INT. FANCY BAR - EVENING

DICK ALCOCK, mid twenties, wears a smart suit.

He stands up and grabs the box of chocolates, roses that he had left at his feet, and his pint of beer from the table.

PAMELA, early twenties, wears an eye-catching dress.

PAMELA  
Are those for me?

He looks at the roses, then back at Pamela who remains in her seat.

DICK  
No. They're for someone I like.

Dick walks over to the next table.

FANNY BUSH, mid twenties, wears a red dress, stands to greet Dick with an outstretched hand.

He sets the chocolates down and graciously shakes her hand.

FANNY  
Nice to meet you.

DICK  
Nice to meet you too. I'm Dick.

FANNY  
I'm Fanny. Fanny Bush.

DICK  
Dick Alcock.

They both smile and sit down.

He hands her the flowers and chocolates.

DICK  
These are for you.

She takes the gifts from Dick and smells the roses.

FANNY  
Thank you. Wow. They're beautiful.

She sets the gifts down on the table.

The clock on the wall begins it's countdown from five minutes.

A True Love Story

FANNY

I've never encountered a Dick before. I mean person with your name. Of course I've had it.

Fanny blushes.

DICK

Likewise, you're my first Fanny. From which country does your name originate?

FANNY

I believe it's french.

FANNY

We've seen three people already and you decide to give me these gifts.  
(Nods towards Dick's previous date)  
What's wrong with her? She's beautiful.

Dick looks over his shoulder.

DICK

What her? She's nice but, she's a five and you're a ten. And I rarely meet a ten out of ten.

Fanny smiles.

FANNY

Thank you Dick. Is physical attraction the only thing you care about?

Dick smiles.

DICK

Not the only thing.

He winks.

FANNY

So tell me. Why are you here?

DICK

Same reason why you're here I guess. To find love. A companion. Soul mate.

FANNY

Well I like to reserve judgment. Too many players these days. I'm just here because my friend drag me along.

DICK

Do you believe in love at first sight?

FANNY

Never. But my mother always says never say never. So maybe.

Fanny drinks all of her cocktail. Then raises her glass to gain the attention of the WAITER.

The Waiter approaches.

WAITER

Another?

He takes the glass and places on his tray.

FANNY

Any cocktail will do as long as it's a strong one.

DICK

Do you like blow jobs or sex on the beach? I'm talking cocktails of course.

FANNY

As long as it's strong and hard, I don't care.

DICK

So what do you do for a living?

FANNY

I'm an underwear model. You?

DICK

I'm a private detective.

FANNY

What the chances? Apronym. What do you detect?

The Waiter returns with her drink.

She takes it from him and sets it on the table.

FANNY  
(To Waiter)  
Thank you.

DICK  
I know! Usually jealous spouses  
who suspect their significant other  
sleeping around.

FANNY  
Tell me something interesting or  
unique about you.

DICK  
I'm an orphan. Left at the fire  
station.

Dick grabs his beer and takes a big gulp. He smiles back at her.

She smiles back. She too also takes a snip from her cocktail.

FANNY  
I was not expecting that. Tell me  
something nerdy.

DICK  
I'm not the nerdy type. Although  
I'm told my penis has a mind of  
it's own. Don't know if that  
counts?

FANNY  
I see.

DICK  
I'm enjoying our super quick date.

FANNY  
Ditto.

They both smile.

DICK  
Could I get your number?

FANNY  
Sure.

She takes out a pen and then writes down her digits onto a napkin.

He then enters the digits into his phone and dials.

DICK

I'm never entered a Fanny  
before. Digits into my phone that  
is.

Her phone rings. He hangs up.

Fanny looks over at a large clock. The countdown is nearly  
finished.

FANNY

We've got a minute left. Tell me  
quickly, do you have any hobbies or  
a bucket list?

DICK

Sex. That's hobby.

FANNY

What a surprise.

DICK

Top of my bucket list right now is  
to kiss Fanny.

FANNY

Oh my.

DICK

Got any hobbies or a bucket list?

FANNY

Not really. I love flowers and  
chocolate. Thank you for the  
gifts.

DICK

It's made my day putting a smile on  
your face.

He smiles. Then drinks his beer.

FANNY

Your smile has made my whole  
day. But anal will my my hole  
weak.

He coughs and chokes on the beer. Surprised by what she  
just said.

FANNY

You okay? Seriously, do you not  
have any hobbies? Sports,  
boardgames, photography, anything?

DICK

I'm fine thanks. You caught me off guard. Screenwriting is my hobby.

FANNY

Interesting. What was your last story or are you currently working on something?

DICK

I'm currently working on a clever idea. It's a romantic comedy about a stupid vampire who is in love with a girl who is deathly afraid of the dark.

FANNY

Interesting. I look forward to seeing it someday. It sounds amazing!

DICK

I'm just hoping people like the story. And if it gets made, I'll be surprised.

FANNY

Don't wait too long to call.

DICK

Dick doesn't wait for happiness to come to him. Dick grabs the opportunity with both hands.

FANNY

Fanny likes Dick.

DICK

And Dick likes Fanny.

Dick leans in.

They kiss.

The buzzer signals:

THE END.
