MICHAEL

Hi there, I'm Michael nice to meet you and who might you be?

And Allison smiles back at him and says

ALLISON

Wow a rare breed of gentlemen you can't find them anymore.

And Michael laugh with her and smiles to know her name and she says while looking at his hinting eyes

ALLISON (CONT'D)

Yea I guess I should tell you my name, well hi, I'm Alyson and it is really nice to meet you too.

Michael is charmed by her and she sees it and she knows he is at least at first impression, a honest man and she slips her hand into his leg and says

ALLISON (CONT'D)

Well what are you doing tonight?

And Michael chokes a bit while she laughs at him and he some how manages to say

MICHAEL

Well I'm actually here tonight with some friends who dragged me here but I think I could slip away some how from here.

Allison looks at him deviant and implies him not to believe what she's about to speak

ALLISON

Why Michael, are you implying that  
I'm asking you anything

And Michael calms down a bit and he smiles confidently back  
at her and says

MICHAEL

well i might be intrigued to be  
thinking something like that,  
since after all it is your hand on  
my leg and i am sure i am not  
mistaking about it, am i wrong in  
any how?

When she starts to really like him and he sees it in her  
eyes and he want to hold her hand and he does and she  
smiles back at him while saying to him

ALLISON

Em, what a charmer you are  
Michael, I assume you also want to  
invite me to a drink and make me  
lose balance a bit right?!

there? and who are you talking to?  
enjoy the show man, enjoy the  
show, i heard you shouldnt miss

talking to him and they immediately shut their mouth and  
smile while nodding their heads and he smile back at them  
and Jordan says to Paddy

JORDAN

Why did you have to bother him?  
can't you see he's with somebody?

And paddy looks at him and angrily says

PADDY

You are very funny JJ,

As Jordan replies to him back

JORDAN

If you think this is funny wait  
untill the girls arrive and you  
will be really laughing when i  
will be making you pay them for a  
a lap dance and you will be siting  
like a rock with out knowing how  
to touch them and move your hands  
anymore ha-ha.

When Path says to Michael when he sees Michael smiling

PADDY

Hey don't worry miky you continue  
speaking you with the nice lady  
next to you and don't forget to  
ask for her number so you will be  
able to see her again after this.

And they both smile when Jordan give an elbow to paddy's  
ribs and paddy looks at him being stronger then him and  
calming himself down when josh laughs at the two of them  
fighting and chuckles when he looks at them two and says

JOSH

You realize you are in a strip  
club not in a wrestling ring like  
you two should be in and stop  
touching each other you are  
suppose to want to touch the girls  
and the girls to touch you, or  
even, you know what?

And they both relax and sit in the places waiting for the  
girls to arrive and have fun with them while Michael and  
Allison want to ask each other both at the same time

ALLISON AND MICHAEL

So where are you from?

When suddenly Cyril comes back to stage from the band area

get this boy wet before you even  
start are you sure you want to  
take this chance?

And Jojo smiles deathly and kris says to them two

to Paddy

JORDAN

Hey paddy what do you think! Can I  
cancan like these girls that were  
on stage and tease people for  
money and for my body?

And Paddy looks at Jordan and says

PATH

Jj don't call me Paddy, I hate that name and you better not be thinking about going up on stage because they'll throw you out of here as soon as you will be able to say "no body paid to see me on stage" and realise that, that is the reality and the life we are all living in at the moment, they don't know us here, it is our very first time here and i don't want to be kicked out of here please and i sure in hell want to come back to this place again please.

Mean while Allison sees Cyril next to her and she looks at him smiles and says

And Cyril smiles while saying to them both

CYRIL

Well she is is really tired after

and we both climaxed to new

a new kind of level

And Michael chokes a bit while Allison paths his back  
gently and Cyril says

give them some privacy

ALLISON

Thanks C. you two

And Michael asks her

MICHAEL

So when are you planning on  
telling me you were a striper here  
Allison?

And she looks at him and sarcastically asks him

ALLISON

Oh I see you think you know me  
well already and how did you  
figure it out?

And Josh says to Michael

JOSH

Miky you can flirt with that girl  
and watch the girls at the same  
time you know, heart break kid and  
by the way it is not polite to say  
what you have just said, i bet she  
won't stay with you after that,  
you need to be careful with you  
words and not insult people like  
that sometimes i really don't know  
what is wrong with you, i tought i  
explaind my self better to you all  
those time we spoke before, you  
are mising your tact, i need to  
have a serious conversation with

While he smiles deviently at Allison for teasing her to see  
the girls on stage as well And she looks at him confidently  
and smiles making josh nervous and under spot light which  
he then throws his eyes back while paddy says to Jordan

PADDY

Jj you think he remembers he's in  
a strip club? or is he too much in  
love with her right now to even  
notice?

And Jordan looks at Allison and Michael and asks Paddy

JORDAN

Why does it matter I think any way  
they want more than friendship  
tonight if you know what I mean  
ha-ha Em..

And Michael says to them

MICHAEL

Guys you know we can ear you two  
right?

And they ignore him on purpose while teasing him with their  
smile and Allison says to him while a guy from the back  
asks her

A WEIRD GUY

Excuse me miss can u please move  
down so that I can see the girls  
on stage your too tall

And michael looks at him about to slap him when he  
understand he is too drunk to even understand what he is  
saying, as now the hells angels and the marines scream

HELLS ANGELS AND THE MARINES  
 Give us some American pussy! booze  
 get off the stage

And they start screaming more and more while the girls point them their middle finger both of them when suddenly big Jo Jose who's also the security advisor of the club comes in and looks at them and they shush on spot and he place his finger on his mouth explaining them "sh" be quite or be out of the strip club!! With his finger alone, "silent kills"

And he then sees Kris goes up on stage start performing and singing the song

KRIS  
**Blue orchid - by the white stripes**

When she starts a slow strip tease while searching for jose with her eyes, while striping and when she sees big Jo - Jose in front of her standing there she smiles to herself and starts really moving fast and sexy being almost totally nude and seeing him looking at her and being with his jaw almost broken from unbelieving her when he's getting this excited and he mumbles to himself

JOSE - BIG JO  
 Hail praise the virgin Mary if I'm  
 about to faint on the floor and  
 believe I'm in naked heaven with  
 my Kris

And the hells angels are about to say to her to take her panties down and show her pussy but they instinctively look at big Jo - Jose and shut the hell up from being scared and he continues smiling while Kris teases the all room of audience even the girls with her hot sexy naked body And when she finishes big Jo - Jose claps his hands the hardest he can and screams

BIG JO - JOSE  
 you show them Kris you sexy ass  
 devil

And Michael and Allison looks stunned by Kriss and say to each other

MICHAEL AND ALLISON  
 (Michael) she was good, (Allison)  
 I can't remember her this yamable

And they both look at each other when they hit the spot and think they should get to the ladies room to hit the mark (havesex) and they immediately get up and go there when Jordan and Paddy are looking at them go and gently say

JORDAN AND PADDY

Well that's not gonna be the first  
time for any of them I think, at  
least have fun.

And Josh smiles when suddenly the crowd want more of Kris  
and they start chanting

THE ENTIRE CROWD

Kris, Kriss, Kris, Kris, Kris.

And Kris goes up on stage again and one guy accidentally  
bumps into an hells angel and spills his drink when the  
biker turns back to him and opens his eyes about to kill  
him when he starts punching him first and the other  
business men try to separate them and the marines Eiger to  
fight, now, taht they are out of the army, a fist fight  
starts with the hells angels and a strip club brawl appears  
when the girls try to hide away while they were lap dancing  
on them and Kriss looks at them smiling and being proud at  
herself saying

KRIS

Hey not bad for a Russian girl  
like me, to be fought over, nice.

And she sees big Jo - Jose calling the security guards to  
separate and calm some of the men down when he sees a biker  
about to break a bear bottle on some guy head and he taps  
the guy and makes him turn around and sees that he is  
standing there and he is about to fight him back when big  
Jo - José lifts them both in the air and suddenly the all  
place become quite when he looks deep in their eyes still  
while their in the air by him and before he says anything  
Josh, paddy and Jordan say

JOSH , PADDY AND JORDAN

Well itis not wrestlemania, but he  
could still chockeslam them both  
into the table

And kris says

KRIS

Hail Mary for if they even move he  
will break them apart

And big Jo - José stare them down while we ear the band  
starts playing while big Jo José is singing to the two of  
them as the rest of the band sing with him:

JOSE - BIG JO

**The club can't handle me - by flo  
rida feat. david guetta**

To mellow down the atmosphere and Big Jo - Jose asks them

BIG JO - JOSÉ  
 you think the club can handle me  
 now?!

And his hip hop gangster artists friends look at him with respect and agree when they stand up for him When they all start shaking hands and get along when they get back to their sits and big Jo - jose is getting towards the stage room where the fitting room is and the fire exit to breath some fresh air and relax from this situation and as he arrives José - big Jo is breathing some fresh air in between the exit door and the club interior while the door is open Kris went already off stage and she comes out from their fitting room already dressed different from showing her naked body and says to him

KRIS  
 Hi big guy, you know, I did not  
 know you had this side in you to  
 be calm and not break their faces  
 and throw them out like you did in  
 vegas

And big Jo - José looks down at her by being this tall and while sadness on his face he replies

BIG JO - JOSE  
 Neither did I knew I still had  
 this side in me after all this  
 years I rarely have a chance to  
 show it these days unfortunately

And Kris smiles sadly back at him and says to him

KRIS  
 you know I come from a place where  
 we donot see this much kindness in  
 moscow, back in Russia, I mean and  
 I kind like this side in you and I  
 think you should pick me up  
 tomorrow from my house at 09:00PM  
 and I don't need to give you my  
 number since you already know it  
 José And by the way.. I'm not that  
 gentle big boy

While she walks away into her fitting room and he smiles at her being this surprised And laughing to himself from joy

question himself and they all laugh at him when Allison  
replies

ALLISON  
Well I had an abortion once by a  
guy who raped me and I didn't want  
to remember that moment and I was  
lost so I took my only way out  
with out thinking and drugs and  
money were involved so I got lost  
and I found myself in Cyril's wife  
Cassandra's hands and she took me  
in when I applied for a job there  
and for three weeks none stop she  
didn't even live me for a second  
she treated me and made sure I  
came back to my senses

souls

And Paddy adds

PADDY  
Yea I'm sorry for if I said until

ALLISON

Hold on a minute what were you about to say you think it's funny Laughing at me to break up with me

As Michael gets confused and replies

MICHAEL

ALLISON

Michael! Then what is it do not  
delay it man you are tensing me  
too much and i am afraid you will  
live me because you are not sure  
anymore about us Is it my past  
that hunts you?

As Michael raises his voice not to be angry but to be  
caring

MICHAEL

Noo stop saying that allie you  
should know better I do not  
fucking care about your past It is  
not my concern

As Allison gets it the wrong way and gets hurt by his words  
missconfusing herself by his own meaning to the words he is  
choosing and why

As she starts crying a bit as she says to Michael

ALLISON

Go get some fresh air do not fight  
with me here and now its already  
too much for me you can not  
imagine How I feel right now

As he starts shading tears by looking at what he just  
caused her to feel by not being able to speak openly with  
her as he just wanted to ask her something nice, As she  
steps towards the window looking outside as he tries to get  
close but stops a bit before and says to Allison

MICHAEL

Listen I need some fresh air to be  
able to speak with you since I am  
not sure if you think the same way  
of me (as he messes up by not  
saying "feel" the same way)

Standing behind her, as she slaps him and tells him

ALLIE

Don't ever use that word with me  
you know exactly what it means to  
be for some one to make me  
disbelieve in myself and be a man  
for what you want for your own  
needs!!

And Michael get hurt emotionally as he starts loosing his  
own reality and replies

you believed in me allie, Not  
executing me for nothing

something else and maybe she misunderstood his emotions or  
meaning to his own words, by trying to hug him and he lets  
her hug him but feels so much pressure he feels her and  
back away a bit saying

MICHAEL (CONT'D)

I'm sorry allie I didn't mean  
being like this aggressive

THE REVERENT  
 You five, may now kiss and make  
 out for this time, Congratulations

As they five couples kiss each other and hug as everyone  
 pop their champagne and beer bottles and dance to the music  
 as the reverent sings now
