SOMEBWHERE OFF CALIFORNIA.

FADE IN:

EXT. OCEAN. NIGHT

A FULL MOON Lights up the ocean and it’s only occupants, EIGHT MEN, mid 30s, on a raft, wearing just speedo sports and sandals.

CALEB
(Plump 5,8” Irish accent) I’m so hungry.

MIKE
(Skinny 6,1” Hippy, Stoner red neck with Texas accent) A rescue party should have been looking for us by now.

GREG
(Muscly 6,0” Polish accent) We wouldn’t need a rescue party if we didn’t bump into you.

MIKE
I never asked you guys to get on the raft with me.

GAZ
(Fat 5,8” Geordie accent) Yes you bloody well did and you also said you knew how to navigate a raft.

MIKE
(Laughs) Oh my god, nobody knows how to navigate a raft. It’s not a magic carpet, it’s a bunch of logs tied together with rope you crazy man.
CHRISTIAN
(Fat 5,6” Romanian count Dracula accent) He’s got a point, it was our fault for getting on the raft with him, Anyway I’ve had a good night, better than having to put up with the wives and girlfriends.

ALEX
(Slim 5,10” Speaks quiet with English accent) Yeah I suppose (Looks at watch) We’ve been out here for nearly four hours, surprised we haven’t seen any sharks yet.

GAZ
Okay don’t jinx it.

ANGLE ON- Mist in the distance.

ALEX
What the hell, look at that mist on the horizon.

ANGLE ON- Mist getting closer and higher.

GAZ
Oh bollocks (BEAT) Mike? (BEAT).

MIKE
Yes Gaz?

GAZ
You’re a prick.

MIKE
Thanks (BEAT).

GREG
Anyone brought their mobile?

(BEAT)

GREG (CONT’D)
Great.

THEY ENTER THE MIST.

THE LADS OS
(Shouts of panic).

LATER
THE LADS OS (CONT’D)
(Still shouts of panic)

GAZ OS
(Shouts) SHUT THE FU** UP.

THE LADS OS
(Heavy breathing)

SOME TIME AFTER.

EXT. OCEAN. MORNING

ANGLE ON- SKY, We move across the sky, We slowly pass VULTURES circling. We scan more sky.

SOUND of a record scratching to a halt.

We move straight back to the vultures circling.

We roll down the sky.

ANGLE ON- The eight lads on a raft lay scattered on their backs staring at the vultures.

MIKE
This is the life.

GAZ
No it’s not you deranged fruit cake. Them beasts are gonna swoop down anytime and munch the hell out of us.

ANGLE ON- Eric dabbing A bloodied cut on his arm.

CALEB
Wow that woman really took a bite out of you didn’t she.

ERIC
(Polish accent) Yeah don’t worry, It’s a love bite.

CALEB
On your arm?

CHRISTIAN sees something and jumps up.

CHRISTIAN
Look you guys.
ANGLE ON- A MOUNTAIN ISLAND.

Everyone leans over board and paddles as fast as they can towards the island.

CUT TO:

EXT. BEACH- MOUNTAIN ISLAND. DAY

Golden sands followed by rocks, then wild west style Plaza, In the distance- A MOUNTAIN.

ANGLE ON- PLAZA DIRT PATH- COWBOYS going about their business’.

ANGLE ON- A MAN, Hanging from some GALLOWS. Two men take the man down and place him on the back of a cart.

The lads walk further up the rocks and onto the dirt path, A few cowboys acknowledge the lads and draw their pistols.

MAN OS
“NOTHING TO SEE HERE PEOPLE”

A BIG FAT MAN 60, Emerges from a saloon, wearing A 1800s Sheriffs uniform, Rifle ready, shuffles across the dirt path. He reaches the lads, The other cowboys go about their business’.

MAN
(He speaks something in Spanish).

GAZ
What?

MAN
(Wild west Californian accent) You speak English?

GAZ
Yeah.

The lads look at each other, bemused.

MAN
Good, I’m Sheriff Willows, we don’t want no more refugees here, so you’re going to have to get off my Island before I shoot you dead where you stand, you hear.

The lads start laughing.
GREG
You cheeky wanker we’re not
refugees, we took a wrong turning
on our raft.

The sheriff shocked and bemused.

SHERIFF
Where have you come from and where
did you get them fancy short pants?

CALEB
Crab Island and we got our shorts
from a shop like everyone else.

SHERIFF
Strange, them shorts look somewhat
futuristic. Anyway, You boys have
any money to spend here or you just
come for trouble?

The lad shrugs except Mike.

MIKE
(To Sheriff) Can I have a word with
you over here please Sheriff?

Mike walks past the Sheriff and the sheriff follows.

Mike stands with the sheriff, they’re whispering to one
another. The Sheriff shakes Mike’s hand.

Mikes walks back to the lads. The sheriff walks back onto the
dirt path nodding and smiling.

MIKE (CONT’D)
All sorted.

GREG
What do you mean all sorted, has he
got us a boat ride back to Crab
Island or what?

MIKE
(Laughs) Not quite. We’re stuck
here for the duration.

KENNY
(Slim 5,10” Irish accent) Duration
of what?

MIKE
We’re here until Saturday, the next
boat comes on Saturday night.
KENNY
Can’t you just phone for a boat to come and pick us up?

MIKE
What the hell’s a phone?

CALEB
Stop being stupid, are we actually stuck here until Saturday.

MIKE
Well yes, that’s when the next boat comes.

Mike turns and walks across the dirt path, he walks up an alley way into town.

The lads look at each other, they turn to the raft.

ALEX
You wanna just get back on the raft?

CALEB
No point, Let’s just find a phone and call someone to come and pick us up.

They turn back towards the dirt path and see that Mike has disappeared.

ALEX
Where’s he gone?

GAZ
Who cares that guy is an absolute cretin (BEAT) let’s have a look around. I’ve always wanted to be in the wild west.

CALEB
Hope you know it’s not the real thing, Looks nothing like what I’ve seen on TV anyway, This place looks filthy and smells like boiled shit.

CHRISTIAN
Looks realistic to me, where we gonna stay until Saturday? That’s five days. None of us have any money.
CALEB
What did Mike mean when he said, it was all sorted?

GAZ
Don’t know, let’s walk around and we might just find out.

CUT TO:

EXT. DIRT ROAD. CONTINUOUS

The lads walk close to each other past the saloon. COWBOYS stand in the doorways of every building, staring at the lads.

One cowboy gestures to another to follow from the saloon, the cowboys pace over to the lads.

Cowboy one 40s, stocky, punches Caleb in the face knocking him flying to the floor, The two cowboys draw their pistols and the lads keep their distance.

COWBOY ONE
You boys have ten seconds to explain your presents in this town.

GAZ
We got lost at sea and ended up here.

COWBOY TWO
(40s slim) Don’t bullshit me boy.

Cowboy two cocks his pistol and presses it against Gaz’ head.

Gaz trembling.

COWBOY TWO (CONT’D)
You ain’t gonna piss yourself are you boy? (Spits tobacco on Gaz’ bare chest).

More cowboys walk over and gather round.

Caleb gets to his feet dabbing his bloodied lip.

COWBOY ONE
Now we’re gonna play a little dancing game.

The lads bemused.
CALEB
Dancing game?

COWBOY ONE
Yeah dancing game.

COWBOY TWO
You wanna dance for us?

GREG
No why would we wanna do that?

SOUND of pistols cocking all round.
The lads look terrified.

KENNY
(Smiling) Oh I think I know what this is.

ANGLE ON- All pistols pointing down at the lads feet.
The two cowboys stand back with the crowd.

COWBOY TWO
You boys ready to dance?

Cowboy two, starts shooting at the lads feet, the rest of the cowboys follow suit and the lads are jumping up and down dodging the bullets, the cowboys cheering and shooting creating a dust cloud around the lads.

SOUND of TWO LOUDER THUNDEROUS SHOTGUN SHOTS.
The cowboys stop shooting, Some holding their ears.

ANGLE ON- Kenny clung to Gaz, he’s pissed down Gaz’ leg. Piss forms in the dirt on the floor.

ANGLE ON- Sheriff Willows standing with shotgun barrels smoking.

ANGLE ON- Gaz realizes that Kenny’ pissed down his leg and pushes him aggressively to the floor.

SHERIFF.
What on gods earth is going on here?

The sheriff barges through the crowd of cowboys, he reaches the relieved lads.

SHERIFF. (CONT’D)
Are you boys okay?
The lads nod anxiously.

SHERIFF. (CONT’D)
(To cowboys) You men have had
enough fun for one day now get the
hell out of here.

SOUND of murmuring from the cowboys as they disperse.

SHERIFF. (CONT’D)
Okay boys didn’t your friend tell
you that you have lodgings?

GAZ
No we didn’t really get chance to
ask him what he meant, he just
left.

SHERIFF.
That’s Mike all over.

CALEB
You know that guy?

SHERIFF.
Well yeah, he’s the village idiot.
Smokes too much pot and eats too
many of them funny mushrooms.
Nothing but trouble that boy.

Sheriff walks ahead along the dirt path. He gestures the lads
to follow.

CALEB
This is one strange tourist
attraction.

GAZ
I guess we should just play along.

The lads catch up with the sheriff.

CALEB
So where we staying then Sheriff?

SHERIFF.
First of all, I want to get to know
you boys before I have you roaming
about my town.

LATER

CUT TO:
INT. MCGREGOR’S SALOON. DAY

The lads and the sheriff sit around a table in the corner of the saloon.

SHERIFF.
Okay I’m guessing you boys are English or European by the sounds of your accents.

The lads look at each other.

GAZ
Yeah, we sure are, we come for the gold rush.

SHERIFF.
Where you get them strange short pants? Prospectors don’t dress like that.

GAZ
It’s a new trend in England, some Cricket fanatic invented these shorts.

Sheriff bemused.

SHERIFF.
Cricket hey (BEAT) Isn’t that the game with a bat and a ball?

GAZ
Yes, the English love it.

SHERIFF.
Strange, Okay where in Europe did you part from?

GAZ
In erm Ireland.

SHERIFF.
Hmm (BEAT) Let’s rewind a little, Where did you boys meet? I mean are you friends, family or did you just meet each other on that raft of yours?
CHRISTIAN
We met in England, we worked in the mines together, it was slave labor so we ran off on our employees and came to the U.S via Ireland, we heard all about the gold rush and it excited us.

SHERIFF.
Okay, sounds legit but them short pants look mighty groovy (BEAT) you boys will be lodging up stairs in this saloon. You better change your clothing so that you fit in, there’s plenty of old clothes in the wardrobes.

The sheriff stands.

SHERIFF. (CONT’D)
You boys are here until Saturday so make yourselves at home, Whatever you buy in this town is on me so help yourselves but don’t get too drunk because the men (BEAT) and woman won’t hesitate to shoot you if you piss them off. You boys better arm yourselves as well, I’ve asked the owner of the saloon to put a little something in your rooms (BEAT) Well, okay boys enjoy your stay and if you need anything I’ll be in the jailhouse down the road.

The sheriff walks out the swinging doors.

The lads share a glance and break a smile.

ERIC
(Rubbing his arm) We better get changed then boys.

CHRISTIAN
That cut looks manky.

ANGLE ON- Cut, looks infected.

ALEX
I seen a doctors down the road, maybe he can help.
LATER

GAZ
You boys ready to Rock”N”Roll.

THE LADS

The lads swagger along the plaza in the middle of the dirt road. Whores STARE with a look of wonder.

SOUND of GUNSHOTS and screaming.

The lads stand still.

ANGLE ON- MASKED MEN running out the bank with bags, GUNS blazing- “BANG” “BANG” They shoot at the CLERKS running after them, they jump on the waiting horses and ride off down the dirt road out of town.

CALEB
Well that was interesting.

The lads continue swaggering.

KENNY
Hey there’s a whore house.

ALEX
I ain’t goin in no whore house.

KENNY
You a man or a mouse, remember it’s only a tourist attraction.

ALEX
Therefore they’re not real whores then you lunatic.

Kenny’ face drops then his eyes light up again.
KENNY
No harm in talking to them then is there.

Kenny rushes towards the whore house, Gaz thinks for a minute.

GAZ
Hold on Kenny.

Gaz catches up with Kenny.

The rest of the lads carry on swaggering along the plaza.

CHRISTIAN
There's a doctors.

ANGLE ON- Doctors building.

ERIC
(Rubbing his arm) I don't want to go in there.

Christian grabs his other arm and frog marches him to the doctors.

It's just Greg, Alex and Caleb strutting along like they own the place.

GREG
Hey there's another saloon.

ANGLE ON- Saloon, THE DEAD MAN'S INN.

TWO MEN fight on the ground outside the swinging doors, one man gets the better of the other and knocks him unconscious in the dirt, the man proceeds to beat the unconscious man over the head with the butt of his pistol, the man is satisfied that the other man is dead, he stands, shakes the dirt from his clothes and casual walks back into the Saloon.

ANGLE ON- Lads, mouths open wide.

GREG (CONT’D)
Was that real?

The boys walk past the dead man.

CUT TO:

INT. THE DEAD MAN’S INN. DAY

The lads stand at the bar waiting for service.
ANGEL ON—THE SWINGING DOORS. The dead man gets to his feet, he pats himself down, smiles then casually strolls back in the saloon, he sits on a stool at the piano and proceeds to play—The lads don’t acknowledge any of this. They’re too busy trying to get served.

The BAR KEEP approaches from the end of the bar.

BARMAN
Yes gentlemen.

GREG
Three whiskeys please.

BARMAN
I take it you boys are with the sheriff?

GREG
Yes Sir, he’s helping us until Saturday.

BARMAN
(Signs) Yes he’s briefed me on that.

The barman pours three whiskeys and leaves the lads to it.

TWO COWBOYS mid 50s, approach from a nearby table, they lean back against bar, one either side of the lads.

COWBOY ONE
You boys look familiar.

CALEB
Really, we’re not from around here.

COWBOY TWO
Limey’s hey.

CALEB
I guess.

COWBOY ONE
What do you mean “I guess”. Either you are or you’re not.

GREG
Yeah okay we’re limey’s, you never seen a limey before?

COWBOY ONE
You ain’t no limey.
GREG
Okay I’m Polish but I speak limey.

COWBOY ONE
Whatever Dick head, We’ve had Europeans on the Island before, and we worked with plenty of them on the gold rush.

The lads smile with optimism.

COWBOY ONE (CONT’D)
That don’t mean we like them so you better wipe that shit eatin grin from your faces.

The lads drop their heads.

COWBOY ONE (CONT’D)
(Breaks a smile) We’re just kidding with you boys.

Cowboy one pats Gaz on the shoulder.

COWBOY ONE (CONT’D)
My name’s Chuck and this is my old pal and business partner Bud, (They all shake hands) You boys come and have a drink with us (Gestures to table).

The lads sigh with relief and follow the cowboys to the table in the middle of the room.

LATER.

The lads and two cowboys sitting comfortable around the table, Drinking liquor and smoking big cigar’s.

CHUCK
So you boys here for the gold rush hey? You’ve come to the right place, me and Bud here, well we’re prospectors ourselves and we kinda need a little help, would you boys be interested in joining our group?

The lads think.

GREG
I’m up for it.

Caleb and Alex shrug.
CALEB, ALEX
Yeah why not.

CHUCK
Nice to have you boys on board, we’ll be heading up the mountain early tomorrow morning (BEAT) you boys have any prospecting gear?

CALEB
No not at all, we’re only here until Saturday, the sheriff is helping us out until then.

Chuck and Bud share a glance, they lean in. The lads follow suit.

CHUCK
You boys keep a watchful eye on that sheriff, he’s probably up to no good if he’s helping somebody. Especially foreign folk like yourselves.

ALEX
What you mean?

BUD
Well foreign folk can’t be traced, he uses them and abuses them like feral slaves. He’s helping you boys in order to get your trust and then he’s probably gonna want something back and that man don’t take no for an answer.

CHUCK
You see, we had a group of German fellows visit about five years back.

FLASH BACK.

CUT TO:

INT. MCGREGOR’S SALOON. DAY

Sheriff being welcoming, Sitting at a table with the German fellows drinking whiskey and smoking big cigars.
SHERIFF.
So you boys make yourselves at home, buy what ever you want around the town (Smiles and winks) the tabs on me.

TWO DAYS LATER.

INT. WHORE HOUSE. NIGHT.
The German lads wearing GIMP SUITS, hands chained up to a ceiling beam, Three cowboys having their wicked way with the poor German fellows.

BACK TO SCENE.
The lads look terrified.

GREG
I knew there was something strangely nice and friendly about the sheriff.

CHUCK
Anyway keep a watchful eye and try to avoid him until Saturday.

ALEX
We sure will.

BUD
Okay about the prospecting gear, we can sort that out for you boys, you don’t need much really, me and Bud just take pans, pick axes and mules of course.

ALEX
Don’t you ride horses?

BUD
No because people think we’ve got money, don’t want no one thinking we’ve got money (BEAT) anyway our house is on the outskirts of town near that mountain.

CHUCK
So we’ll meet you boys ripe and early tomorrow morning?

The lads share a glance.
CALEB
Yeah sure, sounds like a date.

Chuck and Bud share an uncomfortable glance.

CHUCK
Yeah I guess but don’t go telling anybody we’re going on a date you hear.

BUD
Me and Bud like to keep a low profile if you know what I mean.

The lads agree not actually knowing what they mean.

Chuck and Bud drink their drinks, They stand.

CHUCK
See you boys in the morning

They hurry towards the swinging doors.

ANGLE ON- Chuck and Bud’ PANTS- they have assless chaps.

The lads don’t notice.

GREG
Nice guys, so we gonna meet them in the morning?

ALEX
Yeah of course, if what they say’s true about the sheriff I think it’s best we keep away from the town until Saturday.

GREG
What we gonna do about the rest of our boys?

CALEB
They’re probably enjoying themselves, It’s only until Saturday and I’m pretty sure Bud and Chuck don’t want too many of us up there with them, they did say they want to keep a low profile.

ALEX
Yeah I guess.

CUT TO:
EXT. MOUNTAIN DIRT ROAD. MORNING

Warm, bright and sunny morning.

Bud and Chuck ride on their mules.

ANGLE ON- Prospector gear, roll mats, lanterns and rifles tied around the saddles.

The lads walk besides them.

ANGLE ON- Mountain, high and wide with lots of trees and wildlife.

BUD
You boys are gonna love it up here in the wilderness.

CHUCK
Yeah, a couple of nights with some fresh young men is just what me and Bud needed.

GREG
We’re glad you’re happy we came along.

CUT TO:

INT. MCGREGOR’S SALOON. MORNING

Gaz lays in bed with a woman.

ANGLE ON- Netting tights and exotic clothes scatter the floor.

GAZ
So how long have you been a hooker?

PROSTITUTE
I’d rather you call me a girl of the night, sounds more exotic.

SOUND of rustling coming from the balcony.

PROSTITUTE (CONT’D)
What’s that noise?

GAZ
It’s Eric, he wanted to sleep on the balcony, he has a fever (BEAT) Maybe from the bite on his arm.
PROSTITUTE
So your telling me he listened to us making out through the night.

GAZ
More than likely (BEAT). Don’t worry he’s a virgin, the excitement probably got the better of him, he probably fainted after about ten minutes.

SOUND of moving about and then “SMASH” Eric’ hand flies through the glass pain in the balcony door. He’s reaching for the handle.

Gaz jumps out of bed and opens the door. Eric falls forward on the floor. He’s not moving.

Gaz moves away from Eric.

ANGLE ON- Eric’ face, Eyes blood shot rolled back up into his head, face pale blue. He starts to twitch.

GAZ (CONT’D)
You okay mate.

Gaz moves closer and crouches down, Eric grabs Gaz’ arm and tries to bite him.

Gaz pushes Eric away, Eric stands to his feet and lunges at Gaz but Gaz grabs him by his clothes and frog marches him out onto the balcony and throws Eric over onto the dirt road below.

ANGLE ON- Eric mangled up on the dirt road, Gaz watches for a minute and then Eric starts moving about, he slowly gets to his feet groaning, he then begins staggering zombie like along the dirt road away from the saloon.

GAZ (CONT’D)
What the.

Gaz walks back in the room and closes the door.

The prostitute sits on the bed staring at Gaz, she’s traumatised. Gaz sits on the side of the bed looking at the floor in disbelief.

GAZ (CONT’D)
What the hell just happened?

PROSTITUTE
Where did he go?
GAZ
He’s staggering along the plaza, he looked dead but he was alive, it don’t add up. I thought these things only happened in movies.

PROSTITUTE
In what? (BEAT) What’s a movie?

GAZ
You know? a motion picture, a film, Quentin Tarantino?

The prostitute shrugs.

GAZ (CONT’D)
Are you taking the piss? You take this tourist attraction shit way too serious.

PROSTITUTE
You think this is a tourist attraction?

GAZ
Well it’s not the real wild west is it (Thinks) You mean to tell me you’re a real hooker?

PROSTITUTE
(Angry) Girl of the night (BEAT) Yes you idiot.

GAZ
So you’re telling me that the wild west still exists?

PROSTITUTE
It’s not long started.

GAZ
A hundred and fifty years, that’s a long time.

The prostitute bemused.

PROSTITUTE
Maybe in England the wild west has been going on that long but not over this side of the Atlantic.

GAZ
We never had a wild west in England.
PROSTITUTE
Oh okay (Thinks) Come to think about it, you're not the only foreigner to say the same sort of thing, we had a group of Australian men claiming they were from the year 2006, this was about ten years back.

GAZ
What's so strange about that.

The prostitute is bemused.

PROSTITUTE
Are you joking?

GAZ
No.

PROSTITUTE
You're not actually joking are you?

The prostitute jumps off the bed and starts dressing.

GAZ
Are you okay?

The prostitute looks worried.

PROSTITUTE
You and your friends better get off this Island before they kill you.

GAZ
Who kill us?

PROSTITUTE
The towns folk.

GAZ
Well where are you goin?

PROSTITUTE
Away from you before they kill me to.

The prostitute opens the door and leaves.

SOUND of screaming from the outside on the plaza, Gaz hurries to the balcony and looks over.

ANGLE ON- Plaza, people running riot like zombies, they are attacking and eating people.
Gaz gets back into the room and closes the door. He looks at the other door, he hurries over and opens it slightly, he sees the coast is clear and leaves.

LANDING.

Gaz looks down into the saloon. The saloon is empty. The lights are dimmed.

ANGLE ON- Swinging doors, blockaded with tables and chairs.

SOUND of groans from outside the saloon.

ANGLE ON- Kenny, hiding behind the bar below. He’s holding a rifle in one hand and a .44 Colt in the other hand.

GAZ
(Whispers) Pssst, Kenny.

Kenny looks up.

KENNY
What’s happening?

GAZ
I don’t know, where’s the prostitute?

KENNY
What proustite?

GAZ
Doesn’t matter (BEAT) Where is everyone?

KENNY
They all went outside to investigate, I seen people running riot so I come back in and blocked the doors (BEAT) where’s your gun?

GAZ
In the room. Why don’t you come up here before them things decide to storm this place.

KENNY
We’ve got to get off this Island.

GAZ
Yeah I know but we’ve got to wait until them things have gone first before we go anywhere.
KENNY
I need a drink.

GAZ
And me, grab a bottle and come up here.

Kenny grabs a bottle of whiskey with two glasses and emerges from the bar.

UPSTAIRS ROOM.

Gaz pours two glasses of whiskey and hands one to Kenny.

KENNY
Cheers.

GAZ
Okay first things first, we’ve got to find the rest of us then get off this Island.

KENNY
What if they’re already dead?

GAZ
I know Caleb, he’s good in these situations.

KENNY
I really just want to get off the Island.

GAZ
Stop being a pussy and help me look for the others.

KENNY
Okay but we should wait until everything calmed down first.

GAZ
You mean stay in here and get pissed.

KENNY
Yes.

GAZ
Well we can’t get drunk can we, we’ll get too confident and go out there all guns blazing.
KENNY
Good point.

GAZ
We have a couple of shots to steady the ship and then see what we’re dealing with.

KENNY
Cool.

LATER- NIGHT.

SALOON

Kenny and Gaz peeking over the balcony.

ANGLE ON- Plaza, People lay dead, their limbs ripped off all over the dirt road and in the doorways.

GAZ
The place is literally dead quiet.

KENNY
Yeah I know (BEAT)What we gonna do?

GAZ
Okay where do you think the rest of our lads have gone?

KENNY
Probably been eaten by them things.

GAZ
You depressing knob (BEAT) you know Eric started all this?

KENNY
No I didn’t, anything to do with that cut on his arm.

GAZ
I think so.

CUT TO:

EXT. MOUNTAIN PLATEAU. NIGHT

Plateau over looking the town below.

The lads, Chuck and Bud sit around a camp fire drinking whiskey and smoking cigars.
ANGLE ON- Tent set up behind them.

CHUCK
Seems awfully quiet down there.

GREG
It’s night time.

BUD
Night time is when the town is alive, Robots don’t sleep you know?

GREG
(Sniggers) What?

CHUCK
He’s not joking, some of the towns folk are some sort of alien beings.

BUD
They look just like you and me but they sure are strong as hell (BEAT) you boys don’t believe us do you?

CHUCK
Something weird is going on down there, it’s never been this quiet since I don’t no when.

ALEX
Maybe everyone is dead.

(BEAT)

BUD
That’s a mighty dark joke.

ALEX
Sorry, Just a bit drunk and tired.

BUD
Well go and have a sleep then.

Alex stands and staggers towards the tent but trips in the grass.

ALEX
I’m just gonna sleep here.

CHUCK
Suit yourself.

CALEB
He gets drunk kinda easy.
BUD
That’s okay, that leaves more room
in the tent for the rest of us.

CALEB
Yeah I guess.

GREG
I might sleep out here, It’s a
beautiful night.

CHUCK
Even more space, how about you
Caleb?

CALEB
I’m gonna sleep in the tent if
that’s okay with you guys?

Bud and Chuck share a more than welcoming glance.

CHUCK, BUD
Hell yeah.

CALEB
But please shut up about them
things from outta space.

CHUCK, BUD
No problem.

Chuck drinks his whiskey, puts down his tin cup, stretches
his arms out and makes a half hearted yawn.

CHUCK
Okay boys I’m gonna hit the sack.

Chuck stands and staggers to the tent.

Greg makes his area as comfortable as possible and lays and
watches the fire.

BUD
You boys want another whiskey?

Greg is snoring.

BUD (CONT’D)
Looks like Greg’s had a good night.

CALEB
Yeah, he’s had a long couple of
days.
BUD
Think you all have travelling all this way.

CALEB
So what’s your story?

BUD
You mean life story or me and Chuck’ friendship story?

CALEB
Both I suppose.

BUD
Okay, I was born and raised down in Alabama on a farm way back up in the woods, I was so ragged that folks used to called me patches.

CALEB
Patches?

BUD
Yeah patches because my clothes were always ripped and sewn up with patches (BEAT) well in my teens I made for California and ended up here, I met Chuck and we struck a strong friendship and decided to move in together.

CALEB
Nice story.

BUD
How about you?

CALEB
I met my friends back in England, some of us grew up together, We thought it would be a good idea to travel to the US and that’s it really.

Bud drinks his whiskey, puts down his tin cup and stretches.

BUD
Well I’m about ready to hit the sack. You coming?

CALEB
I’ll join you in a couple of minutes.
BUD
Okay I’ll keep you a nice warm space.

Bud stands and staggers to the tent.

Caleb sits and watches the stars.

BUD OS
You coming Caleb?

CALEB
One minute.

Caleb drinks his whiskey and drops his tin cup on the floor, he stands unsteadily and staggers to the tent, he crouches down to get in and falls forward through the doorway.

BUD OS
You sleep here next to me.

SOUND of Rustling.

BUD OS (CONT’D)
Don’t worry Chuck’s asleep.

CALEB OS
What the hell Bud, get off me and put some clothes on.

SOUND of a heavy moving and the tent rocking.

BUD OS
Just stay still boy.

CALEB OS
(Mumbling as if he’s being gagged).

BUD OS

WOMAN

GAZ

WOMAN
Out to look for the rest of us. He can’t afford to lose us or he’ll go out of business.

GAZ
What a scum bag, listen forget him he’s probably dead, if he don’t have the brains to find a proper job then the chances are he’s not gonna have the brains to survive them things.

WOMAN
To where, we’re surround by them things.

GAZ

They reach the end of the roof.

ANGLE ON- Top of ladder.

Francine holds the ladder and looks over.

ANGLE ON- Ground below, coast is clear.

GAZ (CONT’D)
You crazy whore.
Francine snares at him and stamps on both sets of fingers repeatedly. Gaz lets go and falls to the floor landing on his back.

Francine gasps and scampers down the ladder.

She trips on the last step and falls on top of Gaz.

Gaz is still hurt but seems to have gotten a whole lot better since Francine has fell on top of him.

Gaz holds Francine tight, they look into each others eyes and then kiss. Francine pulls away and wipes her lips. She pulls herself to her feet and helps Gaz up in the process. They pat themselves down and look at each other.

The zombie ten yards away edging towards Francine.

FRANCINE (CONT’D)
(Normal voice) Sod this.

She grabs the boot from her foot and swings it around the zombies head, the zombie spins to the floor. Gaz runs for the mountain. Francine watches Gaz run. She finishes the zombie off by beating the crap out of it. She stamps on it’s head crushing it’s brains into the dirt, she don’t stop until the eyes have pooped out.

She’s satisfied it’s a goner.

ANGLE ON- Gaz still running occasionally looking back, he’s reached the mountain.

ALEX

GREG
Okay let’s look for them three, I bet they’ve gone to look for food in the mountain.

ALEX
Yes sheriff.
SHERIFF.

ALEX
Why’s that sheriff?

SHERIFF.
Because them two perverts are known to have their wicked way with young boys like yourselves.

GREG
Why haven’t you done anything before?

SHERIFF.
Because they have money and I mean money.

ALEX
They give you any money?

SHERIFF.
Yeah, they pay me to keep my mouth shut.

GREG
So why you telling us then?

SHERIFF.
Well I need men on my side in this moment in time, I don’t want you boys hanging about with them two again or you could end up dead.

GREG
But our friend has disappeared somewhere.

SHERIFF.
Them two have probably done something with him and when I say done something, I mean they’ve probably killed him in an inhumane sexual manner.

GREG
You know what’s happened with the rest of our friends?
SHERIFF.
They’re probably dead too. Now we’ve got to concentrate on getting rid of these things. We have about ten of them locked up in the jail house.

GREG
Why don’t you just kill them?

SHERIFF.
Because they’re all whores, we need whores, they bring in revenue.

ALEX
I can’t imagine anybody wanting to have sex with a brain dead flesh eating whore.

SHERIFF.
If you’re willing to have sex with a whore then I guess you’d have sex with anything (BEAT)

Alex and Greg look bemused and stuck for words.

GREG
Was he part of the sheriff’s department.

SHERIFF.

Francine looks disgusted at Gaz. She runs to Caleb’ and unties him and takes off the gag.

CALEB
You bastard what’s so funny?

Caleb hobbles towards Gaz while farting, Gaz is trying to keep a straight face while edge back, Caleb jumps at Gaz but Gaz moves to on side and Caleb falls to the floor like a wet fish out of water.

Gaz stops laughing.

Caleb lays on the floor, he bursts into tears.

Gaz helps him to his feet and hugs him.

GAZ
I’m so sorry mate, what did they do to you?
CALEB
(Calming down) I really don’t want to talk about it all right.

GAZ
Okay we’ll leave it at that. Sorry for laughing at you.

Caleb takes a swig and gives Francine the canteen.

CALEB (CONT’D)
You have the rest if you want.

FRANCINE
Thanks.

She drinks the rest.

CALEB
Okay you guys seen Alex and Greg?

GAZ
No, we trekked all night up the mountain and fell asleep in the wilderness, we woke up and spotted the camp fire.

CALEB

GAZ
Yeah on the plateau, I found Alex’ trusty zippo.

CALEB
Well we come up here with two oldish guys, after they had their way with me (BEAT) they headed back down into town, they said they going to get more liquor and then come back up here to finish me off.

GAZ
Okay what’s the plan of action?
CALEB
Let’s go down town and find them bastards.

FRANCINE
You do realize town is swarming with the un-dead?

GAZ
You know what these things are?

FRANCINE
I read about this kinda thing in a book once. People who are dead but still alive, in the book it says you have to cut off it’s head or remove the brain.

GAZ
Just like in the movies.

Francine looks clueless.

GAZ (CONT’D)
Okay stop playing dumb Francine.

FRANCINE
(To Caleb) He keeps telling me about these moving pictures that come to life.

CALEB
Okay, what you talking about?

GAZ
Movies.

CALEB
Not the movies, the un-dead. (BEAT) What un-dead?

GAZ
There are loads of zombies running about killing people down there.

CALEB
You’re not joking are you.

Caleb looks down at the town.

ANGLE ON– Town below, Calm and not a zombie in sight.
CALEB (CONT’D)
Looks okay to me.

FRANCINE
They do come out believe me, they come out in their swarms for some reason.

CALEB
Sure they’re not ware wolves or vampires?

GAZ
Nope definitely zombies we saw them with our own eyes.

CALEB
Wow (BEAT) Hmm this changes the whole situation doesn’t it.

GAZ
Yep. We’re not sure if anybody is still actually alive down there.

CALEB
What about Alex, Caleb and the rest of us?

GAZ
Gone I think. Dead just like them.

CALEB
Christian? Kenny?

GAZ
Not sure about Christian but I killed kenny.

CALEB
(Angry) You killed Kenny?, You bastard.

He swings for Gaz but Gaz ducks and Caleb misses him. Gaz restrains Caleb and pins him to the floor arms behind back.

GAZ
Relax okay, He turned into one of them things.

CALEB
Okay let go of me.

Gaz releases him. Caleb gets up.
CALEB (CONT’D)
Okay what about the rest.

GAZ
Eric was the first to turn, remember he was bitten on Crab Island, well he finally turned into a zombie, I threw him over the balcony and then he ran riot around town infecting everyone.

CALEB
Okay, we need to get off this Island quick.

FRANCINE
The only way is through town.

GAZ
Can’t we try the other side of the Island?

FRANCINE
The people that inhabit that side of the Island are animals, we would never survive on that side and even if we did manage to get past them, nothing but shark infested waters. At least if we get past these zombies we can find a boat and get across to the next Island.

GAZ
The chances are crab Island is infested with zombies as well. Eric was bitten there remember.

FRANCINE
How about Red bridge Island?

CALEB
Never heard of it, enlighten us.

FRANCINE
It’s the Island west of crab Island. We’ve got nothing to lose.

GAZ
Worth a try.

Caleb nods.

CUT TO:

Alex and Greg bemused.

ALEX
How did you know we were going to mention them being on this Island?

SHERIFF.
(Embarrassed) Let’s talk about something else shall we, don’t want to be talking about no stupid robots.

Alex and Greg share a glance.

ALEX
Okay sheriff let’s change the subject.

AN AWKWARD PAUSE.

The sheriff whistles and looks down at the floor.

ALEX (CONT’D)
You okay sheriff?
SHERIFF.
(Looks up and smiles) Yeah why wouldn’t I be?

SOUND of galloping outside.

Everyone stands and looks about the street.

ANGLE ON- Man on horse back racing up the dirt road from the plaza. As the horse gets closer we see it’s Mike with a bottle of liquor in his hand and a rifle on his saddle. The horse skids to a halt outside the saloon.

SHERIFF. (CONT’D)
Oh no here’s trouble.

Mike gets off the horse. He looks up at the balcony. He’s swaying drunk.

MIKE
(Slurring) Hey sheriff? (Squints)
Hey you guys, how’s your stay on this beautiful Island.

ALEX
It’s different I’ll tell you that.

Mike takes a long swig of the liquor.

MIKE
You gonna let me up or what?

SHERIFF.
No chance not in your state.

MIKE
Well I ain’t goin nowhere until you let me up.

SHERIFF.
Sorry son but your too drunk and I ain’t lettin you in.

The sheriff gestures the lads to follow as he walks into the room. Alex and Greg follow, they close the door behind them.

Mike stares drunkenly up at the balcony.

MIKE
I’ll show them.

A pack of zombies happen to emerge from around the corner.

Mike looks at the saloon doorway.
Mike grabs a long thin rope from his saddle, ties the rope around the horses and the other end, he ties around a table at the bottom of the barricade.

Mike whistles getting the zombies attention.

Mike gets on his horse, he whips the horse and the horse races forward, pulling away the table and the barricade spills out in the dirt road.

Mike and the horse race away towards the plaza, Mike’s cheering, the zombies stagger towards the saloon.

The sheriff emerges from the room and onto the balcony.

The sheriff runs into the room.

Alex and Greg sit drinking. They look at the sheriff.

SHERIFF. (CONT’D)
Quick barricade the door.

They start pushing a wardrobe against the door.

They look to the balcony.

ALEX
Shit we’re doomed.

SHERIFF.
Okay you boys grab your guns and bowie knives.

Sheriff cocks his pistol.

SHERIFF. (CONT’D)
We’re gonna fight these creatures.

The door hinges are coming loose. “BANG” A door panel breaks and a zombie sticks his head through, biting at thin air.

GAZ
Without the boat?
ALEX
Either way we’ve got to get off this Island with or without them. I don’t mean to sound selfish but I really want to get off this Island.
