his neck swiftly removes his sword from the soldier's neck and beheads the soldier. He inserts the sword in it's bag on his back.

AMIREZ

Tell your men to drop their weapons.

KING BUKER

Drop your weapons. Drop your weapons. The war is over.

King Buker talks to his soldiers. The soldiers of King Buker drop their weapons on the ground.

AMIREZ

Pick up their weapons soldiers.

Amirez talks to his soldiers. The soldiers of Amirez pick up the weapons of the soldiers of king Buker which they dropped on the ground.

AMIREZ

We will not kill him but present him to my father. My father will give his final judgment. We all move to Algrabar now with all his soldiers. Let's move.

SOLDIERS OF ALGRABAR

(shouting)

Yeah...

The soldiers of Algrabar say this lifting up their swords. They put them down. They start pushing soldiers of Astrabradir to walk in front of them.

CUT TO

EXT. ALGRABAR PALACE - DAY

Amirez returns home after the defeat of Ashtrabradir with King Buker and his soldiers. The GUARD (30s) at the tower sees them coming.

THE GUARD AT THE TOWER

(shouting)

Open the gate. The prince is back. He comes with the king of Ashtrabradir.

(CONTINUED)

The GUARD (30s) at the gate opens the gate. Another GUARD (30s) at a tower blows a horn. 500 SOLDIERS of Algrabar come out of their rooms and stand in front the palace to welcome the prince and his soldiers.

Lord El Kadir then comes out of the palace and stands up the stairs looking at his soldiers down stairs waiting for Amirez and his soldiers.

LORD EL KADIR:

Lord El Kadir is now 48 years old. He is always with his meter and 79cms tall.

Amirez, soldiers of Algrabar and the captives enter the gate of Algrabar. Amirez is still on king Buker's horse with king Buker. Amirez talks to king Buker.

AMIREZ

This is my palace old man. Get down.

Amirez jumps down from the horse and moves upstairs towards the Lord El Kadir. Lord El Kadir smiles as he looks at Amirez coming up.

A SOLDIER OF ALGRABAR

Get down.

King Buker is brought down from the horse and kept to kneel down. His soldiers are also kept to kneel down behind him. They are about 1,000 of them who were taken as captives.

Two soldiers of Amirez stand by the side of king Buker placing their hands on his shoddiers. They hold swords across the neck of king Buker.

Amirez climbs the steps and meet Lord El Kadir. Amirez kneels down on one kneel bowing to him.

AMIREZ

Greetings my father.

LORD EL KADIR

Get up my son.

Amirez lifts up his head and stands.

LORD EL KADIR (CONT'D)

You are welcome.

AMIREZ

Thanks very much father. I bring to you king Buker of Ashtrabradir.

(CONTINUED)

Amirez says this to Lord El Kadir pointing at king Buker who is held on the ground to kneel down.

AMIREZ (CONT'D)

He resisted against us. He called your letter of reunification rubbish.

Lord El Kadir frowns.

AMIREZ (CONT'D)

I caught him alive so decided to bring him to you for final judgment.

LORD EL KADIR

He called my letter for the reunification of Algrabar rubbish?

AMIREZ

Yes my father.

LORD EL KADIR

Then let his head be separated from his body as it is the law of Algrabar.

AMIREZ

Yes my father.

Lord El Kadir turns to go into the palace.

AMIREZ (CONT'D)

Father.

Lord El Kadir stops and turns and looks at Amirez.

AMIREZ (CONT'D)

Please do not go. I have a little demonstration for you.

LORD EL KADIR

I am watching.

AMIREZ

Keep yourself three meters away from me.

Lord El Kadir shifts about 4 meters away from Amirez.

AMIREZ

Bring king Buker to the Algia.

Amirez shouts to his soldiers holding king Buker. King Buker is been taken to the spot called Algia. There are three Algias on a line half a meter from each other.

The Algia is a spot down stair where there are four chains hooked on the ground. The spot is circled round with white paint.

Two chains are used to chain the legs of king Buker. Two other chains are used to chain his hands. The chains are then straightened to make King Buker completely immobilized. King Buker is chained kneeling down.

AMIREZ

This will be a warning to all soldiers of Ashtrabradir. Any betrayal or crime committed on Algrabar soil leads to this.

Amirez swings his two hands round from front to back loosening the chains wrapped round his hands. He spins the chains round and round his body and swiftly cuts off the head of king Buker with the chain on his left hand having blades and also cutting king Buker's head into two as king Buker's head spins round and round about two meters from the ground with his right hand.

Amirez then spins his chains with blades at the edge and hooks the two halves of king Buker's head. He spins the chains with blades at the edge round him about three times throwing king Buker's head out of the gates of Algrabar.

Amirez then swings his hands wrapping back his chains round them. He then fits in the blades on the chains into small letter bags behind his palms allowing the edge of the knives to face his fingers.

Amirez then looks at Lord El Kadir and says:

AMIREZ

Thanks for watching my father.

Amirez says this bowing down a little to Lord El Kadir and raising back his head.

LORD EL KADIR

(clapping)

That was excellent my son.
Excellent.

(CONTINUED)

AMIREZ

Thanks father.

LORD EL KADIR

Take a bath and meet me at the table for dinner. I have vegetarian food for you. No meat, but rich in protein and other nutrients.

AMIREZ

I will meet you soonest father.

LORD EL KADIR

Your brother Shoghi is still ill. He is in his room.

AMIREZ

I will go and check him now father.

LORD EL KADIR

I then wait for you to take dinner.

AMIREZ

Yes father.

Lord El Kadir then moves into the palace. Amirez turns and looks at the soldiers downstairs.

AMIREZ

(shouting)

Soldiers of Ashtrabradir, you are now soldiers of Algrabar. I will spare your lives. We have beautiful women in Algrabar. We have homes for you. We have food for you, and we have wine for you. You have no king, so who will you fight for now?

SOLDIERS OF ASHTRABRADIR

Algrabar.

AMIREZ

Take them to their rooms.

SOLDIERS OF ASHTRABRADIR

Algrabar, Algrabar, Algrabar...

All soldiers of Ashtrabradir get up and move towards their rooms as they are accompanied by the soldiers of Algrabar. They make noise as they are happy. Amirez then moves into the palace.

CUT TO

INT. SHOGHI'S ROOM-DAY

SHOGHI (20s) is in his room while Amirez enters his room. Shoghi hears someone coming into his room so looks at who enters.

SHOGHI:

Shoghi is a 23 year old boy. He is the real son of Lord I

AMIREZ

How is it, little brother?

SHOGHI

I feel better now.

AMIREZ

I pray you get well soon.

SHOGHI

Thank you.

Amirez seats on a chair next to Shoghi's bed. He faces Shoghi.

SHOGHI

I heard you defeated Ashtrabradir and came with thier King alive.

AMIREZ

Yes. Our father ordered for his head to be cut off, as it is the law of Algrabar.

SHOGHI

May his soul rest in peace.

Amirez smiles. The QUEEN OF ALGRABAR (40s) stands at the door of Shoghi's room. Shoghi and Amirez do not see her.

THE QUEEN OF ALGRABAR:

The Queen of Algrabar is a very beautiful Arab lady. She is neck. She is about a meter and 70cms tall.

QUEEN OF ALGRABAR

Are you laughing at your sick brother?

Amirez stands.

AMIREZ

Good day mother. I was just discussing something with him.

(CONTINUED)

QUEEN OF ALGRABAR
I am not your mother.

AMIREZ
Forgive me my queen.

The queen does not reply Amirez. She instead moves closer to Shoghi.

QUEEN OF ALGRABAR
How are you my son?

SHOGHI
Why didn't you greet him? Why do you hate him so much? Must you love only your son?

AMIREZ
I leave you both.

Amirez says this and moves out.

QUEEN OF ALGRABAR
I am sorry my son.

The Queen of Algrabar says this touching Shoghi on his chin. Shoghi hits her hand.

SHOGHI
Don't touch me.

QUEEN OF ALGRABAR
I am so sorry my son.

The queen of Algrabar says this trying to hold Shoghi's hand. Shoghi still pushes her hand.

SHOGHI
Leave my hand woman. I am not your son, and you are not my mother.

QUEEN OF ALGRABAR
Please you are my only son-my only child.

SHOGHI
You are a wicked mother. I will be your son when you apologies to Amirez.

QUEEN OF ALGRABAR
How do you expect me to apologies to Amirez?

SHOGHI

That is the pride you always have.
Leave me alone.

QUEEN OF ALGRABAR

Son...

SHOGHI

You have hated this boy ever since
he came here. I hate you as from
now.

QUEEN OF ALGRABAR

But I am your mother.

SHOGHI

A good friend is better than a bad
mother.

The queen of Algrabar starts crying. She still sends her
hand to hold Shoghi but Shoghi pushes her hand away.

SHOGHI

Leave my room. Now.

The queen of Algrabar goes down on her knees.

QUEEN OF ALGRABAR

I am sorry my baby.

SHOGHI

(shouting)

I said you should leave my room.

The queen of Algrabar gets up crying and leaves Shoghi's
room crying.

CUT TO

INT. ALGRABAR PALACE - DINING ROOM - NIGHT

AMIREZ, LORD EL KADIR and SHOGHI are seated on a dining
table taking lunch.

LORD EL KADIR

Good appetite my sons.

SHOGHI

Thank you Father.

(CONTINUED)

AMIREZ

Thanks father.

LORD EL KADIR

So when do you wish to conquer Barombi, Amirez?

Amirez coughs to clear his throat.

AMIREZ

By the end of next year. I want to train my soldiers very well before the battle, especially the soldiers of Ashtrabradir.

LORD EL KADIR

Are you sure you are going to defeat Barombi? You know Zaid has over five thousand soldiers willing to die for Barombi.

AMIREZ

It will be a massacre my father. Barombi has no chance to resist the soldiers of Algrabar.

LORD EL KADIR

You believe so?

AMIREZ

Yes father. You will see what I will turn my soldiers into. Assassins and killing machines.

LORD EL KADIR

Like you.

Amirez smiles. Shoghi eats listening to the conversation between Amirez and Lord El Kadir.

AMIREZ

I will notify them about the battle two months before time.

Shoghi and Lord El Kadir look at Amirez surprised.

LORD EL KADIR

You can give them a surprise attack. You don't need to notify them about the battle.

Shoghi continues eating but also paying attention to what Lord El Kadir and Amirez are discussing.

(CONTINUED)

AMIREZ

King Zaid has refused to bring Barombi back under Algrabar so he knows the consequences of that. He knows there has to be a war between Algrabar and Barombi.

LORD EL KADIR

But he does not know the exact day that soldiers of Algrabar will attack Barombi.

AMIREZ

I have a policy my father. I never attack an enemy when he is not prepared. That will be an insult on Algrabar, it' king, and his soldiers.

LORD EL KADIR

It's true.

AMIREZ

That will be a shame on me. Imagine the best fighter in Middle East attacking an enemy from behind or attacking an enemy by surprise. It will be a shame on Algrabar.

LORD EL KADIR

I understand.

AMIREZ

So we notify them before our attack.

Lord El Kadir inhales and exhales deeply.

LORD EL KADIR

No problem with that.

AMIREZ

Thanks my father.

The QUEEN OF ALGRABAR comes into the dining room.

QUEEN OF ALGRABAR

I am sorry to come late.

The queen of Algrabar kisses Lord El Kadir. She then moves to her seat between Lord El Kadir and Shoghi. Shoghi cleans his mouth with a tissue and stands up.

(CONTINUED)

SHOGHI

I think I will leave you now. I
have to go.

The queen of Algrabar feels bad and looks at Lord El Kadir ashamed. Lord El Kadir looks at Shoghi leaving the dining room and is surprise. He notices that Shoghi left because of his mother.

Tears start running down the eyes of the queen of Algrabar. The queen of Algrabar looks down ashamed. Amirez and Lord El Kadir see this.

LORD EL KADIR

(talking to the queen of
Algrabar)

Wipe your tears my queen. There is
no need to shade tears. He will
always be your son.

The queen wipes her eyes but continue to shade tears.

AMIREZ

So tell me about my mother, father.

LORD EL KADIR

Yeah. Your mother was a beautiful
woman from this Algrabar. She was
my first wife.

AMIREZ

So what killed her?

LORD EL KADIR

Ehh... She was ill for over six
months. No doctor in Algrabar ever
knew what she was ill of. She
always complained of her chest. She
had a problem with her heart.

Amirez and Lord El Kadir are silent for a moment.

AMIREZ

Father.

LORD EL KADIR

Yes.

AMIREZ

I do not really know what is wrong
with me.

(CONTINUED)

LORD EL KADIR

What like ?

AMIREZ

I do not recall anything about my past. Nothing at all. I mean my childhood. I can't remember anything.

LORD EL KADIR

Some people are not good in remembering their past.

AMIREZ

That may be the reason but mine is like an illness.

The queen of Algrabar is still crying. A guard comes near her, takes a tissue from the table and gives to her but she does not take it.

THE GUARD BY THE TABLE

Sorry my queen.

The queen swiftly pulls out the sword of the guard and tries to cut Amirez as she is not far from him. Amirez bends his head on the table allowing the sword to pass over his head.

The queen stands up and tries to cut Amirez but does not succeed in her attempt as Amirez stands up dodging the sword as she tries to cut him.

LORD EL KADIR

Stop that my queen.

Lord El Kadir comes and holds the queen of Algrabar. The soldiers who stand watching Lord El Kadir and Amirez eating do not make any attempt to stop the queen of Algrabar.

QUEEN OF ALGRABAR

(shouting)

Allow me. I will kill him. He has made my son to hate me.

The queen of Algrabar says this to Lord El Kadir trying to come out of Lord El Kadir's hands as he holds her.

LORD EL KADIR

Can you kill him? Do you want to die?

Lord El Kadir still holds the queen of Algrabar as he questions her. The queen of Algrabar spits on Amirez but it does not touch him as he is about two meters away from her.

(CONTINUED)

AMIREZ

I leave you father.

QUEEN OF ALGRABAR

(Shouting)

Leave me alone.

LORD EL KADIR

Guards, take her to her room.

Amirez leaves the dining room. Two guards standing near the dining table take the queen of Algrabar from the hands of Lord El Kadir and take her to her room.

CUT TO

INT. LORD EL KADIR'S ROOM - NIGHT - CONTINUES

Lord El Kadir is in his room with the Queen Of Algrabar. The queen of Algrabar is angry with Amirez. She lies down on the bed while Lord El Kadir stands by the bed.

Lord El Kadir comes and seat near the Queen Of Algrabar comforting her.

LORD EL KADIR

Stop crying my queen.

QUEEN OF ALGRABAR

(shouting)

I hate that boy.

LORD EL KADIR

Calm down.

QUEEN OF ALGRABAR

I hate that boy. He has made my son to hate me.

LORD EL KADIR

I know. In a few months to come, I will get rid of him.

QUEEN OF ALGRABAR

You always say that.

LORD EL KADIR

I am serious.

QUEEN OF ALGRABAR

You better be fast before he starts requesting the crown.

(CONTINUED)

LORD EL KADIR

He will never request the crown of Algrabar because he will not live to see that day. He will be beheaded.

QUEEN OF ALGRABAR

Who has the power to do that? You?

LORD EL KADIR

I can't kill him.

QUEEN OF ALGRABAR

You are not capable of killing him.

LORD EL KADIR

I know. It is said, that those who live by the sword, die by the sword.

QUEEN OF ALGRABAR

So is he going to die by his own sword?

LORD EL KADIR

The sword of his enemy.

The queen of Algrabar turns and looks at Lord El Kadir in his eyes. She seats up from the bed and wipes tears rolling down from her eyes.

QUEEN OF ALGRABAR

What are your plans?

LORD EL KADIR

He will be betrayed by his own soldiers-soldeirs of Algrabar.

QUEEN OF ALGRABAR

How is that possible?

LORD EL KADIR

I have already told his captain, to do that at Barombi.

The queen of Algrabar looks at Lord El Kadir surprised.

CUT TO

EXT. INSIDE ALGRABAR PALACE GATE - DAY

Amirez stands looking at his soldiers downstairs in front of Algrabar palace. They are all silent. Lord El Kadir comes out and meets Amirez.

LORD EL KADIR
I see you are ready to attack
Barombi?

AMIREZ
Yes my father. I will bring to you
the head of Zaid.

LORD EL NADIR
I love when you say so.

AMIREZ
Thanks father.

LORD EL KADIR
Zaid will be waiting for you.

AMIREZ
Yes father.

LORD EL KADIR
You will be the King of Algrabar if
you bring this last region of
Algrabar under Algrabar Kingdom.

AMIREZ
I know father.

LORD EL KADIR
So I await your return.

AMIREZ
Yes my father.

LORD EL KADIR
I also await your victory.

AMIREZ
Victory is ours father. Victory is
Algrabar.

LORD EL KADIR
So how many men do you go with?

AMIREZ
I go with six thousand brave and
ready to die soldiers of Algrabar
to crush down the army of Zaid.

(CONTINUED)

LORD EL KADIR
How many soldiers will be left in
the palace?

AMIREZ
One thousand.

LORD EL KADIR
So why do you go with so many
soldiers?

Amirez looks at Lord El Kadir suprised.

AMIREZ
Zaid has six thousand soldiers
waiting for my men by morn. I do
not want to overtake risks by going
with fewer soldiers. It is better
to go with more.

LORD EL KADIR
Then let it be so.

AMIREZ
Thanks father. I was also thinking
of training my men how to use bows
and arrows for far attacks.

LORD EL KADIR
You are free to teach them that
when you come back.

AMIREZ
Thanks father.

Silence.

AMIREZ (CONT'D)
Father.

LORD EL KADIR
Yes.

AMIREZ
I was also thinking of training
beasts to use them fight against
the enemy.

LORD EL KADIR
That is a great idea. But is that
possible?

(CONTINUED)

AMIREZ

Almost everything is possible. It is of no use anymore since we are to fight our last battle. I thought of that late.

LORD EL KADIR

That's true. Let victory be ours son.

AMIREZ

Let victory be Algrabar.

Amirez kneels down before Lord El Kadir. Lord El Kadir places his right hand on Amirez' head and says:

LORD EL KADIR

May Allah who takes you away bring you back in one half breathing and conscious.

AMIREZ

Let Allah be praised.

Amirez stands up.

LORD EL KADIR

You can go.

AMIREZ

Thanks father.

KING ZAID

Then you may go.

CAPTAIN ALI

It is a pleasure to fight for Barombi.

Ali turns and looks at a group of soldiers, lift up his sword and says:

CAPTAIN ALI

Let victory be ours.

His soldiers make a lot of noise.

GENERAL NTUA

There is no need to be scared my King. They will attack the soldiers of Algrabar by surprise at mount Mboke.

The king places his right hand on his chin thinking.

KING ZAID

What I am scared of most is Amirez. The devilish, demonick son of El Kadir.

GENERAL NTUA

You do not need to fear him. He is human.

KING ZAID

But with a difference.

GENERAL NTUA

He is just a trained soldier. No need to bother yourself my king. All will be well.

Amirez and his 5,000 soldiers move ahead and stand about 50
meters from them. Amirez and Captain Abdul Buahi are on
horses. They get down from it.

AMIREZ
(shouting)
Why do you wait for us on the way.

CAPTAIN ALI
(shouting)
We do not want the infidels to move
into our kingdom.

AMIREZ
(shouting)
Your region.

(CONTINUED)

CAPTAIN ALI
(shouting)
Our Kingdom.

AMIREZ
(shouting)
I want to speak with Zaid.

CAPTAIN ALI
(shouting Louder)
King Zaid, you idiot.

Amirez moves some steps ahead towards the soldiers of Barombi. Ali also moves towards Amirez.

They both stop 2 meters away from each other and 20 meters away from their soldiers. Ali is still on his horse.

AMIREZ
Who are you, brave soldier of Barombi?

CAPTAIN ALI
I am Ali, Captain of the army of Barombi.

AMIREZ
Where is Ntua? Is he scared of Me?

CAPTAIN ALI
Soldiers of Barombi are never scared.

AMIREZ
Then where is your king?

CAPTAIN ALI
King Zaid is ill. He can not fight you now.

AMIREZ
Lack of courage to fight Algrabar made him ill.

CAPTAIN ALI
We shall never be scared to die for our kingdom.

AMIREZ
Six regions have told me so, but regretted immediately the war began.

(CONTINUED)

CAPTAIN ALI
Barombi will never be like other
kingdoms that succumb to Algrabar.

Amirez frowns his face.

AMIREZ
(pointing Ali's soldiers)
Look at your soldiers, they look
scared already.

CAPTAIN ALI
(turning to look at his
soldiers)
My soldiers are never scared.

As Ali turns to look at his soldiers, Amirez starts turning
his chains to cut Ali.

CAPTAIN ALI'S SOLDIER
(shouting)
Watch out captain.

Ali turns to look back immediately when Amirez' chains just
loosens from his hands so Amirez cuts off Ali's head with his
left chain having a blade attached to it and hooks captain
Ali's chest with the blade of his chain on his right hand.

ALI'S SOLDIER
(shouting)
Captain...

ALI'S SOLDIER 2
(shouting)
Captain...

Amirez pulls out the chain from Captain Ali's chest with
force, causing blood to ooze out of Ali's chest. Ali then
falls from his horse.

Captain Ali's horse tries to run towards soldiers of Barombi
but Amirez cuts the hind legs of the horse causing it to
fall.

ALI'S SOLDIER
(shouting)
Captain...

Amirez moves to the struggling horse, turns his chains round
and cuts off the head of the horse.

Captain Abdul Buahi nods his head several times.

 Attack...

Soldiers of Barombi shout expressing anger coming towards Amirez and his soldiers. Amirez' soldiers also run coming towards soldiers of Barombi shouting.

Amirez cuts off the head of the first 4 soldiers of Barombi, who approach him.

AMIREZ
 (shouting)
 Die.

Amirez wraps back his chains round his hands by turning his hands from back to front. He then removes two swords from his back. Soldiers of Algrabar and Barombi clash and start fighting.

AMIREZ
 (fighting and shouting)
 This is our last kingdom to
 conquer. Shade blood with no tears
 nor merci.

Killing continues as the soldiers of Barombi die at a faster rate than soldiers of Algrabar. Heads are cut off. Soldiers are pierced.

Amirez is hounded three times on his back. He beheads the soldiers who cut him. He pierces soldiers on their neck.

Amirez later keeps his sword on his back. He loosens his chains one meter long. He cuts soldiers of Barombi with it.

Soldiers of Barombi pierce soldier of Algrabar as soldiers of Algrabar pierce soldiers of Barombi.

Soldiers of barombi are less skillful than soldiers of Algrabar so they die more.

Captain Abdul Buahi cuts soldiers of Barombi. He fights very well. He pierces and beheads soldiers of Barombi. He is cut but not so much on his face. He beheads the soldier who cuts him.

AMIREZ
(fightng and shouting)
Victory shall be Algrabar.

Fighting continues. Heads are cut off and soldiers are pierced. Soldiers of Barombi try to escape when they see that they have reduced massively in number.

LORD EL KADIR
What?

SHOGHI
Why did you have to do that to Amirez?

LORD EL KADIR
What?

SHOGHI
You know father, stop pretending. You have othered his captain to betray him or even pierce him at battle.

LORD EL KADIR
You will not understand son.

SHOGHI
What will I not understand.

LORD EL KADIR
Amirez has to be made king of Algrabar if he brings back the eight regions of Algrabar together.

Not important. Let's forget about that. Bad stories are not to be repeated over and over.

Amirez nods.

Silence. They eat.

AMIREZ

My king.

KING ZAID

Yes.

AMIREZ

I will like to use your army to fight against Algrabar.

Everyone on the table is surprised. They look at Amirez.

AMIREZ (CONT'D)

El Kadir may come back here for a battle by the time he expects I will be dead if I was captured alive.

KING ZAID

I understand you.

AMIREZ

Yes. It's for the safety of Barombi. Also, I will never like to die without knowing why El Kadir betrayed me. My own father.

Silence.

AMIREZ (CONT'D)

I can conquer Algrabar with the help of your soldiers.

GENERAL NTUA

Our soldiers are too few compared to that of Algrabar.

AMIREZ

The strength of a man or nation lies on the technical know-how of that soldier or soldiers of that

nation. It does not matter the
population of Algrabar. What
matters is their strength.

GENERAL NTUA
The soldiers of Algrabar are well
trained. They have suffisticated
ways of attacks, and are well
trained.

AMIREZ
Because I trained them. I can as
well train the soldiers of Barombi.
I know the week points of Soldiers
of Algrabar. Give me a chance my
king.

Silence.

AMIREZ (CONT'D)
I will make you king of the entire
Algrabar if you help me in this.

KING ZAID
How long can you use to train my
men?

AMIREZ
A year or two. Depending on how
they will learn.

KING ZAID
Only?

AMIREZ
Yes my king. The week point of
soldiers of Barombi is their
weapons. Their weapons are weak. I
will teach them how to use blades
and not swords.

KING ZAID
Those your weapons, I mean your
chains, can you teach my soldiers?

AMIREZ
Those chains take a life time to
use them. I have spent all my life
with them but I am not yet perfect
with them.

(CONTINUED)

KING ZAID

(surprised)

You are not... perfect with them?

AMIREZ

Yes my king. They are not strong the way I expect them to be. If I had stronger methals, my blades will be perfect, then I too will be perfect with them.

GENERAL NTUA

What plans do you have concerning training the soldiers of Barombi?

AMIREZ

They will use methalic spears, use bows and arrows, use blades and no more swords. The soldiers of Algrabar do not use swords any more. Trust me in this my king, I built the army of Algrabar.

King Zaid looks at Ruhiyih. Ruhiyih nods. He also looks at General Ntua. General Ntua nods his head.

KING ZAID

I accept your request boy.

AMIREZ

Thanks my king.

KING ZAID

But I will have to see my soldiers well trained before I can accept a war against Algrabar.

AMIREZ

Trust me my king. I will turn your men into killing machines.

KING ZAID

Like you.

Amirez smiles.

KING ZAID

Then may you began with their training.

AMIREZ

Thanks very much my king.

They continue eating.

RUHIYIH

KING ZAID
Yes.

RUHIYIH
I am sorry I lied to you.

KING ZAID
Lied to me?

RUHIYIH
Yes. I said I was caring Amirez'
baby just to cool you down.

KING ZAID
Apologies accepted.

RUHIYIH
Thanks father.

Silence.

KING ZAID
Something which will be very
important to you.

AMIREZ
Yes my king....

KING ZAID
Can you use swords?

AMIREZ
Blades.

KING ZAID
Yes. There are two swords owned by
a great fighter called Kilam. The
swords are said to have magical
powers. It cuts through any
substance.

AMIREZ
Where is Kilam located?

KING ZAID
In the dead valleys of Kashina-two
hundred miles from Barombi.

AMIREZ

If the metal used to make the swords are really strong, we can smelt them to make my blades of my chains.

KING ZAID

I though you could use swords very well to?

AMIREZ

Yes my king.

KING ZAID

So why do you need to smelt them?

AMIREZ

With no weapons, I am equivilent to fifty Algrabar soldiers. With blades, I am equivilent to one hundred and with my chains, I am equivilent to two hundred, so I prefer the swords to be melted.

KING ZAID

No problem with that.

AMIREZ

Before I forget my king.

King Zaid looks at Amirez.

AMIREZ

I heard strange voices when I was in your prison. They were very loud.

GENERAL NTUA

They are giant monsters, demons from the dead valley.

AMIREZ

Giant monsters?

KING ZAID

They come from where the swords of divine protection are taken care of by Kilam.

AMIREZ

Wait.

Amirez get's a flash back.

FLASH BACK

Amirez thinks of when he was about 17 years old. He sees his real father Hussein fighting with a giant demon.

hungry.

HUSSEIN
So you can talk.

Hussein allows his neck.

AMIREZ

Amirez recalls when his father Hussein was pierced on his neck. he also recalls when Hussein cut his left eye with a dagger.

Amirez also thinks of the day Lord El Kadir killed his mother by Piercing her with a sword.

AMIREZ
No...

HUSSEIN
No... Killers. Murderers.

Lord El Kadir smiles. Hussein had two swords on his neck by two soldiers of Lord El Kadir.

AMIREZ
He is not my real father.

Everybody is surprised.

AMIREZ
I start to recall everything. It looks like he gave me something to forget my past. My memory starts coming when I stop eating Algrabar food. Yes, that is what has been happening to me.

Silence. Everybody looks at Amirez.

AMIREZ (CONT'D)
How many beasts are in that prison?

GENERAL NTUA
Eight of them.

AMIREZ
Why are they there?

GENERAL NTUA
They killed over 400 soldiers of Barombi last eight months before we could capture them.

AMIREZ
Have you been giving them food?

GENERAL NTUA
No one can come closer to them. They are so wild and canivorous.

AMIREZ
They are friends.

The demons stop roaring.

AMIREZ
Listen to what I have to tell you.
I am not scared of anyone of you
for you cannot frighten me nor
cause no harm to me. I can cause
more harm than you, but I am not
here for that. I am here to
negotiate. I know all of you here
are hungry. Food makes you kill
humans. I know that.

Amirez walks two steps to the right and faces the giants.

AMIREZ (CONT'D)
I have food for you. I am actually
here to beg you to fight for me in
a battle against Algrabar. I will
set you free after that. I will
give you food, water and shelter.
You will feed on the soldiers of
Algrabar. So will you fight with
me?

A giant monster starts shaking his chains trying to cut them.

That will not help you.

THE GIANT SHAKING CHAINS

KING ZAID

You raise up.

The seven giants get up from the ground.

KING ZAID

From today, you are soldiers of Barombi.

AMIREZ

One of them refused to work with me. He lies down in the prison room in six halves. You are all hungry. Does cows there are for you. Enjoy your meal.

The giants hold the cows and start eating them alive. Some giants pierce the cows with their nails so they should die. The cows struggle as they are being eating.

They come in peace my brothers and sisters. They have come to help our rase.

Silence.

The giant who carried Amirez looks at his brothers kindly.

THE GIANT WHO CARRIED AMIREZ

Is this all our family?

Silence.

THE GIANT WHO CARRIED AMIREZ

Where is the family?

Silence.

THE GIANT WHO CARRIED AMIREZ

He is very powerful. Be careful.

Silence.

Amirez climbs the steps to his door slowly as he loosens his chains from his hands.

GENERAL NTUA

(shouting and fast)

Be careful.

The door into Kilam's house opens and arrows come out of it very fast- about 20. Amirez swiftly hits all the arrows away with his chains by turning the chains round his body.

AMIREZ

We are here to see you Kilam. We come in peace.

KILAM (VOICE OVER)

Why are you here to see me - son of El Kadir.

AMIREZ

So you know me. Actually I am not the son of El Kadir.

KILAM (VOICE OVER)

You are. What are you doing here?

AMIREZ

I have come to beg of you, the swords of divine protection.

KILAM (VOICE OVER)

I will never give it to anyone. Not to talk of the wicked.

(CONTINUED)

AMIREZ

I am on the good side now.

KILAM (VOICE OVER)

You lie son of El Kadir.

AMIREZ

It is the truth. I need the swords
to over throw the bad rulers of
Algrabar Kingdom.

KILAM (VOICE OVER)

I will not give you the swords boy.
You can use your chains.

AMIREZ

The blades are not strong. I need
the swords.

KILAM (50s) walks out of his house and Amirez and the others
see him. He is holding two sharp blades.

KILAM:

Kilam is a man of 51 years old. He resembles a Japanese, a
long hairs which touch his shoddier
but very active. He is a meter and
74cms tall and average in size.

KILAM

Then you will have to defeat me to
take the swords away from me.

AMIREZ

If it has to be so.

Amirez holds his chains stronger. Kilam turns his swords
round. General Ntua and his soldiers shift further away from
Amirez and Kilam.

GENERAL NTUA

Be careful Amirez. He has never
lost a battle.

AMIREZ

Neither have I.

Amirez and Kilam go down stairs slowly looking at each
other. They stand at the yard.

AMIREZ

I need a sword.

KILAM

I thought you were perfect with those chains?

AMIREZ

I do not want to kill you, that is why I ask for a sword.

KILAM

You are free to kill me.

AMIREZ

If you say so.

Kilam and Amirez meditate in fighting positions.

NTUA

Take care Amirez.

Kilam runs toward Amirez. Amirez throws his first chain to catch Kilam on the neck but Kilam hits it away with his sword.

Amirez swiftly throws the second chain and catches Kilam round his left ankle. He pulls the chain towards him so Kilam falls very badly.

Kilam swiftly stands up.

KILAM

OK. I give you a sword.

Kilam throws a blade at Amirez. Amirez catches it. Amirez loosens his chains from his hands and looks at the blade Kilam gives to him.

AMIREZ

This is what I was talking about.

Amirez attacks Kilam with anger and power. They hit their swords together very fast. They swiftly try to cut each other but they block each other's sword.

(CONTINUED)

Amirez then kicks Kilam's blade out of his hands far away.
Amirez then throws his blade.

AMIREZ

It is better with hands.

NTUA

Take care Amirez.

Amirez attacks Kilam. They fight, hit themselves, fall and get up. They box and kick themselves.

Amirez grabs Kilam's hand and tries to break by turning it round but Kilam jumps up turning round so the hand does not break.

Kilam swiftly tries to break Amirez' hand by turning it so Amirez jumps up turning round so his hand does not break.

Amirez and Kilam box and kick themselves. They try to break each other hand and leg but do not succeed. They also try to break each other's neck but do not succeed.

Amirez later on holds Kilam by the neck firmly.

AMIREZ

Are you giving me the sword or not?

Silence.

NTUA

Do not kill him.

AMIREZ

(shouting)

Are you giving me the swords or not?

KILAM

(shouting in pains)

I will give you.

Amirez allows Kilam's neck.

AMIREZ

I am sorry. You forced me to do so.
Now I need the swords.

KILAM

Let's go into my house.

Kilam, Amirez and General Ntua move into Kilam's house.

INSIDE KILAM'S HOUSE

Kilam takes them into a room. He opens his window for light to come in. There is a box on a table. They move towards it.

KILAM

These are, the swords of divine protection.

Kilam opens the box and they all see two swords in it. The swords are gold colored.

AMIREZ

I really need these swords Kilam. I fight Algrabar in 372 days from today. I hope you will be there to see me over throw the wicked ruler of Algrabar.

KILAM

I will believe you, only when I see you there, on that day, I will be there.

AMIREZ

I pray so.

KILAM

I will come with miracles and help those who fight for good.

AMIREZ

I will be waiting. We have to go now.

KILAM

See you then.

CAPTAIN ABDUL BUARI
Maybe he was caught.

LORD EL KADIR
Then how did he survive?

CAPTAIN ABDUL BUARI

EXT. BATTLE FIELD IN FRONT ALGRABAR GATE - DAY

Amirez, General Ntua and King Zaid are on standing horses facing soldiers of Algrabar who are standing in front of Algrabar palace.

The soldiers are about 800 meters away from Amirez, King Zaid and General Ntua.

Algrabar has 6,000 standing soldiers with spears and swords in front of the gate and 2,000 inside the gate of Algrabar.

Amirez' chains have golden blades. The chains are made of iron. Next to him by the left is General Ntua and King Zaid by his right.

AMIREZ

Here is the battle I have always seen in my dreams. It is different only in one way.

KING ZAID

What is the difference?

AMIREZ

The side on which I am fighting.

KING ZAID

It is destiny. This is the side you had to fight for. You will lead this battle.

AMIREZ

Me?

GENERAL NTUA

For sure.

AMIREZ

With great pleasure my king.

King Zaid looks at Amirez' chains and his blade on his back.

KING ZAID

I see how you have transformed the swords of divine protection.

AMIREZ

Yes my king. It will serve me better this way.

Amirez, General Ntua and King Zaid keep watching the gates of Algrabar.

AMIREZ

I have a feeling that this place
has something strange.

LORD EL KADIR

What like?

AMIREZ

Strange ways of attack and more
enemies than expected. I believe
they are using a new weapon which
I never trained them to use.

KING ZAID

So what can that weapon be?

AMIREZ

Bows and arrows.

KING ZAID

Who may have given them that idea?

AMIREZ

I talked about it the day we left
this palace to attack Barombi. They
may be using them now. They may
have trained themselves with it.

GENERAL NTUA

So how do we block that?

AMIREZ

The giants will help us with their
shields. They will stand in front
of us when they start shouting.

GENERAL NTUA

A good idea.

KING ZAID

Our men will be arriving soon. I
get some footsteps coming.

They get foot steps of matching soldiers.

AMIREZ

I get the sound coming from he left
side.

GENERAL NTUA

I too.

AMIREZ

They may be soldiers of Husseina or Astrabradir coming to help Algrabar.

The steps become louder. Amirez, King Zaid and General Ntua start seeing the soldiers whose step make the noise. They are about 6,000 of them and they come from the right front of Algrabar palace gate about 750 meters from King Zaid, Amirez and General Ntua.

AMIREZ

Those are soldiers from all the six conquered regions of Algrabar. Husseina, Hadir, Albratar, Shadden, Ragina and Astrabradir. I will kill 1,000 of them alone.

KING ZAID

Can you?

AMIREZ

I never doubt myself. Death is for the week. I am six times stronger than myself now. I have heavier, stronger, sharper and longer chains now. If we capture Kadir, then we have captured Algrabar.

GENERAL NTUA

That is true.

AMIREZ

When the war starts, I will try to go into the gates to meet Kadir.

KING ZAID

That is a good idea.

AMIREZ

These soldiers will have a week point when fighting with me.

GENERAL NTUA

What is that?

AMIREZ

They all know, that my chains are three meters long.

GENERAL NTUA

I measured them last time we seized them.

(CONTINUED)

AMIREZ

How long.

GENERAL NTUA

Three meters.

AMIREZ

Now they are four meters long. That will be a great week point to soldiers of Algrabar.

GENERAL NTUA

Our soldiers arrive.

AMIREZ

I can hear them.

King Zaid tries to listen.

KING ZAID

I also get them. Tell them everything you have told us. Tell the giants to shield us if they use bows and arrows.

AMIREZ

It shall be done my king.

CUT TO

EXT. ALGRABAR PALACE - DAY - CONTINUES

Lord El Kadir comes out of the palace and stands in front of his 3,000 guards who are inside the gates of Algrabar with bows and arrows. He meets his captain outside.

LORD EL KADIR

Has the enemy arrived?

CAPTAIN ABDUL BUARI

He gets down from his horse and one soldier takes the horse from him and go back with it into Algrabar gate. Lord El Kadir sees the giants Amirez came with.

LORD EL KADIR

This is the time to show who Algrabar is. This is the bloodiest battle that will be fought in Middle East just as Amirez fortold. We are not scared of giants. We have zailts. We have to fight for Algrabar. Bring out the Zailts. 200 of them first.

Captain Abdul Buahi gets into Algrabar gate.

On the other side of the battle field, King Zaid and his men are ready for the battle. They have 4,000 soldiers with 47 giants from Kashina Valley to fight Algrabar.

AMIREZ

Soldiers of Barombi. Let today be the day, that Algrabar will be under a good king. We have to fight till death. After the capture of El Kadir, Algrabar will be ours. We have to fight with anger, wickedness, strength and determination. (shouting) We shall defeat Algrabar...
