FADE IN:

INT/EXT. BAR - NIGHT

A biker (60's) enters a bar. He is old, grizzled and blind in both eyes. He limps his way towards the bar, oblivious to the fact that the entire bar is filled with women.

The bartender, also a woman, walks up to him and he raises his head in recognition of her presence.

OLD BIKER

Howdy. Jack Daniels, give me a bottle.

The bartender places a bottle in front of him with a shot glass. The old timer pours a shot and necks it back.

OLD BIKER

Say, you wanna hear a blonde joke?

The entire bar falls silent. A large blonde woman in a biker jacket moves beside him.

BIKER WOMAN

Before you tell that joke, Cowboy, I think it's only fair, given that you're blind, that you should know five things...

The old Biker raises his eyebrows.

BIKER WOMAN

First, the bartender is a blonde girl with a baseball bat...

We see the bartender reach down and place a bat on the bar top.

BIKER WOMAN

The bouncer is a blonde girl with a Billy-Club....

We see the blonde bouncer by the door pat the club against her hand.

BIKER WOMAN

I'm a six-foot tall, 175 pound blonde woman with a black belt in karate...

The old man nods.

BIKER WOMAN

The woman sitting next to me is blonde and a professional weightlifter....

We see the weightlifter scowl and flex her muscles.

BIKER WOMAN

The lady to your right is blonde and a professional wrestler....

The old man turns his head to the right. The female wrestler cracks her knuckles.

BIKER WOMAN

So think about it, seriously, cowboy....do you really wanna tell that joke?

The old man pours another shot and necks it back.

OLD BIKER

Nah.

The biker woman looks smug.

OLD BIKER

Not if i'm gonna have to explain it five times.

We see the stunned expressions of all the women.

The old man smirks and takes another shot.

CUT TO BLACK.

THE END
