Celio comes busting into the room:

CELIO  
That's because I need great content to keep this platform alive! We talked about this Ryan-

JUSRYAN  
You never said anything about my lustful assistant or clowns,

like...just look at him!

ASSISTANT

Oh Flip Flop, you're back!

Flip Flop licks her feet while Freckled Hobo barges into the discussion:

FRECKLED HOBO

Poor Ryan, maybe if you'd take my hand-

JUSRYAN

Get away from me woman!

She grabs his hand and a freckle hops off and takes control of him. It is revealed that KingDaddyG is also under her whim.
