INT. RESTAURANT. NIGHT

Crowded with couples that are overdressed for a Tuesday night. ALISA SANDERS(29), long curly blonde hair, sits alone at a table, on the phone.

ALISA

(Into phone)

Could you please relax, this is going to work out perfectly. Trust me.

(Listens)

You make it sound like I'm the only cheater in the world. I'm not. It's a thing now. Everyone's doing it.

(Listens, hanging up)

---Goodbye Tessa.

Hangs up prematurely. Takes a deep breath. Looks around the room, something catches her eye, her POV - A man proposing. The woman says yes, and they hug lovingly.

ALISA(CONT'D)

(to herself)

That's depressing.

Suddenly, DERICK CHAMBERS(35), clean-cut, joins Alisa, sits across her at the table.

DERICK

Sorry. There's traffic at the men's room.

Alisa gives her a warm smile.

ALISA

Traffic?

DERICK

If you ask me, there should be a sign that says no jerking off in a public bathroom.

She laughs.

DERICK(CONT'D)

You think I should tell the manager?

ALISA

What would you say exactly?

(CONTINUED)

DERICK

Let me see.

(clears throat)

Evening sir, Seemingly, there are a lot of guys not getting laid, and as a result.. they are busy leaving their unborn babies in the bathroom. Last time I checked, this is a restaurant, not a a sperm donor lair. Kindly put up a sign, thank you.

Alisa can't stop laughing.

ALISA

That's-- Wow. I don't even know to say.

DERICK

(stares in her eyes)

Say you love me?

Alisa tenses up hearing this.

ALISA

(Awkwardly)

Yeah, well, I do.

DERICK

Say it then.

ALISA

I just did.

DERICK

No, you didn't.

ALISA

(After a beat)

Sorry. Love is an alien word. I don't know what it means.

DERICK

Really? that's all you going to say?

ALISA

I'm afraid so.

Suddenly, JOSH MORGAN(32), Short black hair, joins them, setting a chair at the table. Alisa's shocked beyond words.

(CONTINUED)

JOSH

Evening. I must say, You guys look like you waiting for an award at the Oscars. News flash, so is Johnny Depp. Not to mention Liam Neeson.

DERICK

(annoyed)

Can we help you?

Josh surveys Derick's face.

JOSH

You're not that handsome after all. Sorry, for my good manners. What I meant to say is, If thanos had a twin sister, you'd look like her a left nipple.

DERICK

What?

JOSH

I mean the right one would probably look like your tiny bedroom drill tool.

Stands up.

DERICK (CONT'D)

(pissed)

Fuck off. Or I swear--

JOSH

Sit down Forest Gump. You're embarrassing yourself.

ALISA

Please Josh. I can explain.

DERICK

You know this guy Lis?

ALISA

This is--- Uh mm This is my--

JOSH

I'm the other boyfriend. The good looking one. Like Jacob in the twilight, only, I've dicked Bella.

Derick slowly finds his seat.

(CONTINUED)

DERICK
Is this true Lisa?

ALISA
I can explain. I--- see---

JOSH
Come on Alisa, You can do this. I believe you.

ALISA
I-- shit...

JOSH
You're disappointing. I remember you saying that to me when I was on top of you for a few seconds. In my defense, I was at Nicki Minaj's concert that day.

DERICK
You had sex with this clown?!

ALISA
No, yes, I can explain.

JOSH
No, you can't. And I don't blame you, no cheater can really explain why they cheat. Or maybe you a Tiger Woods fan. Respect to him, he sure loves putting balls in holes.

ALISA
We were suppose to meet at your place. why are you here?

JOSH
I wanted to surprise my girlfriend, Is that a crime?, please don't answer that.

DERICK
I can't believe this.

JOSH
First heartbreak?, I'm pretty sure we can get rebounds around here.

DERICK
You don't understand, Lisa is the love of my life.

(CONTINUED)

JOSH

She's mine too. Come on buddy, we could help each other get over her. She's got a small ass anyways.

ALISA

You know I'm still here right?

JOSH

Wait, wait, I can explain.

ALISA

Ha ha ha. Very funny.

JOSH

Thank you.

DERICK

Fuck it. Let's do it.

JOSH

Like that guy in that movie with green frogs says, My man.

Derick and Josh find their feet.

JOSH(CONT'D)

A bottle of whiskey?

DERICK

Sure.

ALISA

I'm sorry guys.

They leave, not looking back, Alisa stands up.

ALISA(CONT'D)

(Shouts)

I said I'm sorry!

JOSH(O.S)

We heard you! We don't care!

She looks around, embarrassed, sits.

ALISA

(To herself)

Fuck..

THE END
