

009 - The New Savvy Adventures

By JourneyJay

EXT. CITY AREA 3 - DAY

Rotating around two persons, we watch the beginning of a battle between Axe Murder Boyz and G-Mo Skee, rappers from Majik Ninja Entertainment:

G-MO SKEE  
You think you can take on the  
filth?!!!

The Axe Murder Boyz simply give a look like, "yeah, right". They then proceed to burn G-Mo with a 2 minute continuous rap as the camera editing switches to a music video style.

G-Mo is physically sunburnt from the performance and goes to roast back for a consecutive 2 minute performance of his own, after a remark:

G-MO SKEE  
(Calm. Collected.)  
Oh wow, that really burns.

After the performance:

EXT. CITY AREA 3 - DAY

Kristen Stewart walks up and she produces a trophy...two

trophies of equal value and awards both G-Mo Skee and Axe Murder Boyz with contracts to be a part of something, which they both sign using tables which are just suddenly there.

The car comes down and Blaze steps out.

BLAZE YA DEAD HOMIE  
Welcome to the party!

The Northwest Fresh, a hiphop and R&B group, walks up onto a stage to perform. While approaching the stage, they fist bump members of 1320 Vision Music Group, a record label, who are at the party. Marquis, a member of The Northwest Fresh speaks briefly to Marcus James, head of 1320 Vision Music Group. During the dialog, visual ques show exactly who is part of 1320 Music Group and how The Northwest Fresh was a part of but is now independent of the group:

MARQUIS  
No hard feelings?

MARCUS JAMES
