INT. CLASSROOM -DAY

A classroom of 12

CHANTI IS SLEEPING AND PARIS TRYS TOO  
WAKE HER UP,MR.WALDERMAN WALKS IN

MR.WALDERMAN

Um humph Chanti this second time  
you have slept in class

CHANTI

Sorry, Mr.Walderman it wont happen  
again

Chanti and Paris both stares at each other meanwhile Tyler  
laughs

MR.WALDERMAN

Um whats funny Mr.Tyler?

TYLER

Nothing

MR.WALDERMAN

ahh ok well class open your science  
book to page 345 where will study  
about the universe

Chanti raises her hand and Mr.Walderman acknowledge her  
question

CHANTI

Would this be a great question  
about that ufo ship that Pentagon  
found

MR.WALDERMAN

Well Chanti we dont know to much  
information about that

MIKE

We all know that was stage proolly  
some person in a damn constume was  
drunk

MR.WALDERMAN

First of all Mike language and  
second of all we dont know until  
they tell us all we can do is  
speculate

MIKE

Speculate what is real or is it  
fake they wasting our time with  
this fake news

MR.WALDERMAN LAUGHS AND THEN STARTS TEACHING

EXT.CRASH SITE-DAY

Dr.camil age 37 white woman Dr.Yugslov age 45 white man

Colonel watts age 42 a black man Dr.spetal age 28 a asian man

Dr.James age 55 african

Dr.CAMIL AND COLONEL WATTS VIEW THE CRASH SITE

COLONEL WATTS

What do you think about the ship

Dr.camil looks at ship touches the ship

DR.CAMIL

Well colonel i can say this is not  
an ordinary ship from us humans  
alot more tech to it.

COLONEL WATTS

Do you belive it was sent by the  
Chinese or the Russians.

DR.CAMIL

As i look at it more and my team  
looks at it we will no more  
infomation but the way it looks its  
might be extraterrestrial

Dr.camil sees her team comes and walk to crash site and  
introduces themselves to colonel watts

COLONEL WATTS

What do you think um Dr.

DR.YUGISLOV

Well Colonel where the body at i  
want to see it

COLONEL WATTS

The body is at the lab why do you  
want too see it..,

Dr.Yugislov scratches his face and trys to understand

DR.YUGISLOV  
Possibility its alive and need too  
see if it mind controls the ship

Dr.Yugislov shows Conlonel at piece of the ship that he  
believes that help too save it

COLONEL WATTS  
AHH well my guys will drive you to  
the lab.

DR.YUGISLOV  
Thank You Colonel, Dr.Spetal can  
you assist me at the lab once we  
get there.

DR.SPETAL  
Yes, Dr.

Comes Dr.James and observes something slimy ands calls  
DR.Camil.

DR.CAMIL  
What is it?

DR.JAMES  
Somthing green coming out of back  
of the ship

DR.CAMIL  
Did you touch it??and need to get a  
sample so we can take it back too  
the lab

DR.JAMES  
No i didnt touch and yes i have  
gotten sample.

DR.CAMIL  
Good.

COLONEL WATTS  
Everything alright up there

Dr.camil walks to colonel watss and explains what they found  
behind the ship

DR.CAMIL  
We going take it back to lab and  
study it

COLONEL WATTS

Great and just got a call from the  
President anything you find just  
report too me.

They both agree.

INT. PENTAGON SCIENCE LAB-EVENING

Dr.Yugislove and Spetal observes the alien

DR.YUGISLOV

What do you think?

DR.SPETAL

I can tell you its a alien and  
looks at its Armour ive never seen  
nothing like this before

The arm jumps up and grabs her by the neck DR.Yugislov get  
the are from around Spetal neck.

DR.SPETAL (CONT'D)

What the hell

DR.YUGISLOV

Jesus christ you ok,look its finger  
growing back

Both looks at eachother and in distress, DR.Yugislov calls  
Dr.camil while behind them they talk alien touches a button  
on its wrist.

INT. CLASSROOM - MORNING

Mr.Walderman tells the class they going on a field trip and  
visit the science lab at the pentagon

chanti asks the techer a question

CHANTI

Do you think we going to see the  
ailen because i saw on tv people  
are going too the land site and  
taking pictures.

MR.WALDERMAN

No chanti and im glad you very  
interested in this

MIKE

Yea Chanti.. we glad

PARIS  
Shut up Mike.

PARIS (CONT'D)  
And Mr.Walderman what are we going  
to see at lab are going in or what?

MR.WALDERMAN  
No we are not going in but we will  
see them do testing and btw class  
be on your best behavior we are not  
the only class they gave invite to.

MR.WALDERMAN (CONT'D)  
the bus is here.

The class enters the bus to go to the pentagon

EXT. Bus-day

Chanti and Paris talks about what they might see at the  
pentagon,all the students are wondering what will it look  
like

CHANTI  
Hey Paris look theres the crash  
site,Mr.Walderman what do you think  
about the crash site

MR.WALDERMAN  
Well Chanti the crash site do look  
very interesting and I think where  
every it came from it must needed  
somthing

MIKE  
Need what its not even news worthy

PARIS  
Obviously it is if President  
allowing schools too see

MIKE  
Look brat just because pentagon  
confirmed it dont means it real  
prolly just want shows us somthing  
to shut us up  
(laughs)  
Paris looks angrily at Mike

CHANTI  
Whats that green stuff on

PARIS

Its grass Chanti dont act like you  
dont know that

MR.WALDERMAN

Well students here we are and again  
be on your best behavior

The bus door opens and students walks off the bus look around  
Dr.Camil talks to the class

INT. PENTAGON FRONT -DAY

DR.CAMIL

I dont why President want students  
too see this its not safe

DR.SPETAL

Yes i understand but i guest he  
want start small till he open it up  
to the public

DR.CAMIL

How we have figure out whats the  
green slime is

Dr.Camil in disbelief over the president call and  
judgment,the students walks in.

DR.CAMIL (CONT'D)

Welcome Mr.Walderman these are your  
students.

MR.WALDERMAN

Yes these are my students

Mr.Walder shows Dr.Camil the pass to enter Dr.Camil phone  
rings.

DR.CAMIL

Sorry i have to take this but  
Dr.Septal will take over

DR.CAMIL (CONT'D)

Dr.James where are you we need to  
study the green slime

INT.DR.JAMES HOTEL ROOM-DAY

Dr.James coughs severely

DR.JAMES

I cant come in today i think i have fever going to the hospital

DR.CAMIL

Alright call me when get there ill do the test samples myself

Dr.Yugislov goes over to Dr.Camil

DR.YUGISLOV

I have the Colonel on on the phone and where Dr.James

DR.CAMIL

Dr. James is sick he going to be out today and what Colonel wants

DR.YUGISLOV

He wants some one at crash site.

DR.CAMIL

Dont he have his guys

DR.YUGISLOV

Yes but he want one of us be there and to analyze it, did you want me to go.

DR.CAMIL

Sure and what ever you find more about the ship call me asap ill be doing test on the object.

INT. HOSPITAL-DAY

Dr.James coughing severely scary and coughs blood.

DR.JAMES

I need a doctor now!

RECEPTIONIST

Sign here sir

RECEPTIONIST (CONT'D)

Oh my god

DR.JAMES

What

Dr.james look down on his hands,hands turn blue he faints on the floor in static shock

RECEPTIONIST

We need a dr!!

People in the hospital look scared and nervous medical doctors run to Dr.James help

EXT.CRASH SITE-DAY

Dr.Yugislove see the people taking pictures he tell the soldiers to get people away

DR.YUGISLOV

Colonel Watts you this this why its dangerous you need too build a perimeter

COLONEL WATTS

Relax the community just wan to see the crash

DR.YUGISLOV

Well while im here they need to be out my a way

Dr.Yugislove shakes his head awkwardly ands call Dr.camil.

DR.YUGISLOV (CONT'D)

Colonel is very incompetent he allowing people around the crash the ship.

DR.CAMIL (O.S.)

Jesus well try your best and find any pieces you might need to bring back to the lab.

DR.YUGISLOV

Yes i will and have you heard anything from Dr.James and who doing the presentation

DR.CAMIL (O.S.)

No i havent and Dr.Septal is

Colonel Watts keeps the crowd of people way from the site,Dr.Yugislove looks around to see whats going on.

DR.YUGISLOV

Alright i will call once find somthing thats worth looking.

Both Dr.Camil and Yugislove hangs up.

INT. LAB RESEARCH WINDOW - DAY

The students observe the alien but while the class ask question Mike wonderings off and see a entry in the research room where Dr.camil is in.

INT. THE RESEARCH ROOM

DR.CAMIL

Oh ok let see this alien why you making so much noise

Dr.Camil views the arm and see a button blinking and touches it a suspicious sound comes from the alien,Mikes looks behind the door with amaze and surprise

INT.RESEARCH WINDOW-DAY

CHANTI

That alien body what is it made of

DR.SPETAL

The body is made up of gold spectals and very oily

MR.WALDERMAN

I have a question did yall find the object like this or was it moving

DR.SPETAL

We found it on its back laying flat unconscious

PARIS

Did yall ever find how it crash or where it came because it look like it came from mars

TYLER

Mars this not star trek

Class laughs behind,Chanti sees holds her head of a mysterious flashback

PARIS

You ok Chanti

CHANTI

Yea just slight head ache proolly from the bus ride

Chanti looks at the alien in concerning in seconds she looks around for Mike

CHANTI (CONT'D)  
Paris where Mike at

PARIS  
Right Mike havent made a sound

CHANTI  
Hes not with us, bruh look

Chanti and Paris see Mike in the room they walks away from the group to get mike out.

INT. PENTAGON SCIENCE LAB-DAY

The alien open its eyes lifts its body up realize its arm missing breaks the chain off and break the door and walks out.the group goes to the lab to see the alien.

DR.SPETAL  
Here we are near the end of the  
tour and you have anymore question.

The students looks confusion

TYLER  
Yea where the body at

DR.SPETAL  
The body is right....  
Dr.Septal mouth wide open in  
disturbance calls Dr.Camil

DR.SPETAL (CONT'D)  
Dr.Camil the alien is gone

DR.CAMIL (O.S.)  
What do you mean its gone it just  
cant walk off like that find it now

DR.SPETAL  
Yes im get some of the security  
help me.

Dr.Septal gets a group of security guards to find the alien  
And mantains to not make students nervous

DR.CAMIL  
I will be down there

Dr.Camil aggressively drops everything, Mike walks in and looks at the arm and holds the arm comes around the corner is the alien

INT. HALLWAYS/

Chanti and Paris and find mike figure out where he at the Alien looks for its arm

CHANTI

He no where to found

PARIS

You know what let try the research room

Chanti again have flashback and holds her head, paris dont pay attention Paris spots Mike

PARIS (CONT'D)

Look its Mike he need to get out

CHANTI

What is Mike doing what the fuck what is that behind Mike

Chanti and Paris bangs on the window scream mike get out

INT. THE RESEARCH ROOM - DAY

Mike turns around nervously looks at the alien alien snatches the arm use its blaster shoots mike in the head and takes the button out the arm put in his arm that grew back.the girls scream.

INT./EXT. RESEARCH ROOM/HALLWAYS

Chanti and Paris both scared and looks at Mike lifeless body comes Mr.Walderman holds his his chest after finding the girls,

CHANTI

What just happen?

PARIS

I think answer of your question  
just answer for you. Mr.Walderman!

MR.WALDERMAN

Girls we need to get out now

Dr.Camil and Dr.Septal frieghted of the lifeless body

DR.CAMIL

We need find that alien,call the  
colonel

DR.CAMIL (CONT'D)

Girls did you see where it went

Dr.Septal calls Colonel Watts

COLONEL WATTS (O.S.)

We need to find the alien  
expeditiously and not let it leave  
out that building im sending my  
guys

The girls shake there head no

The Alien use it blaster and shoots down security guards  
people screams with hysterical and falls down on each other

EXT.CRASH SITE-DAY

COLONEL WATTS

Dr.Yugislov my soliders an i have  
to go to the lab its been an  
emergency but im leave Lieutenant  
Malone

Lieutenant Malone and Yugislov meets each other,Colonel Watts  
takes his soliders to the science lab tries to contain the  
alien.

INT.
