INT. LIVING ROOM -- EVENING
(FRED, JULES, JULIE)

FRED, 30, a man who loves wearing three piece suits, enters the living room, he sits next to a woman (JULES) on the couch.

JULES, 28, wearing a dressing gown, takes no notice of FRED, she carries on watching a video on the television set.

FRED, looks at her, scratches the top of his head, pulls a number of sad faces, smirks, grunts, looks at JULES. Anger fills his eyes.

JULES glances at him.

JULES
What?

FRED
Nothing.

JULIE (O.S.)
Mummy.

JULES gets up and goes to leave the room.

FRED
Why does she get immediate attention? I walk in the room and got not a blink. Nothing! Absolutely, nothing!

JULES
She's a child. We are responsible for her!

FRED
It's about time. I had your attention. I'm your husband, Jules.

JULES
That's ridiculous! You know it is, Fred!

FRED gets up and grabs JULES by the shoulders, with both hands. One on each shoulder.

FRED
That kid, was an after thought. When we got married, we never planned to have her. We had sex. Then bingo, she arrived.

(CONTINUED)
JULES
So. You've told me that hundreds of times.

FRED
Either, she goes or I will! I have tried putting up with having an extra body around competing for my lover's attention for eight years.

JULES
Fred, you are totally unreasonable.

FRED
Look! The wedding vows, said for better or for worse. She arrived as an accessory after the wedding, so, why should I go?

JULES
She's a kid!

FRED
Yes. A kid that intrudes on our relationship. A kid that interferes with my business partner. A business that needs your attention, so we can be more successful in it.

JULES
Okay! You go, hire someone to fill in. The kid is our responsibility, until she is of the age to leave home.

JULES pushes FRED away and leaves the room.

INT. CAR -- MORNING
(JULIE, JULES)

JULIE, 8, is dressed in her school uniform.

JULES, is driving on a busy stretch of road.

JULIE (a.k.a. JUICE)

Julie, honey! You're not at fault. Daddy has an adjustment problem to you being here.

(CONTINUED)
JULIE (a.k.a. JUICE)
Mummy, I'm sorry I caused you two so much pain.
(starts crying)

JULES pulls the car over to the curb. Places an arm around JULIE, then strokes her face and gently raises her chin.

JULES looks at her, crying, tears rolling down her cheeks, over on to her uniform, sobbing.

JULES
Julie, don't ever think you caused me pain. I love you! I just don't know what to do.
(sheds a tear)
I will always love you.

JULIE hugs into her mother and rests burying her face on her chest, still crying.

JULIE

JULES, get up and pulls a pack of cigarettes out of her handbag, lights it up and puffs on it.

The door of the office opens, FRED walks in.

FRED
I'm sorry, we can't afford to hire anyone to make life easier.

JULES
(sighs)
If we cut back on the high life, we could afford it.

(CONTINUED)
FRED
I need some pleasure in life. We need the high life to enhance what we have to meet those important contacts. Haven't you notice they are all events with potential outcomes.

JULES
Don't you feel anything about your daughter?

FRED
No! Like I said I didn't want any kids when we got married. Kids just tie us down and we are too busy.

JULES
You really don't think we can work this out another way?

FRED
She has to go! I feel so neglected.

JULES studies FRED face and eyes closely, trying to see if there is an ounce of something he might feel for his daughter.

JULES
Julie is a life, accident or not!

Not even FRED's eyes are watering, just a cold intruding look.

FRED
An accident that is destroying me and our business. I'm lonely Jules, it me or her.

FRED storms out of the office, slamming the door hard behind him.

JULES paces the floor, tears rolling down her face.

In her head FRED's words echo.

FRED (CONT'D)
She's an accident.
(then)
We never wanted a child.
(then)
What about me when can I have fun with you?

(MORE)

(CONTINUED)
FRED (CONT'D)

(then)
I'm lonely Jules! I want us, only us. Not her, only us!
(then)
It's the love we share or her.
(then)

JULES
Off you go! Enjoy you're friends.
I'll be sitting on the bench.

The push Merry-go-round slows and JULIE hops off and runs over to the bench. A day pack, lies by the bench. JULES is gone.

JULIE (a.k.a. CLICKS)
Mummy!

JULIE runs over to the Restroom and goes in.

JULIE (a.k.a. JUICE O.S.) (CONT'D)
Mummy!

JULIE then comes out.

A MAN#1 (CLICKS) is waiting by the bench and has the bag in his hands. An envelope lies on the ground under the bench, where the day pack was.

JULIE runs over to him.

JULIE (a.k.a. JUICE) (CONT'D)
That's my Mummy's!

The MAN#1 puts the bag on the bench, looks around the playground.

MAN#1 (a.k.a. CLICKS)
Where is she?

JULIE (a.k.a. JUICE)
She won't be far.

MAN#1 (a.k.a. CLICKS)
I'll wait here until she return.

JULIE (a.k.a. JUICE)
Okay.

MAN#1 (a.k.a. CLICKS)
What's your name?

(CONTINUED)
JULIE (a.k.a. JUICE)
I'm Julie, but you can call me, Juice.
It's my nickname at school, cause
I'm always having juice with my play lunch.

MAN#1 (a.k.a. CLICKS)
Juice. Well, I'm known as Clive, people call me Clicks, my nickname.
Cause, I click my fingers lots, when I greet others. Like this!

The MAN#1 clicks his fingers.

JULIE (a.k.a. JUICE)
I can do that too!

JULIE clicks her fingers, but not as good as CLICKS.

JULIE notices the envelope on the ground under the bench, picks it up.

CLICKS
Let's look in the day pack. See what's in there.

CLICKS opens the bag and pulls out a soft cuddly bear.

JUICE
That's Cuddles! I cuddle in to him every night, before I go to sleep.
I wonder why he's here, he should be on my bed.

JUICE looks very cross.

JUICE (CONT'D)
Cuddles, why are you not guarding my bedroom?

The soft toy says nothing.

CLICKS is searching the day pack further, pulling items out as he announces them.

CLICKS
There's a sleeping bag in here, bag of peanuts, raisins, some underwear, a few dresses, togs, toothbrush and a towel.

JUICE
Strange, why would Mummy pack all those things?

(CONTINUED)
CLICKS
Tis, a little.

JUICE shows CLICKS the envelope.

JUICE
I found an envelope with my name on it.

CLICKS looks at it.

CLICKS
Maybe, you should open it.

JUICE opens the envelope, pulls out a letter.

JUICE
Could you read this please?

CLICKS takes the letter and reads it.

CLICKS
Can I have the envelope?

JUICE gives him the envelope.

CLICKS looks inside, lets the letter drop to the ground.

CLICKS takes out some money, counts it.

CLICKS (CONT'D)
Five hundred! I should look after it. You might lose it.

CLICKS pockets the money.

CLICKS (CONT'D)
Put everything back in the bag.
And, stay here.

CLICKS walks off.

JUICE places the contents back into the day pack and sits on the bench.
EXT. PLAYGROUND -- LATER  
(JUICE)

JUICE is still sitting on the bench, she picks up the letter and reads it out Loud.

JUICE
Dear Julie, I am sorry honey. Daddy and I have been fighting each other. We have decided it is time you left home and look after yourself. I have put some money inside to help you on your way. All the best. Love Mummy.

JUICE is sitting on the bench still, she is crying.
JUICE
Mummy, please come and get me.

JUICE looks around the playground, her eyes wandering everywhere.

CLICKS comes up and sits next to her, putting an arm around her.

CLICKS
I don't think Mummy is coming back. The note said so.

JUICE
What am I going to do?

CLICKS
It's not a good situation. I'm sorry for you kid.

JUICE carries on crying, cuddles into CLICKS.

EXT. PLAYGROUND -- EVENING
(CLICKS, JUICE)

CLICKS
I'll take care of you now.

JUICE
Okay.

CLICKS
It's getting dark now. We should find a safe place to crash.

JUICE
There's a play hut over there. I think you might be too big to get inside.

JUICE and CLICKS walk over to the Hut, a narrow round pipe leads to it.

JUICE crawls inside.

CLICKS tries, however, can only put his head in and goes no further than his shoulders, he climbs out and stands up.

CLICKS
I'm too big! But, it's a safe place for you.

JUICE crawls out.

(CONTINUED)
JUICE
I'm hungry.

CLICKS
Are you hungry? How about some fish and chips?

JUICE
Yes! But could I have a dog on a stick? I get sick if I eat fish. Could I also have some Orange Juice.

CLICKS
Okay. You stay in there and I'll get it.

JUICE climbs back in the pipe and goes to the hut.

CLICKS gets the day pack and returns to the pipe leading to the hut.

CLICKS (CONT'D)

JUICE
It's my eighth birthday tomorrow.

(CONTINUED)
CLICKS
You're birthday? They told you to move out at eight? That's disgusting.

JUICE
They were always fighting. Daddy, said, I was an accessory to the marriage. You see, they never planned to have kids. I was a mistake..

CLICKS
A mistake! An accessory! What! You are a human being, Juice.

CLICKS looks dumbfounded and annoyed, his eyes water, a tear trickles down his face.

JUICE
He said I was intruding on the relationship and it interfered with the business they run together.

CLICKS
What kind of business?

JUICE
Well, they run a printing firm in Redfern.

CLICKS
Is that where they live?

JUICE
No, they live in Clifton Gardens, on the North Shore.

CLICKS
So, they are rich?

JUICE
I guess. They live in a brand new apartment, we moved in only two weeks ago.

CLICKS
And they dumped you? The nerve.

JUICE
Dump me?

CLICKS
Means, told you to go.

(CONTINUED)
JUICE
Leave home?

CLICKS
Yes. You know, Juice. You are too young to be tossed out on the street.

JUICE
Am I? Do you mean, I am not old enough to leave home, because I'm still a kid?

CLICKS
Yes!

JUICE
How old do you have to be to leave home?

CLICKS
When you finish high school.

JUICE
Oh!

JUICE and CLICKS finish eating.

CLICKS picks up the wrappers and cans, takes them over to the Rubbish Tin, puts it in it.

JUICE takes her footwear off and hops in the sleeping bag, puts Cuddles in her arms, her head on the day pack.

CLICKS
Okay! Who does she pray to?

JUICE
Jesus sometimes God!

CLICKS
So you're Mum goes to church?

JUICE
Yes! Daddy, never goes. He's an aphfeeeist.

CLICKS
An atheist not aphfeeeist. (laughs)

JUICE
(laughs also)

CLICKS (CONT'D)

We have to leave, they are knocking the place down. I know a diner near by. We can have breakfast there.

Once JUICE has put on her footwear, CLICKS puts the day pack on, they then leave the office.

CLICKS

That's a great help. There are lots of North something schools. Is it a public or private school.

(CONTINUED)
JUICE
It has a bell tower, a library and a swimming pool.

CLICKS
I see. Maybe, we could skip school today.

JUICE
There is no school today!

JUICE laughs.

CLICKS
Why!

JUICE
Silly, duffer! The teachers are striking today.

CLICKS
I see! I didn't know!

A shoe is hurled out of a passing car and hits the day pack.

JUICE
Hey!

CLICKS looks at the shoe, an envelope is seen in it.

CLICKS
Pick the shoe up, Juice.

JUICE picks up the shoe, takes the envelope out, opens it, she pulls out lots of twenty pound bills and a note.

JUICE
More money and a note.

JUICE hands the note to CLICKS.

WOMAN#1
Bugger off or I'll call the Police.

JUICE
Money, or I'll smash the other one.

The WOMAN#1 goes inside and returns with some money and a bag of food.

(CONTINUED)
WOMAN#1

Here you are.

JUICE takes the bag of food and the money, she counts the money.

JUICE

Is this all the money you've got?

So, you are the scum. Come with us.

The Police Officers force the man to his feet and lead him out of the playground.

MAN#2
Look I'm innocent.

CLICKS (CONT'D)
There's your spending money! Off you go. I'll look after the rest.

JUICE gives CLICKS a hug and kisses him on the cheeks.

JUICE
We make a good team. I never had so much money to spend.

JUICE runs off.

EXT. ALLEYWAY -- LATER
(JUICE, CLICKS)

JUICE walks up to the cardboard boxes, she sits by them on an upturned beer crate.

CLICKS returns, staggers in the alleyway like he is drunk. Hugs JUICE.

JUICE
I wish you wouldn't get drunk.

CLICKS
Don't start, it's the only fun I have left.

CLICKS coughs and brings up some blood he spews on the ground.

JUICE
You should see the doctor.

(CONTINUED)
CLICKS
Right as rain sweetie. Thanks for the concern.

CLICKS hands her a can of Cola Rum.

JUICE takes it.

JUICE
You remembered my Cola Rum. Now, I can get drunk too.

CLICKS
You shouldn't at your age, then who's to know? Then it helps you sleep.

    What did he look like?

    JUICE
    He told me, if I tell, he would come and slice my throat.

    CLICKS
    Tomorrow, it's Sunday. There is an outdoor church service in one of the parks, they hand out soup and small meals. Lots of the street people go there, maybe, he'll be there and you can show me who he was.
JUICE
Please don't leave me by myself.

CLICKS
I promise from now on, unless I have a place, where only kids can crawl into like the hut. I won't leave.

JUICE
Thank you.

JUICE cuddles into CLICKS and goes to sleep.

INT. LIVING ROOM -- EVENING

JULES opens the door.

On the couch FRED is lying on his back in his boxers with a woman#2, early twenties, in a short black skirt and white shirt on top of him giving his shoulders a massage, music is playing loudly.

JULES walks up unnoticed as FRED and the WOMAN#2 kiss.

WOMAN#2
Are we going to elope tonight?

FRED and WOMAN#2 kiss some more.

FRED
I've written a note, it's on the table.

WOMAN#2
You coward, you just walking out without saying a word?

FRED
Yeah! I don't want a scene.

WOMAN#2
What about the kid on the street?

FRED
I convinced Jules to drop her off. The courts won't think kind of her for doing that! I'll deny everything of course.

WOMAN#2
And, will get custody of the kid.

(CONTINUED)
FRED
Yeah, and an easy divorce. Can't have a lunatic like that looking after a child. After all, she abandoned the child.

WOMAN#2
I always wanted to have a kid.

WOMAN#2 and FRED look into deep kissing.

JULES snaps the peer on her cellphone she pulls out of her handbag. A tear rolls down her cheek.

JULES walks over to the table, takes the note and leaves through the door she entered through. Slamming it once she has passed through.

FRED jumps.

WOMAN#2 jumps.

FRED
I thought she was going to be home late.

WOMAN#2
You told me that!

WOMAN#2 jumps off.

WOMAN#2 (CONT'D)
(yells)
Jules you are such a wicked cow.

WOMAN#2 turns round to face the direction of the slammed door.

FRED
(looks around the room)
It wasn't her! Thank goodness for that!

FRED stands up.

WOMAN#2 walks over to the table.

WOMAN#2
Can I read the note?

FRED
Certainly dear!

(CONTINUED)
WOMAN#2
(reaching the table)
It's not on the table.

FRED walks over, looks at the table.

FRED
I'm sure I left it there. Darn, it must be still at the office!

WOMAN#2
(smiles)
Oh well! You can post it.

FRED
Okay. I'll get my bags and we'll be off!

FRED leaves the room.

INT. CAR -- NIGHT

A car pulls up outside the playground by the street.

JULES sits behind the wheel, clutching the note as she cries.

She opens the note and reads it out loud. Stopping to sop from time time.

JULES
Dear Jules, I have had enough your selfishness and lack of attention, so much so, I found a gorgeous woman to replace you. Her love and devotion is insufficient to your measly one, that's if you can call it love at all. Bye. P.S. get some help you badly need it. I think you are mentally unstable.

JULES screws the note up, leans her head on the horn, making it sound off as she cries.

JULES (CONT'D)
You bastard.

END OF ACT TWO
ACT THREE

EXT. ALLEYWAY -- MORNING
(JUICE, CLICKS)

BRUCIE
Hi, Clicks.

CLICKS
Hi, there Brucie.

BRUCIE
How are you and Juice doing?

CLICKS
We're a little troubled. I was only gone thirty minutes. Someone came into the alley and felt young Juice up. She was crying all night and this morning.

BRUCIE
There's word about the Crow being in an alley last night.

CLICKS
I thought they put him away.

BRUCIE
Seems, he got parole only Yesterday.

(CONTINUED)
CLICKS
He used to be in the Alley, where we were nesting.

BRUCIE
He was nesting in an Alley, he told us at the bar. We should see if he's at the park tonight.

CLICKS
Crow, I wish they lock him up indefinitely. You can't trust him with kids. Why do they let buggers like him out, I don't know?

BRUCIE
Pity, you can't be there before he strikes! All the damage he does to little kiddies. Makes my blood boil.

JUICE comes over and gives CLICKS a big hug. She then gives BRUCIE a hug.

JUICE
Will you push me on the swing, Clicks?

BRUCIE
I'll see you at the park tonight.

CLICKS
Okay, find out what you can.

BRUCIE leaves.

CLICKS takes JUICE to swings and pushes her.

CLICKS (CONT'D)
You're big enough to push yourself now.

JUICE
I know, I just want you close. After last night.

CLICKS
I understand.

For God so loved the world, that he gave his only begotten son, so that, whosoever believes on him should not perish but have everlasting life.

CLICKS whisper to JUICE.

CLICKS
Juice, can you see the man?

JUICE
I saw him on the way in, he was in front of us, before we crossed the rail tracks.

BRUCIE turns to CLICKS.

BRUCIE
That was Crow for sure!

CLICKS
We'll wait for him after the altar call, he always goes up. It's like clock work.

MINISTER
If you like to commit your life to Jesus, why not come forward now. He is waiting for you.

Some of the crowd shuffle to where the MINISTER is.

CLICKS
Brucie, can you keep an eye on Juice.

CLICKS goes up on the Altar call. He finds CROW and stands to one side of him.

CROW whispers to CLICKS.

CROW
I'm back my old mate. Got out yesterday.

CLICKS
You want to talk over there. I have something I'd like to give you.

CROW
After the Altar Call Pray, then I'll come with you.

THE MINISTER prays and people repeat after him.
MINISTER
Dear Lord Jesus

CROWD
Dear Lord Jesus

EXT. PARK -- LATER
(CLICKS, CROW, BRUCIE, JUICE)

CROW walks away from the altar call area with CLICKS. They go behind a big tree on the far side of the park.

BRUCIE watches the pair as they go. Keeping an eye on them from time to time.

CROW and CLICKS go behind a big tree on the far side of the park, out of view of the other.

A fight is heard from that direction.

One of the workers from the Ministry is seen on a cellphone.

BRUCIE takes JUICE to get some soup and bread from the servers, as they take their meal away with bread, a police car pulls up by the trees where CLICKS took the CROW.

CLICKS can be seen being escorted to the Police Car by the POLICE and is put in the back. The Police climb in the front and drive off.

An Ambulance arrives in the same place where CLICKS was, the Ambulance Officers carry a stretcher with some one on it. They put him in the rear of the Ambulance and drive off.

BRUCIE
Juice, looks like Clicks did some damage to the Crow.

JUICE
Was he the man that came to the Alley?

BRUCIE
I think so, he's not trustworthy around kids and keeps getting put away for it.

JUICE
Do you think Clicks will be okay? He won't get locked up?

BRUCIE
Depends, what he did to the Crow.
INT. POLICE STATION OFFICE -- LATER

(OFFICER)

OFFICER
Okay, Clicks I am placing you under
arrest for murdering the man you
call Crow. You have a right to..

EXT. PLAYGROUND -- LATER

(BRUCIE, JUICE)

BRUCIE enters the playground with JUICE.

JUICE
I hide in there.
(pointing at the hut)
There's a pipe I climb through and
no adult can get me.

BRUCIE
You rest there tonight. I'll get
back here in the morning. I'm off
to see what happened to Clicks.

JUICE crawls into the pipe and BRUCIE leaves the playground.

EXT. BUSY STREET -- MORNING

(JUICE, JULES)

JUICE looks down, she is standing on the foot path, a car
pulls up along side her.

A woman gets out, it's JULES her mother. She approaches
her.

JUICE
Mummy!

JULES hugs her.

JULES
You can come home now. Daddy and I
broke up. He ran off with another
woman.

JULES opens the door of the car.

JUICE hops in.

JULES closes the door and goes round to the driver's side.
The car pulls off.
