FADE IN:

A pair of CHILD'S HANDS reach through iron bars, they grip the bars and pull them tight. The child GRUNTS and MOANS. It looks as though the hands are reaching out through a PRISON CELL.

KUN
(In Mandarin)
Help!

The hands frantically reach through the bars to an arms length.

KUN
(In Mandarin)
Shaozu! Help me. I can’t open it.

Another pair of hands grip the iron bars. They both pull hard.

ANGLE ON IRON BARS: We rotate from the profile of the iron bars, tracking backwards to reveal...

EXT. UPPER CLASS NEIGHBORHOOD, ROAD SIDE - AFTERNOON

Two Chinese brothers, SHAOZU (19) and KUN (6) lean over a STORMWATER DRAIN, their hands reaching through the grating.

SHAOZU
(In Mandarin)
What’s in there?

KUN
(In Mandarin)
My pendant. It fell.

CLOSE ON CHINESE GOLD PENDANT

Shaozu pulls with all his might, the grating doesn’t budge.

SHAOZU
(In Mandarin. Pulling on the grating)
It wont move...It’s stuck.

Shaozu brings his arms out and gazes at the surroundings, they’re in a wealthy neighbourhood. Walking BYSTANDERS look on with distasteful eyes.

SHAOZU (CONT’D)
(In Mandarin)
We gotta go.

Shaozu takes Kun by the arm and makes a hasty exit.

(CONTINUED)
KUN
(In Mandarin)
But I can’t leave it, it’s from China!

SHAOZU
(In Mandarin)
Come.

INT. APARTMENT - AFTERNOON
Shaozu leads Kun inside a small, musty apartment – It’s a bare place that hasn’t been touched since the early 90’s.

Kun dumps his school bag in a corner.

KUN
(In Mandarin. Grouchy)
Will Dad be mad about losing the pendant?

SHAOZU
(In Mandarin)
He’s always mad.

Kun follows Shaozu through to the opposite door of the lounge, opening up to...

INT. GOLDEN TIGER TAKEAWAYS - CONTINUOUS
A simple takeaway shop attached to the apartment. A single bench-top separates the kitchen and where customers order. Steel bars line against the window. This is a family run shop.

Shaozu SPARKS the frying vats next to the grill.

KUN
(In Mandarin)
He said we can’t speak English at home anymore.

SHAOZU
(Switches to English)
This is America Kun, you have to speak english.

Shaozu studies a PAPER-NOTE on the counter.

ANGLE ON THE PAPER NOTE: It reads in Chinese characters: "Working late shift tonight. Don’t forget to count money in till and teach Kun Cantonese! Dad"

SHAOZU (CONT’D)
But don’t worry. He’s not coming home.

Shaozu passes the note to Kun to read.
INT. MANNEQUIN FACTORY - AFTERNOON

LIU
(In Mandarin)
You look tired...Seen your kids lately?

Zhou scratches to the end of the lottery ticket, he hasn’t won. He THROWS it away.

ZHOU
(In Mandarin)
They can look after themselves.

Zhou eyes Liu with question. Their boss STEVE (40s), comes past the two.

STEVE
Zhou, can I have a word?

Zhou looks on as though he can’t understand.

INT. STEVE’S OFFICE - CONTINUOUS

Zhou sits down clamped against his chair with Steve sitting opposite and Liu standing as translator.

STEVE
What we’re saying is in this review process, we have to make some redundancies. It would help us if he’s been to university, high school, english language courses or anything like that...Can you ask him?

(CONTINUED)
Liu relays this in Mandarin to Zhou. Zhou shakes his head and gives a lengthy and aggressive answer.

LIU
(Awkwardly relays this, not saying telling Steve the full truth)
No...But he’s worked all trades...He knows how to do electrical, welding, building and plumbing...He say’s he doesn’t need school. He is a worker.

Steve leans back in his chair, studying Zhou.

INT. MANNEQUIN FACTORY - DUSK

The fibre glass cast of a mannequin mold CRACKS, Zhou and Liu take the figure out and lay it down on a bench

ZHOU
(In Mandarin)
I don’t trust any of them...You’ll be next...They hate Chinese

ZHOU’S POV: A handful of Caucasian and Mexican workers glance at Zhou.

LIU
(In Mandarin)
You’re paranoid...Here, help me.

They CRACK another fibre class cast open.

ZHOU
(In Mandarin)
I hate them all.

INT GOLDEN TIGER TAKEAWAYS – NIGHT

A trio of drunk teenagers play an arcade game while drinking beer and feeding. Shaozu pours vegetables and noodles from a wok into a plastic container and gives it to one of them. Kun tugs on Shaozu’s shoulder.

KUN
(In Mandarin)
You shouldn’t let them drink here...It’s trouble.

SHAOZU
(In Mandarin. Embarrassed speaking Mandarin in front of the teenagers)
Get out of here...I’ll tell them to leave if they do
KUN
(In Mandarin)
You won’t...You never do.

SHAOZU
(In Mandarin)
Just get out. Go, now.

Kun growls at his brother and stamps back into the apartment. Shaozu leans on the counter, looking at social media pages on his phone.

ANGLE OF PHONE: His fingers flip through photos of a Chinese couple posing by a pool and a sea-view balcony. He ZOOMS in on their clothes, jewellery and haircuts.

The teenagers start WHISPERING to each other, conspiring and GIGGLING. One of the teenagers half-eaten chow-mein meal is SHOVED back on the counter.

TEENAGER #2
I’m not paying for this

SHAOZU
Huh? What’s wrong with it?

TEENAGER #2
The meat, it’s bad.

Shaozu looks at it - there’s no problem.

SHAOZU
It’s fresh. I just made it.

The teenagers all look at each-other in anticipation.

TEENAGER #2 FLIPS the chow-mein on it’s head, splattering it on the counter. They run out in HYSTERICS.

TEENAGER #2
Taste’s like dog gook boy!

Stunned, Shaozu doesn’t follow them, he YANKS a mop out. Kun walks out to see the mess.

EXT. GOLDEN TIGER TAKEAWAYS - LATER

Shaozu throws rubbish bags into a large bin as a late-model European car pulls next to him. A trio of WEALTHY CHINESE (20s) exit the car. One of them eyes Shaozu and GIGGLES.

CHINESE GIRL
(laughing)
Nice apron.

Shaozu shadows them as they enter the Yum-Cha restaurant over the road, he gazes inside.

(CONTINUED)
SHAOZU’S POV SLOW MO: A party of well-dressed Chinese (early 20s) drink and gorge on a plethora of food and alcohol in glee. Shaozu watches on in awe of the seemingly glitter and wealth of them, fascinated by it.

His concentration is interrupted by...

FAN (O.S.)
Holy shit, is that you Shaozu?

Shaozu spins to see an approaching FAN (20). It would seem he is a successful executive in the tailored outfit, except for a TATTO of a DRAGON HEAD on his neck.

SHAOZU
Fan?

Fan shakes hands and presses himself against Shaozu.

FAN
That’s right man. I haven’t seen you since school...How the heck you been?

SHAOZU
Alright. Still here.

FAN
Shit...You’re a smart guy, thought you were doing the whole uni thing. Be a model Chinese migrant. Become an accountant, or lawyer.

SHAOZU
Nah. Nothing like that...What brings you back these ways?

FAN
Im working. I’ve gotta see some people next door.

SHAOZU
Doing what?

FAN
Delivery work...It’s for some people I hooked up with...Rich people.

SHAOZU
Seems to be a lot of that these days...Good for some.

FAN
Not bad for a drop-out huh...What gives man? I thought this place was bulldozed.

(CONTINUED)
CONTINUED:

SHAOZU
Nup, still a dump. Dad left it up to me and Kun to run now.

FAN
Asshole. You need to get outta here.

SHAOZU
Yeah...I know.

FAN
Hey look, what are you doing tonight? I can show you what I do, maybe even make a bit of cash for yourself.

SHAOZU
Me? What would I do?

FAN
Ride with me. We make a few stops. I could use the company...It’s easy.

SHAOZU
I don’t know, I’m meant to be here, looking after the store...What do we do?

FAN
It’s a delivery service.

SHAOZU
Drugs? I’m not sure.

FAN
Yeah, I get it...You want my honest advice? Fuck that place...You’re not going to get anywhere working there...Of course, unless you like slaving over a deep fryer...Everyone else is making a buck, you can too.

Fan gets a text message on his phone. Shaozu is in deep thought.

FAN (CONT’D)
I gotta get inside, people are waiting. If you change your mind, I’ll be cruising off soon.

Fan waltzes into the Yum-Cha restaurant.
INT. GOLDEN TIGER TAKEAWAYS - NIGHT

KUN
What time are you coming home?

SHAOZU
Does it matter? Just don’t open the door for anyone tonight, we’re closed.

Shaozu heads to the door.

KUN
So no Cantonese tonight?

SHAOZU
Kun...It’s pointless.

Shaozu exits.

EXT. GOLDEN TIGER TAKEAWAYS - NIGHT

Fan reverses in his black SUV, Shaozu runs and KNOCKS on the window, Fan winds it down.

FAN
You change your mind?

SHAOZU
Yeah. Screw it. I’ll come out. See what this is all about.

FAN
Get in.

Fan gets in. They drive off into the still night.

INT. MANNEQUIN FACTORY - NIGHT

Wobbling the sand paper onto the angle grinder, Zhou twists the grind wheel tight, but it still remains loose. He gives it to an APPRENTICE (19) pointing to the danger of the loose grind wheel.

EXT. MOTORWAY UNDERPASS - NIGHT

Underneath the concrete pillars of a motorway, Fan’s car idles.

INT. FAN’S CAR - CONTINUOUS

When they turn up, get in their car, give them the bag and he’ll give you one in return...Do it quick and don’t panic, otherwise they’ll panic. Got it?

SHAOZU
Okay, be quick and don’t panic.

FAN
You’ll be fine. Just be casual about it.

EXT. MOTORWAY UNDERPASS - CONTINUOUS

Shaozu gets out of the car holding the bag, a BLACK SEDAN drives along them and stops ten metres away. Shaozu apprehensively approaches and gets in the passenger door.

INT. FAN’S CAR - CONTINUOUS

SHAOZU (CONT’D)
Did I do alright?

FAN
Bro. You did perfect...And here’s your fee.

Fan hands over two hundred dollars to Shaozu. A tiny margin of his profit.

SHAOZU
Holy shit. That was easy. That was damn easy. Is it always like this?

FAN
America, land of opportunity.

They both LAUGH. Fan drives them out onto the main road, he POPS two beers for them.

FAN
You know, you could make this full time if you wanted? I’d just have to speak to a few people.

SHAOZU
Yeah. Heck yeah I can get used to this...Fuck the Golden Tiger.

They drink their beers.

BOUNCER
(points at Shaozu)
Who’s that?

FAN
He’s with me...He’s one of us, alright?

The bouncers study Shaozu and let them both in. Fan shuffles Shaozu to sit in a booth with a group of seemingly exclusive CHINESE GUYS (20s - 30s) and YOUNG THAI GIRLS (19).

FAN
This is Shaozu, old friend of mine.

They greet Fan, but barely look at Shaozu - he’s just an acquaintance tonight.

FAN
(Yelling over the music)
Don’t worry, they’ll warm up to you...All the drinks are free here, so go for it.

Fan signals for one of the THAI GIRLS to sit next to Shaozu. She complies, bending over Shaozu to get a drink and clutching his thigh. She WINKS at him.

THAI GIRL
You’re a new face.

A BALD CHINESE MAN (50s) approaches the booth, Fan stands immediately, shaking his hand respectfully. This is a man of importance. Fan follows the Bald Man into a back-room.

LIU
(In Mandarin. Suspiciously)
Did you do this?

ZHOU
(In Mandarin. Uncertain of what to do)
It was his fault, I showed him the grind wheel was broken, he’s stupid.
STEVE
What the heck happened? Liu, you were watching him?

The apprentice is lifted and taking away by workers.

LIU
Zhou was. He says the angle grinder was broken.

Steve picks the faulty angle grinder up.

STEVE
Jesus. You’re meant to report this.
