After a vindictive woman in her thirties is done wrong by an ex lover, she goes on a warpath to manipulate his future bride and plan to ruin their wedding, but she finds herself in a warpath herself which she is the target of from an ex boyfriend whom she'd done wrong, and he has evidence that could seriously affect and ruin her life.

Characters

- **GiGi Reynolds**- Is an up and coming life coach,who is actually self absorbed and the one to put things in check with lots of attitude, sass, and has unpredictable ways, especially when she's been done wrong. She's a beautiful woman who goes on a rampage to avenge herself from an ex-love who played with her feelings.
- **Caitlin Parks**- Is GiGi's life coach, business partner and friend and is smart, and tired of carrying her friend on her coat tails. She tries to seize a lucrative business opportunity that can help set their business from going under, but GiGi's Mister Right can cause her to make it all go wrong.
- **Jayson Maxell**- Handsome,semi-wealthy bachelor who persistently pursues Gigi to soar his oats before marrying the love of his life all behind his fiance's back.
- **Tiffany Cruler**- Great looks,body, life,and on the recovery to self love after damaging relationships. She seeks out a life coach service that happens to be with Gigi Reynolds, unaware of her fiance's cheating love affair with her.
- **Damien Harris**- a scorned ex boyfriend of Gigi, with a score to settle. As a result of her hustling type relationship with him is how she accumulated the finances to start her life coaching business with her friend Caitlin. Damien proposes an offer to buy their company and expose Gigi for the type of person she is; it could ruin her reputation and her life.

Synopsis:

Gigi Reynolds has been walking on cloud nine with Jayson Maxwell; thinking she has finally found the one. Exotic, trips and romantic evenings convinced her that there would be a ring, which she turns out to be right, but the wedding ring is for Jayson's fiancée Tiffany Krueger.

Gigi and her longtime friend Caitlin are owners of a up and coming life coaching service, that is on the verge of closing its doors, when Tiffany comes in to be a client in need of some coaching and advice for her current engagement to Jayson, her financial contribution could take their company out of the red, and lead to potential more upscaled paying clientele and their money.

Caitlin convinces Gigi to play along until the check clears, all while Gigi befriends Tiffany and goes on a path of wreckage and sabotage to make her and Jayson's wedding day one they will never forget.

An unexpected interference from Gigi's ex-boyfriend Damien threatens her plan, business and life and he threatens to expose Gigi and what she did wrong to him, and it could lead to some life changing repercussions.
