

005 - The New Savvy Adventures

By JourneyJay

Fade In.

INT. HQ ELEVATOR (UNIVERSE 3) - DAY

Employee 12 is riding down the elevator, watching the numbers fall one by one.

ANGLE ON ELEVATOR DOOR

The doors open. Parallel Chair Spinner, from "The Jennifer Chronicles", is with his board, prepared to enter the elevator. They are shocked by Employee 12's professional attire. Parallel Chair Spinner pins him to the wall and holds a weapon to his head.

PARALLEL CHAIR SPINNER  
Perhaps you'd like to tell us what  
you're doing here-

EMPLOYEE 12  
I-I was looking for JourneyJay!

PARALLEL CHAIR SPINNER  
Why?!

EMPLOYEE 12  
He's the only one my boss wants to  
talk to right now! Please don't kill  
me!

PARALLEL CHAIR SPINNER  
Who's your boss mate?!

EMPLOYEE 12  
Well...you are...sorta.

Parallel Chair Spinner ponders momentarily and proceeds:

PARALLEL CHAIR SPINNER  
Men, delay my previous orders. We'll  
take on the enemy another day!

He looks at and cleans off Employee 12.

PARALLEL CHAIR SPINNER  
Tell me more...

Employee 12 looks concerned.

INT. HQ FLOOR 60 (UNIVERSE 3) - DAY

Employee 12 approaches a console, readying the node:

PARALLEL CHAIR SPINNER  
So you're telling me, that this whole  
time, I've been running this hell hole  
company in another universe!

EMPLOYEE 12  
I didn't even expect you to exist in  
this universe let alone be against  
your own corporation.

The node door opens.

INT. HQ FLOOR 60 (UNIVERSE 2) - DAY

Employee 15 has finished welding the elevator door shut and  
has almost finished welding the side door shut as well when  
the node door opens:

EMPLOYEE 15  
How did they get that open?

Employee 12, Parallel Chair Spinner, and his board enter the  
room. Employee 15 takes the offensive and begins  
firing...everyone scrambles for cover:

EMPLOYEE 12  
What the hell are you doing?!

EMPLOYEE 15  
This ends today!

EMPLOYEE 12  
Stop shooting!

BOARD MEMBER  
We come in pe-

The board member is vaporized.

Parallel Chair Spinner ponders employee 15's actions and  
yells:

PARALLEL CHAIR SPINNER  
I am here to end it as well! Please  
lower your weapon!

Employee 15 vaporizes the last two board members, having

slaughtered them all.

EMPLOYEE 15

Come out.

Parallel Chair Spinner raises his hands up and steps forward:

PARALLEL CHAIR SPINNER

There is a war in my universe...I suspect you are aware?

EMPLOYEE 12

A war?!

Employee 15 shoots and vaporizes employee 12's cover:

EMPLOYEE 15

Shut up!

PARALLEL CHAIR SPINNER

You're afraid of it coming here aren't you?

EMPLOYEE 15

It's only a matter of time...

Parallel Chair Spinner has gotten close to Employee 15:

PARALLEL CHAIR SPINNER

The last thing I want, is for that to happen.

Parallel Chair Spinner kicks Employee 15, sliding him to the ground, puts him in a lock, and knocks him out. Employee 12 approaches:

EMPLOYEE 12

People are going to trip when they hear about this.

Parallel Chair Spinner gets up and looks at him:

A pause.

He vaporizes Employee 12 with the gun from Employee 15.

PARALLEL CHAIR SPINNER

Hopefully they won't.

EXT. SECOND SCHOOL ROOF - DAY

Jaysin has exited the helo and is met by DANNYBOY, a hip-hop and rock musician.

DANNYBOY

Whoever you are, you're going to want to get out of here!

JAYSIN

I'm not leaving without my prize!

DannyBoy stands in front of the door.

DANNYBOY

This is bigger than you.

JAYSIN

If you don't get out of my way imma have to bust some teeth!

DANNYBOY

...what is it you want?

Jaysin goes to tackle DannyBoy, who hastily busts out a wooden slap device from Codename Kids Next Door, striking Jaysin in the face. He then pulls out a gumball gun and begins to shoot gumballs at Jaysin, who retreats to the helicopter:

DANNYBOY

This is your last chance!

EXT. FREEWAY - DAY

Ricky Story has a pile of parts from Twiztid in his hands:

RICK STORY

I-I can fix this!

ANGLE ON CAR PARTS WERE IN

We see a glow identical to the one seen in GET SAVVY on the poster of Twiztid while Ricky Story continues on:

RICK STORY

All I have to do is summon the powers of darkness to restore their strength!

POV PERSON IN CAR

The person in the car grudgingly proves they have survived the crash, and make their way to Ricky Story. On the onset of contact, Ricky Story turns and screams.

ANGLE ON PERSON TO REVEAL THEM TO BE A MUTILATED AND UTTERLY MANGLED "BLAZE YA DEAD HOMIE".

Blaze grumbles and puts on his top hat, producing magical streams of energy from out the edge. Just as Shazam becomes a man...Blaze is restored to excellence.

RICKY STORY  
Power overwhelming!

UBRUPT STOP

Blaze shows irritation.

BLAZE YA DEAD HOMIE  
What?!

RICKY STORY  
...I...nvm.

ARC SEVERAL TIMES AROUND BLAZE AND TWIZTID:

Blaze produces a cane, dark and powerful, with green cracks streaming down it's sides. He hits the ground, which cracks...lifting up and down repeatedly. Light shines out of the cracks and Twiztid begins to reform. Ricky Story is stunned and amazed.

3:14:91

EXT. COMMAND POST - DAY

Joseph Young is trying to unlock the node door. Employee 13 lays on the ground:

JOSEPH YOUNG  
All my years running security and I  
can't open a door?!

SPLITSCREEN

Boxes showing the Snipers with Savvy, Madwolf with CultGang, Joseph Young with Employee 13, and Ricky Story with Twiztid and Blaze appear as the flash of light from ep. 004 takes place. Everyone in vehicles stops and observes.

EXT. POLICE PRECINCT - DAY

We return to the exact frame that ended ep. 004. The frame moves up to showcase the blinding light in the distance:

JOURNEYJAY 6

Do you guys not notice that?!

When they look, JourneyJay 6 grabs JourneyJay 7's wand and snaps it in half.

JOURNEYJAY 7

Oh no, not my wand!

JourneyJay 6 grabs JourneyJay 7 and throws his head into the ground and whispers in his ear:

JOURNEYJAY 6

I won't let you take our multiverse...

Marcus Pearson and Damon Goss pull him off of JourneyJay 7 while Sober Junkie helps JourneyJay 6 off the ground.

SOBER JUNKIE

What kind of person pulls a stunt like that?

JOURNEYJAY 6

None of you will protect us. People will die without me!

SOBER JUNKIE

All I see is a piece of shit with nothing better to do than mess up his...uh...twin?

Sober Junkie looks at JourneyJay 7:

SOBER JUNKIE

How did you do that, bringing him about from the ashes on the ground?

JourneyJay 7 partially recovers:

JOURNEYJAY 7

Magic!

LOZ GREENFLY

Magic...nice.

MARCUS PEARSON

I think maybe we should put this guy  
somewhere where he won't hurt anybody.

Hugh Turner picks up the broken wand:

HUGH TURNER

And how exactly does one do...magic?

JOURNEYJAY 6

His so called magic is not what it  
seems. Powerful as it is, he holds no  
true power in our universe.

JourneyJay 7 looks disgruntled, then he farts. He now looks  
relieved:

JOURNEYJAY 7

I pooped...

Sober Junkie gives him "the look":

SOBER JUNKIE

...um...not what I expected to hear.

JOURNEYJAY 6

He's filled with nothing but  
propaganda! Listen not to his lies!

JOURNEYJAY 7

I can smell it though...smells like  
broccoli.

JourneyJay 6 struggles for freedom.

LOZ GREENFLY

You need to just relax and let this  
anger exit your body bruh.

SOBER JUNKIE

You know I came up here after hearing  
of an incident on the scanner just  
before everyone vanished. I didn't  
expect this to be my discovery.

4:47:38

PERFORMANCE || 2 MINUTES || SOBER JUNKIE

6:47:38

JOURNEYJAY 6

I will kill you. I will kill Savvy. I will kill everyone that puts themselves in between myself and power.

SOBER JUNKIE

Savvy who?

JOURNEYJAY 7

Oh. You don't know.

MARCUS PEARSON

Neither do I. I don't think any of us do.

Retrostate affirms by their reaction that they don't know anything about Savvy.

JourneyJay 7 starts to walk back to the entrance of the precinct:

JOURNEYJAY 7

It's a long story you guys. Let's talk about it inside.

JourneyJay 7 farts and grunts while walking. Everyone follows him.

7:14:20

EXT. FREEWAY - DAY

Blaze is talking to Twiztid:

BLAZE YA DEAD HOMIE

Well I had to wait for Ricky!

RICKY STORY

Me?!

MONOXIDE

You know how much it sucks being a pile of body parts for who knows how long!?

MADROX

Who are these two poor guys?

ANGLE OF 48'S CAR

The bodies of 48 and sniper 2 are crushed and lifeless.

RICKY STORY

...Are you going to bring them back too?

BLAZE YA DEAD HOMIE

...nah.

Madrox chuckles.

MADROX

Alright well, I suppose while we're all here...

Madrox tenses up like in dragonball Z, veins popping everywhere and exacerbating his every fiber. Powerful energy radiates from him, a dark yet colorful power.

Monoxide follows suit, along with Blaze. Ricky Story expresses a total loss for words. The ground shatters open one final time, and a man shoots up into the air. They immediately stop.

BLAZE YA DEAD HOMIE

I bet twenty bucks he lands it this time.

Madrox and Monoxide pull out money.

EXT. SKY ABOVE FREEWAY - DAY

JourneyJay 8 reaches a peak in his ascent. He is wearing Majik Ninja Entertainment attire, including a top of the line snap back.

He begins to fall, panicking and flailing his body around while extensively moaning in suspense.

EXT. FREEWAY - DAY

RICKY STORY

It doesn't look like he's going to make it.

BLAZE YA DEAD HOMIE

Wait for it...

JourneyJay 8 smashes into the floor. Blaze taps his cane, and JourneyJay 8 "pops" up and is spick and span.

BLAZE YA DEAD HOMIE  
Looks like I'm \$40 richer-

TWIZTID  
\*grumbles and complains

ANGLE ON JOURNEYJAY 8

JOURNEYJAY 8  
Rickkkkyyyy. What's good my man?

RICKY STORY  
JourneyJay...I thought I left you in a  
fire.

8:19:52

JOURNEYJAY 8  
Maybe you did.

MADROX  
Oh he definitely did!

BLAZE YA DEAD HOMIE  
Should we get going?

MADROX  
I don't know, maybe these two should  
get this sorted out.

JOURNEYJAY 8  
I don't think we have time to be  
sitting here talking about fires and  
me burning in them-

RICKY STORY  
Why's that?

BLAZE YA DEAD HOMIE taps his cane and his car is restored:

BLAZE YA DEAD HOMIE  
I'm sure you're aware of the powers  
that be Ricky...

Ricky looks at him in disbelief:

JOURNEYJAY 8  
They are coming to take this universe  
for themselves.

MONOXIDE

If we have anything to say about it,  
we'll be leaving here without a  
scratch on their heads. But if we must-

MADROX

Let's not even consider it until and  
unless that time comes ok?!

JourneyJay 8 looks at Ricky Story desperately:

JOURNEYJAY 8

You're rather with us...or against us.  
I know you're inclined to believe what  
the company has put in your head, but  
for now...trust your faith.

Ricky glances at everyone and makes a choice to go along.

9:12:35

EXT. MADWOLF'S CAR - DAY

DreadPirate has been pulled out the back window. Willy4m and Hoodie are trying to get him back into the car. He is being yanked as though a tornado were sucking him in, but there is nothing there. The car is being yanked as well, but Madwolf pumps the gas:

MADWOLF

Get him back in the car!

INT. MADWOLF'S CAR - DAY

WILLY4M

We're trying!

DREAD PIRATE

Try harder!

EXT. MADWOLF'S CAR - DAY

POV DREAD PIRATE

The struggle to hold onto Dread Pirate. Hoodies hands slip, forcing Willy4m halfway through the back, which jolts him into letting go. Dread Pirate flies backwards:

HOODIE

Dread!

MASTERSHOT

Dread Pirate is sucked through an invisible portal, and the car is freed of the suction. It initially accelerates but Madwolf takes his foot off the gas and slowly stops to protect Willy4M.

Madwolf gets out of the car and opens the back door:

HOODIE  
My hand slipped!

MADWOLF  
We don't have time for this. Make sure  
Willy's ok.

ANGLE ON BACK OF CAR

Willy slowly maneuvers back into the car:

WILLY4M  
ugh...yeah, I think I'm go-

He hits his head on the way in.

MADWOLF  
We're going to get him back.

Hoodie gets out of the car.

HOODIE  
I want some answers Madwolf! Since  
when are you working for HQ?!

Madwolf looks back at Hoodie, then turns around and gets in his face:

MADWOLF  
They work for me.

A Pause.

Madwolf walks back to the driver's seat:

MADWOLF  
I'll explain on the way.

HOODIE  
You should explain now!

MADWOLF  
NO TIME HOODIE...

Madwolf starts the car. Hoodie, hesistant, but defeated, gets back in the car. The once again drive off:

WILLY4M  
...pretty much his little bitch-

HOODIE  
Wha-shut up bro!

Willy4M laughs.
