

INT. GROCERY STORE - DAY

STEVE and ERIK work together, stocking shelves.

STEVE

Did you see that Zack is making us
do a bonus round?

ERIK

Yeah, but I'm not going to write
one. I already have a mug.

A "SIMPLY SCRIPTS" mug appears in his hand out of nowhere.

STEVE

Where'd you get that?

ERIK

I won round two.

STEVE

So? I won the first round.

ERIK

Actually, you tied. I won outright.

STEVE

The tournament's not over yet. I
still have a chance with the bonus
round.

VOICES (OFF)

Did someone say bonus round?

A cloud of smoke. MARNIE, LIBBY, KATHY, and KHAM suddenly
appear.

STEVE

Team Estrogen?

ERIK

Team Estrogen!

The ladies all wear superhero capes and "E" shirts.

STEVE (CONT'D)

What are you doing here?

KHAM

Surveillance.

STEVE

You're stalking us?

MARNIE

Well, Steve, you won round one--

ERIK
Actually, he tied.

MARNIE
And, Erik, you won round two. So we decided to keep an eye on you guys.

LIBBY
To learn what your secret sauce is.

KATHY
And you know what we discovered?

KHAM
Your round three entries sucked.

KATHY
This trip was a total waste.

STEVE
Not necessarily. We're having a sale on Gatorade.

LIBBY
Come on, team, let's go find some real writers who can help us win this bonus round.

MARNIE
But, Libby, we ARE real writers.

TEAM ESTROGEN
Go Team Estrogen! For the bonus win!

Collective high-fives, and they all disappear in a cloud of smoke. Steve and Erik look at each other. What just happened?

Suddenly, Zack emerges from the smoke. He snatches the mug from Erik's hand.

ZACK
You don't deserve this.

ERIK
Hey, that's mine. I bought it off Ebay.

Zack ignores him, disappears. Steve shakes his head.

STEVE
I knew you couldn't be trusted.

FADE OUT.
