INT. HOUSE - DAY

SETH (30s) chubby with bushy hair and ROB (30s) pack hunting and camping supplies.

ROB

I'm so fuckin pumped man. Lets kill some innocent animals!

SETH

I just wanna hike man.

ROB

Check this bad boy out.

Rob shows Seth a wooden bow and arrow.

SETH

What the hell? I thought you were gonna have guns and shit.

ROB

Guns suck. These are better and safer.

Seth studies the weapon.

SETH

If you say so.

EXT. FOREST - DAY

Rob creeps into the woods, aiming his arrow. Seth follows, holding a pink frosted cupcake.

EXT. FOREST - MINUTES LATER - DAY

Seth screams out in the distance.

INT. HOSPITAL - DAY

Seth lays on a bed. A wooden arrow is lodged into the left side of his head, protruding out several inches above his ear.

DR. SHOE (50s) stands next to him.

DR. SHOE

Mr. Davis, as you may have noticed, you have a arrow lodged in your head.

SETH

Yea, no shit man. Do I look stupid?

Dr. Shoe stares at the arrow.

SETH

Uh, don't answer that. What is it doing there?

DR. SHOE

Your friend shot you by accident. At least that's what he says anyway. He's kinda of an asshole.

SETH

Ok, is there gonna be a surgery, or-

DR. SHOE

There won't be a surgery.

SETH

Why the hell not?

Seth touches and feels on his arrow.

Whack! Dr.Shoe smacks Rob's hand.

DR. SHOE

Do not play with your arrow.

SETH

Sorry. It itches man.

DOCTOR SHOE

I'm afraid if we tried to remove it, you would die a horrible death.

SETH

So I'm stuck with this thing?

DR. SHOE

You're in a very precarious position.

Seth looks at it in a mirror.

SETH

But can't you trim most of it down or so it's not protruding as much? It looks so weird.

DR. SHOE

No, I'm sorry. I'm afraid if we applied any sort of pressure, the trauma will result in severe brain damage, or likely death.

SETH

How am I supposed to sleep? What if I turn over on my bed?

DR. SHOE

That's certain death. I'd imagine very painful too, as you'd feel the arrow ram straight through your brain.

SETH

But I love that side!

DR. SHOE

It could be worse. Would you rather be dead?

Seth stares at his sad reflection.

DOCTOR SHOE

Mr. Davis?

SETH

No. No. Of course not.

DR. SHOE

I'm very sorry, but it's something you'll just have to get used too/for the rest of your life.

SETH

Can't I get a second opinion?

DR. SHOE

How about three?

Dr. Shoe leaves the room for a moment. He comes back in with two DOCTORS.

DOCTOR #1

It's true. Nothing we can do.

DOCTOR #2

Yup. Nothing. Absoulutely nothing.

They exit.

SETH
This can't be happening.

Seth face palms.

DR. SHOE
It's not the end of the world.

SETH
It's pretty damn close. I look like a
freak!

DR. SHOE
You're single, correct?

SETH
What does that have to do with
anything?

DR. SHOE
Some women might find your new look
unique. Or dangerous.

ROB
I don't want to be dangerous. That
sounds stupid and-

WOMAN #1
What?

SETH
Nothing . It's pretty much the worst thing ever. I was hoping I'd get a cool super power , but no. It just looks stupid.

WOMAN #1
What kind of super powers?

SETH
Invisibility for sure. Time travel. Or eat anything and not get fat.

WOMAN #1
It barely thought about your arrow until you brought it up.

SETH
But this is a Olive Garden!

SNOBBY WAITER
(snobbier)
Contrary to popular belief, we
actually have standards. And we
reserve the right to not serve anyone.
