FADE IN.

INT. HOUSE - KITCHEN - DAY

ELLA, 22, tall, slim and pretty stands over the sink and rinses off a plate, she inspects satisfied that it's clean and puts it on the side to dry.

LUKE, 28, handsome, bright blue eyes and a shaved head watches her from the table, with a set of keys in one hand he holds onto a phone in the other.

He smirks coldly.

LUKE
Who else have you been fucking?

She spins around to face him, snarls.

ELLA
Fuck off.

LUKE
Anyone else I know?

She points a finger at him, accusingly.

ELLA
You cheated on me.

He leans back in his chair throwing his arms in mock shock.

LUKE
Wow, but I didn't fuck anybody we know.

ELLA
You slept with someone while we were still going out.

He points a finger right back at her.

LUKE
What you did was way worse than what I did.

ELLA
How?

LUKE
You fucked David, what I did was a one night mistake with someone neither of us are never going to see again.
ELLA
But we were going out when you cheated.

He stands up from the table.

LUKE
And I will tell you now I am not moving out, I was here first. I'll give you six months to find a new place but after that I would rather throw you out into the street over having you still living here.

INT. HOUSE - ELLA’S BEDROOM - NIGHT

Ella sits on the edge of her bed on her laptop, she's on BECKY’S Facebook page and is rapidly clicking through hundreds of photographs of Becky on a tropical island vacation.

Ella lets out long deep breath, muttering.

ELLA
I should of gone with her.

Ella continues to click through the photos staring at them intensely

Bang.

Her head snaps up startled.

INT. HOUSE - HALLWAY - NIGHT

Ella comes out of her room and looks down the hallway, that load crash was the front door slamming shut.

Luke with his keys struggles to lock it behind him.

SAMANTHA, 20, beautiful, long flowing hair and in a short party dress stands beside him, resting her back against the wall both of them are drunk and giggling stupidly.

Luke turns around to face Ella smiling victoriously as he sees her.

LUKE
Sorry if I woke you but I couldn't get the door to close.

Ella opens her mouth ready to say something back, but before she can get a word out Luke grabs a tight hold of Samantha's waist and kisses her passionately shoving his tongue down her throat.
INT. HOUSE - ELLA'S BEDROOM - NIGHT

Ella is back on her bed and back on Becky’s Facebook page again just clicking through her vacation pictures.

Ella’s eyes then flick up away from the screen, she can barely hear it at first but then it comes in louder that unmistakable sound of two people having sex.

Ella slams her laptop shut and leaps up out of bed, storming out of her room.

INT. HOUSE - KITCHEN - NIGHT

Ella sits at the table looking fed up.

DAVID, 21, heavy, long brown hair and thick rimmed glasses is up at the counter making two cups of coffee finished he brings them over and joins Ella at the table.

He smiles warmly.

   DAVID
   Couldn't sleep?

   ELLA
   No, just couldn't hear myself think.

He laughs.

   DAVID
   Well they woke me up, what were you doing that you couldn't hear yourself think?

She shrugs.

   ELLA
   Just feeling sorry for myself.

He's surprised to hear this.

   DAVID
   You?

Again she gives him a simple shrug.

   ELLA
   Just looking through Becky’s pictures.

   DAVID
   Yeah, I see her stuff on instagram every now and then. She's your younger sister right?
ELLA
Yeah, by three years and that makes it just so much worse.

DAVID
Makes what worse?

ELLA
The fact that she's travelling the world but my life is so boring. When she's older she's going to have all these amazing stories to tell of what she did when she was younger and I won't have anything.

DAVID
Where is she now?

ELLA
Jamaica I think.

David raises his eyebrows.

ELLA
I haven't opened her last couple of e-mails.

DAVID
Why not?

ELLA
It's too depressing to read about how much fun she's having.

DAVID
Well e-mail her tonight I'm sure she would love to hear from her big sister.

ELLA
Yeah maybe.

A beat.

Ella has some of her coffee.

David glances over his shoulder at the kitchen door, smiling to himself.
DAVID
Well it sounds like they might have stopped, you know he only brought her back to try and make you jealous.

ELLA
I don't care.

David turns back to her, hope in his eyes.

DAVID
What are you doing now?

ELLA
I am going to go back to bed.

DAVID
Do you maybe want to hang out in my room watch a movie or something?

She shakes her head, tired.

ELLA
No.

DAVID
So the other night?

She nods, confirming.

ELLA
Yeah it was a mistake but that doesn't mean we can't still be friends.

He smiles but is obviously hurt.

INT. HOUSE - ELLA’S BEDROOM - NIGHT

Ella sits crossed legged in the middle of her bed, the morning sun shining in through the window.

She’s smiling excited.

ELLA
Yes, awesome.

She pumps her fist then closes her laptop.

INT. HOUSE - ELLA’S BEDROOM - DAY

Ella kneels down on the floor, with an open suitcase in front of her she’s hurriedly throwing in clothes, not bothering to sort of them or fold them a mad dash.
INT. HOUSE - ELLA’S BEDROOM - DAY

Ella manically searches around her desk, finding her passport she clutches onto it tightly then runs out of the room.

INT. HOUSE - DAVID’S BEDROOM - DAY

Ella pushes open the door and stumbles inside.

David sits in a low chair in front of his large flat screen television, playing on his computer.

He looks across and watches her coming in through the door.

She holds her passport high above her head, victoriously.

ELLA
I did it.

He smiles at her, confused.

DAVID
You did what?

ELLA
I e-mailed my sister last night and seconds later I get a call from her, we speak for ages about everything and she invited me to come to Brazil.

DAVID
Brazil?

ELLA
She’s traveling the world and that’s her next stop, she's flying out from Jamaica tomorrow morning, she asked me to go with her so I am.

David stands up out of his chair shocked.

DAVID
You're leaving?

She playfully hits her passport across the side of his head.

ELLA
Yeah and I am going to need you to drive me to the airport.

DAVID
When?

ELLA
Right now.
INT. HOUSE - ELLA'S BEDROOM - DAY

Ella zips closed her suitcase then finds and puts on her coat.

David follows her around the room, his face exasperated.

ELLAL
I can't stay here.

DAVID
Why not?

ELLAL
Because I don't want to.

DAVID
Is it because of what happened between us?

She rolls her eyes.

ELLAL
No that has got nothing to do with it.

DAVID
What do I tell people at work?

ELLAL
Tell them they're not going to see me anymore.

DAVID
But I only moved into this place because you asked me to be your roommate.

ELLAL
Look David I just have to do this.

David steps forwards closer to her his arms out stretched.

But a horrible sounding scream coming from another room cuts him short.

Both Ella and David snap their heads over to her open bedroom door.

ELLAL (CONT'D)
What the hell was that?

DAVID
It sounded like Luke.
INT. HOUSE - HALLWAY - DAY

Luke is down on the floor, blood pouring down from his head. His arms and legs are covered in deep scratches. Dressed only in his underwear he holds onto the handle to his bedroom door with both hands, keeping it closed.

The whole door shakes and something on the other side of it bangs against it violently, what ever it is, it's trying to get out.

David and Ella run along the hallway towards him, but seeing the blood Ella comes to a stop holding a hand in front of her mouth, horrified.

David kneels down beside him, placing a hand gently to the back of his neck staring down wide eyed at the gash on the top of his head.

DAVID
What the fuck happened to you?

Luke screams at him, using up the last of his energy.

LUKE
The door!

At that Luke let's go of the handle, unable to continue to hold on.

As the door begins to open to whatever is inside David grabs the handle and pulls the door shut, again it begins to shake and the banging from the other side continues.

David looks over at Ella in terror.

DAVID
I can't keep it closed.

She replies meekly.

ELLA
There's a key.

David yells at her, agitated.

DAVID
What?

She speaks up.

ELLA
He has a key to his room.

DAVID
Where is it?
ELLA
I saw it on the kitchen counter this morning.

DAVID
Then get it.

INT. HOUSE - KITCHEN - DAY
Ella bursts into the kitchen, next to a wallet and a mobile phone a key ring with three keys on it.
She grabs it.

INT. HOUSE - HALLWAY - DAY
Ella runs down the hallway, Luke’s bedroom door is slowly opening.

ELLA
David, close it.

David grits his teeth, his face turning red using all his strength he pulls the door all the way closed, Ella puts in the key and locks it.

David let's go of the handle exhausted, the door continues to shake and bang but it's not getting opened from inside.

INT. HOUSE - BATHROOM - DAY
David and Ella lower Luke down into the bathtub.

David turns on the shower head and starts to clean the cut on the top of his head.

He turns to Ella.

DAVID
Go get me towels, as many as you can.

ELLA
What are you doing, you’re not a doctor?

DAVID
He's hurt badly, we have to help him.

INT. HOUSE - BATHROOM - DAY
Luke now sits on the floor, his back resting against the tub.
David squats beside him.

Ella leans against the frame of the open door, her arms folded.

    DAVID
    Who's in that room?

Luke shakes his head, tearful.

    LUKE
    I met her in a club, I don't understand.

    DAVID
    What happened?

    LUKE
    She changed and attacked me, she turned into a monster and started biting me.

Ella steps forwards, angry.

    ELLA
    What the fuck have you done?

Tears stream down his face, terrified.

    LUKE
    She turned into a monster, you have to believe me.

INT. HOUSE - HALLWAY - DAY

David and Ella stand close together keeping their voices low.

    ELLA
    We have to call the police.

    DAVID
    I want to see the girl he brought home, he really has been messed up pretty badly.

    ELLA
    And what if she’s in a worse state than he is?

David shrugs.

    DAVID
    Do you still want to be taken to the airport?
ELLA
I can't leave now, whatever happened in that room we’re both potential witnesses.

INT. HOUSE - HALLWAY - DAY

Ella has the key in her hand.

David has his ear pressed to the door, listening.

ELLA
Whatever really happened, Luke is a liar.

David comes away from the door, a shake of the head.

DAVID
I can't hear anything, if it's the girl in there She's really fucking strong, I could barely keep the door closed and Luke isn't a weak guy either.

ELLA
We should just call the police and let them deal with it.

DAVID
You don't want to know for yourself first?

ELLA
What if that girl was just trying to defend herself, what if Luke tried to kill her. Are we really going to help him?

DAVID
He’s our roommate, don't we have to trust him?

ELLA
No, we should just let the police know what has happened and let them take over.

DAVID
I need to know though.

ELLA
But are you really prepared to see what might be on the other side of this door?

A beat.
David places his ear back against it.

Bang!

David stumbles backwards startled but then a girl's voice calls out softly from the other side of the door.

**SAMANTHA**

Is there someone there?

David and Ella share a look

**SAMANTHA (CONT’D)**

Please, I need help!

**INT. HOUSE - BATHROOM - DAY**

Luke's still leaning up against the bathtub, he's passed out asleep, a small hands towel covering the gash on the top of his head.

Ella nudges him with her foot, waking him up.

**ELLA**

What did you do to her?

A beat.

**LUKE**

Nothing, I didn't lay a finger on her she just changed into this monster and attacked me, you have to believe me.

**ELLA**

Why?

**LUKE**

The only reason I brought her back here was because of you I wanted to make you jealous.

**ELLA**

Why?

**LUKE**

I still love you.

**INT. HOUSE - HALLWAY - DAY**

David is down on his knees still with his ear pressed to the door.

**DAVID**

So you are hurt?
SAMANTHA
Yes.

DAVID
What happened?

SAMANTHA
Your friend he just went crazy
putting his hands around my throat
but I was only defending myself I
never wanted to hurt anybody.

DAVID
What caused him to go crazy?

SAMANTHA
I don't know please just open this
door and let me go.

DAVID
We're going to have to call the
police.

SAMANTHA
No you can't.

DAVID
Why not?

SAMANTHA
I'm not from this country, I came
here to study on a student visa,
but I've over stayed it. If the
police get their hands on me I'll
be deported. Please I think he's
broken my collar bone, just open
the door and let me go.

David considers.

Ella comes up behind him.

ELLA
Keep an eye on Luke for me I just
can't deal with him right now.

He waves a hand at her, dismissive.

DAVID
He'll be fine.

ELLA
Go watch over him right now or I
will call an ambulance.
INT. HOUSE - BATHROOM - DAY

David stands over Luke who's sleeping leaning against the bathtub.

David watches his slow laboured breathing, a look of great concern flashes across his face.

INT. HOUSE - HALLWAY - DAY

Ella edges closer to the door.

ELLA
We just want to know what happened?

SAMANTHA
The other one I was talking to, he’s going to let me out isn't he?

ELLA
It’s not up to him, I’m the one with the key.

SAMANTHA
Your roommate, has he told you why he attacked me?

ELLA
Well he has a different story from you for what happened.

SAMANTHA
What has he said about me?

ELLA
Basically that you changed into a monster and try to eat him.

SAMANTHA
I’m studying to become a ballet dancer, last night I go out with some friends, I meet a guy, I go back to his place where we hook up and the next morning he tries to kill me. I'm not a monster.

INT. HOUSE - BATHROOM - DAY

Ella sits on the other side of the room, staring at Luke’s injured head, arms and legs.

She then turns to David standing by the door.
ELLA
I don't think we're ever going to know what happened in there, but they're both lying to us.

DAVID
Yeah, but I think she really is hurt.

ELLA
Well it's time to just call the police and let them work it out.

DAVID
I think we should open the door at least just to see how bad she's hurt.

ELLA
No, not until the police show up.

DAVID
I think she's the victim in all of this.

ELLA
I don't care.

DAVID
Ella, I want you to unlock that door and let her go.

ELLA
I said no, so just drop it.

INT. HOUSE - HALLWAY - DAY
David is back pressed up against the door.

DAVID
The police are on their way, I'm sorry. But I'm sure if you just tell them the truth they will look after you.

SAMANTHA
Thanks, you know you're the first person in a long while to show that they actually care about me. I wish it was you I met last night instead of him. I don't like the way that girl bosses you around, if I'm allowed to stay in this country I hope you'll let me show you my gratitude for the way you've been so kind to me.
David's face lights up, smiling happily.

DAVID
I wish there was some way I could help you.

SAMANTHA
Well you could just take the key off of her, couldn't you?

INT. HOUSE - BATHROOM - DAY
David comes back into the bathroom.

DAVID
The police are outside.

Ella stands up.

ELLA
Are you sure, I only just called them?

He nods.

DAVID
We should unlock the door for them so that they can get to her.

ELLA
I'll wait until the police are in the house before I do that.

DAVID
Do you still have the key?

ELLA
Of course.

DAVID
Prove it.

ELLA
What's wrong with you?

DAVID
I said prove it.

She takes the key out and waves it at him.

ELLA
What the hell has gotten into you?

David launches himself at her, snatching the key off of her and he knocks her to the floor.
INT. HOUSE - HALLWAY - DAY
Ella stumbles out into the hallway, holding onto the back of her neck in pain.

ELLA
Fuck.

She sees that Luke’s bedroom door has been unlocked and opened.

INT. HOUSE - LUKE’S BEDROOM - DAY
Ella peers inside, David is dead on the floor. His throat has been bitten out, blood everywhere.

Ella stumbles backwards, holding both hands to her mouth horrified.

ELLA
Oh God, what the fuck?

INT. HOUSE - BATHROOM - DAY
Ella rushes back into the bathroom, Luke is dead on the floor, his throat has been bitten out just the same as David’s.

Ella shakes her head in disbelief.

Samantha appears behind her, a demonic face and huge fangs. She’s soaked from head to toe in blood.

SAMANTHA
You should never have let him open that door.

Ella spins around to face her, Samantha leaps onto her and sinks her fangs into her neck.

FADE TO BLACK.

THE END.
