MALE NARRATOR

Well do you want to shad a better light than me?

FEMALE NARRATOR

Yea i will

MALE NARRATER

FEMALE NARRATOR

As they wanted to be infamous for a few dirty reason We now move on to their true lives story.. Snow white.. and well you will see.. What? Cant i break tension a bit? Why do i have to read it so nicely?? Okay so once again, Many many years ago In a land far far away use to live a family, the queen mother her king and their baby princess daughter named.. snow white.. Why did they call her by that name? Well she was born in winter time and she was pale Because she didn't eat much.. They decided to call her snow and well their Last name was white So you can assume.. Oh well.. Our baby princess grew to be a beautiful gorgeous and spoiled princess and as she grew up unaware of her family.. because she didn't pay attention to them..

(CONT'D)

because she wanted to have fun,  
But what happend is that a big  
fire broke, since a stupid guy  
wanted to create a big big fire to  
invite all of his villagers But  
something went wrong and the fire  
got out of control And broke into  
the kingdom palace As the queen  
mother was unfortunately to close  
and she was burnt alive and she  
died Yea she died.. Anyway.. What?  
u don't think i should tell the  
real story? I think.. Well you  
know what? i don't really ask you!  
Why? Because i'm a pop star pop  
star it is better or like being a  
rock star.. Anyway She was berried  
with the other people who died and  
for some reason they Never found  
the one who started the fire, Well  
everyone was depressed, but, Some  
light shad on the king father, when  
he was visited by a lady from far  
far away who came out of respect  
to the queen who past away, or did  
it only seem that way as her  
desires were to be with him since  
the queen mother has died As he  
was really struck by her beauty  
and innocent face as well as her  
compassion for him as he started  
finding himself falling in love  
with her more and more each second  
that past and as he fell in love  
with her he then found him self  
with a new wife to merry, I don't  
know really why he chose such an  
old wife.. she.. Hey, as well i'm  
not that of an old Narrator, Sorry  
for the interruption again.. As  
she was becoming older and didn't  
want to bring any kids And all she  
wanted was to rool the kingdom..  
She knew that snow white will be  
the one who will rool the kingdom  
As she was in the blood line of  
the king and closer to the throne  
than her and she couldn't handle  
that and so it was.. snow white's  
story..

As the queen step mother replies to him

QUEEN STEP MOTHER

Don't you worry I will talk with  
her, I think all she needs is a  
softer side To speak with, a  
female side, since her mother past  
away she doesn't have it and i  
think she really needs it, don't  
worry, i will take her underneath  
my wings and speak with her to  
make her feel she is not alone, im  
sure by then she will be ready to  
settle down and have kids im sure  
it will be just fine, don't worry  
love, i will bring her to have  
some common sense and i will help  
her choose the right prince for

KING  
What? she did.. Why? Why did she  
run away? Did you say anything to  
her

As the queen mother tries to speak..

KING (CONT'D)  
I told you she was vulnerable, you  
shoul'd have been soft spoken with  
her, the way her mother use to be  
with her, i can't even start  
thinking what will happen to her  
out side, she is all alone and she  
doesn't have anyone by her side, i  
can't imagine what can and or will  
happen to her if she stay there we  
have, no, we must go out and find  
her, im her father it is my  
obligation, my duty as her father  
and as king, i cant just olet her  
be wondering in the dangerous  
forest by her self alone, it is  
not right!

As she says

QUEEN STEP MOTHER  
I have already sent.. The.. I  
mean.. hunter went after her, and  
i'm sure she'll be back, She  
wouldnt be able to stay outside  
For too long, it is cold, it is  
dangerous, it is scary and there  
is nothing out side these walls  
for her, im sure she will be  
returning back home to the palace  
soon

KING  
I know, she is so spoiled, Well,  
at least, she'll learn the hard  
way Like her mother, Always trying  
to save people, But i told her(his  
dead wife)

As she arrives

DEAD QUEEN MOTHER

Yea? you told me what?? what did i ever do not accordingly to you, to what you always told me to do, i just cant believe in you right now and what in gods name is she doing in my chair, im still the queen last time i checked, what in hell is going on around here, tell her to move out of my chair, now i mean it..

KING

I think i'm earing voices now, it almost sounds like my old wife, i dont understand where am i hearing those voices from, last time i checked she wasn't here anymore.. Anyway, i'm too tired, i have a headache, Tutelu

As he leaves the room towards his bedroom and the queen step mother is replying to him

QUEEN STEP MOTHER

okay, i assume..

And the dead queen mother says to him as well

DEAD QUEEN MOTHER

what who are you calling old and why are you speaking to her and not to me and what do you mean i'm not here, im standing right infront of you, what in god's name is going on around here.. with you husband.. Okay, i assume.. that if you have an headacke you don't pay attention to me but like this.. it is too much i can't bare it

As she lives after him the same way and says to him

DEAD QUEEN MOTHER (CONT'D)

I have to teach these fools some lessons, Oh dear devil Why am i so trans parable, It is almost seems like i'm dead..

As the female narrator says to the dead queen mother

FEMALE NARRATOR

That is because you are dead!

As the dead queen mother says

## DEAD QUEEN MOTHER

As she get up from the queen royal chair and she heads out  
of the room

As snow white says to him

SNOW WHITE

I'm sure that my father loves me but that is not the way i want to..

As she then starts singing to him **Leona Lewis forgive me**

SNOW WHITE (CONT'D)

There's a first time for everything  
It's definitely one of them nights  
I knew when I looked in his eyes  
That he was gonna be trouble for me  
I never wanted to lie  
I knew that my baby would cry  
If he knew what we were doing  
But if his love don't pass the test  
I gotta get it from somewhere else  
When I'm gone and I need a man  
Hope he understands  
Forgive me baby

I gotta take a chance tonight  
So I'm doing me, myself and I  
Can wait no more  
Sitting all alone  
Man, I really hope  
Hope you forgive me  
Oh oh  
Hope you forgive me  
Oh oh  
Hope you forgive me  
Oh oh  
I can wait no more  
Man, I really hope  
Hope you forgive me  
Been a long time since I  
Did something good for myself  
But why should I be put through  
hell?  
He's doing what he wanna do  
I finally found somebody else  
Who really wants to make me feel  
Things that I've been missing so  
long  
And his love always passed the  
test  
It's a shame I had to look  
somewhere else  
When I'm gone and I need a man  
I just hope that he understands  
Forgive me baby  
I gotta take a chance tonight  
So I'm doing me, myself and I  
Can wait no more  
Sitting all alone  
Man, I really hope  
Hope you forgive me  
Oh oh  
Hope you forgive me  
Oh oh  
Hope you forgive me  
Oh oh  
I can wait no more  
Man, I really hope  
Hope you forgive me  
Forgive me but I need to be loved  
too  
Forgive me but I can't wait around  
for you  
Forgive me if I found a man  
Who understands just what I need  
Forgive me but I need to be loved  
too  
Forgive me if I can't wait around  
for you

Forgive me if I found a man who  
 understands  
 Forgive me baby  
 I gotta take a chance tonight  
 So I'm doing me, myself and I  
 Can wait no more  
 Sitting all alone  
 Man, I really hope  
 Hope you forgive me  
 Oh oh  
 Hope you forgive me  
 Oh oh  
 Hope you forgive me  
 Oh oh  
 I can wait no more  
 Man, I really hope  
 Hope you forgive me  
 I gotta take a chance tonight  
 So I'm doing me, myself and I  
 Can wait no more  
 Sitting all alone  
 Man, I really hope  
 Hope you forgive me

As he then asks her

HUNTER  
 Okay, so who is the man you found?

As snow white smiles at him and answers

SNOW WHITE  
 The universe

As hunter asks

HUNTER  
 The universe?

As snow white replies

SNOW WHITE  
 Yea, the universe

As hunter says

HUNTER  
 Are you serious snow? what will  
 your father say? what would your  
 mother have said? you have to come  
 home with me..

As snow white smiles at him and replies to him back

SNOW WHITE

Nope, not for me thank you very much, but i'm staying right here

As hunter asks her then

HUNTER

Okay i will go back to your father and inform him of your decision, but where will you be, i can just let you be out in the wild, in the forest, it is dangerous..

As snow white looks around 360 degrees around her and she sees a small wooden house and she points to that house and says to hunter

SNOW WHITE

There, you see the small wooden house that is where i will be, i will be inside away from all the danger and dangerous things out here and you can go back to my father and tell him that i'm staying here as long as he wants me to bring him grand childrens, kids, not for me and i don't want to be engaged by him to anyone, you can go and tell him that

As hunter agrees with her and says to her

HUNTER

Okay, agreed, i will go back to your father and you just stay here inside that cabin and i will not be worried that much, okay? agreed?

As snow white smiles at him and says

SNOW WHITE

Yes, agreed!

As hunter says

HUNTER

Okay then

And he leaves her alone in the forest next to the cabin and he heads back to the palace to inform snow white's father of her decision, as She heads to the wooden house and she knocks on the front door but no one answers and she aks out loud

As she opens the door and doesn't ear anyone and she gets

As snow white sings **Kelly clarckson – breakaway**

## SNOW WHITE (CONT'D)

Grew up in a small town  
And when the rain would fall down  
I'd just stare out my window  
Dreaming of what could be  
And if I'd end up happy  
I would pray (I would pray)  
Trying hard to reach out  
But when I tried to speak out  
Felt like no one could hear me  
Wanted to belong here  
But something felt so wrong here  
So I prayed I could break away  
I'll spread my wings and I'll  
learn how to fly  
I'll do what it takes 'til I touch  
the sky  
And I'll make a wish  
Take a chance  
Make a change  
And breakaway  
Out of the darkness and into the  
sun  
But I won't forget all the ones  
that I love  
I'll take a risk  
Take a chance  
Make a change  
And breakaway  
Wanna feel the warm breeze  
Sleep under a palm tree  
Feel the rush of the ocean  
Get on board a fast train  
Travel on a jet plane far away  
And breakaway  
Buildings with a hundred floors  
Swinging 'round revolving doors  
Maybe I don't know where they'll  
take me  
But gotta keep moving on, moving  
on  
Fly away, breakaway  
I'll spread my wings  
And I'll learn how to fly  
Though it's not easy to tell you  
goodbye  
I gotta take a risk  
Take a chance  
Make a change  
And breakaway  
Out of the darkness and into the  
sun  
But I won't forget the place I  
come from  
I gotta take a risk

Take a chance  
 Make a change  
 And breakaway, breakaway,  
 breakaway

As snow white then says

SNOW WHITE (CONT'D)  
 So i wish u all the best And yea..  
 You could bring the kids with my  
 papa, Sorry again.. And role the  
 kingdom, How does it sound?

THE QUEEN STEP MOTHER  
 Okay i see.. Thank you for at  
 least listening to me, I assume??

As the queen step mother leaves and shuts the door behind  
 her.

EXT. CLIFFS NIGHT

I am confident, but  
I still have my moments.  
Baby, that's just me.  
I'm not a supermodel  
I still eat McDonalds.  
Baby, that's just me.  
Some may say I need to be afraid  
Of losing everything.  
Because of where I

Where I had my start,  
 Where I made my name  
 But everything's the same  
 In a la-la land machine. Machine.  
 Who said I can't wear my  
 Converse with my dress?  
 Oh, baby, that's just me!  
 And who said I can't be single  
 I have to go out and mingle.  
 Baby, that's not me  
 No, no.  
 Some may say I need to be afraid  
 Of losing everything.  
 Because of where I  
 Where I had my start  
 Where I made my name  
 But everything's the same  
 In the la-la land machine.  
 Tell me do you feel the way I feel  
 Cause nothing else is real  
 In la-la land to me!  
 Oh  
 Some may say I need to be afraid  
 Of losing everything.  
 Because of where I  
 Where I had my start  
 Where I made my name  
 When everything's the same  
 In la-la land machine  
 But, I'm not gonna change  
 In a la-la land machine  
 But I will stay the same  
 In la-la land  
 Machine  
 I won't change anything of my life  
 (i won't change anything of my  
 life)  
 I'm staying myself tonight  
 (I'm staying myself tonight)

As she starts singing circus by Britney Spears

BELLA (CONT'D)

(As beast and bella dance as he is  
confused about her sexuality)  
There's only two types of people  
in the world  
The ones that entertain, and the  
ones that observe  
Well baby I'm a put-on-a-show  
kinda girl  
Don't like the backseat, gotta be  
first (oh, oh)  
I'm like the ringleader  
I call the shots (call the shots)  
I'm like a firecracker  
I make it hot  
When I put on a show  
I feel the adrenaline moving  
through my veins (hah, hah, hah)  
Spotlight on me and I'm ready to  
break (hah, hah, hah)  
I'm like a performer, the  
dancefloor is my stage (hah, hah,  
hah)  
Better be ready, hope that ya feel  
the same (hah, hah, hah)  
All the eyes on me in the center  
of the ring  
Just like a circus (ah, ah,  
ahaha-hah)  
When I crack that whip, everybody  
gonna trip  
Just like a circus (ah, ah,  
ahaha-hah)  
Don't stand there watching me,  
follow me  
Show me what you can do  
Everybody let go, we can make a  
dancefloor  
Just like a circus (ah, ah,  
ahaha-hah, ha, ha, ha, ho, ho,  
ho)  
There's only two types of guys out  
there,  
Ones that can hang with me, and  
ones that are scared  
So baby I hope that you came  
prepared  
I run a tight ship, so beware  
I'm like a ring leader,  
I call the shots (call the shots)  
I'm like a fire cracker,  
I make it hot  
When I put on a show.

Let's go..(ah, ah,ahaha-hah)  
 Let me see what you can do..(ah,  
 ah,ahaha-hah)  
 I'm running this.  
 Yeah, like what..?  
 All the eyes on me in the center  
 of the ring  
 Just like a circus (ah, ah,  
 ahaha-hah)  
 When I crack that whip, everybody  
 gonna trip  
 Just like a circus (ah, ah,  
 ahaha-hah)  
 Don't stand there watching me,  
 follow me  
 Show me what you can do  
 Everybody let go, we can make a  
 dancefloor  
 Just like a circus (ah, ah,  
 ahaha-hah)  
 All the eyes on me in the center  
 of the ring  
 Just like a circus (ah, ah,  
 ahaha-hah)  
 When I crack that whip, everybody  
 gonna trip  
 Just like a circus (ah, ah,  
 ahaha-hah)  
 Don't stand there watching me,  
 follow me  
 Show me what you can do  
 Everybody let go, we can make a  
 dancefloor  
 Just like a circus (ah, ah,  
 ahaha-hah, ha, ha, ha, ha, ho, ho,  
 ho)

As she finish the song she Looks at him as beast Says

As the village band starts playing and singing do you  
believe in magic by Aly and A.j

VILLAGE BAND

Do you believe in magic?  
In a young girls heart  
How the music can free her  
Whenever it starts  
And it's magic  
If the music is groovy  
It makes you feel happy like an  
old time movie  
I'll tell ya about the magic  
It'll free your soul  
But it's like trying to tell a  
stranger 'bout rock n roll  
If you believe in magic, don't  
bother to choose  
If it's jug band music or rhythm  
and blues  
Just go and listen  
It'll start with a smile  
It won't wipe off your face no  
matter how hard you try  
Your feet start tapping  
And you can't seem to find  
How you got there  
So just blow your mind  
If you believe in magic  
Come along with me  
We'll dance until morning, just  
you and me  
And maybe, if the music is right  
I'll meet ya tomorrow  
So late at night  
We'll go a dancin' baby then  
you'll see  
All the magic's in the music and  
the music's in me, yeah

Do you believe in magic? Yeah.  
 Believe in the magic in a young  
 girl's soul  
 Believe in the magic of rock n  
 roll  
 Believe in the magic that can set  
 you free  
 Ohhhh, talkin' bout magic  
 Do you believe like I believe?  
 Do you believe in magic?  
 [repeat]

## EXT. FOREST MORNING

Aurora is smiling and laughing in the woods As she sings and dances with her animal friends **Taylor Swift mine** as prince phillip arrives and observ her with ut her knowing about it

## AURORA

Ta ta di tatata ta di da da da da  
 Ti ta ta ta ta ta ta ta ta da  
 Uh, oh, oh  
 Uh, oh, oh  
 You were in your castle and then  
 riding horses on the way to me  
 Left a small town, never looked  
 back  
 I was a flight risk with a fear of  
 fallin'  
 Wondering why we bother with love  
 if it never lasts  
 I say, "Can you believe it?"  
 As we're lying on the couch  
 The moment I can see it.  
 Yes, yes, I can see it now.  
 Do you remember, we were sitting  
 there by the water?  
 You put your arm around me for the  
 first time.  
 You made a rebel of a careless  
 man's careful daughter.  
 You are the best thing that's ever  
 been mine.  
 Flash forward and we're taking on  
 the world together,  
 And there's a drawer of my things  
 at your place.  
 You learn my secrets and you  
 figure out why I'm guarded,  
 You say we'll never make my  
 parents' mistakes.  
 But we got bills to pay,  
 We got nothing figured out,  
 When it was hard to take,  
 Yes, yes, this is what I thought  
 about.  
 Do you remember, we were sitting  
 there by the water?  
 You put your arm around me for the  
 first time  
 You made a rebel of a careless  
 man's careful daughter  
 You are the best thing that's ever  
 been mine.  
 Do you remember all the city  
 lights on the water?

You saw me start to believe for  
 the first time  
 You made a rebel of a careless  
 man's careful daughter  
 You are the best thing that's ever  
 been mine.  
 Oh, oh, oh, oh  
 And I remember that fight  
 Two-thirty AM  
 As everything was slipping right  
 out of our hands  
 I ran out crying and you followed  
 me out into the street  
 BRACED myself for the "Goodbye."  
 'Cause that's all I've ever known  
 Then you took me by surprise  
 You said,

PRINCE PHILLIP  
 "I'll never leave you alone."

AURORA  
 You said,

PRINCE PHILLIP  
 "I remember how we felt sitting by  
 the water  
 And every time I look at you, it's  
 like the first time  
 I fell in love with a careless  
 man's careful daughter.  
 She is the best thing that's ever  
 been mine."

AURORA  
 Hold on, make it last  
 Hold on, never turn back  
 You made a rebel of a careless  
 man's careful daughter  
 You are the best thing that's ever  
 been mine.  
 (Hold on) do you believe it?  
 (Hold on) we're gonna make it now.  
 (Hold on) and I can see it,  
 (Yes, yes) I can see it now (see  
 it now, see it now...)

As aurora finishes the singing prince phillip smiles at her  
 and tries to hold her hands and join her as aurora says

 maleficent) And I'm not being  
 womanized by any prince or Anyone

 save your needle for your self If

As maleficent says to her

to his tunes And laugh with him

## PRINCE PHILLIP

Ooooooh, Oooooooh, Ooooooh, hey!  
 It's 72 degrees  
 Zero chance of rain  
 It's been a perfect day  
 We're all spinning on our heels  
 So far away from real  
 In California  
 We watched the sunset from our car  
 We all took it in  
 And by the time that it was dark  
 You and me had something, yeah!  
 And if this is what we've got  
 Then what we've got is gold  
 We're shining bright and I want  
 you  
 I want you to know  
 The morning's on it's way  
 Our friends all say goodbye  
 There's nowhere else to go  
 I hope that you'll stay the night  
 Ooooooh, you'll stay the night  
 Ooooooh, yeah!  
 We've been singing Billie Jean  
 Mixin' vodka with caffeine  
 We've got strangers stopping by  
 And though you're out of tune  
 Girl you blow my mind, you do  
 And all I'll say is I don't wanna  
 say good night  
 There's no quiet corner  
 To get to know each other  
 Then there's no hurry  
 I'm a patient man as you'll  
 discover  
 Cause if this is what we've got  
 Then what we've got is gold  
 We're shining bright and I want  
 you  
 I want you to know  
 The morning's on it's way  
 Our friends all say goodbye  
 There's nowhere else to go  
 I hope that you'll stay the night  
 Ooooooh, you'll stay the night  
 Ooooooh, yeah!  
 Just like the song on our radio  
 set  
 We'll share the shelter of my  
 single bed  
 But it's a different tune that's  
 stuck in my head  
 And it goes...  
 If this is what we've got  
 Then what we've got is gold

We're shining bright and I want  
 you  
 I want you to know  
 The morning's on it's way  
 Our friends all say goodbye  
 There's nowhere else to go  
 I hope that you'll stay the night  
 If this is what we've got  
 Then what we've got is gold  
 We're shining bright and I want  
 you  
 I want you to know  
 The morning's on it's way  
 Our friends all say goodbye  
 There's nowhere else to go  
 I hope that you'll stay the night

As Aurora smile at him and starts singing to him **Timber by  
 Kesha and Pitbull**

AURORA

It's going down, I'm yelling  
 timber  
 You better move, you better dance  
 Let's make a night you won't  
 remember  
 I'll be the one you won't forget  
 Wooooah (timber), wooooah  
 (timber), wooooah (it's going  
 down)  
 Wooooah (timber), wooooah  
 (timber), wooooah (it's going  
 down)

PRINCE PHILLIP

The bigger they are, the harder  
 they fall  
 These big-iddy boys are dig-gidy  
 dogs  
 I have 'em like Miley Cyrus,  
 clothes off  
 Twerking in their bras and thongs,  
 timber  
 Face down, booty up, timber  
 That's the way we like  
 to-what?-timber  
 I'm slicker than an oil spill  
 She say she won't, but I bet she  
 will, timber  
 Swing your partner round and round  
 End of the night, it's going down  
 One more shot, another round  
 End of the night, it's going down  
 Swing your partner round and round  
 End of the night, it's going down

One more shot, another round  
End of the night, it's going down

AURORA

It's going down, I'm yelling  
timber  
You better move, you better dance  
Let's make a night you won't  
remember  
I'll be the one you won't forget  
It's going down (it's going down),  
I'm yelling timber  
You better move (you better move),  
you better dance (you better  
dance)  
Let's make a night you won't  
remember  
I'll be the one you won't forget  
(you won't forget)  
Wooooah (timber), wooooah  
(timber), wooooah (it's going

Wooooah (timber), wooooah

down)

PRINCE PHILLIP

Look up in the sky, it's a bird,  
it's a plane  
Nah, it's just me, ain't a damn  
thing changed  
Live in hotels, swing on planes  
Blessed to say, money ain't a  
thing  
Club jumping like LeBron now, Volí  
Order me another round, homie  
We about to clown. Why? 'Cause  
it's about to go down  
Swing your partner round and round  
End of the night, it's going down  
One more shot, another round  
End of the night, it's going down  
Swing your partner round and round  
End of the night, it's going down  
One more shot, another round  
End of the night, it's going down
