I don’t know. There’s something just weird about him. I can’t put my finger on it, but there something about this guy that doesn’t sit right with me.

Maybe it the fact that we are interrogating him about a murder of some twenty year old high priced hooker.

It’s the bald spot. Ladies love the bald spot. It’s like the distinguished man’s mating call that no woman can resist.

ATTRACTION DETECTIVE
I rest my case. I will let the logic in that statement speak for itself.

HULKING BALDING MAN
C’mon I was just breaking your balls. Don’t take it personal Janet.

JANET
That’s not what’s bothering me, Rick. It’s this guy’s story, there’s no holes. His alibi is iron clad but I still think he has something to do with this girl’s murder.

RICK
Let me take a crack at this joker.

JANET
