## KYLE AND TYLER'S SPRING BREAK

by

Danny Bryant

Library of Congress

Daniel Bryant 2513 QM street (stop V) Ft. Bragg, NC 28310 804-647-8763 dbryant2626@yahoo.com FADE IN:

INT. PRISON HOLDING CELL -DAY

PRISONER #1(40) is sleeping with flies buzzing around him. Two other PRISONERS(30s) are sitting around the cell. KYLE WRIGHT(19) and TYLER BABCO(21) are arguing with each other.

PRISONER #1

Wow, someone new. You know, I'm really lonely.

TYLER

Are you serious dude? Oh my God. I can't believe I'm in this place! I can't believe I ever listened to you Kyle. I can't believe I'm your friend. As a matter of fact! We, are no longer friends.

KYLE

What! This isn't my fault. It was your beach house and your vacation! I was just along for the ride. You can't blame me. You're always blaming me for everything.

TYLER

Well, that's because everything is your fault.

KYLE

Oh really!

TYLER

Yeah!

KYLE

Oh yeah!

**TYLER** 

Yeah!

Silly fight breaks out and neither one can fight well.

PRISONER #1

Weirdos.

The DETECTIVE(55) arrives and sees that Kyle and Tyler are fighting.

DETECTIVE

Alright boys! Patty cake is over. Let's go have a sit down and discuss a few things.

INT. INTERROGATION ROOM -DAY

DETECTIVE

Oh boy. Looky here. Wow, one hundred pounds of marijuana allegedly sold and several semiautomatic assault rifles in your beach house. But you say, and I am reading this. You never saw the marijuana a day in your life and the weapons weren't yours. Maybe one of you would like to explain.

TYLER

Oh, I can explain. It's his fault! Everything! Everything!

DETECTIVE

Shut up, damn it! Why don't you try.

KYLE

Listen detective. Here's how it all went down.

EXT. HOT TUB -DAY

Kyle is sitting in a hot tub with two hot WOMEN(19) next to him, when a BUTLER(60) hands him champagne. They begin to make out with him and their bikini tops float to the top.

HOT CHICK #1

Ooh, Kyle. You are such a stud.

KYLE

Well, you know. I work out here and there. You know.

HOT CHICK #2

You make me so hot.

They start to stand up and just before you see their breast everything cuts back to the interrogation room.

INT. INTERROGATION ROOM -DAY

TYLER

Detective, don't listen to anything he says. Listen, here is how it really went down.

EXT. UNIVERSITY CAMPUS -DAY

SEVERAL STUDENTS(18-22) are enjoying outdoor activities around campus.

INT. TYLER'S DORM ROOM -DAY

Tyler wakes up to his alarm and is getting ready. He has a life size poster of a bodybuilder on his mirror with the head cut off. When he looks in the mirror he sees his head over the cut out and is impressed.

TYLER

Oh yes, you my friend, are a god. You are the man, baby. You!

Tyler reaches for his cell phone and dials.

PLANET VIDEO CLERK(16)(O.S.)

Planet Video, this is Kerry. Can I help you?

TYLER

Kerry, it's Tyler.

KERRY(O.S.)

Tyler, where the hell are you? You were supposed to be here two hours ago.

TYLER

(Tyler is coughing and sounding really sick. He makes fart noises and flushes the toilet while holding the cell phone in the air)

I'm really sick. I won't be able to make it. I have to go in for testing today. Doctor says it might be cancer.

KERRY (O.S.)

Cancer? It sounds more like you have diarrhea. You know George is going to fire you, right? This is the third time this month you've been sick.

TYLER

Just help me out please.

KERRY (O.S.)

Whatever. But, this is the last time that I am covering for you.

Tyler hangs up. He starts to pack and gathers what he is taking.

INT. KYLE'S DORM ROOM -DAY

Tyler is heading towards Kyle's dorm room.

TYLER

Hey Mary(19). Looking good. I see you've been hitting the gym often.

MARY

Perv!

**TYLER** 

Oh Tina(20), lovely as always, I see.

TINA

Loser.

Tyler looks at another hot girl and motions for her to call him while lip sinking the words.

INT. KYLE'S DORM ROOM -LATER

Tyler is walking into Kyle's room, Kyle is lying there with a bong in his hand and a penis pump on his night stand surrounded by empty beer cans.

TYLER

Holy shit, what the hell happened here? This place looks like hell. A boner toner, sweet. Yo wake up, its time to go man. Daytona beach baby. Spring break has officially begun. We're gonna get laid, get wasted,

(MORE)

TYLER (cont'd)

check out hot chicks in thongs. Wake up!

KYLE

Go away, it's too early.

TYLER

Come on.

KYLE

Go away.

Tyler grabs Kyle's pet snake and puts it under his covers.

KYLE

Dude get your arm off me. Ahhhhhhh!

Kyle jumps out of bed.

KYLE

I hate you. I didn't even get to have my morning beer and bong.

TYLER

Save it for the road. You told me you would be up by now. Let's go. I'm ready!

KYLE

I have to call in to work first.

TYLER

You don't even have a job. Let's go.

EXT. DRIVE TO THE BEACH HOUSE IN DAYTONA BEACH, FL. -DAY

Kyle and Tyler are cruising along the road when the song "Good Vibrations" by Markey Mark comes on the radio.

KYLE

Man, I am so glad that you invited me to your parents beach house. Man, these fries are so good.

TYLER

They've been there for six months.

KYLE

Oh, well you'd never know. I love Mickey D's fries

What the hell is this on the radio?

KYLE

Come on, it's Markey Mark. It's got your good vibrations. Sweet sensations.

They pull up to a stop light and are jamming out when they look over and see a Jeep loaded with hotties laughing at them and then the girls pull away.

TYLER

Stupid, stupid, stupid. Markey Mark. Are you serious? Don't ever touch the radio again.

KYLE

It's a good song. I bet they liked it.

TYLER

Yeah, right.

Kyle and Tyler pull away and merge off into the highway.

KYLE

Hell yeah, baby! Oh, I can't wait to get fucked up!

TYLER

Hey! No way man. This is a family deal. No smoking weed, at least not this week.

KYLE

Yeah. I know, Mom, Dad, little sister. Yeah well, I don't want your mom getting drunk and hitting on me anyway. I've heard she is a cougar.

TYLER

A cougar? What's that?

KYLE

You don't know what a cougar is?

TYLER

No, but you are an idiot.

A cougar is an older chick that goes after much younger guys.

TYLER

My mom is not a cougar.

KYLE

Remember when Ricky Lewis used to cut your grass that summer we were at football camp for two months.

TYLER

Yeah, and?

KYLE

Well, Ricky said your mom would come out and tan by the pool in her bikini and a margarita drink. He said that he...

TYLER

Shut up dude! I don't want to know that my mom is a cougar. That's just nasty. Stop. Do not hit on my mom either. I'll kill you.

KYLE

Alright, alright. Chill out.

**TYLER** 

It's bad enough my girlfriend just dumped me. I don't need to worry about you and my mom hooking up.

KYLE

You mean ex-girlfriend. Besides, you know this is the best way to get over your ex- girlfriend. She was no good anyway. I knew it.

TYLER

Whoa! Come on man she just dumped me. I'm still getting over her.

KYLE

Trust me dude after this week, you won't even remember her. And no more class or homework for a whole week.

Dude, you don't go to class anyway.

KYLE

True. But for this one week, it's okay.

TYLER

So what do you plan on doing after school anyway?

KYLE

I don't know, I think I'm going to work for my dad's company. You know my dad would let you on board too.

TYLER

That's cool, but I want to go my own way. I don't want to be like everybody else. You know?

KYLE

Hey man, check that out. That's all you. How about that cougar?

They see a really old woman with really saggy breast and a thong.

TYLER

Oh that's just wrong!

They continue to ride along the strip checking out all the scenery.

INT. BEACH HOUSE -DAY

MR. BABCO(56) steps out with the DOG on a leash and is standing on the porch about to walk the  $\log$ . He is then suddenly hit in the groin with a newspaper.

MR. BABCO

Oh God. What in the hell!

Just then Stephanie(12) yells from in the house to Tiki (dog).

STEPHANIE

Tiki!

Just then Tiki runs through Mr. B's legs, running to Stephanie, and the leash nails him right in the groin.

MR. BABCO

Are you serious?

Kyle and Tyler pull up.

KYLE

Hi, Mr. Babco. Cool outfit.

Mr. Babco is wearing some really short coaching shorts, a 70's shirt, with a corny hat, and penny loafers with black socks.

MR. BABCO

Well thank you, Kyle. We are pleased to have you. This is my wife, Mrs. Babco(50), and our lovely daughter, Stephanie.

KYLE

Very nice to meet you all.

MRS. BABCO

So, you go to school with Tyler. Wow, that is so sweet.

STEPHANIE

You go to that loser school too!

MRS. BABCO

Stephanie, do not be rude.

**KYLE** 

No worries everybody. It's totally cool. As soon as I raise my GPA from a 1.3 to a 3.0, I'll be transferring to Tech.

STEPHANIE

Yeah, right!

MRS. BABCO

Stephanie! Well, I just think that is great Kyle. Here, I will put your things in your room.

KYLE

Thanks Mrs. B.

INT. GARAGE -DAY

MR. BABCO

Hey, everybody come here. All right! Now, close your eyes. Okay. And, open your eyes!

Everyone cheers.

MRS. BABCO

Richard, I had no idea. What a surprise!

STEPHANIE

A viper.

MR. BABCO

Yeah, well business is good and you guys always heard me talking about one. Honey, you have been telling me that I work too hard and that I need to start enjoying my life. So, what better than a vacation with my family and a sports car.

MRS. BABCO

Wow, sweetie. This is great.

TYLER

So dad, when can I borrow the car?

MR.BABCO

I don't think so, son. This baby is all daddy's. So, don't even think about it!

Kyle goes to touch it and Mr. B. lunges towards him.

**KYLE** 

Whoa Mr. B., I just wanted to touch the car.

MR. BABCO

Nobody touches the Viper. Ever!

**EVERYONE** 

Alright.

TYLER

Let's get out of here and go hit the beach.

Let's go.

## EXT. BEACH SCENE -DAY

An older, oiled up MAN(50) with a cheetah patterned Speedo, a gut, gold jewelry, and slicked back hair walks by Kyle and Tyler and they both are trying not to laugh.

SPEEDO GUY

(with a NY accent)

How ya doin'?

KYLE/TYLER

What's up?

KYLE

Man, this is so awesome dude.

TYLER

I know man.

KYLE

Daytona Beach, an awesome beach house, hot girls. And man, that Viper is so awesome. This is the life.

TYLER

It sure is. Hey, speaking of hot girls, there's one right over there. Go talk to her man. See what she is doing tonight.

KYLE

Oh man, that's so easy. You know the Kyle can get any girl he wants.

TYLER

\$50 says that the Kyle won't.

KYLE

\$50. Make it a \$100.

Kyle walks over to the girl(18). Kyle comes right back but is covered with lotion that was squirted in his face.

TYLER

What just happened?

I asked her if she wanted me to rub lotion on her tits. And she called me a pig and squirted lotion in my face.

TYLER

What did you tell her, it's so you don't get breast cancer?

KYLE

How did you know?

TYLER

Come on, let's get out of here.

KYLE

Hey, what ever happened to you and your ex, Tonya(19), anyway?

TYLER

Oh, I don't know she started hanging out at the Delta Ki house, you know. I just wasn't cool with that.

CUT TO

Tonya is in a bedroom and a line of guys are standing outside the room. One comes out carrying his clothes and gives the next guy high five and he then goes in.

CUT TO

KYLE

Yeah, I remember the night Delta Ki ran a train on her.

TYLER

Whoa man, take it easy.

KYLE

Oh my bad, did you love her or something?

TYLER

Yeah, but who cares about love. I mean, it's not like love lasts forever.

Sure it can, if you meet the right person.

TYLER

Well maybe. But, think about it. Love doesn't bring two people together and it usually doesn't keep people together. I mean when people meet, its either lust, or they are lonely, or they just get along great. And in the end, they don't stay together for love. Cause they either have kids or a house together. Or, they are stuck in a marriage, like most parents. More times than not, one is unhappy or cheating. I mean sometimes the ride isn't worth it. Let's just say she wasn't worth it.

RANDOM CHILD ON THE BEACH(10) Dude, you need to get laid.

TYLER

Check it out, a football game!

KYLE

Alright, a football game.

A PLAYER(20) chases a pass and dives into crashing waves for it. He catches it with one hand in slow motion, winks to the camera creating a spark then falls into the water. He jumps up and shakes the water off of him in slow motion. The girls cheer.

KYLE

I can do that.

TYLER

Well, then let's show them what we got. Hey, you guys need two more?

FOOTBALL PLAYER (20)

Sure. If you think you can play.

EVERYONE laughs.

The GUYS get into a back and forth game and Tyler goes up for the game winning catch on fourth down. A hail marry is thrown and Tyler goes for it in slow motion. You see everyone looking up and a shadow of a ball goes over everyone's head. Tyler leaps in the air as the ball bounces around in his hands. As he is leaping for it, a GIRL notices and takes her shades off. Just as he thinks that he has the winning catch he crashes into the life guard stand, almost destroying it. When she sees that he misses it, she puts them back on and shakes her head.

GIRL W/ SHADES(17)

Loser.

As Tyler lies there, the LIFEGUARD'S bowie slides down and lands on his groin as everyone cringes. Then suddenly the entire stand collapses on him.

LIFEGUARD(16)

Are you okay?

**TYLER** 

Did we win?

PLAYER #2(23)

Woah man. That was cool.

KYLE

Hey, how many fingers am I holding up?

TYLER

Uh. B.

KYLE

He's good! Come on, man. Let's get back.

As they stand him up. He appears to be fine.

TYLER

I'm okay.

Just then he starts to fall over and everyone catches him.

INT. BEDROOM/ SHOWER -DAY

Kyle sneaks off to his room and takes out his bong while Tyler is icing his head in the other room. Kyle is breathing it thru the vent and getting Mrs. B, who is in the shower right next to the bedroom, high. The smoke travels through the vent and gets her really stoned. Kyle grabs a porn mag and starts looking at it. Meanwhile, Mrs. B. getting high. Kyle gets horny, grabs some lotion and rushes into the bathroom without noticing the shower was running. Mrs. B. starts to get out and sees Kyle sitting there. Her towel drops with Kyle sitting on the toilet facing her.

Hello Mrs. B.

MRS. BABCO

What are doing here?

KYLE

Ahh, well my hands get so dry. All this sun and salt water just makes me so dry.

Kyle rubs the lotion through his hands.

MRS. BABCO

Well you make me so, wet. I'm going to screw you like there is no tomorrow. Come here big boy.

She growls like a cougar, Kyle growls back.

Kyle is excited and sort of celebrating while she is making out with him. As they start to really get into it, she tells him to wake up.

MRS. BABCO

Wake up Kyle. Wake up. Wake up. Yo, dude, wake up.

Her voice slowly becomes Tyler's until finally Kyle is awaken from his dream by Tyler in the bedroom.

TYLER

Dude you can't smoke while my parents are here. Are you crazy? Come on, lets get out of here.

KYLE

Where are we heading to?

TYLER

I know the perfect place to see the hottest girls in Daytona Beach.

KYLE

Now you're talking. Can I bring my bong?

TYLER

No!

KYLE

You're no fun.

EXT. RIDING IN CAR -DAY

KYLE

Dude, would you be mad if I told you I had a crush on your mom?

TYLER

Yes, so don't do it. And don't hit your bong when my parents are around.

KYLE

My bad, I just wanted to get high man. You were in the other room and I got bored man.

TYLER

You always want to get high, that's your problem. I swear, you always have a bong with you. I think that thing is all you care about. Well, am I right?

KYLF

No! Hey pull over right here. I got the munches.

TYLER

Figures.

Tyler pulls into Quickie Store, Kyle walks up and opens the door.

EXT. QUICKIE STORE AND MORE -DAY

As Kyle walks in, the sign resembles that of quick stop groceries from the movie Clerks.

KYLE

Hey, I'm going to run in real quick while you get gas.

Kyle looks at the store sign and reads it to himself.

KYLE

(He says to himself)

No way... Hey Tyler, if a guy named Dante works here I'm gonna shit my pants.

Yeah right. Hey, get me something.

Kyle sees some cute girls(17/18) getting into their car.

KYLE

Hey girls. Want to hang out later?

GIRLS

Get a life.

KYLE

They want me.

Kyle enters the store and starts ripping open porn mags, eating slim jims, sipping on an icee, wearing the store's shades, and the CLERK(45) soon notices.

YANTI (CLERK)

(Strong Indian accent)
What is the exact meaning of this?
You need pay first. Get out, you
crazy person! Get out, before I
phone 911 on your sorry ass.

KYLE

Leave me alone. I thought that the customer was number one. So, go away dude.

YANTI

I am so sick and tired of you horny ass college people always coming in here and having no respect for me or my store.

KYLE

What are you talking about? Dude, leave me alone.

STORE WORKER(16)

Hey man. He's crazy. You better take off man. Trust me.

CLERK

Okay, mister tough person. It's on like Donkey Kong, so you can kiss your ass goodbye.

STORE WORKER

I tried to warn you.

Kyle just laughs.

The clerk grabs his sawed off shot gun from behind the counter, and cocks it. Kyle hears this and is now concerned. A bullet flies by Kyle and blows up some chips. The front doors fly open and Kyle frantically runs through them holding the food, magazine, and icee.

KYLE

( In slow motion )

Tyler, ruuuun!

TYLER

( In slow motion)

What did you do?

KYLE

( In slow motion)

Ruuuuun!

TYLER

Did you rob the place?

KYLE

Please, lets just go now!

The clerk comes out with shotgun, Tyler sees him and bolts out.

KYLE

Lets go!

TYLER

What the hell was that? You better start talking.

KYLE

That clerk is crazy. I swear, I was just reading magazines. I swear!

TYLER

If I know you, you were doing more then just reading magazines.

KYLE

I swear.

TYLER

Damn it, Kyle. I don't believe you. You are always pulling some shit and getting into trouble. Always!

KYLE

I'm sorry Tyler. I'm sorry! Look. Let's just find something cool to do. That guy was crazy anyway.

EXT. NUDE BEACH -DAY

Kyle and Tyler walk up and see a sign saying, nudist beach.

KYLE

A nudist beach?

TYLER

I told you I knew where the babes were. Hey, did you bring your camera phone?

KYLE

I sure did. We're gonna get laid on the beach!

TYLER

Lets go.

KYLE

A nudist beach. I knew you would come through.

Kyle nods and smiles.

TYLER

Thank me later. Come on.

Kyle rips off his trunks and so does Tyler. They both run to the beach area. As they pass the sign, a sea gull flies away uncovering the "A" on Nudista. They soon realize this is a normal beach and it is full of FAMILIES.

KYLE

Why does everyone here have on clothes?

TYLER

Am I dreaming? I don't care anymore, because this is a dream.

KYLE

It's not a dream.

TYLER

Let's just slowly walk backwards.

RANDOM PERSON(30)

Pervert!

Everyone begins screaming, yelling, and laughing. They run back to the car and try to put on some clothes frantically.

Dude, give me something to wear.

TYLER

Here. Take these. Hurry up!

KYLE

Dude, I hate yellow.

TYLER

Just put it on!

Someone with a camera sees them and takes a photo. You then see a still frame of the picture. They both are looking at the camera and covering themselves.

TOURIST #1(25)

Hey, look at those freaks!

TOURIST #2(25)

What was that all about?

TOURIST #1

Probably some gay liberal demonstration.

Kyle and Tyler get in the car and take off.

TYLER

What the hell, the sign said nudist beach.

KYLE

Why did everybody have on clothes? I'm probably on CNN by now. My life is over.

Cell phone rings.

TYLER

Hello.

MR. BABCO (O.S.)

Son. It's Dad. Listen you got to come over right away.

TYLER

You weren't watching CNN by any chance were you?

MR.BABCO(O.S.)

No, something came up with the business. Your mother and I need you to come back right away.

Okay, I'm on my way.

## INT. BEACH HOUSE -DAY

TYLER

Dad, what's going on? I got here as soon as I could.

MR. BABCO

Sit down, son. This is important. Now, we just got a call from our accountant and someone has hacked into our system and stolen our account numbers and client information. We believe money is missing too.

TYLER

Holy shit. How the hell did this happen?

MRS. BABCO

No one knows, but we have contacted the police already.

MR. BABCO

Yes, and we are leaving tomorrow. We need to figure out who did this to us and fix everything. Our flight leaves tomorrow morning at 5 AM. So, we need you to stay here and watch the house for us while we are gone.

TYLER

Sure, no problem. Whatever I can do to help.

KYLE

Yeah, no problem. We got it under control. Can I have the keys to the Viper Mr. B.?

MR. BABCO

And watch Kyle. Make sure he doesn't get into any trouble. But don't worry, we're gonna take little Steph with us so you guys can take care of my car and beach house. We are really counting on you guys to watch everything for us while we are gone.

Yeah. Don't worry, we'll take care of everything while you guys are gone.

MR. BABCO

And no one. I mean no one, touches the Viper!

CUT TO

Birds are seen flying off the roof of the beach house as Mr. B's voice echos.

INT. AIRPORT/BEACH HOUSE -DAY

Phone rings.

TYLER

Hello.

MR. BABCO

Son, how is everything?

TYLER

Good dad. I mean everything is good, you know.

MR. BABCO

Listen son, I just wanted to let you know that we are about to board the plane. I don't know how long this is gonna take but I really need you to take care of things. I mean, you are a man now and it is time you show that you are responsible and that you can be trusted.

TYLER

I know dad, don't worry about a thing. I'll look out for everything.

MR. BABCO

And keep an eye on that friend of yours. He seems a little weird. All right son, we love you and call us if you need anything.

I know dad, you told me all this at the house. Love you too dad. Bye.

Tyler and Kyle both look at each other.

KYLE/TYLER:

Viper!

EXT/INT. BOARDWALK AND KARAOKE BAR -DAY

Tyler and Kyle are cruising in the Viper. They pull up to a karaoke bar and try to invite girls over to the beach house. They run into MITCH(19), who goes to their college.

KYLE

Mitch, what's up man? What are you doing here? Dude, this guy is a legend. He once ran through every sorority house on campus naked with nothing but a paper bag over his head.

MITCH

Good thing I wore that bag. The police couldn't identify me in any of the photos. Yeah, but it really sucked when one of the chicks dogs chased me and tried to bite my dong.

CUT TO

Mitch is running down the street naked and a dog is chasing him.

CUT TO

MITCH

Anyway, I'm here because it's spring break man! What are you guys doing here?

TYLER

Oh you know, we're just down here with my parents for Spring break.

 ${\tt MITCH}$ 

Awesome.

Yeah, but they had to leave because of something with the business.

WAITRESS (35)

Can I get you a drink?

TYLER

Two beers please.

MITCH

No way! Hey! Well, me and my friends need a place to party tonight. Why don't we come over and throw a party?

CUT TO

A redneck guy with tight jeans, cowboy boots, belt buckle, and cowboy hat is singing karaoke. He is singing "No Diggity" by Blackstreet, but singing it like a country singer and is trying to dance sexy.

KARAOKE SINGER

Shorty get down, good lord, baby got em' hoping all over town. Strictly biz she down play around, cover much ground, got game by the pound. Getting paid is her forte, each and everyday, true playa way. Can't get her out of my mind, wow. I think about the girl all the time, wow wow.

CUT TO

TYLER

I don't know man, I mean it's my parents p...

MITCH

Listen, don't worry, its just a few of us and I'm bringing girls.

Mitch points over to two GIRLS(17) playing pool and when the girls notice they smile and wave.

MITCH

My friend, meet Sarah and Cindy. And guess what? There horny. Don't let them down. Don't do it.

See you tonight! Oh, and bring them with you.

MITCH

Of course. I always come through in the clutch. It's what I'm here for.

Mitch is slowly falling back into his chair, looking up, and lip sinking, who's the man.

CUT TO

KARAOKE SINGER

I like the way u work it, no diggity, I got to bag it up, I like the way u work it, no diggity, I'd like to bag it up, I like the way u work it, no diggity, I'd like to bag it up.

CUT TO

TYLER

Hey Kyle.

KYLE

Yeah.

TYLER

Mitch said that he and some hot chicks are coming over tonight to party. Here, I got you a beer.

KYLE

Alright. Sweet. Dude, that's so awesome. Check out those other girls(17/18) over there. Man, they are smoking. You know that reminds me. It's your turn to talk to some chicks now. Let's see what kind of game you got. Invite them over for the party tonight.

**TYLER** 

Awe, no way. I'm not going over there.

KYLE

Go over there now. Or I'll yell out that you just grabbed my ass.

You are evil and sadistic. Fine, I'll go over there. Watch and learn pal. Cover me. If things look good I'll signal you over.

KYLE

Go get 'em tiger. I'll snipe out some other ones while you go in.

TYLER

Hi. My name is Tyler. My friend and I are here on spring break.

HOT GIRL #1 (17)

So?

TYLER

So, I'm here from college and my buddy Kyle and I were wondering if you and your friend wanted to come over and have a drink with us and maybe take a ride in my Viper.

HOT GIRL #1

No, not really.

HOT GIRL #2 (18)

I doubt two losers like you have a Viper.

HOT GIRL #1

Yeah. It's probably his dad's

Both girls laugh.

TYLER

Whatever. Your loss.

KYLE

Man, you really suck.

TYLER

Are you happy now? Can we go, please?

CUT TO

KARAOKE SINGER

You're blowing my mind, maybe in time. Baby I can get u in my ride...I like the way u work it, no (MORE)

KARAOKE SINGER (cont'd) diggity, I'd like to bag it up, I like the way u work it, no diggity, I'd like to bag it up...hey yo hey yo hey yo hey yooo, play on playa. Hey ya'll that girl looks good.

The two girls that just rejected Tyler are admiring the karaoke singer.

HOT GIRL #1

That guy is so hot.

HOT GIRL #2

Wow, look at him dance.

INT. FLIGHT BACK HOME -DAY

Mr. Babco gets up and heads toward the bathroom. He gets into the bathroom, takes off his clothes, pulls out an airline blind fold, and begins to text. Mrs. Babco checks her phone and reads a text from her husband. It reads, "waiting in the bathroom for you baby."

MRS. BABCO

Ooh Richard. You dirty little man you.

STEPHANIE

What did you say, mom?

MRS. BABCO

Nothing dear. Wait here, I'll be right back.

Just then the STEWARDESS(26) and her cart block her in.

MRS. BABCO

Excuse me.

STEWARDESS

I'm sorry ma'am, but you will have to stay seated while we hand out refreshments.

MRS. BABCO

It's important.

STEWARDESS

I'm sorry ma'am, it will only take a moment.

Mrs. Babco reaches for her phone and drops it. She is trying to get it. Just then, an elderly WOMAN(85) near the bathroom gets up and comes in to see Mr. Babco sitting seductively with his blind fold on.

MR. BABCO

I knew you would find me here. I've been really bad. I think you need to spank me. Hard.

ELDERLY WOMAN

Ooh. My lucky day.

She begins to spank him.

ELDERLY WOMAN

Ooh, you bad boy. You are so naughty.

MR. BABCO

Susan, that doesn't sound like you.

Mr. Babco take off his blind fold.

ELDERLY WOMAN

Surprise!

MR. BABCO

Ahhh!

Mr. Babco runs out and runs back to his seat while buttoning his clothes. The old woman is still in the latrine.

ELDERLY WOMAN

This happens every time.

MR. BABCO

Where were you?

MRS. BABCO

I tried.

INT. BEACH HOUSE -NIGHT

Kyle and Tyler are setting up and getting ready to throw a party.

KYLE

Dude, this is gonna be the best party ever.

T know.

KYLE

Let's just see if you have some game tonight.

The doorbell rings and Tyler answers. Mitch is at the front door standing with Cindy and Sarah. As they walk in, Tyler from the inside is about to close the door when tons of people start walking in.

TYLER

I thought you were only bringing a few people.

MITCH

Dude, its cool. I told them it was B.Y.O.B. So, don't worry. Let's just party.

TYLER

Yeah, well, what about my parent's beach house? It's your ass if anything is ruined.

All kinds of activities are going on. Beer pong, drinking games, girls dancing, socializing, etc. Tyler sees Sarah and Cindy making out on the couch and decides to come over and join in.

TYLER

You know I've never seen two chicks make out before.

The girls giggle.

TYLER

I mean it's cool you know. But, since this is my beach house and everything I have just one rule.

SARAH

Oh yeah. What's that?

TYLER

That, I have to be fully involved anytime two chicks are making out.

SARAH

Well, why don't we go somewhere alone?

CINDY

Yeah, I mean we wouldn't want to break any rules ya know.

TYLER

Holy shit, it actually worked.

They head upstairs to Tyler's room. Tyler is lying in between and they begin to kiss each other but not Tyler. Every time Tyler tries to get some he is denied.

TYLER

Wow, you're going to undress me while you both make out. Yeah.

Tyler waits.

TYLER

Okay. I'll just take my own shirt off.

Tyler keeps trying to get in on the kissing to no avail.

TYLER

This sucks. This is no threesome. This is a twosome. Screw this, I'm out of here.

CINDY

Wait.

SARAH

If you take us out in the Viper we'll let you do whatever you want to us.

TYLER

Yeah right. I'm sure. I'm out of here.

Sarah takes out a vibrator.

TYLER

Nope!

Sarah turns it on and it begins to vibrate.

TYLER

Okay, one ride!

They head downstairs.

Yo, Kyle, let's go for a ride. Kyle! Kyle!

Tyler busts into a room, turns on the lights and Kyle is having sex with a super fat chick. Kyle screams.

TYLER

Whoa! What are you doing with that whale?

KYLE

Get out!

TYLER

Get dressed. We're going for a ride.

Kyle gets dressed and comes out.

KYLE

I'm drunk okay. Anyway. Wait a minute. You're not taking the Viper are you?

TYLER

Hey, you only live once. Plus, she's got a vibrator.

KYLE

Yeah, well, if something happens with that car. You won't live for very long.

EXT. IN THE VIPER -NIGHT

Tyler is driving and Sarah is in the front seat, Cindy and Kyle are in the back. Kyle is passed out drunk.

SARAH

Wow, this car is so hot.

She begins to make out with him while he is driving.

SARAH

Can you stop and get us some more beer for tonight?

TYLER

Sure.

INT. QUICKIE STORE AND MORE -NIGHT

Tyler pulls into Quickie Store and enters.

YANTI (STORE CLERK)
Good evening sir, will that be all tonight?

TYLER

Uh, yes actually. Oh, can I get some condoms please?

Tyler is trying to be quiet.

YANTI

Would you like normal or magnums?

TYLER

Normal.

Tyler is talking fast now, and is embarrassed. He is looking around hoping no one is listening.

マカバサエ

Spermicidal, ribbed, flavored, glow in the dark?

TYLER

Yes. I mean no. Just give me whatever. Condoms, got to have them.

Tyler is now very embarrassed and laughs nervously.

YANTI

Sir, is that your car? And are those girls with you?

TYLER

Yeah.

YANTI

Oh, I see. Well, this is how you seal the dealio, my young horny friend. See, you can't try to impress them with fancy cars and buy them beer. You have take them to your place, get her alone, take off your shirt, rub the oil all over your body, flex the muscles, put on the music, you start dancing like a sexy person. Then you say, ooh baby, I'm gonna to drop it like (MORE)

YANTI (cont'd)

its hot, drop it like its burning hot! It always works for me. You see when I was a young man in India, I was a pimp. Oh yeah, I was the pimp mcdaddy.

TYLER

Hmm. Thanks.

The girls are now riding off with the Viper.

YANTI

Holy shit man. I think they are leaving in your car now.

Tyler nervously laughs at the clerk and then slowly turns to look at the car.

TYLER

Oh shit!

Tyler tosses the merchandise and runs out as fast as possible.

EXT. CAR CHASE -NIGHT

Tyler sees a tiny moped, hijacks it, and he chases them all over.

TYLER

Oh, God, please. I'll never ask for anything again. Please, please, please. I'll stop looking at porn on public library computers.

The car is swerving all over the place. The radio is playing and the girls are throwing their clothes out of the car as they are driving. Because they are not paying attention, the car heads full speed down a dead end road and is about to plow over a fence. With a close up of the girls, they start screaming and Kyle wakes up and does the same. The Viper ruins a dinner party and launches airborne right into a pool. Tyler watches helplessly and starts to cry.

CUT TO

The tow truck is shown holding the car in the background and everyone is gathered around the TOW TRUCK DRIVER(50).

TOW TRUCKER

Man, that baby is totaled. Ha, ha, ha! Woo.

He spits his dip and Tyler just walks away.

TYLER

What am I supposed to do now?

TOW TRUCKER

Look, it's not my problem.

TYLER

Kyle, how could you let them drive the car away?

KYLE

I was passed out. What was I supposed to do?

CINDY

Can we get a ride back?

Tyler just looks at them disgustedly.

INT. BEACH HOUSE -DAY

Cell phone rings

TYLER

Hello.

MR. BABCO

Son, how is everything?

TYLER

Good Dad.

MR. BABCO

How are you and Kyle? We are still trying to figure out what happened here. But, we think everything can be recovered.

**TYLER** 

Good. Hey dad, can I call you back? I'm kind of busy.

MR. BABCO

Hold on son, how is the Viper?

The Viper, you know, it's uh, well, it's here waiting for ya.

Tyler looks at the totaled car.

MR. BABCO

Good, cause I think I would go crazy if anything happened to it. Now, just don't let any girls talk you into taking them for a ride. You know what I mean? Ha, ha.

TYLER

Yeah, I know what you mean. But no, I would never do that. No, never.

MR. BABCO

Okay, son, talk to ya later.

Tyler throws the phone away.

TYLER

Holy shit, I'm dead. My life is over. I can never replace the car. I should have just been honest and told him what happened.

KYLE

Don't worry, we will hustle up some money and make it happen. Don't worry. Look, if can't get jobs we'll just get loans and we can pay off the loans over time.

TYLER

You think so?

KYLE

Yeah, I mean it's worth a try at least.

INT. BANK -DAY

LOAN OFFICER(60)

Let's see, you have no jobs. You are both under twenty-five with no assets other then an older car. You are both full-time students and you want a \$100,000 loan for personal reasons. Hmm.

Lets go.

KYLE

Yeah.

Kyle and Tyler leave the bank disappointed.

KYLE

Well, I guess we can try and get jobs and see how much money we can actually make.

TYLER

One hundred-thousand dollars?

KYLE

Well, if we have steady jobs, he just might give us the loan.

TYLER

It will never work. We stand a better chance getting two hot girls to sleep with us. I'm going to get a drink.

KYLE

Yeah well, maybe you are right. But, we have to try something. I mean, what else do we have to lose?

EXT. OUTDOOR RESTAURANT -DAY

Tyler looks through the newspaper.

TYLER

Okay, we have the Pizza King. Circle. Oh, hey, check this out.

KYLE

What is it?

TYLER

Looking for hard workers for cable installation. Big commission and earning potential.

KYLE

We don't know anything about installing cable.

Dude, I helped you steal your cable when I hooked it up in your dorm. It's easy.

KYLE

Okay, well lets at least call the banker just to see if we got the loan.

TYLER

Are serious?

KYLE

Just call him. And tell him we have jobs now.

Tyler begins to call the banker.

TYLER

Yes, Mr. Johnson. It's Tyler Babco. Oh, yes sir, I know you are very busy. I just wanted to see if we got approved for the loan.

MR. JOHNSON (LOAN OFFICER) Oh yeah. I'm sending it through right now. Ha, ha, ha, ha, ha!

CUT TO

The banker is sliding the loan application through the shredder.

CUT TO

You then see Tyler hang up the phone.

TYLER

Looks like we are installing cable.

INT. CABLE INSTALLATION -DAY

Kyle and Tyler are pulling up to a house.

KYLE

Do you think that it was a good idea that we lied to get this job?

What do you mean?

KYLE

We don't know what the hell we are doing.

TYLER

Just trust me on this. I have a manual.

KYLE

Oh great.

Kyle and Tyler ring the door bell.

TYLER

Hello, Mrs. Gibbs(75). We are here to install your cable.

MRS. GIBBS

Oh wonderful. Come in, please.

TYLER

Thank you.

TYLER

Alright ma'am. We are ready to get started. But first, I'm going to have my partner grab the necessary tools for the job.

KYLE

Sure thing, partner.

Kyle reluctantly goes to retrieve everything. He struggles alot trying to manage everything, especially with the ladder dropping it on his foot.

TYLER

Alright, let's open this up and see what we have here.

Tyler is looking through the circuit box while on a ladder.

TYLER

I'm just going to unscrew this and change that. Okay, here we go.

The box blows huge sparks, making Tyler fall off the ladder and onto lawn furniture.

I'll fix that.

KYLE

Well, did you hook it up?

TYLER

Let's try underneath the house.

Tyler goes underneath and tries to hook it up.

TYLER

All I have to do is plug this in and I should have it. And, wallah.

Just after he says wallah, everything electrical in the house goes out.

KYLE

No, that wasn't it.

TYLER

How about now?

Just then, Mrs. Gibbs comes running out screaming.

MRS. GIBBS

Oh my god. My house is on fire

Everyone runs inside and the TV is on fire. Tyler and Kyle manage to put it out.

TYLER

How did this happen?

MRS. GIBBS

I just turned it on and it started to spark and I got scared.

TYLER

Ma'am we are very sorry. The company will reimburse you for everything. I promise.

MRS. GIBBS

Does this mean I won't get to watch Wheel of Fortune?

INT. SHOP -DAY

Kyle and Tyler are sitting in the boss's(45) office.

BOSS

You're fired! Get the hell out of my site. Get out!

Kyle and Tyler are frantically running out of the building.

INT. PIZZA KING -DAY

KYLE

Hi. My name is Kyle and I am new to the area. I was hoping I could get a job here delivering pizza or something.

PIZZA MGR(30)

Hmm. Well, do you have reliable transportation.

KYLE

No.

PIZZA MGR

Hmm. Well do you like to do marketing?

KYLE

Yeah. I mean, that's what I go to school for.

PIZZA MGR

Alright, perfect.

Kyle in a Pizza King outfit trying to solicit business.

KYLE

Marketing? Oh boy. Hey! Get your pizza! Nothin' beatsza pizza from Pizza King?

EXT. SOMEWHERE IN DAYTONA BEACH -DAY

The screen is only showing Tyler.

TYLER

Okay. Here's the deal. This is my street corner now and I'll be doing business here from now on. You got (MORE) TYLER (cont'd) that? I run this street now. So beat it, or else.

CUT TO

Two little girls(8/9) are sitting at a lemonade stand.

YOUNG GIRL #1

Daddy!

Tyler runs away nervously with his bag of lemons.

EXT. PIZZA KING -DAY

KYLE

Hot pizza right here! Hot and fresh! Oh come on. Somebody, damn it!

EXT. SOMEWHERE IN DAYTONA BEACH -DAY

Tyler is singing and dressed exactly like the Time's Square naked cowboy with a guitar.

TYLER

( singing)

I'm a cowboy. On a steel horse I ride. I'm wanted...

Tyler is hit in the head with an icee.

RANDOM PERSON (O.S.)

Loser!

Tyler slams the guitar and walks away.

TYLER

I quit!

EXT. PIZZA KING -DAY

Kyle Slams his pizza hat and walks away.

KYLE

I quit!

INT. BEACH HOUSE -DAY

Kyle is knocking on Tyler's door.

KYLE

Tyler, where are you at? I just quit my job man. Hey, where you at man? Dude, come out man.

Kyle knocks on the door again then just walks in. Tyler is lying there motionless.

KYLE

Hey, man, are you okay?

TYLER

Am I okay? Am I okay? Do I look okay?

KYLE

Dude, chill out.

TYLER

Chill out. Chill out. Yeah right.

KYLE

Yeah, chill out.

TYLER

Okay, that car was like \$100,000 or something and we got no money. This sucks. Why does my life suck so bad?

KYLE

You probably did something in a previous life.

TYLER

I go to a crappie school, my grades suck, my girlfriend left me for twenty-six frat brothers, I can't play football, store clerks shoot at me, the car is totaled and my parents business is probably ruined!

KYLE

Look. I know what will make you feel a little better. Follow me.

What, a bullet to the head?

They head over to the couch.

KYLE

This always works for me when I'm down and out.

Kyle pulls out a bong and puts it to his mouth, takes a hit, and then puts it to Tyler's mouth.

KYLE

That's it, breath in.

Tyler begins to smile as he looks down at the table.

KYLE

I told you this would work.

Tyler picks up the weed and he looks amazed.

KYLE

Damn dude, you act like you never smoked weed before.

TYLER

I've got it.

KYLE

Got what?

TYLER

Can you get more of this stuff?

KYLE

Yeah sure. It's good isn't it?

**TYLER** 

No, I mean alot of it. Kyle my friend, we are gonna sell weed. Can get us alot of weed?

KYLE

Well, you got my uncle Petey(46) in Miami. He used to sell weed for a living. Well, at least until he got arrested in Mexico and we never saw him after that. I'm sure he is still living in Florida and has connections. Hmm. I mean, if he is even still alive.

Call him. Now!

KYLE

Okay.

EXT. UNCLE PETEY'S HOT ROD HIPPIE VAN -DAY

UNCLE PETEY is riding in his car, pulls up, then knocks on the door.

KYLE

Uncle Petey, hey whats up? Dude, I am so glad you could make it.

UNCLE PETEY

I tell you Kyle, it is good to see you. I ran over as soon as you called. So you must be Tyler, the owner of the Viper?

TYLER

The totaled Viper.

PETEY

Nice beach house. It must have cost a fortune.

TYLER

It's my parents.

PETEY

Right on. I still live with my parents too.

KYLE

Petey. You're forty-two.

PETEY

Right on. Listen guys, lets go inside and talk. Ooh, is that the car? Well, I would say she is totaled. What were you thinking?

**TYLER** 

It doesn't matter. How are we gonna pay for a new one?

PETEY

Well, it wont be easy but I still know some PEOPLE in Cuba who should sell us alot of weed and all we (MORE)

PETEY (cont'd)

gotta do is sell it all and get you a new car. I already lined everything up on the way to your beach house. Boys, we are officially in business. No worries baby. No worries.

## EXT. BEACH HOUSE DECK -DAY

PETEY

Come on boys! You gonna sleep all day. Come on, we got business to take care of.

TYLER

Hey guys. I'm just not sure this is a good idea. I was high when I said all that.

UNCLE PETEY

Hey, it's up to you. But, you really have no choice. The car is totaled and neither one of you have a dime to your name.

KYLE

He's right, Tyler.

TYLER

Okay, but if I say no. It's done, that's it. I'll just tell my father and that will be it.

PETEY

Deal.

# EXT. UNCLE PETEY'S BOAT -DAY

KYLE

Hey Uncle Petey, where did you get this boat?

PETEY

Well, let's just say that I promised him some weed when we get back. You guys forget that I'm from around here. You see boys. This our ride and it's gonna take us to Eduardo(45), our new business partner.

Eduardo?

PETEY

Yeah. Let's just say we used to do business together.

The three cruise along the ocean. They see two ALIEN IMMIGRANTS(40/25) on a make shift raft made of milk cartons and wood.

IMMIGRANT #1(40)

Excuse me gentlemen, but could we catch a ride?

PETEY

On the way back!

IMMIGRANT #1

What a nice man. Hector, wake up. We are saved.

INT. CUBAN DRUG OPERATION BUILDING-DAY -CUBA

**EDUARDO** 

Hola, amigos. Como estas? Petey, holy shit. I thought you were dead man. I never thought I would see you again. So, what do you think of Cuba?

PETEY

No, I'm still here Eduardo and Cuba is beautiful.

**EDUARDO** 

Well, it's good to see you amigo.

PETEY

Gracias. So, where's the stuff?

EDUARDO

Ha, ha, ha. Petey, always business. No fun. Hey, you know too much stress leads to heart disease you know.

PETEY

Thanks doc.

**EDUARDO** 

Who are they?

PETEY

Oh, that's my nephew and his best friend. They need a lot of money bad, that's why we're here.

**EDUARDO** 

But, first you need a lot of drugs. Right? Come here my friend. Hey, you like this boat? Custom made you know. See that? That's real gold my friend. You know this boat is worth two hundred thousand dollars.

PETEY

Wow, that's a lot man. Where did you get it?

**EDUARDO** 

Yeah, he owed me money. He's not here to drive it anymore. Now, its mine. You understand what I'm telling you Petey?

PETEY

Yeah Ed, I got it. Come on, you've known me for twenty years.

**EDUARDO** 

Yes, my friend, but as you well know, this is business. So, you better not screw me. Understand, amigo?

PETEY

Yeah, I got it man. I got it.

**EDUARDO** 

Alright then. Now that we got that out of the way. Let's do this.

Petey hands Ed two briefcases. Ed looks in one and sees that it is full of old magazines.

**EDUARDO** 

You cock-a-roach. I knew it.

Petey punches Ed off the boat and into the water. Petey starts the boat and takes off for Florida. Tyler and Kyle realize this and are trying to grab as much champagne and shrimp cocktail before they dash to the other boat. Bullets are flying. One champagne bottle is shot out of Kyle's hand.

Holy shit, Petey was supposed to have money in those briefcases. He lied.

TYLER

No shit. Lets go!

Tyler and Kyle both get into the first boat and as they high tail it, it pulls off the edge of dock where all the CARTELS(30s) were standing and about to fire their guns.

KYLE

Woo! Yeah baby!

TYLER

Yeah!

Petey's boat is heading straight towards those immigrants. They are scared to death but Petey just misses them. Just when they think it is safe they have to abandon their raft just before Kyle and Tyler destroy the raft completely with the first boat.

IMMIGRANT #1

Damn you! You owe us a ride! And a new raft!

INT. BEACH HOUSE -DAY

PETEY

So, how about it guys. Did uncle Petey come through or what?

TYLER

You almost got us killed!

PETEY

Hey! Look at the bright side, you are still alive, we got the pot, a new boat, and some free champagne. Sounds like a winner to me.

KYLE

Thanks Uncle Petey. I knew you would help us out.

TYLER

Remember what I said before about when I say it's done, it's done. Well, it's done. Those guys will be back and they are going to kill us (MORE)

TYLER (cont'd)

for sure. That's it, I'm calling my dad.

PETEY

It's too late. We have to see this through. What do we have to lose now?

TYLER

Our lives maybe.

KYLE

Tyler, he is our only chance and he has gotten us this far. Let's just give him a chance. Come on Tyler.

TYLER

Okay, but now we have to figure out how we are going to sell this stuff.

KYLE

Don't worry. Petey will figure out something.

INT. BEACH HOUSE -DAY

They are loading all the pot into the house and hiding it in all the closets.

TYLER

I've never seen so much weed.

PETEY

Oh, I have.

KYLE

I have probably smoked this much.

TYLER

Kyle, this is what you smoke in a semester.

PETEY

Listen guys, I am gonna try to line some things up. But, I am also gonna need you guys to start hitting the streets and making some things happen also.

No problemo, Uncle Petey.

PETEY

Good, cause this wont be easy.

# INT. BIG BURGERS -NIGHT

PETEY

I got to tell ya. Nothing beats a burger from Big Burgers. I mean, this is like heaven. You know, I took a girl here on a date once and she never answered my phone calls.

TYLER

Really? I'm shocked.

PETEY

Yeah, can you believe that? If you ask me, this is as good as it gets. You know what she had the nerve to tell me?

TYLER

What's that?

PETEY

"Is this really where you are taking me?" I tell ya. Women these days don't appreciate anything. I take all my dates here. But they never call back. Hmm.

TYLER

Yeah, tell me about it.

PETEY

Let me ask you something. So how did you and Kyle become friends anyway?

TYLER

Oh well, we've been best friends since our first semester of college. I mean, I remember the time I was at this party and I was hitting on this chick named STACY(19).

INT. COLLEGE PARTY -NIGHT

Everything goes into a flashback with Tyler hitting on STACY.

TYLER

Hey Stacy, what's going on? Cool party huh?

STACY

Yeah. This is fun.

TYLER

I know. Homecoming game is next weekend. You should hang out with us. We are gonna sneak in a keg. I'll let you drink for free.

STACY

Okay. Cool Tyler.

TYLER

So uh, what are you doing after the party tonight?.

DARREN(20), her football player boyfriend and his friends come up behind Tyler and try to get his attention but Tyler is telling them to bug off basically.

STACY'S BOYFRIEND DARREN

Hey pal. Hey. Hey man.

TYLER

What man? Can't you see I'm talking here?

Then finally, Tyler turns around and the massive football player knocks him out with one punch.

STACY

Darren stop! What the hell. He was just talking to me. You're always getting jealous over nothing. I'm leaving.

Kyle comes up to Tyler.

KYLE

Hey man, you alright?

TYLER

Yeah, I'm okay.

That guy is a dick. He thinks he is cooler than everybody else because he is on the football team. Plus, you were hitting on his girlfriend.

TYLER

Yeah, I see that.

KYLE

Don't sweat it. I can show you how to get back at him.

**TYLER** 

My name's Tyler by the way.

KYLE

I'm Kyle.

INT. DORMS -NIGHT

During a football road trip, Kyle and Tyler break into Darren's room.

KYLE

Here, follow me. Hold this bag while I pick the lock.

**TYLER** 

I hope you know what you are doing.

KYLE

Bingo. We're in baby. Come on. Here, hand me the bag. Help me lay these things around.

The boys proceed to plant another girls panties, used condoms, a porn magazine, some girly things, and a fake love note around Darren's room.

TYLER

Man, you came prepared.

KYLE

Let's just say I have a bone to pick with this jerk too. Look. I even have some hair for the pillow.

TYLER

Beautiful. You are like a professional.

Alright, lets get the hell out of here.

INT. FOOTBALL PLAYER'S ROOM -NIGHT

When Darren and Stacy return together she becomes irate and hysterical. Kyle and Tyler are watching from there dorm room window and loving it.

DARREN

What the hell?

STACY

Oh my god. I cant believe this. Darren, you asshole.

DARREN

Baby, I don't know what this is.

STACY

Yeah right! I cant believe you cheated on me again. We are done for good. It's over asshole.

Tyler and Kyle are watching as she comes running out crying. She then grabs a huge rock and smashes his brand new mustang.

KYLE

Success. Awesome baby.

Everything returns to the present time at Big Burgers.

INT. BIG BURGERS -NIGHT

TYLER

And that is how it started. We've been best friends ever since.

PETEY

Yeah, Kyle is a great kid. He just needs to get serious you know. I think its time for him to be more responsible.

TYLER

Yeah.

PETEY

But hey, you know what? Now, we need to figure out just how we are gonna sell this weed. So, try to come up with a plan. I know a guy who owns a club. I think he is peddling drugs through his club still. So, we should have some luck with him.

INT. DINING ROOM -NIGHT

Kyle is sitting on the couch smoking his bong, eating Cheetos, and watching cartoons.

KYLE

Ha! Ha! Haaaa! I love this shit! I love it. Ha! Ha! Ha!

Tyler and Kyle walk in.

TYLER

Dude what are you doing?

KYLE

What? You don't like Sponge Bob?

TYLER

You know instead of smoking all the weed up. Maybe, you could figure out a way to sell it. You know we don't have much time either.

KYLE

I know. I thought Petey had something lined up.

**TYLER** 

Well, there's no guarantee it's going to work out. So we need to figure out something soon.

PETEY

He's right Kyle. We need to make a plan. Now we got some ideas so far and we need to get ready and go over to the club to hopefully make our big sale.

INT. BATHROOM -NIGHT

Petey is getting ready in front of the mirror as he talks to the boys.

PETEY

We got to look good tonight boys. So dress to impress. I don't want anyone to think we are a bunch of rookies. I had to pull a few strings to line this up.

INT. BEDROOM -LATER

Kyle and Tyler are getting ready in front of the mirror.

TYLER

Yeah well, we are a bunch of rookies.

KYLE

Don't worry, Petey's no rookie.

INT. BATHROOM -LATER

PETEY

Damn, I look good. You still got it old man. You still got it.

Petey begins to strike poses as he is impressed with himself. He starts to dance like a disco dancer when his brush flies out of his hand and breaks a picture mounted on the toilet.

PETEY

Shit! Lets go boys!

EXT. PETEY'S VAN -NIGHT

Kyle, Tyler, and Uncle Petey are cruising in Petey's van.

PETEY

Now, I have known TONI "Big Ones" PONCHELLI(55) forever. He is a good guy, so no one needs to worry about any sort of set up. Oh shit. There is a cop behind us.

A COP(30) turns on his lights and pulls over the van full of weed.

Are you serious? Dude, we're never gonna get out of prison. I'm gonna marry a pen-pal.

PETEY

Just stay calm.

COP

License and registration, please.

PETEY

Hey, officer. Is everything okay?

COP

License and registration, please.

PETEY

Ahh. Yeah. It's right here in the glove compartment.

COP

So, where you guys headed?

PETEY

Just cruising the strip with my nephew. We're on vacation sir. Oh, here is my license.

COP

Hmm. And how about the registration.

PETEY

Right. Just let me find it.

Petey is struggling to find his registration.

COP

Who else is in here with you?

PETEY

Oh, just my nephew and his friend from college. You know, spring break (Petey nervously laughs).

COP

Hmm.

The patrolman slowly walks towards the back and everyone is getting nervous. The patrolman grabs the handle, opens the back door and just before he can see inside, Petey finds the registration.

PETEY

Found it!

Petey laughs and smiles nervously again. The cop shuts the door and heads back to the driver side door.

PETEY

Found it officer. Woo. Lucky me.

COP

Well, let this be a warning. The speed limit on the strip is twenty-five. I'm in a good mood tonight, so lets just slow down okay. Alright, gentlemen?

PETEY

Yes sir. Not a problem.

As they drive away Tyler is in the back breathing through a brown paper bag about to pass out.

INT. NIGHT CLUB -NIGHT

All three enter the night club. Kyle sees someone that looks just like John Travolta from Saturday Night Fever.

KYLE

Wait a minute. Nah, no way.

PETEY

Listen guys, I know the owner. We used to do business before I did time.

TYLER

What kind of business?

PETEY

The drug business, kid. How do you think he bought this place? Follow me and let me do all the talking.

INT. OWNER'S BOOTH -LATER

TONI "BIG ONE'S" PONCHELLI

Petey, I thought you were dead.

PETEY

I get that alot these days.

TONI

Hey Jimmy(25), get these guys a drink. Where the hell have you been? It's been years. Well, I'm glad to see your not dead at least.

PETEY

No. You know me, I'm all over the place. How's business?

TONI

Business is good. Thanks to you Petey. Hell, if it wasn't for you, I wouldn't even have this place. You helped line everything up. Hell, you know that. So, what brings you here, Petey?

PETEY

Toni, we need a big favor. My nephew and his friend need a lot of money.

TONI

Hey, I stopped loaning people money a long time ago. Hey, wait a minute. Are you under cover?

PETEY

Hell no. Come on Toni, you know I would never do that to you.

Just then Toni snorts a line of coke.

TONI

Shhh. Listen. You hear that.

Toni grabs a shot glass and listens on the wall.

TONI

The FBI, they think they can out smart me. Look at this Petey.

Petey reveals his surveillance system.

TONI

You see, I'm watching them.

TYLER

(Whispering to Kyle) Paranoid.

PETEY

No, no, no, see you don't understand, we're not undercover and it's no loan. I've got a van outside with ninety pounds of grade A Cuban weed, baby. Its worth about a hundred grand or so.

TONI

Shhh. Holy shit. Where the hell did you get it?

TYLER

It's a long story.

PETEY

Yeah, and we need the money now Toni. Or else they are dead.

TONI

What do you mean dead?

TYLER

That's a long story too.

PETEY

You still owe me Toni. I need this one.

TONI

Whatever. Listen, I'll buy half. Only because it's yours Petey. I'll have my crew sell it or something. The rest is on your own. I might know some people who may want the rest but I'm trying to run a clean business here. You're not helping. This kind of stuff brings heat you know. I don't like heat. It just doesn't look good. You know what I mean? Look, I'll give you sixty thousand, okay. I know it's only worth fifty grand but I know I really owe you Petey.

PETEY

Don't worry Toni, you wont regret this. Hey guys, take these duffel bags and run down to the van, get the stuff and bring it up here. Kyle and Tyler leave and shut the door. Toni opens his safe and lays two brief cases on his desk. He opens them and then hands them to Petey. The boys open the van and grab half of the pot. A BUM(50), who is pushing a cart full of empty soda cans, walks by.

HOMELESS MAN (BUM)

Excuse me young man. Do you have any change?

KYLE

No dude, sorry.

HOMELESS MAN

Do you have any food?

KYLE

No!

HOMELESS MAN

Do you have any clean underwear?

He holds up a pair of his dirty underwear.

TYLER

Get lost you deadbeat junkie! Come on Kyle, let's get the hell out of here!

HOMELESS MAN

Jerks.

As Kyle and Tyler leave in a hurry, the homeless man walks up to the van and it's open. He then begins to hot wire it and it starts. He is taking it for a joy ride and rides over to his FRIENDS(50s) and picks them up.

HOMELESS MAN #2

Oh my god, Leroy. You found us all a mobile home.

HOMELESS MAN #3

And, there is a huge bag of weed here.

EXT. JUST OUTSIDE THE NIGHT CLUB -NIGHT

Kyle, Tyler, and Petey come around the corner of the club with there gangster suits walking in slow motion to a seventies soundtrack. Kyle puts on his shades and Petey smokes a cigarette.

Holy shit! That was so easy. Petey, I love you man.

PETEY

Remember boys, this isn't my first rodeo. You know, you guys are lucky to have me around.

KYLE/TYLER

Petey! Petey! Petey!

PETEY

Alright, alright.

Everybody cheers and laughs but just then they see that the van is missing.

TYLER

Where the hell is the van? The money and the pot. Kyle, what the hell just happened?

KYLE

I don't know. Did you lock it?

TYLER

You were supposed to lock it.

Just then, the van drives by.

PETEY

Look! There's the van. Taxi! Taxi! Get in! Get in! Follow that van.

YANTI

Yes, sir.

**TYLER** 

Yanti. What are you doing driving this taxi?

YANTI

I own a taxi service too. Yanti is not a one dimensional person baby. You know when I was in India as a boy I worked seventeen jobs at once.

KYLE

Okay.

Catch that van, Yanti!

The gang tracks down the van and recovers everything. The homeless men abandon the van and run.

PETEY

Thanks Yanti, you saved the day.

YANTI

For shizzle, my nizzle.

Yanti cranks up his radio playing hard core gangster rap and then speeds off.

YANTI (CONTINUED)

Peace out homies!

INT. BEACH HOUSE-MITCH IS THERE HANGING OUT -NIGHT

MITCH

I can't believe you guys came this close to losing the van.

Mitch is laughing.

TYLER

You know, I am surprised we haven't seen anything of Eduardo and his crew.

PETEY

If I know him. He'll be back.

KYLE

Yeah well, we'll just kick there asses again.

PETEY

Don't underestimate Eduardo, he's a killer. But hopefully, everything will be over and you guys will be back at school before they find us. He doesn't even know where we are staying. So, we should have a little time. I hope.

INT. EDUARDO'S HANG OUT -NIGHT

Eduardo and two other gang members are hanging out.

ESTEBON(30)

Hey Eduardo. What are we gonna do now?

**EDUARDO** 

What do you think we are gonna do? We're gonna get everything back.

TINO(30)

Should we tell Boss?

**EDUARDO** 

No! I mean lets see what we can do and if we have to tell him then we will. I'm sending the two of you to Daytona to find them. When you find them, that's when I'll be there.

TINO

I hope you know what you are doing?

**EDUARDO** 

So do I.

INT. BEACH HOUSE -NIGHT

MITCH

Hey guys, so let me get this straight. You sold half the pot and got sixty grand. Wow! Damn, you guys are good!

TYLER

Man, that was easy.

MITCH

So, you can get the car now right?

TYLER

No, we have to sell the other half still.

MITCH

Oh, well we'll just sell the rest then right?

PETEY

Well, I don't know guys. Toni is my only connection these days. So I don't know how we're gonna sell the rest. Tony won't want anymore by the time your parents get back.

MITCH

I got an idea. I know a huge party at some beach house tonight. Bring the van and the weed and we will sell it all there.

TYLER

I don't know, what if something goes wrong?

MITCH

It won't, it will be perfect.

KYLE

Let's do it. Are we in or what?

TYLER

I'm in.

KYLE

Petey. You in?

PETEY

Sure, what the hell.

EXT. CUBANS ARRIVE AT AIRPORT -NIGHT

Estebon and Tino are leaving the airport and walking up to a taxi.

**ESTEBON** 

Hey, take this cab and go get us a rental car while I call Eduardo.

TINO

Sure thing.

**ESTEBON** 

And hurry up!

## EXT. RIDE TO BEACH HOUSE PARTY -NIGHT

PETEY

Let's go boys, we got business to attend.

TYLER

You know, I really think this is all gonna work out guys. After tonight we can start looking for a new Viper.

PETEY

Look guys, I know that this is a party but we have to focus on business. We sell the weed, we put the money in the duffel bag and we go back to the beach house. Just stick to the plan guys.

TYLER

Then, tomorrow we get the new car. You got it Kyle? Stick to the game plan okay? Okay? Kyle!

KYLE

Yeah, yeah, I got it. Stick to the game plan. Man. Don't worry, have I let you guys down yet? No.

## INT. BEACH HOUSE PARTY -NIGHT

They enter the beach house, head upstairs, everyone wants to buy from them, and the party is underway.

MITCH

Folks, this is rare weed. Yeah, it was produced by the government to make you twice as high and for twice as long. I'm talking freaky weed. Yeah, like no one even knows about this shit. The secret service is probably looking for it right now.

Soon after, a long line of PARTY GOERS(18-25) wanting to buy weed forms. The line stretches from the upstairs, through out the house, and out the back deck. While selling all the weed, Kyle and Mitch are also smoking some and getting high. Tyler and Petey head downstairs.

INT. DOWNSTAIRS OF THE BEACH HOUSE -LATER

CHICK #1(19)

Hey boys, want to play some beer pong?

PETEY

Sure, let's go.

CHICK #2

Well, we play a little differently.

TYLER

Okay, whatever. Man, this is gonna be easy. I'm like the three time college tournament champion at this.

CHICK #1

Let's play strip beer pong. When someone makes a shot, you drink and then take off an article of clothing.

PETEY/TYLER

Oh yeah!

Petey's first shot lands in a random person's cup.

RANDOM PERSON (V.O.)

Asshole.

PETEY

Hey, its been a while. Hey, what's the worst that can happen.

CUT TO

Petey and Tyler are standing there in nothing but their underwear and are holding their hands over their crotches. One of the girls launches a shot for the last cup and it goes in.

TYLER

Shit. It's your turn to drink Petey.

PETEY

Oh no, it's your turn... Fine.

Petey goes to take his underwear off reluctantly and then everyone is distracted by Mitch.

MITCH

Hey everybody, you make sure you head upstairs and purchase some weed alright. Let's all get high.

PARTIER (21)

Sure, but first Petey must do a drink from the keg.

PETEY

Me?

EVERYONE (18-25)

Petey, Petey!

PETEY

Alright. One time I guess.

During the keg stand, STACEY WALKS in and everyone focuses on her.

**TYLER** 

Stacy.

Tyler walks over to Stacy.

TYLER

Wow. What are you doing here Stacy?

STACEY

Hey, it's spring break everybody's down here. And apparently everybody wants your weed.

TYLER

Is Darren with you?

STACEY

Me and Darren broke up. Yeah, he cheated on me for the last time. I found some stuff in his dorm room. I hate his guts.

TYLER

Wow, what an asshole.

STACEY

You know, you still owe me a free drink.

TYLER

You're right. I do.

Kyle comes downstairs and interrupts Tyler and Stacey.

Hey man, we did it. We sold it all!

PETEY

Yes!

TYLER

All of it?!

Doorbell rings and Petey answers the door. It's Darren and his FRIENDS(18-22).

STACEY

Darren, what the hell are you doing here, you know were not together anymore?

DARREN

Hey, I'm here to party. Is that okay with you? This party sucks anyway. Oh god, it's the little punk I knocked out on campus. How's your jaw feel?

TYLER

Yo Darren, you're drunk as hell. Why don't you and your friends take off and sober up?

DARREN

Screw you, fag. I'm here to party. Woo! Yeah! Hey Stacey, why don't we head upstairs for old time's sake?

Darren puts his hand on her ass.

STACEY

Get off me. You're drunk and we are over. Don't you get it?

Tyler punches Darren and a crazy brawl ensues with everyone getting involved. Darren manages to sneak upstairs unnoticed. After the fight slows down, Tyler, Kyle, Petey, and Mitch head upstairs.

INT. UPSTAIRS OF THE BEACH HOUSE -LATER

KYLE

Hey guys, I sold it all. We're done.

All of the weed!

PETEY

Alright Kyle!

Mitch lights up a joint to ease the pain of fighting.

KYLE

Who's your weed selling daddy?

TYLER

Kyle!

KYLE

That's right baby, Kyle is.

TYLER

Kyle!

KYLE

All day, baby.

TYLER

Kyle!

KYLE

What? Jeez.

TYLER

Where is the money?

KYLE

It's right, here.

Kyle looks over and sees that the money is missing.

KYLE

Oh shit!

TYLER

Oh shit!

PETEY

Oh shit!

Mitch is smoking a fat joint.

MITCH

(Coughing and choking)

Oh shit! This is some bomb ass weed.

Tyler and Petey look out the window and see that Darren is getting into his car with the duffel bag full of cash.

TYLER

Hey, stop asshole! We need that money. Let's go. Come on!

Tyler, Kyle, Stacey, and Petey run downstairs to chase after Darren and hop into Petey's van. Mitch decides to climb out the window and down the roof. He grabs onto the gutter and begins to hang from it.

MITCH

Help! Somebody!

Just then the gutter breaks off as they drive away. Mitch is in obvious pain.

EXT. CAR CHASE -NIGHT

The group is chasing Darren all over the place. Darren finally wrecks and starts running on foot through a zoo. They get out and chase him all through the zoo when a SECURITY GUARD(50) spots them and tries to stop them.

SECURITY

Hey you! Stop right there!

Kyle runs by two monkeys that are mating. Kyle reappears and watches perversely before he gets back to chasing the thief. The over weight security guard cannot catch them. Darren is finally cornered by the gang.

TYLER

Just give us the money and everything will be cool.

Darren throws the bag over his shoulders and bolts away. The bag lands inside of a lion's cage. An angry lion comes out and guards the bag. As Darren is running away, he comes across the same security guard and now the guard is chasing Darren.

TYLER

Okay, I'm not going in there.

PETEY

Tyler, it's your dad's car.

TYLER

Kyle, you lost the money.

Hey, I wasn't the one down stairs playing strip beer pong.

TYLER

Yeah, well, you lost the money. Cause the money was with you and now it's with the lion. So get in there.

Kyle walks towards the cage.

KYLE

Here kitty kitty.

The lion roars.

KYLE

Oh god. I can't do this. Can't we just get more weed?

TYLER/PETEY

No!

The lion picks up the bag and takes it into his cave.

**KYLE** 

Oh great. That's just great. Wonderful.

TYLER

Look. I'll go in there and distract him. Then, when he comes after me, you run and grab the bag, okay.

KYLE

Okay. But, what if he eats me?

TYLER

Just do what I say.

Tyler sneaks in unnoticed.

TYLER

Kyle. Come on.

Kyle sneaks in next.

TYLER

Alright. Listen to me. As soon as I get the lion out, you run in and grab the bag. After that, run to the fence and climb over. Don't worry. It will work.

Tyler gets the lion to come out. Kyle runs in the cave and grabs the bag. The lion now wants Kyle.

KYLE

Oh shit!

TYLER

Kyle run!

Tyler makes it over, but not before the lion grabs Kyle just as he is starts to climb. The lion then starts to hump Kyle against the fence. Tyler and Petey are laughing and taking photos with their phones.

KYLE

Help! Come on help me!

TYLER

I think he likes you.

EXT. RENTAL CAR -NIGHT

Tino arrives with a very tiny pink car.

ESTEBON

Are you serious? A pink car.

TINO

You said that we were undercover.

ESTEBON

Undercover. What are we posing as the village people?

TINO

It's all I could get.

**ESTEBON** 

Get in the car cup cake.

TINO

Buckle up.

**ESTEBON** 

Let's go! We don't have much time. I think I know where they might be staying.

The car bunny hops and back fires as they drive away.

**ESTEBON** 

Damn it!

EXT. RIDE BACK TO THE BABCO BEACH HOUSE -NIGHT

TYLER

Well, it's counted. Over thirty-thousand. We should have plenty of time now to get the car tomorrow morning.

KYLE

Hey let's stop at the Quickie Store really quick.

The group makes it back to the Babco beach house.

EXT. QUICKIE STORE PARKING LOT -NIGHT

Tino is listening to "Macarena" on his ipod and is getting down enthusiastically while eating Twizzlers. When he notices the gang pull up next to them, he takes off his headphones and tries to wake up Estebon.

TINO

(Whispering)

Hey, wake up. It's them, we found them. I'm calling Eduardo.

EDUARDO(O.S.)

Hola.

TINO

We found them.

EDUARDO(O.S.)

Follow them and see where they are staying. I'll see you boys tomorrow. Good work. They're dead.

INT. BABCO BEACH HOUSE JACUZZI -DAY

The gang is counting their money in the jacuzzi and smoking cigars.

TYLER

\$90,237. Holy shit, we're rich.

PETEY

Yeah well, we worked hard for it.

PETEY

Boys, I have to say we did a damn good job. We sold all the pot, didn't get busted, and we're replacing your dad's car. And, we even have some extra cash to burn.

TYLER

Keep any extra money Petey. You earned it. Thanks Petey.

PETEY

Hey. It was nothing. This is what I'm good at. I mean, what can I say?

KYLE

I say we celebrate. Let's throw a little party for just us.

MITCH

Yeah!

TYLER

Alright. But first, we got a Viper to buy. Then, we really celebrate.

Stacey hugs Tyler and they kiss.

PETEY

No. I am done partying. You boys don't need me anymore.

Tyler's cell phone rings.

**TYLER** 

Hello.

STEPHANIE

Hey, loser.

TYLER

Hey Steph, what's up?

STEPHANIE

Hey, I just thought I'd let you know that the business is good now and we should be there tomorrow evening. Mom and dad weren't going to tell you because they wanted it

(MORE)

STEPHANIE (cont'd)

to be a surprise and to see if you were doing anything bad at the beach house.

TYLER

Wow, thanks sis.

STEPHANIE

Yeah, so if you are doing anything you shouldn't, fix it now. Knowing you two, I'll bet you needed this warning. Bye loser.

TYLER

Bye.

INT. BABCO BEACH HOUSE -DAY

Tyler pulls up with the new Viper.

KYLE

Oh no, you got a yellow one. Your dad's was red.

TYLER

It was all the dealer could get me by today. Anything else and I was gonna have to wait three or four weeks he said. Look, I needed one today. Plus I saved eight grand by taking this one and paying cash.

Tyler holds up a brief case.

KYLE

Oh man, you are so dead.

MITCH

Hey, you got a car though.

TYLER

Maybe we can find a shop that will paint it tomorrow morning.

PETEY

I might know someone.

TYLER

Yeah and you know what else? My parents aren't coming back till tomorrow evening.

KYLE

So?

TYLER

So, let's have a little celebration. Just us. I'll call Mitch and Yanti. I mean hell, we did it. It's all over. We even have some money left over. Let's finally relax and have a little fun before we have to go back to school.

### INT. BEACH HOUSE DECK -LATER

**STACEY** 

Hey Tyler, I never realized what an amazing guy you really are.

TYLER

What are you talking about?

STACEY

I mean like, I didn't even notice you in college. I mean like, it's so easy for us girls to get caught up in what the guy wears, his car, his music, tattoos. But, you're different. You don't have to try and look tough or be something you're not. That's what I like about you. And, all those assholes, they only wanted one thing and they're never gonna be quality. I don't even know what I saw in those guys.

TYLER

Well, I'm glad you're here now. That's all that matters.

They begin to make out.

KYLE

Tyler! Come here!

TYLER

What is it?

KYLE

Hey, do you see that?

TYLER

See what? That boat, so what?

KYLE

No, really look.

Kyle hands him the binoculars.

TYLER

Oh shit! It's Eduardo and his crew. Yeah, we're dead.

STACEY

Call the police.

PETEY

We can't do that.

STACEY

Why not?

PETEY

Because, there is some marijuana still in this house. We've been selling drugs. If we call the police we will all be arrested.

TYLER

He's right. We can't call the police now.

Petey leaves and escapes to avoid trouble.

KYLE

Great! Now, Petey is gone. Perfect timing, Petey.

The boat arrives and the armed Cuban gang enters the beach house.

**EDUARDO** 

Hola. Buenos dias, shit heads. Tie them up.

TYLER

Listen, I can get you your money. Take whatever you want. We didn't know Petey was lying about the money.

EDUARDO

Shut up! Tape their mouths!

KYLE

Please don't hurt us.

**EDUARDO** 

I said shut up, hombre! Now, somebody better tell me where my boat is. Somebody better tell me where my money is. And, somebody better tell me where my drugs are. Or I'm gonna cut your balls off. So, who's talking? Okay, since nobody has anything to say, who's balls are coming off first?

Kyle and Tyler both mumble loudly, as they are both now taped, and try to look at each other.

**EDUARDO** 

Shut up! I know who will be first. Where the hell is Petey?

EXT/INT. PETEY'S VAN/ BEACH HOUSE -DAY

Petey steps out of the van with two fully automatic assault rifles and a cigar in his mouth. He approaches the door and kicks it in.

PETEY

Let them go, Eduardo. I knew you'd be back eventually. It's over and you're not taking anything from us so I suggest you get the hell out of here before I have to kill you and your posse.

CUBAN GANG MEMBERS

Ha! Ha! Ha!

**EDUARDO** 

Oh really?

PETEY

Really.

During a tense stand off, Mitch busts in with a case of beer, basically kicking the door in.

MITCH

Hey, let's party!

Mitch knocks over Petey, he drops a rifle, and a bullet is accidentally fired into Eduardo's leg, but he is unaware.

MITCH

Whoops, my bad.

Everyone is frantically checking themselves. Then everyone sighs. Kyle and Tyler look right at Eduardo and their eyes are wide open. Eduardo looks down at his leg and he screams. Everyone is fighting frantically. Kyle and Tyler untie themselves and begin to fight. The cartels have the advantage and it seems like there is no hope until Yanti shows up with a sawed off shot gun.

YANTI

Holy donkey shit balls! Don't worry my young college friends. Yanti is here!

Yanti the clerk is blowing up everything in sight. Eduardo sneaks out hobbling but Petey follows. The police bust in the house and everyone stops fighting.

POLICE OFFICER #1(30)

Freeze! Nobody move!

OFFICER #2(40)

Yanti, is that you?

YANTI

(With a shameful look) I am afraid so, my friend.

EXT. EDUARDO'S BOAT -DAY

Eduardo gets on his boat, starts it, and tries to escape but Petey catches him and they begin to fight.

PETEY

Oh no you don't. You're not getting away.

**EDUARDO** 

I'm getting out of here. And, you're getting off or I'll kill you myself.

PETEY

The boat stays here.

**EDUARDO** 

You should have just paid us the money, Petey. I always knew you were a scum bag. All this should have never happened.

PETEY

Scum bag. Oh really. I did eight years in a Mexican prison because of you, Eduardo. You. I took the fall for your ass. It should have been you in that prison.

**EDUARDO** 

Well, it will be you in prison again cause I'm headed back to Cuba.

OFFICER #2

Freeze damn it!

Both Petey and Eduardo are choking each other. When they hear the cop they give each other a half of a hug, look at the cop, and smile.

OFFICER #2

Nice try. You're both under arrest.

As Petey and Eduardo put there hands up, Petey shoves Eduardo off the boat and high tales it out of there in the boat.

OFFICER #2

Hey asshole! I said freeze!

The police officer fires rounds that just miss Petey.

OFFICER #2

Damn it!

OFFICER #2

(Speaking into radio)
This is Officer Axlerod, one suspect has escaped on boat.

INT. BEACH HOUSE -DAY

OFFICER #1

What the hell is going on here? Everyone get your hands in the air and don't move!

Everyone is being arrested and the cops seem puzzled as to what could have possibly happened. Policeman #3 is holding a bong and some weed.

MITCH

Awe man sweet, you found my bong dude...Oh shit.

CUT TO

Mitch is in handcuffs and being carted off to jail. All the police cars ride away with the suspects.

INT. GARAGE -NIGHT

In the middle of the night, Petey sneaks back to the beach house, hijacks the Viper, and smirks while taking off with it.

PETEY

Like stealing candy from a baby.

INT. BEACH HOUSE -DAY

The next day, the parents arrive to an empty beach house.

MR. BABCO

What the hell happened here? It looks like someone destroyed our beach house.

MRS. BABCO

What happened?

STEPHANIE

My brother is in deep shit.

MRS. BABCO

Stephanie! Don't say that. Go outside and look for you brother.

MR. BABCO

He isn't answering his cell phone. Oh my God.

Mr. and Mrs. B begin to hug.

MRS. BABCO

Oh my god, Richard, our son has probably been murdered. Just look at this place. Oh Richard, find our son.

### INT. INTERROGATION ROOM -DAY

Everything returns to the present time with Tyler finishing his version of the whole story.

TYLER

So you see officer, that's exactly what happened.

DETECTIVE

Hmm. Interesting story. But what's more interesting is what's gonna happen to you guys. Do you realize you both could go to jail for a very long time?

KYLE

What? No, I can't do that.

DETECTIVE

Yeah well, you should have thought about that before you decided to sell illegal drugs. You can only blame yourselves.

## INT. PRISON CELL -DAY

KYLE

What are we going to do now? Will your parents bail us out?

TYLER

I doubt it. We're never going to leave this place, so get used to it.

KYLE

Are you still blaming me?

TYLER

Yeah.

KYLE

For once in your life why don't you take responsibility for your own actions and stop blaming everybody else for your problems. Nobody put you here, in case you were wondering. You did Tyler. You chose to take the car out with those girls, remember. You think that you are better then everybody else yet

(MORE)

KYLE (cont'd)

everybody else seems to have more than you. But, you are better than them. I may be doing dumb shit all the time. But, at least that I am being myself and I don't give a shit what the hell anyone thinks. At least I am real. I might be a failure, but I'm real. I don't even see what Stacy sees in you anyway.

### TYLER

You're right. I haven't always been a good friend. But, you have been. Even when you didn't have to be, you still were. It wasn't your beach house and it wasn't your car. You could have said the hell with it and left anytime. But, you stayed and you helped regardless. I'm sorry Kyle.

Prisoner #1 is standing in a corner crying

PRISONER #1

That was beautiful.

DETECTIVE

Alright boys, you are free to go.

TYLER

What? Really? What do you mean we are free to go?

DETECTIVE

You heard me, get out of here.

KYLE

I don't get it. How?

# DETECTIVE

Your parents finally got the idea to call the police station. I guess your dad isn't going to press charges about the beach house. After speaking to your father, he said something about everything being recovered and the business is back to normal. And your mother, who thought you two were dead, is just happy your alive. I guess he was pretty damn happy about that too. And you are his son, so I

(MORE)

DETECTIVE (cont'd)

quess he just couldn't do it. The Cuban gang took full responsibility for all the drugs, the boats, and the weapons. Apparently one of them said that they would rather die in an American prison rather then go back and have to face their boss. They said that Pablo Escobar Jr. would kill them and their families for sure. Hmm. Whoever that is. You know, we have been trying to get Eduardo and his crew for the past six years. Hell, I'm guaranteed a promotion. I guess you can say that everybody is happy in the end. So, get the hell out of here before I change my mind. Now in return, all we ask is that you testify against Eduardo and his crew.

KYLE

No problem.

DETECTIVE

Oh. One thing guys. We have been looking for another guy. Have you seen a guy named, Petey?

KYLE/TYLER

No!

DETECTIVE

Right On.

He points and winks at them as they run out.

INT. BEACH HOUSE -DAY

MRS. BABCO

You boys have a lot of explaining to do. What the hell happened?

TYLER

Dad, I'm really sorry, I can explain everything. I swear.

MRS. BABCO

What the hell did you guys do while we were gone? You know what, forget it. How the hell are you gonna fix my house that you riddled with bullet holes?

TYLER

I'm sorry mom. I'll pay for everything. I swear.

INT. GARAGE -LATER

Mr. Babco is standing outside the garage door.

MR.BABCO

Tyler! Come here!

TYLER

Oh shit. Yeah dad!

MR. BABCO

You know, I can't believe it.

Mr. Babco clicks the remote to open the garage door and as it is opening slowly, he is facing Tyler with the garage door behind him.

MR. BABCO

I mean I am completely shocked.

Tyler closes his eyes.

MR.BABCO

I just can't believe it. I can't believe that you... didn't touch the Viper.

Tyler opens one eye and sees that the Viper is back and now it is RED.

MR. BABCO

Wow son, thank you for taking such good care of my car.

TYLER

(Whispering to himself)

Petey.

MR. BABCO

I have to say, I am shocked that you never messed with the car, son.

Tyler checks his pulse.

TYLER

Yeah, well I remembered what you told me dad.

The door bell rings. Kyle opens the door and Petey hands him a brief case. Kyle opens it up and its got the rest of the unspent cash.

TYLER

I think this should cover most of the damage dad. What do you think?

MR.BABCO

I think you are right. I don't believe it. You know son, I've been meaning to remodel this place anyway. Ha. Ha. Ha.

Mr. Babco laughs and puts his arm around Tyler.

EXT. JACUZZI -DAY

KYLE

We did it, bro. So, what happens now?

TYLER

All I want to do is get back to school. Hey Kyle?

KYLE

Yeah.

TYLER

You know Petey really saved our asses. Your uncle is one cool ass guy. You know, you are always getting into trouble and I'm always yelling at you. But, in the end you saved the day. I'm mean your uncle did. I'm glad that you are my friend. I'm glad that you are my best friend. I mean that, best friends for life.

KYLE

Yeah, best friend's for life.

TYLER

So, what's your uncle gonna do anyway?

KYLE

He said something about heading to Mexico and starting a new life. He loves it down there.

Petey rides by in his boat and waves to the boys.

PETEY

Hey guys! Adios boys!

KYLE/TYLER

Petey!

TYLER

I really think I'm gonna miss that guy.

Tyler's cell phone rings.

TYLER

Hello.

STEVEY(19)

Tyler, you have to help me.

TYLER

Stevey, whoa slow down, what's going on?

STEVEY

I went to Vegas for spring break and I met these two girls. Everything was cool at first. Well, I got really drunk and they talked me into getting a four star hotel room.

**TYLER** 

Sounds good so far.

STEVEY

Sounds good? Yeah, well they stole my dads check cards and emptied my father's bank account. They stole fifty thousand dollars. What the hell am I gonna do? Dude I'm going crazy. I haven't even told my father. He's gonna kill me.

TYLER

Don't worry man, I got an idea. I'll call you later.

Tyler hangs up and puts a cigar in his mouth.

FADE OUT:

THE END
