FADE IN:

INT. GRANDPA'S CONDO - DAY

GRANDPA (70, jeans, faded heavy metal t-shirt) opens the front door to the modest, tidy living space. BILLY (14, jeans and hoodie) enters finishing an ice cream.

BILLY
Thanks for the ice cream, Grandpa.

GRANDPA
Sure thing, kiddo. Did you have fun today?

Billy nods, checking his phone.

GRANDPA
Would you mind helping me with the computer before you go?

Grandpa shuffles to a desk and sits in front of a computer monitor with built-in webcam.

GRANDPA
I'm trying to get this damn video thing to work.

Grandpa opens a video call app. Billy stands to his right, takes over the mouse control, and starts clicking on the screen.

BILLY
It's not the Wi-Fi. Let's see...

A few more clicks, and then--

BILLY
Oh, there's a new app. This one's not supported any more. I'll install it.

The installation bar appears and rapidly fills. Billy launches the new app.

BILLY
There you go.

The app chimes and an incoming call pops up on screen. Billy automatically clicks on it before we can even register it's from SEXBUNNY_2149.

On the screen, SEXBUNNY_2149 (30s) stands haughtily with hands on hips clad in a black bustier, black lace panties, thigh-high leather boots, and cat eye mask. Her hair is tied in a tight bun, giving her a severe look.

SEXBUNNY_2149 (OVER SPEAKER)
 There you are, you naughty boy.
 I've been edging for hours, this
 pussy needs release.

In the reverse-cam window only Grandpa's flustered face is shown as he grabs the mouse and moves it over the unfamiliar app trying to end the call.

Billy is slack-jawed, stunned. Sexbunny_2149 peers closer with a disapproving look.

SEXBUNNY_2149 (OVER SPEAKER)
 Why are you still dressed?

GRANDPA
 Wait, stop...where's the button?

SEXBUNNY_2149 (OVER SPEAKER)
 Mmm, you know where the button is,
 baby. You want to play it like
 that? I'll be right back.

She strides out of frame. Grandpa finally finds the end call button but Billy snatches the mouse away.

BILLY
 Uh-uh. Who is she?

SEXBUNNY_2149 (O.S. OVER SPEAKER)
 If you ever want me to piss in
 your mouth again you better be
 getting naked.

Billy's eyes bulge.

BILLY
 Grandpa, what the fuck? You drink
 pee?

GRANDPA
 No!

BILLY
 But that's what she said.

Grandpa stammers and tries to grab the mouse. Billy holds it further out of reach, waiting.

GRANDPA

I don't drink it, I just...let it
run out of my mouth.

BILLY

It's still in your mouth!

SEXBUNNY_2149 (O.S. OVER SPEAKER)

Did you say something? I can't
hear you.

BILLY

Does Dad know?

GRANDPA

Fuck no! And you're not going to
tell him either. Now hang up.

Sexy music starts playing over the speakers.
Sexbunny_2149 slinks onto the screen looking every bit
like a school teacher, complete with glasses over a black
lace eye mask. She undoes her bun, letting her hair
cascade around her shoulders.

SEXBUNNY_2149 (OVER SPEAKER)

Get ready, big boy. I want to see
you cum all over that gorgeous
white-haired chest.

Billy's eyes go wide again as she tugs her mostly
unbuttoned blouse open to the brink of exposing her
nipples.

GRANDPA

Stop! My grandson's here!

SEXBUNNY_2149 (OVER SPEAKER)

What? Let me turn the music down.

She approaches the webcam and clicks. The music softens.
She looks right into the camera, brow furrowed.

SEXBUNNY_2149 (OVER SPEAKER)

What did you say?

Billy suddenly leans into Grandpa's webcam view, a
shocked look on his face.

BILLY

Ms. Henderson?!?

Sexbunny_2149 blanches.

SEXBUNNY_2149 (OVER SPEAKER)

Billy?!?

She hastily terminates the call.

Billy turns slowly to Grandpa.

BILLY

Grandpa, that...was my teacher.

GRANDPA

Yeah. Maybe don't go blabbing
about this to anyone. Not your
friends, definitely not your
father. Got it?

Billy, in stunned disbelief, nods in agreement.

Grandpa chuckles.

GRANDPA

I have a feeling you'll be getting
good grades from now on, Billy.

FADE OUT.
