FADE IN:

1 INT. SPACIOUS BATHROOM 1

A woman lives here- the beauty products on the toilet sink tell us that.

The door opens from outside and a pretty WOMAN walks in wearing booty shorts and a crop top t-shirt. She's smiling as she walks over to the sink.

She squirts some liquid soap on her hands and turns on the tap. As she washes her hands, she sees, in the mirror, that the toilet seat is up which makes her laugh.

She doesn't dwell on the raised seat for long, but instead focuses on her hands.

2 INT. SPACIOUS BATHROOM 2

The door opens from outside and the Woman walks in with a thigh-length towel wrapped around her shapely body.

She walks to the sink, grabs a hairbrush and begins to brush her hair. As she does so, she spots- once again- the raised toilet seat in the mirror.

Again, she's amused, but this time she doesn't so much laugh as she does chuckle. She gives an "oh well" shrug and continues brushing her hair.

3 INT. SPACIOUS BATHROOM 3

The door opens from outside and the Woman walks in wearing pajamas.

She yawns as she walks to the sink and as she wets her toothbrush under the tap, she sees the raised toilet seat in the mirror.

This time, she is not amused. She rolls her eyes, sighs and grabs the toothpaste.

4 INT. SPACIOUS BATHROOM 4

The door opens from outside and the Woman walks in wearing boxer shorts, an over sized t-shirt and a facial mask.

She walks to the sink and is about turn on the tap when she inevitably sees the raised toilet seat in the mirror.

She shakes her head and her grip tightens on the tap.

5 INT. SPACIOUS BATHROOM 5

The door opens from outside and the Woman walks in dressed for work and holding her earrings.

She looks irritable as she walks to the sink. She starts to put her earrings on in the mirror, but then notices the raised toilet seat in it and she gets so angry that she goes over to the toilet seat.

***At this point, we appear to be looking at her from inside the toilet.***

She grabs the toilet seat and slams it so hard that it closes with a BANG!

CROSSFADE

6 INT. SPACIOUS BATHROOM 6

The door opens from outside and the Woman walks in wearing a bra and panties.

She looks really happy as she practically floats to the sink.

She opens a jar of lotion and begins to apply to her face. As she does so, she sees the closed toilet seat in the mirror and this widens her smile.

7 INT. SPACIOUS BATHROOM 7

The door opens from outside and the Woman walks in, wearing a short, low-cut dress and clutching a purse.

She walks to the sink, sets her purse down on it, picks up an eye pencil and begins to line her eyes.

In the mirror, she can see that the toilet seat is down and she gives a little chuckle. Then, she adjusts her cleavage to make it more noticeable.

8 INT. SPACIOUS BATHROOM 8

The door opens from outside and the Woman walks in wearing a man's sports jersey.

She's really low energy and walks lethargically to the sink. She turns on the tap, splashes some water on her face and when she looks up, she sees the closed toilet seat in the mirror.

A look of sadness comes on her face and for a moment, it looks like she might cry, but she composes herself.

9 INT. SPACIOUS BATHROOM

9

The door opens from outside, the Woman walks in wearing a bathrobe and walks to the toilet seat.

Finding it closed, she just stares at it sadly. She gets progressively sadder and eventually sits on the closed toilet and breaks down crying.

10 INT. SPACIOUS BATHROOM

10

The door opens from outside and the Woman walks in wrapped in the short towel. She also has a towel wrapped around her head.

She is all smiles and she positively glowing as she walks to the sink.

As she unwraps her head towel in the mirror, she sees that the toilet seat is up. She stares at it for a moment, lets out a hearty laughs, then proceeds to dry her wet hair with the head towel.

FADE OUT.
