chasing Angel who i thought gonna  
blast me to the walls.

LES

Look Wes. You have to be calm and  
less to nerves and all that. Then  
make your dream to be come true.

WES

You make it easy bra, while it  
isn't easy. What if I go there and  
she rejects me like a piece of  
rubbish or something?

LES

Everything worth a try bra. Who  
knows what is going to happen  
unless they try. Even though Angel  
is the coolest lady than her  
friends.

WES  
There's been something have i have  
been wanting to say for some time  
now, after i wasn't getting a  
chance because of how cosy you've  
been with your boyfriend, it has  
given me no chance to say it and...

ANGEL INTERRUPT

ANGEL  
Yes. I have a rich boyfriend and  
all, but things aren't going well  
between us. So, Wes tell me what do  
you want.

WES  
I love you. It has been while I've  
been hiding my feelings to you. And  
I thought this might be a good  
timing to reveal how I feel about  
you.

ANGEL looks at PRINCESS and see her laughing at her.

ANGEL

Wes, I'll have think about this,  
but i am promising you nothing, and  
i don't wanna see you and David  
fighting for me.

Meaning violence.

WES

He does use violence threats in  
you?

ANGEL

Nothing compared to that, but he can  
kill for me without thinking.

WES

I guess I'm gonna hear from you.  
Don't get me killed.

ANGEL leaves cool and WES looking happy. Without a minute  
PRINCESS ask about the freeze WES has put ANGEL at.

complicate Wes life with nothing.

PRINCESS

I thought so, but how you feel when  
you are around Wes...Oh girl!!! You  
can make a great couple.

ANGEL

You are crazy! But I want a man who  
has dreams like him. I'm just tired  
of licking the donut i haven't paid  
for.

PRINCESS

That would be great if you hook me  
up with Les. Just playing with you.

ANGEL

DAVID
