1. INT. DANIELS ROOM - MORNING

SAMANTHA, a pretty blonde 18 year old girl, otherwise known as SAM is sleeping next to DANIEL a tall, handsome black boy from London. Samantha's annoying alarm is going off on her phone. She tries to ignore it by putting the bed covers over her head. Daniel is huffing heavily. He reaches over to get the phone and pushes Samantha to take the phone off him.

DANIEL

Samantha.

SAMANTHA

Mmm?

DANIEL

Take your phone.

Samantha takes the phone off him and turns the alarm off. She rolls back over and faces the wall. Daniel puts his arm around Samantha's stomach. He holds her hands. She turns around to face him and they kiss. Samantha pulls away and looks into Daniels eyes.

SAMANTHA

Morning Mr.

DANIEL

I told you not to call me that remember.

SAMANTHA

Why?

DANIEL

(sulking)

Because you call other guys that name. I'm moose to you.

SAMANTHA

Okay , sorry my moose.

DANIEL

What you doin here anyway?

SAMANTHA

Lying down.

DANIEL

Why in my bed?

(CONTINUED)

SAMANTHA
(sarcastic)
Because I slept here last night.

DANIEL
I never said you could stay the
night.

SAMANTHA
Daniel stop it.

DANIEL
What?

SAMANTHA
Stop being horrible to me.

DANIEL
I'm not, I'm just saying thats all.

SAMANTHA
Fine, I'll go then shall I?

DANIEL
Up to you?

SAMANTHA
Your sooooo annoying.

Samantha reaches over Daniel, picks her top off floor. Daniel
pulls Samantha back onto the bed.

SAMANTHA
What you doin?

Daniel stretches his arms out.

DANIEL
Hug pleasings.

Samantha sits up and faces Daniel who has a huge grin on his
face.

SAMANTHA
Hold on, did you -

Daniel pulls Samantha on top of him and gives her a huge
hug. Samantha tries her hardest to wriggle out of the
situation.

Samantha is pinching Daniel on both sides of his stomach
while biting him on his right shoulder

DANIEL
Ouch, what are you doing?

SAMANTHA
Say sorry.

Samantha carries on biting and pinching Daniel. Daniel starts punching Samantha's arm and then puts its in a lock where she can't move. She is in pain.

SAMANTHA
Ouuuuch!!!! Daniel your hurting me.

DANIEL
Say sorry.

SAMANTHA
For what? you started it.

Daniel pulls Samantha's arm even tighter

SAMANTHA
Aghhhhhh! okay okay sorry.

DANIEL
(releasing her)
I told you don't mess with with me.
I'll fuck a bitch up u know!

SAMANTHA
You go too far sometimes. In fact
all the time.

DANIEL
I'll start again
(short pause, smile)
Hug pleasings?

SAMANTHA
No, I'm not giving you a hug after
that.

DANIEL
Why not? you know I was only
messin.

SAMANTHA
Yeah but when you mess about you
don't realise your own strength.

DANIEL
Well don't ask for it den.

SAMANTHA
You'd do it anyway.

DANIEL
You get on my nerves thats why.

SAMANTHA
what, so cuz I get on your nerves
you think its alright to 'fuck me
up'?

DANIEL
Yeah.

Samantha is upset. She reaches for her top for the 2nd time. She tries to put it on but struggles with her sore arm.

Daniel pulls Samantha back and kisses her on her lips. He touchES her softly, Daniel takes Samantha's night wear off while Samantha pulls his t-shirt off. They kiss more intensely.

Samantha is running out of Daniel's block towards her own flat. She is in her pajama bottoms, one of Daniels t-shirts and wearing slippers. She does not see Sharnez and Nadine coming from around the corner who are giving the most dirtiest looks behind Samantha's back.

SHARNEZ
(sarcastic)
Well....i wonder where 'whitey' has
been.

NADINE
Innit, talk about being discreet.

SHARNEZ
And they still tryna act like
noth'n is goin on.

with Daniel, and then runnin back
over to hers in her pajamas.

NADINE
Slag

SHARNEZ
I don't get whats so special about
her compared to me. If only Daniel
would just give me a chance instead
of spending all his time with her.

Sharnez is pissed off and upset. they both walk out of the
gatehouse towards town.

CUT TO.

3. EXT. TESCO'S - DAY

JENNY and her two FLATMATES are in tesco's car park

FLAT MATE NUMBER 1

Jenny is still staring over towards the hospital

FLAT MATE NUMBER 1

the car.

JENNNY
What?

FLAT MATE NUMBER 1
Your bags?

JENNY
Oh yeah sorry.

The girls finish uploading their bags into the car. Flat

JENNY
Yeah

FLAT MATE NUMBER 2
Does Sam know hes gone there?

JENNNY
I don't think so, that's why I'm a
bit shocked as to why he is there.

Flat mate number 1 comes back to the car

FLAT MATE NUMBER 2
Jens just seen Daniel walking into
the clinic

FLAT MATE NUMBER 1
oh god. I'm not surprised. I always
see him over soo many girls.

JENNNY

JENNY staring at the clinic until it is out of site.

JENNY
Sam you know how Daniel can be
shifty at times.

(CONTINUED)

SAMANTHA

Ye I know, but not when it's something like this. My instincts were telling me he was sleeping around, but i just didn't believe them.

JENNY

Yeah but Sam you should always believe your instincts, they are usually right.

SAMANTHA

(in denial)

Maybe he just went into the wrong entrance. I've done that before.

JENNY

Sam don't make excuses, I think you need to confront him or find out some other way.

SAMANTHA

How, without accusing him first?

JENNY

I dunno, but he is gonna make excuses no matter what. So you may as well just say it upfront. Too be honest you should just go and get checked, then you got your answer.

CUT TO.

I am sooo happy dat you just called me mumzie. Thought id lost my phone for a minute there.

Daniel walks out his bedroom. Samantha has clothes all over her. she attempts to get out of the cupboard. she gets her leg out. The bedroom door opens. Samantha jumps and quickly pulls her leg back in. Daniel is still on the phone.

DANIEL

(into phone)

I ain't lying to you. I'm gettin my keys now to lock it.

(long pause)

yes...yes....yep....I know I know. you can trust people in my flat though - I'm doing it now.

Daniel leaves his room again. The door is being locked. Samantha is worried. She waits in the wardrobe for a few minutes. There is no more noise, she gets out and tries to open the door but can't. She carries on looking around the room.

She opens his bottom draw where there is lots of notes and paperwork. She is looking at everything quickly, trying not to make a huge mess. She comes across a sticky note.

STICKY NOTE

"1:30 november 20th - , 01494
511083 don't 4get."

Samantha gets her phone out and calls the number. Samantha looks worried.

ANSWER PHONE

"You have been put through to Wycombe std clinic. for appointments press one, for all other inquiries press two"

Daniel can be heard from the corridor.

DANIEL (O.S)
(into phone)

SAMANTHA
(quietly)
(into phone)
In my room, why?

DANIEL (O.S)
(into phone)
In your room yeah?

SAMANTHA
(into phone)
Yeah.

DANIEL (O.S)
(into phone)
Well I just bin around to yours,

no one answered.

SAMANTHA
(into phone)
Oh I dunno if my flat mates are in.

Samantha panics, tries to climb out of the window. She climbs on the chair and then puts one leg on the windowsill, the lock is turning. DANIEL ENTERS. Samantha turns around.

DANIEL
What are you doin here?

SAMANTHA
(panicking)
I'm surprising you
(nervous smile)
When you rang me I was on my way
around, so I thought I'd do
something spontaneous.

DANIEL
(flatly)
My window was locked by the way.

SAMANTHA
No it was open.

DANIEL
(slowly)
I'm gonna ask you one last time.
what are you doing in my room?

SAMANTHA
I can explain. Jenny saw you going
into the std clinic.

DANIEL
And?

SAMANTHA
I didn't know why you would be
going there and not tellin me?

DANIEL
(no expression)
Keep going.

SAMANTHA
Well....I just didn't know what to
believe, I just thought you must
have gone through the wrong door or
somethin.

(CONTINUED)

DANIEL

So why you in here den?

SAMANTHA

Because I came to see you to ask you.

DANIEL

But my door was locked.

SAMANTHA

Not at first it wasn't.

DANIEL

What you chattin about? It was locked. I just unlocked it as I came in.

SAMANTHA

I was in here before then.

DANIEL

(confused)

How?

SAMANTHA

I was in your cupboard.

DANIEL

(annoyed, laughs)

Oh wow, its just gets better and better.

(pause)

Your really starting to piss me off now, you know dat right?

SAMANTHA

I'm sorry, I didn't know what to do. I did come to speak to you, but then when you weren't in your room, I changed my mind and thought I'd just try and find out for myself.

DANIEL

So you think it's alright you coming in my room as you please?

(pause)

Daniel and Samantha are stood opposite each other. Samantha is fidgeting and making no eye contact with Daniel. Daniel is staring straight into Samantha's eyes.

(CONTINUED)

DANIEL

You gonna make me repeat myself again?

SAMANTHA

Huh? oh sorry, no I know I shouldn't have come in your room. But you gotta understand where I'm coming from. Why didn't you tell me you were going to the std clinic?

DANIEL

Why should I? I ain't your girlfriend.

SAMANTHA

Yeah I know that but I'm still your best friend, and I'm sleeping with you don't forget.

DANIEL

Well I'm, clear. No need to worry now. Every ting is cool.

SAMANTHA

(surprised)

Oh right.

DANIEL

Yep. You gonna say something? Apologize maybe?

SAMANTHA

(embarrassed)

I'm sorry Dan, its just that -Oh I dunno. I can't explain it. Its just that, I dunno, I needed to find out. I was panicking. I just thought you might lie to me. Well its not that I think you would lie to me, because I don't think you ever have before, but I thought that maybe you were afraid to tell me in case I wouldn't sleep with you anymore - but I would. Well I wouldn't . Oh I dunno. I know you wouldn't do that to me and-

DANIEL

-Sam.

(CONTINUED)

SAMANTHA

Yeah?

DANIEL

(monotone)

Shut up.

SAMANTHA

Sorry.

(short pause)

DANIEL

Anyways there is no need for you to go now. Unless you bin sleeping around?

SAMANTHA

(defensive)

Oh come on now, you know your the only one I'm sleeping with.

DANIEL

There you go den. anyway get out now, I wanna sleep.

SAMANTHA

Alright, can i ask you one last thing?

DANIEL

What?

SAMANTHA

Promise not to bite my head off?

DANIEL

Go on

SAMANTHA

Are we still cool, I don't wanna fall out with you over this. Can we watch a movie tonight or something? I'll buy us a takeaway.

DANIEL

Nah man, I can't be near you right now.

SAMANTHA

Well, when will you be.

(CONTINUED)

DANIEL

I dunno, just cool it yeah?

SAMANTHA

Okay, bye
(short pause)
Bye Dan

Dan ignores Samantha. He takes his shoes off. Samantha EXITS Daniels room. Daniel pulls his bed covers up and gets in bed. He crosses his arms behind his head and stares up at the ceiling.

CUT TO.

7. INT. JENNY'S BEDROOM - DAY

Samantha is eating Cadbury's chocolate with Jenny in her bed.

JENNY

Hes a bully thats why Sam and he knows he can get away with it with you.

SAMANTHA

Yeah but I guess I did go in his room and didn't ask him.

JENNY

Sam, he'd do the same, I would still go to clinic if I were you.

SAMANTHA

Yeah true- I dunno.

JENNY

- He would. Hes such a nobber. Hes the one in the wrong, and AGAIN hes turning it around on you as always. You gotta stand up to him Sam.

SAMANTHA

Yeah I know, its just soo difficult, if you saw the way he is with me, you'd understand.

JENNY

Yeah I know Sam, but he would never talk to me like that cuz he knows he can't. He just ain't got any respect for you Sam.

(CONTINUED)

SAMANTHA

Don't think he ever will.

JENNY

You need to show him that you aint as predictable as he thinks.He just knows how to work you and he plays on it.

SAMANTHA

Yep he really does. He knows how to wind me up and then he knows how to sweeten me up afterwards.

JENNY

Yep, okay are you gonna go then to the clinic? I'll come with you.

SAMANTHA

Hmm.....I dunno. I hate going to them places, and if he says he's clear then maybe I should believe him.

JENNY

Why should you believe him? The amount of times when your instincts have been right about him sleeping with other girls, after he has denied it. Come on Sam, the girls you have suspected look dirty. In fact They are fucking dirty.

SAMANTHA

Yeah thats true,yeah but he probably has used protection with them.I just think me and him are a one off cuz we havent just been a one night stand.We are constant if you know what I mean?

JENNY

Don't mean anything Sam, he still ain't made you his girlfriend.

SAMANTHA

Maybe I should just go and get it over and done with.Then if I don't have anythin he wont need to know I have been anyway.

Samantha walks over to the reception area where a elderly woman is sitting down with her glasses on, taking notes. She looks up toward Samantha with movement just in her eyes, and looks up and down the two girls in a 'stuck up' manner.

RECEPTIONIST

RECEPTIONIST

(looking at Jenny)

I know, you don't look the type,
(at Samantha)

But, I am still sure I have seen you here.

(short pause)

(to Samantha)

If you would like to just fill in you address and then take a seat and I'll be over when its your turn.

SAMANTHA

No, like I said before, I have never been here.

SHARNEZ

Yeah.

NADINE

How you gonna do that? he's with Samantha.

SHARNEZ

Yeah, but come on , this is Daniel we are talking about. He would have sex with everyone in the town if he could? especially if they were really good as well.

NADINE

And you don't care if he just uses you?

SHARNEZ

Well....when he sees how good I am...-

NADINE

- Ching chiiiiiiiiinnnngggggg

(pause)

So then, have you been here before?

SAMANTHA

No.

NURSE

(looking through top of glasses)

are you sure?

(CONTINUED)

SAMANTHA

(getting worked up)

yes, I am perfectly sure. I have never been to this stupid std clinic in my life. Is that clear?

NURSE

(slowly)

okay, no need to get stressed dear, its just a question we have to ask our patients.

(pause)

SAMANTHA

I know, sorry, ignore me.

NURSE

Well I can't ignore you, you are my patient dear. Now then, how many partners do you have at present?

SAMANTHA

One.

NURSE

are you sure?

SAMANTHA

(trying to keep calm, deep breath)

Yes

NURSE

(slowly)

Okay

(pause)

And have you had any of the following symptoms recently? like a headache, being sick, dizziness, fishy vagina? Or you think you could be pregnant?

SAMANTHA

Nononoooooooo none of them.

NURSE

You do realise that it is very important that you are honest with me, because it will help when I test you.

SAMANTHA

Does it? Hmm...

NURSE

Come on now pet, don't be scared.
We are all grown adults. Do you
think you pregnant is that it?

SAMANTHA

No no-

NURSE

- Did the condom split? You really
should investigate in the 'extra
safe' ones.

SAMANTHA

No, its not that,you don't
understand. I'm on the pill.

NURSE

Well dear, I do understand, thats
why I am a nurse. They don't give
this title to just anyone you know.
now dear, the pill is only ninety
nine percent affective. This means
there is one percent remaining. So
that one percent could mean that
you could be the unlucky duckling
that is actually pre-

SAMANTHA

(fast paced, frustrated)

- I'm not pregnant, I have a fishy
vagina alright!

NURSE

Ohhhhhhhh

(awkward pause)

Well, there is nothing wrong with
that, that can be sorted no
problem.I should have guessed that
really.

Sam's face has turned bright red. The nurse leaves her seat
and walks over and opens the window.

CUT TO.

13. INT. STD CLINIC ENTRANCE - DAY

Sharnez enters the std clinic on her mobile phone, a nurse walks past and taps Sharnez on the shoulder and points her finger from side to side. Sharnez gives the nurse a dirty look and keeps the phone next to her ear. The annoyed nurse points to the door.

SHARNEZ

Look yeah, I'm gonna have to go,
some nurse flapping her hands
everywhere. In a bit.

SHARNEZ HANGS UP

Jenny sees Sharnez. Sharnez kisses her teeth at the nurse. Sharnez sits down and picks up a magazine. Jenny reaches her phone from her handbag and starts texting.

JENNY'S TEXT

Sam, Sharnez is here so -

NURSE

- We don't allow phones on in here.
Turn it off please.

Sharnez looks over and sees Jenny looking at her. Jenny gives an awkward smile. Sharnez just stares.

The nurse is on the left hand side taking gloves off and putting them in the bin. Samantha draws back the curtain while doing up her trousers zip. Samantha takes a seat in the corner. The nurse brings over a plastic cup of water to Samantha and sits next to her on a stool.

NURSE

Now then Samantha, its usually
about one to two weeks until you
get your results, however with you
its slightly different.

SAMANTHA

How do you mean?

(CONTINUED)

NURSE

You seem to be very inflamed in
your pelvic area.

SAMANTHA

(worried)

Okay

NURSE

(slowly, patronising)

I know you said you suffer with
Irritable Bowel Syndrome, however
your pelvic area is very swollen,
and it could mean that you have
something called pelvic
inflammatory disease.

SAMANTHA

Whats does that mean?

NURSE

(patronising)

Well if you let me finish, I will
explain

(short pause)

I will know if you have this for
definite when your results come
back next week. If your results come
back and say you have either
chlamydia or gonorrhoea then I am
right. but if your results are clear
then it will just be to do with
your irritable bowel syndrome. do
you understand me dear?

SAMANTHA

I think so yes.

NURSE

But this is something that needs
urgent attention, so i am going to
give you the medication for it
anyway. You need to get rid of this
as soon as possible. I have
arranged for some counselling with
the health adviser, who will
explain everything in more depth.

CUT TO.

15. INT. WAITING ROOM - DAY

The receptionist walks into the waiting room, she looks around with her note board. Jenny is reading another magazine.

RECEPTIONIST

are you still here? I'll have to start charging you for reading them.

JENNY

Sorry?

RECEPTIONIST

Never mind, it was a joke, well the magazine part was a joke. Your still waiting for your friend then? Must be over half an hour she's been in there. Usually patients are out by then. Well.....clean patients.

JENNY

(shocked)

I'm sorry? excuse me if I am wrong. But I'm sure you are meant to have a privacy policy here. What exactly are you accusing my friend of being?

TEARS are heard from down the corridor, the nurse takes a look. The other patients all stop what they are doing. Samantha is fast pacing past the nurse trying to wipe her eyes at the same time as holding lots of leaflets in her hands. SAM runs out the clinic unaware of Sharnez. Sharnez looks at Jenny with a huge smirk on her face. Jenny picks up her bag, follows Sam outside. She walks past the receptionist.

JENNY

You shouldn't be working in a place like this.

The receptionist looks around the waiting room. Everyone is staring at her.

RECEPTIONIST

well how can you have a privacy policy when she comes out displaying herself like that with a bunch of leaflets in her hands.

(awkward pause)

to say.

SAMANTHA
You do know you need to tell all
the people you are sleeping with
about right?

DANIEL
Your making it out like I bin
sleeping around.

SAMANTHA
Well you must have, you think I'm
stupid? I know loads of girls your
sleeping with. I could count half
of em right here right now.

DANIEL
(smiling)
Seriously? How do you know?

SAMANTHA
I just do... the way you go up to
them in pure, whisper in their

is because the girls tend to hate
me and then give me dirty looks
when we are out or just constantly
stare at me.

DANIEL
Oh shit. Damn you are good.

SAMANTHA
Yep.

DANIEL
I think I know da bitch dat done
dis.

SAMANTHA
Hang on.
(pause)

SAMANTHA

She has a boyfriend, and I wouldn't want you to come home with me anyway. I'm not that kind of girl.

MITCH

SAMANTHA

By the way I can sense you are actually a nice person underneath all of this.

MITCH

Huh? I don't understand you.

SAMANTHA

(slowly)

You are a nice person really , you just pretend not to be. Your trying to be like a typical 'English guy'

MITCH

My friends tell me you have some, some, I don't know how to say it. Its a sort of disease?

DANIEL

SAMANTHA

(gradually raising her voice)
Yes there is. Firstly I haven't bad mouthed you at all, to anyone apart from Jenny. Because she is my friend and I needed to speak to someone after the news of yesterday. Which I might add, is only healthy and what my nurse recommended.

(Her hands all over the place)
Secondly, I went out, to try and enjoy myself and forget about everything that happened, and instead I find out that random people, in fact a guy who i quite liked, know about me and my visit to the clinic.

Daniel is stood motionless, trying to take in everything that Samantha is saying. He is shocked that Samantha is standing up for herself.

Thirdly, I run out the union, thinking, foolishly, that Jenny had gone and told everyone. When in fact it was your bitch of a friend Sharnez.

DANIEL

(surprised)
Sharnez?

SAMANTHA

Don't act surprised.

DANIEL

Well how did she know.

SAMANTHA

(patronising)
Because, Daniel dear, she was going for a check up! and saw me coming out crying.

SHARNEZ
(gets up and pulls Nadine's hand)
Bruv , lets dance.

NADINE
Nah in a min, lets finish the bottle first.

Sharnez falls back down onto the chair. Nadine passes her the bottle.

SHARNEZ

NADINE
Why not bruv?

SHARNEZ

NADINE

SHARNEZ

SAMANTHA
