EXT. WOODS— DAY

POV:

As we see through the eyes of somebody walking through the woods, gun raised, ready to fire.

MEDIUM:

We see a man in a mask walking through the woods with his gun raised.

    MAN
    I know you’re out here, little man. You might as well give up, nobody is coming to save you. Make it easy on yourself, come out and join your friends.

CLOSE UP:

On the masked man’s eyes as he shifts them left to right.

WIDE:

The masked man cocks his gun, he takes a few steps forward.

BEHIND, another masked man steps out from behind a tree, raises his gun, and aims it at him.

    OTHER MAN
    Well, lookie here. Who has what pointed at who, now?

The first man doesn’t turn around.

    MAN
    If you’re trying to intimidate me, stop. It isn’t working, "Kiddo." But judging by your cockiness, I’m going to presume you have a gun pointed at my back. Correct?

MEDIUM CLOSE UP:

    OTHER MAN
    You ASSUMED correctly. Now, who’s shoes are on who’s feet?

MEDIUM:

(Continued)
MAN
So many questions for such an arrogant child.

WIDE:

OTHER MAN
I’m not a child, alright! I’m 18 goddamn years old!

MEDIUM CLOSE UP:

MAN
Alright, alright, point taken. After all...

The man turns around and faces him.

MAN
You have the gun. The shoes are on the other feet.

WIDE:

The man raises his gun at the OTHER MAN.

CLOSE UP: GUN

CLOSE UP: OTHER MAN’S MASK.

CLOSE UP: MAN’S EYES.

CLOSE UP: OTHER MAN’S LEFT HAND RAISES GUN.

WIDE:

The two are standing about ten paces apart from each other as three guns are pointed.

OTHER MAN
Do you think it’s wise to point a gun at a man who has a gun pointed at your back?

MAN
You didn’t fire, correct? Besides, it’s not pointed at my back anymore... is it.

OTHER MAN
Tushe...

(CONTINUED)
So, how do we settle this?

How about this be settled with a stand-off?

This is a stand-off, isn’t it?

How about a formal stand-off? The correct way?

CLOSE UP: MAN’S FACE.

Three paces backwards?

That IS the formal way.

Alright. So it’s one, two, three paces and spin around and shoot, correct?

Correct.

Alright.

The two men turn their backs away from each other.

CLOSE UP: Other Man’s face.

Alright, and... GO.

CLOSE UP: Man’s feet. ONE STEP.

CLOSE UP: Other man’s feet. TWO STEPS.

SPLIT SCREEN: THREE STEPS.

The two quickly spin around and FIRE!

There is a fire fight.
The two men fire at each other for about a minute, and then...

MAN
OUCH! FUCK!

The man takes his mask off. This man is ERIN LIBRIAS.

ERIN
You shot men in the neck, dude!

The other man takes off his mask. This guy is MITCH LIBRIAS.

MITCH
Well MAYBE if you didn’t suck so bad at aiming, you would have hit me first, hence... this situation would have not FUCKING escalated!

ERIN
Well we agreed that there wasn’t going to be any face shots!

MITCH
I didn’t SHOOT* you in the face, I shot you in the neck,

ERIN
Mitch, the face area include the neck. It’s open fucking skin!

MITCH
Well maybe you should just stop bitching and we should go watch a film or something.

ERIN
You’re a dick.

Mitch raises his gun.

MITCH
I still have like 5 pellets left, dude.

Erin rolls his eyes.

ERIN
Fine, lets go watch a movie.

WIDE
The two walk towards the field.

We stay distant from them. Erin barely raises his gun, but just enough to shoot Mitch in the leg.

Mitch quickly grabs his leg in pain.

    MITCH
    I don’t fucking know.

    ERIN
    Chill out, I was just asking.

ERIN
I know, I love all four of those movies.

MITCH
And you know what, even the new one wasn’t that bad. I enjoyed it.

ERIN
I have no issue with Justin Long. Live Free was definitely an exceptional addition to the Die Hard saga.

MITCH
Agreed.

There is a moment of silence.

MITCH
What is that box?

ERIN
I don’t know, it doesn’t have a return address on it or anything.

Mitch leans forward and looks at it.

MITCH
How do they fuck up the address. This package doesn’t even get mailed on this street at all.

ERIN
I don’t know, dude. The mailman is a dumbass.

MITCH
Yeah, I ordered Doctor Who season two a few months ago and they sent it to somewhere in Clearfield. Had to drive all the way to their post office to pick up the damn thing. Then it was scratched when I opened it.

ERIN
Yeah, I think I was going to return this box today to save myself any trouble.
MITCH
Take me with you. I want to go in town, but my car is still in the damn shop.

ERIN
Yeah, man.

Erin pulls out his phone.

ERIN
It’s 10:10 now. If we leave now, we can make it back by noonish and watch a movie.

MITCH
Let’s go.

ERIN
Well stop talking and let’s go.

Erin turns around and looks in the back seat. He turns back forward and looks forward.

ERIN
Mitch...

MITCH
Erin?

ERIN
Did you happen to grab the box off the table like I asked.

The two look forward. Mitch gets a confused look on his face.

(CONTINUED)
INT. DINER— MORNING

The two are sitting at a circular table in a nice diner eating breakfast.

MITCH
So, I’m thinking of getting a team together.

ERIN
A team? A team for what?

MITCH
Pellet gun wars.

ERIN
That’d be pretty cool. I’d say I’m in, but I’m a terrible shot.

MITCH
No shit. But, yeah, I was going to post an event or create a group on Facebook and was going to invite everybody. And whoever wanted to join could, you know?

ERIN
Yeah, Mitch... nobody really does pellet gun wars anymore besides us, I don’t think.

MITCH
Eh, you’d be surprised. I think I can get a team together. We’ll fucking own.

ERIN
If you think you can, then go for it.

MITCH
I KNOW I can. So, what are we doing after this?

ERIN
Well, I wanted to look for some movies to buy.

(CONTINUED)
MITCH
At Film Fiesta?

ERIN
Yeah, there are some good deals going on there.

MITCH

ERIN
Yeah! That starts today, actually. So that’s where we are going when we’re done here.

MITCH
Well, I’m done.

ERIN

STEW
Shut your face b’for’ I pound it in. And YOU, Baby Face--

ERIN
I’m not baby face, fucktard. I have scruff in the morning, and then a 5 o’clock shadow at night. I just choose to shave my face and be professional unlike some pig fucking rifle shooting scuzzard like yourself.

Stew Raises his fist and pounds it right into Erin’s stomach.

INT. LIVING ROOM- NOON

We see Mr. Skinner’s fist come down towards Nicholas, but just as the punch is about to connect, we see him catch the fist. We see him gain control of the situation, then raise his fist.

Erin and Mitch are both looking at each other now, grinning like madmen. They quote Simon Peggs line.

CUT TO MITCH AND ERIN

The two explode. Not literally, but metaphorically. They throw their hands into the air, shout, wiggle in their seats, etc. Like I said, the usual movements that you do when watching an awesome action movie. Eventually, they relax, leaning back on the couch a bit, not as tense.

MITCH
I love that goddamn scene so much!

ERIN
I know! It’s like... you think Peggs gonna get beat to death or something, but then, juuuust when you think he’s beat, he comes back and totally beats the shit out of the boss guy! Totally badass!

MITCH
Hell yes it is! It’s crazy! Even Frost’s character became a badass! He never even had a gun before that point in the movie, and suddenly, BOOM! He’s shooting priests and making badass one liners! That’s awesome!

ERIN
See, that’s exactly why action movies are so awesome!

MITCH
Hmm? I... don’t follow.

ERIN
Oh, well, think about it, man! In almost every single action movie ever made, you start out with a run of the mill guy. Normal job, normal face, normal everything. Then, they get hit with a crisis. And what do they suddenly get? What suddenly transforms them into a badass? A gun! Suddenly they’re jumping through windows, firing two guns whilst jumping through the air! Mitch! I watched a movie where the main character was actually BANGING some chick while shooting people! And it all happens because they have the firepower!

(CONTINUED)
MITCH
Oh...damn.. daaaamn! Youre right!
Ha! Good observation, Erin! Never
woulda thought!

There is silence for a moment.

MITCH
...hey... heyy, Erin! Erin!

Mitch starts hitting Erin as he says that line, a little too hard, causing pain in Erin, making him flinch and stuff.

ERIN
Ahh- fuck- what?! What is it?!
Christ!

MITCH
What if WE bought some guns, man!
What if we had the firepower! Then
WE would be the badasses jumping
through glass and fucking hot
chicks! We could be action heroes!

As Mitch is saying that line, Erin goes from looking angry/frustrated to excited and giddy.

ERIN
Holy shit... that’d be awesome!
"Erin and Mitch Vs. The World!"
Man, that sounds awesome! We could
be badasses! We should do it! Let’s
fucking do it!

MITCH
Well then... lets get some guns!

ERIN
Yeahhhh, boyyy!

The two jump out of the couch, shouting and hollering as they do. They sprint for the door. The following should be
done in a series of Edgar Wright-esque shots.

we see a close up MITCH lacing up his SHOES
A HAND grabs the CAR KEYS off of the KEY RACK
ANOTHER HAND grabs the DOORKNOB and TWISTS IT
TWO sets of feet are shown running down the SIDEWALK

And finally, we see a shot of the car driving down the road.

INT. CAR- AFTERNOON

As the two sit in the car, pumped and looking excited to go get their weapons. Erin looks at Mitch. Erin Looks back at the road.

Mitch turns towards Erin.

MITCH

What?

ERIN

Do you realize that Pittsburgh is like two hours away?

MITCH

Yeah? So?

ERIN

Well, I’m just sayin’ that it’s gonna be a long trip!

MITCH

Don’t worry! I plan for everything! Observe...

Mitch reaches off screen for a moment. We hear rustling and movement in the back seat of the car. His hand comes back on screen with a CD.

MITCH

Ta-da! A mix CD filled with the greatest songs ever! Made specifically for long car rides and these times where you just don’t want to hear your friend talk about their Ex any longer!

ERIN

Sssweet! Pop it in, brother-of-mine!

MITCH

Alright, let’s do this! It’s about to go off!

INSERT MONTAGE SCENE HERE PLOX.

As the two are dancing and Lip Synching like idiots, Erin sort of forgets to look at the road, mouthing words into the heavens. He doesn’t notice a car coming around the corner... or that he is starting to drive on the wrong side of the road. He keeps driving and driving and driving until MITCH finally looks at the road and--

MITCH
ERIN! FUCK! THE ROAD!

Erin looks at Mitch, giving him a confused look.

ERIN
Fuck the road? What the he--

MITCH
WE’RE GONNA FUCKING CRASH, ERIN!

ERIN
Wha--

Erins eyes finally find the road.

ERIN
SHIT!

He turns in the nick of time, just avoiding crashing into the oncoming car, which swerves in the opposite direction. We get a shot of the car crashing off the road. Erin slams on the breaks.

MITCH
What the hell, Erin?!

ERIN
Dammit! You and your stupid mix tape!

MITCH
Wha--ME?! You crashed the--

Suddenly, ERIN throws the car into reverse, making MITCH cry out and scream in surprise. He comes to a stop just away from the crashed car. Erin peeks his head out the window.

MITCH
What are you doing now?!

(CONTINUED)
I’ve gotta see if he’s alright! Hey, buddy? You okay?

He’s gonna be pissed regardless!

That’s not the point, Mitch! ‘Ey, you alright?

Sonuva bitch!

Oh, well thank the gods for that.

Erin pulls his head back into the car, then throws the car into DRIVE. He puts the pedal to the metal and speeds out of there before he gets in trouble.

EXT. GUN SHOP PARKING LOT- NOON

Erin and Mitch are leaning against the hood of the car, staring at the gun shop. They both have their "deep-thought-faces" turned on, contemplating how they’re gonna handle this transaction.

So how exactly are we gonna do this?

Ah...well, we can’t seem like pussies, y’know? We can’t be too baby-ish. We need to go in calm, cool, and collected. But at the same time, we can’t seem like uber badasses, or they might think we’re rapists or murderers or something.

Mm-hmm. Both very bad things.

So we need to go in there and pretend like we’re the coolest people in the world.
MITCH
Well... how the hell are we gonna pull that off? Im an 18 year old shut in nerd, and you cried the last time we watched 'Toy Story 3.' I dont think 'cool' is much of an option with us.

ERIN
...wh... I--that was a goddamn emotional experience for me and you know it, dickwad!

Erin storms off towards the gun shop, leaving Mitch alone at the car. He looks confused.

MITCH
...I was just saying...touchy...

Mitch jogs after Erin. They are both approaching the gun shops main entrance now, ready to get the guns.

INT. PIECE’S GUN SHOP- NOON

ERIN enters the gun shop, MITCH trailing close behind. Erin turns around and faces Mitch.

ERIN
Now remember: Calm, cool, and collected.

MITCH
Yeah. Cool. Got it. Lets do this.

Mitch and Erin walk towards the check out counter, where one person sits idily behind the counter, reading a magazine. Erin and Mitch have totally determined looks on their faces. They are ready for this. But just as they make it to the counter, Erin trips on his shoes and falls towards the counter, stopping his fall with his hands. This makes the cashier look up at the two, giving them a glare. Mitch does a few awkward poses with his arms before crossing them over his chest.

ERIN
We need--

His voice cracks on that line. There is a two second pause.

The Gunsmith looks up from reading his magazine.

(CONTINUED)
CASHIER
What’re ya buying?

He clears his throat and starts over.

ERIN
We-- do you have guns here?

The cashier raises an eyebrow.

CASHIER
What, here? At the Piece’s Gun
Shop? No, no I don’t think so.

Erin looks like he is about to say something, but he stops,
looking down at the ground, defeated. The cashier makes a
slight gesture with his hand.

CASHIER
What you see is what you get, kid.

ERIN
Y-yeahh, yeah we’ll just--

Erin’s voice trails off as he sees the cashier go back to
his magazine. He turns around and starts walking towards the
back of the shop.

MITCH
Good talk, Mister Smooth.

ERIN
Shut the hell up and follow me.

Mitch chuckles to himself and follows Erin to the back of
the store. They find themselves at a table with guns lined
up on it. Erin is looking down, contemplating, while Mitch
gets a cynical look on his face.

MITCH
Weird--shouldn’t these be behind
glass or something? Not sitting out
in the open?

ERIN
Hm? What? I don’t know, don’t
question it. Shut up, I’m
contemplating.

This next shot is filmed at an upward angle so we can see
ERIN and MITCH. It is following them as they walk alongside
the table of guns.
ERIN
Okay, so we need that one.

MITCH
Got it.

Mitch reaches off the screen for the gun, then puts it in a canvas bag he brought into the store with him. (He will do this for each gun. I'm writing it here so I don't need to write it over and over. Shut up.)

ERIN
That one.

MITCH
Of course.

ERIN
Those, the duel revolvers there.

MITCH
Wouldn't miss 'em for the world.

ERIN
That that, and that.

MITCH
Right, right, and right.

ERIN
Aaaanddd this!

ERIN reaches down and pulls up a shotgun, holding it, since it wouldn't fit in the canvas bag.

ERIN
And we should be good. You have the money?

MITCH
Yep! Let's go check 'em out!

ERIN
Alright, awesome, let's go.

Erin starts for the counter, Mitch following behind again. But Mitch does a double take off screen, then stops, looking at something excitedly.

MITCH
Erin! Hey, Erin! C'mere! C'mere, man, quick!

Erin walks back onscreen, a little peeved.
ERIN
What, man? We’ve got guns to purchase here!

Erin shakes the shotgun he’s holding in Mitch’s face. Mitch bats it away, still looking off at the wall.

MITCH
That.

Mitch points to the wall. We see a shot of a bow hanging on the wall next to some arrows. Erin gets a look on his face.

ERIN
Now, wait here. We’re about to purchase an arsenal of guns. Literally enough to start a gang war. What the hell do you want with a bow?

MITCH
Aww, man, c’mon! Those things are bad ass! Picture it! Running through the woods, loading an arrow, and shooting it at the bad guy! It’d be like you were Rambo! I’d feel like the male version of Katniss Everdeen!

ERIN
Ehh... I dunno, man...

MITCH
Come on, Erin, please? If not for us, for me? I want that bow, man!

Erin pulls a face, thinking.

ERIN
Ahhh, I suppose. But only because you’re my brother!

MITCH
Yes!

He runs off screen towards the bow.

MITCH and ERIN set all of the weapons on the table. The cashier looks at the weapons, then the two of them cynically. He sighs, then reluctantly punches a few numbers in on the register. He looks back at Erin and Mitch.
CASHIER
That’ll be $255.62, how will you be paying?

Mitch slams a large bag of coins down on the counter.

MITCH
Cash!

The cashier looks into the bag, sticks his hand in, then comes hout with a handful of change. He slowly drops it all into the bag, sighs, then takes the bag and drops it on the floor behind the counter.

CASHIER
Thank you for your purchase, have a nice day.

Mitch and Erin start collecting their guns happily.
Suddenly, mitch stops and looks at the cashier, confused.

MITCH
Wait, isn’t there usually a wait time for buying weapons?

CASHIER
Isn’t there?

The cashier goes back to his magazine. Erin and Mitch swap a few confused/freaked out looks.

Alright, let me take these bags upstairs and--

MITCH
What’s that smell?

Erin looks around, trying to observe the smell.

ERIN
I smell it too.

Mitch and Erin both look off to the side.

INT. KITCHEN- DAY
The two stare at the stove, which is wide open.

Not sure.

Mitch walks over towards the stove to shut it off.

That dick.

Mitch turns around and looks at Erin.

MITCH
What?
INT. COMPUTER ROOM—DAY

Erin walks over to the TV and turns off the XBox.

ERIN
Adam never turns off the three sixty.

He’s not even supposed to be playing Rated M games.

INT. LIVING ROOM—DAY

The two sit on the couch.

Mitch is holding his revolver and looking at it, observing the unique design of the weapon.

ERIN
Why do you have that gun?

MITCH
I just bought over two hundred dollars worth of guns, I’m not just going to stuff them in a closet and not mess with it.

ERIN
What if Mom and Dad walk in and see you with that?

MITCH
Then I’ll tell them that...

Mitch looks around the living room.

ERIN
What?

MITCH
Wasn’t this room clean when we left?

Erin looks around.

ERIN
Yeah, it was. What’s going on?

A crash is heard from upstairs.

The two look up at the ceiling and then at each other, wide-eyed.

EXT. YARD—DAY

The two burst out of the house in fear. Mitch is holding his gun up to his chest.

ERIN
Holy shit, our house is haunted.

MITCH
I told you, don’t buy the fucking Ghost Radar app, but you just HAD to talk to Billie.

ERIN
Hey, fuck off, man. I loved that dog!

MITCH
Then you should have kept her on a damn leash!

Erin is looking around, observing the village of Greenline.

ERIN
Where is everybody?

Mitch starts to look around.

MITCH
Do you want to have a look around?

EXT. STREET—DAY

EXTREME WIDE SHOT:

Continued: 29.

The entire village is completely empty, some cars are in the middle of the street. For it being a tiny village, there isn’t much to look at, but now there are skid marks on the road, some strangely positioned cars, running hoses, open doors, and some smoke in the distance.

As we tilt down, we follow Erin and Mitch, walking side by side on the street.

MITCH
What...

ERIN
This is kind of odd.

MITCH
How could this have happened? How long were we gone? What? Like two, maybe three hours? How do we miss this much shit in two hours? What the hell happened?

ERIN
Not entirely sure, today IS Friday, isn’t it?

MITCH
Yes.

ERIN
Well, I think mom mentioned something about some discount sale going on downtown.

MITCH
Oh yeah! That shoe sale!

ERIN
Yeah, maybe that is where everybody is.

MITCH
Well what about all of this ruckus?

ERIN
You know how girls are when there’s a shoe sale.

MITCH
True... women.

(Continued)
ERIN
They’re pretty destructive.

MITCH
Any woman who can carry a parasite in them for nine months can be expected to be a pretty chaotic mother fucker.

Erin turns and looks at Mitch.

ERIN
Parasite?

MITCH
Well, yeah, man! I mean, when we’re babies, when we’re in the womb, we feed off of the mother. Make her all bitchy and stuff, then we leave. It’s all in The Matrix, dude.

ERIN
Very solid point. Women are bitches.

MITCH
Yep. My point exactly.

A similar crash is heard in a backyard up the road from them.

ERIN
What the hell was that?

MITCH
Is this whole town haunted?

ERIN
Let’s go check it out.

MITCH
Check it out? Are you crazy?

ERIN
You have a fucking gun, and bullets. What could you possibly be afraid of?

MITCH
I don’t want to be carrying a gun with me through town! What if somebody comes back?

(CONTINUED)
ERIN
Then you stuff it down your pants like a straight-up G.

MITCH
I just don’t want to go and investigate. This seems kind of hinkey.

ERIN
Hinkey? Quit your bitching and let’s go. It’s probably nothing.

EXT. BACKYARD—DAY

The two come around the corner. Mitch is mumbeling and ranting.

Erin looks ahead and stops dead in his tracks.

Mitch is looking down, not paying attention. He runs into Erin.

MITCH
What the hell, dude?

Erin points.

Mitch looks in the direction he is pointing.

SAM RAMI ZOOM/ANGLE

AT A CHILD CROUCHED IN THE CORNER.

As Erin and Mitch approach the kid, he raises his head a little bit, for he can hear them walking his way.

CUT IN

ERIN
What’s he doing? Playing with himself?

MITCH
I think that’s the Kintner boy.

ERIN
What’s his first name?

MITCH
Fuck if I know. Get his attention.

Erin rolls his eyes at Mitch.

(CONTINUED)
ERIN
Hey, kid. Are you ok?
The two look at each other, confused and annoyed.

MITCH
Hey bitch, can you tell us where everybody is? What happened here?
The two look back at each other.

ERIN
Is he a little slow?

MITCH
Not sure.

SAM RAMI ZOOM OUT
The kid stands up

KINTNER
Muere.

Mitch points at the kid. Erin turns and looks.

ERIN
He must be. Hey kid...

KINTNER
Muere.

MITCH
He can’t even speak proper English. He’s a moron.

KINTNER
Muere.

ERIN
What the hell are you saying?
The Kintner boy turns around and is revealed to be holding a gun in his hands.

MITCH
Does that kid have a gun?

ERIN
Hey, kid. Where did you get that?
The Kintner boy raises the gun and aims it at the two brothers.

(CONTINUED)
MITCH
Alright, the boy is aiming a gun at us, I’m a tad frightned now...

ERIN
Should we leave?

MITCH
Pull out your gun.

ERIN
I left my gun in the house... wait! You’re talking about aiming a gun at a fucking kid?

KINTNER
Muere!

A gunshot is fired. The two jump.

Mitch instantly pulls out his gun.

ERIN
Holy shit, kid! You need to put the fucking gun down now!

MITCH
I’ll fucking shoot you in the face if you don’t put your goddamn gun down right now!

ERIN
Dude, he’s like eight!

The Kintner boy runs towards them.

KINTNER
Muere! Muere! Muere! Muere!

He fires at them again and misses.

MITCH
Take the fucking gun and shoot him!

ERIN
No! I’m not going to shoot him he’s a kid!

Mitch aims the gun at the kid.

The kid fires again.

(CONTINUED)
MITCH
Fuck this!

ERIN
no don’t shoot him, he’s a fucking kid man!

WIDE:
Mitch pulls the trigger and shoots the kid about five feet away from them.

Erin jumps, then covers his eyes.

ERIN
What the fuck!

MITCH
What?! He had a gun!

ERIN
You just shot a kid, man!

MITCH
He was going to shoot us!

ERIN
We... are so... fucked!

MITCH
Fuck!

ERIN
Why the hell would you do that?! Do you know what they do to scrawney kids like us in prison?

MITCH
Rape.

ERIN
Well I don’t want to get pounded in the fucking ass, Mitch! We are going to jail for the rest of our lives!

MITCH
Chill out! Lets go back to the house.

ERIN
Should we take the fucking evidence with us?!
MITCH
Come on!
The two turn around and see a little girl standing there.

ERIN
Fuck... great. We have a witness. I’ve read about prison, man, we are so fucked.
The little girl pulls a knife out from her skirt.
The two look confused.

MITCH
What the hell is going on, Erin?

ERIN
Can we please go to the house now?

MITCH
Lets.
The little girl raises the knife.

MITCH
GO!
A gunshot is fired. The kid falls to the ground.

ERIN
Mitch! Stop shooting kids!
Mitch is looking at his gun.

MITCH
That weren’t me.
The two look around.

ERIN
I think it’s time to go inside.

MITCH
Agreed.
The two turn around and
BAM! They are face to face with a man holding a gun.

ERIN
SHOOT IT!
GLENN
Woah! Wait!

MITCH
Who are you?!

ERIN
Dont kill us!

GLENN
No! I’m a friend! We can’t stand here out in the open and talk. We need to get out of the hot zone.

ERIN
Hot Zone?

MITCH
What the hell are you talking about?

GLENN
Just follow me, and keep a lookout.

GLENN DEMICKS turns and crouches and runs opposite of them.

ERIN
Do we really need to Roady Run?

GLENN
Yes! Move your asses.

Mitch and Erin look at each other, then both shrug their shoulders and crouch and run.

EXT. CHURCH PARKING LOT- DAY

The three come around a corner and stand up straight and start walking a little bit slower and more calm. Erin and Mitch are still keeping a lookout.

GLENN
Alright, alright, cool, I think we’re safe here.

MITCH
Cool, good... christ! We leave for two hours, and what do you get?!

ERIN
A bunch of fucked up gun wielding children!

(CONTINUED)
MITCH
That speak spanish!

ERIN
Yeah! What the fucks up with that?!

GLENN
Hey! Murtogh and Riggs! Stop your bickering and get over here!

Erin and Mitch start walking over.

MITCH
You’re Murtogh. Im totally riggs

ERIN
In your dreams.

They approach Glenn.

ERIN
Hey. Thanks for saving our asses.

GLENN
Yeah, sure, sure.

MITCH
What’s your name, anyway?

GLENN
Ah, ah, no. Im not sticking to a first name relationship here. We’ll get too attached, and I dont wanna be mourning over bodies in this place. Just call me... sssshackleford.

Erin looks annoyed, then looks at his chest.

ERIN
Your nametag says Glenn.

Glenn looks down at his nametag, surprised. He looks back up, a look of defeat plastered on his face.

GLENN
...shit.

MITCH
Good thinking, genius. Anyway, Im Mitch, and this is Erin.
GLENN
Erin, Mitch. I'm Glenn Demmics.

ERIN
Glenn, would you mind telling us what in god's name is going on here?

GLENN
Thought you'd never ask. Well, I was out buying some booze earlier... for tonight. I happened to overhear these two hispanic guys talking about some bug in the reservoir and it got into the water and has infected everybody.

MITCH
Well where are these hispanics?

GLENN
They're dead.

ERIN
Dead?

GLENN
After I heard them, I heard some gunfire in the distance, and then I turned to walk towards these two to be like "wtf, guys? Tell me everything." and then guns started blazing from I don't know where and these two were shot to shit.

MITCH
Shit!

GLENN
Yeah, it was pretty intense. Then I started noticing a bunch of those littlefuckers that almost killed you two running around with guns. Shooting the adults, killing basically everybody who wasn't infected. So, I happened to find a nearby dumpster and hid in it until the coast was clear.

ERIN
This sounds pretty fucking intense.
GLENN
It was. Then I ran back to my place, grabbed my gun, and tried to get out of the town. Ran into two of these kids before I ran into you guys.

MITCH
Where’d you get the gun?

GLENN
Ex-military. Got kicked out for alcohol abuse. Was drunk 24-7 in training. But I know my shit. That and I played a lot of video games as a child. It’s licensed, don’t worry. Where did you get yours?

Mitch and Erin look at each other and then back at Glenn.

MITCH AND ERIN
Pawn shop.

GLENN
Sweet tits.

ERIN
So basically what you are saying is these children are infected with parasites?

GLENN
Yeah, pretty much.

ERIN
This is heavy.

MITCH
Sweet!

Erin and Glenn turn towards Mitch and give him a pissed off "wtf" look.

MITCH
What? How often do you encounter no-holds barred adrenaline fueled thrill rides such as this?

ERIN
They’re kids.
MITCH
They’re infected! Who cares! We’ve been talking about the apocalypse for god knows how long and---

GLENN
Can you bitches please stop your bickering?

Mitch squints his eyes at Glenn. He raises and aims his gun at Glenn.

MITCH
How do we know you’re not one of them?

Glenn turns to Erin.

GLENN
Is he serious?

MITCH
Dead serious.

Glenn sighs.

GLENN
Well first of all, I’ve been drunk the last three days. Stocked up on booze, and locked my ass up in my house and have been drunk as fuck. Today happened to be the first day I left my house in three days, and it was to buy enough booze for the next three days.

Mitch looks at Erin.

MITCH
That’s not good enough!

GLENN
I’m normal. Just keep your voice down or you’ll attract attention. I’m just fine. "The best time to wear a stripped sweater, is all the time." See, I’m perfectly normal.

Erin and Mitch look at each other confused.

ERIN
Maybe you should shoot him.
GLENN
Guys! There are slightly more opressing matters at hand! Alright! I don’t think these kids speak any english anyway.

MITCH
Yeah! What’s up with that?

ERIN
I thought the same thing.

MITCH
How do kids in elementary school know spanish and I barely know ten words.

GLENN
Maybe the parasite is from another country. Look, I don’t know. But we should get to my house so we can get more bullets, since I wasted the last one to save you two, and get the hell out of here.

ERIN
OR, better yet... we get the fuck to my car and drive out of here and tell the government to nuke the place.

MITCH
But get the guns we just bought first.

ERIN
Fuck yeah.

GLENN
Good plan. Lets do that. Follow me, I know a way around these Plagas.

Glenn turns around and

BANG BANG BANG!!! Glenn is shot dead to the ground.

Erin jumps and runs behind Mitch.

MITCH
What the hell was that?!
ERIN
FUCK!

MITCH
What the hell WAS that?!

ERIN
I don’t know... but at least we know what’s going on now.

MITCH
Sort of.

ERIN
Damnit. I don’t even have a weapon.

MITCH
Why didn’t we just go straight to the car?

ERIN
I blame him.

MITCH
I have like five bullets left. We need some blunt objects. Isn’t there a shead around here?

Erin and mitch look around.

ERIN
I think it’s in the back.

MITCH
Erin...

ERIN
Mitch?

MITCH
Where did that gunfire come from?

The two look around, alert.

ERIN
I am not sure, but I think we’re safe for---

BANG BANG BANG! Gunfire everywhere. The two nerds freak out and run away.
EXT. SHED—DAYTIME

Erin and Mitch run up to the shed. Erin grabs the handles and pulls on the doors, which don't open because it is locked with a padlock.

MITCH
What's even in there, anyway?

ERIN
I don't know, it's locked.

MITCH
What?! Why is it locked?!

ERIN
I don't know! It's always been locked!

MITCH
Well what do we do now?

ERIN
Um... well...oh! Okay, I saw this on Mythbusters! We can run into the woods and get some rope, okay? Then we tie it to the lock! The we find an oak tree and--

MITCH
Fuck that!

Mitch aims his gun and shoots the lock on the shed, making it fall to the ground. Erin freaks out and jumps back.

ERIN
What the hell, man?!

MITCH
What?

ERIN
You could have shot me! You need to warn me about that shit!

MITCH
Oh, shut up! I got the door open, didn't I?

ERIN
Wh--I--jesus, let's just go in!

Erin storms off into the shed. Mitch chuckles a little, then follows him in.
INT. SHED- DAYTIME

Erin and Mitch enter the shed, looking around cautiously. After a few quick glances, they relax a little and start looking for weapons. They sort of tear up the place a little, trying to find stuff to use.

ERIN
Oh, sweet! I found something! I found my weapon!

Erin pulls out an old fashioned, wooden baseball bat. Mitch makes a face.

MITCH
Oh, c’mon, man! Let me use the baseball bat! That’s so badass!

ERIN
No way, man! Find your own weapon!

MITCH
Oh, screw you, Erin!

ERIN
Jealous!

Suddenly, Mitch makes a noise, then chuckles slyly.

MITCH
Oh, no no. I’m not jelly at all. Because I have...THIS!

Mitch suddenly pulls out a cricket bat, holding it up into the heavens.

MITCH
BADDA-BOOM-BAHH!

Erin’s mouth goes agape. He looks from his bat to Mitch’s.

ERIN
Mitch! Trade me!

MITCH
No way, man! This is my weapon! You just had to have the baseball bat! You needed the baseball bat! Well, now I have the cricket bat, so shove off!

(CONTINUED)
The camera is now behind the two. They run forewards, ready to attack. Right off the bat, each of them hit a kid in the head simultaneously. They keep running.
Another kid approaches Erin, and he hits it in the stomach, making it double over.

They keep running until another approaches Mitch. He shoves it away with the cricket bat and keeps going.

Two more kids approach, one for Erin and one for Mitch. They each take a kid by the shirt, then shove them into eachother. They keep going.

They get to run for a while without kids. They exchange a bit of dialogue.

MITCH
Erin!

ERIN
What?

MITCH
This is a seriously screwed up situation! But at the same time...

ERIN
What?!

MITCH
This is awesome.

ERIN
You’re insane, aren’t you?!

MITCH
Not the point! More kids! Watch your ass!

Three final kids run out into the driveway of their house. Erin and Mitch look at eachother. They yell and run at the kids. Erin goes ahead and goes to swing the bat. When he goes for the hit, the kid grabs it and pulls it away. Erin shrieks and backs away. Mitch laughs.

MITCH
Ha! Wow! You just let a kid jack your bat!

ERIN
I know, I’m just as surprised as you are, man!

MITCH
Wow. Here, lemme show you how its done!

(CONTINUED)
Mitch runs in to jab with his cricket bat. They take it away.

MITCH

AHHFUCK!

The kids start walking towards them.

Camera cuts to a view from behind the kids heads as they slowly approach.

MITCH

What the hell do we do now?!

ERIN

Plan B.

MITCH

Which is?

Erin turns and runs for the house.

Mitch turns and runs with him.

ERIN

Oh shit. Oh shit. Oh shit. Do any of them have guns?

A GUNSHOT IS FIRED.

The two jump and continue to run.

MITCH

Yep!

ERIN

Oh shit!

CUT TO

INT. LIVING ROOM- DAY

The door flies open and the two burst in.

MITCH

I’m going to lock the front door!

Mitch turns the lock.

MITCH

Got it!

Erin runs off camera.

(CONTINUED)
MITCH
Where are you going?

ERIN
(V.O)
GUNS!

MITCH
Oh, fuck yeah!

INT. BEDROOM- DAY
The door is kicked open.
Erin barges into the room. Erin follows.
BLACK SCREEN.
POV:
The satchel.
The bag opens and the two look into the bag.

ERIN
Which ones do you want?

MITCH
These.

Erin reaches into the bag and grabs two revolvers.

ERIN
Badass.

MITCH
What about you?

ERIN
Just this.

Erin pulls out a Glock 7.

MITCH
One gun? Against the fucking entire Plaga army? Are you serious?

ERIN
FINE! I’ll take this!

Erin reaches into the bag and grabs a revolver.
He bends down, out of shot.

(CONTINUED)
He stands back up, and Mitch is giving him a look as if Erin is the dumbest person on the planet.

MITCH
Are you trying to get yourself killed?

ERIN
For fucks sake! I grabbed the gun!

MITCH
Exactly how suicidal are you?

ERIN
What are you talking about?

MITCH
Erin! You are a terrible shot!

ERIN
Mitch! I’m bringing all ten clips with me. It’s not like I’m going out there unarmed.

MITCH
Jesus.

ERIN
(mocking)
Jesus.

The two walk away from the bag.

Mitch grabs the BOW.

MITCH
I’m totally taking this with me.

ERIN
What? No! Leave that. It’ll only slow you down.

MITCH
What the hell was the point of getting it if I couldn’t use it!

ERIN
You didn’t buy it with the intentions of battling a fuckload of hostile fucking children, did you?

(CONTINUED)
MITCH
I only want to use it once!

ERIN
We’re not even going to need this! We’re running straight to the car and getting the fuck out of here.

MITCH
Then let me take it and I’ll shoot one on our way out!

ERIN
NO!

There is a moment of silence.

MITCH
Alright, gay.

Mitch walks back over to the satchel.

MITCH
But I’m taking this.

He holds up the shotgun.

Erin rolls his eyes.

ERIN
Groovy.

EXT. FRONT YARD—DAY

The front door slowly opens.

The two peek their heads out and look around.

MITCH
See anybody?

ERIN
No. They must have left.

MITCH
Lets get the fuck out.

The two turn the corner. A kid comes around the other side, holding a shotgun.

(CONTINUED)
ERIN

FUCK!

Erin shoots the kid in the chest. The kid falls to the ground.

ERIN

And you said I was a terrible shot.

MITCH

Point Blank doesn’t count.

ERIN

Whatever.

The two continue to run towards the car.

As they get closer to the other side of the house, they see a bunch of children in the backyard.

MITCH

Oh fuck! GO!

The two get in the car.

INT. CAR- DAY

The two look ahead and see all of the kids with their heads down.

MITCH

Fuck! Erin! Fucking go!

ERIN

I’m trying to get the keys out of my pocket!

MITCH

Try harder!

Erin pulls them out of his pocket.

ERIN

I got ’em!

MITCH

Our situation has not changed.

Erin puts the key in the ignition.

He turns the key, and the car makes a dying noise.

(CONTINUED)
ERIN
What the hell?!

MITCH
What is it?!

ERIN
It’s not starting! Goddamnit, I just got this car!

MITCH
The hood’s open! Those little pricks did something to it!

ERIN
Fuck off, you little fucking pricks!

Erin hits the wheel and the horn beeps.

THE KIDS raise their heads and look at them.

Erin and mitch look at each other.

MITCH
Way... to... go...

The two get out of the car.

MITCH
Plan?!

ERIN
Garage! The other car!

GUNSHOTS!

Erin runs beside the house and takes cover.

Mitch tries to run the other way, but stops dead in his track as a bullet whistles past him.

MITCH
Fuck!

Mitch turns and runs towards the car.

An infected turns around the corner where Erin is taking cover, trying to get a shot at the kids in the backyard.

Mitch jumps over the hood, aims his gun, and shoots the infected.

The infected child falls to the ground.

(CONTINUED)
Erin turns around and sees the infected child.

    ERIN
    Thanks, bro.

    MITCH
    No problamer.

Erin stands up from his crouched position.

    MITCH
    to the garage?

    ERIN
    Yes! But lets cut through the house to avoid death.

INT. HOUSE- DAY

The door opens, the two run inside and down into the kitchen.

INT. KITCHEN- DAY

The two run into the kitchen and open the side door.

    ERIN
    you never turned off the gas!

    MITCH
    Bloody hell.

The two run down the stairs to the basement side door.

INT. BASEMENT- DAY

The two are standing in the doorway.

    ERIN
    They’re not in the backyard anymore. Lets go.

The two open the back door, go outside.

Mitch shuts the door.

There is a moment of silence.

The door is kicked open and the two run back inside.

Mitch shuts the door. They crouch.
MITCH
Terrible idea.

ERIN
Sorry. What do we do now?

MITCH
I guess we’ll have to go shoot them all.

ERIN
I don’t know how many children I can shoot before I lose my mind. I’ll need psychiatric help after this.

MITCH
Quit your bitching and let’s get out there and kick some ass.

Mitch opens the back door again.

EXT. BACKYARD—DAY
The run out the back door. They look around.

ERIN
Where’d they go?

MITCH
Not sure.

GUNSHOTS!
The two look up and see the kids are on a high raised porch shooting at them.

ERIN
Fuck you, motherfuckers!

Erin shoots two kids.

The two are dodging bullets left and right from the five kids on the high rise.

Mitch aims his gun and shoots an infected in the head.

MITCH
Time out.

The two remaining kids are out of ammo. Their guns click.

Erin and Mitch look at each other.

(CONTINUED)
The two infected look at each other.
Erin and Mitch raise their guns.

ERIN
F*ck you, you fucking fuckers.

MITCH
Yeah, mother fuckers.

The two fire, taking out the remaining two infected.
Erin looks at Mitch.

ERIN
To the garage?

INT. GARAGE—DAY
The door opens. The two walk in slowly.

ERIN
It’s fucking gone?!

Erin walks in the garage.

MITCH
You’re shitting me?

Erin walks in an empty garage.

ERIN
Does it look like I am?!

MITCH
Where is it?!

ERIN
How do I know? And I just wasted two clips out there!

MITCH
Shit!

ERIN
Yeah!

Erin starts rooting through stuff making a ruckus.

MITCH
What the hell are you doing?

(CONTINUED)
ERIN

Erin pulls out a sword.
MITCH
I’ve been looking for those!
Erin throws Mitch a sword.
MITCH
Off the chain!
ERIN
Now we can kick ass.

MITCH
Where are you going?
Erin runs back to Mitch.
ERIN
Alright, there are two unarmed
deadites out there.
MITCH
Let’s Finish them!

The garage door slowly opens.
The infected pull out blunt objects and start walking

The garage door opens completely. Erin pulls his sword from
the holder. Mitch raises his sword up.

ERIN
We used to babysit her, didn’t we?
MITCH
No more lying to your mom about us

The two look at each other and run towards the two kids.
We hear off camera slicing and dicing.
Mitch and Erin back up towards the garage.

ERIN
Too many kids.

MITCH

ERIN
Back in the garage. Let me think of a plan.

Erin turns the corner and fires. He takes cover to reload.

ERIN
Mitch!

Shuffling can be heard inside the garage, but no sounds.

ERIN
Oh, god. Mitch... you can’t be dead... Goddamn it!

Erin start to tear up.

Erin stares at his gun in shock, and then back towards the direction he fired.

He stands up, picks up his skateboard, and walks towards the chaos.

Leaves crackle in the woods.

Mitch turns around.

MITCH
Stay the fuck back, bitches!

Two children come out of the woods, with spears made of sticks.

Mitch aims his gun at the kids, then a branch comes out of nowhere, hitting him in the hand. He turns and sees another kid.

Mitch fires one shot at the kid, hitting him in the head.

Mitch leans to pick up his other gun. A spear lands right by his hand, making him jump backwards.

MITCH
WOAH!

Mitch aims and fires at the one kid, killing him. Behind him is another kid.

The two infected look at each other and begin sprinting towards him.

MITCH
Shit Shit Shit!!!

Mitch crawls back and then turns and stands up and sprints back into town.
EXT. BACKYARD—DAY

Erin walks out the back door and into the yard.
He raises his bat and aims towards a kid holding a lead pipe.

    ERIN
    Batt’er up, bitch. Let’s see what you’ve got.

The kid charges towards Erin.
Erin pulls out his gun and shoots the kid in the face.
Then he runs off camera.

INT. GARAGE—DAY

Erin walks into the garage.
He walks over to the back and grabs his blade and puts it in his pocket.
He walks towards the door to leave. He hears shuffling and instantle pulls his gun. He walks towards the back of the garage.

Something is moving under a tarp.

    ERIN
    What... the fuck?

EXT. NEIGHBORS BACKYARD—DAY

Mitch runs into a backyard and turns and aims his gun.
He fires, it clicks.

    MITCH
    Cock fucker!

Mitch pockets his gun and continues running.
A spear is thrown and almost hits him, but sticks into the tree.
Mitch looks up the tree and gets an idea.
He begins to climb the tree.

(CONTINUED)
The kids come running right underneath him and begin to climb.

He kicks a kid down on his way up.

He is able to stop for one minute to put a few bullets in his empty revolver.

He aims down and shoots. Killing one of the infected.

He aims for the other and misses that shot.

M I T C H
Get away from me, you bitch!

Mitch fires, hitting the little infected girl.

Mitch looks beside the tree and sees a trampoline. He turns and looks the other way and sees five more kids running towards him.

M I T C H
Give me a break!

The tree branch he is sitting on breaks and he lands on the ground.

M I T C H
Ouch! Fuck!

Mitch quickly stands up and limps quickly away.

I N T. G A R A G E- D A Y

Erin walks slowly towards the tarp.

He reaches out his hand towards it.

E R I N
Terminator. Here kitty kitty.

Erin lifts the tarp.

Erin falls on his ass and begins to crawl backwards.

P O V:

The tentacle slithers towards him.

(CONTINUED)
As Erin crawls, he tries to aim his gun, but it flies out of his hand.

Erin continues to crawl back, until he is backed into the garage door.

The tentacle slithers to him. Erin KICKS it. It goes back a few feet.

Erin quickly pulls out the knife.

The tentacle parasite springs into the air.

Erin closes his eyes and swings his blade.

TENTACLE HEAD falls to the ground.

Erin opens his eyes and sees the tentacle cut in half.

ERIN
That was some John McClane/Night of the Creeps shit.

Erin looks to the side and sees the dead bodies of the infected. Their shirts are moving.

Erin hears the slithery sound the Parasite was making.

ERIN
Alright, alright. I’ll fuck off.

Erin gets up and runs out the door.

EXT. HIGH RISE PORCH- DAY

Mitch is running up the stairs.

The kids are in the yard.

He gets to the top of the porch. The kids are right below him, coming up the stairs.

The kids get to the top of the stairs and run inside.

PAN OVER, we see hands holding on to the legde.

MOVE UP AND TILT DOWN

Mitch is hanging off the ledge of the high-rise porch. His gun is on the ledge. He can’t reach it.
MITCH
Oh, fuck. This was stupid. I’m
dead... I’m DEAD!

Erin walks into frame.

ERIN
Mitch, what are you doing up there?

MITCH
Taking a nap! Help me down.

ERIN
Well, while you were hanging around
here, I uncovered some crazy shit!

MITCH
That’s fan-fucking-tastic... but
can you help me down?!

ERIN
Just let go, I’ll catch you.

MITCH
Ok, on three.

ERIN
One. Two. Three. Go?

MITCH
One. Two. and I’ll jump!

ERIN
Gotcha.

MITCH
One. Two. Three!

Mitch lets go and plops to the ground.

He quickly stands up.

MITCH
Dick!

ERIN
You said three!

MITCH
Three IS go!

Erin pulls out a gun. He hands it to Mitch.

Then he takes the bow off his back. he hands it to Mitch.

(CONTINUED)
ERIN
You asked for it.

MITCH
Life saver!

GUNSHOTS!

The two jump to the side and go down a small flight of stairs.

EXT. BASEMENT STAIRS- DAY

Gunfire is going on as they take cover. There are several gas tanks surrounding them. Many of them are empty.

MITCH
You know, I’m becoming extremely exhausted with all of this! No break at all!

ERIN
Yeah.

MITCH
I mean... this is fantastic we survived as long as we did, but this is so fucked.

ERIN
Yep.

Mitch looks up to see where the gunshots are coming from. He notices the gas cans.

MITCH
Ok, alright. Let’s see how fucked we are. The children of the corn are attacking the town. We’re basically out of ammo. And we’re taking cover under a porch surrounded by gas cans!

ERIN
Dude, if we make it out of this alive... they totally need to make a movie about us.

MITCH
Yeah, except we’re going to die here as soon as these gas tanks are hit.
ERIN
Dude... I grabbed EVERYTHING.

MITCH
Meaning?

ERIN
Idea.

Erin grabs a gas can and throws it into the yard.

MITCH
good idea. There are still a hundred fucking gas cans here waiting to blow the fuck up on our asses.

ERIN
Wait for it.

The kids are running towards them.

MITCH
Erin... do it.

Erin fires, hits the gas can, and it blows up. burning all of the kids.

MITCH
As terrible as it sounds, being you just burned a bunch of kids alive... that... was... amazing.

ERIN
Got my gaming instincts back.

MITCH
Fuck yeah!

The two run out from under the porch.

They turn the corner of the front yard and see a bunch of children running towards them. They turn back.

MITCH
Next plan?

ERIN
Not sure. We may be fucked.

MITCH
Way to be optimistic.
ERIN
Let me think!

MITCH
Think faster!

BANG BANG!
Mitch turns the corner and fires twice.

Erin opens his eyes wide-eyed.

ERIN
Ok, I have an idea.

MITCH
Let's hear it!

ERIN
Alright, in the movie GRINDHOUSE, there was this chick that had a gun for a leg, and what she did was shoot INTO the ground and went like fifty feet into the sky.

MITCH
Let's try it!

ERIN
Alright.

The two aim.

MITCH AND ERIN
One. Two. THREE!

BANG BANG!
They go nowhere.

Erin looks at his gun, confused.

MITCH
That did NOT work.

ERIN
Well, it worked in the movie!

MITCH
How about we just run?
ERIN
Deal!
The two run away.

EXT. BACKYARD— DAY
Mitch and Erin are in their own backyard, literally.

MITCH
Where exactly are we going.

ERIN
We’re going to get the fuck out of Greenline and head towards Punxy.

MITCH
What’s in Punxy?

ERIN
Not fucking zombies!

MITCH
Don’t say that, they’re not zombies.

ERIN
Whatever. Do you need anything at the house before we...
Erin is looking towards the house.

MITCH
What?

Mitch turns.
Their little brother ADAM walks out of the house.

MITCH
Shit the bed!

ERIN
Adam?

MITCH
Un-ba-fucking-leavable.

ERIN
What’s up with his trench coat?

(CONTINUED)
MITCH
Not sure. I won’t lie, he does look pretty badass in it.

Erin elbows Mitch and chuckles.

ERIN
Hey... he must be the big boss.

Mitch laughs.

MITCH
I guess.

ERIN
Are you going to shoot him, because I don’t think I can.

MITCH
I contemplated it. He did risk the Red Ring today.

ERIN
Seriously, man, are you?

Adam pulls out a machine gun.

ADAM
Gu Mona Stalo!

MITCH
Where the fuck did he get that?

ERIN
Not sure but you better shoot him!

MITCH
I can’t!

BANG!

Adam’s gun is shot out of his hand. Adam looks to his left.

Mitch and Adam look at their guns, confused.

MITCH
Did you...

ERIN
Naw, man.

BANG BANG BANG!

Adam falls inside and lies on the ground.

(CONTINUED)
VOICE (OFFSCREEN)
GET YOUR ASSES IN HERE!

Mitch and Erin look into the distance and see a man standing there with the door open, holding a rifle.

The two look at eachother.

ERIN
Well, thank god for that.

INT. SUNROOM- DAY

Erin, Mitch, and the stranger are standing in the doorway.

The stranger slams the door shut and locks it.

ERIN
Thank you, man. You are a life saver.

The man, dressed in all black steps toward Erin and extends his hand. This man’s name is LIAM RODREGUEZ.

LIAM
Liam.

ERIN
I’m Erin. This is my brother.

MITCH
I’m Mitch. And again, thank you.

ERIN
I don’t think I could have shot him.

LIAM
Do not hesitate, or you will be shot.

MITCH
Thanks for the advice.

LIAM
No problem. Now come in and meet the rest of them.

Erin and Mitch look at eachother confused.
INT. DINING ROOM- DAY

Liam stands in the entrance of the dining room and extends his arm.

Mitch and Erin walk in and see FIVE MORE SURVIVORS in the room.

Liam
I believe this is the rest of the survivors of Greenline.

A woman in the back has her head turned away from them.

A woman in red walks over to the two brothers. This woman is HEATHER MARTEZ.

Heather
Hola, boys. I’m Heather.

Mitch smiles at Heather. Erin extends his arm.

Erin
I’m Erin. This is Mitch.

Heather
Pleasure to meet the both of you.

Heather looks towards Mitch.

Heather
Especially you.

Mitch grows a giddy smile and somewhat hunches. Being the fact a woman actually is flirting with him.

Heather backs away.

The two brothers look further towards the back of the room and see a man in a cowboy hat sitting in a chair.

Mitch
Oh look, it’s "The Man With no Brain."

Erin
Fucking redneck.

Stew Bradford stands up, holding a hunting rifle.

Stew
What’d ya queers say?

(Continued)
ERIN
I was just asking how it felt to fuck your farm animals, hick-fuck shit kicker.

STEW
You really wanna start shit NOW? Who’s holding the gun.

ERIN
Well, I happen to have a gun. And so does my partner in crime.

Mitch holds up his gun and waves it.

LIAM
I take it you fellas know eachother already.

ERIN
Unfortunately.

Stew flips Erin off and sits back down.

MITCH
(whispers)
What a cocksucker.

ERIN
(whispers)
I know.

Another woman in a dress extends her hand. This woman is VENESSA WATERS.

ERIN
Hey! Venessa! I haven’t seen you since graduation of 09’!

VENESSA
It’s been so long!

ERIN
Shit! How have you been?

VENESSA
Eh, surviving.

MITCH
Aren’t we all?

(Continued)
Another woman walks in from the kitchen, holding an apple.

MITCH
(whispers)
Who’s that?

ERIN
(whispers)
Another girl I went to school with. She’s a creeper. She’s all into occult bullshit. Fucks with Ouija boards, practices witchcraft, cuts chickens heads off. Reads the bible, all sorts of crazy shit.

MITCH
(whispers)
Fucking creepy.

PATRICIA
Hello, boys.

Erin puts his head down and is trying not to laugh.

Mitch just holds his hand over his mouth and tries not to, but you can see his smile.

ERIN
Hi Patricia.

MITCH
Can you tell us when Cthulhu’s going to rise?

Erin and Mitch bust out laughing.

Patricia rolls her eyes and walks over to the window.

ERIN
I’m sorry, that was mean.

PATRICIA
Just feel lucky I didn’t use my voodoo spells on you like I wanted to, Erin Librias.

Erin’s face goes from smiley to freaked-the-fuck-out.
ERIN
Voodoo?

PATRICIA
Mhm. I see you’ve changed.

ERIN
Changed how?

PATRICIA
Complete nerd to complete asshole.

MITCH
He is an asshole.

ERIN
Hey, now!

LIAM
Alright, enough of that.

Erin and Mitch turn to each other.

MITCH
(whispers)
Who the hell is this guy and why does he think he’s our boss?

ERIN
Not sure.

Erin turns to Liam.

ERIN
I don’t mean to be an ASSHOLE! However, who died and made you king of the village?

LIAM
Nobody, I’m just trying to keep things civil.

The woman in the back stands up and turns towards the boys.

Liam points behind Erin and Mitch, who are looking opposite of her.

LIAM
And I believe everybody knows Ms. Leah Zellers.

Erin and Mitch quickly turn their heads to her direction.

Leah smiles and waves at the two boys.
Erin freaks out and walks in her direction.

ERIN
Leah Zellers! The SINGER! No way!

LEAH
Yes, sir. That is me.

ERIN
I seriously listen to your music all the time! Ask my brother. We’ve been listening to your music all day!

Erin turns towards Mitch

ERIN
Haven’t we, Mitch?

MITCH
Yes, we have!

Mitch turns his attention towards Heather.

MITCH
So, how did you all survive this long?

LEAH
Well, I just so happen to be driving through this town to get to my gig before my tire flattened. Finding out it was gunfire, I ran into Stew here, and we made it here.

Erin gazes into Leah’s eyes.

ERIN
We went out of town to get some stuff. And then we came back and found out the whole town was destroyed and these kids were infected with parasites.

LEAH
Oh yeah?

ERIN
Yeah. God, you’re lovely.

Leah smiles.
LEAH
Thank you.

Stew stands up.

STEW
I was at the gun range.

Erin rolls his eyes.

ERIN
Surprising, not.

STEW
Fuck you, you baby-face faggot!

Erin turns and faces Stew.

ERIN
I have a baby-face by choice. It’s called looking professional. A clean-cut shave. Thank god I do because I’d hate to look like a fucking rat took a shit all over my face. So go back to your farm, you fucking hick.

LEAH
Boys, please calm down, there are more pressing matters at hand here.

Erin gets a look of guilt on his face for causing a scene in front of THE Leah Zellers.

ERIN
Sorry, babe.

Leah glares at Erin.

LEAH
Don’t call me babe, Erin.

ERIN
Sorry, sweetheart.

LEAH
Or that.

ERIN
Sorry.

Liam steps in.

(CONTINUED)
LIAM
I’d say let’s sit and chat, however there are infected kids out there with guns, and we need to get out of this town.

STEW
Well we were about to get the hell out before these two idiots rolled into town and started making all sorts of noise. Now they all know we’re here.

MITCH
Well, we killed a good number of them out there.

ERIN
There’s still a lot more.

VENESSA
How about we figure out a plan instead of standing here bickering.

HEATHER
Not all of us have guns. We can’t all run out there and make a run for the highway.

STEW
Well, I may have a plan.

Stew walks up to Liam.

STEW
I have a gun room at my house. It’s about three houses away. If we can make a run for it. We can get everybody guns n’ ammo.

Erin and Mitch stand side by side.

ERIN
(whispers)
I liked it better when it was just us two.

MITCH
(whispers)
I’m afraid I must agree. At least we’re safer.

Liam turns to the crowd.

(CONTINUED)
LIAM
Alright, the two brothers come with me. Stew, you too. Everybody else, stay here, We’ll be back with guns, and then we’re getting the hell out of here.

ERIN
Sure, follow the leader.

PATRICIA
Shut the fuck up.

EXT. DOORWAY- DAY

The door opens. The four stand there.

STEW
Just don’t get your queer self anywhere near me, I don’t wanna turn into one of ya.

MITCH
Don’t worry, you smell like shit... literally.

ERIN
Horse shit.

LIAM
Alright, guys, lets go.

The four run out of the door. Liam shuts the door.

Liam and Stew are running normally.

Erin and Mitch are roady running.

GUNSHOTS ARE FIRED.

Liam shoots.

Mitch Shoots.

Erin Shoots.

Stew Shoots.

STEW
My house is the red one.
LIAM
Everybody keep moving!

Erin turns around and sees a kid running at him firing.
Erin shoots him in the chest.
Mitch shoots upwards.

STEW
Backdoor! Front door is locked!

ERIN
Fucking brilliant.

The four go around the house and run to the backdoor.
Stew opens the backdoor and---
BANG!
Stew is shot in the arm.

STEW
Fucking Queer!

Stew shoots a kid in the hallway.
The four make it inside.

INT. GUNROOM- DAY

ERIN
Holy shit.

MITCH
Thank god for rednecks.

STEW
See, I am prepared for the apocalypse too.

LIAM
Everybody grab some guns!

Erin walks over to an AK-47.

ERIN
This is totally mine. Definitely.
STEW
You like it, eh?

ERIN
Stew, I must say, I have way more respect for you now. Because this..

Erin cocks his gun.

ERIN
Is one badass motherfuckin’ gun.

STEW
You two aren’t so bad yourselves.

MITCH
I’m enjoying this bonding time, but we need to move on.

LIAM
Very true.

Liam stuffs a duffell bag full of guns.

STEW
Cool bow, kid.

MITCH
Haven’t used it yet.

STEW
Ya’ know how?

MITCH
Pfft, are you kidding me? Crossbow champ of 2010.

LIAM
Really?

Erin and Mitch both knod their heads.

MITCH AND ERIN
No.

EXT. STREET- DAY

The four run through the streets.

Erin is shooting all over the place.
CONTINUED:

Erin
F*** you!
Erin shoots again.

Erin
F*** yeah!
Liam fires his gun.
Mitch shoots his shotgun.
Stew aims and shoots his rifle.

INT. SUNROOM- DAY
The door is kicked open and the four come running in.
Liam shuts the door.

ERIN
Yippie-ki-ay!

MITCH
Yeah, motherfucker!

Erin and Mitch high-five each other.

INT. DINING ROOM- DAY
The four come running in all smiley.

STEW
That... was the shit. Erin. You kicked ass.

ERIN
You are pretty handy with the rifle yourself.

STEW
You shot like thirteen kids with that gun!

ERIN
I’ve never seen anybody shoot that fast with a rifle!

STEW
We were both pretty badass, weren’t we?

(CONTINUED)
ERIN
F*ck yeah.
The crowd looks confused.

VENESSA
What the hell just happened in those ten minutes?

ERIN
Bonding time.

LEAH
How cute.

Liam throws the bag into the ground.

LIAM
Pick your poison.

POV:
Bag is opened. Everybody reaches in and grabs a gun.

PATRICIA
I probably won’t use this.

VENESSA
Why not?

PATRICIA
Don’t you people realize, these are kids we’re killing? They’re not even thirteen years old.

MITCH
I bet you like them thirteen, don’t you?

Erin turns to Mitch and shrugs his shoulders.

ERIN
That doesn’t make much sense.

LEAH
I think I have to agree with her.

LIAM
Ladies, these creatures out there are not children anymore.

Erin steps into the crowd.

(CONTINUED)
ERIN
Look, what’s inside these kids are these demonic little snake-like creatures, alright. I was attacked by one. Just one. And it was vicious, and just it was fucking insane, alright. The longer we stay here and bicker, it won’t be just the village people we’ll have to worry about.

VENESSA
So pick up your fucking gun and lets get out there and make it to the highway.

Patricia throws her gun to the ground.
Mitch runs over and picks it up.
Erin looks at Mitch again.

MITCH
I dropped my other gun.

STEW
Fuck it, let’s get out there.

Everybody walks out of the Dining room and into the sunroom.
Patricia stands in the Dining room.
Mitch is the last one to leave.
He stops and turns towards Patricia.

MITCH
Maybe your voodoo magic will save you.

PATRICIA
I’m not into voodoo. I believe in god. That voodoo thing was a joke. I believe in the bible, and I believe these are the end of times.

MITCH
Don’t you want to try and survive?

PATRICIA
I will survive. In the kingdom of heaven with The Lord, my savior.
MITCH
Do you really think this is the apocalypse?

PATRICIA
I know it is.

Patricia pulls out a cross necklace and holds it.

PATRICIA
I don’t need guns to survive. The Lord will protect me through the valley of darkness.

GUNSHOTS FIRE THROUGH THE WINDOW.

Mitch jumps into the Sunroom as Patricia is shot to the ground, dead.

MITCH
Holy fucking crap!

Mitch turns and runs to the sunroom.

INT. SUNROOM—DAY

MITCH
They’re here!

LIAM
Alright. Follow the leader. ONE. TWO. THREE.

Erin and Mitch run in front, but are stopped.

Erin and Mitch look at each other.

LIAM
GO!

The door swings open and everybody runs out.

EXT. DOORWAY—DAY

Everybody begins shooting.

Heather tripps and falls immediately, after a bullet almost hits her.

Mitch turns around and picks her up.

(CONTINUED)
MICH
Stay with me.

Erin is shooting in several different directions.

STEW
Come on, kiddies! Free Candy!

Stew shoots his rifle. He reloads. He shoots again.

LIAM
Head for the road!

ERIN
No! Head for the Treeline!

VENESSA
Why?

STEW
Good idea! We can take cover easier there!

Venessa fires her gun.

VENESSA
Oh my god, I just shot Little Clinton!

Mitch is holding Heather’s hand. Mitch is firing ahead of him.

A little boy walks out in front of Mitch.

Mitch fires, but his gun is empty.

The little boy raises his gun.

BANG!

Heather’s gun exhausts smoke.

MICH
Thanks!

HEATHER
Don’t mention it.

Mitch smiles and pulls her arm and they continue running.

Leah shoots a little girl.

(Continued)
LEAH
If my agent saw this, I’d never have a gig again.

ERIN
You’ll be fine, babe. Don’t worry.

LEAH
I said don’t call me that!

ERIN
Sorry babe!

Erin shoots.
Liam shoots.
Stew Shoots.
Mitch shoots.
Venessa shoots.
Heather shoots.
Leah shoots.

STEW
I could totally do this for a living.

Liam points.

LIAM
The treeline! Come on, guys!

MITCH
Follow the leader!

EXT. TREELINE- DAY
The seven survivors run into the trees.

LIAM
Now, is there a way to get to the highway from here.

Erin looks at Mitch.

ERIN
Uh... no.
LIAM
Then why the fuck did you bring us here?!

STEW
Lets not fight now! Let’s go deeper in.

Erin leans to Mitch.

MITCH
That’s what she said.

STEW
There is a way out. We need to get to the other side of the woods. There’s a construction site, with vehicles.

HEATHER
Yeah! Let’s get a car and just drive out of here and never look back.

STEW
Wait, Erin... don’t you have a car.

ERIN
The munchkins fucked with it. I don’t know what they did.

LIAM
Well lets stop talking and head that way.

The two turn around.

A teenage kid is holding a shotgun.

Liam stares at him.

The kid hits Liam with the butt of the gun, knocking him out.

AN ARROW flies into his chest, killing him. We hear the shrieking of the parasite in him dying.

PAN RIGHT:

Mitch holds the bow in his hands.

Erin turns to Mitch.
ERIN
Mitch! Katnus!

MITCH
Call me Snake.

Venessa drops her gun and walks over to Liam. Who is struggling to get up.

LIAM
What the hell?

VENESSA
Are you alright, Liam?

Liam focuses on Venessa and smiles.

LIAM
I’m fine now.

Stew pulls out a clip, and throws the empty clip behind him.

GUNS COCKING can be heard all around them.

VOICE
(hispanic accent)
Put the guns to the ground.

The gang looks around and sees kids surrounding them.

STEW
Head for the trees.

LEAH
Not a good call, Erin.

ERIN
Sorry, babe.

LEAH
Don’t call me babe.

A kid with a gun walks out of the darkness.

MITCH
Holy damn, Hanson Smith is an infected?

HANSON
Drop to your knees... EVERYBODY!

Everybody puts their hands in the air and drops to their knees.

(CONTINUED)
HANSON
Hands behins your head. You’re all coming with us.

STEW
Brilliant.

Mitch is staring down Erin.

Erin turns his head to Mitch.

ERIN
This is all YOUR fault.

INT. BACK OF TRUCK– AFTERNOON

The seven are in the back of a van, tied up, with guns pointed on them.

VENESSA
This is so fucked.

ERIN
Leah, I just thought I should let you know, I’m your biggest fan. I love all of your music. From Sweet Dreams to Souljacker. I listen to your music every time I play Pokemon Blue.

LEAH
Well... thank you.

Liam turns to one of the infected.

LIAM
Where are you taking us?

HANSON
QUIET, HUMAN. You’ll see soon enough.

Stew turns to Erin

STEW
Erin, do you have a cigarette?

Erin turns to Stew.

ERIN
Got gum.
MITCH
We are so fucked. This is the end.

HEATHER
We’ll figure out something, honey. Don’t worry. Your brother is full of ideas.

MITCH
And look where they’ve gotten me.

EXT. TRUCK—DAY

The truck comes to a stop. The driver gets out and opens the back.

INT. TRUCK—DAY

DRIVER
Come with me.

STEW
Yes, sir.

EXT. TRUCK—DAY

The survivors get out of the truck.
They are walking with guns pointed at their heads.
They come to a giant, metal gate. Mitch and Erin look up at it.

LIAM
What do you keep in here, King Kong?

The leader turns to Liam.

LEADER
Not exactly.

The big metal gate opens, revieling hundreds of children. All chanting and yelling at the survivors.

MITCH
This shit just got real.
INT. COLESSUEM- DAY

As the survivors walk through, they see the children everywhere. Raising their guns, yelling at them. The infected seem to be chanting something in Spanish.

Erin turns to Mitch.

ERIN
I thought these kids spoke another language.

MITCH
They grow up so fast.

The survivors are dragged to the center of the

HEATHER
Mitchell, I’m scared.

MITCH
Don’t worry. We’ll be fine.

Liam turns to Stew.

LIAM
I’m not liking this one bit.

STEW
I’m smellin’ what you’re cookin.

Liam turns to Erin.

LIAM
Erin, you wouldn’t happen to have another one of your brilliant plans in that brain of yours, would you?

ERIN
Eh, not exactly.

LEAH
Maybe think of something. I don’t think these kids want to play football.

Liam leans to Venessa.

LIAM
Just stand by me and everything’s going to be alright.

(CONTINUED)
VENESSA
I trust you, Liam.

HANSON holds his hand up in the air and everybody stops chanting.

HANSON
ATTENTION! Here be the plague, human! Who we dispise! Now, why don’t we kill them now, and stop this parasite? This is a war.

Mitch leans to Erin.

MITCH
Did they just call us parasites?

ERIN
What the hell, man.

HANSON
We keep this swine alive, so our leader can decide what punishment these dirty, foul-mouthed humans deserve. Once this village is clean, we shall continue to banish the rest of the human race to extinction.

STEW
This really is the apocalypse.

MITCH
So we’re the parasites.

HANSON
The Plaga race will rise. And the Human race will be burnt to extinction. WITH the acception of our leader. Who I now introduce! Everybody give an applause... to our creator... LORD... SADDLER!

Erin and Mitch look at eachother in amazement.

LIAM
You are kidding me.

MITCH AND ERIN
Saddler?

A hispanic man, dressed in a business suit, unbuttoned, revieling a band T-shirt, holding a gun, walks out of the dugouts.

(CONTINUED)
LIAM
Chet Saddler.

The man continues to walk.

LIAM
Holds over eighty percent of the
cocaine sold in this country.

ERIN
Drugs?

The man continues to walk up to them.

LIAM
His corporation is in Pittsburgh,
but he is from Portugal.

MITCH
A drug lord?

LIAM
He worked with the Spanish military
for seven years. He is an amazing
scientist. But the power got the
better of him. And I think I know
why he’s here.

CHET SADDLER walks up to the group of survivors.

SADDLER
Mister Rodriguez. How art thou,
homes?

Venessa turns to Liam.

VENESSA
Liam Rodriguez? The notorious drug
dealer of Philadelphia?

Liam turns to Venessa.

LIAM
Sorry, Venessa.

Saddler raises his gun to Venessa’s head and pulls the
trigger without hesitation.

Everybody in the group jumps.

SADDLER
You’d best keep your bitches on a
leash, dawg!

(CONTINUED)
LIAM
Why are you here, Chet?

SADDLER
You know exactly why I’m here, homes!

Erin leans to Mitch

ERIN
This is some fucked up shit.

LEAH
Shh! He’ll shoot you too.

LIAM
I never got it, Saddler.

SADDLER
Well, that’s why I happened to drive down here! Before some asshole ran me off the road.

Erin gets a very concerned, confused look on his face. Mitch turns and glares at him.

LIAM
If you just give me more time, I can find it for you.

SADDLER
Fifty G’s of pure Sad-coke, homes. And it’s MIA. Top-notch shit, homes. I trusted you with it.

LIAM
I don’t know what to tell you.

SADDLER
I have an idea! Let’s play a little game, dawg. If you win, I’ll just give you the package, free of charge. But if you lose...

Mitch turns to Erin.

MITCH
I’ll bet if he loses, he dies.

SADDLER
You die, homes!

Erin leans to Mitch.
ERIN
Called it.

Saddler grabs Liam and Draggs him to the cage in the field.
The gates shut, and he is locked in, with two infected.
Saddler gets up on a platform and looks at the audience.

SADDLER
Boys and girls! I give you... K-9
and Jupiter!
The audience chants and cheers.

SADDLER
Alright, Rodregiuez, the rules are
pretty simple, I’m sure you’ve seen
it on TV. You fight to survive.

K-9 has a baseball bat.
Jupiter has a chain.
Saddler walks over to one of the infected, who hands him a
sword.

SADDLER
Lucky you, we picked this up for
ya.
Saddler hands Liam the sword.

LIAM
Saddler, let me go and I can get
you your package.

Mitch leans to Erin

MITCH
you know that package they’re
talking about?

ERIN
I hope it’s not...

MITCH
It’s from Pitt.

ERIN
Mitch... not now.

(CONTINUED)
M itch
It accidentally got shipped to OUR HOUSE!

E r i n
Mitch, keep your fucking mouth shut.

M itch
We are now involved in drug shit!

S t e w
Guys, please stay calm.

Saddler raises his hands.

S addler
Sorry, bro. I have morals. You fuck with me, you get fucked. LET THE GAMES BEGIN!

Jupiter runs toward Liam and whips the chain at him.

Liam blocks it with the sword.

L e a h
Hey, boys, hush. He’s coming back.

E r i n
Like I knew! I was going to return it to the post office!

M itch
You know, this whole thing is YOUR fault. YOU ran him off the road!

E r i n
How the hell would I know he had a truck load of parasites.

H e a t h e r
Guys, shut up!

Saddler walks back over to the gang.

S addler
Watch this, this will be fun, boys.

E r i n h o p s o v e r t o S addler.

E r i n
Mister Saddler?

Saddler turns to Erin.
SADDLER
Are you talking to me?

K-9 charges with the baseball bat, swinging, hitting Liam in the legs.

Liam spins around and swings his sword at K-9, but it’s blocked by the bat.

ERIN
You’re this infamous Drug Lord from pittsburgh... where’s your gang? Don’t you have an entire possee.

SADDLER
I did... until I wrecked into the reservoir.

STEW
They died in the wreck, sir?

Saddler turns to Stew.

SADDLER
Nope.

Liam swings the sword at Jupiter. It gets caught in the chain and pulled out of his hands.

K-9 leans over Liam and bashes him in the head.

The group is all wide-eyed in terror.

MITCH
Holy crap.

SADDLER
When I was working with the Spanish military, we tested my DNA with specific brain parasites. There was a certain type of cocaine grown in the Jungles of Brazil. We mixed it all together, and created my children. The Plaga.

ERIN
So, when you wrecked into the reservoir...

SADDLER
The Plaga escaped into the water. Not my intentions. But it’s pretty fucking cool, ain’t it, homes!

(Continued)
MITCH
Did they kill your gang?

SADDLER
Yep.

ERIN
Why are you not like... one of them.

SADDLER
Immune. Fucker.

Saddler walks up on the stage.

SADDLER
It appears, my former business partner, is deceased!

Stew leans to Erin.

STEW
do you have a fucking plan yet, bro?

ERIN
Yes. I’m trying to get the knife out of my pocket.

MITCH
Thank fucking god. Just hurry, ok?

HEATHER
I think we’re next.

SADDLER
Now... lets let the audience vote... WHO’S NEXT?!

The group looks up as Saddler.

SADDLER
We have the beautiful woman in red!
We have everybody’s favorite musician! We have the two nerds!
and we have the shit-kicker! Take your pick!

All of the children in the crowd point at Mitch.

Erin looks up at everybody.

(CONTINUED)
MITCH
How’s that plan coming?

ERIN
Got it. Follow my lead. Look behind you.

Saddler walks off of the stage and walks up to Mitch.

SADDLER
Sorry, kid, but it appears they really like you.

ERIN
Shouldn’t have shot the Kintner boy.

MITCH
No! No! This is NOT my fault! YOU ran this fuck-nut off the road! YOU didn’t take the package that was delivered back! This is YOUR fault!

Saddler looks at the two.

ERIN
Oh, grow the fuck up! You’re the one who said "LETS GO GET THE GUNS!"

MITCH
I didn’t think we’d actually go out and blow almost three hundred dollars on guns!

ERIN
I ONLY MADE THE SUGGESTION! We were watching Hot Fuzz, what do you expect?!

Saddler gets up in their faces.

SADDLER
Hey, Jay and Bob, quit your fucking bitching. YOU, come with me.

Mitch hops backwards.

MITCH
Absolutely not! Fuck this! I am a regular guy, who happens to be completely innocent in this!
SADDLER
Do you know who you’re FUCKING talking to, homes?

MITCH
Why is he calling me homes?

ERIN
Keep your FUCKING mouth shut and do what he says.

MITCH
NO! Saddler! HE is the one who ran you off the road, HE got the package delivered to his house. HE decided to drive out of town. This entire thing is HIS fault!

ERIN
Mitch, quit acting like a fucking moody five year-old, kid! We’re in this together, you want to bitch right before you fucking die? You want to be remembered as the whiny little bitch, then go right ahead, kiddo.

MITCH
I told you---

Mitch spins around, grabs the gun out of Hanson’s hand, and turns around and hits Saddler with the butt of the gun.

MITCH
don’t call me kiddo.

Erin runs over and cuts STEW, HEATHER, and LEAH’S ropes.

BULLETS ARE FIRING.

STEW
Fucking Run!

The survivors make a run and take cover behind a huge metal fence.

STEW
Alright, everybody stay here, the guns are literally five feet away in that box.

Stew Stands up and is shot in the other arm. He falls to the ground.

(Continued)
STEW
Mother fucker!

ERIN
Fuck!

LEAH
What the hell do we do now?!

Mitch looks down and sees the thing they’re taking cover behind has wheels.

MITCH
Idea!

The metal barrier begins to roll over to the guns. The survivors pick up their guns and begin firing. Bullets are blazing past everybody.

STEW
I hope your plan includes getting us the fuck out of here!

Saddler stands up, confused, from being knocked out.

SADDLER
DO YOU THINK YOU FUCKING GUYS CAN FUCK WITH A BIG TIME CRIMINAL?!!!

ERIN
SADDLER, YOU’RE SMALL TIME!

MITCH
YEAH, MOTHERFUCKER!

SADDLER
GET EM’ KIDS!

Erin looks and sees the passage that leads out of the Colessuem.

ERIN
There’s the exit!

HEATHER
We’ll never make it out! There’s too much gunfire! We’ll all die!

Stew closes his eyes and thinks. Then he looks at everyone.

Stew puts his arm on Erin’s shoulder.

STEW
Get these three out of here.
Erin... you are a pretty cool cat.

ERIN
Thanks, but what the fuck are you thinking?

STEW
Idea.

SLOW MO:
Stew turns and runs the opposite direction of the doorway. He fires his gun at all of the kids shooting at him. About ten steps out, he begins to get shot. He continues firing.

Erin stares in shock as he runs out, committing suicide.

He quickly turns around and pushes them all towards the exit.

Stew continues to fire as he is being shot. He falls to his knees and continues to fire.

THE THREE are at the exit, out of harms way.

Erin turns and looks at Stew. Stew is now lying on his belly.

ERIN
I’m sorry I called you a pig fucker.

Stew turns and looks at Erin.
Stew Winks and then takes his last breath.
A FOOT comes down on his face, killing him.
TILT UP: We see saddler staring at Stew’s face.
Erin turns and gets the others out of there.

Erin turns and looks around. His focus it on something high.

Erin looks around.

ERIN
Where’s Mitch?

Erin’s cell phone rings.

Erin pulls it out of his pocket.

LEAH
You had your cell phone on you.

ERIN
I always do.

HEATHER
Why the hell didn’t you use it?

ERIN
Because I didn’t really have time, now did I?

Erin looks at his phone.

ERIN
He’s calling me now. He must be in the bathroom.

Erin opens his phone.

ERIN
Yo hurry up, we’re ready to bounce.

SADDLER
(voice)
Going somewhere, homes? Without your little brother, eh?

(CONTINUED)
Erin’s eyes widen.

ERIN
Where the hell is he?

SADDLER
(voice)
He’s right here, homes. You want to say hello?

INT. DARK ROOM—DAY

SADDLER
(voice)
You’ll what, call the cops? Once my children are finished with you, soon there won’t be any fucking cops, homes. You have thirty minutes. A minute later and I’ll cut this fucking rope, dawg.

Wait! Think about this! We go back there, we’re dead! Fuck that, I have a show tomorrow!

ERIN
Don’t you fucking get it, bitch! If we don’t do something, there won’t be any fucking gigs or shows tomorrow or ever, because those fucking village people are going to do THIS to the entire planet! WEREN’T YOU FUCKING LISTENING? AND Saddler has my little brother! I’m not going anywhere without him, ALRIGHT?!

Leah stares at Erin.

Heather walks up to Leah.

HEATHER

ERIN
Very well... What she said.

The three roady run up to the main enterence.

ERIN
You ladies ready?

HEATHER
Let’s fucking do this.

LEAH
Hey, if we make it out of this, I may be able to get you backstage passes to my next show.

Leah winks at Erin.

ERIN
You could do that?

LEAH
I’m Leah fuckin’ Zellers, of course I can.
Erin turns back to the entrance.

Erin kicks the door open.

Automatically, gunfire is spread.

ERIN
You’ll be fine, babe. Don’t worry.

LEAH
Erin, I’m not going to be fine, and you know it.

ERIN
If you just be still and don’t talk, then---

LEAH
Erin, don’t sugar coat this for me. Let me speak.

ERIN
No, please don’t. Oh god. Leah, I’m so sorry I yelled at you back there.

LEAH
Oh, it’s alright. He’s your brother. I was the one who...

Leah coughs blood.

Erin starts to tear up.

LEAH
I guess those backstage passes are a no-go, eh?

Erin chuckles and then cries.

ERIN
