SRINIVAS
It would not help us. And moreover, she would then know we're watching her if we do any such thing.

BOSS

Wait. Follow her for a week, find out a little more about her. And only if its safe, go talk to her. Don't mess with her if she's got any roots into the government or the cops. Make her an offer. If that doesn't work, then back out. I'll take care.

SRINIVAS

GIRL

Good afternoon to you to sir. Who the hell are you?

(Smiling widely, sarcastic voice)

SRINIVAS

(Barges in and sits down)
Please sit down. Now.

GIRL

So that isn't rude huh? Get out. Now.

SRINIVAS
 (Holds up pointy object

 So, do you value your life?

GIRL
 (nervously nodding)
 Yea.

SRINIVAS
 Good. Let's have a small talk...
 (Grinning, putting down
 the gun like object)

FADE TO BLACK:

INT. BOSS LAIR.

Boss walks around and stands turning away.

SRINIVAS
 She says 10 lakhs seals the deal.
 Is that alright? It's gonna set us
 way back, but we'll be safe .

BOSS
 No Srinivas, you just leave that.
 There's more than one way to solve
 a problem. Lets lay low for a
 while. Take a few days off.

SRINIVAS
 What?? Are you serious? Boss, you
 said this was a big risk...

BOSS
 Just listen to me. I know what has
 to be done. You just take a break.
 I'll take care of this.

SRINIVAS
 (Dejected and packing
 laptop bag)
 As you say, Boss. Let me know when
 I'm needed. And My bonus?

BOSS
 (Just stare down at
 Srinivas blankly)
 That door is closed for you now.
 But when one door closes , another

GIRL

(looks up at camera)

SWAMIJI

Actually I'm here to help you.
Hello miss. I'm your hypnotherapist
G.Swami. I'm here for you 4 p.m.
appointment.....

GIRL

Oh yes! Of course! Do come in. Its
a pleasure to meet you .
(Shake hands)

SWAMIJI

Dr. Doctor told me that you are
having a few problems... Why don't
we just go over them quickly? I
would like to see how well you know
about your issues..

GIRL

Hmmm...sure, that's fine by me.
Well, I'm addicted to the internet.
Every minute I'm offline, I feel
like I keep missing something and I
feel so agitated. And more
recently, I've started getting
these images and sequences in my
head that I think happened, but I'm
not sure if they were real. Doctor
said that I was hallucinating. And
I keep feeling that someone or
something keeps following me every
now and then.

(Pauses, and nods)

Well that's the whole list..

SWAMIJI

(Writing down notes)

That's very good, Girl. You've explained quite clearly. What you are experiencing is Internet addiction. Its no big deal.

GIRL

But what about the hallucinations? And my wavering mind?

SWAMIJI

Hmm... I'll get a therapy plan formulated and send you a copy by tomorrow. We will go in for 7 days of continuous therapy, an hour every day. I charge 500 per session and if you're okey with all this, we can start tomorrow.

GIRL

That sounds a little too much work...

SWAMIJI

So you're having second thoughts?

GIRL

You know what? I'm in. Lets do this.

SWAMIJI

Oh yeah, and one more thing. No internet or telephone for you during the course of therapy. You will put you modem and other electronic gadgets away in a room and lock it up. That's the first step.

SHOW GADGETS BEING OUT IN THE ROOM AND THE DOOR BEING LOCKED.

CUT TO:

SRINIVAS

I'm having second thoughts. We need to meet up. I want to know what else was there in that account..

HENCHMAN SAI
 (Only voice)
 Fine. Be there in an hour.

CUT TO:

INT. LIVING ROOM.

Girl reclined on a reclining chair in the living room.
 Swamiji sitting on the side.

DAY 1

SWAMIJI
 Now, I'd like to clear your mind of
 certain myths about hypnotherapy.
 Firstly, you will be able to
 control yourself during hypnosis,
 unlike the myths where you are
 vulnerable to outsider's commands.
 Secondly, It doesn't affect your
 mind or health in any way.
 Thirdly, you can never get lost
 forever in a hypnotised state
 (I.e.) Limbo.
 So, with that, I would like to ask
 you to relax and calm down.

GIRL
 This will be all right, doctor?

SWAMIJI
 (Nods.)
 Now, The mind is like a four way
 traffic junction. You must imagine
 yourself to be travelling in one
 direction. But if some other
 thoughts keep flashing in between,
 don't suppress them, but allow them
 to pass. Or else, your mind will
 get jammed like the four way
 traffic signal. Concentrate on the
 one thing that you want. Go into a
 meditative state gradually...

Waves a pendulum at her face and stands near her.

SWAMIJI (CONT'D)

Look at the swinging pendulum.

(creepy voice)
You are feeling sleeepyyyy.

GIRL(DOES WHAT HE SAYS.)
I feel it.. Yes...

SWAMIJI
Bull poop. That is a stereotype. A
cliche. What you felt was the
placebo effect.

GIRL
Aaaaaargh. Why ????

SWAMIJI
Alright . Lets get serious.
Focus your mind onto one central
point in your head. The center.

DOZE OFF THE CAMERA, FOCUSING ON SWAMIJI AND THEN BLACK OUT.

FADE TO BLACK:

EXT. HYPNOTHERAY WORLD.

Show all sorts of bullpoop during therapy scenes.

HIGH ISO, HIGH SATURATION, WITH ECHO.

FADE TO BLACK:

INT. SRINIVAS ROOM.

Srinivas typing and reading something from his laptop.

SRINIVAS
(Surprised upon seeing
something)
Hmm... So this is why.....

Picks up phone and walks around.

HENCHMAN SAI
(Voice only)
Hey.

SRINIVAS
There's something big going on
here... The account.... There's
some serious stuff going on....

HENCHMAN SAI

Wait. I'll be right over. Lets not do this over the phone.

SRINIVAS

Alright. Make it fast.
(Puts phone down; worried
look away from camera.)

INT. DINING ROOM.

Fruits, Curd, Soft Drinks, Plate, Spoons, knives and forks, Nutella, Bread, Milk, Kurkure and a Dosa on the table. DOCTOR is on one end of the table, Girl is on the other.

DAY 3.

SWAMIJI

What you see in front of you is some of your favorite edible items.

GIRL

Oh yeah, Especially ..
(reaches out to take
Kurkure)

SWAMIJI

(Taps her hand with the
spoon)
Now, listen quietly. Since all these are items you like, I want you to eat a few of them now. Just a bite of each.

Girl takes small bites of each.

SWAMIJI (CONT'D)

Good. You liked it right?

GIRL

Yes. Can i have some more?
(Licking Nutella of her
fingers)

SWAMIJI

Later. But now, I will use this as an example to help you understand your hallucinations.
(Grossed out by the
licking)

GIRL

Awesome. So eating this is going to cure me?

SWAMIJI

I'll be happier if it was that easy.

(murmuring to himself)

No dear, Listen.

These are items that you like, and hence they are part of your sub conscious mind. So when you dream, or day dream, these favorite items tend to appear quite frequently in your dreams.

But there's a difference between dreams and hallucination. You won't be able to tell me exactly what is there in the hallucination. You will not be able to tell reality from the virtual world.

GIRL

Ohh.. You're right! That's exactly how it feels at times!

SWAMIJI

Now close your eyes and meditate like how I taught you to.

GIRL starts meditating. SWAMIJI starts taking random items and mixing them and takes them to the kitchen. He puts them in the Mixer and grinds up the gooey drink.

Few minutes later, Swamiji comes back with a pitcher of the mucky gooey juicy drink.

SWAMIJI (CONT'D)

Now without getting out of the meditative state, drink this juice in one gulp. And don't stop no matter what.

(hands the pitcher to Girl's hands)

GIRL

(Drinks the pitcher)

Alright. But what's in this drink?

SWAMIJI

No questions, dear. You need only drink.

GIRL drinks from he pitcher and keeps the pitcher down hurriedly.

SWAMIJI (CONT'D)

Now tell me, what ingredient do you think was in the drink?

GIRL

I'm not sure.. It tasted like everything....

SWAMIJI

Exactly. It contained everything from this table. That, Girl, is what a hallucination feels like. It seemed so real, but you can't tell what was in it and what wasn't. That's exactly how you feel after hallucinating about something too. You don't know what was in it, but it will be all mixed up, just like this drink.

(Smiling, hands up in the air in pride)

Wasn't that a beautiful explanation?

GIRL

What? You made me drink that goo just to tell me about stuff being mixed up? Oh my -

(Gets up and runs to bathroom)

SWAMIJI

You get some rest today. We'll continue tomorrow.

GIRL

Oh K-

(Speech drowned by puking noise)

Cue Symphony 9 part 7 high climax.

CUT TO:

INT. SRINIVAS ROOM.

Henchman Sai and Srinivas sitting on a bed, looking into a laptop.

SRINIVAS

Look. I went through Boss's emails and found this-

(points to a specific email)

The account that you've been handling all these days is not the only one!

HENCHMAN SAI

But this could be his private account..

SRINIVAS

That's what I thought. But look -
(pointing at screen; opens an email)

The transaction from this guy's account. I was the one who did it. I hacked his account. But looks like Boss's has received a separate amount to this other account to.

HENCHMAN SAI

Oh my Gourd! I remember this one... We got 8 lakhs from this account couple of months ago.....

SRINIVAS

Yes, we did. But Boss's account has received this secretly -
(shows the new opened page)

Display new web page showing email and transaction amount of 19 lakhs.

HENCHMAN SAI

What the hell is this? He's been ripping us off!! We take the risk and he gets the rewards!!

SRINIVAS

What shall we do now?

HENCHMAN SAI

We are going to go claim what is rightfully ours.

SRINIVAS

No. We'll leave this alone and get out of this circle. We'll go work for someone else...

(MORE)

SRINIVAS (CONT'D)

Coz I just found that Boss has purchased weapons using some of this money... We can't risk our lives now....

HENCHMAN SAI

We'll get our stuff from the Workplace tomorrow and clean our traces.

SRINIVAS

No. We have to do this slowly. Give it some time, or else Boss will suspect us. And if he decides to hunt us down, we're definitely not going to escape.

HENCHMAN SAI

Alright. See you at the lair soon.

Sai leaves the room and Srinivas keeps looking at the laptop screen. He then closes the laptop.

CUT TO BLACK:

EXT. TERRACE.

Day 5

SWAMIJI and GIRL are sitting, meditating on the terrace.

SWAMIJI

Today, we will go through your memories and look for clues so as to why you are having these problems. Main factors are Sadness, Supressed anger, GUILT, Secrets, GUILT, Bad deeds, Sins and GUILT.

Girl twitches her face a bit and breathes calmly.

SWAMIJI (CONT'D)

Tell me, Which among these is bothering you?

GIRL

I don't know..... I can't remember anything related to these factors..

SWAMIJI

I'll help you remember.... First
take a deep breath...

CUT TO:

INT. BOSS LAIR.

BOSS is seated at his desk. SRINIVAS is standing in front.

SRINIVAS

We came across your other account.
Sai wanted to run away immediately.
You know that I'll never betray
you. I convinced him to stay back
for a little longer. Take care of
him soon.

BOSS

What's the catch? How much do you
want to keep this between only us?

SRINIVAS

Nothing. You're the BOSS. You have
every right to hide things from us.

BOSS

Good. Good for you. But I don't
want to hide anything from you
anymore.

BOSS gets up and starts walking.

CRAB SHOT MEDIUM CLOSE.

BOSS (CONT'D)

That GIRL didn't hack into just the
usual account. She found the secret
account too.

SRINIVAS

But how did she know about the
other account? Even Sai and I
didn't know about it's existence.

BOSS

She hacked into my Email. That's
how she accessed both the accounts.

SRINIVAS

Wait, Do you have a PayPal account
too?

BOSS

Yes..But listen to the main thing.

SRINIVAS

No, She tried to hack your email to wipe your PayPal account clean... That's what she told me.. And that's when she must have found the other accounts.

BOSS

And that is why she accepted to give it all up for 10 lakhs? Doesn't make any sense does it?

SRINIVAS

(Perplexed. Stops to think.)

So she wasn't actually going to keep quiet about this.... But she could have taken the money and escaped... she has the id and the password...

BOSS

Yes, She was trying to buy herself some time. She had the I.D And Password, but the money is deposited in my actual bank lockers. Only the transactions were made online.

SRINIVAS

If the money is in the lockers, she can't access them. So she was trying to extort the money from us bit by bit....

BOSS

Precisely. That's why I asked you to stay out of this. I wanted to get the job done myself, when the time was right.

SRINIVAS

So what do we do now?

BOSS

2 days. Wait for 2 days. We'll go in this Sunday. We'll get the job done. Before that, we have to take care of Sai...

SRINIVAS
With Pleasure...
(Grinning)

CUT TO WHITE:

INT. LIVING ROOM.

Day 7

GIRL and SWAMIJI sitting on the couch.

SWAMIJI
So we've come to the end of the
first set of Hypnotherapy sessions.
And I must say, You've shown a lot
of improvement.

GIRL
It's all because of you, Swamiji.
Thank you so much sir. When will we
start the next set of sessions?

SWAMIJI
We will resume after a 3 day gap.
We need to see what happens when we
stop the therapy for that period...
Only when we observe your reaction
to absence of therapy, we can
decide how to go about next.

GIRL
So Wednesday it is, sir?

SWAMIJI
Uhh Yeah. A Wednesday. Sounds
perfect. Remember, Hallucinations
are nothing but COLORED VERITY.

GIRL
What does that mean?

SWAMIJI
Colored also means falsified or
doctored and Verity means truth,
reality. Hallucinations are false
impressions of reality, and are
generated by your mind. Stay sharp.
Don't let it fool you.

Girl hands out cash. Swamiji takes the cash and nods.

SWAMIJI (CONT'D)

Take care. And continue the medication. I'll take my leave then. Have a good day.

CUT TO:

BOSS

(Calls someone on the phone)
Bring the money fast. He's waiting.

Few minutes later, Boss gets a call.

BOSS (CONT'D)

(Shocked)

What?? What assisstant? I didn't
send anyone today - ...

HENCHMAN

The banker says that 2 of your
assisstants had come and closed
down the account and emptied the
lockers in the morning.

BOSS

What!! But don't i need to sign and
get some paperwork done to do all
that?

HENCHMAN

Yes sir, your signature is here on
the papers....

Boss slumps down on his chair.

Boss pulls open drawer to take out gun and sees a letter
under it.

THE LETTER.

Hey Boss. I Took care of Sai, like
how I said earlier. But I wanted to
make sure I took really good care

of love and hatred,
SRINIVAS.

regards.

Boss throws letter down.

SWAMIJI

(Sighing; Frustrated)

MYSTERIOUS MAN

Huh? Why ??

BOSS

Long story. I'll send it by

MYSTERIOUS MAN

Alright. I'll find them though.
Don't worry about that.

Boss cuts call and keeps phone down.
