HENRY'S MILL - DAY ONE

FADE IN:

INT. SHERIFF'S OFFICE - MORNING

Sheriff Falsen is entering the Small Sheriff's station

DEPUTY

Morning Sheriff, Mathilda May says
her dog has gone missing again

SHERIFF

I suppose it's about that time
again

DEPUTY

And there's an NSA Agent
Wallenburg waiting for you

SHERIFF

NSA?

DEPUTY

Yep, credentials all check out

SHERIFF

Last time feds came around here it
took months to clean up their mess

FADE OUT

INT. SHERIFF'S OFFICE - MORNING

FADE IN

Wallenburg is really bored waiting for Sheriff Falsen to get
to the office when Falsen

SHERIFF

You must be the NSA agent...so
who's done what, when, where and
it's all above my pay grade

AGENT WALLENBURG

Nothing like that Sheriff. I just
need you to sign some papers and
I'll be on your way

SHERIFF

sign some papers for what?

AGENT WALLENBURG

Loan...we are loaning your Sheriff's department a highly skilled agent. The department he was assigned to has been shut down. This is the best place for him

SHERIFF

Do I have a choice?

AGENT WALLENBURG

None what so ever, please sign here, here and initial here

Falsen sits at his desk and signs the papers. Wallenburg seperates the top copy from the bottom and hands the bottom copy to Falsen

AGENT WALLENBURG

Congratulations Left-tenant Col Gabriel Dumont is all yours. Here's his NSA personnel file and the request forms for all the other agencies he's been loaned out to over the years as well as his military's personnel file.

SHERIFF

Left-tenant Col...Definitely not US Military...how many agencies are we talking about?

AGENT WALLENBURG

The only agency in the US he's not been loaned out to is Homeland security, it would not have been a good fit

SHERIFF

And When do I met this Dumont?

AGENT WALLENBURG

Well he was supposed to be here with me, so I really don't know where he is...and I have a plane...if you could call it that, to catch

Falsen looks at the booking sheet from last night. Then puts up his hand

SHERIFF

One moment Agent Wallenburg, I
need you to verify something

INT. JAIL CELLS - DAY

FADE IN

James is standing outside a jail cell asking Gabriel
questions

WELLS

Mr. Dumont, I've checked two of
the Id's we found on you...CIA
agent I spoke with first laughed
then could neither confirm nor
deny you, FBI confirmed you then
said you are loaned out to the
DEA, DEA said they Punted you to
the Marshal's Service. The
Marshal's service took back your
credentials and said S.E.P.
NATO Intelligence, Interpol,
Scotland Yard, NYPD, CIA, FBI,
DEA, US Marshals, MI5, MI6 and NSA
credentials...who do you work for?

Falsen and Wallenburg enter the cells

SHERIFF

Us as of five minutes ago. Is
this his him?

AGENT WALLENBURG

That's him...

Wallenburg's eye begin to twitch

AGENT WALLENBURG

Left-Tenant Col Gabriel Dumont,
your new special deputy.

DUMONT

Hey Wallenburg, how's life out of
the cubicle?

AGENT WALLENBURG

Horrible...I have a charter plane
to catch. Then get back to
dealing with criminals who are
not sitting in a jail cell

DUMONT

Well enjoy your walls and red
bull...Say hi to your sister for
me, she sure is a lot more
sociable

AGENT WALLENBURG

(Giving the Finger)

Fuck you!!!

Wallenburg angrily leaves

SHERIFF

So why is he locked up? Was it
drunk and disorderly?

WELLS

No that would be Lenny again

Falsen looks at the other cell and sees Lenny's foot
sticking out from beneath the cot

WELLS

No, he was in a bar fight. There
was another guy with him, except
the FBI came in around 3 am and
took that one. Night staff showed
the senior FBI agent all the
credentials. Apparently she
laughed and said "You're Problem
Now"

DUMONT

Red hair, Blonde Hair or Brunette

WELLS

Blonde Hair

DUMONT

Be grateful it wasn't the redhead.
I had an affair with the Blonde,
while the Red Head thought we were
still dating

SHERIFF

What you don't remember their
names?

DUMONT

I remember all of their names I
have an photographic memory. After
a misunderstanding involving a
crime boss, his girlfriend, wife
and niece...I prefer to go by hair

(MORE)

DUMONT (cont'd)
color and were I may have been at
the time. It's a great deal safer

SHERIFF
Am I going to have a problem with
your zipper and the women in this
town?

DUMONT
I'm getting too old to be having
that problem

SHERIFF
Give him back his
things...Left-Tenant Col...go get
cleaned up and back here...either
suit and tie or uniform. We'll
have yet another set of valid
credentials ready for you when you
get back

DUMONT
More shiny things

FADE OUT

INT. SHERRIF'S OFFICE - MORNING

FADE IN

Dumont has just picked up his things and is about to walk
out when the local tow truck operator and resident Alien and
Conspiracy chapter president Harland rushes into the office

HARLAND
I told you they're here...I just
found their shuttle
pod...disguised as a jeep grand
Cherokee. There I was just hooked
it up for towing cause it had a
ticket on it. When bam it done
shot out a lighting beam and
killed my truck. I barely got out
of there alive

WELLS
(Looking at Dumont)
Left-Tenant Col would that happen
to be your vehicle?

DUMONT

Yes

HARLAND

He's an alien - arrest him before
he takes me to the mother ship and
anal probes me

WELLS

You're not an Alien are you
Left-Tenant Col?

DUMONT

Not an illegal alien anyways

HARLAND

Are we all gonna die with anal
probes in us?

DUMONT

Do I look like an Alien?

Dumont pulls out one of the credentials and holds it in front of
him

DUMONT

Left-Tenant Col Gabriele Dumont
NSA, your new deputy

HARLAND

That says FBI

Dumont turns the badge around and looks at the FBI badge

DUMONT

I should get around to marking
these things

SHERIFF

Or you could just stop carrying
them...Harland have a seat, I'll
be right with you. Dumont go get
changed

FADE OUT

EXT. DUMONT'S VEHICLE - MORNING

FADE IN

Harland is hesitantly walking up to his broken tow truck as
Dumont is working on getting it running

HARLAND
So you ain't an alien

DUMONT
No

As he finishes tightening a belt in Harland's tow truck

HARLAND
So what did ya do to my truck?

DUMONT
My vehicle has...sophisticated
anti-theft devices. When you
raised the front of my truck up,
it set off an EMP that killed your
truck

Dumont reaches in through the window and starts the tow
truck

HARLAND
What did you do?

DUMONT
Replaced the battery and the
alternator

HARLAND
Really cause this old heap has
never run better...where did you
get the parts at this time of
morning?

DUMONT
Turn around

Harland turns around to see automotive parts company with
open sign in the window

HARLAND
I always wondered what time they
open. At the station they called
you Left-Tenant Col, shouldn't you
be called Lt Col?

DUMONT
Americans...I'm tired of
explaining that. You're one of
the few countries in the world
that mispronounces the rank, Even
non-speaking English countries
pronounce it Left-Tenant

HARLAND

I don't know about them English speaking countries...I speak American not English...does this mean you ain't American?

DUMONT

Nor am I an illegal alien

As Dumont closes the back door of his Jeep Cherokee, climbs into the drivers seat and drives off

HARLAND

Now I gotta go read a book to make sense of what he just said

FADE OUT

INT. SHERRIF'S OFFICE - DAY

FADE IN

Dumont enters the station in combat uniform wearing a black beret with an unfamiliar cap badge and rank that doesn't make sense to most of the people in the station

JANE

Hi, you must be Left-Tenant Col Dumont, I'm Jane, sorry Deputy J Wells, The other Wells is my brother

DUMONT

Hello Deputy J Wells, I've met your brother already...you're much better looking

JANE

Why thank you...I'm not really all the familiar with military ranks, those two bars and thin one they look like navy rank. Are you in the navy?

DUMONT

No Jane...I'm in an Army

Jane was about to say something when the Sheriff opens the door to his office and shouts

SHERIFF

Dumont get in here

DUMONT

I guess I'll see you in a bit

Dumont turns and walks into the office

JANE

That's one good looking soldier

DEPUTY

Yeah he is kinda pretty...If I was girl, which I'm not...I'd find him very attractive

INT. SHERIFF'S OFFICE - DAY

FADE IN

Dumont closes the door and waits for the Sheriff to say something

SHERIFF

Left-Tenant Col, please have a seat

Dumont sits in the seat in front of the Sheriff

SHERIFF

What am I supposed to do with you?

DUMONT

I have no idea

SHERIFF

You NSA file is of no use

The Sheriff opens the file and pulls up the first page that has words cut out of it

SHERIFF

They didn't just copy your file and black out the words...they cut them out as well. I didn't think anyone did that anymore. The only useful thing in here is your financial records. Are you really being paid that much

DUMONT

I really have no idea, it all gets deposited to a bank account. Until I was sent here I never had to pay for anything

SHERIFF

You do know we can't afford you?

DUMONT

It's a good thing you're not
paying me

SHERIFF

As long as we both agree on that.
Now for some idiot reason I can't
get one single file for everything
you've done and worked with.

The Sheriff pulls out the large number of forms Wallenburg
left him

SHERIFF

You have allot of paperwork to
do...get to work

DUMONT

Wallenburg...maybe I should have
slept with his sister

SHERIFF

close the door on your way out

Dumont is turning the door handle the intercom on the
Sheriff's desk blurts to life

JANE

Sheriff Mathilda May is going
crazy about losing her dog

SHERIFF

I'll get someone right on
that...Paperwork can wait. Grab a
deputy and go help Mathilda May
find her dog...just not Jane,
something tells me you still might
have a zipper problem

EXT. SHERIFF'S OFFICE - DAY

FADE IN

Dumont is leaving the station with Wells who looks like he
would rather be elsewhere

WELLS

Left...Col squad car's this way

DUMONT
I'm not getting in that thing

Dumont turns off the Alarm on his Jeep and walks towards it

DUMONT
Let's go find a dog

INT. DUMONT'S VEHICLE - DAY

FADE IN

Wells is sitting in the passenger seat looking at the stock interior of the Jeep

WELLS
Why don't we just take the
authorized police vehicle

Dumont touches a non-descriptive button, a police alarm blares out followed by flashing red and blue lights

WELLS
Other than the radio I'm carrying
we don't have a radio

Dumont opens the console, pulls out some Cd's then sticks his hand in it. Then suddenly the police band is coming out of all the speakers

WELLS
Database terminal

DUMONT
It's in the trunk...I still have
to install it. So much for my
carefully orchestrated stock
interior

WELLS
You have the terminal in your
trunk?

DUMONT
Yes a parting gift from the
NSA...they expect me to be here
for a very long time. So where is
this Mathilda May?

INT. DUMONT'S VEHICLE - MORNING

FADE IN

They are driving down the road Wells has been guiding him

WELLS

You have a spy car, but no GPS?

DUMONT

I have a photographic memory, why would I need GPS. And this isn't a spy car, MI6 took that away from me. I just don't like it when someone steals my vehicle

WELLS

You're kidding about the MI6 thing...right

Dumont looks over at Wells

DUMONT

Yes I was....mother fucker

Dumont pulls the vehicle quickly over to the right and stops abruptly

DUMONT

Are you wearing your Vest?

WELLS

This is Henry's Mill why would I need a vest, what's going on?

Dumont steps out of the jeep, opens the back door. first pulls up the folded seat, under it are two bullet proof vests, one his military issue and the other one a NYPD issue

DUMONT

Let's get some weapons

WELLS

For what?

Dumont puts everything back in place, goes to the back opens the hatch, sticks his key in the lock, a door pops open, then he unlocks the sliding door to reveal four rifles, one FNClA1 (his official service rifle) two modified close combat FN's and a sniper rifle. Along with pistols, ammo, grenade, first aide kit, a rucksack and what may be claymores

DUMONT

I'm not a big fan of shot
guns...ever fired a real rifle

As he pulls out one of the modified FN's, breaks it inserts the breech block, closes it and hand it and the vest to Wells. then repeats the same thing with the other modified weapon

DUMONT

Let's go

WELLS

Go where?

Dumont looks at him, shakes his head and walks towards the trees. Wells follows him trying to balance putting the vest on while carrying the rifle. Not noticing that where the trees are at the lowest is a massive field of pot

INT. SMALL TRAIL - MORNING

FADE IN

Wells has caught up to Dumont who is kneeling on the trail in front of them. Wells is about to say something when Dumont motions him to stop. Then Dumont walks into the woods and comes out with a double barreled sawed off shotgun hands it to Wells then walks into the other side, and then also comes out and hands Wells another sawed off

DUMONT

I didn't have to give you a rifle,
now you have two shotguns

As Dumont puts the claymore he just disarmed next to the other claymore sitting on the ground.

WELLS

What the hell...

DUMONT

How could you have missed that
massive pot field, that's why I
pulled over

WELLS

Yeah...I saw it. Maybe we should
call for backup

DUMONT

If we were in a gang controlled
territory I would agree with
you...besides we have some backup
just ahead

FADE OUT

EXT. EDGE OF THE TREE LINE - MORNING

FADE IN

Wells is standing with the rifle slung and holding sawed
off's in each hand when he feels like someone is watching
him. He turns his head and there is a bear sitting there
staring at him

DUMONT

I see you've met Marco...here's
Polo

Another Bear shambles up and sits next to Dumont

WELLS

what the...

DUMONT

It's not magic...it's MRE's. They
love em...me if I have too

Wells looks down and Marco is licking the inside of a MRE's
that Dumont sliced open and gave it to.

DUMONT

Let's go visit the neighbors shall
we

FADE OUT

EXT. FARMHOUSE - MORNING

FADE IN

Wells is standing by the edge of the field as Dumont
casually walks up to the door of the house and opens it for
the two bears to go inside

WELLS

this guy is a certified nut job

Wells runs up to Dumont who is headed to the back door

WELLS

How fucking crazy are you?

DUMONT

Marginal...that's all anyone has
ever told me...you do know how to
use the rifle

WELLS

It's a rifle of course I know how
to use it

By the time they get to the back of the house the occupants
have realized there is actually two bears in their living
room as they run out the door to be arrested by Dumont and
Wells

FADE OUT

INT. FARMHOUSE - MORNING

FADE IN

Two stoned farmhands are sitting with their back to the
doors, windows open, watching re-runs of Dogg The Bounty
Hunter on a giant flat screen television. A third stoned
guy can be seen in the kitchen trying to cook something only
not really sure of what it is

there is a scratching sound coming from the door, one seems
to hear it only he thinks it's the other guy scratching
himself. When suddenly Marco and Polo walk into the house
looking for food to eat.

FADE OUT

INT. SHERIFF'S OFFICE - AFTERNOON

FADE IN

Falsen was trying to get back to his daily paperwork and not
trying to figure out what was left in Dumont's NSA file that
did seem to make sense when Jane enters

JANE

Sheriff...about Col Dumont and
James going out to Mathilda May's

SHERIFF

What about it?

JANE
They didn't quite make it
there...yet

SHERIFF
What do you mean?

JANE
Well they kind of busted a 5 to 20
acre pot farm

SHERIFF
I guess we might be getting that
new squad car after all

FADE OUT

EXT. FARMHOUSE - AFTERNOON

FADE IN

The Sherrif pulls up and Wells is standing guard on nine men
and the bears are having a really good time in the house
after devouring a pot stash

SHERIFF
Where is Dumont?

WELLS
Picking....

There is a sudden burst of machine gun fire with two single
return shots, something explodes and then you can hear
people screaming

CRIMINAL
(1)
You shot me...god damnit you shot
me

WELLS
Picking up stragglers...you know
he's certified right?

SHERIFF
Unfortunately he's now our
certified lunatic

A few minutes later four men come walking out from behind
the barn, one holding a hand on his arm where the bullet
grazed him, two who are holding each other up and look like

they just got blown up and a fourth one who looked like he jumped in the manure pile

DUMONT

Afternoon Sherrif...So Deputy are you sure you do know how to use that rifle

Wells just looks at him and suddenly a truck bursts out of the barn and races towards them. Wells pulls up the rifle and fires and nothing happens. Dumont casually turns around and fires his, causing the driver to overreact and smash into a concrete block and launch the passenger through the windshield

DUMONT

first you have to load the weapon

Seven of the criminals hear that and get angry

DUMONT

Sherrif is there a reason you brought the whole department with you

Falsen turns around to see every deputy on duty and off duty in the driveway to the farmhouse

SHERIFF

You did something really good...don't ruin it by talking about second slices of pie and wanted fugitives

FADE OUT

INT. LOCAL CAFE - AFTERNOON

FADE IN

Two wanted criminals are sitting at a booth eating a second slice of pie, while a dogg like bounty hunter watches them from the parking lot

FADE OUT

EXT. MATHILDA MAY'S - AFTERNOON

FADE IN

Dumont and Wells have pulled up Mathilda May's house and are getting out of the jeep

WELLS

So why is it that you didn't want to wait around for the ATF and DEA guys

DUMONT

DEA, that misunderstanding has been resolved. ATF well there's still alot of tension with them

WELLS

Is there anyone you haven't pissed off?

DUMONT

Now you sound like my ex-wife

WELLS

You have an ex-wife

DUMONT

She told me we're divorced, I've never recieved any paperwork

Dumont reaches for his badges as Mathilda May opens the door, he' looking at Wells when he holds up the badge

DUMONT

Left-Tenant Col Dumont NSA
attached to the Sherif's office

he stops when he see's Mary

MATHILDA MAY

Now aren't you a tall drink of water...and that badge says ATF and it sure isn't you

DUMONT

Hello Mary

MATHILDA MAY

It's been along time since I've seen a Canadian Soldier let alone an Officer...are you here to help me find Dogg?

WELLS

You're Canadian?

DUMONT

I thought the flag on my shoulder
would give me away, not to mention
the word "Canada" under my rank
insignia

DUMONT

So when was the last time you saw
your Dogg

FADE OUT

INT. MATHILDA MAY'S HOUSE - DAY

FADE IN

The house is immaculate, around the television there is just
short of a shrine to Dogg The Bounty Hunter. As Dumont
talks to Mathilda May Wells notices stacked neatly on the
table are all of Mary's degree's, doctorates and certificats

DUMONT

Mathilda May...do you know me?

MATHILDA MAY

Why you're that handsome officer
that's come to help me find my
Dogg

DUMONT

Ma'am have you ever been to
Europe?

MATHILDA MAY

I've never been out of the county
let alone out of the country

DUMONT

Does the name John Hopskins mean
anything

MATHILDA MAY

I am not familiar with the
gentleman

DUMONT

When was the last time you saw a
doctor?

MATHILDA MAY

Why would I? I'm as fit as a
fiddle

DUMONT

Ma'am what year is it?

MATHILDA MAY

Why it's 1979 of course

DUMONT

I would like to take you to the hospital

MATHILDA MAY

I'm not going to the hospital, people only go to the hospital to die. And I certainly am not dying

DUMONT

You definitely are not dying...Dogg is, that's were we will find him

MATHILDA MAY

Oh my lord...I'll just grab a few things

She grabs somethings and rushes out to the jeep

DUMONT

Search the house, find all her certificates, photos and bring them to the hospital

WELLS

why would I do that?

DUMONT

Once you read them you'll know why

FADE OUT

INT. MATHILDA MAY'S HOUSE - EVENING

FADE IN

Wells is looking through the impressive pile of certificates all with the same name Mary Ann Stranton. Wells turns on his radio and speaks

WELLS

Jane are you in the office

JANE

I am, and it's crawling with ATF
and DEA

WELLS

Great, anyways I need you to run a
name for me

JANE

Okay

WELLS

Mary Ann Stranton. Siera Tango
Romeo Alpha November Tango Oscar
November. And send someone to
pick me up at Mathilda May's

JANE

Where's the Col?

WELLS

He took Mathilda May to the
hospital...apparently he knows
her. Did you know Dumont is
Canadian?

JANE

It was obvious, underneath his
rank said Canada and he has a
Canadian Flag on his shoulder

FADE OUT

INT. HOSPITAL ER - HENRY MILLS - EVENING

FADE IN

Mary Ann is hesitantly and scared sitting on a chair in the
waiting room. Dumont is at the desk talking to the nurse

DUMONT

Left-Tenant Col Dumont NSA

TOWNS FOLK

(Nurse)

That badge says your FBI

DUMONT

Fine, the woman behind me...you
have to admit her, for a psych
eval

TOWNS FOLK

(Nurse)

We all know Mathilda May is crazy,
you don't need an eval for that.

DUMONT

Her real name is Dr. Mary Ann
Stranton. board certified
surgeon. Mathilda May was her
great aunt who died in 1979...ask
her what year it is

the nurse hesitantly walks over to Mathilda May

TOWNS FOLK

(Nurse)

This might seem like a strange
question, Mathilda May what year
is it?

MATHILDA MAY

Of course I do, child. It's May 24
1979. I do hope President Carter
gets re-elected. Can I go see
Dogg now

FADE OUT

EXT. MATHILDA MAY'S HOUSE - EVENING

FADE IN

Wells is sitting on the steps to the house when Falsen
drives up

WELLS

I'm surprised to see you picking
me up Sheriff

SHERIFF

I can't handle being in the
station right now, it's three ring
Fed circus in there

WELLS

Jane said it was crawling with ATF
and DEA

SHERIFF

You can add the FBI to that circle
jerk, now. This is what Jane was
able to find on Mary Ann Stranton.

Falsen hands Wells a folder, Wells opens it and the first thing he see's is Mathilda May

SHERIFF

Look familiar?

WELLS

Yes

SHERIFF

She's a board certified surgeon with former ties to the D.O.D., Went missing 6 years ago, a year after she buried her husband. A colleague reported her missing. Guess when Mathilda May arrived?

WELLS

Six years ago

SHERIFF

Let's go and try to keep this one off the radar...last thing I want is more feds turning up asking even dumber questions

WELLS

Works for me...Did you know Dumont is Canadian?

SHERIFF

Of course it was the first thing in his file, plus the word "Canada" is right under his rank and there's a Canadian Flag on his shoulder

FADE OUT

INT. HOSPITAL ROOM HENRY'S MILL - EVENING

FADE IN

Mary is sitting angrily on her bead, with Dumont next to her

MATHILDA MAY

I really don't like needles...why they had to steal some of my blood I have no idea...when are we going to see Dogg

DUMONT

You don't remember me at all?

MATHILDA MAY

You are a beautiful drink of water, it pains me to say I don't remember you

DUMONT

Do the words Bosnia, Brussels, Nuremburg mean anything to you?

MATHILDA MAY

I ain't never heard of no Bosnia, Brussels like the sprouts, I love Brussel Sprouts...Nurmenbrug that's were they tried all those Nazi's after the war right?

DUMONT

Yes

MATHILDA MAY

Well I ain't waiting any longer if they don't take me to see Dogg, I'm just gonna find him myself

Dumont was about to say something when the Nurse walks in carrying a tablet

TOWNS FOLK

(Nurse)

It's okay Mathilda May, I have Dogg right here for you

The Nurse taps the screen and the open credits for Dogg The Bounty Hunter start, Mary takes the tablet and smiles

MATHILDA MAY

there you are, they said you were hurt...I knew you weren't

Mary relaxes and sits back watching the screen

FADE OUT

INT. HOSPITAL ROOM HENRY'S MILL - EVENING

FADE IN

Dumont is standing at the door with the Doctor watching Mary

DUMONT

Any ideas?

TOWNS FOLK

(Doctor)

Well with what we can test for right now...nothing. So she is a surgeon?

DUMONT

Alot more than that, she was a prodigy. I first met her in Bosnia, she was 16 and performed a miracle. She saved my life with a scaple, tweezers, a needle and thread. When she got me to the field hospital she spent another 11 hours pulling metal out of my body

TOWNS FOLK

(Doctor)

Where was that?

DUMONT

Bosnia 1992, I was still with N.A.T.O. Covert Ops...Sorry Intellegnce, N.A.T.O. never officially had covert ops. My assignment went south. She found me on the side of road.

TOWNS FOLK

(Doctor)

I was with the Marines in Bosnia. I remember her now, one of my men had a crush on her

DUMONT

That would have been Phillip...he died seven years ago

FADE OUT

INT. HOSPITAL ER - HENRY MILLS - EVENING

FADE IN

Dumont is approaching Falsen and Wells talking to the Doctor

TOWNS FOLK

(Doctor)

So they got married?

DUMONT

Yes, she made work for it though.
First thing she said to him was "I
won't date..."

TOWNS FOLK

(Doctor)

A Marine" We always thought he
would be a lifer, then suddenly he
put in his papers

SHERIFF

So Left-Tenant Col anymore crazy
women that we should be worried
about?

DUMONT

Only my ex-wife and I haven't seen
her in 11 years...and that was one
grade A crazy bitch. The sex was
great everything else pure
nightmare

WELLS

Thanks for sharing...here's what i
could find

As he points to the two boxes filled with Mary Ann's life

SHERIFF

And this is what we could did up
on her as well

TOWNS FOLK

(Doctor)

Hopefully we try to figure out how
to safely use it to bring her back

DUMONT

Thank you doctor, I'll come check
on her later. If it's okay

TOWNS FOLK

(Doctor)

Well it can't hurt at this point

SHERIFF

In the mean time you two have to
go give statements to the Feds
infesting my office

FADE OUT

INT. SHERRIF'S OFFICE - EVENING

FADE IN

The station is crawling with ATF, DEA, FBI, and so many suits that it's pure chaos. Sitting on the edge of desk is middle aged ATF agent speaking to a DEA agent with his back turned to them. Dumont stops and pulls all the ID's out of his pockets and finds the ATF ID that belongs to the man sitting on the edge of the desk

DUMONT

Hi Fred, you were right I do have
your ID

He hands Fred the ID, Fred looks at it then at Dumont. Fred stands up and clocks Dumont and tries to beat the crap out of him

FRED

You mother fucker...she was my
wife...cock sucker

people are either getting out of the way or trying to pull them apart. Eventually the Sherrif just pulls out his side arm and fires it into the ceiling

SHERIFF

Enough, there is serious work to be done here and you people are already pissing me off. I really don't care what your problem with Left-Tenant Col Dumont is the sooner you get done what you have too...the sooner you get the hell out of here

DUMONT

How was I supposed to know...she was way to hot to be married to you

FRED

Mother fucker

Wells holds Fred back

WELLS

Hey look here...I just met him and
already I want to beat the crap
out of him...so I know how you
feel

FRED

This isn't over Dumont...somebody
take his damn statemnet

FADE OUT

INT. HOSPITAL - HENRY'S MILL - NIGHT

FADE IN

The Night Security Guard is doing his rounds and finds Mary
standing outside a patient room reading a chart

TOWNS FOLK

(Security Guard)

Mathilda May...what are you doing?

MATHILDA MAY

I'm doing rounds...who's Mathilda
May? It's Doctor Stranton

TOWNS FOLK

(Security Guard)

AGENT WALLENBURG (cont'd)
I know I'm missing something...

SMITH
Your attention to detail is
commendable Agent Wallenburg

AGENT WALLENBURG
Director Smith...the whole Dumont
thing set me back and security
analysis can't wait after all the
bad guys don't take breaks

SMITH
Well, I was going to wait until
the morning to tell you, we've
promoted you...Unfortunately I
have to be in Washington for 8 am.
So I thought I best let you know

AGENT WALLENBURG
Thank you sir, I wasn't expecting
a promotion. I love what I do
right here

SMITH
That's not a problem, you're stay
right where you are. The promotion
is to assist liaison

AGENT WALLENBURG
I'm an analyst...I deal don't
deal with assets

SMITH
Relax Wallenburg you have one
asset to deal with

AGENT WALLENBURG
It's not Dumont is it?

SMITH
No

AGENT WALLENBURG
Thank god...who is it?

SMITH
It's Sheriff Falsen of Henry's
Mill. When he asks for anything,
if it's within the boundaries of the
Law, you are to provide it to him

AGENT WALLENBURG

What about Dumont he's an NSA
field agent

SMITH

Dumont...he's on loan and has
nothing to do with this

AGENT WALLENBURG

What's so important about middle
of the nowhere Henry's Mills?

SMITH

Wallenburg you are one of our best
anyalists...it shouldn't be too
hard to figure that out

FADE OUT

INT. HOSPITAL ER - HENRY MILLS - NIGHT

FADE IN

The security guard has managed to get Mary back to the ER,
while they are locating the doctor she is looking over the
charts of one of the patients.

TOWNS FOLK

(Doctor)

Dr. Stranton it's nice to meet
you. If you have a moment there
is something I would like you to
see

MATHILDA MAY

Certainly, by the way, why am I
here. None of these patients are
in serious need of my skills?

TOWNS FOLK

(Doctor)

Do you recognize anyone in this
photo?

The Doctor hands her a framed photo of his unit, front row
is Phillip. Mary looks at, then like a light switch flips
out comes Mathilda May, full southern accent and 100% bigger
than life Drama

MATHILDA MAY

There you are Doctor, my you were
a handsome young officer, your
still very attractive. If I was a

 younger woman...

TOWNS FOLK
 (Doctor)
 I know a man is not supposed to
 ask a lady how old she is...you
 look very young for your age...how
 old are you?

MATHILDA MAY
 I often hear that, it flatters me
 every time...I just turned 89, my
 great grand niece turns out see's
 a prodigy. I can't wait for the
 next family reunion

FADE OUT

INT. BAR - HENRY'S MILL - NIGHT

FADE IN

Dumont is sitting at a table filling out the impressive
 stack of forms Wallenburg left for him, when Fred sits down
 across from him

FRED
 I loved her

DUMONT
 And I made a mistake...I didn't
 know she was married

FRED
 It's my fault...I should have
 known better. You should have
 heard some of the reasons she gave
 for forgetting her wedding ring at
 home

DUMONT
 When did you realize, was it when
 you found my NYPD ID?

FRED
 No I beleived her story, I don't
 know why...no it was when I
 started pissing blood

DUMONT
 Sorry to hear that

FRED
 Consolation for me, is that at
 least she gave you the same
 STD...I'm going to find some place
 to eat around here

As Fred gets up to leave the server brings over the food
 Dumont had ordered

TOWNS FOLK
 (Server)
 Her you are Sir, one house special

Dumont and Fred look down at the greasy mess of local
 cuisine

FRED
 What is that?

TOWNS FOLK
 (Server)
 It's the house special, best
 catfish in four counties.

FRED
 Enjoy the local cuisine

Fred is all smiles as he exits the bar as Wells is entering

WELLS
 that's more civil of you two...I
 would have expected a bar brawl in
 progress

DUMONT
 You just might, like when he finds
 out the only place to get food in
 town after 9pm is here and one
 moment

Dumont pulls out his cell, dials Fred and waits

DUMONT
 Hi Fred...on thing you should
 know...You ex-wife never gave me
 an STD...I've never had an STD

WELLS
 You don't stop do you?

DUMONT
 Who Fred...I hate him. This is
 just far too easy

WELLS

You are an insane disaster tearing up everywhere you go. You've been in town less than 24 hours, been locked up in jail with a person we can't even acknowledge was in our Jail, busted a major grow op in our back yard, found out Mathilda May is not who she is, and gotten in a fist fight with an ATF agent

DUMONT

It's going to take me some time to get used to this slower pace of life

WELLS

Are you completely fucking insane?

Dumont stops, thinks and responds

DUMONT

No ones ever been able to say one way or another, the last tests...all they could say was marginal...how do you eat this without it getting all over everything?

FADE OUT

INT. PUB - BY WALLENBURG'S HOUSE - NIGHT

FADE IN

Wallenburg walks into his favorite pub that is exactly 3 mins and 28 seconds from his front door

BARTENDER

Hey Wally aren't you up a little late for a school night

AGENT WALLENBURG

(Sitting down)

I need a drink

BARTENDER

On a school night?

AGENT WALLENBURG

I've already called in sick...make it a triple

BARTENDER

Wow...this is worse than when you first had to deal with that crazy Canadian

AGENT WALLENBURG

you have no idea...At least i got a promotion and a pay raise

BARTENDER

Shouldn't you be celebrating that?

AGENT WALLENBURG

I'm definitely celebrating something...

FADE OUT

INT. FALSEN'S HOUSE - NIGHT

FADE IN

Falsen is tired, it's been a long day and he just wants to relax and go to bed. He sits down in his favorite chair and turns on the TV and the news program. The announcer is speaking "Today ATF and DEA agents successfully took down a major marijuana operation in Henry's Mill worth millions in the drug trade we now go to the ATF spokes person..." as he turns off the TV

SHERIFF

I guess I can kiss that new squad car goodbye

FADE OUT

INT. SHERIFF'S OFFICE - NIGHT

FADE IN

Dumont is dropping off the completed paperwork at the Sheriff's office. Jane and another deputy are filing and filling out reports and other paperwork

DUMONT

I thought I was the only one working late tonight

JANE

Good evening Col, with all the chaos we got behind on everything

DUMONT

I can understand that...where is the outgoing mail. I have to get these out first thing in the morning

DEPUTY

Normally it would be over there in the corner, except them ATF fellas used it as garbage bin.

JANE

It's in the mail room

DUMONT

If you have a mail room...why was the outgoing mail over in the corner?

JANE

Until tonight we didn't know we had a mail room

DEPUTY

We even have a postal worker in there. And I thought he was the janitor

JANE

He is the janitor

DEPUTY

that don't make sense how can he be the janitor and a postal worker?

DUMONT

Never mind...when does the post office open?

DEPUTY

Well Max used to open it at 7 am on the dot, then he retired and the new guy Tyrel well he's always late...sometimes he doesn't open until 7:15 and he always closes early too.

FADE OUT

INT. HOSPITAL ROOM HENRY'S MILL - NIGHT

FADE IN

The Doctor is getting ready to go home for the night when Dumont enters the ER

TOWNS FOLK

(Doctor)

Good Evening Left Tenant Col

DUMONT

ER's open 24/7 and the Doctor's
always on call

TOWNS FOLK

(Doctor)

That's what happens when you live
across the street in a small town,
they send the ambulance, call me
and I'm here waiting for the
patient.

DUMONT

It is it okay if I go see her?

TOWNS FOLK

(Doctor)

Well she's finally sleeping, so I
don't see anything wrong with it.
Besides having another set of eyes
around would be good, especially
if she starts doing rounds again

The Doctor exits, and Dumont goes into the room with Mary,
puts the envelopes with all the forms on the table. He goes
over to where Mary is sleeping, looks at her

DUMONT

Of all the places I've looked for
you in the last six years...this
is the last place I would have
expected to find you.

THE END
