

DAMN YOU BRUCE!!!

By

Josh Bushman

EXT. POOL - NIGHT

A man named BRUCE, mid 30's, is sitting in his pool and appears to be cutting himself with a sharp knife. Beside BRUCE is a bottle of whiskey, a .38 revolver, and a large crack pipe. As BRUCE cuts away at his arm he frantically talks to himself.

BRUCE

Those bastard asshole cops keep  
calling me the dick-less killer!  
That's not my name, soon enough  
everyone will know my real name!

BRUCE slowly takes his index finger and sticks it into his wound, then writes his name in blood on the concrete.

BRUCE

Bruce, my name is Bruce!

Suddenly the sounds of police sirens quickly approach BRUCE'S house. BRUCE grabs the revolver that was laying beside the pool.

BRUCE

Those damn cops think there going  
to bust me?!? Well I got my back up  
plan right here, YOU HEAR ME YOU  
PIGS! YOU AIN'T TAKEN ME ALIVE!

Without warning BRUCE puts the revolver to his head and pulls the trigger. After the bang the cops enter the back yard and find BRUCE dead.

As the blood runs out of BRUCE'S head it trickles towards an old automatic in ground pool cleaner. Some how BRUCE'S soul is trapped inside the "innocent" piece of pool equipment.

EXT. POOL - LATER THAT NIGHT

Detective ADAMS, mid 30's, is looking over the crime scene. BRUCE'S body has already been taken away, however, his blood is still plastered all over the concrete. The automatic pool cleaner/BRUCE is near detective ADAMS. Then Captain MENDOZA, early 60's, arrives on the scene.

MENDOZA

So this is your dick-less killer,  
huh?

(CONTINUED)

ADAMS

Well that's what it appears to be. I just got done talking with forensics and they said all twelve penis' that I found in his freezer matched with all of the victims. Also, in the basement there are all of his knives he used for dismemberment and torture.

MENDOZA

What a sick prick!

ADAMS and MENDOZA look at the ground and see BRUCE'S name written in blood.

MENDOZA

Bruce. I guess he wants us to remember his name.

ADAMS

Fuck that, tomorrow the head lines should read Dick-Less Killer Went Pussy Way Out!

BRUCE is hearing every nasty thing MENDOZA and ADAMS are saying about him.

MENDOZA

That's a little long, but seriously, good work there Adams. It was your call to name that bastard the dick-less killer. Finally after one month he caved in, just like you though he would.

ADAMS

I didn't think he was going to kill himself, I guess that's just a bonus!

MENDOZA

Yeah we won't have to wait through some bull shit trial and listening to this retard try to explain how "innocent" he is. I wish more of these assholes would just eat a bullet.

ADAMS

Did you get a chance to see his body? This guy had LDS!

(CONTINUED)

MENDOZA

He was Mormon?

ADAMS

No, he had little dick syndrome.

MENDOZA

Are you kidding me?

ADAMS

Nope. I swear to god when I pulled up to the crime scene and saw him I thought he was a woman. I was looking for breasts, but all I could find was his big old bush.

MENDOZA

Oh yeah I got a chance to look at some of the pictures, and the first one I looked at, I saw a large mane of pubic hair. So I thought it was a vagina. However, that was not the case, because the next picture revealed that there was in fact a penis.

ADAMS

I guess that's the reason why dick-less killed all those male strippers, he wanted what they all had, a tasteful penis.

MENDOZA

Um... I need your full report in forty eight hours.

ADAMS and MENDOZA slowly walk away from the pool.

ADAMS

No problem. Hey Captain, what do you think is going to happen to this place? You think it will be condemned?

MENDOZA

Hell no, this house probably will hit the market in six months to a year.

ADAMS

I just hope somebody tells the new owners about what happened here.

EXT. POOL - ONE WEEK LATER - NIGHT

In the middle of the night a young couple in their late 20's are celebrating the purchase of their new home, but they are not alone. The HUSBAND and WIFE are sitting at a table by the pool while drinking some wine.

WIFE

Oh my goodness Honey, I can't believe we got this place for so cheap.

HUSBAND

I know sugar bear. It was as if the old owners just gave this place to us. What a steal!

WIFE

Not only do we have this amazing pool, but we got all the pool cleaning equipment for free.

HUSBAND

We totally scored! I am really happy about this place. It just feels so right.

Suddenly the WIFE is looking at the HUSBAND with lustful eyes. This action gets the HUSBANDS attention, then the WIFE slowly stands up.

WIFE

You know what also feels so right?

HUSBAND

What's that?

Next the WIFE removes her clothes and reveals her attractive body in a tiny bikini. BRUCE'S wheels begin to shift a little bit towards the pool.

WIFE

Me.

HUSBAND

Uh huh.

WIFE

This is new, do you like it?

HUSBAND

Uh huh, uh huh.

(CONTINUED)

WIFE

Do you want to go take a dip?

Without warning, the HUSBAND strips down to his boxers and then grabs his WIFE and they both jump in the pool. Once the young couple rises to the surface they start to make out.

BRUCE is getting closer to the pool as the young couple heavily kiss each other. Suddenly BRUCE is in the pool and is falling to the bottom, the splash startles the WIFE.

WIFE

What was that?

HUSBAND

Who cares?

WIFE

I do.

The HUSBAND frantically begins to look around to see what made the splash. The HUSBAND sees the pool cleaner/BRUCE.

HUSBAND

It was just the pool cleaner, it must of just feel in. Your not going to let that ruin our good time are you?

The WIFE swims to the stairs of the pool and takes off her string bikini.

WIFE

You just going to stand there, or are you going to come and get me?

The HUSBAND removes his boxers and swims towards his WIFE, they begin to make out again. BRUCE is getting closer to the young couple.

The WIFE stops the kissing and turns her body away from the HUSBAND, then slowly bends down in front of him. The HUSBAND quickly pleasures his WIFE by thrusting inside of her.

Meanwhile, BRUCE is right behind the HUSBAND. The HUSBAND is starting to climax, then the hose of the pool cleaner/BRUCE wraps around the HUSBAND'S neck. The HUSBAND can't speak as he continues to hump harder and harder. The WIFE is loving every pound she is receiving.

BRUCE is choking the HUSBAND even more, the HUSBAND'S life slips away as he has one last orgasm. The WIFE is highly impressed with her HUSBAND, she turns around to face him.

(CONTINUED)

WIFE

Oh baby that was so...

Once the WIFE turns completely around she sees that her HUSBAND is dead.

WIFE

What! What happened?!? This can't be real! God please, no! Ah!

As the WIFE screams the plastic tail of BRUCE comes out of the water and jams it's way through the WIFE'S mouth, then exit her right eye killing her instantly.

EXT. POOL - LATER THAT NIGHT

This time Captain MENDOZA is the first one on the scene and is looking over the WIFE and HUSBAND'S bodies. Detective ADAMS barges in and can't believe his eyes. BRUCE is beside MENDOZA and ADAMS, BRUCE cleaned up all of the blood from the murder.

ADAMS

What the hell happened?!?

MENDOZA

To me, it looks like we got a double homicide.

ADAMS

No, what I mean is why were people living here? Last week a suicide took place at this address.

MENDOZA

I know that, from now on this house will be off limits, nobody is even going to set a foot in this backyard.

ADAMS

I'm glad to hear that, so what do you think we got hear, a copy cat.

MENDOZA

No, a copy cat would of cut the guys dick off. I think we got someone that admires the dick less killer.

(CONTINUED)

ADAMS

Baby dick has a fan!

MENDOZA

It's possible. Adams it looks like you got a new case.

ADAMS

Sounds good, soon enough this freak will be behind bars, or six feet under just like his hero. The only thing is I can't see one speck of blood, who ever did this was a pro.

MENDOZA

Hey, let me know what you think about this?

MENDOZA removes the sheet from the WIFE'S face, ADAMS looks over her wound.

ADAMS

It appears that something went through her mouth, then out of her right eye. Like some type of rope or long piece of plastic.

BRUCE slowly begins to pull back his tail so that the cops won't notice it.

MENDOZA

Yeah, that's what I was thinking too. But how could somebody do that, it's physically impossible.

ADAMS

I wish I knew, but it looks like the killer took their weapon with them.

MENDOZA

Okay I got to go talk to the bosses up stairs and tell them this area is officially a crime scene. Only you and I will have clearance to come in here.

INT. EXTREME SUPREME'S HOUSE - TWO DAYS LATER

The heavy metal rock band Extreme Supreme are hanging out in there large home. The lead singer COBRA, early 30's, is doing a keg stand thanks to his guitar player FALCON, early 30's, and drummer PIRANHA, late 30's. COBRA begins to shake his head and the two band mates set him down.

COBRA

Son of a bitch, this sucks ass and balls! I want to fucking party!

FALCON

Yeah man this shit is totally lame, I'm looking around and I don't see one pair of tits! We need to hang out like we use to, you know what I'm saying!

COBRA

Hell yeah, we need to snort up lines of blow, that are longer than my arm!

FALCON

And bang some sluts till the sun rises... and then go eat some fucking waffles!

PIRANHA

Holy mother fuck, I know a perfect place to party!

FALCON

Well keep talking dick lick!

PIRANHA

A couple a days ago there was a double homicide and now the police have that area all taped up and shit. I say let's go there and play a gig!

COBRA

Double Homicide! That is so bad ass, let's call up some bitches and rock that crime scene! EXTREME SUPREME!

FALCON AND PIRANHA

EXTREME SUPREME!!!

EXT. POOL - NIGHT

Extreme Supreme enters the back yard with many of their closest FANS.

COBRA

Let's Party Ass Holes!!!

The group of twenty plus FANS quickly take over the back yard. Extreme Supreme and FANS begin drinking heavily and abusing many drugs while dancing to music.

BRUCE is looking around and is creeping by the FANS. Suddenly some of the FANS begin removing their clothes, this highly upsets BRUCE.

COBRA takes a huge hit of blue crystal methamphetamine and picks up his microphone. Extreme Supreme is ready to play.

COBRA

All of you shut the fuck up! Yeah,  
well how are all you bastards and  
bitches doing out there?!? Wait...  
I don't care! We are Extreme  
Supreme and we are here to rock  
this fucking crime scene!

Suddenly Extreme Supreme begins to play one of their heavy rock songs. While the track is being played the FANS continue to party, some are even jumping in the pool.

As Extreme Supreme plays their hit song BRUCE rolls towards the band. BRUCE starts squirting water by the area the band is playing at. Extreme Supreme is rocking so hard that they don't notice BRUCE spray by their feet.

Once BRUCE finishes he rolls over to a speaker and is try to push it in the pool. Eventually BRUCE get's to the edge of the pool, the speaker is almost in.

Without warning, FAN#1, male early 20's, accidentally kicks BRUCE over.

FAN#1

What the hell? Oh, it just one of  
those pool cleaners.

FAN#1 get's the idea to toss BRUCE around to other fans, he passes it to his buddy FAN#2, male 30's, who is trying to tie off and shoot up some heroin.

(CONTINUED)

FAN#1  
Hey, catch!

FAN#2 can't catch BRUCE, he just let's BRUCE fall and hit the ground hard. BRUCE is now furious.

FAN#2  
Aw... Shit man.

FAN#1  
Did you break it?

FAN#2 barely looks BRUCE over.

FAN#2  
Nope. It's all good.

INT. ADAMS CAR - NIGHT

Detective ADAMS is driving to the police station, then his phone rings, it's Captain MENDOZA.

ADAMS  
Detective Adams speaking... Hey  
Captain what's... wait what? Noise  
complaints from the dick less  
killer's house... a party! Damn it!  
Yeah I'm on my way now!

ADAMS quickly turns his car around.

EXT. POOL - NIGHT

Extreme Supreme get's closer together as they rock out to the guitar solo in their song. All of the band members eyes are closed and they are not paying any attention to their FANS.

BRUCE has had enough, he gets up. Both FAN#1 and FAN#2 see this and look at each other in disbelief. Suddenly BRUCE wraps his hose around FAN#1 and FAN#2's necks. As BRUCE clamps down tight, blood start's to come out of their mouth's and eyes.

INT. ADAMS CAR - NIGHT

ADAMS is trying to get to scene, but he has to pass by many other cars. ADAMS frantically is honking and cursing at the other drivers.

(CONTINUED)

ADAMS

Move it, damn you! Come on, get out  
of the way you shit heads!

EXT. POOL - NIGHT

BRUCE is now killing every FAN at the party while Extreme Supreme is continuing to play. The end of BRUCE'S tail stabs through FAN#3 chest, FAN#4 witness' this and tries to scream, but BRUCE'S tail jabs through their throat.

Two other FANS see BRUCE murdering people, they both try to run, but BRUCE whips his hose and trips them. BRUCE'S hose wraps around FAN#5 and FAN#6's legs, then drags them back to the party.

INT. ADAMS CAR - NIGHT

ADAMS is still trying to get to the house, as he get's closer he starts to have a bad feeling.

ADAMS

Watch Out! You people suck at  
driving! I wish I could pull all of  
you over and pistol whip you!

EXT. POOL - NIGHT

All of the rest of the FANS that have survived BRUCE'S attack are in the pool. Some of the FANS even ask BRUCE to stop, but it is too late for them.

BRUCE rolls into the pool and pulls down every FAN one by one with his hose. Each FAN takes their last breathe as BRUCE drags them down to the bottom of the pool.

Finally Extreme Supreme finishes their crazy guitar solo and notices that all of there FANS have been murdered. They immediately stop playing.

COBRA

Yeah. Now that's bad ass!

Extreme Supreme sees the speaker hanging over the edge of the pool, then they look down at their feet and notice they are soaked. The hardcore heavy metal band begins to laugh, because they were so close to death. However, BRUCE stops their laughing when he rolls over to the speaker and tips it in. Extreme Supreme is no more.

(CONTINUED)

BRUCE quickly cleans up the crime scene, he makes it spotless by sucking up all the blood and turning it into crystal clear water.

After BRUCE has cleaned up, ADAMS enters the backyard and witness' all the dead bodies laying in and around the pool. BRUCE hides in the shadows to watch ADAMS lose face.

ADAMS

No!!!

INT. CAPTAIN'S OFFICE

Captain MENDOZA is on his phone talking to the mayor. ADAMS is standing in front of MENDOZA'S desk listening to the conversation.

MENDOZA

Yes Mr. Mayor. I understand sir...  
Yes I will sir... I agree with  
you... Okay... Will do... Thank you  
sir, good bye.

ADAMS

Sound like the mayor wants who ever  
did this more than us.

MENDOZA

Well he did have a close connection  
with one of the dick-less killers  
victims.

ADAMS

But all the victims were either  
male strippers or prostitutes, how  
could...

MENDOZA says nothing and let's ADAMS figure out his own question.

ADAMS

Oh...

MENDOZA

Yeah. So you got any idea's on how  
to take this psycho down?

ADAMS

Actually I do. But... I don't know,  
it's a little unorthodox.

(CONTINUED)

MENDOZA

What is it?

ADAMS

I need all the evidence we have on dick-less. If the murder is really a big fan they will want it, so I'll take it back to the crime scene and wait for them to come and get it.

MENDOZA

Do you really think the killer will show up?

ADAMS

Well who ever is responsible just brutally murdered over twenty people in one night. They must feel like they can't be caught. This killer wants me to suffer. For some reason I can feel their presence when I am at the crime scene, it's as if they want to watch me break down. So I will be there waiting.

MENDOZA

If this is how you think we can take this asshole down, then I'm behind you one hundred percent. But we will need to bug the backyard... I remember seeing a table there. I'll put the wire under it. You ready to go undercover?

ADAMS

I'm always ready to serve up some justice.

INT. UNDERCOVER VAN - NIGHT

ADAMS and MENDOZA are discussing the details of the mission.

MENDOZA

Okay I'm going to be listening to what is happening. The rest of the force is one block away. If you don't feel right about any of this, then just get out of there.

(CONTINUED)

ADAMS

Yeah I got you, in the mourning  
this prick will be ours.

MENDOZA

Oh if this dick-less lover gives  
you any trouble, you got my  
permission to blow them away.

ADAMS

Thanks Captain, but I don't need  
your permission to blow anybody, I  
just do it.

ADAMS exits the van with the evidence, while MENDOZA try's  
to shake off what he just heard.

EXT. POOL - NIGHT

ADAMS walks into the backyard and heads straight towards the  
table to put down the box of evidence. ADAMS pulls out the  
file about BRUCE, takes a seat and opens it. While looking  
through the gruesome pictures ADAMS becomes angry.

ADAMS

So this is what you like? This is  
who you look up to? Why don't you  
just come and take all this shit?  
You know you want it... nobody  
there? That's what I thought, your  
a pussy just like your hero.

BRUCE is hiding in the shadows near the table, he slowly  
rolls a little bit towards ADAMS.

ADAMS goes right back to looking at the thick file. Then  
ADAMS sees a picture of the backyard that was taken after  
BRUCE killed himself. ADAMS get's an idea.

ADAMS

Your a fan of that douche bag huh?  
Well how about I set this place up  
just like the night when that  
chicken shit killed himself! You  
hearing me out there?!?

The detective is tired of playing around, ADAMS takes the  
box of evidence and pours everything out on the ground by  
the table. Unfortunately for ADAMS, the knives and blades  
BRUCE used to torture his victims with are now laying beside  
BRUCE.

(CONTINUED)

ADAMS picks up a jar that has twelve penis' floating in it and set's it by BRUCE'S file. Then ADAMS takes BRUCE'S bottle of whiskey, .38 revolver, crack pipe, the knife BRUCE used to cut himself and sets them all in their proper place according to the picture.

ADAMS

Not bad if I do say so myself, what do you think?... Still not good enough, I should of known.

Suddenly ADAMS takes off his shirt and set's his gun near the edge of the pool.

ADAMS

Is this what you want?

Next he pulls down his pants and reveals his skin tight banana hammock.

ADAMS

You liking what you see?

INT. UNDERCOVER VAN - NIGHT

MENDOZA is completely in awe by what he is hearing.

MENDOZA

What the shit?

EXT. POOL - NIGHT

As ADAMS is pacing back and forth by the pool BRUCE is getting closer to his old 'blades'.

ADAMS

Alright well I guess I'll just go for a swim, just like all those people you murdered. Here I go!

ADAMS jumps into the pool and swims to the staircase. Once ADAMS makes it to the staircase he get's up and looks around, he still sees nobody. Then ADAMS looks at the whiskey and crack pipe.

ADAMS

I guess you want a re-enactment of that wonderful night, well okay.

The detective picks up the bottle of whiskey and quickly gulps down a large portion of the strong alcohol.

(CONTINUED)

ADAMS

Oh yeah, that's the stuff!

ADAMS then gazes upon the crack pipe that is still stuffed with rock.

ADAMS

Smoke some crack, don't mind if I do!

Detective ADAMS lights up the illegal drug and takes in all of the thick smoke.

ADAMS

Now what is going on man?!?

Then ADAMS eyes look at the knife BRUCE used to cut himself.

ADAMS

You want it just like it was, you want me to cut myself, then write his name, what was it?... That's right I remember, Bruce.

ADAMS cuts his hand with the sharp knife, then writes BRUCE'S name in his blood.

BRUCE is right by his 'blades' and some of them are moving closer towards him. Suddenly a large butchers knife attaches to the end of BRUCE'S tail.

ADAMS

Then what's next... oh yeah, he kills himself. Well, if you think I'm going to do that you can go fuck yourself. Beside I ain't a bitch like he was!

The rest of the 'blades' stick to BRUCE'S body like armor. Once every piece of sharp metal is on BRUCE he slowly rolls over to the table and spray the microphone to the wire with water.

INT. UNDERCOVER VAN - NIGHT

The bug has been shorted by BRUCE and a loud buzzing attack MENDOZA through his head phones.

MENDOZA

Ah! Damn It. No, come on! Shit! Adams, just give me some kind of signal.

EXT. POOL - NIGHT

ADAMS is unaware of what just happening, the detective decides to play his final trick to lure the murder out.

ADAMS

You know what old dick-less really hated? He could not stand...

The detective slowly starts to remove his last article of clothes. BRUCE is full of rage.

ADAMS

A big throbbing c...

BRUCE decides to reveal himself, he rolls towards ADAMS. The detective dose not know what to think, but soon he puts it all together piece by piece.

ADAMS

What? It was you, but how? How can you... Bruce...

While ADAMS is trying to wrap his head around this situation BRUCE has been busy. BRUCE'S tail is behind the detective, the blade at the end of it quickly cuts ADAMS shoulder.

ADAMS tries to get to his gun by the edge of the pool, but BRUCE'S hose pushes the pistol out of ADAMS reach, the blade cuts ADAMS hand. ADAMS looks over to the staircase of the pool and sees BRUCE'S revolver, ADAMS tries to make a swim for it.

ADAMS is almost to the revolver, but BRUCE'S hose wraps around ADAMS body and pulls him under the water. ADAMS is thrashing around trying to just get a breathe of air. Some how ADAMS is able to reach the surface of the water, while doing so ADAMS grabs BRUCE'S knife.

The detective is wildly stabbing at the hose, then the blade on BRUCE'S tail fly's at ADAMS. This time ADAMS is prepared, he grabs the tail and begins to cut. As ADAMS hacks away at the tail a massive amount of blood comes pouring out.

Once the tail is ripped from the body the blood spray all over the detective. ADAMS quickly throws the tail near the entrance of the backyard.

ADAMS swims towards BRUCE'S revolver as BRUCE charges at ADAMS. The detective grabs the gun and shoots BRUCE repetitively. Fire and sparks fly out of BRUCE as he is being shot over and over.

INT. UNDERCOVER VAN - NIGHT

MENDOZA hears the guns shots.

MENDOZA  
Shitty Balls!

MENDOZA gets on the two way radio.

MENDOZA  
Alright our boy is in trouble,  
let's go, move, move, move.

MENDOZA exits the van.

EXT. POOL - NIGHT

Finally ADAMS is out of ammo and BRUCE appears to be dead. ADAMS is taking a breather and looking at his fresh cuts.

ADAMS  
Son of a bitch. I got you, you  
bastard and now it's all over.

Suddenly Captain MENDOZA barges into the scene and runs towards ADAMS. However, MENDOZA dose not see BRUCE'S tail.

MENDOZA  
It's alright, I'm hear and back  
up's coming so...

Without warning BRUCE'S tail trips MENDOZA, as the Captain is falling the blade at the end of the tail sticks up and jams into MENDOZA'S head killing him on impact. The tail suddenly goes limp as ADAMS witness' MENDOZA brutal death.

ADAMS  
What? No! Captain... Captain!  
Why?!? DAMN YOU BRUCE!!!

As Detective ADAMS swims to Captain MENDOZA'S lifeless body, BRUCE'S plastic exterior is still on fire. It appears that BRUCE is no longer alive, but that is not the case.

BRUCE'S soul is traveling again however, this time it is now trapped in a floating chlorine dispenser. Fade to black.
