1 EXT. ABANDONED LOT**1**

We see an abandoned and destroyed town, we can see all the parts of the town.

We hear a crackling audio, like from an old TV

REPORTER (V.O.)

Here we are again, in another new day after the accident that happened in the Z.J laboratory that caused the escape of the Q.K-12.

2 INT. ABANDONED LOT - DAY**2**

We gradually see the torn walls on the abandoned house and an old tv with the audio crackling.

In front, MARY(22) she's watching the TV, covered by an old and big blanket.

REPORTER (V.O.)

Today it`s 20 days after that tragedy that extinguished almost half of the worlds population.

MAGGIE(20) cooks on a small electric burner.

She serves the food on plates, turn around and sits next to Mary

REPORTER (V.O.)

And remember, stay safe and don't talk to anyone you don`t know.

The T.V suddenly turns off.

MAGGIE

What happened?

MARY

I don't know. this shit always turns off.

Maggie hands Mary one of the plates. Mary takes it. The plate has a brown piece that appears to be meat, potatoes and others vegetables.

MARY

Thank you. What is This?

MAGGIE

A mix of canned meat and things we have in the garden.

MARY

I remember something. I found this paper the other day, it has some type of prophecy or something.

Mary takes out of her pocket a piece of paper.

MAGGIE

What does it say?

We see that paper

MARY

it says: For false messiahs and false prophets will appear, and will produce great signs and wonders in order to deceive, if possible, even the elect.

MAGGIE

What's that supposed to mean?

MARY

I don't know but I don't think it means anything.

MAGGIE

We are so boring that even finding weird phrases in the floor seems funny.

MARY

At least we have food, don't we?

MAGGIE

About that, we are almost out of food. We only have a few cans and vegetables from the garden.

MARY

I was thinking on that, but the streets are dangerous and we can't take the risk.

MAGGIE

You're right, but we can't live on canned meats and potatoes.

MARY

What we have in the garden?

MAGGIE

We need to go out and get some food.

MARY

It's fine. Who goes?

MAGGIE

I've been cooking for the past 4 days. I'm not going.

MARY

Okay. I'm going.

Mary stands up and leaves the house.

3 INT/EXT. ABANDONED LOT PARTS

3

Mary walks along different parts of the house.

She goes out to the street passing through the front door of the house. We see the facade of the house.

4 EXT. ABANDONED PARKING LOT - AFTERNOON

4

Mary is walking carefully on a parking lot with her jacket and backpack, when she suddenly hears a strong growl.

Mary starts running along the street without looking back.

She trips and falls and we see the fear in her face while she starts crawling backwards and a shadow gets closer to her.

She bumps into a car parked in the middle of the parking lot. She curls up.

She screams and starts crying. She hears a shot.

We see JIM(25) he has long hair, a beard and a hoodie. He's got a gun in his hands and he's pointing it to the ground.

JIM

Are you ok?

Mary is in shock.

MARY (STUTTERING)

Yes.

Jim extends his arm to Mary and she gets up.

MARY

Thank you for that. Who are you?

JIM

I'm Jim, and you?

MARY

I'm Mary.

JIM

You need to be careful next time.

MARY

You're right. But, what where you doing here?

JIM

I was walking, looking for some food.

MARY

Where is it? I was walking for like one mile without finding houses with any food left.

JIM

I didn't find anything either. But I can go with you if you want.

Mary nods.

Both start walking along the parking lot side by side.

MARY

Tell, me Jim. Where are you living now?

JIM

I was living like 3 miles away but now I'm sleeping in different places. Some days I sleep in a house some days in an abandoned supermarket...

MARY

Oh, don't worry about that, I'm living with my sister in an abandoned house. You can come with us if you want, we have a lot of space.

JIM

No thanks. I'm planning on leaving this town. I figured out a way to escape.

Mary suddenly stop walking.

MARY

What? How? The town is locked by the infected on the roads.

Jim stops walking a turns to her.

JIM

But there's a way to get out of here. And I know someone that has a refuge in the city.

MARY

But the city is also collapsed by the infected.

JIM

But these guys cleaned the area and they are really well equipped.

MARY

How did you contact them? All the lines are down.

JIM

Only the ones that use internet. I communicate with them using an old radio station.

MARY

Ohhhh. And when are you planning to leave the town?

JIM

I'm leaving tonight. Do you want to come with me? They're not gonna have any problem with that.

MARY

I would like, but I can't. My sister is back home and I can't abandon her.

JIM

She can come too.

MARY

Really? That's perfect. Do you wanna stay with us until night? And you can tell us your plan.

JIM

Yeah. That sounds nice.

5 INT. ABANDONED LOT - AFTERNOON

5

Maggie is sleeping on the floor.

Mary and Jim enter the house.

MARY
Hey, I'm here.

Maggie is still sleeping.

Mary turns to Jim.

MARY
Wait a minute.

Mary tries to wake up Maggie.

Maggie barely opens here eyes and starts waking up.

MAGGIE
What's happening Mary?

MARY
I found some food and something else.

MAGGIE
What?

MARY
I found a guy...

MAGGIE
A guy?! But I thought that all the people in town died.

MARY
Not this one. And he know how to get us out of here.

MAGGIE
Don't joke with this things.

MARY
Jim, come here.

Jim enters the room.

JIM
Hi, i'm Jim.

Maggie opens heavily her eyes.

Jim smiles.

Jim, Mary and Maggie are sitting on the floor, around a box with a map.

Jim is sitting in the middle.

JIM

Okay, this is what we are going to do.

Jim starts pointing to the map with his finger.

JIM

First we're going to the shop in front of the parking lot where we met.

Jim turns his head and points with his finger to Mary.

MAGGIE

Why is that?

JIM

Because we need to get supplies for the refuge... Then we go to the parking lot and then wait until the helicopter arrives

MARY

Helicopter?

JIM

Yes. They're gonna take us in helicopter to the place where they're living.

MAGGIE

But can't they just come here in a car?

JIM

The roads are collapsed, and the place is too far from here to come in a car. Then when they arrive they take us far from here and we're gonna be out of this town.

MAGGIE

How do we know that you're aren't lying and we gonna be safe with you?

JIM

I swear that you're gonna be fine.
And you don't have a lot of options
if you want to leave the town.

Maggie sees Jim with a little bit of anger.

MARY

Come on, We can finally get out of
this shitty place.

MAGGIE

You're right.

MARY

When do we go?

JIM

Tonight.

6 EXT. STREETS - NIGHT

Maggie, Mary and Jim are walking in the parking lot.

MAGGIE

They hear a really loud zombie roar.

Maggie trips and falls.

MAGGIE

(screams)

MARY

MAGGIE!!

JIM

Mary you go. I take care of Maggie.

MARY

No! I stay here, I help

JIM

Mary go, get safe in the parking lot and I take care of Maggie.

MAGGIE

Mary runs.

JIM

MARY (ALMOST CRYING)
But is she gonna be ok?

JIM
I don't know.

Jim puts Maggie in the floor.

MARY (SHOCKED)
Wha... what?

Jim points a gun to Mary.

We see Jim and how he shoots Mary.

We see Jim sitting on the floor. Next to Mary and Maggie's corpses.

He lights a cigar and takes a Walkie-Talkie out of his pocket and starts talking with MAN, he has a deep voice.

JIM

JIM

Yes.

MAN

Perfect. I knew you could do it

JIM

Thanks.

MAN

The man hangs up.

Jim looks to the sky while smoking his cigar.
