FADE IN:

INT. SABRINA'S BEDROOM - MORNING

The alarm clock goes off on the night stand. Lady Gaga's ""Born That Way"" blares away on the airwaves or something like it. The clock reads 7:30 am.

SABRINA WASHINGTON, 17, turns over and cuts it off. Slobber hangs from her mouth as she feels it and wipes it off. Sabrina is a charmingly nerdy plump girl, with glasses and braces.

Her father, JOSEPH WASHINGTON, hears the alarm clock go off.

Joseph (O.S.)
Sabrina, get up. You don't want to be late.

SABRINA
I'm up.

Sabrina opens her eyes and sits up on the side of the bed. Her glasses sit sideways on her face. She straightens them and looks in the mirror.

SABRINA
Good morning lovely!

A large black and white fake dog sits in the corner. She hugs him. Sabrina has a naive wild imagination.

SABRINA
Hey Spidey, sleep good last night?

BATHROOM

Sabrina brushes her teeth slowly to be careful not to cut the inside of her mouth with her braces. With glasses on she smiles goofily at herself.

SABRINA
Sunshine Utopia!

BEDROOM

Sabrina puts on a blouse. Looks like something from the eighties, a colorful print. She looks at herself in the mirror again.

SABRINA

Kim Kardashian, eat your heart out.

She blows a kiss to herself and leaves. She trips over Spidey on the way out. Oops!

EXT. STREET - DAY

Sabrina skates down the Street in her rollerblades, helmet and knee pads. She's skating fast and out of control. She barely knows how to skate.

She enters an intersection and a truck SLAMS on the brakes almost hitting her.

SABRINA

(yelling)

Excuse me!

She flies past the light.

INT. FRONT OF SCHOOL - OAK TREE - MORNING

Sabrina rides up on rollerblades. She stumbles about to fall.

She meets her friends under the oak tree. KAT, 17, childlike and a little nerdy, and JACKY, 17, her other best friend who's "mouthy" and a nerd as well, both stand.

SABRINA

(all smiles)

Hey, hey, hey...

Sabrina grabs onto Jacky so she doesn't fall.

JACKY

Don't fall goofy.

SABRINA

Look what I got? Friendship bracelets.

She ties a multicolored bracelet around each girls wrist. They're very pretty.

JACKY

Thanks girly. So are we some secret group of cool lesbians now?

SABRINA

No way. All the stars are wearing them so I thought we could wear them too.

Kat bats her eyes trying to look pretty.

KAT

We're stars? I knew I was special.

Sabrina rolls her eyes.

SABRINA

(under her breath)

You're special all right. So what's up?

KAT

Nothin. Just watching mc yummy over there. Tasty little treat, that boy.

*

Across the way leaning against a car, JOSH, the high school jock, star swimmer that's quite full of himself, has his shirt off flexing his muscles making the ladies swoon. He's with his buddies KALE and LAMONT.

OAK TREE

Sabrina looks over at him and rubs her hands together.

SABRINA

(she smiles to herself)

He does look good. Ooh I wish...

KAT

Uh, uh, uh. Hands off. He's my man. Him and Tesa broke up.

SABRINA

When?

KAT

Yesterday, Yay! I thought they would last forever.

Sabrina gets up and starts skating around in a circle.

SABRINA

(smiling)

The king and queen of schooltopia have finally separated! Woe is me.

They've been together since we were freshies. Stink weeds. Guess everything comes to an end.

Sabrina falls down on her rump. Kat goes to pick her up.

SABRINA

Don't bother.

Sabrina crawls to her knees and sits on the bench. She takes off her rollerblades.

Kat and Jacky stand up and throw a softball between them.

Some GUYS are playing football and a ball comes out of nowhere and hits ABE, the class geek who wears thick glasses and pants up to his ankles, in the head as he walks by.

ABE

Ouch! Hey Sabrina, Jacky, Kat.

Jacky and Kat sort of wave him off. Even nerds have reputations.

KAT

Hey Abe.

JACKY

Abe.

SABRINA

It's not like he's got ebola or somethin'. Be nice... Hi Abe.

Abe smiles as he waves to Sabrina. You can tell he likes her. Sabrina waves back being the nice girl she is and Abe walks away.

STREET

At that moment, TESA, who's blond and gorgeous, drives up in a red convertible. She's sitting in the back seat with her new boyfriend DAVID. DEIDRE drives as ANDREA sits in the passenger seat. They are both blond bombshells.

OAK TREE

SABRINA

Uh oh...the "fakies" are here.

KAT

Is that Tesa with David?

SABRINA

I wonder if that's her new boyfriend?

KAT

Oh my goodness! Why would she be with him?

SABRINA

He's the ugly version of superman.

JACKY

Yeah, a smart...ugly, pig face.

SABRINA

Pig face? All I know is Josh is much cuter and is a fine specimen of a man.

Tesa and her crew walk like stiff clones up to Sabrina and her friends. Sabrina is holding a softball.

Tesa SMACKS it out of her hand.

TESA

Oops! Dropped something. Be more careful next time. That thing could've hit me in the face. You won't steal this one. Just try it.

Tesa tosses her hair and she and her blond crew walk away.

JACKY

You're gonna let her get away with that? And what was she talking about?

SABRINA

Well you know me and Tesa used to be friends back in junior high.

Kat and Jacky stop playing excited to listen.

KAT

Ooh, really? What happened?

SABRINA

I don't want to talk about it.

KAT

Tell us or we'll never speak to you again.

SABRINA

Well we both wore glasses and were both a little nerdy.

KAT

The beautiful Tesa a nerd? Cool. Tell us more.

SABRINA

Then one summer she just blossomed. She didn't need the glasses anymore, she lost weight, dyed her hair blond and the new Tesa was born.

Jacky

I knew Barbie was fake. And those probably aren't her real tits either.

SABRINA

Probably not. Well... she was accepted by the "in" crowd and she hasn't turned back since.

JACKY

What was she talking about when she said "you won't steal this one"?

SABRINA

Her boyfriend tried to date me behind her back. When she found out she went craaaazy. We've been frenemies ever since.

JACKY

She's still an insecure puppy. That's good amo to have.

STREET/CAR

Josh leans up against a car, he looks over and sees Tesa with David. Tesa waves over to Josh. He dryly waves back. KALE looks on.

KALE

Oh well. You guys had a nice run.

He pats Josh on the shoulder. Josh shakes his head.

JOSH

That's alright. I'm still the man. Oh yeah.

Josh grabs his crotch. Tesa and David kiss. Josh looks on.

KALE

Why did you two break up again?

JOSH

She said I was mean to her and I forgot our anniversary. Lumpy butt. Cute face but her ass feels like cauliflower.

The bell rings and everyone walks inside.

In slow motion... Tesa and her girlfriends with mini skirts and long flowing blond hair, carrying books walk inside the school. Tesa sucks on a lollypop.

BACK TO SABRINA & FRIENDS -

SABRINA

You guys excited about the contest?

KAT

Duh! Seventeen Magazine coming here? This is the best thing that's ever happened to this school.

Kat has a Seventeen Magazine in her hand that she's put a picture of herself on the front cover. She looks homely with a cheesy smile.

JACKY

I like that, hopeful.

KAT

Just something I thought of. I'd never have a chance of winning. Maybe I can sing my way into winning the contest.

Kat sings a Mariah Carey song. She misses all the right high notes but continues on. She's awful.

SABRINA

Please Kat! Don't do that! I think I got Spidey's dog ears. Come on, they're gonna email us at lunch and let us know who won.

Sabrina takes out her perfume and sprays it on herself on the way inside the school.

INT. LUNCHROOM - DAY

The lunchroom is packed. Everyone sits with their own cliques. The geeks, the black girls, Tesa and her beautiful blonde crew, the tough guys, etc.

Sabrina stands in line. Two GIRLS ahead of Sabrina look through the glass and pick out their food.

GIRL #1
Just vegetables.

GIRL #2
Me too.

COOK
Bread?

GIRL #1, #2
Nooooo!

It's Sabrina's turn to order.

SABRINA
I'll have the meatloaf, mash potatoes the vegetables and bread please.

The girls stop and look at her likes she's crazy.

GIRL #1
Ew...

Girl #2
Pig!

Sabrina bats her eyes a few times and smiles.

SABRINA
Meatloaf's my favorite.

She grabs her tray, looks around and finds Jacky and Kat.

TABLE

Sabrina sits down with Jacky and Kat, excited. Flies buzz around Sabrina hovering.

JACKY
What's up with the flies? They're hanging around you like you sat in shit or something.

Sabrina swats at them. They disappear.

SABRINA

Must be my perfume. It's lemon potpourri.

Kat takes a whiff.

JACKY

Too lemony. I'd stop wearing it. You don't want everyone to start calling you stanky wanky.

SABRINA

Okay, I'll stop.

KAT

It's almost time. First prize is the cover of the magazine and twenty five thousand dollars. Ugh! I could only imagine.

SABRINA

Whatever... I'm really not into it. I'd never have a chance at winning.

JACKY

Don't be a downer, we have to see if our school is chosen first.

KAT

What do we have to do in order to win?

SABRINA

They said it's based on the largest school. The one with the most students.

KAT

Let's just keep our fingers crossed.

JACKY

And eyes and legs and...

Jacky crosses her eyes and legs.

SABRINA

Okay, you look like a super retardo.

ACROSS THE ROOM -

Tesa, Deidre and Andrea sit at their beautiful people table. They have a pink cloth laid out under their trays. Tesa has her laptop out.

It reads: Seventeen Magazine Contest, \$50,000 to the winners of the Best Dressed Couple. Anyone can win!!!

TESA
I'm so psyched!

DEIDRE
I hope they choose our school?

TESA
I'm in the mood to win 25,000 dollars!

Tesa looks down and sees a piece of meat on Andreas plate. Andrea is very slim as are all the blond gang.

TESA
You're eating? What's wrong?

ANDREA
It's my mom, if I don't gain 5 pounds she's gonna kill me.

TESA
Poor thing. Get a Rebel Wilson fat suit. She'll think you're obese instantly. Now shut up, it's 12:30, they're going to email us.

Tesa stares lasers through her I-phone.

INT. LUNCHROOM HALLWAY - DAY

Josh and Kale are standing by the staircase.

KALE
So are you into it?

JOSH
What?

KALE
The contest.

JOSH
I don't know. The cover of a magazine, I could go for that. I'd need to find me a honey.

AMY walks by.

AMY
Hi Josh.

JOSH
My golly wolly. I'm gonna lose my mind.

Josh rubs his hair as he watches her go by. He's in a slight daze.

An excited female SCREAM is heard OFF-SCREEN.

INT: LUNCHROOM HALLWAY - DAY

Tesa glares at her i-phone. Some of the school kids SCREAM too.

TESA

Yeah baby! Woo hoo! I'm so gonna win this thing.

SABRINA

(half excited)

Our school won! Woo hoo.

A screeching sound comes over the PA system. Then there's a pat on the mike. Everyone listens.

PRINCIPE APPLETON (O.S.)

I'm sure you all received the email. Douglas High has been chosen. The best dressed couple will be featured on the front cover of Seventeen Magazine and will each receive twenty five thousand dollars. I don't want this competition to get out of hand, so be friendly to your fellow competitors - I mean students. No sabotage. Anyone can win. Good luck to all of you.

Sabrina goes into one of her fantasy-like dreams.

INSERT - FANTASY SEQUENCE

Clouds and smoke everywhere. It thins out and Sabrina is standing on the tip of a high mountain, a thinner version of herself, with no glasses on.

She has on a beautiful long white dress blowing in the wind. Her hair hangs over her breast and she has a halo over her head.

Small cupid like angels surround her, going around in circles. Angelic music is playing.

CUPID #1

This is gonna take a miracle.

CUPID #2

Yeah, she's in bad shape.

SABRINA

That's what I thought you guys did.
Create miracles.

CUPID #2

We'll give it our best shot but don't
keep your hopes up chubby.

Cupid #1 hits her in the head with an arrow.

SABRINA

Ouch!!!

FANTASY OVER

BACK TO SCENE -

Sabrina grabs her head. Jacky and Kat look at her like
she's crazy.

SABRINA

I was just...

Kat slaps her in the arm.

KAT

Did you hear that? Best dressed couple
wins.

SABRINA

Well that leaves me out. They'd never
pick me.

KAT

Yeah, it leaves all of us out.

SABRINA

You know they're just gonna pick the
prettiest girl and boy. We'd never have
a chance at that.

KAT

On the other hand maybe this is the
perfect time for me to ask Bobby out. I
always thought the two of us would make a
cool couple.

SABRINA

Who would you ask?

JACKY

I dunno. Maybe Derrick. Ever since we
broke up last year I just haven't been
the same.

Jacky looks over with puppy eyes to see...

DERRICK. A skinny looking kid with big eyes and a bald head. Clearly a misfit. He's eating really fast as if he's in a eating contest.

Food falls out of his mouth. He looks disgusting. He's with a KID who has a stopwatch in his hand, which he clicks.

FRIEND

Dude you did it! Awesome!

Derrick BELCHES loudly then beats on his chest like King Kong while he SCREAMS at the top of his lungs.

DERRICK

YEAH!!!

A group of tough GUYS at another table look on. A piece of food accidently hits one of the guys in the face.

The GUY wipes the food off and looks at Derrick meanly.

GUY

I'm gonna smash your face in.

The guy throws some food at Derrick and Derrick ducks out of the way...

The guy picks Derrick up and throws him across the lunchroom table...

The whole lunchroom gets into a food fight and food is FLYING everywhere.

Some spaghetti SPLATTERS on Sabrina's chest...

SABRINA

Geez Laweeze! Time to go.

Sabrina and her girls sneak out.

HALLWAY/SCHOOL

Tesa, Deidre and Andrea are practicing a cheer, Tesa is climbing on top of her friends making a pyramid when they look over and see Sabrina, Jacky and Kat. Tesa jumps down.

TESA

Look what we have here, Dumb, Dumber and Dumbest. The disaster trio. Well we know they're not gonna enter the contest.

All the girls laugh.

DEIDRE

Yeah, the geek squad. They'd never show their faces at the contest.

TESA

It's just us ladies and no real competition in sight. See anyone? I don't. Ha, suck on that.

Tesa flips her hair. Kat turns to her friends.

KAT

You hear that. They don't think we're gonna enter the contest.

SABRINA

Well we're not.

KAT

Ooh they make me so mad. I wish there was something we could do?

SABRINA

Forget about it. I think I'll go slit my wrist now. Wanna come?

All three girls leave.

Tesa's two friends have left and she walks down the hallway alone. Josh stands there, waiting for her to pass.

JOSH

So, that's your new boyfriend?

TESA

For right now.

JOSH

He's not as hot as I am. With me, we could dunk that contest.

He grabs her close and she breaks his embrace.

TESA

We probably could but I'm not willing to find out.

You forgot our anniversary, plus you yelled at me for no reason. I'm not gonna forgive you. I'm too hot to have to deal with your shit.

JOSH

You know Tesa, you cry too much. Yeah I bitched at you - because you're so self centered it's sickening. All you think about is yourself. I'm sick of playing your little games. I'm glad we're done.

TESA

Me too! You're gonna miss me, you watch.

JOSH

Whatever...

Tesa slaps him then walks away in a huff.

EXT. STREET - DAY

Sabrina walks up to her house when her next door neighbor, JAKE, 4, whose naked from the waist up with a mohawk hairstyle runs to her.

His hands are totally drenched in wet red sticky candy. He goes to grab Sabrina.

SABRINA

Don't touch me! Your hands.

Jake stops with his hands in mid air almost touching her.

JAKE

When are you going to baby sit me again?

SABRINA

I don't know. Maybe one day soon. Bye.

Sabrina grabs the mail out of the mailbox and goes inside.

INT. LIVING ROOM - DAY

Sabrina lays her bookbag down and sees she has a letter from New York University. She opens it and reads it.

SABRINA

We are writing to inform you that we have allotted you a partial scholarship of 10,000 dollars. Thank you for applying to New York University.

Sabrina's eyes drop.

SABRINA

Where am I going to get the rest of the money?

She thinks long and hard. Then a light goes off in her eyes. She blinks a few times.

DINING ROOM - NIGHT

Sabrina, JOSEPH WASHINGTON, 40's, short but handsome man, and his girlfriend DENISE, bleach blond with huge breasts and her son JASON, 22 who's flamboyantly gay is dressed in a pink T shirt with sequins and a gold head bandana. They're eating dinner.

JOSEPH

So how was school?

SABRINA

I received a letter from New York University today.

JOSEPH

What did they say?

SABRINA

I got a partial scholarship. I still need thirty thousand dollars though.

Denise BELCHES accidentally and fans the air.

DENISE

Excuse me!

Sabrina looks at Denise's breasts sticking out over her shirt and scowls.

DENISE

Can't you get some financial aid?

Sabrina smiles courteously, not really wanting to talk to her.

SABRINA

Dad makes too much. Just over the minimum. The cut off point is thirty five thousand.

Jason is very animated as he waves his hands while he talks.

JASON

Mm hmm...That's just what happened to me. My mom made just over the minimum and I had to take out a loan. Oh, My, God... they keep hounding and hounding me, you'd think they thought I was born with a spoon in my mouth or somethin! I owe at least sixty thousand dollars and I have absolutely no idea how I'm gonna pay it back. Oh, my, god!

DENISE

You be careful with those loans dear. They'll put you in the poor house for sure.

JOSEPH

That's unbelievable. We're not eligible for a grant and we're still struggling. That's just enough for me to put food on the table and keep a roof over our heads.

SABRINA

More bad news. I need a dress for the contest. I'm going.

Jason claps his hands elated.

JASON

You're going... that's great! Yay!!

JOSEPH

Now you're going? Last week you could care less.

SABRINA

That was before I knew our school was chosen by Seventeen Magazine to be in a contest. The best dressed couple wins the cover of the magazine and fifty thousand dollars. 25,000 each. I need that money to go to NYU.

Denise BELCHES again. LOUDER this time.

JASON

Ma...that's downright disgusting.

Jason fans the air in a grand fashion.

DENISE

Would you rather I farted instead? I can't help it. It's the broccoli. It's delicious.

Sabrina shakes her head in disbelief at Denise again.

JOSEPH

Okay, I'll allow you three hundred dollars, no more. That's all I can afford. You know money doesn't grow on trees around here.

SABRINA

I know daddy. Thank you. I should be able to find something with that. I'm gonna go to the mall tomorrow and look around after school.

JASON

You know I could make you a dress. I am somewhat of a gem if I may say so myself. I won second place in the school dress pageant at my school.

Jason stands up in a grand fashion showing off his pink T shirt.

JASON

I made this. Isn't it fabulous! Girlfriend, I could work wonders on you!

Sabrina's eyes grow big in shock.

SABRINA

That looks really nice Jason but no thank you... I'm gonna go to the mall with my girls, find something there...

JASON

Maybe I could go shopping with you? I just love dress shopping.

SABRINA

That's okay. You don't wanna be there. We're gonna be there all day.., night. It's complicated.

Sabrina gets up and trips over the chair, stumbling... An awkward moment then...she gets up and kisses her father on the cheek.

SABRINA

Well night you guys, gotta do my homework.

DENISE

Good night baby.

JASON

Caio...

SABRINA'S BEDROOM - NIGHT

Sabrina is laying across her bed talking on her laptop on a skyweb video to Jacky and Kat. We see them on the screen.

SABRINA (On Laptop)

Hey guys. We're competing in that contest.

KAT (on laptop)

We are?

SABRINA (on laptop)

Yeah. I need that twenty five thousand dollars to go to NYU. I need the money for my tuition.

JACKY (on laptop)

Do you think we can win?

SABRINA (on laptop)

I don't know but we can try. It says best dressed couple, not the prettiest girl or boy. If we buy the prettiest dress we'll have as good of a chance as anyone else. Plus it'll teach Tesa and her crew that we're not a bunch of losers. You in?

KAT (on laptop)

Well yeah, I guess.

JACKY (ON laptop)

I'm in hum dinger.

SABRINA (ON laptop)

Great, we'll go to the mall tomorrow and look for dresses. See ya tomorrow.

Jacky digs in her nose and the other girls see her.

SABRINA
That's disgusting.

Jacky rubs it on her shirt.

JACKY
Oh...sorry.

Sabrina shakes her head and closes her laptop.

INT. MALL - DAY

The three girls walk through the mall looking at the clothes in the window.

Sabrina squeals a mini scream.

SABRINA
Ooh! We're actually buying dresses. I can't believe it!

SERIES OF SHOTS -

The girls go into several stores trying on different dresses. They pose in the mirror, trying to look like stars...

STORE

Jacky comes out of the dressing room with a dress on. She poses in the mirror.

JACKY
This is so hot! I look like Taylor Swift... don't I?

SABRINA
Yeah... sure.

JACKY
Move over Taylor, Jacky's here. I'm gonna get it.

SABRINA
Delusional.

STORE

The three girls walk into another store. Jacky has her dress in plastic over her shoulder.

STORE

Sabrina strolls around. Kat comes out of the dressing room with a dress on. It's yellow and Kat's breasts are spilling out. She's looks like a double D.

KAT

Miss America wore something like this to the music awards. What do you think?

SABRINA

(surprised)

You're so...huge. You look like a pregnant cow.

Kat shakes her big breasts from side to side in the mirror.

KAT

(singing)

My milkshakes, bring all the boys to the yard. Look out Sofia Vergara, Kat's in the house.

Sabrina continues to look around at the dresses. She looks up and sees this mannequin wearing a beautiful dress.

Sabrina's eyes freeze. She rubs her hands across the fabric.

SABRINA

This is it! This is the dress.

Kat walks up wearing her dress.

KAT

What?

SABRINA

This is the dress I'm gonna wear.

KAT

Who is it by?

Sabrina looks at the label.

SABRINA
 Mark Lablont. Oh my goodness, a Mark
 Lablont dress. This is amazing.

KAT
 He's expensive. How much is it?

Sabrina looks at the price tag.

SABRINA
 Five hundred dollars. Oh my god, help
 me, I think I'm gonna pee on myself.

Sabrina fans the air trying to stay calm.

KAT
 Five hundred dollars! You're gonna pay
 that much for a dress? My dad would kill
 me.

SABRINA
 He just has to get it for me. He just
 has to.

Jacky walks up with her dress in the plastic.

JACKY
 What's going on?

KAT
 Sabrina found a Mark Lablont dress for
 five hundred dollars.

JACKY
 You go girl. You really wanna win this
 thing, don't you.

SABRINA
 I'll just ask my dad for the rest of the
 money and see what he says.

JACKY
 And if he says no?

SABRINA
 I don't know... I'll kill myself.

JACKY
 Suicide? I tried that on my mom last
 year over that car I wanted, remember?

SABRINA
 Oh yeah. I forgot, what happened?

JACKY

Well I'm still here and I didn't drive us here now did I?

INT. BATHROOM - DAY

Sabrina's in the bathroom listening to her ear phones. She plays air guitar as she gazes at herself in the mirror. Downstairs we hear Joseph come in.

JOSEPH (O.S.)

Sabrina!

Sabrina doesn't hear him and continues on. He calls out a little louder.

JOSEPH

Sabrina! You up there?

She hears him this time and takes off her ear phones and runs downstairs.

She has on some giant bunny slippers. The ears are as high as her knees.

LIVING ROOM

SABRINA

Yeah dad?

JOSEPH

I brought you an application for a school loan.

Joseph lays the application down on the table.

SABRINA

I don't want to go in debt if I don't have to, speaking of money, I found a dress.

JOSEPH

How much is it?

SABRINA

Oh not much. Just think with that dress I'll win that contest for sure. Oh I bought you a new pair of slippers. Your old ones were tearing up.

She hands him a box and kisses him on the cheek.

JOSEPH

Well thank you honey. How much is the dress?

Sabrina muffles her mouth so he can't hear her.

SABRINA

Five hundred.

JOSEPH

What?

This time she says it louder so he can hear her.

SABRINA

Five hundred.

JOSEPH

Five hundred dollars! Are you crazy!?
You really think...

She mouths the words with him.

JOSEPH

Money grows on trees around here. I told you three hundred dollars was your max. If you can't find anything in that range then you just can't go.

SABRINA

But daddy, I looked high and low for a dress and this was the only one I found. It's gorgeous. And I know if I wore this dress I'd have a shot at winning that contest.

JOSEPH

I can't afford it, Sceekums. Sorry.

SABRINA

Okay. I understand. Thanks anyway.

Sabrina runs upstairs.

ROOM

Sabrina sits looking at herself in the mirror. She sucks on her braces as she adjust her glasses.

SABRINA

I wish I was pretty like the other girls. I'm just a big chubby geek. What am I gonna do now Spidey?

She rubs her hand across the mirror as if she were wiping her face clean.

She grabs Spidey and puts him in the bed with her and hugs him.

INT: HALLWAY/SCHOOL - DAY

Tesa turns and is looking at herself in the mirror. Deidre and Andrea are there.

TESA

I can totally see me now. On the cover.

DEIDRE

Not so fast... it's says the best dressed couple. Hello, I have a pretty good figure if I may say so myself.

Deidre touches her body up and down showing off her figure.

TESA

You call that a figure? Plus it says best dressed couple you dweeb. You need a date to enter and you don't have one.

DEIDRE

I'll get one.

TESA

Who are you gonna ask? All the cute guys are taken.

ANDREA

Josh is available.

TESA

I haven't been broken up with him for a week and you're already crawling after him? Some friend you are.

ANDREA

Sensitive. I think you're still in love with him. Are you sure you're finished with him?

TESA

Of course I am you deadbeat. David's my boyfriend now. Look out Seventeen Magazine, here we come.

Tesa looks ahead not as confident as she normally is.

HALLWAY/SCHOOL

Sabrina sees Tesa coming up the hallway. She presses her lips together getting ready for the confrontation.

SABRINA

Hey Tesa, guess what? Me and my girls are entering that contest after all.

TESA

Oh really? I'm surprised. Well don't count on winning. That's reserved for us pretty girls.

SABRINA

Ha, ha, ha. May the best man win.

TESA

I plan to.

Tesa rolls her eyes and leaves. Sabrina gets a book out of her locker.

SABRINA (V.O.)

I need to find a date. Who can I ask?

She scans the hallway then looks at RALPH, a geeky looking guy with long hair. Clearly a loser.

SABRINA (v.O.)

Maybe he could be my date.

At that moment Ralph digs in his nose and rubs it on his shirt.

SABRINA (v.o)

That won't work. Next.

She scans the hallway again. A sea of KIDS. Then she sees BANER, a Mexican boy with a crew cut.

SABRINA (v.o.)

He's available. Maybe I can ask him?

Baner spills his soda all over himself.

SABRINA (v.o.)

Scratch.

BILLIAM a really tall skinny boy 6 ft. 4 with a bowl cut and buck teeth comes walking up the hall.

SABRINA (v.O.)

Not quite my type. I need to find someone who'll look good in a tuxedo. Someone I would have a chance at winning with?

At that moment she looks and sees Josh standing there talking to his friends. She gets the "aha" moment in her eyes.

HALLWAY/SCHOOL

Sabrina walks down the hallway. She turns into her next class and takes a seat in the middle of the room, next to Abe.

He's crazy about Sabrina, who feels sorry for Abe because he's such an outcast so she sticks up for him whenever she can. Class Bully GRANT sits nearby.

ABE

Hey Sabrina look what I got.

GRANT

What you got there, stinky boy?

Grant grabs the magazine and looks it over.

GRANT

An X-Men fan. Figures. Still reading comic books. Fanboy loser.

SABRINA

Give it back Grant.

Grant

Say please?

SABRINA

Give it back.

GRANT

Gaytard. My little brother reads this and he's seven. You're still a baby...look at the retarded little baby...

Grant laughs and throws the book back to Abe. Sabrina takes the comic from Abe.

SABRINA

When did you get it?

ABE

Yesterday. It's the latest one out. I ordered it online.

Sabrina flips through the pages and reads really fast. She loves it. MR. TUSKY calls attention to the class.

MR. TUSKY

Okay class it's getting close to your science project dead line. I want to pair you up in two's so you can get started. Helen and Barry, Veronica and David, Karen and Dempsey and Sabrina and Abe.

ABE

Wow. He put us together. That's cool.

SABRINA

(sarcastic)

Yeah... that's something.

MR. TUSKY

Harry and Marcy, John and Katelyn and William and Teresa. I want all of you to get started right away. You only have two weeks to complete this project. I know you're preoccupied with the contest and all but this is our last project of the year so do a good job.

The bell rings and Sabrina and Abe walk out together.

HALLWAY/SCHOOL

ABE

I have a great idea on what we can do. We can show them my space shuttle.

SABRINA

You're good at this kinda stuff. You gonna work for NASA one day?

ABE

That's my dream to be an Astronaut. And you can be right there with me. Friends til the end?

Sabrina looks down, sadness is in her eyes.

SABRINA

Sure Abe. Friends til the end.

Sabrina takes off his glasses and rubs them clean and puts them back on his face.

The two of them gaze at each other for an awkward moment. Then Sabrina breaks the silence.

SABRINA

Well okay, see ya...

Sabrina walks away and Abe watches her go.

SCHOOL LUNCHROOM

Sabrina, Kat and Jacky are eating lunch.

SABRINA

So, hey guys, did you get the email? We have to send a picture in for the contest of us in our best pose.

JACKY

Let's take a picture now.

Sabrina takes out her camera and the three of them pose. They ask Abe walking by to take the picture.

SABRINA

Abe, take a picture of us.

The girls make three wild poses. Abe snaps the picture.

SABRINA

The winning picture.

JACKY

So hum dinger, when are we going out for the Go Green Club?

SABRINA

Later this week. Oh, I got us new T-shirts. Look.

Sabrina takes a white T shirt with green trees all over it out of her bag. It has their three faces on it.

JACKY

Maybe we can be the new version of the Pussycat dolls?

SABRINA

Without the pussy...

Sabrina smiles big.

KAT

Cute...

At that moment Mariah Carey's song comes on over the intercom.

KAT

Oh this is my song.

Kat starts to sing along. Her singing is high pitched and she's way off key again. Sabrina jumps in.

SABRINA

Kat! Can we just listen to Mariah's version.

KAT

I sound just as good as she does. Better get my autograph now before I blow up.
Meow!

Kat smiles big.

SABRINA

Don't make me laugh.

Kat's smile fades.

KAT

Haters. So what did your dad say? Is he going to buy you the dress?

SABRINA

No. I'm going to have to do something to raise the money. Any ideas?

JACKY

Nope. Did William say yes?

KAT

Yep! woo hoo!

SABRINA

And you and Kevin are going, right?

JACKY

Yep. We're on. Did you decide who you're going with?

SABRINA

I'm gonna ask Josh. I'm gonna go for it.

KAT

Ooh! He's the cutest guy in the school.
I'm impressed! What makes you think
he'll give you a chance?

SABRINA

I don't know... Just thought he'd look
good in a tuxedo as my date...

JACKY

When are you going to ask him? Can I
watch?

SABRINA

No. I have to build up enough nerve...
I'm scared. What if he says no?

KAT

What if he says yes? You would be the
envy of every girl in school.

SABRINA

I would be, wouldn't I?

JACKY

Tesa would be so pissed. That would be
so sweet. When are you going to ask him?

SABRINA

Today. Wish me luck.

TABLE

TESA

Hey, guess what we're gonna do? Seventeen
needs a picture for the contest, we're
gonna take a picture of Sabrina in a
compromising position and send it in.

DEIDRE

Fab. She'll look like an idiot.

TESA

That's the idea.

The girls slap hands.

The bell rings.

Sabrina looks over and sees Josh leaving the lunchroom
and she follows him out and down the hallway. He's
laughing with a buddy of his.

HALLWAY - CONTINUOUS

Sabrina waits until his friends leave then she approaches him.

SABRINA

Hey Josh, congratulations on winning that swim meet last week.

JOSH

I was the favorite to win so it all worked out.

Josh shakes his head confidently as he eyeballs a group of cheerleaders coming down the hall. Josh looks at how beautiful Tesa looks and gets weak.

JOSH

Hey Tesa.

Tesa rolls her eyes and ignores him.

JOSH

Witchy poo.

Josh watches Tesa walk away. Sabrina sees Josh get all worked up over Tesa. Sabrina adjusts her glasses.

JOSH

What were you saying?

SABRINA

I had something I wanted to ask you but it can wait.

JOSH

Okay, see ya.

SABRINA

Yeah...see ya.

Josh walks away and Sabrina's heart drops to the floor. She walks off slowly down the hallway.

Josh continues on walking, meeting up with LAMONT and Kale. Kale has some panties on his head. He howls like a wolf.

KALE

Ow!!!

LAMONT

Whose are those?

KALE

Your moms. She gave em to me last night after she was begging me for more. She was sweeeet!

Kale looks and sees Tesa walk down the hall.

KALE

You can't let her go just like that, dude. What about the contest? You and Tesa would sure be a hard couple to beat.

JOSH

Don't you think I know that. She thinks she's the shit. I hate that.

KALE

She is dude.

JOSH

I'd have to win her back.

KALE

Maybe you could make her jealous. I saw you talkin' to Sabrina... What's up with that?

The guys tease him.

LAMONT

Dude you're going for the nerdy type now? What's up?

The guys laugh.

JOSH

No way. She's just a nice girl... I am a gentleman, you know.

KALE

She does look a little eccentric, with those glasses dude...

JOSH

I kinda like her. She's nice, friendly, and she hasn't been with a lot of guys.

KALE

Hey she just might be a virgin. When was the last time you had virgin pussy?

JOSH

When was your first time you had virgin pussy?

KALE

Ha, ha, I'm laughing so hard my balls are aching.

All the guys laugh. A light goes off in Josh's eyes.

JOSH

Hey, I got it. Tesa won't talk to me since we broke up, but I remember a long time ago she used to be ugly.

KALE

I remember that. Yo, nobody would talk to her. Boy when she hit thirteen she just blossomed. I mean, she grew those big bazookas, the blond hair, bang and now she's the finest chick at school.

JOSH

Yeah but before that her and Sabrina used to be friends and she told me that Sabrina dated one of her boyfriends behind her back. Check it out, maybe I can ask Sabrina to go out with me to the prom and make Tesa jealous.

KALE

If Tesa's still mad at Sabrina for going behind her back that might work.

JOSH

Tesa would be so pissed. It would be like Sabrina stealing her boyfriend all over again. Yeah!

KALE

You're willing to risk losing Tesa forever by asking Sabrina out?

JOSH

I'm not going to lose Tesa. She's just gonna get a little jealous. As a matter of fact, I want Tesa to be there when I ask Sabrina out. How you like me now?

KALE

Dude, this is not going to end well.

JOSH

As long as I get what I want, that's all that matters.

KALE

Don't say I didn't warn you.

INT. SABRINA'S FRONT DOOR - DAY

Jason knocks on the door. Joseph answers. He has on a bright yellow beaded top, tight white jeans and a yellow and white sequins hat to match.

He looks like a flaming queen. Joseph has on an apron and giant chefs hat.

JASON

Smells delicious in here, you must be chef Ramsey's twin brother!

JOSEPH

I'll give him a run for his money that's for sure. Thanks for coming by, I need your help. You know Sabrina has that contest coming up and I want you to make her a dress. It's a surprise and I want it made to look like one of Mark Lablont's dresses. Do you know who he is?

JASON

Of course I know who he is. I didn't just land here from the moon you know. Jeez! I am ""le creme"" in cream of the crop! Now I brought some magazines so we can take a quick see.

Jason walks over to the table in the dining room and pulls out a magazine.

JOSEPH

That looks nice. Maybe you could do something like that?

JASON

Hideous! No one wears Tracy Moore's designs but freaks. Here's Mark Lablont, the real deal. Ugh! Isn't he fantastic?

JOSEPH

Wow! I see why she's so hooked on this guy. I just can't afford him. I'm trying to save some money on this thing so if you can help me out I'd appreciate it.

JASON

Look, I'll do you a fave since you're so nice to my mom. I'll make this dress for you for free pops.

JOSEPH

For free? Wow. That's really nice of you. I can't wait to see it. Maybe you can put some sequins on it? Yeah, lots of sequins. That'll make it look real fancy.

JASON

Um, okay! Sequins it is.

JOSEPH

Then it's set. Do you think you can have it ready by Friday?

JASON

Do you have her measurements?

Joseph hands him a piece of paper.

JASON

Alrightee pops. See you on Friday. Tootles.

Jason leaves in a grand fashion.

EXT. PARK - DAY

Sabrina, Kat and Jacky all have on their Go Green Team white T-shirts.

They have some trees in the back of a truck and the three of them are getting ready to plant them.

Some flies buzz around Sabrina. Jacky smells the air.

JACKY

Are you wearing that perfume again?

Sabrina's busted.

SABRINA

I love lemon. It's my favorite.

JACKY

So do the flies. Okay that's it, your new name is stanky ass wanky.

SABRINA

No, give me another chance, I'll stop. See I'm throwing it away.

Sabrina takes it out of her pocket and throws it away.

They all turn around and see the ground is full of mud.

SABRINA/JACKY/KAT

Oh no!

TREE

Tesa and Deidre are hiding behind a tree with a camera.

BACK TO Sabrina, Jacky and Kat.

JACKY

This is disgusting.

KAT

We can't plant trees in this.

Sabrina sees the ground is a mess but she tries to be optimistic.

SABRINA

Sure we can. The ground is easier to dig up.

Sabrina takes a step and is ankle deep in mud.

JACKY

This feels like totally being emerged in cow dung. Ooh, it stinks too.

She shakes the mud off her foot.

SABRINA

We're not going to let a little shit smell stop us, are we?

Jacky looks at Kat.

KAT

I guess not.

Jacky takes a step in the mud, then Kat does too and they are both ankle deep in mud.

SABRINA

This reminds me of the time I stepped in that dog poo and tracked in all over the school remember? Those shoes still smell like ass.

JACKY

I remember, diarrhea style.

KAT

Enough of the boo boo jokes alright?

SABRINA

Okay, bring that tree over here and hand me the shovel.

Jacky gets the tree and Kat hands Sabrina the shovel.

Kat accidentally flings mud on Jacky and it splashes on her chest.

KAT

Oops! I am so sorry!

JACKY

(angry)

That's okay. It's only my last go green T shirt!

SABRINA

Don't get upset, I'll get you another one.

Sabrina takes another step in the mud, loses her balance and falls down on her face. All three girls laugh.

KAT

Now that's funny. You okay?

Kat and Jacky rush to pick her up. Mud is SPLATTERED on her glasses.

SABRINA

I'm fine. I just look like Mrs. Piggy.

Sabrina THROWS some mud on Jacky and Jacky throws some back...

The girls get into a mud fight and mud FLIES everywhere...

TREE

Tesa snaps pictures like crazy while laughing.

TESA

This is great!

BACK TO Sabrina, Jacky and Kat.

SABRINA

We look ridiculous!

KAT

I thought we came out here to plant trees. What are we doing?

SABRINA

Okay girls let's get serious. Hand me that tree.

Jacky hands her the tree. Sabrina plants it in the hole.

SABRINA/KAT/JACKY

We did it!

All three girls applaud and give each other the high five.

SABRINA

The world is a better place because of us!

A filthy homeless MAN with a shopping cart walks up. He has a Pakistan accent.

HOMELESS MAN

Can you help me out with some change?

SABRINA/KAT/JACKY

Noooo!

SABRINA

Sorry! Want some candy?

He smiles and has one front tooth.

Homeless man

No thanks. Tummy ache.

A truck backs up with a load of dirt in its bin. The DRIVER doesn't see Sabrina and her friends, he loses control and accidently DUMPS the dirt on them.

100 lbs. of dirt COVERS the three girls. Sabrina wipes the dirt from her eyes and face.

SABRINA

(shouting)

Are you serious!

Jacky

Oh, they be serious.

A WOMAN walks around from the front of the truck. She has on glasses, red hair and a flowery blouse.

Mrs. Colby

Sorry bout that. We didn't see you. You okay?

SABRINA

I'm fine. Just a little dirty.

MRS. COLBY

Hi, I'm Mrs. Colby, me and my partner Ralph work for the city, and you?

SABRINA

Colby? You wouldn't have a son named Josh by chance?

MRS. COLBY

I sure do. He goes to Douglas high. He's a senior on the swim team.

SABRINA

I know your son! I go to Douglas high too. Isn't this a coincidence.

MRS. COLBY

So you know my son. That boy drives me crazy. So what are you doing out here?

SABRINA

We're the Green Team. It's an environmental group we put together that plants trees all over the city.

MRS. COLBY

Why that's wonderful. We have a contract with the city to fill the parks holes with dirt. Maybe I can get you some other venues to plant your trees?

SABRINA

That would be great. We would love that.

MRS. COLBY

I like you. You're a nice girl. I'll tell Josh I saw you. Well we have to finish up here. Nice to have met you.

She walks away.

SABRINA

Did you hear that? This is fantastic. She's gonna tell Josh all about me.

JACKY

So. He'll never go out with you. Silly goose, come on, Giget. Let's get outa here.

EXT. HOUSE - DAY

Sabrina walks up. Still drenched in mud and dirt, she turns the key in the door and walks in.

LIVING ROOM

Sabrina's face has dirt on it.

JOSEPH
Hey baby! What happened?

SABRINA
Let's just say everything that could go wrong, did go wrong.

JOSEPH
You look terrible. What happened to your clothes and what's wrong with your face?

SABRINA
(trying to look sad)
A truck accidently dumped dirt on us.

JOSEPH
You look like some kind of dead raccoon. Maybe I can cheer you up. I made your favorite dish... spaghetti!

SABRINA
No thanks.

JOSEPH
Guess what? I met with Jason and he's going to make you a dress for the contest for free.

SABRINA
Jason. Wow. Okay...

JOSEPH
I tell you those gays are the best. I don't know where else I might get a deal like this. He's agreed to make you a dress that looks just like a Mark Lablont style. Isn't that great? I'm gonna save a lot of money on this. Bingo, then I'll be able to catch up on some bills around here.

SABRINA
(sarcastic)
Fantastic. I can't wait to see it.

JOSEPH
 You're going to be impressed. Just wait
 and see.

Sabrina slumps down.

JOSEPH
 You sure you don't want some spaghetti?

SABRINA
 I'm sure.

Sabrina leaves up the stairs and Joseph calls up to her.

JOSEPH
 If you change your mind let me know.

Sabrina marches up to her room and closes the door.

ROOM

Painted on her ceiling are thousands of stars as she
 begins to day dream once again. The fantasy begins.

FANTASY SEQUENCE:

EXT. CASTLE - DAY

A beautiful carriage decked out in white flowers pulls up
 to Sabrina's castle. Angels are swirling everywhere in
 the air. Hearts dance around too.

A thinner Sabrina stands there in her special white Mark
 Lablont dress looking stunning. She doesn't have on her
 glasses and looks beautiful.

Josh gets out of the carriage carried by horses all
 dressed up in a white tuxedo. He trips and falls into
 Sabrina's breast, squeezing them with his hand.

JOSH
 Sorry bout that? You ready my love?

SABRINA
 Yes darling.

Sabrina gives him her hand and he kisses it.

He goes to grab her head to kiss her and her long hair
 weave gets caught in his hand.

JOSH
 You lost something.

SABRINA
I'll take that.

FANTASY OVER: BACK TO SCENE:

Sabrina gazes up at the stars on her ceiling. She looks at Spidey and hugs him.

SABRINA
One day Spidey, one day.

INT. HALLWAY/SCHOOL - DAY

Sabrina has a table full of friendship bracelets. They're multicolored and very pretty.

SABRINA
(yells out)
Friendship bracelets! Friendship
bracelets! I made them myself.

A black girl TRACY with braids walks up to the table.

TRACY
Dang, they sho is loud. That's way too
many colors for me.

SABRINA
The colors would look great on your skin.
See?

Sabrina holds a yellow bracelet next to her arm. Tracy crosses her eyes.

TRACY
I like! Now you talkin! I'll take two.
Uh... I ain't got no money. Can I pay
you later?

SABRINA
Sure.

Sabrina hands her the bracelet and she walks away.

TRACY
Thanks.

SABRINA
Don't forget.

Sabrina half smiles. Kat and Jacky walk up.

KAT

What are you doing out here?

SABRINA

I still want that Mark Lablong dress and I need to raise the money for it.

JACKY

These are pretty. How many have you sold?

SABRINA

One. Sort of...

KAT

At that rate, you'll be able to buy your dress by 2020. See ya!

JACKY

Later.

They walk away.

Tesa, Deidre and Andrea are in the hallway. Tesa and her girls slap hands and laugh.

At that moment Deidre blows a spitball and it hits Sabrina in the face.

SABRINA

Who did that?

All three girls just laugh and walk away.

SABRINA

One day someone's going to get you back.

Sabrina rubs the white spitball off her face. She puts the bracelets in a bag.

GRANT walks up to Abe's locker with a couple of his FRIENDS.

Friend

That's his there.

GRANT opens Abe's locker, unzips his pants and pees in his locker. Abe walks up.

ABE

What are you doing?

GRANT

What does it look like, I'm cleaning your locker numbnuts. You should really keep it a bit more tidy. This will help keep you dry.

Grant hands him a colorful miniature umbrella.

All the guys LOL. Abe is crushed. Sabrina's eyes bulge when she sees Grant zip up his pants.

SABRINA

Why did you just do that?

GRANT

I felt like it. What are you gonna do about it sweet cakes?

Sabrina gets up in his face and points her finger at him.

SABRINA

I think you're a big fat bully and I'm going to report you to the dean.

GRANT

Go ahead. I could care less squirrel face.

All the guys laugh.

GRANT

Let's leave him with his girlfriend.

GUY

Yeah, the Astronaut wanna be.

Grant and his friends laugh and walk off. Abe picks up his book with two fingers. It's wet with pee.

Abe

How was your day?

SABRINA

Fine. Are you okay?

ABE

Yeah. Uhh...I was wondering if I could join your Go Green Team club. I really like the environment and I just love trees...

SABRINA

Well, that group is just for us girls. I mean we never thought about letting anyone else in...

ABE

I need an outside activity. Working with the environment would be good to go on my resume for college. Come on Brina...

Sabrina thinks about it... Feeling sorry for Abe she gives in.

SABRINA

Well... I'll talk to the girls and see what they say.

Kat and Jacky walk up.

Jacky

You ready?

SABRINA

Hey guys. Guess what? Abe wants to join the Go Green Team. What do you think?

Kat and Jacky look at each other shocked. They wave Sabrina over.

SABRINA

Excuse me Abe.

Sabrina walks over.

JACKY

We're going to let that nerd bomber join our club? I thought it was private, you know just us.

KAT

Yeah. Plus everyone shuns him like he's an ex Mormon that smells like pee or something.

SABRINA

Be nice. He's really hurting you guys. The kids are giving him a really hard time. Have a heart, what do you say?

JACKY

...Okay, we'll let pee boy in.

SABRINA

Great.

Sabrina turns and walks over to Abe.

SABRINA
You're in. We're on our way out now.
Wanna go?

ABE
Sure.

EXT. SENIOR CITIZEN HOME - DAY

Jacky drives up with Sabrina, Abe and Kat in the truck. The back is full of trees. The truck stops and they all get out.

Elderly PEOPLE are sitting out in front of the home.

SABRINA
Josh's mom hooked us up for this gig so ladies don't blow it. I think she's gonna be here.

An old MAN in his robe walks up. He's hard of hearing so his voice is a little loud. His penis sticks out under his robe.

OLD MAN
Hey! You're going to plant those here?

SABRINA
Yep. Is that okay with you?

Sabrina looks down and her eyes grow big.

OLD MAN
What do I care? This place stinks anyway. You're the prettiest thing I've seen all month.

He grabs her cheek and squeezes it really hard.

Sabrina slaps his hand.

SABRINA
You think you should be out here like that?

OLD MAN
Like what?

Sabrina points down.

OLD MAN
 (singing)
 Oh!!! Oh that, where's my daisy. It's
 time!

He shuffles back into the rest home.

SABRINA
 Okay Abe, get the shovel and bring those
 trees over here.

Abe goes over to the truck and gets the shovel and grabs
 a tree. He brings it over to the dirt area.

DIRT AREA

Sabrina begins digging a hole. Kat and Jacky stand by
 watching. Suddenly a snake crawls up and is staring
 Sabrina down. Sabrina sees it and screams!

SABRINA
 Ahh! A snake!

Abe
 Where?

SABRINA
 Right there. Ahhh!!!

Sabrina points to it and jumps back. Abe bends down and
 grabs it by the tail and picks it up.

ABE
 What should I do with it?

KAT
 Don't kill it.

SABRINA
 Throw it over there?

Sabrina points to the wooded area across the fence. Abe
 takes it and throws it over the fence.

ABE
 What would you have done if I wasn't
 here?

SABRINA
 Screamed like hell and ran like a crazy
 woman! Thanks Abe. You're a life saver.

KAT
 (to Jacky)
 At least we don't have to carry those
 heavy trees anymore.

JACKY
 Yeah, we have our very own personal
 slave.

Sabrina overhears them.

SABRINA
 Guys be nice.

Abe walks up. Sabrina hugs him.

SABRINA
 Thanks. You saved me.

Abe's eyes flare open in shock from the hug.

SABRINA
 Okay, now put the wood in the hole.

ABE
 Um, what now?

SABRINA
 Plant the tree.

ABE
 Oh! Right! Duh

Mrs. Colby walks up.

SABRINA
 Hey you're here. It's good to see you.

Sabrina kisses her on the cheek.

Mrs. COLBY
 So how are things going? Did you plant
 the trees yet?

SABRINA
 We're just about to do it now.

Two elderly WOMEN and a MAN come outside.

WOMAN 1
 Hey, what are doing with those trees?

SABRINA
 We're planting them. Wanta help?

WOMAN 1

Sure. We'd love to.

The two women walk over and begin helping.

WOMAN 1

This is so much fun. Thanks for asking.

BENCH

The man sits down and is smoking a cigarette. Sabrina observes the no smoking sign.

SABRINA

You sure you should be smoking? That's not good for your health. Plus there's a sign.

MAN

Mind your own business.

He takes a long draw and blows the smoke in her face. His girlfriend comes out and sees Sabrina standing in front of her boyfriend.

ELDERLY WOMAN

What are you trying to do? Steal my boyfriend?

The elderly woman pushes Sabrina. Sabrina's eyes buck out shocked.

SABRINA

No, I was just telling him...

ELDERLY WOMAN

Man stealing floozy! And what are you doing with those trees? Put them back in the ground, ya God damn thieves!

SABRINA

Uh oh... We got a crazy. We're not stealing them ma'am were planting them.

ELDERLY WOMAN

Put them back right now before I call the freakin' police!

The elderly woman takes her cane and starts swinging it at the them.

ELDERLY WOMAN

Get out of here, you scum bags!

The elderly woman chases Sabrina around the yard. She has a lot of energy for an old biddy and runs around like a teenager.

SABRINA

Oh my God! What have they been feeding you? Wait... you don't understand!

Sabrina ducks and gets out of the way.

ELDERLY WOMAN

Get out, I say! Walking dead loving freaks! I don't trust none of ya!

SABRINA

Someone get her. Call the guard.

ELDERLY WOMAN

They're all on break.

Sabrina is being chased by the elderly woman as she swings her stick at her.

SABRINA

Abe plant that tree so we can get out of here.

In the background we see Abe sneak back over and pat the last piece of dirt over the tree.

Suddenly the old woman jumps on Sabrina's back and puts her hands over Sabrina's eyes. They go around in circles.

SABRINA

Ahhh! Help! Help!

They fall to the ground. The elderly woman is on top of Sabrina and she takes a taser out of her pocket and shocks Sabrina. Sabrina shakes uncontrollably.

SABRINA

Ahhh!!!

ELDERLY WOMAN

That should teach ya.

A SECURITY GUARD runs in with a bucket of water and throws it in Sabrina's face.

She's soaked. They grab the old biddy as she fights them.

SECURITY GUARD

What are you doing here?

SABRINA

We got approval to plant some elm trees here and she went crazy on us.

SECURITY GUARD

You have to excuse them. Sometimes the medication has an adverse reaction.

SABRINA

I see. Enjoy the new Elm tree and next time I hope they cut way down on her medication. She can't handle it. Bye Mrs. Colby.

All four of them hop in the truck and speed off.

EXT/INT. TRUCK - DAY

JACKY

Next time we should carry a machine gun and blow em all to pieces like mince meat...

Everyone looks at Jacky crazy.

Jacky

I'm just saying...

Abe

Deal.

EXT. STREET - DAY

Sabrina has a table set up. She's selling vintage hand bags.

SABRINA

Hand bags for sale. Come and get em.

Kale drives up and roles down the passenger window.

KALE

Guess what I heard?

SABRINA

Hey Kale. What?

KALE
I heard that Josh is going to ask you to
the prom.

SABRINA
Serious?

KALE
I wouldn't lie.

Kale speeds off. Sabrina smiles in tenth heaven.

STAIRS/ROOM

Sabrina walks upstairs and moves into her room. She slumps down on the bed and puts the TV on.

She grabs her book bag and takes out some potato chips and crunches on them. The phone rings. She answers it.

INTERCUT:

SABRINA
(on phone)
Hello?

ABE
Hey, I thought we were getting together tonight.

SABRINA
Oh I forgot. You still wanna do it?

ABE
Sure.

SABRINA
Okay I'm on my way.

Sabrina grabs her purse and makes her way down the stairs.

LIVING ROOM

SABRINA
Dad, I'm gonna go over Abe's house to study for our science project.

JOSEPH
Okay. Don't stay out too late.

INT. ABE'S HOUSE - EVENING

Sabrina knocks on the door. Abe answers, dressed in his usual pants up to his ankles, shirt and bow tie with glasses.

ABE

Welcome to my humble abode.

SABRINA

Thank you, thank you. And where's this terrific space shuttle?

ABE

Follow me.

ABE'S ROOM

They walk around the corner into Abe's room. It looks like one science project after another all piled up on top of each other.

You can tell this kid wants to be a scientist when he grows up. On his ceiling is a map of the solar system with colored lights on each planet.

Abe picks up the space shuttle and shows it to Sabrina.

SABRINA

This is so cool. How did you make it?

ABE

Well it's not quite finished. I need to connect the motor. I can't seem to get it to work.

Sabrina takes an electrical tester out of her bag and test the wires.

SABRINA

Here's your problem. You need to connect these three wires and it should work just fine.

Sabrina connects the wires.

SABRINA

That mechanics class came in handy. Now try it.

Abe grabs the controller and presses the on button. The machines lights up.

ABE
You fixed it. Thanks.

It begins to vibrate back and forth. Smoke comes out of the exhaust system.

Creeping inch by inch we see the shuttle rise six feet into the air, then lowers back to the floor.

SABRINA
That's amazing!

ABE
Wish everything came that easy. I still haven't ask anyone to the contest yet.

SABRINA
Did you have anyone in mind?

ABE
Actually, I did...

SABRINA
You better hurry up, contest is next week. What are you waiting for?

ABE
Well I was a little nervous. You know I've never asked a girl out before.

SABRINA
Don't be nervous. You have to just...do it!

ABE
Well...what if I asked you? Would you go with me?

SABRINA
Oh... Well, I would but someone else has already asked me.

ABE
Who?

SABRINA
I don't know if I should say it or not. I guess I can. It's Josh.

ABE
Josh on the swim team? The same Josh that only dates cheerleaders and superficial women?

SABRINA

That's the one. Maybe he's changing over a new leaf. Maybe he's tired of dating the superficial type and he wants to date a nice girl now.

ABE

Right. Well, he's a lucky guy then.

SABRINA

Well thank you Abe. That's a sweet thing to say. Some girl is going to be very lucky to have you.

ABE

Yeah, sure... maybe I'll ask Stephanie.

SABRINA

Stephanie's a nice girl. I can't imagine her being unkind to you. Just pretend she's your assistant and everything will be fine. You know, have you thought about changing up your look? Maybe try and look like some of the other kids.

ABE

It crossed my mind. What about you? You dress different.

SABRINA

What can I say. I think I was born in the wrong time. I love eighties fashion. I guess we're just different like that.

ABE

Guess you're right.

SABRINA

Ugh, I can't wait. I have it all planned out. Josh will show up in a white carriage with carnations on it. I'll come downstairs in my Mark Lablont dress and we'll get in the carriage and ride off happily ever after and win the competition.

ABE

That's how you see it happening?

SABRINA

Yep. Just like that. Isn't it romantic?

ABE

I guess if that's what you want.
Hey you wanna play star ship?

SABRINA

Sure. How do you play?

Abe cuts out the lights, it's dark and on the ceiling is a map of lights.

He gets the controller and presses the button and the star ships light up one by one.

He gives the controller to Sabrina and she presses the button and the ships move around the room.

SABRINA

Thanks Abe. You're way cooler than you think.

Sabrina leans over and hugs Abe.

ABE

What was that for?

SABRINA

For just being you.

INT. KITCHEN - NIGHT

Mrs. Colby is eating at the table. Josh walks in.

Mrs. COLBY

So, I saw one of your friends at the park.

JOSH

Who?

MRS. COLBY

Sabrina Washington. She's a nice girl, I like her. Better than that Tesa.

JOSH

She's okay.

MRS. COLBY

Just okay? Why don't you go after a girl like that? She cares about the world, she's probably smart. You wouldn't have to worry if she's dating someone behind your back.

JOSH
She's cool.

MRS. COLBY
So why don't you date her?

JOSH
I don't know, I'm thinking about it.

MRS. COLBY
Good.

JOSH
I'm gonna invite her to that contest thing.

MRS. COLBY
Well, that's nice. I'm proud of you. You've finally decided to date a real woman.

He kisses her on the cheek...

JOSH
Right. Night mom.

...and leaves.

INT. LUNCHROOM - DAY

Sabrina stands in line to get her lunch. It's her turn.

SABRINA
The vegetables.

COOK
Bread?

SABRINA
Nooo!

Sabrina grabs her tray, looks around and finds Jacky and Kat and makes her way over. She squeals from excitement.

JACKY
Josh is gonna ask YOU to the contest?
There is a God!

Jacky screams really loud.

KAT
This is unbelievable! It's like
discovering plutonium. Wow!!

SABRINA
It's plutonium.

KAT
What?

SABRINA
Plu-to-nium. Forget it. He hasn't asked
me yet. Let's not jinx it. You'll be the
first to know when he does.

KAT
He is conceited and full of himself.

JACKY
Yeah, he thinks the world revolves around
himself.

SABRINA
A minor flaw. Everyone's got one.
Besides, he just so cute, I'll over look
his short comings.

Sabrina plays with her food.

KAT
Not eating. What's up?

SABRINA
I don't know.

Jacky
I know. You're trying to be like one of
the beautiful ones now. Now that Josh is
asking you out you think you're too good
for us now?

SABRINA
That's not it. Come on you guys.

KAT
You're turning into one of them.

SABRINA
Calm down. I'm not turning into one of
them. What it really is I don't know what
to do about my dress. I haven't raised
any money yet. My father's having a
friend of ours make me a dress for free.
I don't want to wait around for that.

I need something else to sell and I just got an idea.

Sabrina takes a deep breath and bites her apple.

HALLWAY/SCHOOL

Abe sees STEPHANIE, a pretty girl at her locker. Hesitantly, he adjusts his glasses and rubs his hair down. He doesn't have his bow tie on.

He gathers enough courage to walk over to her.

ABE

Stephanie?

Stephanie turns around.

STEPHANIE

Abe. What's up?

ABE

Nothin. I was a... wondering if anyone asked you to the contest?

Stephanie looks him up and down and shakes her head.

STEPHANIE

Are you asking ME out?

ABE

(nervously)

Yeah.

STEPHANIE

You've got to be kidding. No way. Everyone will think I'm a dweeb. I'm sorry, I can't go with you. Good luck.

Abe is crushed. His eyes well up and he begins to cry.

MENS BATHROOM

Abe runs into the mens bathroom and hides in the stall.

HALLWAY

Sabrina has a table set up of earrings.

SABRINA
Earrings! Earrings for sale! Original.
One of a kind.

Tesa is at the locker with her girls.

TESA
How much thought did you put into that
outfit today?

SABRINA
What's wrong with my outfit?

TESA
That print hasn't been in style since I
don't know when. This will dress it up a
bit.

Tesa takes out some ""string in a can"" and sprays it on
her blouse.

Then Tesa takes some rope and circles Sabrina wrapping
her up like a present. EVERYONE in the hall laughs.

Sabrina SCREAMS at the top of her lungs.

SABRINA
Why did you do that? Are you crazy?

All three girls laugh. Josh looks and sees the whole
scene.

TESA
I don't even know why you even get up in
the morning.

SABRINA
Ooh! ... you...ugly...haters.

TESA
Hate this, you walking disaster.

Tesa turns and shows her butt. All three girls laugh
again and leave. Sabrina takes the silly string from
around her body.

Josh looks at Sabrina. His eyes show he sympathizes with
her.

JOSH
Hey Sabrina, what's up?

SABRINA
 (nervously)
 Nothing. How are you?

JOSH
 I'm good.

JOSH
 Hey, Will you go to that contest thing
 with me?

Sabrina smiles big.

SABRINA
 Yes! I'd love to.

JOSH
 Great! I'll pick you up at seven.

SABRINA
 Okay.

Tesa sees them and runs off in a huff.

Josh strolls off down the hallway to his next class.
 Sabrina absolutely melts as she watches his every move as
 he walks away.

SCHOOL/HALLWAY

Josh walks up to Kale whose standing in the hallway.

JOSH
 I did it.

KALE
 Was Tesa there?

JOSH
 Yeah, she saw the whole thing.

KALE
 Can't wait to see how this will unfold.

They slap hands and laugh.

LATER...

SCHOOL/HALLWAY

Sabrina walks by and Tesa sees her.

TESA

So, did you get a date for the contest?

SABRINA

As a matter of fact I did.

TESA

So Josh did ask you?

SABRINA

Yep.

TESA

He'll probably dump you so watch out.

SABRINA

Can I ask you a question? Why do you hate me so much? We used to be friends.

TESA

I don't hate you. You're a nice girl and all but look at you. You totally let yourself go. You wear those thick weird glasses, you hang out with those loser friends of yours. You never bloomed. Not to mention you dated my boyfriend behind my back.

SABRINA

I never dated him. He liked me but I never responded to any of his advances. I know I don't look anything like you but that doesn't mean you have to be unkind to me. You could learn a whole lot from me you know... how to treat people. People want to be around nice people.

TESA

Whatever...

Tesa walks away.

INT. TESA'S BEDROOM - NIGHT

Tesa, Deidre and Andrea are sitting on Tesa's bed. Tesa is totally confused and crying.

TESA

I can't figure it out. Why would he want to go with her? She's an overweight troll of a loser.

DEIDRE

Maybe he's changing, you know? Going for a different kind of girl.

TESA

You think he's choosing a girl that's just the opposite of me?

ANDREA

I'm afraid so... I think nerds are in style now and she's in that Go Green club.

DEIDRE

She's nice, she's environmentally friendly. She hasn't been with a lot of guys...

Tesa hits her in the arm.

TESA

What are you trying to say, I'm a slut?

DEIDRE

No. It's just... she's green, you know, she's never dated anyone before.

TESA

She's probably a virgin. Just my luck.

DEIDRE

Maybe he's attracted to her freshness.

TESA

Yeah...right... we'll see about that. I'm going to join this Go Green club and see up close what she's all about.

EXT. STREET - DAY

Sabrina, Kat and Jacky are walking home. Josh and Kale are standing on the street.

Sabrina sees a homeless man. She goes in her bag and gives him a dollar. Josh watches her. He's impressed.

Kat and Jacky leave and Sabrina walks by herself. Josh sees her and catches up with her.

JOSH

Hey Brina?

SABRINA

Hey. Where are you going?

JOSH

Home. Can I walk with you?

SABRINA

Sure.

JOSH

Hey my mom told me she ran into you.

SABRINA

Yeah. She's really a nice lady.

JOSH

Cool. So, you excited about the contest?

SABRINA

Oh yeah. It's the most important moment of my life. Are you kidding me and you?

JOSH

Well I sure could use that money I'm not gonna lie.

SABRINA

Well you deserve it. You're a really good athlete and you're pretty handsome too.

JOSH

Thanks. What about you? You work pretty hard in school, you get good grades don't you? You're a straight A student?

SABRINA

Almost. But I do pretty well.

JOSH

And you're in that environmental group right? You plant trees and stuff. How's that go?

SABRINA

Well we have fund-raisers to get the money and we buy the trees and we pick different venues to go out and plant them.

JOSH

See, you're a good person. You deserve the money too.

SABRINA

Well okay we both deserve to win, but that doesn't mean we will.

Sabrina laughs and Josh takes a look at her for the first time.

JOSH

You're a pretty cool person. I don't know why we never got to know each other before.

SABRINA

Cause you were always chasing the pretty girls and girls like me... well, let's just say you never even knew I was alive.

Josh looks at her with new eyes.

JOSH

Of course I did. I'll admit it though. It seems as if I've been with Tesa forever.

SABRINA

Why don't you two go to the contest? You'd be a hard couple to beat.

JOSH

The more I think about it the more I know it's best we broke up. Tesa's really a selfish person. I'm tired of that. I want someone who's real and honest. Someone like you. Tesa and I had our day.

SABRINA

If you say so.

Josh looks at Sabrina with big eyes.

JOSH

Plus, I think I kinda like you. You remind me of a little yoda monkey.

SABRINA

Yoda monkey? Where'd you get that from?

JOSH

Star wars. He's a do gooder. He's short. You're short, you know...

SABRINA

That's crazy. I don't believe you just called me a monkey?

JOSH
It's cute, you know? Unique.

SABRINA
Say something nice now.

JOSH
You have a pretty smile, you care about
the world... you're fresh, I like that.

SABRINA
Okay...I'm embarrassed.

JOSH
Don't be. But I wanna know more about
you. What's your favorite movie?

SABRINA
Terminator 2, what's yours?

JOSH
That's mine too! I love that film.
Favorite song?

SABRINA
Born that Way by Lady Gaga. What's
yours?

JOSH
She's so hot by Justin Timberlake.

SABRINA
I like that one too. It's up tempo...
Well this is my street.

JOSH
Oh. Okay... See ya yoda.

Sabrina waves and walks down the Street blushing. She
turns around and notices he's still watching her go.

INT. SCHOOL HALLWAY - DAY

Sabrina has a table full of vintage ear rings she's
trying to sell.

SABRINA
Earrings! Earrings! Vintage earrings.

MONIQUE walks up. A trendy girl with red hair.

MONIQUE

I like. These are really rad. Where'd you get em?

SABRINA

It's a secret. But if you buy a pair I'll give you a discount?

MONIQUE

I'll take these two.

SABRINA

Five dollars.

MONIQUE

Bet.

Monique walks away. Sabrina looks in her bag on money.

SABRINA

5 dollars. I'm never going to raise the money for my dress. I hope Jason's dress is nice. That's my only hope.

Tesa, Deidre and Andrea spot her. Tesa is chewing gum like a cow.

TESA

There she is.

Tesa walks up to Sabrina.

Tesa

Hey, Sabrina? I like that blouse. It's pretty.

The blouse has big flowers all over it.

SABRINA

Oh, why thank you. That's nice of you to say.

TESA

I hear you're in that Go Green Team Club. I've been thinking about helping out the environment.

SABRINA

Really?

TESA

Yeah, I wanted to know if I could join your club?

SABRINA

Well...what about you spraying silly string on me the other day. Why'd you do that?

TESA

Sorry about that. I got a little carried away... do you forgive me?

Tesa looks at her with puppy eyes.

SABRINA

Well... okay.

TESA

So can I join your club?

SABRINA

Well, uh... I never thought someone like you would be interested in..

TESA

Oh I'm interested. I met with my counselor and he suggested that I get more involved with environmentally challenging programs. It'll help me out with my major in college.

SABRINA

What's that?

TESA

Uh... Journalism. You know magazines and stuff.

Sabrina wrinkles her nose up trying to figure out how the two of them go together. She hunches her shoulders.

SABRINA

It's not all up to me. I need to talk to the other people in the group and see what they say.

TESA

Okay let me know.

Sabrina walks away. Tesa watches her go like a cat trapping a mouse.

EXT. BENCH - DAY

Sabrina, Kat and Jacky talk as they sit around after a long day.

SABRINA
You are not gonna believe who wants to
join the Go Green Club.

JACKY
Who?

SABRINA
Tesa.

KAT
No way...why?

SABRINA
She says she wants to get in touch with
nature. I don't believe that one bit. I
think she's just trying to snoop on me
and Josh.

JACKY
Yeah that's probably true... But just
think, if we let Tesa in our club it'll
make us cool.

KAT
Yeah, if someone like Tesa joined our
club it'll put us in the "in crowd".

JACKY
The "in" crowd. Finally! We'll be
accepted by everyone. Let's do it.

SABRINA
You guys don't want to think about it?
It's our little club...the Pussycat
dolls... meow...I don't trust her.

Sabrina whines like a cat.

JACKY
Oh come on, hum dinger, don't be selfish.
Let's let her join.

KAT
Come on please, please? I'll never sing
again if you do this?

Sabrina looks at the two of them with wavering eyes...

SABRINA
You really want that evil witch to invade
our domain?

Jacky and Kat shake their heads "yes".

SABRINA
Okay... she's in.

Kat and Jacky jump up and down excited.

KAT/JACKY
We're gonna be in the in crowd, we're
gonna be in the in crowd...

SABRINA
Shut up twin monkeys.

INT. HALLWAY - DAY

Sabrina sees Tesa in the hallway by her locker and walks up to her.

SABRINA
So I talked to the other people in the
group and you're in.

Tesa claps her hands.

TESA
Yay! So when do we go out?

SABRINA
Actually we have an assignment today. But
if that's too soon for you, you can sit
this one out.

TESA
No, no. I'm ready. Where are we going?

SABRINA
To the park.

TESA
Sounds good...I'm up for the park.

Sabrina looks her up and down trying to figure her out.

EXT. TRUCK - DAY

Sabrina, Jacky, Kat, Abe and Tesa are driving to the park. The air is a little tense.

JACKY
So... we're hanging out with Tesa
Watley...

KAT
That's something...

ABE
Sure is. Why do you wanna hang out with us?

TESA
I'm interested in learning about the environment. My counselor suggested it.

ABE
What do you wanna learn?

TESA
Anything you can teach me. I'm all ears.

JACKY
Well to be honest sometimes it's not all that glamorous.

KAT
Yeah like last week, we planted some trees at an old folks home and Sabrina got mad tasered by this old hag.

Kat and Jacky laugh really loudly and Kat snorts through her nose. Tesa wrinkles her face trying to figure out what's so funny.

TESA
I see... Well I'm hoping this will also make me a better person somehow.

ABE
Stop sleeping around is a start.

Everyone's shocked! Sabrina hits Abe in the chest.

SABRINA
He didn't mean that.

JACKY
Uh... what he meant to say was we appreciate you spreading yourself around by hanging out with us...

KAT
Yeah, that's right.

TESA
...okay...

SABRINA

You know Josh's mom helped us get this park. She's really nice.

TESA

(deviously)

Yes...she is...

They pull up to the park and everyone gets out. Tesa is at odds and uncomfortable by the earthly surroundings. She is definitely hands off.

PARK

SABRINA

So what we do is we grab the shovel and we dig up holes in the ground and we plant the trees.

TESA

Sounds easy enough.

SABRINA

Grab that shovel from the back of the truck.

Tesa disappears to get the shovel.

SABRINA

I think we're gonna dig right here.

Tesa appears with the shovel and gives it to Sabrina.

SABRINA

Okay dig the hole.

TESA

Are you talkin' to me?

SABRINA

Yeah.

TESA

Are you nuts? I just went and got the shovel. Let someone else dig and get all dirty. Gosh!

SABRINA

(under her breath)

Little miss prissy.

ABE

I'll dig.

TESA

That's better. I don't want to do all the work around here. Geez...So Sabrina, you're going to that contest with Josh. That must make you the happiest girl at Douglas High.

SABRINA

Yeah, I'm excited.

TESA

Someone like you getting an opportunity to go out with a star like Josh. It doesn't get much better than that.

SABRINA

Well actually, he gets an opportunity to date someone really different. Someone nice, you know?

TESA

Yeah right... You are different than you were when we were friends. Remember we use to take Daisy's lunch money?

Tesa laughs really loud.

TESA

I hated her.

SABRINA

That was the old me. I've changed since then.

TESA

Right. Well, don't think just because Josh is your date you're going to win that contest. Me and David have a good chance to win. You tried to steal my boyfriend once but it won't happen again.

SABRINA

I never tried to steal your boyfriend...I told you he came on to me. That was a long time ago. Can we forget about it already? Have you ever thought of changing? I mean you're already pretty, but if you were nice you'd be invincible.

Tesa looks down. Her eyes flutter. She tears up.

TESA

It crossed my mind. I would love to be nice but I'm afraid I might lose my popularity. Who would I be then? A nobody. Besides, people expect me to be bitchy and beautiful. They kinda go together. Sorry. If you let anyone know I just said that I'll kill you.

TREE

Tesa is now standing under a tree.

Abe's digging and digging....

A bird is up in the tree whistling, standing right over Tesa. Tesa is drinking her water and eating peanuts watching Abe dig.

Suddenly the bird takes a shit and it lands right on Tesa's head. Then he takes another shit and it lands on her shoulder. She looks up.

TESA

Ugh! Bird shit! Get it off me!

Tesa's jumping up and down. Sabrina walks over and tries to wipe it off.

SABRINA

Be still. Let me wipe it off.

Tesa throws her hands in the air. At that moment, a squirrel runs up to Tesa.

The squirrel sees the peanuts. Tesa looks at the animal and jumps back. The squirrel runs up her leg and onto her shoulder.

Tesa is running around in a circle screaming.

TESA

Get if off me! Get it off me!

The squirrel lets out a scream and finally jumps down and runs off into the park. Tesa is horrified!

TESA

I don't believe this is happening!
This is humiliating! What was I thinking? I quit this stupid club! Get me out of here!

Tesa walks to the truck with the bird shit still on her shoulder.

She stops, folds her arms, rolls her eyes and breathes really hard.

JACKY

Does this mean you're not going to hang out with us anymore?

Everyone looks at Tesa with sad eyes...Tesa shakes her head...unbelievable.

EXT. BENCH - DAY

Tesa, Deidre and Andrea are sitting watching the school KIDS leave school.

TESA

That's it! I'm through with Pee Wee Herman and her crew. A bird shit on me and a squirrel crawled up my ass!

DEIDRE

Oh.. My.. God. Seriously?

ANDREA

I told you not to go. You know we're allergic to nature.

TESA

I'll have to do this the old fashioned way. Josh is gonna be so jealous he's gonna be begging me to take him back.

DEIDRE

So now you want Josh back?

TESA

Yep. I couldn't live with myself if they were together.

ANDREA

I heard they're going to meet at Johnny Rockets after the swim meet.

TESA

Alrightee! Johnny Rockets it is.

INT. JOHNNY ROCKET - AFTERNOON

Josh, Kale and two other BUDDIES are sitting in a booth laughing and having a good time. Sabrina, Jacky and Kat are sitting in an opposite booth.

Josh and Kale start beating on the table.

JOSH/KALE

Douglas High, Douglas High...

KAT

What are they doing?

SABRINA

Celebrating. Let's join in.

Sabrina, Kat and Jacky join in beating on the table.

SABRINA/KAT/JACKY

Douglas High, Douglas High...

At that moment Tesa, David, Deidre and Andrea walk in the restaurant. Tesa's all dressed up in a mini skirt and tank top showing off her boobs.

TESA

Looks like we're just in time.

Tesa looks over and sees Sabrina, then she looks and sees Josh. Josh gazes at Sabrina.

TESA

Snap, cameras, action!

Tesa hugs David even harder. They sit down at a booth. Kale stands up holding a coke in his hand.

KALE

We just want to congratulate Josh my man for winning today.

All the guys start barking like dogs. Sabrina and her friends start barking too. Josh gets up and walks over to Sabrina's table.

JOSH

Can I come over tonight? I wanted to ask you something.

SABRINA

Sure.

Josh goes and sits back down. He gives Kale a hand shake and the two of them laugh it up. Tesa stands up.

TESA

I just want to commend David on getting accepted at Harvard University. Go baby you rock!

Tesa kisses David on the lips and her girls clap like proper clones. Tesa walks over to Sabrina's table.

TESA

I think you need a little more ketchup on that burger.

Tesa takes the bun off Sabrina's burger and squeezes ketchup all over it. Flooding it.

TESA

That'll give it a little more flavor.

Sabrina jumps up ready to fight. She points her finger in Tesa's face.

SABRINA

You have insulted me for the last time.

Sabrina SHOVES Tesa and Tesa grabs her hair and the two of them FALL to the ground fighting. Jacky jumps in the middle and breaks it up.

JACKY

Stop it! What are you two doing?

Tesa flips her blond hair. Sabrina gets embarrassed, not knowing how to deal with catty girl stuff, Sabrina retreats.

SABRINA

Let's go.

Pissed off, Sabrina and her friends leave.

TESA

That's right scam you little mouse.

INT. LIVING ROOM - DAY

Jason rings the doorbell. Joseph answers it. The dress is wrapped in plastic. We can't see it.

Jason walks in dressed in a baseball cap with flowers on it and a lime green shirt with sequins.

JASON

I really hope she likes it. I poured my heart and soul into it.

JOSEPH

I trust you did a great job. Thank's my man. I owe you.

JASON

What can I say? I'm a slave to fashion! Whoo hoo!

Jason holds his hand out in the air and Joseph slaps it.

JASON

See ya pops.

Jason leaves. Joseph walks in the living room and hangs it up on the door.

INT: LIVING ROOM - DAY

Sabrina is looking at the dress. It in the shape of a Christmas tree. It's super ugly. It has tons of green, red and silver sequins all over it.

SABRINA

Oh My God! It looks like a tacky Christmas tree.

JOSEPH

How can you say that? Sequins are in now.

SABRINA

For you maybe but I'll look like a CLOWN in this. This looks nothing like a Mark Lablont dress. I can't wear this. I knew this was gonna happen. I know you tried dad. I don't blame you...What am I gonna do now?

JOSEPH

This is a beautiful dress. You're too picky that's your problem.

SABRINA

I'm not picky. This dress is horrible. I'll never win that scholarship money in this. Forget it... I'll think of something.

JOSEPH

I think you're just being selfish. You're blowing this whole thing way out of proportion. This dress is perfect for you.

SABRINA

I'm trying to win the 25,000 dollars so I can pay for my tuition, remember. I need a really beautiful dress and date in order to do that. This isn't some ordinary thing. I've put a lot of thought into this. Let me do it my way!

Sabrina runs upstairs to her room.

JOSEPH

You're just being a brat. Damn it!

EXT/INT. SABRINA'S HOUSE - NIGHT

Josh knocks on the front door. Sabrina rushes down and peeks out. Her neck sweaty, she grabs the lemony perfume on the table and sprays it on.

SABRINA

Josh. What are you doing here?

JOSH

I told you I was stopping by.

SABRINA

Oh, right. Come in.

LIVING ROOM

Josh walks in and sees a picture of Sabrina on the table when she was young. Her hair is all puffed up and she has a clown outfit on with a big red nose and red cheeks.

JOSH

That's you?

SABRINA

Yeah. It's my father's favorite.

Sabrina takes it down and puts it behind her back.

JOSH

You can put it back up. I think it's cute yoda.

Sabrina fumbles around and puts it back down on the table.

JOSH

So are you ready for the contest?

SABRINA

Not yet. Are you?

JOSH

No, I'm going tomorrow to get my tux.
Wow, you have really pretty eyes.

Sabrina blushes.

SABRINA

Thanks. Tell me, are you and Tesa really broken up?

JOSH

Oh yeah. We're done. She's dating David. You saw them together. Sorry about what happened today. Tesa's always been crazy. Now you see why I broke up with her.

Sabrina laughs.

SABRINA

Well she came and joined our Go Green Team Club, I thought that was unusual. I thought maybe she was trying to get close to me to find out maybe why we were going out. And then the fight today. She is crazy. Why are we going out again?

A couple of flies buzz around Sabrina's head. Josh notices them and tries to swat them away.

JOSH

Flies? Where'd they come from?

Sabrina nervously laughs and takes a swing at them.

SABRINA

(nervously)

Don't mind them. It's the ham. My father baked a ham tonight. You were saying... why are we going out again?

JOSH

I just needed a change from dating the pretty, self consumed girl.

And I looked at you and thought you'd be perfect for me.

SABRINA

Right... I've never gone out with someone like you before. As a matter of fact I've never gone out with anyone before.

JOSH

Don't let that make you nervous. I like that about you. Relax. I'm just flesh and blood.

Sabrina's on the edge of her tippy toes. Josh leans in to kiss her. She closes her eyes and sticks her lips waaay out.

Josh kisses her on the lips and pulls away. Sabrina is still standing there with her lips puckered.

JOSH

I'm finished.

Sabrina opens her eyes.

SABRINA

Oh...yeah.

JOSH

Well I better go. I was just checking in on you, see how you were doing.

SABRINA

Thanks for stopping by.

Josh leaves. Sabrina closes the door then falls against it putting her hand on her forehead. She's ecstatic.

INT: TUXEDO SHOP - DAY

Josh and his friend Lamont and Kale are at the tuxedo shop looking around for a tuxedo.

LAMONT

Hey dude, what about this?

Lamont turns around and he has on a Groucho Marks mustache on with a top hat and a long tuxedo jacket on.

He wiggles his lips up and down making the guys laugh.

LAMONT

Can I date your sister?

JOSH

Funny.

Josh looks and sees a suit on the rack. His eyes glow with excitement.

JOSH

Now this is something I could do. This looks like something Kanye would wear. This is phat!

KALE

That's you, dawg.

Josh looks at the tag.

JOSH

One fifty. Nice.

Lamont grabs a suit and goes into the dressing room.

LAMONT

Hey, I'm gonna try this on.

KALE

Hey was Sabrina mad about fighting Tesa at the restaurant?

JOSH

Don't worry about that. I went and sealed the deal last night. I removed all doubt from her mind. She's going out with the finest catch of the year. She'll remember this for the rest of her life.

KALE

But you really don't want to go out with her. You're just trying to get Tesa back for the competition, right?

JOSH

I kinda like Sabrina. She's unique.

Lamont comes out of the dressing room and looks in the mirror. Then goes back inside.

KALE

Do you think you can win that competition with Sabrina as your date?

JOSH

With me by her side, anything's possible.

KALE

Come on dude. Not even you can pull that off. She's a dud. Stay focused and get Tesa back.

JOSH

(he yells out)
She's not a dud! Watch your mouth.
Sabrina and I just might win.

Kale shakes his head. No.

KALE

I don't believe this.

Josh holds the tuxedo suit up to his body and smiles confidently.

JOSH

Don't worry. I got this.

Kale sneaks up to Lamont's dressing room and steals his clothes and all the guys leave the store.

KALE

See ya back at school.

Lamont comes running out of the dressing room naked with his hat covering his private part. His BUTT is showing.

LAMONT

Wait you guys, how am I gonna get home?
Come back.

Lamont's standing in the doorway naked. All the other customers in the store look on in shock. He's embarrassed.

INT. LIVING ROOM - DAY

Sabrina and her girls walk into the living room.

SABRINA

Come on up.

BEDROOM

Sabrina walks over to the closet and pulls the dress out.

SABRINA

So don't laugh, okay?

She removes the plastic and the girls see the dress. Kat screams out!

KAT

Wohhh! Eeeek!

JACKY

That's the ugliest dress I have ever seen!

SABRINA

See you hate it too!

Sabrina throws the dress on the bed.

SABRINA

I have to do something to get out of this situation!

JACKY

Gosh, it's horrible. What are you gonna do?

SABRINA

I'll babysit! I'll walk dogs, I'll do whatever I have to.

KAT

I have to say you are one determined chick when you get it in your head.

JACKY

Yeah remember the time she wanted that bike?

KAT

Yeah. She sold more cookies than anyone.

SABRINA

Will you guys help me?

KAT

Well I would, but actually I'm going to be kinda busy this week? Tests and all.

SABRINA

What about you?

JACKY

My cousins are coming in town and we have a lot of things planned. Sorry.

SABRINA

Okay. The hell with both of you. I'm going to get that Mark Labront dress. I'll take the three hundred dollars that my father was gonna give me, the five dollars from my jewelry and I'll raise the rest of it by myself, somehow?

BEGIN MUSIC MONTAGE - SABRINA MAKING MONEY

INT. LIVING ROOM - NIGHT

Music starts to play. Something like "Sistas are doing it for themselves" by Aretha Franklin. We see Sabrina opening the door.

In walks her next door neighbor Jake. Mohawk and all. He's naked and this time he touches her with his hands filled with red sticky candy. Sabrina screams out, Oh no!

Time passes... Sabrina has a six month old in her arms.

The baby spits in Sabrina's face, then throws up all over Sabrina's blouse.

LATER... Sabrina feels his diaper and he's wet.

She lays him down, takes his diaper off and he pees in her face.

Time passes...The phone rings. Sabrina answers it with spaghetti in her hair and her glasses sit sideways on her face.

Sabrina hands the six month old baby over to the mother. Sabrina grabs the money and closes the door.

INT. KITCHEN - DAY

Sabrina is cleaning a house. She has on a cute maids outfit. The owner of the house LARA is there. They stand next to the refrigerator.

Sabrina pulls it out and a lot of trash is back there.

Sabrina's grabs the broom and starts sweeping up the mess.

Suddenly she sees a white dildo! She screams!

Lara comes rushing into the room. She looks down embarrassed, she picks up the dildo and hides it under her blouse and leaves.

INT. GARAGE - DAY

She's on a wobbly high ladder stacking some books in the corner. She looks over and picks up a stack of magazines.

She blows the dust off of them and looks closer.

They're playboy magazines. A naked woman is on the cover. Sabrina's eyes grow in shock and she loses her balance and falls down on her back.

The owner, MR. WHITIKER comes out and sees Sabrina on the ground holding the stack of playboy magazines.

He grabs them from her ashamed.

EXT. STREET - DAY

The Street is packed with PEOPLE. Sabrina has on a ridiculous statue of liberty costume and is dancing around as she passes out flyers.

She tries to pass a flyer to this deranged hobo and he takes the flyer, rips it up, then throws it in the air like snow.

Then he tears a few spikes off her costume.

A messenger bike comes by and splashes mud all over her outfit. Sabrina wipes the mud off her face.

EXT. STREET - DAY

Ten dogs stand barking like crazy with ten long leashes. The dogs take off, pulling Sabrina down the Street.

The light changes red but the dogs don't stop. The cars all slam on the brakes as we see Sabrina stop traffic.

The dogs drag Sabrina across the Street to the park.

EXT. PARK - DAY

All the dogs are barking like crazy. Two of Sabrina's dogs smell each other and begin humping.

Sabrina sees them and goes to break them up and the dog starts to hump her leg.

A elderly WOMAN standing by looks on.

WOMAN
This is the good part.

SABRINA
Ew!! I am so done!

The music stops.

EXT. OAK TREE - DAY

Jacky and Kat are standing under the Oak tree. Sabrina walks up. She's all smiles.

SABRINA
I did it.

JACKY
What?

SABRINA
I raised the money for my dress.

KAT
(shocked and jealous)
Congratulations. No hard feelings?

SABRINA
None. And to show I'm still a good sport I brought you each a flower. Sisters forever.

Sabrina places the flower behind both of their ears.

KAT
I feel like a flower child from the sixties.

JACKY
Aw.. thanks twirly girly.

We look over and see a group of girls arguing.

JACKY
While you were out raising the money for your dress, this place has turned into ""hellcats"". The cat sisters are at it again.

KAT

Yeah, Tesa and her crew are all at each others throats. Ooh great! Here they come.

Tesa, Deidre and Andrea walk by.

TESA

I'm wearing red you imbecile. You can't wear red too! I told you that!

DEIDRE

No you didn't. You said your dress was blue.

TESA

I changed it remember? We can't wear the same color - you'll just have to change.

They pass Jacky, Kat and Sabrina.

JACKY

See.

SABRINA

Oh my God. Everyone's let this contest get the best of them.

KAT

May the best girl win.

EXT. STREET - DAY

Sabrina walks down the Street and her phone rings.

SABRINA

Hello?

JOSH

Hey brina, did you get your dress yet?

SABRINA

I just got the money for it. You don't sound good, do you have a cold?

JOSH

I got a fever.

SABRINA

Stay put. I'll be right over.

JOSH'S ROOM

Sabrina has a thermometer in her hand and she's reading it. Josh is lying down in the bed.

JOSH

Thanks yoda for coming over and helping me. You're sweet.

SABRINA

You just relax, You drink this and I'll have you up and around just in time for the contest.

JOSH

I feel better already.

She kisses him on the forehead. He smiles.

INT. LIVING ROOM - DAY

Sabrina walks in exhausted from the day. She trips and stumbles and bumps her head on the bannister.

SABRINA

Wouch!

Denise and Joseph are seated on the couch watching TV.

JOSEPH

How'd your day go?

SABRINA

Great! I raised enough to buy my dress.

JOSEPH

(looking stunned)

That's great. How'd you raise the money?

SABRINA

I did every unthinkable job known to man.

JOSEPH

Well the main thing is you set a goal and you accomplished it. I'm proud of you. Come here and give me a hug.

Sabrina walks over and they hug.

JOSEPH

I hope everything works out for you. You deserve that scholarship.

SABRINA

Thanks daddy.

Joseph gazes at Sabrina up and down.

JOSEPH

You look like you lost weight. Who are you now, skinny minny?

SABRINA

Yeah... well...

DENISE

(to Joseph)

I guess the other dress is a definite no now?

SABRINA

Definitely. I have one more assignment due. See you later.

Sabrina runs off to her room and Denise and Joseph just sit there looking bewildered.

JOSEPH

She raised the money. Can you believe it? That girl is something else.

DENISE

She's resilient.. You did a wonderful job with her and that's why I love you.

She kisses him on the forehead and he buries his head in her breast kissing them.

INT. JOSH'S BEDROOM - NIGHT

Josh is at home in his bedroom playing a video game. He's feeling much better now. The doorbell rings and Josh goes downstairs to answers it.

LIVING ROOM

Tesa's in her sexiest personality ever.

JOSH

Tesa. What are you doing here?

TESA

I wanted to see you. Can I come in?

Josh looks stunned and uncertain.

JOSH

I guess so.

TESA

So what's up? How you been?

JOSH

I had a cold but I feel better now.

TESA

So, what's with you and Sabrina?

JOSH

What about us? I like her...

TESA

You don't really want to go with her.
You know you can't win that contest with
her as your date. You and me, we're a
lock!

Tesa kisses him on the neck. Josh moans.

TESA

Take me and forget about her.

JOSH

I can't. I promised her.

TESA

You promised her? Where's the self
centered Josh I knew that only cares
about being with a pretty girl and
getting laid?

JOSH

That dude's long gone.

TESA

Is he? I don't know about that. I think
he's still in there. Right...here...

Tesa bites his ear and kisses him on the chest...

JOSH

Stop it...that's not gonna wor...

...Tesa continues to kiss him on his chest then she
kisses him on the lips again passionately. She opens her
blouse and her breast pop open. It's clear Josh is
powerless - he's a teenage boy.

JOSH

Okay. I'll go with you.

TESA

That's the Josh I know. See you at seven.

JOSH

What about David?

TESA

Don't worry about him. I can handle him. See ya at the contest.

Tesa gives him one last smack on the lips. Then gets up and walks out.

LATER THAT NIGHT...

JOSH'S ROOM

Josh and Kale sit and talk while downing a soda. Josh's hands are shaking.

JOSH

Dude I don't know if I can go through with this. Tesa wants me to take her and cancel my date with Sabrina. I told her I would but I feel kinda messed up. Sabrina will be crushed.

KALE

What do you care about Sabrina? You were just using her to get to Tesa anyway. It worked - what's wrong with you, pull it together.

JOSH

I do have feelings you know. I'm not an animal.

KALE

Sure you are dude. Who do you think you're talkin to? Dump Sabrina, you got Tesa! You're back baby!

JOSH

(feeling bad)

Yeah I'm back.

Josh sighs having second thoughts and the two of them toast and drink some soda.

INT. BEDROOM - MORNING

Sabrina is in bed smiling because she's dreaming. We go into her fantasy.

FANTASY SEQUENCE:

INT. STAGE - DAY

She's standing on a stage. She kisses Josh on the lips and his fake mustache gets stuck on Sabrina's lips. Her classmates cheer and wave her on.

Flashbulbs flicker, the press is there and Sabrina walks up to the mike with a mustache on and says,

SABRINA

Thank you. You're the best date ever.

Josh kisses her on the cheek. Sabrina waves to the crowd and then wakes up from her dream.

FANTASY OVER.

INT. BED - MORNING

Sabrina's eyes pop open. She smiles excited.

SABRINA

It's finally here!

INT. CLASSROOM - DAY

Sabrina and Abe are sitting next to each other. Abe has the science project on his desk. Mr. Tusky calls out.

Mr. TUSKY

Today your projects are due, who's ready to go first?

Sabrina and Abe both raise their hands.

Mr. TUSKY

Okay Sabrina and Abe.

They pick up their space shuttle and walk up to the front of the class. Abe sets it on the table and grabs the remote control and hands it to Sabrina.

SABRINA

Watch this!

She pushes the button and the space shuttle climbs into the air about six feet above the table. Smoke is coming out of the sides of the space shuttle and the neon lights come on and everyone sighs in awe.

ABE

And that's a man made 239XR space shuttle.

MR. TUSKY

Very good Abe and Sabrina. Extremely well thought out and executed.

The class claps with enthusiasm. Sabrina and Abe bow.

GRANT

Damn. Fartboy's a genius. Look at that.

INT. DRESS STORE - DAY

The store is packed with CUSTOMERS. Sabrina makes her way through the crowd and up to the counter.

The CLERK walks up to the counter, as Sabrina approaches.

CLERK

Can I help you?

SABRINA

I had a dress on lay-a-way, the name is Washington.

CLERK

I'll look and see.

The clerk disappears.

Another girl GLINDA and CLERK #2 comes up.

GLINDA

I have my dress on lay-a-way.

CLERK #2

The name?

GLINDA

Smith.

CLERK #2

I'll check.

Sabrina and Glinda are the only two people at the counter. They courteously smile at each other.

SABRINA

Hey Glinda.

GLINDA

Hey Sabrina.

SABRINA

You're going to the contest tonight right?

GLINDA

I sure am. Just came to pick up my dress.

SABRINA

Me too. Good luck.

GLINDA

You too.

Glinda and Sabrina eye each other, then look away. Both clerks come out of the back.

CLERK

There seems to be a mistake.

SABRINA

A mistake?

CLERK

It seems that your dress has been put on lay-a-way by someone else.

SABRINA

By who?

CLERK #2

This woman. Miss Smith.

SABRINA

You put my dress on lay-a-way?

GLINDA

You put my dress on lay-a-way?

SABRINA

But I put the dress on lay-a-way two weeks ago.

GLINDA

That's the time I put mine on lay-a-way.

The two of them grab at the dress and pull at it.

SABRINA

I have to have this dress. You don't understand. I'll win that contest in this dress.

Glinda grabs it back...

GLINDA

I will too!

Then... Sabrina explodes, screaming at the top of her lungs!

SABRINA

I can't believe this is happening! I've put everything into this contest. I've put up with a jealous ex-girlfriend, had babies pee in my face, almost broke my back, got humped by a dog, and I am not going back to Christmas sequins! This dress belongs to me and if you even think of trying to stop me from having it I will lay the smack down on you so hard, your future daughter will feel it on her special day!

Sabrina snatches the dress from Glinda...

SABRINA

Here's the money! You'll just have to catch me!

...and runs out of the store in a hurry.

INT. KITCHEN/BEDROOM/LIVING ROOM - NIGHT

JOSEPH

So did you get your dress?

SABRINA

I just picked it up, wanna see it?

JOSEPH

Sure!

She holds it up to her body as she models it for her father.

SABRINA

Isn't it divine daddy?

JOSEPH
It's beautiful. You worked so hard to
get it, I'm proud of you.

They hug.

JOSEPH
I'll just give the other dress to
Denise's niece. She's going to her prom
in a couple of weeks. Have fun tonight.

The doorbell rings. Sabrina answers it.

INT. LIVING ROOM - NIGHT

DENISE
Hey I came to pick up the other dress.

SABRINA
Okay.

Sabrina gives her the dress on the back of the door.

DENISE
Well Sabrina, you have a wonderful night.
You'll look beautiful. I wish you all the
best.

SABRINA
Thanks. I'm sorry this didn't work out
with Jason.

DENISE
Don't worry about it. You just have a
good time tonight.

SABRINA
I will.

Denise winks at her and walks out with the dress and
Sabrina goes back into her room upstairs.

BEDROOM

Sabrina takes the dress and lays it across the ironing
board. She plugs in the iron, sets it on maximum and
hops in the shower.

SHOWER

Steam is everywhere as she hums a little tune. She pretends to grab a mike and she sings her heart out to a song like "BORN THAT WAY".

She lathers up really well and then rinses off. She jumps out of the shower and wraps a towel around herself and walks back into her room.

BEDROOM

Something like Beyonce's "PUT A RING ON IT" comes on the radio and she starts to dance around the room...

She goes around and around and stops and twerks in the mirror to the beat...

She leans backward and suddenly trips over the ironing cord...the iron falls on the dress and burns a hole in it. Sabrina is mortified!...

SABRINA

Oh Jiminy crickets! I don't believe this. This can't be happening!

She tries the dress on and the burned hole is right over her vagina showing off her pictured cat on her panties.

SABRINA

I definitely can't wear this. What am I gonna do!

Sabrina collapses on the bed and starts crying. The phone rings. She answers it.

SABRINA

Hello?

TESA

Hi. It's Tesa. I just wanted to let you in on a little secret. Josh is going to the contest with me tonight. Sorry, he was only using you to get to me. So there. It wasn't you he wanted all along, it was me. How you like me now?

Sabrina's frozen with shock. She drops the phone and sits there staring blankly into space.

Sabrina finally wakes up and dials Josh on her phone. He answers. We see a split screen.

JOSH (ON PHONE)
Yo!

SABRINA (ON PHONE)
So you were just using me
to get to Tesa?

Josh's silence answers. He's in shock.

JOSH (ON PHONE)
Well no... I uh...

SABRINA (ON PHONE)
Were you even gonna tell me
or were you just gonna
stand me up?

JOSH (ON PHONE)
Brina, it's not like
that...

SABRINA
You turned out to be just
like everyone said you are.
A self centered,
egotistical maniac and I
don't want to have anything
else to do with you.
Asshole!

Sabrina slams down the phone, sits there and starts
crying.

The phone rings and rings and rings. Sabrina finally
picks it up.

INTERCUT:

SABRINA
(on phone)
What?

ABE
Hey Sabrina. You ready yet?

SABRINA
For what?

ABE
The contest tonight. You dressed?

SABRINA
I'm not going. Are you?

ABE
I was gonna go by myself. Why aren't you
going?

SABRINA
It was all just a hoax.

ABE
What was?

SABRINA

Josh taking me to the contest. He was just trying to get to Tesa.

ABE

I can't believe he would do something like that. Jerk. Sabrina you gotta go. You put your heart and soul into it.

SABRINA

You go and have a good time.

ABE

You just wait there. I'll be over in a few.

Sabrina hangs up the phone, her towel wrapped around her, she starts to cry again.

Joseph walks by wearing a golf hat and carrying a golf club. He sees her crying.

JOSEPH

What's wrong baby? Why are you crying?

SABRINA

Oh dad. I just burned a hole in my new dress, and I'm not with my date because... I'm not going.

JOSEPH

You're not going? I'll ask Denise for the money to buy you another one.

SABRINA

That was the last one they had.

JOSEPH

There, there baby don't cry. You're better than this. I know you're not going to let a few set backs get in the way of your happiness. That's not the Sabrina I know. The Sabrina I know is determined against all odds. She comes through in a crunch and she doesn't let boys send her into tears.

Sabrina wipes her eyes.

JOSEPH

You have to get up, brush yourself off and get back out there. Go to this contest. You'll remember this for the rest of your life.

Sabrina, feeling a little better, stops crying but falls off the side of the bed on her rump. She gets up.

SABRINA

Yeah. I'll go. I'll show them. I'll show all of them. Oh! Crap! I need a dress. Call Denise and tell her to bring that dress back here.

JOSEPH

Okay.

Joseph calls Denise on the phone.

JOSEPH (on phone)

Did you give that dress to your niece yet? Well bring it back. Sabrina needs it.

Joseph hangs up the phone.

Sabrina walks over to her dresser and sits down. She looks long and hard at her glasses and braces as she tries to look beyond them.

She grabs the blow dryer and blows her hair dry, then she breaks down.

SABRINA

This was supposed to be my perfect night and it's ruined. Well I can kiss NYU goodbye.

She begins to cry. The doorbell rings. Joseph runs down and opens the door - it's Denise with the dress.

FRONT DOOR

DENISE

I hope I'm not too late.

JOSEPH

You're right on time.

They both run upstairs.

SABRINA'S ROOM

Sabrina tries the dress on and it doesn't fit. It's too big.

SABRINA

I can't wear this. What am I going to do now?

JOSEPH

I'll call Jason and see if he has anything else.

Sabrina sits down on the bed and puts her hands on her head and squeezes it.

SABRINA

I wish I could just disappear.

INT. JOSH'S BEDROOM - NIGHT

Josh gets dressed. He puts his bow tie on and looks at himself in the mirror. He shakes his head unhappy at himself as he sits on the edge of the bed and rubs his hair slick back.

JOSH

Shoot!...

He looks long and hard trying to figure it out.

JOSH

You can do this...you can do this.

He goes over to the phone and calls Tesa. She answers.

JOSH

(on phone)

I'll be over in about twenty minutes.

TESA

See ya then.

INT. TESA'S BEDROOM - NIGHT

Tesa's all dressed up in a sizzling hot, red, low cut dress. She looks amazing. She turns and adjust her diamond necklace in the mirror and winks at herself.

INT. SABRINA'S ROOM - NIGHT

Sabrina sobs real tears now.

SABRINA

I don't care about having a designer dress, I just want a nice simple dress that fits.

She continues to cry.

Joseph paces back'n'forth. He waits... and waits...then suddenly the bell rings.

Joseph runs downstairs and answers the door.

LIVING ROOM

JOSEPH

Thanks for coming.

JASON

I brought this. It's a smaller size. I hope she likes it.

The two of them go upstairs into Sabrina's bedroom.

BEDROOM

Jason pulls the plastic off a fuschia dress and Sabrina's eyes pop with enthusiasm. It's plain but the color is fantastic.

SABRINA

It's beautiful!

JASON

This is one of my original designs. I just made it.

SABRINA

The color is gorgeous. Can I try it?

JASON

Sure hon.

Sabrina tries the dress on and it fits perfectly.

SABRINA

I look fantastic. I don't need Mark Lablont I have... Jason Miller.

JASON

You look absolutely stunning. You work girl!

Jason pops his fingers in the air.

DENISE

Wow!

JASON

I want you to model my next dress in an upcoming fashion show. Will you do it?

SABRINA

Of course! I had you all wrong. You're a genius!

JASON

What can I say? I'm going to help you with your hair and make up and you're going to look like a queen. I mean a real queen, not like a man or anything.

Sabrina is all smiles now.

She sits down and Jason begins to comb her hair. He combs it up into a ball and she puts her earrings on.

JASON

You look amazing.

Joseph walks over to Sabrina and hugs her.

JOSEPH

That's my baby.

SABRINA

Daddy I'm sorry about wanting the Mark Lablont dress. I see now it doesn't matter how much the dress cost it's about how good the dress looks on you. Thank you Jason.

She kisses Joseph on the cheek. Then she grins from ear to ear happier than she's ever been.

The doorbell rings downstairs. Sabrina peeks out of her bedroom window.

There's Abe standing there with a coach and a horse pulling it with white carnations all over it. Sabrina is stunned.

SABRINA

Oh, My, God! It's beautiful.

FRONT DOOR

Sabrina rushes downstairs and opens the front door. Abe looks really handsome.

He has on a tuxedo that fits and he doesn't have his glasses on. He looks like a handsome Clark Kent.

It's truly magical.

ABE

I wanted it to be just like you saw it in your dream.

SABRINA

You did all this for me?

ABE

What are friends for?

SABRINA

Thanks Abe. You're a life saver.

EXT. STREET - NIGHT

Abe helps her up into the carriage. Sabrina looks at Abe bewildered.

SABRINA

What happened to your glasses?

ABE

Well I thought I'd take them off just for tonight. I got contacts. You left yours on?

Sabrina's eyes flinch as she adjust her glasses.

SABRINA

Yeah, it's who I am. Abe, what did you do? You're really handsome.

ABE

I took your advice and cleaned up a little.

SABRINA

You look amazing. I'm impressed.

The carriage pulls off into the middle of the street and Joseph and Denise watch them disappear into the night.

EXT. HOTEL - NIGHT

Abe and Sabrina pull up to the curb in front of the hotel at the contest and everyone gathers around as they sigh oohs and ahhs at the beauty of the carriage.

Abe gets out first and holds his arm out to get Sabrina. Sabrina gets out and sees this GIRL sobbing like crazy. Sabrina walks over.

SABRINA

What's wrong?

GIRL

My boyfriend stood me up tonight. I don't have a date.

SABRINA

Well don't stand here all alone. You can join us if you want. Come on.

The Girl walks in with Sabrina's arm wrapped around her shoulder.

INT. HALL - NIGHT

The hall is packed with students. Everyone notices Sabrina with Abe's new look as they all stare at them with amazement.

Sabrina and Abe walk through the center of the dance hall and look around.

Jacky and Kat with their boyfriends spot Sabrina and Abe. They wave their hands in the air and signal them to come over to the table.

JACKY

So where's Josh?

SABRINA

That didn't work out. I ended up coming with Abe instead.

KAT

That dress is beautiful! What happened to the other one?

SABRINA

I burned a hole in the crotch and my friend Jason let me wear this one.

KAT

I love it.

JACKY

It's awesome hum dinger.

SABRINA

Thanks.

A fast song comes on and all the kids make their way to the dance floor.

SABRINA

Wanna dance?

Jacky

Sure.

SABRINA

(to the guys)

We'll be back.

All three girls hold hands as they make their way to the dance floor. Lady Gaga's song comes on and Sabrina, Jacky and Kat jump around dancing.

The dance floor is packed with students all wearing their best dresses and tuxedos.

EXT. FRONT OF HALL - NIGHT

Tesa and Josh walk up. A GIRL is on the corner crying. Tesa looks over then turns her head not paying her any attention. Josh and Tesa walk inside.

HALL

Tesa and Josh walk in the room. Tesa looks totally gorgeous in her low cut red dress. Everyone turns and looks at them. Tesa looks around the room and sees Sabrina on the dance floor.

TESA

Like taking candy from a baby. Wanna dance?

JOSH

Sure.

The two of them make their way to the dance floor and Tesa dances a sexy little number with Josh up close touching her all over.

Kale sees Josh with Tesa and puts a thumb in the air.

KALE

He did it! My man.

Sabrina sees them and gets flustered. She taps Jacky and Kat on the arm.

SABRINA

The devil and his wife are here.

KAT

The devils wife sure looks pretty.

Jacky

That's why he didn't come with you.
Rotten egg.

SABRINA

Whatever...I know I'm not going to win that scholarship but I'd rather be here with you guys than with him any day. Low life cheater...

KAT

Abe cleans up nice. He looks like the invincible Clark Kent.

SABRINA

He does, doesn't he? He reminds me of a secret agent on a mission to save me. He's sweet.

The music changes and all the girls make their way back to the table.

Tesa and Josh walk back to their table. Tesa nods at a strange looking YOUNG MAN whose dressed in all black as he stands in a doorway.

TESA

(to Josh)

Excuse me I'm going to the ladies room.

She makes her way backstage. The young man is there.

BACKSTAGE

Sitting on a table is a bucket of white paint. The young man stirs it with a wooden spoon.

YOUNG MAN

It's ready.

TESA

Okay. Wait until they call my name then throw it on her.

YOUNG MAN

You sure you're going to win?

TESA

I'm the prettiest thing here. Have you looked around? You just be there when they announce my name and at that moment you walk over and throw it on her. I'm gonna humiliate her in front of the entire school. That'll teach her to try and steal my boyfriend again.

YOUNG MAN

If you say so Miss Watley.

Tesa nods her head and walks back out into the dance hall to her table.

TABLE

Josh sees her and stands up when she comes back.

The music changes and all of the kids go to the dance floor with their dates. Abe turns to Sabrina.

ABE

Wanna dance?

SABRINA

Sure.

DANCE FLOOR

The two of them walk to the dance floor. A slow song comes on and all the kids love it.

Abe and Sabrina look at each other for the first time and it's a little strange. Sabrina is smitten with the new Abe.

ABE

Aren't you glad you came?

SABRINA

Yeah. I don't know what I would have done without you. You really made this night for me. Even if I don't win I'm glad I came. You're a real stud.

ABE

A stud! I've never been described as that before.

Sabrina smiles.

SABRINA

Well I don't think you're gonna have any trouble with the ladies anymore.

ABE

You sound like you could be a little jealous.

SABRINA

I might be.

ABE

Well even though we'll be in different cities, let's commit that we'll stay in touch. And not just by Facebook.

SABRINA

Maybe I'll come up and visit you every now and then Clark Kent.

ABE

Clark ay... Alright.

They hug and the music stops. The mirror ball twirls in the air. Sabrina and Abe go back to the table. Everyone is back from the dance.

TABLE

JACKY

I just want to make a toast to my girl Sabrina for not giving up in a difficult time and to Abe for being there when she needed him.

Jacky holds her glass up in the air and everyone follows suit.

KAT

To true friendship.

SABRINA

And I just want to make a toast to the three of us, just being here is a victory ladies. We did what they thought we couldn't do and that's compete. We're all winners.

All three girls cheer and hug each other.

Jacky

Yay to us!

KAT

Ah, ah, ah, ah.

Kat sings a few high notes from Mariah Carey's song. Of course she's off key. Everyone laughs and they all take a sip of sparkling cider.

At that moment Andrea and Deidre walk in. They both have on blue dresses and look extremely unhappy.

SABRINA

Look, the bobsie twins wore the same color.

JACKY

Now those are twin monkeys.

The Principal comes up to the mike on stage that's decorated with balloons and glitter. Everyone claps enthusiastically.

PRINCIPLE APPLETON

Welcome class of 2015. We are so glad you all made it. Four years of high school have gone by and this is a commemoration of all the hard work you've put in over the years. It's finally over.

The crowd cheers.

PRINCIPLE APPLETON

And now I would like to introduce Michael Abtner, the editor of Seventeen Magazine.

Everyone applauds as MICHAEL ABTNER steps up to the mike.

MICHAEL ABTNER

Hello everybody. Everyone here looks absolutely stunning. Just to let you know we changed the rules a bit. The winner was chosen by the couple that exuded the most inner and outer beauty along with the best dress and tuxedo worn here tonight. So there can be only one winner so lets get this show on the road.

Everyone looks around with anticipation.

Tesa and Josh are standing together holding hands.

Sabrina and Abe stand by, relaxed. Not really excited.

Jacky and her date cross their fingers.

Kat's date has his arm around her as they both look to the stage.

MICHAEL ABTNER

And now the winner of the 2015 Seventeen Magazine contest is...

Tesa crosses her fingers and Josh slicks his hair back.

Kat smiles with excitement...

Jacky squeezes her boyfriend's hand...

David looks on with his date calmly...

Sabrina and Abe smile just glad they're there...

MICHAEL ABTNER

...Abe Shiller and Sabrina Washington.

Sabrina's mouth drops open, then her hands go over her face. She can't breathe. She can't believe it. Abe jumps up and down excited.

They're both in shock. Abe grabs Sabrina's hand and they make their way up to the stage.

Tesa sees Sabrina and Abe walking up to the stage. She folds her arms angrily and looks over to the young man.

The young man comes running up out of nowhere with a bucket of paint and tries to throw it on Sabrina.

Josh sees him at the last minute and jumps in the way to stop him.

JOSH

Noooo!

The young man slips and falls before he gets to Sabrina and white paint splatters everywhere all over Tesa's dress. Tesa slips and falls down.

Tesa's sitting in a pool of white paint. Everyone looks at Tesa astonished.

Tesa looks like a fool. Josh has paint all over his tuxedo.

Sabrina and Abe look at Tesa in shock as they continue to walk up to the stage.

The crowd raves with jubilation!

MICHAEL ABTNER

You guys make your way up here.

Sabrina and Abe walk onto the stage and stand next to Michael Abtner.

MICHAEL ABTNER

This trophy is for you being the most dashing couple here tonight. We placed a girl outside tonight, she was crying and we wanted to see who would stop and help her. Sabrina and Abe were the only couple to help her and that lets us know they are compassionate as well as the best dressed couple here tonight. We also received your photos that you sent in and Sabrina's was chosen over all the others because she showed us the real her and we appreciated that.

They show a slide picture of Sabrina full of mud at the park that Tesa took.

MICHAEL ABTNER

Give them a round of applause. You will be featured on the cover of Seventeen Magazine and you will each receive twenty five thousand dollars.

The crowd goes crazy! Sabrina accepts the trophy.

SABRINA

The real trooper of the night is this gentleman here. He's the best person I know and I'm honored to be his date tonight.

The crowd goes even more crazy with applause. Sabrina curtsies and waves to the crowd.

Sabrina turns to Abe and kisses him on the lips.

Abe's eyes grow big with shock and Michael Abtner hands them each a check.

The photographer takes Sabrina and Abe to the side and takes a picture of them in front of a huge colorful backdrop that reads Seventeen Magazine.

PHOTOGRAPHER

Smile.

Sabrina and Abe smile and the picture is taken.

The picture comes alive and Sabrina winks and her and Abe hug each other as they both put two thumbs up in the air.

THE END.
