No, I was at home.

BLAKE nods, then looks at PATRICK... He nods.

CUT TO:

**INT. MAIN HALL - NIGHT**

DRINKS ALL AROUND... Everyone is having drinks. And as before, everyone is enjoying other than TYLER.

DULL FACE... TYLER is not even aware of what others are talking about.

MIKE  
But we have to thank him...

CHRISTIAN  
Certainly...

TYLER looks around for a moment.

GEORGE  
Tyler?

TYLER  
Yeah...

GEORGE  
Where the hell are you, man?  
(beat)  
It's party time.

IRIS  
No.

Everyone glances at IRIS.

IRIS (CONT'D)  
It's dance time.

CHRISTIAN  
I'm waitin' for the couple dance,  
babe.

They laugh.

IRIS  
Silly boy.

MARY  
C'mon guys...

ALEXA  
Yeah...

BLAKE[O.S]  
Tremendous...

SILENCE FOR A MOMENT. Everyone looks at the entrance. BLAKE and PATRICK stand... SMILES.

CONFUSION... Everyone looks at them.

BLAKE (CONT'D)  
Tremendous house.

PATRICK  
Of course, Chief...

They are coming towards the group. TYLER STANDS... SURPRISES.

BLAKE  
And if I'm not wrong... It's Mr.  
and Mrs. Hill's place.

They stop in-front of the group. BLAKE notices the blank faces.

TYLER  
Yes... It's mine.

BLAKE  
You're?

TYLER  
Tyler... Tyler hill.  
(beat)  
Who're you?

BLAKE  
I'm...

IRIS  
Maybe I know him.

BLAKE and TYLER look at her. IRIS comes ahead... To get a better view of BLAKE.

IRIS (CONT'D)  
(surprises)  
BLAKE TURNER... He is Blake Turner.

EVERYONE LOOKS AT HER.

IRIS  
Chief of Police...

STUN... Everyone glances back at BLAKE. TYLER looks in fear.

ALEXA  
How do you know?

IRIS  
He was just amazing in that museum  
case...

BLAKE SURPRISES... Then nods.

IRIS (CONT'D)  
I have been your great follower,  
Officer.

BLAKE smiles... PATRICK notices TYLER, who looks nervous.

DAISY  
But why you are here, Officer?

BLAKE  
Lilly Cruz...  
(Pointing towards Tyler)  
Your neighbor?

TYLER  
Y... yes.

BLAKE and PATRICK look at each other for a moment.

PATRICK  
She is no more.

TYLER STUNS. As the other... SHOCKS.

TYLER  
What are you talkin' about?

BLAKE  
It's true.

TYLER  
Jesus Christ.

BLAKE notices TYLER... Very carefully.

DAISY  
When did it happen?

PATRICK  
We also gotto know just a while ago.

MIKE  
But how?

BLAKE SIGHS.

BLAKE  
That's why we are here...

SHOCK... TYLER gets more nervous.

TYLER  
Here?

BLAKE  
Yeah... Her son told us that she visited your place.

TYLER  
Don't know... May be mother.

BLAKE  
Okay... I see.

TYLER nods.

BLAKE (CONT'D)  
Then where is she?  
(beat)  
Where are your parents?

TYLER swallows hard.

TYLER  
They are sleeping.

BLAKE  
(Confusion)  
At this time?

CHRISTIAN  
One second...

BLAKE AND TYLER look at him.

CHRISTIAN (CONT'D)  
You said that they aren't home.

GEORGE  
Yeah...

MARY  
Definitely yes.

MIKE  
Sounds true...

TYLER  
Wait... Wait... Wait!!!

BLAKE and PATRICK again glance at each other. DAISY is silent. LOOKS AT THEM.

TYLER (CONT'D)  
They are here... Sleeping.

IRIS  
As the officer said... This time?

TYLER  
They were tired... Exhausted...  
That's why.

TYLER turns to BLAKE.

TYLER (CONT'D)  
Officer...

ALEXA  
But why did you lie to us?

GEORGE  
That's what I'm talkin' about...

TYLER shakes his head in disappointment. BLAKE is silent. He examines the behavior of TYLER... Which looks different.

TYLER  
If I told you guys about it...  
(Shaking his head)  
You wouldn't have been here.

EVERYONE LOOKS AT EACH OTHER.

TYLER  
Tell me... You would?

Everyone gets silent.

TYLER (CONT'D)

You guys know everything. You should understand my situation...

(beat)

After all, nothin' is hidden.

CHRISTIAN

It's okay, mate.

MIKE

Absolutely Tyler.

TYLER smiles a bit. Then turns towards BLAKE.

TYLER

Officer, you can see them... But in the morning.

BLAKE IS SILENT. Then he looks at his watch...

BLAKE

It's 9... Tyler.

TYLER

There's somethin' called privacy... Hope you can understand.

IRIS

If he wants, you can call them.

They glance at IRIS.

IRIS (CONT'D)

Just for a while.

TYLER

Iris...

BLAKE notices the finger movements of TYLER... He is a bit panicking.

IRIS

You should help them, TYLER. Someone is dead.

BLAKE and PATRICK look at each other for a moment. PATRICK nods... As if he understands something.

ALEXA

Yeah... Someone lost his life.

GEORGE

Guys calm down...

MARY

Yes.

GEORGE

Look Tyler... If you can call your parents, it would be very helpful.

IRIS

Exactly.

STILL... DAISY is silent. BLAKE CONTINUES TO WATCH TYLER.

TYLER

Guys... I'm just sayin' that he can meet in the morning. Nothin' else. I'm not stopping him.

BLAKE

Mr. Tyler.

TYLER turns.

BLAKE (CONT'D)

Just go and try for once.

TYLER

But officer...

BLAKE

Mr. Tyler...  
(beat)

BLAKE (CONT'D)

You haven't lost someone.

UPSET... TYLER downs his head.

BLAKE (CONT'D)

But a small boy had...

PATRICK

If you aren't...

TYLER looks at him.

PATRICK (CONT'D)

Perhaps I can...

TYLER

NO. No. No... I will.

BLAKE nods... TYLER gets more scared.

BLAKE  
That would be helpful.

TYLER SIGHS... He turns and moves towards the hallway. BLAKE again watches him.

DAISY looks at BLAKE, who continues to watch TYLER... TILL HE DISAPPEARS.

PATRICK  
Sir.

BLAKE doesn't hear.

PATRICK (CONT'D)  
Sir...

BLAKE  
Yeah... Yes, Patty.

PATRICK  
Hayden and team has arrived.

BLAKE  
Great.

Other than DAISY... The other six are busy in each other.  
TALKING AND DISCUSSING ABOUT IT... TENSION.

But DAISY is silent. BLAKE notices it. DAISY looks around... CONCERN.

BLAKE (CONT'D)  
Patty?

PATRICK  
Yeah...

BLAKE  
Make sure none of them comes after me.

PATRICK nods.

BLAKE (CONT'D)  
I'm just coming.

PATRICK  
Sure, chief.

BLAKE began walking towards the same way TYLER goes.  
CONFUSION... DAISY looks at him.

DAISY  
Officer... Where is he goin'?

PATRICK  
Don't worry he is coming...

DAISY  
But why he's following?

PATRICK  
Don't panic. Calm down.

DAISY  
But...

THE OTHER SIX ALSO GET CONFUSED...

GEORGE  
Why he goes there?

PATRICK  
No need to worry. He'll be back.

DAISY sighs in concern.

CUT TO:

**INT. BEDROOM - NIGHT**

STUNS... TYLER stands in a shock. SWEATING ALL OVER...  
Looking at something very scary.

He swallows hard.

BLAKE  
Holy shit...

TYLER looks at him. Gets more terrified.

JASON AND ALYSSA ARE LYING MOTIONLESS ON THE BED... DEAD.

SHOCK... BLAKE eyes are wide. But TYLER is not even moving an  
inch. BLAKE looks at him, shaking his head.

BLAKE  
Sleeping...

TEARS FALL FROM TYLER'S EYES... He downs his head.

BLAKE (CONT'D)  
 (Shouts)  
 PATRICK !!!

CUT TO:

**INT. MAIN HALL - NIGHT**

REGRET AND PAIN... TYLER sits in-front of BLAKE.

SAD... DAISY is next to TYLER. The others are also presented in the hall. EVERYONE IS SHOCKED.

PATRICK and VICTOR is at the back... JUSTIN stands next to VICTOR with his dull face.

BLAKE  
 So Mr. Tyler... I understand why you weren't allowing us.

TYLER is silent.

BLAKE (CONT'D)  
 I'll be straight at the point. Why did you do?

STILL NO REPLY...

BLAKE  
 Why?

TYLER looks at him.

TYLER  
 You'll not understand, Officer.

BLAKE  
 Yeah... Why would I...?  
 (beat)  
 But what you had done, it reveals the monster inside you.

PAIN... TYLER looks around for a moment.

BLAKE (CONT'D)  
 I can understand it...

TYLER  
 The monster which you are talkin' about is created by them.

TEARS FLOW FROM HIS EYES.

TYLER

It kept on growin'... The more they  
tortured , the more it grows.

BLAKE

For this, you'll kill your  
parents... And ensure that you can  
enjoy your party.

GEORGE, CHRISTIAN, MIKE, MARY, IRIS and ALEXA... They are  
stun. Feel bad about everything, their faces reveal it.

TYLER

They were ruthless.

CHRISTIAN shakes his head... DISAPPOINTMENT. BLAKE sighs for  
a moment.

BLAKE

Before arresting... just tell us  
how you did?

TYLER SIGHS... He downs his head in disappointment.

TYLER

I just...  
(beat)  
...mixed the poison in the  
pastries.

BLAKE

(Surprise)  
Pastries...

CUT TO:

**BEGIN FLASHBACK:**

**INT. KITCHEN - NIGHT**

BLAKE is in JUSTIN'S KITCHEN... He examines each and  
everything.

He glances at a used plate in the sink.

CUT TO:

**ENDS FLASHBACK**

**INT. MAIN HALL - NIGHT**

BLAKE  
The pastries...

SHOCK... BLAKE turns and looks at JUSTIN. He stands and again glances at TYLER.

BLAKE (CONT'D)  
Your mom gave his mother the same pastries, Tyler.

TYLER LOOKS IN SHOCK. SURPRISES... VICTOR looks at JUSTIN.

VICTOR  
Did you eat the pastries?

JUSTIN  
No, Mother asked me to eat but I was full...

VICTOR sighs in relief.

JUSTIN (CONT'D)  
But she eats.

VICTOR looks at BLAKE.

PATRICK  
(Low voice)  
Poor kid...

SURPRISE... TYLER looks at JUSTIN. But he is silent.

BLAKE  
You took three lives.

Then BLAKE glances at JUSTIN.

BLAKE (CONT'D)  
And a kid's life is destroyed.

VICTOR holds the hand of JUSTIN... TYLER downs his head in disappointment. DAISY holds his hand... TEARY EYES.

THE OTHERS ARE ALSO SHOCKED BY EVERYTHING. But they are silent.

BLAKE (CONT'D)  
Arrest him...

CUT TO:

**INT. BEDROOM - NIGHT**

JASON and ALYSSA'S DEAD BODIES lies on the bed...

**HAYDEN ORTIZ, MID-30S, MEDIUM HEIGHT, BEARD... THE FORENSIC OFFICER...**

His team mate, **PAUL WILSON, EARLY-30s, Tall man.** PAUL takes the pictures of the bodies.

HAYDEN examines the bodies.

PAUL  
So the case is over...

HAYDEN  
Yeah. The son is the killer.

PAUL  
Shit...

HAYDEN  
Yeah... It's normal, man. Hundreds of cases are like this.

PAUL  
Experienced.

HAYDEN  
Perhaps.

PAUL chuckles.

HAYDEN (CONT'D)  
But we have to do our work.

PAUL  
Certainly...

PAUL continues to take photos. Suddenly... something caught the eyes of HAYDEN. THE SIDE DRAWER IS A BIT OPEN.

He open it full. Takes out a plate with two pastries in it... CONFUSES.

HAYDEN  
What the heck?

PAUL  
What happen?

PAUL walks near him.

PAUL (CONT'D)  
What's this?

They look at each other.

CUT TO:

**INT. MAIN HALL - NIGHT**

TYLER stands... Next to him is DAISY. PATRICK is about to arrest him.

BLAKE is on the call... MEANWHILE TYLER speaks with his friends. DAISY sobs.

TYLER  
I don't know what to say... But I  
led you guys down.  
(beat)  
I'm sorry... Don't know you'll ever  
see me or not.

They are silent... UPSET.

TYLER (CONT'D)  
Please forgive me, guys.

CHRISTIAN  
Tyler my brother... I still can't  
believe.

IRIS  
We know you were goin' through a  
lot, but this wasn't the way...

TYLER GETS MORE DISAPPOINTED. CHRISTIAN shakes his head.

IRIS (CONT'D)  
(Shaking her head)  
It seriously wasn't...

DAISY gets a bit closer to TYLER... To say something.

DAISY  
Tyler you are hidin' somethin'...  
Please tell the truth.

TYLER  
(Shock)  
Daisy...

DAISY  
No, Tyler. You are hidin'. It's not  
the truth.

TYLER looks at the other way.

DAISY (CONT'D)  
We can have a lawyer.

TYLER  
Daisy, I already confessed.

DAISY  
(Sobs)  
Please, Tyler. I love you. I know  
you can't do that.

TYLER looks in her eyes. He shakes his head... HOPELESS.

BLAKE  
TYLER...

TYLER turns.

BLAKE (CONT'D)  
Time to leave.

BLAKE looks at PATRICK... Signals towards TYLER. PATRICK  
nods.

He takes out the handcuffs... And walks towards TYLER.

SUDDENLY... HAYDEN and PAUL emerge with the plate of  
pastries.

HAYDEN  
Chief...

Everyone looks at them.

HAYDEN (CONT'D)  
We found somethin'.

BLAKE  
What?

HAYDEN  
This...

He shows the plate of pastries to him. PATRICK also stops...  
TYLER STUNS LOOKING AT THE PLATE.

AGAIN BLAKE NOTICES THE FACIAL EXPRESSION OF TYLER.

BLAKE  
From where you find this?

HAYDEN  
In the bedroom drawer.

Again BLAKE looks at TYLER.

BLAKE  
Tyler...  
(beat)  
What's this?

TYLER is silent. VICTOR walks near BLAKE. BLAKE thinks for a moment.

BLAKE (CONT'D)  
Hayden... Examine it very  
carefully. You know what I mean.

HAYDEN  
Got it.

BLAKE nods.

HAYDEN (CONT'D)  
Paul...

PAUL looks at him. Then he and HAYDEN walk towards the hallway with the plate.

Then BLAKE looks at TYLER.

BLAKE  
What are you hidin', Tyler?

TYLER is silent. THE OTHERS GET MORE CONFUSED... DAISY is also silent.

BLAKE (CONT'D)  
Tell us. How you did?

TYLER looks at him.

TYLER  
But I already...

BLAKE  
...no.  
(beat)  
How you performed everything? I  
wanna know...

EVERYONE GLANCES AT TYLER. TYLER sighs.

BLAKE (CONT'D)  
The planning.

TYLER  
My parents always come around 3 for a nap. They like to eat pastries in the break time... So as always they bought.

BLAKE listens very carefully... So as the others. Even JUSTIN looks at TYLER.

TYLER (CONT'D)  
I just get in the kitchen and take that pastries out and...

PATRICK  
And?

VICTOR  
Put the poison in... Isn't it?

PATRICK  
Killin' innocent people... Easy for you.

TYLER downs his head. BLAKE thinks something.

BLAKE  
Two things...

Everyone looks at BLAKE... SURPRISE.

BLAKE (CONT'D)  
Firstly, where is the poison?

TYLER looks at a CUPBOARD, which is in the corner of the hall.

TYLER  
(Pointing towards a cupboard)  
The drawer.

BLAKE  
Victor...

VICTOR walks to the cupboard... He opens. He finds a small bottle. He takes out. And walks back to BLAKE.

BLAKE looks at it carefully.

BLAKE (CONT'D)  
Take this to Hayden.

VICTOR  
(nods)  
Sure...

He walks off. Again BLAKE glances back to TYLER.

BLAKE  
Tyler... When did you mix the  
poison?

TYLER  
Just when my parents came, kept it  
in the kitchen and goes to change.

BLAKE  
Hm...

BLAKE again thinks something. SUDDENLY...

JUSTIN  
No...

BLAKE looks at JUSTIN.... So as TYLER and others.

PATRICK  
Justin...

JUSTIN looks at him.

JUSTIN  
He wasn't at his house.

BLAKE  
What?

SHOCK... TYLER HAS A HORROR LOOK ON HIS FACE.

JUSTIN  
I asked mom about him... And she  
told that he wasn't home.

PATRICK  
Goodness gracious...

BLAKE  
Tyler... Is he right?

TYLER is silent.

DAISY  
Please speak, Tyler... Tell the  
truth.

TYLER is still silent. On the other side... HAYDEN, PAUL and  
VICTOR emerge.

HAYDEN  
Chief...

BLAKE  
Haddy... You find anythin'?

HAYDEN  
Yes. And it's...  
(Looks at the others)  
...unbelievable.

BLAKE  
What?

TYLER looks at HAYDEN.

HAYDEN  
I checked the unused pastry plate  
which we found... And I found that  
it contained two kinds of Toxicant.

BLAKE listens carefully... So as others.

HAYDEN (CONT'D)  
The first one is Sodium cyanide and  
second one is Thallium.

BLAKE  
What's more, Haddy?

HAYDEN  
Sir, I walk inside the kitchen and  
found the used plates of the  
victims... It had some quantity of  
pastry on it. Which was enough...  
And it revealed that it only had  
Sodium cyanide.

BLAKE  
Jesus.

HAYDEN  
The bottle Victor gave me was of  
Thallium. Thallium isn't a strong  
toxic as it may take a day or more  
to effect... And can be cure if  
treated under few hours...

(MORE)

HAYDEN (CONT'D)  
 But Sodium Cyanide is very  
 powerful, it can kill under an  
 hour...  
 (beat)  
 Hence...

BLAKE  
 ...sodium Cyanide is the reason of  
 the death.

Everyone is stunned... TYLER is agitated. Getting more and more nervous.

BLAKE (CONT'D)  
 That is some information, Haddy.

HAYDEN  
 My work, Chief.

BLAKE nods... LOOKS AT TYLER.

BLAKE  
 Look Tyler... Now you saw  
 everything, it would be better if  
 you...  
 (nods)  
 You should.

TYLER looks around for a moment.

BLAKE (CONT'D)  
 Only you know what happened... May  
 be we can help you.

DAISY  
 You can try but you can't, Tyler.

TYLER looks at her... HOPELESS.

DAISY (CONT'D)  
 You can't.

TYLER  
 Nobody will understand that how  
 harsh they were on me... And  
 through what I was goin'.

DAISY sobs.

TYLER (CONT'D)  
 I was waitin' that it'll change...  
 Things will change at least once.  
 But I was wrong. I was in hope of  
 somethin' which was impossible.

TYLER looks at HAYDEN.

TYLER (CONT'D)

You told us about two Toxicant,  
isn't it? My parents were just like  
that... And another toxic they  
created in me, and today it was on  
his peak.

(Pauses)

I planned everything... I know when  
they'll come... when they'll  
sleep... when they wake up and when  
they have it for most no. of time.

BLAKE

Then...

TYLER

I planned exactly... Normally they  
wake up at 4:30, but today they  
didn't. I waited outside with the  
pastries... I waited... The tick...  
tick... sound of my watch was  
touching my soul. They were warning  
me, officer. They were warning...

TEARY EYES... He sighs for a moment.

TYLER (CONT'D)

Finally at 5, I decided to walk  
inside... And...

CUT TO:

**BEGIN FLASHBACK:**

**INT. BEDROOM - NIGHT**

TYLER WALKS INSIDE HIS PARENT'S BEDROOM.

ALYSSA and JASON lies motionless. TEARS FLOW FROM HIS EYES...  
He feels very bad.

He began shaking his head.

TYLER

I can't. I'm sorry god...

HIS FACE REVEALS GUILT... But suddenly, TYLER finds it  
strange. He notices that they are not breathing.

TYLER (CONT'D)  
 Mom... Dad...

TYLER keeps the pastry plate on the side table... He checks their breath, puts his finger in-front of the nose.

STUN... TYLER HAS A TERROR look on his face. They are dead.

TYLER (CONT'D)  
 Jesus Christ...

FEAR... HIS MIND ISN'T WORKING. He feels a bit unconsciousness.

He simply put the pastry inside the side drawer. Walks towards the door, but before walking outside, he turn.

TYLER (CONT'D)  
 Forgive me for sake.

CUT TO:

**ENDS FLASHBACK**

**INT. MAIN HALL - NIGHT**

CHRISTIAN  
 I was right...

BLAKE, PATRICK, VICTOR and JUSTIN... Who are at the opposite side looks at him.

CHRISTIAN (CONT'D)  
 He can't do it.

TYLER is in tear... He nods. DAISY also sobs.

IRIS  
 I don't have words.

BLAKE  
 Tyler...

TYLER looks at him.

BLAKE (CONT'D)  
 If you didn't... Then why were you accepting it?

TYLER  
 Even the think of killin' someone is a crime...  
 (MORE)

TYLER (CONT'D)  
 (Looks at Daisy)  
 And when it's your parents, it's  
 none less than murder.

DAISY hugs him. PATRICK looks at BLAKE.

PATRICK  
 What kind of a twist is this?

VICTOR  
 If he didn't mix, then who?

BLAKE is in deep thought.

The group gets closer to TYLER and DAISY.

GEORGE  
 We are sorry... Tyler.

TYLER  
 You don't have to be. I'm sorry...  
 Everything was my fault.

MARY  
 You did nothin', Tyler.

ALEXA  
 Just keep this in mind.

MIKE places his hand on his shoulder.

MIKE  
 Don't feel any kind of guilt.

CHRISTIAN  
 We know your situation, Tyler...  
 What all you were facing... But  
 unfortunately we weren't able to  
 change it.

TYLER  
 C'mon, man.

THEY HUG.

BLAKE  
 Haddy...

HAYDEN  
 Chief...

BLAKE  
You and Paul, finish the forensic  
work.

HAYDEN  
Sure...

BLAKE  
And one last thing... just check  
the house again properly... Hope  
you can find anythin'.

HAYDEN  
Definitely...

BLAKE  
And where are James and Cody?

PAUL  
Examining the body of the other  
victim.

BLAKE  
Umm... Lilly

HAYDEN  
Yeah...

VICTOR looks at JUSTIN... Who stares back at him. VICTOR  
downs on his knees.

VICTOR  
Hey, champ...

JUSTIN nods.

VICTOR (CONT'D)  
I know everything would be very  
tough for you... Isn't it?

JUSTIN sighs.

VICTOR (CONT'D)  
If you feel nervous or anything...  
Just lemme know.

Again he nods.

VICTOR (CONT'D)  
Don't keep anything inside...

JUSTIN  
Okay.

VICTOR embraces him. BLAKE looks at HAYDEN.

BLAKE  
Okay, you guys can go.

HAYDEN  
Sure, Chief.

JUST LIKE BEFORE... HAYDEN AND PAUL walks down the hallway.

BLAKE again is in deep thought.

Then he speaks...

BLAKE  
Tyler?

TYLER turns to look at him. DAISY and other did the same.

TYLER  
Yes, officer.

CHRISTIAN  
Please don't say that he did anything more.

BLAKE smiles a bit.

BLAKE  
No, that's not the case, but the case is still open. We haven't find

BLAKE (CONT'D)  
the real murderer. And we have to do our job... Hope you understand.

They nod.

BLAKE (CONT'D)  
Everything is connected to that black forest...  
(Looks at Victor)  
Isn't it?

VICTOR  
Certainly...

Again BLAKE thinks for a moment... Then says.

BLAKE  
Tyler... Do you know from where your parents could buy these pastries?

(MORE)

BLAKE (CONT'D)  
 (beat)  
 Like any particular shop.

Before TYLER can speak... DAISY says.

DAISY  
 Actually, they always buy from my  
 shop.

SURPRISE... BLAKE looks at DAISY.

BLAKE  
 You own a pastry shop?

DAISY  
 Yeah.. My father and me runs the  
 shop... THE PASTRIES HUB on Diamond  
 street.

BLAKE  
 Interesting.

All are silent.

BLAKE (CONT'D)  
 Today you were there when they  
 bought?

DAISY sighs.

DAISY  
 Today, I myself packed the pastries  
 for them.

Again BLAKE looks in surprise.

PATRICK  
 And you are tellin' us now.

VICTOR  
 You know how important this  
 information is for us?

DAISY  
 All these stuff which were  
 happening made me forget...  
 (beat)  
 I apologize.

BLAKE  
 You seriously forgot or it was...

TYLER  
 It was?

BLAKE  
Perhaps intentional.

TYLER  
What the heck you are talkin'  
about?

IRIS  
Officer...

BLAKE  
Wait... Whatever your name was...

IRIS  
Iris.

BLAKE  
Yes, Iris... Hold on.

He again looks at TYLER.

BLAKE (CONT'D)  
So far, I tried to understand your  
parent's nature.

TYLER is silent.

BLAKE (CONT'D)  
And I guess... they were not happy  
with you guys.

DAISY  
What?

BLAKE  
Your relationship.

TYLER and DAISY look at each other.

TYLER  
No, they were not.

BLAKE  
Exactly...  
(beat)  
They should have been cursin' you  
guys... May be scoldin' for  
spendin' time with each other.

They are silent. BLAKE glances at DAISY.

BLAKE (CONT'D)  
Perhaps they would have warned her  
in alone.

TYLER  
 (Surprise)  
 Officer...

BLAKE  
 It can be...

DAISY gets a bit NERVOUS.

BLAKE (CONT'D)  
 And probably that would have hurt  
 you, Daisy.

TYLER  
 Please stop it, officer.

BLAKE  
 If a single word, I said false...  
 I'll leave.

The group gets more surprised by everything. PATRICK, VICTOR  
 and JUSTIN are also listening.

TYLER  
 Daisy...

DAISY looks at BLAKE.

DAISY  
 He is right, they were warnin' me.

STUN... TYLER isn't able to say anything.

DAISY (CONT'D)  
 Just because I wasn't rich like  
 you... My father also worked for  
 your parents.  
 (beat)  
 These things terribly broke me.

TYLER  
 Daisy...

DAISY  
 (Teary eyes)  
 But it doesn't mean, I can kill  
 them.

TYLER nods... UPSET. He embraces her.

TYLER  
 I love you.

BLAKE looks around... THINKS SOMETHING.

PATRICK  
Does your shop have CCTV?

DAISY  
We have.

BLAKE  
That would be enough.

DAISY  
I'll call father, and he can provide.

BLAKE  
We need it for your innocence, Daisy. Hope you can understand.

DAISY  
I do...

BLAKE  
Thank you....

Then he looks at PATRICK and VICTOR.

BLAKE (CONT'D)  
Go and get the recording.

VICTOR  
Sure... Come patty.

BLAKE  
Meanwhile I'll handle Justin.

JUSTIN looks at BLAKE. VICTOR and PATRICK leaves.

DAISY moves a bit side... TYLER follows her. She takes her phone out.

**ON THE SCREEN:**

*She opens the call log... Searches "DAD". Then presses on it.*

TYLER watches outside window... PATRICK and VICTOR sits in the car... Then drives down the road.

He sighs. Then he turns... sees BLAKE, who also watches them leave.

BLAKE (CONT'D)  
You okay, Tyler.

TYLER  
Hope so.

They share a smile. BLAKE turns... SOMETHING CAUGHT HIS EYE.

He looks at ALEXA'S hand.

There is a mark on her hand. BLAKE watches it... His eyebrows grow. TYLER notices it.

BLAKE  
What's on your hand...?

The others look at BLAKE... They are confused.

ALEXA  
Me?

BLAKE  
Your name?

ALEXA  
Alexa.

BLAKE  
There is somethin' on your right  
elbow.

She looks at it.

ALEXA  
Oh, It's a birthmark.

BLAKE  
(Surprise)  
Birthmark...

ALEXA  
Yeah.

BLAKE nods... He looks a bit different. TYLER watches his reaction. Then BLAKE moves near JUSTIN.

TIME CUT:

**INT. MAIN HALL - NIGHT**

GEORGE, MARY, CHRISTIAN, IRIS, MIKE, ALEXA and DAISY are sitting together... They look a bit calm from before.

On the other corner of the hall is BLAKE, who is with JUSTIN. BLAKE sits and looks somewhere lost.

TYLER walks to him.

TYLER  
Officer.

BLAKE  
Hey, Tyler.

TYLER  
Now I feel a bit comfortable in-  
front you.

BLAKE  
(Smiles)  
Yeah...

BLAKE looks around for a moment.

BLAKE (CONT'D)  
Don't know why but they are takin'  
too much time.

TYLER  
Yes... they are.

BLAKE nods.

BLAKE  
Jerk...

TYLER smiles a bit. He hesitates in asking something.

TYLER  
Officer...

BLAKE  
Yeah...

TYLER  
Are you okay?

BLAKE  
Why so?

TYLER  
You look different.

SURPRISE... BLAKE looks at him.

BLAKE  
Umm... Just, Deja vu...

TYLER  
But only after lookin' at her hand.

BLAKE looks at him... STUN.

BLAKE

I don't lie to someone if they really want to know the reason for something.

TYLER

Jesus.

BLAKE

(Nods)

The truth...

JUSTIN also looks at him... LISTENS CAREFULLY.

BLAKE (CONT'D)

My father was a criminal, Tyler. Don't know if he killed someone or not, but he was a thief and more than that...

TYLER and JUSTIN... BOTH ARE SURPRISED.

BLAKE (CONT'D)

He regularly beats me and my mother for no reason... My little sister was 1... One day he tells mother that he'll sell her for money. My mother hides her in the dustbin. For it, my mother and father had a terrible fight. He tried to kill her, but eventually got killed by her in self-defence.

(Sighs)

Until my mother told me about my sister, Charlie... Someone took her from the dustbin. It took almost an year to end our visit to police station and courtroom. But I made a promise to my mother, that I'll find my sister. And just for that I became a police officer.

TYLER

Goodness gracious.

BLAKE

20 years passed... Me and mother are still waitin' to see her once again. I thought becoming the chief had changed me a lot, but...

He looks at ALEXA. Gets a bit emotional.

BLAKE (CONT'D)  
 When I saw my sister... I'm not  
 able to control.

SHOCK... TYLER and JUSTIN are stunned.

TYLER  
 Officer...

BLAKE unfolds his sleeves of right hand... Then he shows his  
 birthmark, which is similar to ALEXA'S.

TYLER (CONT'D)  
 Jesus... I haven't seen anything  
 like it.

He looks at JUSTIN. Then they look at ALEXA.

TYLER (CONT'D)  
 You should tell her.

BLAKE  
 No...

TYLER  
 But why?

BLAKE  
 You ask from yourself... Is this  
 the right time?...

TYLER thinks for a moment.

BLAKE (CONT'D)  
 Still you feel that she'll  
 believe... Especially when  
 everything is messed up at the  
 moment.

TYLER nods.

TYLER  
 But why did you tell me?

BLAKE  
 You are not alone...

TYLER looks at JUSTIN.

BLAKE (CONT'D)  
 Nobody other than you two can  
 understand my situation at the  
 moment...

TYLER downs his head.

BLAKE (CONT'D)  
I still have my mother, but you  
two... I seriously feel bad for  
both of you.

JUSTIN looks at TYLER.

BLAKE (CONT'D)  
Don't be sad, buddy. I know Daisy  
is innocent.

TYLER looks at him.

BLAKE (CONT'D)  
It's my work to investigate each  
and everything.  
(beat)  
Just look at her... She is not the  
one, Tyler.

TYLER  
I already know, officer.

BLAKE  
I send them to notice her behavior.  
And needed some time to think for  
the next step.

TYLER nods.

BLAKE (CONT'D)  
And again I'm sayin'... Please,  
don't tell Alexa about it.

TYLER  
Okay

BLAKE  
We have to wait for the perfect  
time.

JUSTIN  
Yes.

BLAKE and TYLER look at him.

BLAKE  
No matter what, you have to thank  
him for what he did... Otherwise,  
your guilt would have put you in  
prison.

TYLER

Justy...

JUSTIN

You haven't killed my mother... So why you should go to jail.

BLAKE

Intelligent as well as brave .

TYLER

I have decided somethin' for him, Officer. I'll tell you later.

BLAKE nods.

BLAKE

My prime focus is still on the case. If Daisy hasn't, then who?

TYLER scratches his head.

BLAKE (CONT'D)

As long as I know your parents, they didn't had any enemies.

TYLER

Except one...

SAD... TYLER shakes his head. BLAKE sighs. On the other side, ALEXA looks at BLAKE.

Suddenly, PATRICK and VICTOR emerge. Everyone looks at them.

VICTOR

Chief...

BLAKE looks at them.

BLAKE

Oh, finally...

VICTOR

I had sent you the recording as well as...

PATRICK

...we checked it.

They look at DAISY.

BLAKE

She is innocent.

VICTOR  
Certainly, yes.

PATRICK  
She simply packed the pastries for  
them.

DAISY feels a sigh of relief... The others smile looking at  
her.

BLAKE  
The two suspects are innocent...  
(Looks at Patrick and  
Victor.)  
Isn't it?

PATRICK  
Yes.

BLAKE  
If she packed the pastries, they  
simply bought it and comes home...  
And just after a while, she gave it  
to Lilly. So what happen in that  
time.

Everyone looks confused.

BLAKE (CONT'D)  
How can someone will mix a poison  
inside a car?

TYLER  
No matter what, my parents will  
never allow someone to touch their  
pastries box in-front of them...  
Specially my father.

BLAKE  
Why?

DAISY  
He's right... He likes each and  
every flavor of our shop.

TYLER  
kind of weakness...

DAISY  
Or you can say, he was a bit  
possessive for it.

PATRICK  
No body will mix somethin' in front  
of them in their item.

VICTOR  
Exactly...

BLAKE  
Almost half an hour... Shop to  
house.

BLAKE thinks something.

BLAKE (CONT'D)  
Umm... I have a question.

VICTOR and PATRICK look at him.

BLAKE (CONT'D)  
Call Haddy and Paul... Immediately.

VICTOR  
Sure...

VICTOR turns and stops.

HAYDEN  
Wait... Wait... Wait. We are here.

HAYDEN and PAUL emerge.

BLAKE  
Haddy...

HAYDEN  
Chief, we completed our report and  
examining. The team is comin' to  
take them to the lab.

BLAKE  
Great, Now tell me one thing...

HAYDEN  
Yeah.

BLAKE  
If sodium cyanide is so dangerous.  
How can someone find it very  
easily?

HAYDEN

Basically it is used for electroplating, extracting gold and silver from ores and can also found in chemical factories.

PAUL

But some of the agricultural chemicals also contain Sodium Cyanide.

HAYDEN

Yeah... He is right.

DAISY

(Surprise)  
Agricultural chemicals?

CONFUSION... They look at her.

HAYDEN

Yeah...

PAUL

But only few of them.

She scratches her head... TRIES TO REMEMBER SOMETHING.

TYLER

What happen, Daisy?

DAISY

When father and Jason were talkin' on the exit door... Jason said somethin' about Agricultural chemical. As if they wanted it.

STUN... Everyone gets shocked.

BLAKE

Are you sure?

DAISY

Absolutely...

TYLER

They could have bought 'cuz we have plants in our backyard.

BLAKE looks at him. He takes few steps close to him.

BLAKE

Whatever you said, if that's the case... The chemical should be inside the house.

VICTOR

But why they'll themselves put it in the pastry...

PATRICK

Yeah...

BLAKE thinks for a moment.

VICTOR

It doesn't look like someone else will mix it.

PATRICK

'Cuz of the timing of everything.

BLAKE

May be accidental.

PATRICK

But, Chief, we had gone through the house.

PAUL

Of course... even we checked everywhere.

HAYDEN

Yeah...

BLAKE takes few steps towards the window. SUDDENLY, ITS'S RAINING OUTSIDE.

BLAKE

No... Somethin' is remaining.

He turns. And looks at his watch... It's 12:30.

BLAKE (CONT'D)

You guys...

The group looks at him. LISTENS CAREFULLY.

BLAKE (CONT'D)

You all can leave... It's very late. And thank you for cooperating with us.

GEORGE  
Surely, Officer.

CHRISTIAN  
Thank you...

DAISY  
But Tyler?... And what about  
Justin?

BLAKE looks at both of them.

VICTOR  
We'll manage for them.

BLAKE  
Both the houses will be sealed...  
The case is not over yet... And...  
(He looks at the group)  
You all are not allowed to go  
outside the city until the case is  
solved.

TYLER began looking outside the window. He watches the rain.

BLAKE (CONT'D)  
We can contact you anytime... Is  
that clear?

MIKE  
Yeah...

MARY  
Yes.

GEORGE  
Thank you, officer.

TYLER continues to watch the rain... The droplets touch the  
road.

BLAKE  
Okay... You can leave.

TYLER tries to remember something... He watches the droplets.

TYLER  
Droplets...

CONFUSION... Everyone looks at him. TYLER turns at BLAKE.

TYLER (CONT'D)  
Droplets... How I forgot?

TYLER runs down the hallway. BLAKE, PATRICK and VICTOR follow him.

CHRISTIAN  
What just had happened?

CONFUSION... DAISY also walks.

CUT TO:

**INT. KITCHEN - NIGHT**

TYLER walks inside the kitchen... He stands in-front of the refrigerator.

He looks nervous. Then opens it... STUN.

It is filled with items, but on the first section, there's a small bottle. The bottle has fall and the inside liquid is dropping on the other items. SLOWLY... SLOWLY...

SHOCK... TYLER collapses on the ground, places his back on the wall.

Meanwhile, BLAKE, VICTOR, PATRICK and DAISY walk in.

TYLER  
I could have saved them.

BLAKE looks inside the refrigerator. He understands it.. Then he looks at TYLER.

TEARS FALL DOWN IN HIS CHEEKS... TYLER downs his head. DAISY hugs him.

DAISY  
Tyler.

BLAKE sighs looking at him. UPSET... Again he looks inside the refrigerator. AT THE DROPLETS OF THE LIQUID.

CUT TO:

**INT. MAIN HALL - NIGHT**

TYLER and DAISY sit on the couch... In front of them are BLAKE, PATRICK and VICTOR.

The group is also present... JUSTIN also listens to TYLER.

TYLER

I don't know why he had the habit  
of keeping things in refrigerator.

BLAKE

So your mother placed the pastries  
open in the plate... And kept  
inside the refrigerator. Somehow  
the Agricultural chemical bottle  
fall and the chemical slowly  
slowly... Falls on it.

TYLER

I noticed the drops but sometimes  
after defrosting the refrigerator,  
similar kind of water droplets  
emerge.

BLAKE

And that changed your mind.

TYLER nods in disappointment.

PATRICK

How unfortunate...

TYLER

And a regret of a lifetime.

DAISY holds her hand.

DAISY

You don't have to.

TYLER

I have to live with it.

CHRISTIAN

No man...

CHRISTIAN takes few steps towards him.

CHRISTIAN (CONT'D)

You did nothin', mate.

MARY

We are with you, Tyler

ALEXA

Yes we are... mate.

BLAKE

I can understand you, Tyler. But  
it's a part of life. It takes time,  
but you have to move on.

TYLER sighs and looks at JUSTIN. He stands and walks to him.

UPSET... JUSTIN also looks sad. TYLER bends and looks at  
JUSTIN.

TYLER

We are on the same path.

JUSTIN is silent.

TYLER (CONT'D)

It's hard to come out of it, but...

JUSTIN looks at him.

TYLER (CONT'D)

If you want... we can together...

JUSTIN is still silent.

TYLER (CONT'D)

I can't be like your mother 'cuz  
nobody can, but like a brother...  
We can be together.

He raised his hand towards him. HOPE... JUSTIN looks at him.

TYLER (CONT'D)

If you want.

JUSTIN gives his hand and then they hug. DAISY and other  
smiles.

CUT TO:

**EXT. HOUSE - NIGHT**

TYLER and DAISY stand together... Opposite to them are MARY,  
ALEXA, CHRISTIAN, IRIS, GEORGE and MIKE.

TYLER

Don't know what to say.  
(beat)  
A terrible eve.

GEORGE

Man... We are there for you.

MIKE

Forever.

BLAKE, VICTOR and PATRICK are standing behind... BUSY TALKING TO EACH OTHER... BLAKE has an eye on the group.

TYLER

I'm very lucky.

IRIS

C'mon, man...

ALEXA

Don't be down, Tyler. We'll always be there for you.

BLAKE watches ALEXA...

MARY

Daisy, tell us if he feels down.

GEORGE

Certainly.

TYLER

You all are my family.

They smile.

TYLER (CONT'D)

Thank you.

CHRISTIAN

Tyler... You are sayin' us your family and then thanking us.

TYLER smiles. They hug.

CHRISTIAN (CONT'D)

Okay, Tyler... Time to leave.

TYLER nods. They hug each other... Hand shakes all around.

IRIS

Take care, Tyler and Daisy.

CHRISTIAN sits first on the driving seat in his SUV.

DAISY

Bye, guys.

TYLER

Bye, everyone.

Everyone sits inside the SUV... The car leaves. BLAKE watches ALEXA, who is on the window side. She also sees him for a moment.

DAISY and TYLER watch them go.

BLAKE  
Tyler...

TYLER and DAISY turn.

TYLER  
Officer.

BLAKE  
I knew your father very well. We had some professional relations. I had been in your restaurant for many times. I didn't had an idea, how he was with you.

He nods.

BLAKE (CONT'D)  
But now I can and you know why.

TYLER  
Yeah.

BLAKE  
Sometimes we have to accept few things to keep ourselves well... You are young, still a long way to go.

TYLER  
I understand.

BLAKE  
Don't feel any regret... You loved them.

TYLER downs his head.

BLAKE (CONT'D)  
You aren't like them. And you have to believe.

TYLER  
But they were my parents. Somehow I'll be like them.

BLAKE SMILES.

BLAKE  
You know how my father was.

TYLER sighs.

BLAKE (CONT'D)  
If you would have been like them...  
You won't feed that old man, who  
was standing outside your  
restaurant.

TYLER looks at him... SHOCK. DAISY is also in surprise.

BLAKE (CONT'D)  
You won't have allowed that poor  
boy inside your restaurant, who was  
hungry for days... It affected your  
customers and maybe your parents  
had scolded you for it.

TYLER  
How do you know?

BLAKE smiles.

BLAKE  
Slowly you'll understand  
everything.

BLAKE looks at JUSTIN.

BLAKE (CONT'D)  
The little boy's responsibility is  
now in your hand.

TYLER nods.

BLAKE (CONT'D)  
And I believe in you.

TYLER  
I'll do my best, Officer.

BLAKE  
I'll be continuously visitin' you  
guys to complete some protocols.

TYLER  
Sure.

BLAKE

And in between if you need any help. You can contact me.

He nods. BLAKE looks at PATRICK and VICTOR.

BLAKE (CONT'D)

Okay, boys... Let's go.

VICTOR

Okay.

PATRICK

Certainly...

(To Victor)

I'm very tired.

PATRICK walks towards the car. VICTOR turns towards JUSTIN.

VICTOR

Hey, champ.

JUSTIN nods.

VICTOR (CONT'D)

You are the bravest boy, I had ever seen.

JUSTIN

Really?

VICTOR

Yes.

VICTOR hugs him.

VICTOR (CONT'D)

I'll be visitin' you, pal. Don't you ever feel alone.

JUSTIN

Hmm...

BLAKE

Okay, Tyler... See you..

TYLER

Thanks, Officer.

BLAKE

Take care... You too, Daisy.

DAISY

Definitely.

BLAKE smiles and walks towards the car... VICTOR also sits in the car.

TYLER remembers something.

TYLER  
Officer...

BLAKE stops and turns. TYLER walks to him.

BLAKE  
Yeah...

TYLER  
Alexa...

BLAKE sighs. Then smiles and say.

BLAKE  
Timing is everything.

TYLER understands. BLAKE sits inside the car.

BLAKE (CONT'D)  
See you.

TYLER nods. The car leaves... He watches them go. TYLER walks to DAISY. JUSTIN is also with DAISY.

TYLER  
My life is between you two.

DAISY  
Tyler...

They kiss each other.

TYLER  
I love you.

DAISY  
I love you too...

He holds one hand of JUSTIN and other of DAISY. They walk inside the house.

CUT TO:

**EXT. GRAVEYARD - DAY**

There are two grave... ALYSSA HILL and JASON HILL.

TYLER and DAISY stand in front of it. TYLER places the flowers on both the grave.

TYLER feels a bit down... DAISY holds his hand. TYLER SIGHS.

TYLER  
I just wanna say... That I love  
you, Mom and Dad. I'll miss you.

DAISY looks on her right... JUSTIN puts the flower on his MOTHER'S GRAVE.

TYLER and DAISY walk to him.

TYLER (CONT'D)  
We are sorry, Aunt Lilly... Please  
forgive us.

DAISY  
She was innocent.

TYLER downs his head.

JUSTIN  
My mother said that after death,  
people live in a better place than  
earth.

TYLER  
She was right.

JUSTIN  
She also said that the number of  
good people is gettin' less day by  
day.

TYLER and DAISY are silent.

JUSTIN (CONT'D)  
I'm very lucky... I find you two.

TYLER  
Love you, Justy...

He smiles. TYLER and DAISY are in tears. All three walk off.

CUT TO:

**ON SCREEN: 1 MONTH LATER**

**EXT. HOUSE - DAY**

DAISY, TYLER and JUSTIN walk out of the house.

A car is in front of their house... BLAKE is inside on the driving seat. WAITING FOR THEM.

DAISY  
I still can't believe.

JUSTIN  
Calm down...

DAISY  
Justy, Even you knew about it and didn't tell me.

JUSTIN  
I'm sorry.

DAISY  
I can't believe, Man.

TYLER looks at BLAKE.

TYLER  
Officer.

BLAKE  
C'mon, get inside.

TYLER, DAISY and JUSTIN sit inside the car.

DISSOLVE TO:

**INT. CAR - DAY**

BLAKE  
Hello, Justy, How are you?

JUSTIN  
Fine.

BLAKE  
He looks happy with you... Isn't it.

JUSTIN and TYLER smile looking at each other.

BLAKE (CONT'D)  
Hello... Daisy.

DAISY  
It's a cult classic, officer.

BLAKE  
So you told her about it?

TYLER  
No option.

BLAKE accelerates the car.

DAISY  
Again I'm sayin', I'm not able to  
believe.

TYLER laughs.

BLAKE  
Because it's hard to.

DAISY  
But one thing I'm sure. She'll  
believe.

BLAKE looks at TYLER for a moment... SMILES.

TYLER  
How can you say that?

DAISY  
Even her habit is like the  
officer...

JUSTIN LAUGHS... So as TYLER and BLAKE.

BLAKE  
Detective minded.

DAISY  
Yeah... But it will be hard for her  
parents.

TYLER  
She never told us that she was  
adopted.

BLAKE  
'Cuz she isn't aware of it.

DAISY  
May be...

BLAKE

First time I'm gettin' nervous in  
last 10 years.

TYLER

You don't need to.

BLAKE

She is calm, but I don't know how  
she'll react.

JUSTIN

She will be happy.

DAISY

May be...

BLAKE

I wanna complete my mother's  
promise.

TYLER

One sec... You aren't in your  
uniform.

BLAKE

Oh, C'mon... It would have been  
more awkward.

TYLER

Oops...

CUT TO:

**EXT. STREET - DAY**

THE CAR STOPS IN FRONT OF THE HOUSE. DAISY, JUSTIN, TYLER and  
BLAKE get out of it.

SURPRISE... ALEXA already stands outside. BLAKE is in half  
sleeves... HIS BIRTHMARK IS CLEARLY VISIBLE.

BLAKE walks alone towards her. ALL THREE STANDS AROUND THE  
CAR... TYLER and JUSTIN waves hand towards her.

She too reply with it. BLAKE walks to her.

ALEXA

They told me that you wanna...

She looks at his birthmark. STUN... She stops saying anything.

The mark is similar to her... She looks at her mark.

SHOCK... Then glances at BLAKE, who smiles a bit.

WITH THE SHOCKING LOOK... She looks at TYLER. He sighs and nods.

**THE END**

**FADE OUT:**
