IT HOWLS
By Alex Wasowicz
EXT. FOREST - DAY

JENNY (24), wearing a TANK TOP and PANTIES drenched in BLOOD, runs for her life!

Autumn tree branches whip past her face!

She breathes hard. Sweat pours.

SOMEBODY
(distant scream)
Aaaagghhhhh!

She grimaces and presses on.

Fights through thick underbrush.

SNAP! -- A branch snags her NECKLACE!

She gasps! Turns back--

Searches, but can’t find it!

CLOSE ON the mystical LOCKET and broken chain.

She grabs it! -- Keeps running!

Follows a GAME TRAIL up a steep hill.

Reaches the top, exhausted.

SOMEBODY (CONT'D)
(distant scream)
Aaaagghhhhh!

Terrified, she keeps running!

The trail ends at a wide clearing.

She notices something unusual at the far side:

HER POV: A sturdy DEER BLIND (hunter’s tree house) built high in an ancient oak.

She races to it!

INT. BLIND - DAY

TRAVIS (27), wearing CAMOUFLAGE, watches her from the window.
TRAVIS
What the buck?

EXT. FOREST - DAY
She sees him.

JENNY
Help!

She sprints to the tree and scrambles up the ladder.

INT. BLIND - DAY
He helps her inside--

She slams the trap door shut and collapses, panting, hysterical.

TRAVIS
Who the hell are you?

GIRL
Something’s out there!

TRAVIS
Why are you covered in blood?

GIRL
A monster! It was chasing me! It killed my friends!

She cries.

He’s confused.

She notices his RIFLE--

JENNY
Oh thank God you have a gun!

He gets nervous.

TRAVIS
Hold on here, random girl. My brain is about to explode. Where’d you come from? How’d you get here?

She tries to catch her breath.
JENNY
We were camping. This thing attacked us!

She cries miserably.

TRAVIS
Okay, okay. Calm down.

He awkwardly rubs her shoulder.

She dries her tears and calms down a little.

TRAVIS (CONT’D)
A monster, huh?

She nods.

TRAVIS (CONT’D)
Sure it wasn’t like a bear?

She shakes her head.

TRAVIS (CONT’D)
You’re not sure?

She hits him!

JENNY
It was a goddamn monster!

TRAVIS
Okay okay! Geez!

He grabs his rifle and looks out the window.

She waits anxiously.

TRAVIS (CONT’D)
I don’t see nothin.

JENNY
(thinks)
It’s like a giant, uh, furry..

TRAVIS
(rolls eyes)
Yeah?

JENNY
It howls.
TRAVIS
Look, gorgeous. I don’t know what kinda bullshit you’re trying to pull, or what you been smokin. But I’ll be damned if--

THE BEAST (O.C.)
Aroooooo!

Travis drops his rifle!

He and Jenny exchange horrified looks!

TRAVIS
Jesus buck! What the buck was that?!

They cower, petrified.

TRAVIS (CONT’D)
Huh? Huh?

He peeks timidly out the window.

EXT. FOREST - DAY

HIS POV: No sign of danger..

INT. BLIND - DAY

Travis looks through the rifle scope.

TRAVIS
I still don’t see nothin.

JENNY
There!
(points)

TRAVIS
Where?

EXT. FOREST - DAY

RIFLE SCOPE POV: A FURRY BLUR flashes by!

A BULLET HOLE BLASTS through a TREE!

BANG! -- The GUNSHOT arrives a second later!
INT. BLIND - DAY

TRAVIS
Jesus buckin chrysanthemum!

He cycles the rifle -- CLICK, CLACK.

An empty .30 SHELL falls to the floor.

JENNY
Did you see it?

TRAVIS
I saw somethin. It was huge.

JENNY
I know.

TRAVIS
Fast sumbitch too.

He wipes sweat from his face and nervously looks through the scope.

Jenny tries to remain calm. She admires his concentration.

EXT. FOREST - DAY

THE BEAST’S POV: Watching the blind..

INT. BLIND - DAY

Travis locks the door with a PADLOCK.

He and Jenny exchange uneasy looks.

TRAVIS
(clears throat)
I’m Travis.

He awkwardly extends a hand. She awkwardly shakes it.

JENNY
Jenny.

TRAVIS
So, Jenny. Mind telling me what the buck’s going on here?
JENNY
I have no idea.

He nods understandingly, turns, and kicks the wall!

JENNY (CONT’D)
I--

TRAVIS
--Shut up!

She quails!

He opens a THERMOS and drinks from it.

TRAVIS (CONT’D)
Man! I can’t even believe this is happening.

She eyes the thermos.

He offers it to her.

JENNY
What is it?

TRAVIS
Vodka.

She declines.

He takes a good look a her.

She’s self-conscious.

JENNY
I have a boyfriend.

He nods and takes another drink.

JENNY (CONT’D)
Wait. No I don’t. He’s dead.
(tears)
He’s dead! They’re all dead!

She weeps..

He almost believes her..

Suddenly she grabs him by the scruff and stares into his soul!

Her eyes tell the story..
EXT. CAMP - DAWN (FLASHBACK)

Three TENTS, slashed and BLOOD-drenched! A mangled CORPSE lies in the FG!

INT. BLIND - DAY

Travis reels, speechless!
Jenny wipes her tears and collects herself.
They awkwardly avoid eye-contact..

   JENNY
   You got a cell phone?

   TRAVIS
   Yeah. But I never get service out here.

He finds his PHONE and turns it on.

   TRAVIS (CONT'D)
   Nope. No dice.

He holds it in various directions..

   TRAVIS (CONT’D)
   It ain’t happenin.

She stares hopelessly out the window..

   JENNY
   What do you think that thing is?

   TRAVIS
   (shrugs)
   I just saw a blur. You get a good look at it?

She tries to remember--

INT. TENT - DAWN (FLASHBACK)

A mad blur of FANGS, FUR, CLAWS and BLOOD!

INT. BLIND - DAY

She shakes her head, disturbed.
JENNY
It’s a monster. Straight up. Monster.

He wishes he didn’t believe her.

TRAVIS
Whatever it is, I’m gonna kill it, cook it, and eat it. Mark my words.

She enjoys his confidence.

He finds his CIGARETTES and smokes.

Offers her one, but she declines.

He stares out the window.

She stares at her locket.

TRAVIS (CONT’D)
What’s that?

JENNY
Oh, just.
(lying)
Some old trinket.

TRAVIS
Can I see it?

She reluctantly hands it to him.

He admires it.

TRAVIS (CONT’D)
Aw. The chain’s broken. But it’s an easy fix.

He positions the broken chain links between his teeth, and bites down.

Jenny nervously bites her fingernails.

TRAVIS (CONT’D)
There. Good as new.

He shows it to her, fixed!

She’s thrilled!

TRAVIS (CONT’D)
Turn around.

She does. He fastens the locket around her neck.
She clutches it thankfully.
He smiles proudly.
She examines his handiwork.
He chain-smokes another CIGARETTE.
She watches him with newfound admiration.

JENNY
Can I get a drag?

He hands her the cigarette. She smokes like a veteran.

JENNY (CONT’D)
You roll these yourself?

TRAVIS
Yes ma’am.

JENNY
Spicy.

She takes another healthy drag and hands it back--
As their fingers brush, they each feel the chemistry.
She rubs GOOSEBUMPS on her arms.

TRAVIS
Chilly, huh?

She shrugs it off.

TRAVIS (CONT’D)
How bout we shoot this so-called monster, and call it a day?

He tosses the cigarette out the window, grabs his rifle and resumes the watch.

JENNY
Amen.

DISSOLVE TO:

Travis wearily puts down the rifle and stretches.

TRAVIS
No sign a nuttin nowhere.

JENNY
You think it’s gone?
TRAVIS
Nah. It’s waitin for us. I know it.

Jenny plays nervously with her locket.

Travis smokes another CIGARETTE.

JENNY
We can’t stay up here forever.

TRAVIS
Hell no. When the sun sets it’s gonna get colder than Hillary Clinton’s titties out here. They said it might snow.

JENNY
Oh great.

He nods gravely.

JENNY (CONT’D)
What options are there? Besides waiting?

TRAVIS
(thinks)
You could go down there and act as bait. Then, soon as the monster--

JENNY
--What? No way!

TRAVIS
Let me finish.

She begrudgingly awaits his plan.

TRAVIS (CONT’D)
Soon as it shows itself, boom! I’ll pop em like Orville Redenbacha!

JENNY
You’re not serious.

He’s serious.

JENNY (CONT’D)
What if you miss?

TRAVIS
Me miss? Girl, you talkin crazy.

She glances at the spent SHELL on the floor.
TRAVIS (CONT’D)
That didn’t count. That was a warm-up.

JENNY
Right.

TRAVIS
Get ready.

He reaches for the door..

JENNY
I can’t. Sorry. I’m too scared.

TRAVIS
You’ll be straight.

JENNY
Nope. I’m not doing it.

TRAVIS
What if I make you?

He points the rifle at her!
She’s horrified!

TRAVIS (CONT’D)
Ha! Just joshin.

He grins and points the rifle away.
She musters a smile.

TRAVIS (CONT’D)
Guess it’s back to plan A.

He lights a CIGARETTE, goes to the window and resumes the watch..

Jenny has serious doubts.

DISSOLVE TO:

Jenny yawns -- Her breath FOGS in the cold air.
She notices her hard nipples poking through her shirt.
Travis notices too.
Jenny crosses her arms self-consciously.
They’re both embarrassed.
TRAVIS (CONT’D)
You must be freezing.

JENNY
Yep. Now I’m officially cold.

TRAVIS
Here. I got all kinds of old crap.

He brushes off a dusty LOCKER and rummages through it.

TRAVIS (CONT’D)
You’re gonna wanna insulate your extremities. I don’t see any socks. Dammit.

He tosses her some SWEATPANTS and a LONG-UNDERWEAR SHIRT, which she gratefully puts on.

JENNY
Ha! Perfect fit!

The clothes are big and baggy.

They exchange smiles.

TRAVIS
You need a hat. Half your body heat escapes from your head. Aha!

He throws her an orange STOCKING CAP.

As she puts it on, a SPIDER crawls out!

She screams!

Travis dives for his rifle!

TRAVIS (CONT’D)
Where?! Where?!

She points at the measly spider.

He can’t help but laugh.

She’s not amused.

He gingerly picks up the spider and tosses it out the window.

JENNY
Ew! I can’t believe you touched it!

He shrugs and keeps rummaging through the locker--
TRAVIS
Lantern. Hm. Rope. Towel..

Jenny checks her hat for more bugs before putting it on.

JENNY
How to I look?

TRAVIS
Hot. Sensational.

She laughs.

TRAVIS (CONT’D)
You could be a model for bum’s clothing.

She poses like a fashion model.

He notices how pretty she is.

She notices his admiration.

He keeps rummaging..

She smiles to herself.

TRAVIS (CONT’D)
No socks.

JENNY
Bummer.

She rubs her bare feet.

TRAVIS
You can have mine. I’m wearing two pairs.

He takes off his boots.

JENNY
Are they funky?

He smells a sock—

TRAVIS
Egk!

He pretend to die!

She laughs.

He shoves the sock in her face!
JENNY
Agh!
She squirms away!

TRAVIS
It ain’t even that bad.
She reluctantly smells it.

JENNY
No. It ain’t.

TRAVIS
Gimmie your foot.
He delicately puts his sock onto her foot.
She thoughtfully watches him.

JENNY
You’re like the Prince in Cinderella.
He doesn’t hear her. His attention is focused on the
BAR CODE TATTOO just above her ankle.

TRAVIS
And the other one.
She switches feet.
He puts the other sock on.
She lays a gentle hand on his shoulder.

JENNY
Thanks, Travis.

TRAVIS
No prob, babe.
He humbly reaches for his boots -- She stops him.

JENNY
Please. Allow me.
She puts his boots on his feet for him.
He thoughtfully watches her.

JENNY (CONT’D)
How tight do you want the laces?
TRAVIS
Tight.
She pulls them tight.

TRAVIS (CONT’D)
Tighter.
She yanks them extra tight--

TRAVIS (CONT’D)
(winces)
Ah!

JENNY
Sorry!

TRAVIS
No. It’s good.
He lays a gentle hand on her shoulder.

TRAVIS (CONT’D)
Thanks, Jenny.
They lock eyes. Sparks!
They both turn away, abashed.
He returns to rummaging through the locker--

TRAVIS (CONT’D)
He finds an ADULT MAGAZINE!
She giggles.
He stashes it, clears his throat and keeps rummaging.
Suddenly the WIND HOWLS!
They freeze!

TRAVIS (CONT’D)
It was just the wind. Right?
She nods.
They sit in grim silence..

DISSOLVE TO:

SHADOWS slide as TIME PASSES.
Jenny sits, cold and impatient. Travis keeps a vigilant lookout for the Beast.

DISSOLVE TO:

EXT. FOREST - DUSK
The SUN SETS as Travis wearily watches the forest.

INT. BLIND - DUSK

TRAVIS
There goes my daylight. If I don’t see this thing soon, I ain’t gonna see it.

JENNY
Then what?

He’s not sure. She’s worried.

He performs a quick function check on his rifle.

TRAVIS
(unsatisfied)
Hm.

He strips the bolt-carrier assembly.

JENNY
What do you do, Travis? Are you like in the Army or something?

TRAVIS
Nah, babe. I ain’t nobody.

He brushes and oils his rifle.

She puzzles over him.

TRAVIS (CONT’D)
How you holdin up?

JENNY
My feet are frozen.

She rubs her poor feet.

Satisfied with his weapon, Travis resumes the lookout.
They both hope for a miracle.

DISSOLVE TO:

It gets DARKER and darker outside..
Travis, frustrated and bleary, squints through the scope..
He rubs his eyes. He can hardly see anything.
Eventually he gives up.

TRAVIS
Dammit!

Jenny shares his defeat.
Travis fumes. He wants to break something!

TRAVIS (CONT'D)
Grragh!

He points the rifle at the wall--
BANG! -- A BULLET HOLE BLASTS through!
Jenny screams!

TRAVIS (CONT’D)
Shut up!

She cowers, terrified!
He throws the rifle down! Kicks it!
They avoid eye-contact..
He SMOKES and drinks..
They both think gloomy thoughts..

DISSOLVE TO:

INT. BLIND - NIGHT

Jenny rubs her feet, depressed.
Travis checks his cell phone..

TRAVIS
No service. And the battery’s low.

He turns to the window and casually undzips his pants!
Jenny isn’t sure how to react.

Travis URINATES out the window!

    TRAVIS (CONT’D)
    Yowzers! The coldness!

Jenny politely averts her eyes.

    TRAVIS (CONT’D)
    I shouldn’t be drinkin like I am in this weather.
        (drinks)
    Alcohol’s a vasoconstrictor, you know.

She doesn’t understand.

He checks his pulse.

    TRAVIS (CONT’D)
    It drastically exacerbates hypothermia.

    JENNY
    (confused)
    Oh. Right.

    TRAVIS
    Know what I’m sayin?

He hiccups and zips up his pants.

    TRAVIS (CONT’D)
    Better fire up that lantern.

CUT TO:

Travis lights the PROPANE LANTERN with a MATCH...

    JENNY
    How long will it last?

    TRAVIS
    (shrugs)
    Long time. Prolly not all night, though.

    JENNY
    At least it’s warm.

They warm their hands over it..

    JENNY (CONT’D)
    You think that monster’s still waiting for us?
TRAVIS (shrugs)
Wanna go check?

JENNY
Funny.

She stares at the floor..

JENNY (CONT'D)
Think it can climb trees?

TRAVIS
Beats me.

She stares at the trap door..

JENNY
How strong is that door?

TRAVIS
It’ll hold.

JENNY
What if--?

TRAVIS
--What if you shut your mouth? Geez. You’re grillin me like a hot dog!

JENNY
Sorry. I thought--

TRAVIS
--Shut up!

She quails.

He reigns in his temper.

TRAVIS (CONT'D)
I mean. Please. Be quiet.

She nods obediently.

He feels bad.

TRAVIS (CONT’D)
I..

They share a sympathetic glance.

He turns and stares out the window.
She idly fondles her locket.

DISSOLVE TO:

They both shiver and stare at the lantern.

Jenny’s teeth CHATTER.

TRAVIS (CONT’D)
This is some bullshit. We’re gonna freeze if we stay out here all night.

He suddenly unlocks the trap door!

She tries to stop him--

JENNY
Are you crazy?!

TRAVIS
To hell with it. I’ll take my chances out there.

JENNY
Don’t! Please!

He grabs his rifle.

TRAVIS
I’m going. There’s nothing you can do to stop me.

He throws the door open--

THE BEAST (O.C.)
Arooooo!

They both freeze!

Travis gulps and quickly re-locks the door!

TRAVIS
Dat settles dat.

She clings to him.

JENNY
How close was it? I couldn’t tell.

TRAVIS
I dunno. I just dunno.

He sits, defeated.
They share a tasteless CIGARETTE..

FADE TO:

Jenny shivers miserably.

JENNY
I’m soooo cold.

TRAVIS
Can you feel your toes?

She touches her toes.

JENNY
I can barely feel my fingers.

He shakes his head grimly.

TRAVIS
What a lousy streak of luck we’re having.

JENNY
You believe in luck?

TRAVIS
What do you believe in? God? You think He’s gonna save us? Or He’s testing us? Or some shit?

JENNY
Whoa. Who said anything about God?

TRAVIS
I did. You believe in Him, don’t you?

An awkward silence..

JENNY
Where you from, Travis?

TRAVIS
Don’t worry bout it.

JENNY
I ain’t worried.

They size each other up.

He considers smoking another cigarette, but since he only has a few left he saves them.
TRAVIS
Suppose somebody wants to know why you’re drenched in blood. What am I gonna say? Let’s get our stories straight here.

JENNY
I told you--

TRAVIS
--You strung me a yarn which involves a quote unquote monster.

JENNY
You saw it.

TRAVIS
I don’t know what I saw.

JENNY
You heard it howl.

TRAVIS
I have my doubts.

JENNY
(laughs)
Doubts. You believe in God though.

He stares at the lantern.

JENNY (CONT'D)
Hey. I haven’t even thanked you. You probably saved my life.

TRAVIS
Think so?

JENNY
Yeah. I think so.

He takes a drink and puts the thermos away.

TRAVIS
We ain’t out the woods yet, kid.

She nods thoughtfully.

He belches!

She’s taken aback!

He casually unzips his pants and URINATES out the window.
JENNY
I wish you’d give me some kind of warning before you did that.

TRAVIS
(shrugs)
We all got wishes, babe. I wish you didn’t talk half as much.

She glares at him.

JENNY
I wish you weren’t such a poor shot.

He laughs and hiccups.

JENNY (CONT’D)
And such a hopeless drunk.

He somberly zips his pants back up.

TRAVIS
Yeah. Dat’s prolly why I ain’t got no buckin girlfriend. And why I ain’t no damn good to no damn body.

She tries to understand his despair.

He offers her the thermos.

She accepts, and takes a huge gulp!

TRAVIS (CONT’D)
Atta girl!

She winces and hands it back.

They share a moment of mutual existence..

JENNY
Why do you say buck? Instead of fuck?

TRAVIS
(shrugs)
Old habit.

She hiccups. He laughs.

JENNY
Buck!

They both laugh.
TRAVIS
Whatcha say your name was? Jenny?

She nods.

TRAVIS (CONT’D)
You ain’t too bad, Jenny.

JENNY
(sassy)
That’s what you think.

He smiles and reaches for the thermos.

DISSOLVE TO:

Jenny drinks and passes the thermos.

TRAVIS
We really shouldn’t be drinking like this.

They both laugh drunkenly.

JENNY
I don’t want any more.

TRAVIS
Me either.

He belches and drinks.

She giggles and yawns.

TRAVIS (CONT’D)
I been meanin to ask you.

JENNY
Yeah?

They stare into each other’s eyes.

She tugs at him playfully.

JENNY (CONT’D)
What?

He clears his throat.

THE BEAST (O.C.)
Arooooo!

They both jump!
JENNY
That sounded really close.

They listen..

A low RUMBLE, like a stampede approaching!

They exchange worried looks.

The rumble gets LOUDER..

Jenny becomes hysterical!

JENNY (CONT'D)
Do something!

Travis readies his rifle.

BREAKING BRANCHES, RUSTLING LEAVES nearby--

KABAAMM! -- The whole tree SHAKES!

Travis and Jenny fall over!

THE BEAST (O.C.)
(snarls)
Ggrrrarararararar!

SCRAPE SCRAPE SCRAPE! -- Claws climb the tree!

BOOM! -- Travis SHOOTS through the door!

Jenny screams!

THE BEAST (O.C.) (CONT'D)
Grrrrr!

Travis cycles a ROUND -- CLICK, CLACK!

Everything’s quiet..

They hold their breath..

SILENCE..

They exchange hopeful looks.

TRAVIS
I think I got em!

She’s not so sure.

They keep waiting and listening..
Travis proudly takes a victory drink.
Jenny sighs, relieved.

    JENNY
    Thank God that’s over.

Travis reaches for the padlock--

    THE BEAST (O.C.)
    Gggrrrrr..

They both deflate.
Jenny whimpers.
Travis reloads.

    TRAVIS
    Dry them tears, babe.

She shakes her head, hopeless.

    TRAVIS (CONT’D)
    If you can’t keep your shit together, how am I gonna keep mine together?

He looks stressed.
She nods and tries to collect herself.
He wipes sweat from his face and takes out a CIGARETTE.
She watches him intently.
He can’t find his damn lighter.
Suddenly she hugs him tight!
He’s completely surprised.
She won’t let go.
He holds her, awkwardly at first, then tenderly.
She feels safe.
Suddenly he becomes tense--

    TRAVIS (CONT'D)
    You hear that?

    JENNY
    No. What?
They listen.
Faint CHEWING sounds.

TRAVIS
Hold on.

He looks out the window.

TRAVIS (CONT’D)
I can’t see nuttin. But I hear em.

Jenny’s heart sinks.

Travis shuts the plexiglass windows.

JENNY
Well, now we know it can climb trees.

TRAVIS
Hopefully it makes another run at the door, so I can blast em in the face again.

He practices aiming at the door.

TRAVIS (CONT’D)
But I betcha it’s already wounded so bad it’ll crawl off somewhere and die.

Jenny glumly shakes her head.

JENNY
It’s not gonna die. We’re gonna have to spend the whole night up here.

TRAVIS
Naw.

They both know she might be right.

Travis rubs his rifle, as if for luck.

Jenny rubs her chilly arms.

Travis takes off his jacket and offers it to her--

TRAVIS (CONT’D)
Here.

JENNY
No. Don’t.
TRAVIS
Really. Take it.

He wraps it around her.

JENNY
Thanks. That’s sweet of you.

TRAVIS
I’m prolly gonna want it back in like twenty minutes, so enjoy that shit.

She enjoys it.

EXT. FERRY - NIGHT (FLASHBACK)
A pretty YOUNG WOMAN wearing a COCKTAIL DRESS smokes a CIGARETTE, drinks CHAMPAGNE and shivers from the cold.

Travis, wearing a TUXEDO, wraps his COAT around her.

They exchange a warm look.

KABOOM! -- FIREWORKS EXPLODE over the water!

PARTY-GOERS gather to watch.

Travis and the Young Woman stare at each other, while everyone else watches the FIREWORKS.

INT. BLIND - NIGHT
Jenny squirms irritably.

JENNY
Damn. I gotta go to the bathroom.

TRAVIS
Number one or number two?

JENNY
One.

TRAVIS
Hm. Guess I could open the hatch real quick, and you could pop a squat?

JENNY
Ew!
TRAVIS
It’s cool, babe. Hell, I’m pissin out the window. It’s that kinda party.

Jenny hesitantly eyes the door.

JENNY
Man.

TRAVIS
So. You ready? Or what?

She squirms. He unlocks the door.

TRAVIS (CONT’D)
Don’t worry, I won’t look.

He closes his eyes.

She reluctantly undoes her pants...

EXT. FOREST - NIGHT

THE BEAST’S POV: The trap door opens!

INT. BLIND - NIGHT

JENNY
Don’t suppose you have any toilet paper?

Travis checks his pockets.

TRAVIS
Um. I got a few napkins.

JENNY
Better than nothing.

He hands her some NAPKINS.

A TWIG SNAPS! LEAVES RUSTLE!

JENNY (CONT’D)
Oh God.

Jenny shuts and locks the door as fast as she can!

Travis grabs his rifle!
THE BEAST (O.C.)
Grrrrrr..
They exchange mortified looks!
He glances at her midriff.
She blushes and pulls up her pants.
He clears his throat.
They listen and wait anxiously..
He FARTS!
She laughs.

TRAVIS
Shhh! Listen.

She fans her nose.

JENNY
Ugh! That’s some funky business!

TRAVIS
(laughs)
Shhhh!

They quiet down and listen..

JENNY
(whispers)
I don’t hear nuttin.

TRAVIS
(whispers)
Me neither.

He shivers.
She gives him back the jacket. He’s grateful.
They keep listening..
And listening..

DISSOLVE TO:

Jenny lies shivering miserably on the floor.
Travis leans against the wall, half-asleep.
A CRASH jolts them both!
JENNY
What was that?

TRAVIS
(thinks)
A tree falling in the forest.

JENNY
Seriously?

TRAVIS
It happens. Trees grow old, and die, and fall. Like everything else.

She nods thoughtfully.

He reaches for the thermos.

TRAVIS (CONT'D)
I gotta quit drinkin.
(drinks)

JENNY
You keep saying that. But you keep drinking.

He considers the thermos.

TRAVIS
I’m a lost cause.

He shamefully puts it away.

JENNY
You’re not a lost cause.

TRAVIS
What do you know?

JENNY
I know I want that jacket back.

He smiles and gives it to her.

JENNY (CONT’D)
Thanks. Aaah!

She savors the warmth.

Her joy gives him joy.

TRAVIS
How your feet doin?
She shakes her head.

He absently reaches for the thermos--

JENNY
Look who’s drinkin again.

TRAVIS
Oh damn. I forgot.

He shamefully puts it down.

TRAVIS (CONT’D)
Force of habit.

JENNY
It’s okay.

He finds and lights a CIGARETTE.

Jenny smiles to herself.

JENNY (CONT’D)
You know, nicotine’s a vasoconstrictor too.

He stares at his cigarette.

TRAVIS
You can’t win.

He smokes. She sighs.

JENNY
Got anything to eat? I’m starving.

He searches his pockets, finds a GRANOLA BAR.

TRAVIS
Granola?

JENNY
Sure. Thanks.

He tosses it to her.

She gratefully eats it.

He absently picks up the thermos--

JENNY (CONT’D)
You can’t leave it alone, can you?
TRAVIS
  (sighs)
  Guess not.

Impulsively, he pours the remaining VODKA out on the floor.

Jenny nods approvingly.

TRAVIS (CONT'D)
  Already kinda wish I hadn’t done that.

JENNY
  It was a heroic gesture.

He shrugs.

JENNY (CONT'D)
  (clears throat)
  Got any water? Sorry, I know I sound like a brat. But I’m thirsty as buck.

TRAVIS
  (chuckles)
  Naw, babe. No water.

She adjusts her ill-fitting clothes.

He checks the time.

TRAVIS (CONT'D)
  It’s not even midnight yet.

She droops.

He stares out the window.

TRAVIS (CONT’D)
  I should have a thermometer in here.

He absently reaches for the thermos--

TRAVIS (CONT'D)
  Ah, dammit!

In a sudden rage, he hurls the thermos at the window!

DINK! -- It bounces off!

BAM! -- It hits Jenny!

JENNY
  Ow!

She cringes!
He feels terrible.

    JENNY (CONT’D)
Psycho!

    TRAVIS
Hey. I’m sorry. I thought the window was open.

She wipes BLOOD off her head.

    TRAVIS (CONT’D)
Are you okay?

    JENNY
Are you an asshole?

    TRAVIS
Dude. It was an accident. I’m sorry.

She can tell he feels bad.

They exchange a look of understanding.

    JENNY
That hurt like hell.

He nods, ashamed.

An awkward silence...

He shivers.

    JENNY (CONT’D)
You want your jacket back?

    TRAVIS
Naw, I’m good.

His teeth chatter.

She gives him the jacket.

    JENNY
Just wear it for a little while.

    TRAVIS
Thanks.

He gratefully puts it on.

She stares at the thermos.

He sniffs the jacket’s collar.
TRAVIS (CONT’D)
Wow. Maybe that monster’s attracted to your perfume.

JENNY
I’m not wearing perfume.

TRAVIS
You naturally smell like springtime?

She smells her hair--

JENNY
Shampoo? Maybe.

He wants her. She knows it. Sparks!

JENNY (CONT’D)
Hey, thanks. For, you know, saving my life and everything. And sorry for, you know, being such a burden.

TRAVIS
(nods)
No prob, babe.

JENNY
I mean it. You’re a good guy.

He’s embarrassed.

She smiles.

TRAVIS
Man, you got a pretty smile.

Now she’s embarrassed.

They both feel awkward.

TRAVIS (CONT’D)
So.

JENNY
So.

He clears his throat and turns to rummage through the locker some more..

Jenny questions her emotions.

Travis discovers a FIRST AID KIT--
TRAVIS
First aid kit. Forgot I had this.

He opens it and reviews its contents.

TRAVIS (CONT’D)
Want an X-rated band-aid?

JENNY
(shrugs)
Sure.

He gives her the BAND-AIDS. She shuffles through them--

JENNY (CONT’D)
Oh. My. Goodness. Is this real?

He looks at the band-aid in question.

TRAVIS
Probably. Why?

JENNY
It’s so big!

TRAVIS
(chuckles)
I seen bigger.

JENNY
Really? Where?

TRAVIS
In the shower.

She raises an eyebrow.

He clears his throat.

She gives the band-aid another glance and tucks it into her pocket.

Travis unwraps a mylar EMERGENCY BLANKET.

JENNY
What’s that?

TRAVIS
It’s a cape for you to wear. Your outfit isn’t complete without this.

JENNY
(laughs)
Shut up!
TRAVIS
You can be like Super Bum!

He tries to wrap it around her, but she playfully evades it.

JENNY
For real. What is it?

TRAVIS
It’s an emergency blanket. Made out of mylar. Some astronaut shit. It reflects like ninety-eight percent of ultraviolet radiation.

JENNY
(confused)
I see.

TRAVIS
It’ll keep you warm.

She wears it like a cape. They both laugh.

JENNY
I look awesome. Don’t I?

TRAVIS
You know you do.

She plays with the mylar, fascinated by it.

WIND howls outside.

JENNY
Brrrrr! I’m still shivering!

She pulls the mylar tight around herself.

TRAVIS
Good. When you stop shivering, it’ll be time to worry.

She’s already worried.

TRAVIS (CONT'D)
Also, if you feel really hot it might be time to worry. There’s a phenomenon called, um. What’s it called?
(thinks)
Paradoxical undressing. Apparently, when you get super cold your brain goes haywire and you feel like you’re super hot.

(MORE)
So the last thing you manage to do before you freeze to death is peel off your clothes. It happens all the time.

    JENNY
    (horrified)
    I can’t wait.

She shivers.

He wraps the jacket around her, over the mylar.

    JENNY (CONT’D)
    Aw. You’re sweet.

He rubs her arms to warm them.

    JENNY (CONT’D)
    Do I get a massage too?

He massages her shoulders.

    JENNY (CONT’D)
    Mmmm.

    TRAVIS
    Is that too hard?

    JENNY
    No, it’s perfect.

She practically purrs.

    JENNY (CONT’D)
    Oh, Mike.

He feels awkward. She gets sad.

    TRAVIS
    What was he like?

She bites her lip.

    TRAVIS (CONT’D)
    I’m sorry, I didn’t mean to--

    JENNY
    --He was the love of my life. He was.. He was my soulmate. We were made for each other.

I know that sounds cliche, but it’s true. He taught me what love really is. You know?
TRAVIS
(nods)
Were you like high-school sweethearts?

She smiles and nods.

TRAVIS (CONT’D)
Yep. Me and my girl, same shit. She was two years older than me. Man, those were some crazy days.

EXT. SCENIC PARKWAY - DAY (FLASHBACK)

BECKY, a beautiful girl remarkably similar to Jenny, drives a RED CONVERTIBLE. Travis sits shotgun. They smoke a JOINT.

He pulls up her shirt and chews on her breasts.

Laughing ecstatically, she hikes up her skirt.

He burrows his face into her crotch--

She almost veers off the road!

INT. BLIND - NIGHT

JENNY
What was her name?

TRAVIS
Rebecca. Becky.

He smiles at a fond memory.

EXT. FARM - DAY (FLASHBACK)

Becky, wearing a SUN DRESS and holding a BOUQUET, spins in SLOW MOTION, laughing and loving life.

INT. BLIND - NIGHT

Travis clutches his heart.

JENNY
You miss her?
TRAVIS
Kinda. Yeah, I guess so. Even though I kinda buckin hate her too. We had one of those relationships. You know?

Jenny nods appreciatively.

JENNY
Why’d you break up?

TRAVIS
Ah, who knows. The wobbles of life.

JENNY
I hear ya.

TRAVIS
It was probably my fault.

JENNY
(nods)
I can see that.

He looks her up and down.

TRAVIS
You kinda remind me of her. She wore her hair about the same. And she was about as pretty as you. Not quite. But close.

Jenny tries not to blush.

Travis tries not to think about the past.

JENNY
(yawns)
I feel so tired all of a sudden.

TRAVIS
Lie on your back. Breathe normally.

She patiently cooperates.

He checks her pulse, somewhat concerned.

TRAVIS (CONT'D)
Let’s check on your poor feet.

He peels back her sock to reveal a dark BLUE ankle!

He’s worried. She’s worried.

Again, he notices her bar code tattoo..
TRAVIS (CONT’D)
Have we met before?

JENNY

He studies her face.

She studies his.

JENNY (CONT'D)
Uh oh. I think I stopped shivering.

He monitors her pulse.

TRAVIS
How’s your head feel? Like, can you think straight?

JENNY
Um. I can think okay. I think.

TRAVIS
What’s fifteen times six?

JENNY
(thinks)
Hm. No. I guess I can’t think that straight.

They both giggle.

JENNY (CONT’D)
What is it?

TRAVIS
What’s what?

JENNY
Whatever you said. Fifteen times six. What is it?

TRAVIS
(thinks)
Um.

He checks his own pulse.

JENNY
We’re doomed!

They both laugh.

He flexes his fingers.
TRAVIS
We’ll probably start hallucinating soon.

JENNY
(yawns)
Ooo. Really? We gonna trip hardcore?

TRAVIS
Dunno.

JENNY
Hope I see unicorns. And pixies.

They giggle dumbly.

JENNY (CONT'D)
Hey. Try your cell phone again.

TRAVIS
A’ight.

He finds it and turns it on.

TRAVIS (CONT’D)
Sweetness.

JENNY
You got service?!

TRAVIS
Unless I’m hallucinating.

He dials a number.

They wait anxiously as it rings.

TRAVIS (CONT'D)
Dave! This is gonna sound like some bullshit, but I’m trapped in a tree with a girl I don’t know and -- Shut up and listen! I’m serious! I need you to get your ass the buck out here right now with hella guys and hella guns.

Dude. There’s like some kind of wild beast on the loose. I don’t know what the buck it is. But it’s big. It howls. And it ain’t no joke, bra.

He hangs up.
TRAVIS (CONT’D)
Dave says he’s gonna call the cops and they’ll all be out here in a few hours!

Jenny’s thrilled! She gives him a big hug--

They hold each other..

TRAVIS (CONT’D)
Can I wear the jacket for a second?

She wraps the jacket around both of them.

JENNY
We can share it.

TRAVIS
Ah. Nice and warm.

She snuggles into him. He sighs.

They stare lazily at the lantern.

He pets her hair. She gets lost in a memory..

Travis, at the window, smokes what looks like a CRACK PIPE!

Jenny rubs her eyes, confused.

Travis smokes a CIGARETTE. They make eye contact.

Jenny rolls over and tries to go back to sleep.

SCRAPE. SCRAPE.

She thinks she’s imagining it.

SCRAPE. SCRAPE. SCRAPE.

She tries to ignore it, but she’s afraid.

SCRAPE. SCRAPE.

She turns to Travis--

He’s not there!

    JENNY
    I must be dreaming.

She shakes her head and goes back to sleep.

SCRAPE. SCRAPE. SCRAPE.

FADE TO:

Travis wakes, disconcerted.

SCRAPE. SCRAPE.
He puts his ear to the floor.

SCRAPE.  SCRAPE.  SCRAPE.

Jenny SNORES in her sleep.

He nudges her. She stops snoring.

He opens the window--

SNOW falls outside. He reaches out, catches a few snowflakes and eats them.

He notices a faint LIGHT in the distance. Squints to see--

EXT. FOREST - NIGHT (SNOWING)

A few thousand feet from the blind, an UNNATURAL GLOW illuminates the treetops.

INT. BLIND - NIGHT (SNOWING)

Travis shakes his head, overwhelmed.

Jenny appears at his side. They share the jacket.

JENNY
It’s snowing.

TRAVIS
What do you think that light is?

JENNY
It’s beautiful.

She’s mesmerized by it.

TRAVIS
It’s not the Moon. It’s not fire.
It’s not a helicopter.

JENNY
Wooow!

She cries tears of joy!

TRAVIS
Are you okay?

She smiles and nods.
He looks suspiciously at the light.
She leans tenderly on his shoulder.
He’s not sure how to react.
The mysterious light FADES AWAY.
They exchange perplexed looks.
SCRAPE SCRAPE SCRAPE.

FADE TO:

EXT. PARK - DAY (SNOWING)

Suddenly SOMEBODY taps him on the shoulder!
He turns around--
Jenny’s BLOODY CORPSE sits next to him!
He can’t breathe!
Her cold dead eyes stare at him! BUGS crawl from her mouth!
He turns away--
A CROW lands on a nearby fence.
DARK CLOUDS gather overhead.
An OLD WOMAN weeps.
A DRIED ROSE crumbles to DUST.
FLIES BUZZ around a DEAD RAT.

JENNY

She licks his face.

TRAVIS

Quit it.

She laughs and climbs on top of him.

The lantern burns out.

The WIND howls!

Several inches of SNOW blanket the ground.

A few BIRDS and SQUIRRELS brave the weather..

INT. BLIND - MORNING

Travis sleepily finds and lights his last CIGARETTE--

He notices with alarm a sea of enormous animal TRACKS all around the base of the tree!

Worse yet, the tree itself is heavily carved into, like an army of beavers had tried (and almost succeeded) to bring it down!

He can’t believe his eyes!

Jenny wakes, drowsy and cold.

    JENNY
    What’s wrong?

He won’t tell her.

She looks for herself--
JENNY (CONT'D)
Oh my God! What happened?!

TRAVIS
Looks like the so-called monster almost took down our tree.

She bursts into tears.

TRAVIS (CONT'D)
Be quiet. I need to think.

JENNY
Don’t tell me to be quiet! We’re gonna die out here, and--

He reaches into his pocket--

She cringes!

He pulls out his CELL PHONE.

She’s relieved.

TRAVIS
Shit! Battery’s dead.

JENNY
Yeah? So are we!

TRAVIS
Shut up!

She cringes! He checks his watch.

TRAVIS (CONT'D)
The snow messed up the roads. But they’ll get here. They’ll get here.

He wrings his hands.

JENNY
Who? Your friend Dave? He’s dead too!

TRAVIS
Will you please shut up?

JENNY
And it’s all your fault, cause you--

TRAVIS
--My fault?! My fault?! Oh that’s a good one. Like I came along and brought a monster into your life?

(MORE)
Like you were just minding your own business. Hunting deer. And now here I might get you killed! How unfair of me!

She glares at him.

**JENNY**

Why don’t you--?

**TRAVIS**

--Why don’t you shut your whore mouth?!

Her jaw drops!

**JENNY**

What did you say?

**TRAVIS**

I called you a whore.

She nods calmly, as if understanding.

Suddenly she attacks him!

Punches! Kicks! Nails! Teeth!

**TRAVIS (CONT’D)**

Ah! Ow! Ow! Bitch!

He restrains her--

She bites his hand!

**TRAVIS (CONT’D)**

Aagh!

They fall over, crashing hard into the wall!

CRACK! -- The entire tree shakes!

**EXT. FOREST – DAWN**

The tree sways noticeably!

SPLINTERS of wood chip off from the damaged base!

**INT. BLIND**

Jenny and Travis exchange terrified looks.
TRAVIS
(whispers)

She nods. He tries to think..
Suddenly she kneels him in the groin!

His eyes roll back!

CRACK! -- The tree shakes violently!

TRAVIS (CONT'D)
Oh God.

JENNY
Oh shit.

EXT. FOREST - DAY

The tree sways dramatically!

CRACK! CRACK! -- SPLINTERS flake off the base!

CRACKCRACK! POP! -- The trunk gives!

The tree falls..

It crashes thunderously to the ground!

The blind SHATTERS apart!

SNOW and BRANCHES avalanche down!

BIRDS flee the area!

Deathly SILENCE..

ANGLE ON a piece of the disintegrated blind..

ANGLE ON the thermos..

ANGLE ON an X-rated BAND-AID..

Travis’s head slowly emerges from the snow..

TRAVIS
Ouch.

He digs himself out..

His groin hurts. He walks it off.
Jenny?

He looks around with growing concern..

Jenny?!

He searches desperately..

No sign of her..

Jenny?!

Finally he finds her foot sticking out of the snow!

He frantically digs her out!

She’s unconscious, but breathing.

Hey. Jen.

He jostles her.

Come on, babe. Wake up.

She slowly opens her eyes..

(disappointed)

You again.

He weeps with joy!

She smiles dumbly.

What hurts? Anything broken?

She shrugs.

Can you move your fingers and toes?

I couldn’t do that before. Dummy.

He checks her FROSTBITTEN feet. They look horrendous.

Think you can walk?
She pushes him away.

JENNY
Go to hell!

TRAVIS
Why?

She throws snow in his face!

TRAVIS (CONT'D)
Hey!

He doesn’t understand.

JENNY
You called me a whore!

He rolls his eyes.

She crosses her arms.

TRAVIS
Look. I’m sorry. You’re obviously not a whore.

She clears her throat.

TRAVIS (CONT'D)
In fact, you’re a charming, brilliant, beautiful young lady. Who I’m lucky to have met.

She’s flattered, but tries to hide it.

JENNY
And you called me a bitch.

TRAVIS
When?

JENNY
While I was attacking you.

TRAVIS
Oh.
(rolls eyes)
Sorry. I can be a jerk. I know it.

She nods agreement.

TRAVIS (CONT’D)
Forgive and forget?
He extends a friendly hand.

She doesn’t budge.

TRAVIS (CONT’D)
What do you wanna do? Sit here till that monster comes back?

She reluctantly takes his hand.

He pulls her into a hug.

She resists at first--

They hold each other..

TRAVIS (CONT'D)
By the way, that kick to the crotch was devastating.

They exchange a warm smile.

JENNY
Say. I had this dream about you last night.

TRAVIS
Did you?

JENNY
At least. I think it was a dream.

He opens his mouth to speak--

BOOM! BOOM! -- GUNSHOTS in the distance!

They both jump!

TRAVIS
Shotgun. I think.

SOMEBODY (O.C.)
(distant screams)
Aagghhhhh!

They exchange terrified looks.

THE BEAST (O.C.)
(distant)
Aoooooooo!

JENNY
Oh no.
TRAVIS
Where’s my gun?!

He searches wildly..

Jenny buries her head in her hands.

JENNY
We’re dead.

TRAVIS
The hell we are!

JENNY
Our rescue party just got eaten alive!

He shares her hopelessness..

Finds his rifle! Locks and loads!

TRAVIS
We can still put up a fight.

JENNY
Why bother? There’s no hope!

TRAVIS
Bullshit! There’s always hope!

JENNY
Look how big those tracks are!

He considers the Beast’s massive pawprints.

JENNY (CONT’D)
I don’t want to die like them. For crissake! Just shoot me now, and get it over with!

TRAVIS
Dammit, Jenny!

JENNY (frantic)
Do it! Shoot me!

She claws at him!

He points the rifle at her!

She’s unflinching, ready to die..

TRAVIS
Bam!
She gasps!

He grabs her by the scruff--

TRAVIS (CONT'D)
We’re gonna get through this shit. Whether you want to or not.

She tries to act defiant. He shakes her!

TRAVIS (CONT’D)
Understand?

She nods timidly.

TRAVIS (CONT'D)
Look at me.

She looks at him.

TRAVIS (CONT'D)
Lord knows I ain’t no damn hero. But I made up my mind to save your ass. Whatever the cost. I hope that’s okay.

She’s somewhat moved.

TRAVIS (CONT'D)
Since there’s only one pair of boots, I’ll carry you. Climb onto my back.

He stoops.

She climbs onto his back.

He rises, turns toward the ominous TRAIL left by the Beast.

TRAVIS (CONT'D)
We’ll follow the tracks. Face this monster head on.

She winces.

FADE TO:

Travis, with Jenny on his back, hobbles cautiously along the Beast’s trail..

TRAVIS (CONT’D)
Whew! How much do you weigh?

She kicks him. He laughs.
JENNY
Wait.  Shhhhh.

EXT. FOREST - DAY (SNOWING)

He stops.  They listen..
SNOW falls with a soft PITTER PATTER..

TRAVIS
It’s snowing.
The forest twitches and crackles all around them..
Danger seems everywhere..
Travis keeps trudging..

JENNY
How much further?

TRAVIS
We’re close.  Half a mile or so.

She bounces excitedly.
He doesn’t share her enthusiasm.

JENNY
(points)
Look!
A distant cluster of BIRDS pick at SOMETHING.
They both know it’s something dead.
Suddenly a TWIG SNAPS!
They freeze!  Jenny dismounts.
Travis readies his rifle.
WIND howls!  Trees sway and drop SNOW..
Jenny holds her breath.
Travis strains his senses..
SNAP! -- He turns and aims!
A RACCOON jumps out of a bush!
JENNY (CONT'D)
Eek!

Travis sighs heavily.
They both laugh.

JENNY (CONT'D)
That thing scared the hell outta me!

TRAVIS
Damn varmint! I shoulda shot him!
Where’d he go?

Travis takes aim--

RIFLE SCOPE POV: CROSS-HAIRS follow the raccoon past a clump of CRIMSON snow..

Travis gulps.

TRAVIS (CONT'D)
Come on. Let’s go.

Jenny climbs back onto his back.
He keeps trudging..
The Beast’s trail ends in a sea of BLOOD-tinted tracks!
Travis feels nauseous. Jenny shuts her eyes.
As they draw closer, the birds fly away..
Travis forces himself to see what they were scavenging..
It’s a mutilated TORSO, wearing a POLICE UNIFORM!
He gets emotional.
Jenny sneaks a look, and becomes hysterical!

TRAVIS (CONT'D)
Come on, babe. We’re almost at the road.
See it?
(points)

A snow-covered ROAD is vaguely distinguishable ahead.
She’s suddenly relieved.
He takes her hand.
They hurry past the CARNAGE..
She keeps her eyes shut.
He tries not to look either.
WZHIP! -- He slips and falls!
Lands in BLOODY PULP!

JENNY
Aaaaahhhhh!

She thrashes madly!

Turning, she comes face-to-face with the Dead Police Officer’s HEAD!

Her heart stops!

His cold dead eyes stare eerily at her!

JENNY (CONT’D)
(screams)
Aaaaahhhhhhh!

Travis covers her mouth--

TRAVIS
Shhh!

THE BEAST (O.C.)
Aroooooooo!

Travis yanks Jenny to her feet!

Terrified, they race to the road!

EXT. ROAD - DAY (SNOWING)

An old PICKUP TRUCK and POLICE CAR are parked askew, battered and BLOODSTAINED, with SMASHED windows and huge CLAW MARKS!

TRAVIS
Get in the truck!

They hurry to the pickup..

Random PAWPRINTS and CARNAGE litter the ground!

Travis leaps over a BLOODY SHOE!
THE BEAST (O.C.)
(closer)
Arooooooooooo!

Jenny can’t open her door!

JENNY
It’s stuck!

TRAVIS
Pull really hard!

Jenny just dives in through the window!

INT/EXT. PICKUP TRUCK - DAY (SNOWING)

BROKEN GLASS covers the seats.

Travis fumbles with his KEYS.

JENNY
Hurry!

He turns the ancient ignition--

KIG-KIG-KIG-KIG-KIG!

TRAVIS
Come on. Come on!

KIG-KIG-KIG-KIG-KIG-KIG-KIG-KIG-KIG!

They hear the RUMBLE of an approaching stampede!

JENNY
Come on! Come on!

Jenny slaps the dashboard!

KIG-KIG-KIG!

VROOOOM! -- It STARTS!

TRAVIS
Alright!

Travis shifts gears and floors it!

Snow flies as the tires spin!

The truck zooms down the road!
They smile at each other, relieved.
Jenny turns to look back--
HER POV: The BEAST emerges from the forest!
She screams!
Travis checks the rearview mirror. He does a double take!

JENNY
Go! Go! Go! Go!

TRAVIS
Shut up! Shut up! Shut up! Shut up!
The truck races down the road..
The Beast races after it..
Jenny, hysterical, can’t look away--
HER POV: The Beast gradually gains on them!
Travis concentrates on the road--
HIS POV: A sharp bend up ahead!

TRAVIS (CONT’D)
Hold on!
He yanks the wheel--
The truck drifts around the turn!
The Beast continues to gain..

TRAVIS (CONT’D)
Get my gun!
Jenny hesitantly handles the rifle.

TRAVIS (CONT'D)
Push the safety!

JENNY
What?!

TRAVIS
Next to the trigger!
She fumbles with it.
TRAVIS (CONT’D)
Hang on!
He yanks the wheel!
They drift around another bend--
Jenny falls into Travis’s lap!
He reaches down and unlocks the safety for her.

TRAVIS (CONT’D)
Okay.  Shoot!
She shakes her head.

TRAVIS (CONT’D)
Shoot, dammit!
She aims clumsily out the back window.
BOOM! -- Missed by a mile.  The recoil surprises her!

JENNY
Damn.
She tries to cycle a round--

JENNY (CONT’D)
How do you--?!

TRAVIS
--Pull this!
He helps her -- CLICK CLACK!

JENNY
Oh.  I see.

TRAVIS
Hang on!
They drift around another hard bend!
Jenny gets flung against the door!  She almost falls out the window!  Travis pulls her back in!

TRAVIS (CONT’D)
Shoot!  Shoot!
She frantically looks through the scope--
RIFLE SCOPE POV:  Jittery CROSS-HAIRS jump around an out-of-focus blur.
TRAVIS (CONT'D)
Don’t use the scope! Just concentrate!

She concentrates.. BOOM!
The Beast flinches and trips, but quickly recovers.

JENNY
I got em!

Travis checks the rearview.

TRAVIS
Good! Do it again!

She cycles the next round herself -- CLICK CLACK!

Aims carefully..

TRAVIS (CONT'D)
Hang on!

Travis yanks the wheel!
The truck drifts--

Jenny falls over--

BOOM! -- A BULLET HOLE in the roof!

TRAVIS (CONT’D)
Jesus! Hussein! Christ!

JENNY
Sorry!

She regains her balance.

He mutters obscenities to himself.

She cycles another round -- CLICK CLACK!

Aims.. TICK!

JENNY (CONT'D)
What the hell?

TRAVIS
Out of ammo.

JENNY
Shit!
TRAVIS
Hang on!
He yanks the wheel--
They drift..
The tires catch a bump -- The truck flips over!
It rolls and slams into a tree -- BDUNKRASH!

They both manage to smile.
Suddenly huge snarling JAWS burst through the window, biting Travis’s arm!

TRAVIS

FADE TO:

INT. CABIN - NIGHT (SNOWING)

Massive 18-point BUCK ANTLERS hang above the fireplace.

Travis and Jenny sit wrapped in BLANKETS, sipping warm MUGS by the roaring FIRE.

A .50 CALIBRE RIFLE hangs prominently on the wall. A huge GUN SAFE lurks in the corner.

Dave, Alan, Vince and Dean drink BEERS and mill about.

DAVE
Haha! When he called me up he was like, this wild beast’s after me! And I was like, get the buck outta here Trav!

ALAN
I know! When you told me I was like, this dumb ponce is scared of his own shadow!

They all laugh.

DEAN
Come to find out, there really was a wild beast trying to kill him!

They laugh hard.

Travis stares listlessly at the fire.

Jenny fondles her beloved locket.

VINCE
What the hell was that thing anyway? I never seen nuttin like it.

DAVE
Beats me, mate. All I know is we’d better get that head mounted and hang er on the mantle.

ALAN
Hell yeah we should!

Alan heats up the DEEP FRIER.
DEAN
Naw, buck that. I’ll have a heart attack every time I see that big ugly nasty thing.

VINCE
I know. It is pretty ugly, huh?

ALAN
Not as ugly as that girl you hooked up with last Friday!

Alan rummages through the refrigerator.

VINCE
Not as ugly as your Mother! Ponce!

Alan and Vince make faces at each other.

DAVE
Pour us another shot, ya ponce.

VINCE
Fine. Ya ponce.

Vince pours SHOTS.

ALAN
Pour me one too, ya ponce.

VINCE
I ain’t pourin you shit!

ALAN
Hey. It’s not my fault that girl was ugly incarnate.

VINCE
Dude. How bout I knock you out?
Right here, right now?

ALAN
That’ll be the day.

They push each other around.

Dean breaks it up--

DEAN
Break it up, you numbskulls.
We got shots to take!

They merrily drink their shots..
Dave casually lights a JOINT.

JENNY
Hey, can I use your phone?

DEAN
Sure. It’s over there.
(points)

Jenny finds the PHONE and dials.

DEAN (CONT'D)
At some point we should probably call the cops, right? And tell em about the dead people in the woods, and the dead buckin monster we killed.

DAVE
Yeah, that’ll be a great call to make. You can make that call.

JENNY
Hi. It’s me. Call me back at this number as soon as you can.

She hangs up.

JENNY (CONT’D)
You guys want me to call the cops?

Dean shrugs. Vince shakes his head.

DAVE
Do it.

ALAN
Yeah, go ahead.

Jenny dials 911.

Travis smokes the joint and coughs loudly!

VINCE
Damn Trav!

Travis coughs and coughs..

DAVE
You okay, mate?

ALAN
Quiet man. You’re gonna get us all busted!
JENNY
Hi. I’d like to report a number of recent deaths. No, not homicide. Um. There was this giant animal in the forest. I dunno. It howls.

The guys stifle laughs.

JENNY (CONT’D)
Yes, I’ll hold.

She waits..

ALAN
Be sure to tell them who fired the fatal shot, killing the monster and saving the world!

Alan pumps a fist, eating as he cooks.

VINCE
Me! I want my picture in the paper, too.

ALAN
Donkey balls!

Alan throws a SPOON at Vince!

VINCE
Ow!

JENNY
What’s the address here?

DEAN
Here? Twenty-two ten, Old Hickory Road.

JENNY
Twenty-two ten, Old Hickory Road. Hello? Hello? Hello?

She hangs up, frustrated--

JENNY (CONT'D)
Dammit. I got cut off.

DEAN
Let me see the phone.

She hands him the phone.

DAVE
Is there a dial tone?
Dean listens.

DEAN
There’s static. It’s weird. Listen.

Dave listens.

DAVE
What the hell?

JENNY
I need to use the bathroom.

DEAN
It’s through there, on the left.
(points)

JENNY
Thanks.

VINCE
Need a hand?

JENNY
No thanks.

She goes to the bathroom.

The telephone RINGS!

Dean answers it--

DEAN
Hello? Yes.. Okay.. What?
Who is this? Hello? Hello?

He hangs up, confused.

Everyone awaits the news.

DEAN (CONT’D)
They said they were with the bureau of something. And national security something. And that none of us can ever speak to anybody about what happened today.

DAVE
What?

ALAN
Donkey balls.
VINCE
You’re buckin with us.

DEAN
Gimmie a bible to swear on.
(raises hand)

DAVE
Ain’t you a buddhist, mate?

DEAN
(shrugs)
Meh.

Suddenly Travis slumps over, spilling his drink!

Everyone notices, concerned.

DEAN (CONT’D)
Travis?

They all gather around him--

Travis looks pale and sick. His pupils are fully dilated.

VINCE
Damn Trav! Are you okay?

ALAN
You look like shit, bro.

Dean elbows Alan.

DAVE
Want some water or something?

ALAN
Hungry?
(eats)

Travis shakes his head weakly.

DAVE
The hell’s wrong with him?

VINCE
You don’t think it was the weed, do you?

Vince eyes the joint suspiciously.

DEAN
How bad’s that bite on his arm?
DAVE
I didn’t think it looked too bad.

DEAN
Maybe it got infected?

DAVE
I dunno, mate.

VINCE
Should we check it?

They exchange hesitant nods.

DEAN
Yeah, check it.

DAVE
Yeah dude, go ahead.

They turn to Vince.

VINCE
Me?

Alan slaps Vince on the back!

ALAN
Atta boy!

Vince reluctantly reaches to unwrap Travis’s arm.

No one wants to look..

Sticky gauze rips away -- SHHKRIGHT!

BLOOD and PUS gush! The arm looks ROTTEN!

Everyone’s disgusted!

VINCE
Aw!

DAVE
Egh!

DEAN
Ick!

Alan holds his stomach, nauseous.

DAVE
Yo, is he gonna like die?!
DEAN
Dude, shut up!

Dean quickly rewraps the arm.

Travis gasps, retches, and faints!

DEAN (CONT’D)
Hey Trav! Travis?!

Dean SNAPS his fingers and CLAPS!

Travis slowly opens his eyes, which are eerily UNNATURAL.

Everyone’s worried.

ALAN
Maybe we should take him to a hospital?

VINCE
Yeah. No shit.

DAVE
How far is North Cross? Like an hour?

DEAN
Ah. Maybe two. If the roads are plowed.

Travis looks around, disoriented and wild.

ALAN
Buck it. I’m down to drive right now.
I got gas. Where are my keys?

Alan searches for his keys.

Suddenly HEADLIGHTS sweep through the Cabin! ENGINES roar as SEVERAL VEHICLES arrive outside!

Everyone’s surprised.

DEAN
I’ll see who it is.

Dean grabs his COAT and opens the front door--

AGENT GREY (40s) stands ominously on the doorstep, flanked by ARMED MERCENARIES!

AGENT GREY
Good evening, Dean.

DEAN
Uh. Evenin.
AGENT GREY
I’m with the department.

Agent Grey flashes his CREDENTIALS.

AGENT GREY (CONT’D)
May I come in?

He steps inside, followed by the Mercenaries.

Dave quickly puts the joint out.

INT. BATHROOM – NIGHT (SNOWING)
Jenny is about to flush the toilet--
She hears the commotion and peeks outside.
Alarmed, she locks the door!

INT. CABIN – NIGHT (SNOWING)

AGENT GREY
You recently spoke on the phone with a
member of our staff. We’re here with
the non-disclosure agreements.

He unfolds some PAPERWORK.

DEAN
Huh?

AGENT GREY
For you to sign. All of you.

He offers Dean a PEN.

DAVE
The hell I will.

AGENT GREY
You’ll sign the papers or you’ll be
detained.

A Mercenary takes out HANDCUFFS.

ALAN
Wait just a buckin second! Where’s your
warrant?!
Agent Grey laughs.

Vince peers out the window--

EXT. CABIN - NIGHT (SNOWING)

A BLIZZARD swirls. THREE BLACK HUMVEES are parked outside. ARMED MERCENARIES patrol the area.

INT. CABIN - NIGHT (SNOWING)

VINCE
You gotta be kidding me.

DEAN
I don’t understand. What did we do?

AGENT GREY
--I’m afraid I’m not at liberty to discuss the situation. Frankly, neither are you. Sign.

Agent Grey shoves the paperwork in Dean’s face.

A Mercenary prepares to detain him.

DAVE
Come on, mate. We didn’t do anything!

MORE MERCENARIES enter.

VINCE
Whoa! What is this?

Alan takes off his shirt.

ALAN
Maybe you gentlemen ought to leave!

Mercenaries point guns at him!

DEAN
Let’s everybody relax, can we?

AGENT GREY
Is there any evidence on these premises of your contact with the creature?

The guys exchange uncertain looks.
AGENT GREY (CONT’D)

Agent Grey suspiciously pokes around..

AGENT GREY (CONT’D)
You haven’t seen a girl named Jennifer, have you?

The guys exchange uncertain looks.

INT. BATHROOM – NIGHT (SNOWING)

Jenny bites her lip.

She takes off her locket and hides it under the sink..

INT. CABIN – NIGHT (SNOWING)

Agent Grey notices Travis.

AGENT GREY
What’s wrong with him?

DAVE
Sorry.  We’re not at liberty to discuss the situation.

ALAN
We think he has an infection.  If you’d like to help out, that would be swell.

Agent Grey pulls back Travis’s blanket to reveal his nasty BLACK arm!

AGENT GREY
Holy mother!

The Mercenaries exchange worried looks.

TRAVIS
(mean)
Grrrrrr.

Agent Grey drops the paperwork.

AGENT GREY
Sign those.  Mail em to us.

He turns and hastily departs.
The Mercenaries hurry after him.

ALAN
That’s right! Bugger off! I woulda knocked you into next month! Yeah, I’m talkin to you big man!

DEAN
They’re leaving just like that?

Vince peers out the window--

EXT. CABIN - NIGHT (SNOWING)
The Humvees embark and speed away..

INT. CABIN - NIGHT (SNOWING)

VINCE
The hell was all that?

Alan puts his shirt back on.

ALAN
Man. It was about to go down like a Black Hawk.

DAVE
Seriously.

Dave re-lights the joint.

Dean stares nervously at Travis.

Vince reviews one of the contracts--

VINCE
It says here you can’t disclose any information pertaining to the incident of today’s date. Or you go to jail. And pay a fine. And lose your citizenship.

ALAN
Donkey balls!

DAVE
I’m calling my lawyer.
VINCE
You can’t. It says so right here. You can’t talk to your doctor or priest either.

DAVE
Let me see this.

Dave studies the contract.

DEAN
At least we’re not being charged with a crime.

VINCE
Yet.

DEAN
Yet.

DAVE
I think they just want us to keep quiet about that, uh, that thing--

DEAN
(mockingly)
Shhh!

DAVE
But why do they care?

VINCE
Haven’t you ever heard of a cover-up? Obviously some shady government experiment went wrong, and they wanna keep it hush hush.

Dave rolls his eyes.

Jenny casually returns from the bathroom.

Everyone eyes her suspiciously.

VINCE (CONT’D)
Look who’s back! Prettier than ever.

DAVE
Don’t worry. You didn’t miss a thing.

JENNY
I overheard. Like, what the hell?

DEAN
Your name isn’t Jennifer, is it?
JENNY
No. It’s Lisa.

VINCE
What a pretty name.

ALAN
Which copy’s mine? This one?

Alan takes a contract, rips it in half and throws the pieces in the fire!

VINCE
Haha! Nice!

DAVE
He said they’d detain us if we didn’t sign.

ALAN
(shrugs)
Buck em.

DEAN
I wanna know why they left so fast. Like they know something we don’t.

Everyone turns to Travis, who seems to be scheming.

JENNY
Travis?

He looks at her with madness in his eyes!

DEAN
How do you feel, buddy?

Travis smirks, contemptuous.

DAVE
Say somethin, mate.

Travis just stares into the fire.

VINCE
(shakes head)
Weird.

ALAN
What if he got some kind of crazy disease from that monster?

Everyone fears the possibility.
VINCE
Snap out of it, Trav. You’re giving us the creeps.

JENNY
What should we do, you guys?

Nobody knows.

DAVE
I know what I’m doin.

Dave drinks a shot.

ALAN
Am I driving to the hospital? Or what?

Dean peers out the window--

DEAN
Not in these conditions. Let’s check the weather report.

Dean and Alan consult the COMPUTER.

Vince sits down next to Jenny.

VINCE
So, Lisa. How do you know Travis?

JENNY
I don’t, really. We just met yesterday.

VINCE
Ah. So how’d you meet? Does your boyfriend know Travis?

JENNY
I don’t have a boyfriend.

He slides closer to her. She slides away from him.

DAVE
Hey. Did anybody else just hear gunshots?

ALAN
(nods)
I thought I did.

They listen..

WIND blows hard outside..
TRAVIS
I can feel them.

DAVE
What’s that, mate?

Travis sniffs the air.

TRAVIS
I can feel them. Getting closer.

Everyone’s spooked.

DAVE
Who’s getting closer?

Suddenly Travis makes for the front door—

Vince and Dave grab him! He struggles!

VINCE
Whoa! Easy there buddy!

DAVE
Relax, Trav. Relax.

Jenny picks up the phone.

ALAN
Dude. We gotta get this guy to a hospital.

DEAN
Who’s getting closer, Trav?

Travis grins crazily.

PUM! PUM! PUM! -- GUNFIRE in the distance!

They all heard it.

ALAN
That was the M-2. Those guys in the humvees must have--

TRAVIS
--Yes!

They all look at Travis.

BEAST TWO (O.C.)
(distant)
Arooooooo!
JENNY
No.
She almost faints.
The guys are aghast!

ALAN

Dave pours several shots.

VINCE
Alright hombres.

Vince takes out his PISTOL and COCKS it!
Jenny’s mortified!
Alan pulls the .50 rifle off the wall.
He checks the action, locks and loads--

ALAN
Good to go.

Alan and Vince exchange understanding nods.
Jenny shakes her head.

EXT. CABIN - NIGHT (SNOWING)
Alan and Vince cover each other as they survey the area..
Dense, ominous FOREST looms on all sides..

ALAN
(points)
Over there?

VINCE
(shakes head)
Not sure.

The WIND howls!
They both realize how scared they are.
INT. CABIN - NIGHT (SNOWING)

Dean peers out a window--

DEAN
How can they see anything out there?

Dave nervously cracks his knuckles.
Jenny bites her nails.
Travis sits calm and content.

DEAN (CONT'D)
What do you think, Travis?

Travis doesn’t seem to hear.

DAVE
He needs help. Bad.

Dean nods gravely.
Travis randomly laughs!
They’re puzzled.
Travis laughs and laughs!

JENNY
He’s lost his mind.

DAVE
Look how crazy his eyes are.

Dean moves closer to see--

TRAVIS
Baaaaah!

Travis leaps onto the coffee table, which BREAKS!

DEAN
Dammit! You ponce!

Travis laughs madly!
Dave tries to grab him--
Travis runs amok!
Jenny takes cover!
Dean and Dave tackle Travis!
He won’t stop laughing!

    DAVE
    Shut up!

He won’t stop laughing!

Vince and Alan rush back inside--

VINCE
Holy hell! There must be three or four of em!

Alan deadbolts the door.
Dean unlocks the massive gun safe--

DEAN
What do you guys want?

ALAN
I’m good.

Alan pats the .50.
Vince and Dave crowd around the safe.

VINCE
You got a forty-five auto?

Dean grins and hands him a TOMMY GUN!

VINCE (CONT’D)
Perfect!

DAVE
I’ll take a Kalashnikov.

Dave selects an AK-47.

DAVE (CONT'D)
And for the lady.

He cocks a GLOCK and hands it to Jenny.
She gingerly takes it. Everyone chuckles.

BEAST THREE (O.C.)
(closer)
Aroooo!

They stop laughing and start sorting AMMUNITION.
Dean examines a tactical SHOTGUN..
Suddenly Travis tries to grab a gun!
ALAN

Travis grabs a gun!
Everyone jumps on him!
