EXT. MALL PARKING LOT

REPO RON, male 30's, and his trusty CAMERA MAN, male 40's, are shooting a pilot for their new realty show titled "Hoe My Ride".

RON

Hey everybody, welcome to the very first episode of Hoe My Ride. Where we steal unsuspecting victims rides, then hoe it out. If you don't understand what I'm saying? Well I guess you'll just have to see for your little self.

QUICK CUT TO SHOT OF A PICTURE

Suddenly there is a close up shot of a spoiled rich girl, KELLY WITH AN I, female 20's, and her brand new car. The camera zooms out slowly to show RON holding the picture, RON also has a large amount of cocaine under his nose.

RON

Okay this is Kelly, but she doesn't spell her name like regular other girls named Kelly. She spells it with an I, not a Y, isn't that cute. Oh what's that right beside her, that's her new car. Is she paying for that, Hell No! So we are going to take it, cause we are crazy!

EXT. FRONT OF MALL - IN THE BUSHES

A close up shot displays RON'S ass hanging out of his sagging pants, the camera quickly zooms out. RON and the CAMERA MAN are hiding in a large bush.

RON

We are here at our retrieval point! Kelly with an I just went into her tanning saloon, so we are going to wait here a bit.

CAMERA MAN

Hey I don't feel so good, man.

RON

Shut up! We are doing this! Sorry about that little interruption audience. Well anyways, in order to

steal a car we are going to need
the proper headgear.

RON quickly puts a pair of pantyhose on his head.

RON
Yeah, let's do this!

RON runs toward the automobile and the CAMERA MAN follows behind him. RON jimmys the lock and opens the driver door. As he does this a NERD with an amazing tan exits the saloon.

NERD
Hey, I'm going to report your
actions to the authorities!

RON
Fool, you don't know who I am, so
how's about you report my BALLS to
the cops!

CAMERA MAN
Yeah mine too! Hey Ron McDonald
open the door.

RON
You are the dumbest bastard of the
dumb bastard's!

RON jumps into the now stolen car, unlocks the door for CAMERA MAN and once he gets in they speed off.

INT. INSIDE KELLY WITH AN I'S CAR

RON
That didn't go as well as I planed,
thanks to the name telling dumb ass
behind the camera!

CAMERA MAN
Ron, pull... over!

RON
Yeah that's a great idea there you
retard, how's about...

CAMERA MAN
Oh God!

The CAMERA MAN vomits all over the passenger side of the car.

RON

And that little modification was also not a part of the plan.

RON laughs hysterically while the camera is being turned off.

INT. CHOP SHOP

The chop shop is an old rusted down warehouse full of broken glass and busted boxes.

RON

Here we are at Strip Street, now let's go meet the crew.

Inside of an abandoned warehouse there is an table that the rest of the cast is gathered around. First one to talk is SQUEAK, male 20's.

RON

Okay, listen we got a ride that we just got to bust up. Squeak you work on radio's, what are we going to do?

SQUEAK

Ron that's simple man, inside that car is a Bose surround sound system with a ten disc CD player, and a DVD player with a flat screen. What I'm going to do is take out all that and replace it with an eight track player, that doesn't even work yo!

SQUEAK is getting high fives from all around the table. RAZZLE, male 20's, is the next bum to tell his master plan.

RON

I love the way that sounds, now Razzle with paint and body, what you got for me?

RAZZLE

Yeah, I got a great idea, check it.

RAZZLE picks a mini sledge hammer.

RAZZLE

I'm going to beat the living hell out of this car.

(CONTINUED)

RAZZLE then picks up a can of red spray paint.

RAZZLE

Then I am going to spray paint a big gigantic penis from the hood all the way to the trunk. Also I'm going to spray in huge letters the word whore, H-O-R-E on her driver side, then BAG with an exclamation point on her passenger side.

RON

Razzle the word whore is spelled W-H-O-R-E.

RAZZLE

Well okay, that's what I'll do.

RON quickly focuses his attention to CHECKS, male 30's.

RON

Checks, what's with those doors and windows man?

CHECKS

I'm going to take those doors and replace it with cardboard ones that have clear plastic wrap for the windows.

RON now wants to know what his buddy Jay J, male 20'2, has up his sleeve.

RON

Hell yeah! Jay J what are you going to do with those bad ass rims and tires?

JAY J

I'm going to rob those and replace them with spare tires, cause I am a man with heart.

RON

Do you think the spares can hold the weight of the car?

JAY J

Who cares, that hoe is rich!

RON

Okay crew, let's get cracking.

(CONTINUED)

The guys are hard at work in the shop. JAY J is on one knee changing out a tire. JAY J sees that the camera is on him and he poses like a gangster, but sneaking up right behind him is SQUEAK and he decides to kick JAY J in the taint. While JAY J is posing he gets kicked in the balls from behind by SQUEAK, JAY J goes down like a ton of bricks.

CHECKS tells RAZZLE to toss the mini sledge hammer so he can break the back window. RAZZLE throws the hammer to CHECKS, then CHECKS says something to the camera and throws the hammer at the window. However, the hammer doesn't break the glass, instead it bounces off the window and the hammer hits poor RAZZLE in the face.

SQUEAK is lying on his back across the driver and passenger seats while ripping out the CD/ DVD player. Suddenly out of nowhere Jay J elbow drops SQUEAK in the genitals.

RAZZLE has a large bandage on his head and is on top of the car doing a fine job spray painting. Without warning RAZZLE stops to take a whiff of paint, then goes right back to work.

EXT. FRONT OF CHOP SHOP

The guys are ready to show their masterpiece. The car is covered up with an old stained sheet.

RON

All right guys, you all did a great job, now let's look at the finished product.

RON takes the sheet off of the vandalized automobile. The wheels have been replaced with spares, that are all flat. The door were taken out and replaced with a cardboard doors with plastic wrap for windows.

The CD/DVD player is ripped out and now there is an eight-track player with wires sticking out everywhere.

From the hood all the way to the back of the car is a large spray painted penis. On the driver side the word "WHORE" is sprayed on, and on the passenger side "BAG?" is tagged on it. Ron is taking a look at the final product.

RON

Damn fellas that right there is...

RON sees RAZZLE'S mess up.

RON
RAZZLE!

RAZZLE
What's up Ron?

RON
What the hell are you thinking,
that's not an exclamation mark,
that's a question mark.

RAZZLE
It is?

RON
Aw hell, I can't stay mad at you...
we smoke rock together!

RAZZLE

RON
Okay everyone I think its official
this ride has been hoed. So lets
tape that hoes reaction, what do
you say there audience?

INT. A CHOP SHOP

The CAMERA MAN set up his shot through a dirty broken window. A black limousine pulls up, the car in question also has miniature American flags attached to the hood.

KELLY WITH AN I and a group of MEN wearing black suits and sunglasses exit the long automobile. RON and the crew are all hiding under the window, some are even giggling like children.

RON
Is she pissed off... Is she
crying... What's going on out there
man?!?

CAMERA MAN
Huh... That's interesting. I see
the girl with a bunch of guys
wearing black suits and sunglasses.
They rolled up in a black limo and

SQUEAK quickly looks through the stained glass.

SQUEAK

JAY J

The crew stops laughing and being's to panic.

RON

Word, let's get out of here! Hope you pimps and hoes liked our show. But we got to get to running, so see you next time, maybe!

The CAMERA MAN run's behind the crew while the camcorder is still recording, suddenly it shuts off.
