ROB HUMPHREY and JIM PETERSON

FADE IN:

EXT. WASHINGTON, D.C. - NIGHT

CAMERA pans downward to reveal the Washington Monument. A helicopter hovers over the Monument.

CUT TO:

INT. HELICOPTER - NIGHT

Inside the helicopter, we introduce a group of thieves known as "The Bandits of Duckburg". The three members are SYDNEY, the leader of the group, XANADU, the supposed "brains" of the group, and DR. MO, the dimwitted "doctor" of the group.

SYDNEY

OK, Bandits, this is it. When we get to the White House, we'll grab the processor and sprint on outta here.

DR. MO

How are we gonna get in?

SYDNEY

Leave that to me.

CUT TO:

INT. PRESIDENT'S OFFICE - NIGHT

At the President's office, the Bandits pop out above the ceiling.

CUT TO:

INT. WHITE HOUSE - NIGHT

We cut to the White House, where the President is being interviewed. We introduce DAISY DUCK, a news reporter on the program "What In The World?". She is assisted by DONALD, her cameraman.

PRESIDENT

(chuckles)

Well, Daisy, it's true. You see, this processor is actually a top-secret microchip.

DAISY
Interesting. OK, one last question.
Do you think that the microchip
will be stolen?

PRESIDENT
I hope not.

DAISY turns to the camera.

DAISY
And there you have it, folks. The
President's micro-processing unit
will never be stolen. For "What In
The World?", I'm Daisy Duck
reporting.

DONALD switches the camera off.

DAISY (CONT'D)
Great job, Donald.

DONALD
Oh, it was nothing.

DAISY
Let's just hope that the microchip
isn't stolen.

DONALD
I hope so, too.

CUT TO:

EXT. ROOF - NIGHT

XANADU wraps a long piece of wire and ties it around SYDNEY'S
waist, tightly.

XANADU
(quietly)
Good luck.

CUT TO:

INT. PRESIDENT'S OFFICE - NIGHT - CONTINUOUS

SYDNEY is being lowered down slowly into the office. There,
she sees the microchip inside the golden case. She takes out
a glass cutter and slowly turns it around the glass to open
it.

SYDNEY
(quietly)
That's right. Come to Sydney.
(laughs)

SYDNEY hears the alarm blaring loudly as she quickly places the microchip in her pants pocket. She is thrown back up through the roof.

CUT TO:

INT. WHITE HOUSE - NIGHT - CONTINUOUS

Back at the White House, both the What In The World crew and the President hear the alarm blaring loudly.

DONALD
What the?!

PRESIDENT
The microchip! It's been stolen!

DAISY
Already?

CUT TO:

EXT. WHITE HOUSE - NIGHT

SYDNEY immediately exits the White House with the microchip. The helicopter lands down towards the grass.

XANADU
You have the microchip?

SYDNEY shows both DR. MO and XANADU the microchip.

SYDNEY
Got it right here. Let's bolt!

SYDNEY hops back inside their helicopter. As it begins to take off, DONALD, DAISY and the President chase after them in the Marine One.

CUT TO:

INT. MARINE ONE - NIGHT

PRESIDENT
Stop! Thieves!

CUT TO:

INT. HELICOPTER - NIGHT

XANADU
Try to catch us, Mr. President!
(laughs)

SYDNEY
Bon voyage, losers!

CUT TO:

EXT. DOWNTOWN WASHINGTON, D.C. - NIGHT

The two helicopters continue to chase after each other as they reach downtown Washington, D.C.

CUT TO:

INT. HELICOPTER - NIGHT

XANADU takes out a sharpshooter and aims it at the Marine One.

XANADU
Yippee-ki-yay, feather-brains!

XANADU begins shooting at the Marine One.

CUT TO:

INT. MARINE ONE - NIGHT - CONTINUOUS

DONALD
Look out!

The three people duck as the bullets fly straight through the window. As DAISY begins to get up, she spots a missile flying towards them.

DAISY
Jump!

CUT TO:

EXT. DOWNTOWN WASHINGTON, D.C. - NIGHT

After DONALD, DAISY and the President jump out from the Marine One, it explodes along with the missile. The Bandits' helicopter soon flies off from them in the distance.

PRESIDENT

(growls)

Damn it! They got away!

DONALD

What do we do now?

DAISY

Well, we've gotta go, anyway.

PRESIDENT

You're leaving already? What about the Bandits?

DAISY

I'm sure the Bandits'll get arrested soon. Right now, me and Donald got other things on our minds. Don't we, Donald?

DONALD

Uh, yeah. Yes, we do.

DAISY

Our flight'll be departing soon, so it has been an honor to meet you, Mr. President.

DAISY shakes hands with the President as they depart from each other.

DAISY (CONT'D)

(whistles)

Taxi!

Just then, a taxi cab pulls up in front of DONALD and DAISY.

DAISY (CONT'D)

The airport, good sir.

The two enters the vehicle as it drives off to the airport.

CUT TO:

INT. BUILDING - NIGHT

In a dark building, a board meeting is being held by three agents.

MAN

We've just received word that the Bandits have just stolen a top-secret microchip from the President.

WOMAN

What do we do? So far, we have no agents that are capable to achieve this mission. The only thing that can work is that we need new recruits.

MAN

She's right. We need new members. People who have intelligence, reliability and useful thinking. One question, though. How are we gonna get some more agents?

The agents suddenly hear a voice in the b.g.

FELINA (O.S.)

Perhaps I can be of some assistance.

The person steps in and is then revealed to be FELINA FERAL, who is the second top agent of the spy business.

WOMAN

Who are you?

FELINA

Felina Feral, agent extraordinaire. I came here to introduce you to the next big thing.

MAN

(confused)

What next big thing?

FELINA shows the agents a black-and-white photo of DONALD and places it on the table.

FELINA

Are any of you familiar with Donald Duck?

MAN

Oh, yeah, I've heard of him. Isn't he the one that went to the Navy years ago?

FELINA

The same. I was thinking about having him and his nephews to be our agents in training.

MAN

Do they have any experience with espionage? Like, at all?

FELINA

No, but...

MAN

Then what's the point of recruiting civilians to an underground agency? We're looking for the best of the best, Felina, not to drag innocent bystanders into dangerous missions.

FELINA

Let me finish. As I stated, they can be our agents in training. I know this all of this by heart.

WOMAN

Why?

FELINA

Because I've seen all of Daisy Duck's news reports. From what I've researched, they've been on many adventures together. Just give 'em a chance. I'm sure that they'll track down Claw.

WOMAN

So let me get this straight: Claw and the Bandits are planning to build some kind of weapon that will destroy the globe and you're asking us to lure three kids into this situation?! Are you a **psycho**, Feral?! Don't you realize that you're making a mistake?!

FELINA

Lemme tell you somethin', pal. **I** call the shots 'round here, and I say that we recruit them in this agency, whether you like it or not!

FELINA exits from the building.

WOMAN

Who does she think she is mouthing us off like that? There's no way we can drag children into this.

For some reason, the male agent makes an obscure decision, despite what he said to FELINA.

MAN

(sighs in frustration)
I can't believe I'm saying this, but I believe that this is the only chance we have of defeating Claw.

WOMAN

Sir, you can't be serious!

MAN

I **am** serious. I believe we have no other choice.

The male agent picks up the telephone and begins to dial up a number.

WOMAN

You think this'll work?

MAN

Don't worry. She'll know what to do.

CUT TO:

INT. HELICOPTER - NIGHT - CONTINUOUS

Back in the Bandits' helicopter, SYDNEY picks up her cell phone and makes a call.

SYDNEY

Claw, this is Sydney.

CUT TO:

INT. CLAW'S LAIR - NIGHT

Inside a dark and hollow underground lair, we introduce our main villain, CLAW, as a silhouetted figure in his chair. He is seen smoking a cigar.

SYDNEY
(other line)
We got the microchip.

CLAW
Good. Good.

CLAW crushes the cigar with his robotic claw.

SYDNEY
(other line)
What should we do now, boss?

CLAW
Go straight to Duckburg. I have a special job for Xanadu. We'll make it a surprise for the President's visit tomorrow.
(chuckles evilly)

CLOSE UP ON CLAW'S LEFT EYE.

DISSOLVE TO:

EXT. DUCKBURG - DAY

As the sun begins to rise, we enter the busy streets of Duckburg. A taxi cab is seen driving through town.

CUT TO:

INT. DONALD DUCK'S HOUSE - ATTIC - DAY

Inside the attic of DONALD'S house, we introduce his teenage nephews: HUEY, 14, the trio's leader, DEWEY, 13, the sort of "computer genius" of the trio, and, finally, LOUIE, 15, the obvious comic book geek and sporty member of the trio.

They're watching television. On it is a news report coming live from Duckburg. Then, a British female reporter, WENDY DARLING, walks in on screen.

WENDY

(on TV)

I'm standing in downtown Duckburg where an annual event is being held. It appears that the President of the United States is coming to visit. As you can see by my right, a big parade is made in his honor. Back to you, Alice.

As the screen cuts back to the news station, another reporter, ALICE WONDERS, appears.

ALICE

(on TV)

Thanks, Wendy. In other news, an incident happened last night in Washington, D.C. It appears that the multi-million dollar processor has been stolen from the President several hours before his visit.

DEWEY switches the television off.

DEWEY

Well, this news is bogus.

DEWEY throws the remote control onto the floor.

DEWEY (CONT'D)

(to LOUIE)

Hey, Lou. Got any comic books for me?

LOUIE

Nope. Sorry, Dew. These comic books are Dewey-proof.

HUEY

Okay, Louie, let him read one of them.

LOUIE

(scoffs)

Oh, fine.

LOUIE gives DEWEY an issue of "Superbird". As he begins to read, DEWEY looks outside the window and spots a taxi cab pulling up in front of the house.

DEWEY

Guys, battle stations! Uncle D and Daisy are back!

HUEY

Oh, boy! Hide your books, Lou!

LOUIE

On it!

LOUIE quickly places all of his books in a cardboard box. He even swipes his "Superbird" comic book from DEWEY. They then start pretending to tidy up the room.

LOUIE (CONT'D)

Sorry, Dew. You can read it later.

DEWEY

Oh, man.

HUEY

Pretend that we're cleaning up the room.

As the boys proceed to straighten up the room, the attic door opens, revealing DONALD wearing a Hawaiian shirt.

DONALD

Good morning, boys.

BOYS

(in unison)

Good morning, Uncle Donald.

DONALD looks suspicious. He suspects something with the three of them.

DONALD

Okay, boys. What are you up to this time?

HUEY

Uh, nothing. Nothing at all, Uncle D.

(chuckles nervously)

DONALD

Are you sure?

The boys nod their heads. DONALD takes it as an answer.

DONALD (CONT'D)

Okay, if you say so. Come on downstairs. Daisy's got breakfast waiting for you.

DONALD exits the boys' attic. The boys follow him.

CUT TO:

INT. KITCHEN/DINING ROOM - DAY - CONTINUOUS

The boys and DONALD enter the kitchen, where DAISY is finishing cooking breakfast.

DAISY
Oh, good morning, boys.

LOUIE
Morning, Daisy. Say, did you hear about the President's visit to Duckburg today?

DAISY
No. I'm afraid I didn't.

LOUIE
Me, Huey and Dewey saw a news report on TV about it.

DAISY
Really? I didn't notice. Why don't you boys sit down.

DAISY places four big plates down on the table. On it are two pancakes with syrup and butter, scrambled eggs and bacon. Her pet iguana, KNUCKLES, hops onto the table and sticks his tongue out, with saliva dripping from his mouth.

DONALD
Oh, boy!

LOUIE
Wow! You've really outdone yourself, Daisy. I cannot wait to eat this.

HUEY
(scoffs)
Lou, you're always eating.

LOUIE
(mocking HUEY)
"Lou, you're always eating".

DEWEY starts laughing hysterically.

DEWEY
Good one, Lou.

LOUIE
You know it.

 DONALD
Boys!

 BOYS
 (in unison)
Sorry, Uncle Donald.

DAISY hears her cell phone ring and immediately answers it.

 DAISY
Excuse me, guys. Hello?

 TEA
 (other line)
Good morning, Daisy.

 DAISY
Oh, good morning, Mrs. Powers.

 TEA
 (other line)
Did you hear...

 DAISY
 (sighs)
Yes, I know that Kent passed away recently, and I'm sorry. Our condolences go out to you.

CUT TO:

EXT. DOWNTOWN DUCKBURG - DAY

We introduce TEA POWERS, widow of her late husband, local television personality KENT POWERS.

 TEA
Thanks, Daisy. And don't be sorry, and I'm glad he's gone. My husband's a complete asshole. Anyway, I want you and Donald to report the President's visit today at noon.

 DAISY
 (other line)
Really? Me?

TEA

Daisy, you're one of the best reporters out there. I'm sure you and Donald will do great.

CUT TO:

INT. KITCHEN/DINING ROOM - DAY

TEA

(other line)

*Remember, be there at exactly noon.
See you there.*

DAISY places her phone back in her pocket.

DAISY

Donald, did you hear? We gonna be reporting the President's visit today!

DONALD

That's great news! How do you like that, boys? We're seeing the President today.

DEWEY

We are?

DAISY

Well, you wanna come or what?

HUEY

Well, why didn't you say so?

CUT TO:

EXT. DOWNTOWN DUCKBURG - DAY

In downtown Duckburg, a huge parade begins through its streets. Then, a sleek, black vehicle appears driving as a part of the parade.

Inside, the President pops out from the back window, waving at all of Duckburg's citizens. We see DAISY and DONALD doing a news report on the visit.

DONALD

You're on live, Daisy.

DAISY

Thanks, Donald.

(to the viewers)

Well, we're live at downtown Duckburg where the President of our nation's capital is here for a visit. As you can see, thousands of people have attended this tremendous honor.

CUT TO:

EXT. DEPARTMENT STORE - DAY

On the side of a department store, we see XANADU loading fifty-five bullets in her sharpshooter. She receives a call from CLAW.

CLAW

(other line)

Have you loaded the bullets yet?

XANADU

Yeah. Just got finished.

CLAW

(other line)

Good. Now, listen to what I'm about to say. Assassinate the President. I repeat, assassinate the President.

XANADU

Claw, you have my word.

XANADU places her phone back in her pocket.

CUT TO:

INT. DEPARTMENT STORE - DAY

XANADU quickly enters the store. She storms through the back door.

CUT TO:

EXT. DEPARTMENT STORE - DAY

XANADU stops on the roof of the building. She kneels down on one knee and aims her sharpshooter down at the black vehicle. She sets her sights on the President.

XANADU
Hasta la vista, baby.

CUT TO:

EXT. DOWNTOWN DUCKBURG - DAY

We see the boys, along with DONALD and DAISY, watching the parade. The President continues waving.

DAISY
Isn't this wonderful, Donald?
Nothing can possibly ruin this.

Suddenly, someone starts shooting at the black vehicle. Few of the bullets deflate the parade's floats and its tires. The floats then crash into each other. The vehicle continues to drive.

DEWEY
What was that?

The shooting continues to break the glass windows. Many people flee from the incident.

PRESIDENT
Quit shooting at me, whoever you
are!

HUEY hurries across the street. As he does, DAISY grabs his arm.

DAISY
Huey! What are you doing?!

HUEY
Someone has to do something around
here!

HUEY removes DAISY'S arm and hurries to the vehicle. He knocks on the window and the President pops out.

PRESIDENT
Hello there.

CUT TO:

INT. VEHICLE - DAY

HUEY opens the front door, pushes the cabbie off from the vehicle and sits down in the driver's seat.

HUEY
Move it, buddy!

CABBIE
Wait, what are you...Aah!

PRESIDENT
What the hell are you're doing?!

HUEY
Saving your life!

More bullets fly towards the vehicle as HUEY ignites the engines.

PRESIDENT
Do you even **know** how to drive?

HUEY
Just trust me on this.

CUT TO:

EXT. DOWNTOWN DUCKBURG - DAY

The vehicle drives off while DEWEY, LOUIE, DONALD and DAISY chase after it. XANADU throws her sharpshooter onto the sidewalk.

XANADU
Shit!

CUT TO:

EXT. DUCKBURG BRIDGE - DAY

The vehicle crashes through the gates of Duckburg Bridge. As it reaches the other side, it crashes through it. The vehicle slightly tips over the edge.

CUT TO:

INT. VEHICLE - DAY - CONTINUOUS

HUEY
Oh, great.
(turns to PRESIDENT)
Okay, this may sound crazy, but we need to jump.

PRESIDENT
Are you crazy?!

HUEY
(sighs)
I was hoping you would say that.
Look, just trust me, okay?

PRESIDENT
OK.

CUT TO:

EXT. DUCKBURG BRIDGE - DAY

HUEY and the President jump out from the vehicle as it falls into the ocean. The others rush to the scene.

DONALD
Huey! Are you okay?

HUEY
Of course I'm all right.

PRESIDENT
Huey, you saved my life back there.
I would've been a goner if it
wasn't for you.

HUEY
Well, thank you, Mr. President.
It's my pleasure.

DAISY
I must ask, Mr. President. Who was
the person that was shooting at
you?

PRESIDENT
I don't know.

CUT TO:

EXT. DEPARTMENT STORE - DAY

Back on top of the roof of the department store, XANADU contacts CLAW.

XANADU
Claw, we have a problem.

CLAW
 (other line)
*You didn't assassinate the
 President, did you?*

XANADU
 How did you guess? Do you have
 surveillance?

CLAW
 (other line)
*No, I have a crystal ball. What do
 you think?*

XANADU quickly hangs up CLAW and places her phone back in her pocket.

XANADU
 I'm dead.

DISSOLVE TO:

INT. DONALD DUCK'S HOUSE - ATTIC - DAY - LATER

HUEY
 I can't believe I actually saved
 the President! Isn't this great,
 you guys?

LOUIE
 Yeah, but aren't you forgetting the
 fact that you almost got yourself
killed out there?!

HUEY
 Louie, do you think I don't know
 that?

LOUIE groans in frustration. The boys then hear a knock on the door.

CUT TO:

INT. LIVING ROOM - DAY - CONTINUOUS

DONALD walks up to the front door.

DONALD
 Wonder who that could be?

DONALD opens the door, revealing a letter.

DONALD (CONT'D)
 Hmm, what's this?

DONALD picks up the letter and opens it up, revealing an invitation.

DONALD (CONT'D)
 Hey, Daisy. Come take a look at this.

CUT TO:

INT. DINING ROOM - DAY - CONTINUOUS

In the dining room, DAISY begins to read the invitation.

DAISY
 (reading)
 "Dear guests, you have been invited to a gala at McDuck Manor. Enjoy dining, dancing and a special tribute to Scrooge McDuck, the world's most richest duck."

HUEY
 A gala in honor of Uncle Scrooge? What's the time?

DAISY
 The time is 6:00, p.m. That's tonight!

DISSOLVE TO:

EXT. MCDUCK MANOR - NIGHT - LATER

Riding in the "What In The World" RV, the gang arrives at McDuck Manor. They exit the vehicle and head inside.

CUT TO:

INT. BALLROOM - NIGHT

The gang enters the mansion.

LOUIE
 Wow. This place is huge.

DAISY
 I haven't even been here in a long while.

They are then greeted by SCROOGE MCDUCK and his teenage grand-niece WEBBIGAIL "WEBBY" VANDERQUACK, 17.

DONALD
Uncle Scrooge!

SCROOGE
Donald, my boy!

Both DONALD and SCROOGE give each other a hug.

SCROOGE (CONT'D)
Oh, it has been a while since you returned from the Navy.

DONALD
It sure is. So, how are things going for you?

SCROOGE
Oh, just this gala in honor of myself. Oh, I almost forgot. Donald, have you met my grand-niece Webbigail?

WEBBY
(sighs)
It's Webby, Uncle Scrooge.

SCROOGE
Yes, of course. Webby.

WEBBY spots the boys and rushes over to them.

WEBBY
Boys!

WEBBY gives them a hug.

WEBBY (CONT'D)
Oh, it's so good to see you again. I can't believe it's been this long.

LOUIE
Wow, Webster. You've grown up.

WEBBY
Yeah, I know.

HUEY
Uncle Scrooge!

SCROOGE

Lads! I'm so happy you came!

The boys and SCROOGE give each other a hug.

DEWEY

So, anyone want to dance? I'd sure like to go for one.

DAISY

Well, sure. We'll dance.

(to DONALD)

Feel like dancing, Donald?

DONALD

Sure.

The gang then walks over to the dance floor. They begin to dance. LOUIE then hears the sound of thunder rumbling in the distance.

DAISY

Something wrong, Louie?

LOUIE

Oh, nothing. Just some thunder, that's all.

HUEY

Maybe there's gonna be a thunderstorm.

Suddenly, the two doors burst open widely as everyone in the room stares at them. Tons of leaves flow through the strong winds. Soon, the crowd begins to murmur quietly.

PERSON #1

What's going on?

PERSON #2

I don't know.

CLAW unexpectedly enters.

WEBBY

Who is that guy?

DEWEY

Guess we'll just have to find out.

CLAW

Sorry I had to crash the party. I was wondering where to place my invitation.

DAISY

You received the same invitation?

CLAW

Of course I did. Anyway, allow me to introduce myself. I am the Claw. Pleasure to meet you.

WEBBY

"The Claw"?

CLAW pops behind WEBBY and places his robotic claw onto her shoulder. She creates a shocking look.

CLAW

Does **this** answer your question, little girl?

WEBBY

May I have some space, please?

CLAW

Yes, you may.

CLAW slowly walks around the building, while everyone continues to look at him with uncomfortable expressions.

CLAW (CONT'D)

Is everyone okay? Feeling uncomfortable?
(chuckles)

DAISY leans over to DONALD'S ear.

DAISY

(softly)
This guy is creeping me out.

DONALD

(softly)
You're telling me.

CLAW turns to DONALD.

CLAW

Oh, I'm sorry. Did I say you can interrupt me when I'm speaking?

DONALD

(chuckles nervously)
Uh, no?

CLAW
 (shouting)
Well, don't interrupt me then!

CLAW continues to walk around.

CLAW (CONT'D)
 This is why I hate interruptions.
 Does any of you hate those kinds of
 things? No?

CLAW then faces the crowd.

CLAW (CONT'D)
 (shouting)
Look at my face!

Everyone takes a step back for personal space. CLAW grabs a glass of champagne. He then continues to speak.

CLAW (CONT'D)
 Look, this may seem obvious to any
 of you, but I'm not a bad guy. No,
 no, no, no, no. I'm a good man.
 Just your typical, average,
 ordinary American citizen.
 Handsome, respectful, cunning,
 extraordinary. Excuse me for a
 second.

CLAW takes a sip of champagne and throws his glass to the floor. As he finishes, he make a menacing smile, revealing twenty rows of silver, metallic teeth. Everyone in the room gets scared of him.

FEMALE #1
 (scared)
 Oh, my goodness!

MALE #1
 What kind of teeth are those?

CLAW
 Now, now. Don't be afraid. These
 are special teeth. Anyway, let's
 just say that I'm not mean, okay?

CLAW then looks at his wristwatch. The time is 7:08, p.m.

CLAW (CONT'D)
 Sorry, everyone, but I really must
 be going.

CLAW walks to the front door.

CLAW (CONT'D)

It was really nice meeting you all.
Ta-ta.

CLAW exits.

HUEY

What a horrifying person.

CUT TO:

EXT. MCDUCK MANOR - NIGHT

CLAW contacts the Bandits through his wristwatch.

CLAW

Sydney.

SYDNEY

(other line)
Yes, Claw?

CLAW

Get the helicopter.

SYDNEY

(other line)
Yes, sir.

CUT TO:

INT. BALLROOM - NIGHT

HUEY looks outside the window to see CLAW waiting impatiently.

HUEY

There's something suspicious going on with this guy. What do you guys think it is?

LOUIE

I don't know, you guys. He's kinda nice.

DEWEY

Nice?! Lou, there's obviously something up about this character. I believe he's trying to hatch something dastardly.

LOUIE
You may be right.

CALLIE (O.S.)
Excuse me.

The gang turns to CALLIE BRIGGS, special agent and former deputy mayor of Megakat City.

CALLIE (CONT'D)
Are you the Duck family, the ones who saved the U.S. President during his visit?

HUEY
Uh, yes. Who's asking?

CALLIE
My name's Callie Briggs. I just moved here from Megakat City. I know that your names are Donald, Daisy, Huey, Dewey and Louie. And this must be Scrooge McDuck and his grand-niece Webbigail Vanderquack. Is that correct?

DEWEY
Yeah.

WEBBY
How did you know about this?

CALLIE
I'll explain while we have dinner. This place is getting crowded anyway.

CUT TO:

EXT. CHEZ SWANN - NIGHT

The gang, along with CALLIE, arrives at Chez Swann.

CUT TO:

INT. CHEZ SWANN - NIGHT

Inside, the gang sits down at a booth. CALLIE takes a sip of milk and places the glass down.

DAISY
Uh, Ms. Briggs...

CALLIE
Please call me Callie. I'm cool
with that.

DAISY
OK, then, Callie. What exactly is
going on here?

CALLIE
Glad you asked.

CALLIE puts her glass down.

CALLIE (CONT'D)
You see, I'm looking for civilians
who are willing to be recruited to
the Federal Organization for World
Loyalty, or F.O.W.L. for short. My
boss, Felina Feral, sent me here to
look for you.

DAISY
But, why us? We're just regular
Duckburg citizens.

HUEY
Yeah, why would you recruit
civilians like us to an agency?

CALLIE
I know it's a bit confusing -- and
even ridiculous -- but the F.O.W.L.
wanted new recruits in order to
track down Claw and the Bandits,
and since we have no agents left,
Felina wanted us to recruit you
guys to the agency.

The gang is dumbfounded.

DONALD
That is the most ridiculous thing
we've ever heard.

CALLIE
I know, but Felina said that this
is the only way we can do to defeat
Claw. So, are you guys up for it?

HUEY
Um, we're not sure about this...

DEWEY
We'll do it!

HUEY
(annoyed)
Seriously?

SCROOGE
Lads, are you sure about this?

LOUIE
We're definitely sure.
(to HUEY)
Ain't it right, Hue-man?

HUEY appears to be worried. Not for him, but for his brothers, DONALD and DAISY, SCROOGE and WEBBY. According to his look, he doesn't want them to get injured, but on the other hand, he does like excitement. As a response, HUEY makes a decision.

HUEY
(sighs)
All right, Callie, we're in.

DEWEY
(excited)
Yes!

LOUIE
Woo-hoo!

CALLIE
OK, then. It's settled.

DAISY
One question, Callie. What exactly **is** our first assignment?

CALLIE
Why don't you guys come with me to the agency and see for yourself?

CUT TO:

EXT. DUCKBURG BAY BRIDGE - NIGHT

The gang, along with CALLIE, flies over Duckburg Bay Bridge in the F.O.W.L. helicopter.

CUT TO:

INT. F.O.W.L. HELICOPTER - NIGHT

WEBBY

How much longer until we arrive at
the F.O.W.L.?

CALLIE

Not very long. We'll be there
shortly.

LOUIE looks outside the window and sees the F.O.W.L.
headquarters in the distance.

LOUIE

Speak of the devil.

CUT TO:

EXT. F.O.W.L. HEADQUARTERS - NIGHT

They arrive at the F.O.W.L. headquarters. It is a circular
building shaped like the Earth with a large symbol of a
question mark in front of it.

The helicopter lands on top of the building as the gang and
CALLIE step out.

DEWEY

Wow.

CALLIE

This is my favorite part.

CALLIE presses a square button using her left foot and an
elevator slowly pops out. Its doors begin to open.

CALLIE (CONT'D)

Shall we?

The gang enters the elevator as the doors begin to close. The
elevator then starts to lower itself down.

CUT TO:

INT. F.O.W.L. HEADQUARTERS - NIGHT

The elevator stops inside the entrance to headquarters. As
the doors open, the gang steps out.

CALLIE

Duck family, welcome to HQ.

LOUIE

Whoa. This place is...amazing.

CALLIE

Right this way, guys.

CUT TO:

INT. MEETING ROOM - NIGHT

The gang enters the meeting room. The whole table is in a circular shape and it is lit brightly above by a ring of lamps.

DAISY

This place is huge.

DONALD

I swear this room looks familiar.

CALLIE

Have a seat.

The gang takes a seat as CALLIE begins speaking about their mission. She presses a red button and a holographic image of CLAW appears on a large black screen.

CALLIE (CONT'D)

As you can see, this here is the Claw, a nasty criminal. Cold, heartless and brutal.

DONALD

Hey, we just saw him at the party. Didn't we, Uncle Scrooge?

SCROOGE

Yes, I know, Donald. Now pay attention. Something rotten is brewing in Duckburg.

CALLIE

As there is, Scrooge. Anyway, the Claw leads a trio of crooks who call themselves the Bandits of Duckburg. As many of you may have noticed, these fools have just stolen the microchip from Washington.

DAISY

We saw the whole thing. I was interviewing the President when the Bandits stole it.

DONALD

Yeah.

WEBBY

Callie, why did the Bandits steal the microchip? Is there some type of weapon the Claw is planning to build?

CALLIE

Actually, yes, there is.

CALLIE then shows the gang a holographic image of CLAW'S invention, a brainwashing gun.

CALLIE (CONT'D)

This, here, is his latest invention, a brainwashing gun that will allow any person on the planet to be brainwashed. Using this powerful weapon, he is planning to build it in order to make us his slaves.

HUEY

That's why the Bandits stole the microchip.

CALLIE

Exactly. So, in order to defeat both the Claw and the Bandits at the same time, we may need to give each of you special training. These include martial arts and weapon handling skills.

LOUIE

Great. When do we start?

CALLIE

Training begins at the Alaskan Range tomorrow at 8 a.m., sharp.

DONALD

The Alaskan Range?! For training?!

DAISY

You're joking.

CALLIE

No joke.

HUEY

OK, but we've gotta find Launchpad first.

CALLIE

Who's Launchpad?

WEBBY

A friend of ours.

SCROOGE

I may know where he is.

DISSOLVE TO:

EXT. MCDUCK MANOR - NIGHT

The gang heads back to McDuck Manor. They exit the "What In The World" RV.

CALLIE

I didn't know you're a news reporter, Daisy.

DAISY

Yep, that's my job. And Donald's the camera guy. Anyways, I'll find a parking spot. You guys go on in.

DAISY drives off.

CUT TO:

INT. HALLWAY - NIGHT - CONTINUOUS

They enter the hallway.

DEWEY

(sighs in relief)
Home sweet home.

HUEY

Man, I miss this place. Remember all of these adventures we used to have back in the day?

LOUIE
Oh, yes!

CUT TO:

INT. AIRPORT - NIGHT - CONTINUOUS

The gang enters the airport.

SCROOGE
I can't believe this place has been
exactly the same since you laddies
left.

WEBBY finds a letter on the table.

WEBBY
Hmm. What's this?

CALLIE
Some kind of letter. I'll read it.

WEBBY hands it over to CALLIE, who begins to read.

CALLIE (CONT'D)
(reading)
"Mr. McDuck. Thanks for everything
you've done for me, but I want to
do some soul-searching. You know,
finding myself. If you wanna find
me, I'm in Africa. Again, thanks.
Your pal, Launchpad."

DAISY
Launchpad's in Africa?

CALLIE
Yes.

DONALD
Well, what're we waiting for? Let's
go!

CUT TO:

INT. CLAW'S LAIR - LATER

Meanwhile, back at CLAW'S lair, the Bandits are busy building the brainwashing gun. CLAW, being impatient, looks at his wristwatch.

CLAW
 (groans in frustration)
 Are you three goons finished yet?

SYDNEY
 Not yet, boss. We're working on it.

CLAW
 (sighs)
 This is a very clichéd idea.

Soon, CLAW overhears the sound of a siren blaring. The Bandits stop building and rushes over to the situation.

CLAW (CONT'D)
 What's going on?

XANADU
 Claw, we have a problem. The
 F.O.W.L. has recruited new members.

CLAW
 And **why** is this is a problem to
 you?

XANADU
 They are ducks, sir.

CLAW
 Ducks? Actual ducks? Recruited?
 Lemme see.

CLAW watches the monitor as the gang exits from headquarters. He then turns to XANADU.

CLAW (CONT'D)
 Xanadu, how did you know about
 this?

XANADU
 Simple. I used one of my special
 microphones that will allow us to
 listen at long distances...

CLAW
 (bellowing)
 You were **spying** on the F.O.W.L.?!?

XANADU
 (nervous, stammering)
 Y...Yes, I did, sir. I'm sorry. I'm
 sorry I didn't follow your orders,
 sir!

CLAW

Don't ever do that again. All right, Bandits, listen up. We have a plan.

SYDNEY

What's that?

CLAW

Tomorrow morning, when we finish building this gun, we'll track down the F.O.W.L.

XANADU

Gee, that sounds like a great idea and all, but wouldn't we head to Africa for doing that?

CLAW

Why Africa?

XANADU

I dunno.

CLAW

Find them.

DISSOLVE TO:

EXT. AFRICA - MIDNIGHT

In an airplane, the gang flies down to Africa. WEBBY is using a pair of binoculars.

DAISY

See anything yet?

WEBBY

Not quite.

She finds a cloud of black smoke emerging from the ground. Looking down below, WEBBY spots a plane that has been damaged.

WEBBY (CONT'D)

Look! Down there!

She points down at the exact same spot.

DAISY

Donald, land down.

DONALD nods his head.

CUT TO:

EXT. JUNGLE - MIDNIGHT - CONTINUOUS

The plane lands onto the ground. The gang dismount and approach the damaged plane.

CALLIE
Well, this plane has seen better days.

DAISY
Launchpad! Launchpad!

They hear a groan in the distance.

LOUIE
Ya guys hear that?

HUEY
That must be Launchpad. C'mon!

The gang approaches a collection of bushes. They soon find a sleeping LAUNCHPAD, who is tied up to a tree.

DONALD
Launchpad!

DAISY
(softly)
Shh! Donald, pipe down.

DEWEY is poking LAUNCHPAD with a long branch.

LOUIE
Dew, what're you doing?

DEWEY
Trying to wake him up.

DEWEY continues to poke him.

LAUNCHPAD
(moans)
Quit it, Mr. McDuck. I'm trying to sleep.

LAUNCHPAD finally comes around.

LAUNCHPAD (CONT'D)
Mr. McDuck? Is it really you?

SCROOGE
The one and only.

LAUNCHPAD
Oh my God! It's been such a long
time!

He embraces SCROOGE.

SCROOGE
Good to see you again, old friend.

WEBBY
How are you, Launchpad?

LAUNCHPAD
Oh, doing great, Webster. The only
thing I need to do is to get my
plane up and...

LAUNCHPAD turns to look at his plane. It is still a wreck.

LAUNCHPAD (CONT'D)
Oh, right.

DAISY places her hand onto LAUNCHPAD'S shoulder.

DAISY
Hey, don't be down in the dumps.
We'll help you fix your plane.

Wind is flowing through DAISY'S hair. A helicopter arrives.
SYDNEY and the other Bandits pop up, carrying weapons in
their hands.

SYDNEY
There they are!

XANADU
Let's get 'em!

DAISY
I think we'd better run!

LAUNCHPAD
Good idea!

Bullets fly all over the place, landing onto the ground. As
the Bandits proceed to fire, the gang reaches the plane. The
plane starts up, but shuts down because the gas is getting
empty.

DAISY
Shit!

DONALD
What's wrong?

DAISY
Gas is empty.

XANADU
Don't just stand there, you morons!
Go!

The helicopter begins to reach the plane. LOUIE peeks at one of the plane's mirrors and sees the helicopter behind them. The mirror is then shot by one of the bullets.

LOUIE
They're gaining on us!

HUEY
Not for long!

HUEY finds a gallon of gasoline and pours it inside the gas tank.

HUEY (CONT'D)
Here goes nothin'.

After that, he presses the ignition button, immediately starting up the plane, complete with its engine sputtering.

HUEY (CONT'D)
Yes!

WEBBY
Woo-hoo!

SCROOGE
Good work, lad!

XANADU
Get back here, ya fools!

The plane then flies off. The helicopter chases after it. Bullets continue to fly, but backfires immensely. The plane proceeds to fly off in the distance.

CUT TO:

INT. HELICOPTER - MIDNIGHT - CONTINUOUS

Inside, the helicopter begins to run out of fuel.

XANADU

Rats! They got away! Now what do we do?

SYDNEY

Well, don't just stand there, you idiots! Let's go after them!

DR. MO

We can't!

SYDNEY

Why not?

DR. MO

We ran out of fuel.

SYDNEY

Out of fuel.

(sighs deeply)

Remind me to rip off both of your limbs when we get back.

XANADU

Hang on! We're going down!

BACK TO:

EXT. JUNGLE - MIDNIGHT

The helicopter falls and spirals downward. It is blown to smithereens. A cloud of black smoke emerges from below.

CUT TO:

EXT. AFRICA - MIDNIGHT - CONTINUOUS

DEWEY

Well, the Bandits are done for. What's next?

SCROOGE

Well, wherever Launchpad takes us will be fine.

(to LAUNCHPAD)

Any suggestions?

LAUNCHPAD

Nope, got nothin'.

HUEY

Guys, you're going crazy. The Bandits may still be alive. I mean, who knows what kind of army Claw's planning to build? It'll take a bigger team to take care of them.

CALLIE

Huey's right. We're gonna need more help, and I know a group of people who might be able to help us.

HUEY

Well, who?

CALLIE

A professional hockey team in Anaheim, California. They're called the Mighty Ducks.

The gang is dumbfounded.

HUEY

Why would we need a hockey team for this mission? That doesn't make any sense.

LOUIE

He has a point there, Cal. There's no way a hockey team would help us at all. Next thing you'll say is that they're crime-fighters.

CALLIE

They're also crime-fighters from outer space.

LOUIE

(excited)

Outer space? What are we waiting for? Let's go!

HUEY

Hold on a sec, Callie. We still have to do our training, remember?

CALLIE

Oh, that's right! I almost forgot. Thanks for reminding me, Huey. All right, first, we'll stop by Anaheim to pick up the Ducks. Then, we'll start your training in Alaska.

BACK TO:

EXT. JUNGLE - MIDNIGHT - CONTINUOUS

SYDNEY'S hand emerges from the smoke.

SYDNEY

Wait till I get my hands on those
brats! They'll pay for this!
Bandits, come outta there!

Both XANADU and DR. MO crawl out from the smoke.

DR. MO

What do we do now?

XANADU

You tell me, imbecile.

SYDNEY

We take care of those waddled numb-
skulls and finish building the
brainwashing gun. We won't rest
until, not only Duckburg, but the
entire world will soon kneel before
the Claw in his grasp!

DISSOLVE TO:

EXT. ANAHEIM, CALIFORNIA - MORNING - MOMENTS LATER

The gang arrives at Anaheim, California.

LAUNCHPAD

Guys, welcome to Anaheim.

WEBBY

Never been here before.

LOUIE

Well, this may be your first time,
Webster.

WEBBY points at a hockey arena nearby.

WEBBY

Hey, there's a hockey rink. Maybe
those Mighty Ducks could be
practicing in there.

LAUNCHPAD

You could be right. Let's see.

They reach the arena known as "the Pond".

CUT TO:

INT. POND - DAY

The gang enters the Pond.

LOUIE

Wow! This place is huge.

DEWEY

It's much bigger than our bedroom
back home.

SCROOGE sees PHIL PALMFEATHER, the Duck's manager, who reaches them.

PALMFEATHER

Whoa, whoa, whoa! Season tickets
are sold out for this year.

SCROOGE

Actually, Mr...

PALMFEATHER shakes hands with SCROOGE.

PALMFEATHER

Phil Palmfeather, manager for the
Mighty Ducks of Anaheim.

SCROOGE

OK, Mr. Palmfeather. As I was
saying, we're not here for your
tickets. We're here to see your
team. Are they here, by any chance?

PALMFEATHER

Oh, yes. They're busy practicing.
Right this way.

PALMFEATHER leads the gang to the Ducks' hockey rink.

DEWEY

I hope we get to see the Ducks in
action.

HUEY

Don't get your hopes up too high,
Dew.

CUT TO:

INT. HOCKEY RINK - DAY - CONTINUOUS

They enter the rink.

DONALD

I've never been in an actual hockey rink before.

DAISY

Didn't you win a trophy for hockey one time?

DONALD

Oh, right. I forgot.

We see the Ducks practicing their skills on the rink. One of the members, MALLORY MCMALLARD, tries taking a shot at the goal.

MALLORY

Here goes nothin'!

MALLORY whacks the hockey puck straight to the goal.

MALLORY (CONT'D)

Bulls-eye!

Another member, NOSEDIVE, steps in.

NOSEDIVE

Oh, that's nothin', Mal. Watch the master.

NOSEDIVE does the same thing, but backfires almost immediately.

NOSEDIVE (CONT'D)

Rats!

MALLORY pats NOSEDIVE on the back.

MALLORY

Well, you did try.

CUT TO:

INT. HEADQUARTERS - DAY - CONTINUOUS

The Ducks arrive to Headquarters, where PALMFEATHER is expecting them.

PALMFEATHER

Oh, Ducks, you're just in time.
We've got some visitors for you.

The gang approaches the Ducks, who are not impressed with them at all.

DAISY

Well, if it isn't the Mighty Ducks themselves. Callie told us about you.

CALLIE

She's right.

WILDWING

Well, if you're looking for season tickets...

SCROOGE

We're not here for season tickets!

NOSEDIVE

Well, someone has a temper.

SCROOGE

Look, we came here because we need your help. You see, there's this madman known as the Claw, who is plotting to conquer the world by building a brainwashing gun that will make us his minions.

DUKE

So, what does any of this have to do with us?

LOUIE

We need to join forces with one of you so that we can track him down and save the world.

MALLORY

One of us? OK, I'm getting confused with this. Can someone please get to the point?

HUEY

Look, we're sorry if we're wasting your time, but the entire world is at stake and it's up to all of us to stop Claw and the Bandits from global domination.

(MORE)

HUEY (CONT'D)

The only way we can do that is that we should work together as a team. If me and my brothers can work through this, then so will all of us. Now, who's with me?

SCROOGE places his hand onto HUEY'S shoulder.

SCROOGE

Well said, lad. Well said.

MALLORY steps forward.

MALLORY

I'm in.

WILDWING

Mallory, what're you...

MALLORY

The kid's right. We should work with each other as a team, even if it's just one of us.

DEWEY

OK, anyone else wanna join?

WEBBY

Nope, I guess that's everyone.

CALLIE

Then it's settled. Now let's catch those creeps!

CUT TO:

EXT. POND - DAY

The gang exits the Pond. As they reach the plane, MALLORY grinds them to a halt.

MALLORY

Whoa, whoa, whoa! Hold up! We're not going in that plane.

DAISY

What are you talking about?

MALLORY

I mean, look at it. It's old and rickety.

LAUNCHPAD suddenly feels down.

LAUNCHPAD
Suddenly, I feel ashamed.

LOUIE pats him on the back.

DONALD
Well, what are we using, then?

MALLORY
We have just the vehicle.

BACK TO:

INT. HEADQUARTERS - DAY

Back in Headquarters, the gang, along with TANYA VANDERFLOCK, shows them the Aerowing, the Duck's spaceship, along with some of the equipment.

DONALD
What the heck is that?

TANYA
That, my friend, is the Aerowing,
our faithful spacecraft.

MALLORY grabs several weapons known as "puck blasters" and a weapon similar to the rocket launcher called the Puck Launcher.

MALLORY
We can put these puck blasters and
the Puck Launcher for good use.

LOUIE
What does this puck blaster do?

MALLORY
These bad boys blast explosive
hockey pucks.

DEWEY
And the Puck Launcher?

MALLORY
Pretty much the same thing.

MALLORY gives the nephews three puck blasters.

DEWEY
These things are awesome. Who knew
that you guys can be so cool?

SCROOGE

We don't have time to examine our new gadgets, laddies. We've got work to do.

HUEY

You're right, Uncle Scrooge.

CUT TO:

INT. AEROWING - DAY - CONTINUOUS

As MALLORY finishes up loading the Aerowing with their gadgets, the gang climbs aboard.

MALLORY

You guys might wanna hang on to your tail feathers. This is gonna be a bumpy ride.

DAISY glances at her tail feathers.

DAISY

Now she tells me.

WILDWING and the rest of the Ducks reach the gang.

WILDWING

Well, guys, we just wanna wish you good luck.

(to MALLORY)

Oh, and Mallory, try to stay out of trouble.

MALLORY

Don't worry, Wildwing. I'll be fine.

The Ducks wave goodbye.

TANYA

Goodbye, guys!

GRIN

Don't forget to write!

TANYA

I have faith in you!

The Aerowing soon begins to launch. The ship then lifts off.

DUKE
They have lift-off!

DISSOLVE TO:

EXT. JUNGLE - DAY

Meanwhile back in Africa, the Bandits try to figure out a way to contact CLAW.

SYDNEY
Now what do we do? We're stranded here in Africa, and we don't know how to reach the Claw.
(sighs)
I don't know what I'm doing.

DR. MO
Well, you have us, so we'll cheer you up.

SYDNEY punches DR. MO in the groin.

DR. MO (CONT'D)
Oof!

He collapses.

XANADU
I've got an idea. We can use the walkie-talkie to reach the Claw, but in order to do that, we may need some tools and equipment.

SYDNEY
Well, where can we find some supplies?

XANADU
I don't know.

DR. MO spots a helicopter flying towards them.

DR. MO
(gasps)
Look! A helicopter! We're saved!
We're saved!

He starts jumping with joy and squeezes SYDNEY tightly.

DR. MO (CONT'D)
We're gonna be OK!

SYDNEY shoves him off from her.

SYDNEY

Get offa me!

(groans in frustration)

I'm surrounded by morons.

(to XANADU)

Well, you're still OK in my book,
Xanadu...

(to DR. MO)

...but, you, Dr. Mo, are a disgrace
to the Bandits of Duckburg.

DR. MO

Well, I'll just take that as a
compliment.

As the helicopter lands down to the ground, the door opens.

XANADU

Claw! It's so good to see you
again.

CLAW

Oh, I wouldn't say that, Xanadu.
Get in. All of you.

The Bandits hop on board the helicopter.

SYDNEY

Uh-oh. I don't like where this is
going.

The helicopter then takes off.

CUT TO:

INT. HELICOPTER - DAY - CONTINUOUS

CLAW

I'm very displeased with your
efforts.

SYDNEY

But, Claw, we were trying to catch
those feathered freaks.

CLAW

Yes, but thanks to your disgraceful
comrades, you three were unable to
complete your task.

With an angry expression, SYDNEY turns to both XANADU and DR. MO.

SYDNEY
I could've done this whole thing by myself!

XANADU
So much for being your minions.

CUT TO:

EXT. ALASKAN RANGE, ALASKA - DAY - LATER

The gang arrives outside the Alaskan Range in Alaska.

CUT TO:

INT. AEROWING - DAY - CONTINUOUS

LAUNCHPAD is now piloting the ship.

DEWEY
So, Callie, what's our first lesson? I'm ready.

In response, CALLIE tosses DEWEY a parachute.

CALLIE
Simple. We're going skydiving.

LOUIE
Skydiving? **That's** our first lesson?

CALLIE
Yep.
(to LAUNCHPAD)
Ready, Launchpad?

LAUNCHPAD gets up from his seat, which causes the plane to tilt over a bit. He quickly hops back to his seat.

LAUNCHPAD
Whoops.
(chuckles)
Sorry 'bout that. Everyone ready?

MALLORY opens the side of the ship up, letting out tons of fresh air. She then puts on her parachute.

MALLORY

All set. Launchpad, attach a bomb
on top of the ship.

LAUNCHPAD

You got it.

LAUNCHPAD takes out a time bomb, which was set to thirty seconds and counting, and attaches it to the roof of the ship.

SCROOGE

Are you crazy? Why are you
attaching a bomb inside the ship?!

CALLIE

Actually, this is part of your
first lesson.

DONALD

You're crazy! You can't do
something like that! It's
dangerous!

CALLIE

Not for the F.O.W.L., it isn't.
(to LAUNCHPAD)
Launchpad, catch!

CALLIE tosses a spare parachute to LAUNCHPAD, who quickly catches it and puts it on.

DAISY

(frightened)

Donald, I have a confession to
make.

DONALD

What's that?

DAISY

(frightened)

I'm afraid of heights!

DONALD

Who are you supposed to be? James
Stewart?

WEBBY

You're telling us this **now?**

CALLIE

Guys, let's go! Keep it moving! The
bomb's gonna go off!

Soon, everyone jumps out from the Aerowing, one by one.

MALLORY
Catch ya on the flip side!

CALLIE
Cannonball!

DEWEY
Banzai!

HUEY
This is a blast!

LOUIE
I don't wanna die!
(sobbing)

WEBBY
Oh, quit being a pussy, Lou! Whoo-
hoo!

DONALD, DAISY and SCROOGE jump out from the plane.

LAUNCHPAD
Hey, wait for me!

LAUNCHPAD turns at the bomb, which is now counting down to three seconds. He then jumps out.

LAUNCHPAD (CONT'D)
Whoa!

CUT TO:

EXT. ALASKAN RANGE, ALASKA - DAY

The Aerowing then blows up into smithereens. Soon, everyone's parachutes begin to pop open, landing safely on the snow.

CALLIE
Whew! Fun first lesson, huh?

HUEY
Are you kidding? That was bad-ass!

DAISY
I'll say. I mean, we were skydiving
from an exploding spacecraft.

LOUIE
So, what's next?

CALLIE
Well, we're heading down to our
second base.

MALLORY
You guys have a second base here in
Alaska?

CALLIE
Sure we do. Follow me.

CALLIE leads the gang to the F.O.W.L.'s second agency base.

CUT TO:

EXT. F.O.W.L. HEADQUARTERS - DAY

The gang arrives outside the F.O.W.L.'s second base.

CALLIE
Here we are. Our second
headquarters.

CUT TO:

INT. MAIN CONTROL ROOM - DAY

The gang enters.

DAISY
Wow.

CALLIE
Our second base will be perfect for
your next lesson, guys, so be
prepared.

LOUIE
So, what is our next lesson?

CALLIE
You'll see.

CUT TO:

INT. TRAINING FACILITY - DAY

The gang enters the training facility.

CALLIE
This is where you will be trained.

LOUIE

This is your training room?

(scoffs)

I was expecting something much bigger than this.

CALLIE

Oh, really? Watch this.

CALLIE pulls a lever and the walls suddenly open, revealing a shooting range and a martial arts center.

HUEY

Holy shit!

CALLIE

Pretty cool, right?

LOUIE

Whoa! A karate room!

LOUIE zips to the martial arts center and does a standing kick at one of the punching bags, causing it to break off and flies towards DONALD, who immediately gets crushed and his head pops up from the bag.

DAISY

Donald, are you okay?

DONALD

(groans)

Where am I?

MALLORY

This is gonna take awhile.

CALLIE

Yep.

CUT TO:

INT. MARTIAL ARTS CENTER - DAY

In the martial arts center, CALLIE and MALLORY are demonstrating HUEY, DEWEY, LOUIE, DAISY and WEBBY how to punch properly. Wearing boxing outfits, they are using five of the punching bags in the room.

MALLORY

Yeah, that's it, guys! Punch those suckers like kangaroos!

LOUIE
 (breathing heavily)
 We're working on it, Mal.

Luckily, HUEY throws a standing kick at the bag as it breaks off. He tackles the bag and wrestles it violently.

HUEY
 Yah!

WEBBY
 (giggles)
 Huey, my friend, when will you learn?

DEWEY is busy reading a book entitled "Martial Arts for Dummies" while practicing punching at the bag.

DEWEY
 We'll never know.

CUT TO:

INT. SHOOTING RANGE - DAY

At the shooting range, the gang is busy shooting targets. DONALD doesn't take it so easily, though. He tries to load the bullets in the magnum, but they keep flying back at both his face and beak.

DONALD
 (muttering)
 Stupid things.

As DONALD finally places the bullets inside the magnum, he aims it at the target. He then pulls the trigger and, soon enough, the bullets start flying around the entire room. However, one bullet manages to shoot the target.

CALLIE
 You know, I think we should stop.

DAISY
 Agreed.

CUT TO:

INT. OBSTACLE ROOM - DAY - LATER

Later, the gang enters a obstacle room. Inside the room are three obstacle courses.

CALLIE

This is the next level of your training. Here, each of you will participate in a series of obstacle courses that our F.O.W.L. agents have designed.

HUEY

Oh, great. This is even worse than those obstacle courses we took at school.

LOUIE

Oh, get over it, Hue.

MALLORY

Okay, everyone, to your starting pedestals.

Everyone arrives to one of the pedestals, each of them being painted in a single basic color.

CALLIE

On your mark...

CLOSE UP on HUEY'S "game face".

CALLIE (CONT'D)

...get set...

CLOSE UP on WEBBY'S foot bending.

CALLIE (CONT'D)

...go!

CALLIE blows a whistle. Soon, everyone begins to dodge past lasers, bullets and fighting stuntmen. As they finish, both CALLIE and MALLORY start applauding.

MALLORY

Well done.

CALLIE

Impressive, but you're not finished yet.

LOUIE

(panting)

You're serious?

CUT TO:

INT. OBSTACLE COURSE #2 - DAY

They enter the second obstacle course, which turns out to be a meditation room.

CALLIE

The next phase of your training is meditation. As you begin, try to contact your inner thoughts. Now, breathe in...

So, everyone begins to inhale...

CALLIE (CONT'D)

...and breathe out.

...and exhale.

WEBBY

Callie, is there any point to this exercise? I mean, I know it's meditation, but shouldn't we start, you know, practicing our skills so far?

CALLIE

What do you mean, Webby? This is what we'd usually do after our missions. Anyway, try to sit still for about twenty seconds. In the meantime, close your eyes and keep calm.

Everybody in the room closes their eyes. After twenty seconds, they open their eyes again.

HUEY

Wow. After that, I'm pretty calm.

LOUIE

Same here.

DEWEY

Agreed.

CALLIE makes an impressive smile.

CUT TO:

INT. OBSTACLE COURSE #3 - DAY

They soon enter the third and final obstacle course, which turns out to be a much more dangerous test.

This room is filled with more deadly objects and is much more violent than the first course.

DAISY

Oh, my God.

SCROOGE

What in the world is that?

CALLIE

Your final course. This is one of those advanced challenges we used to take when I was recruited to the F.O.W.L. I nailed this test and now I'm passin' the torch to you guys. So what you're doing is actually simple. You just try to get past all of these extremely deadly weapons. The most important thing to do is to be careful and please try not to get yourself hurt.

(to DONALD)

Especially you, Donald.

DONALD nods in agreement.

CALLIE (CONT'D)

Me and Mallory are not gonna keep an eye on you guys this time. We're gonna let you prepare yourself for this final challenge.

DAISY

I'm not so sure about this. Is it, you know, safe for us?

CALLIE

You already know the answer to that. Anyway, good luck to all of you.

CALLIE and MALLORY exit.

CUT TO:

INT. HALLWAY - DAY - CONTINUOUS

MALLORY

You think they'll be OK?

CALLIE
Don't worry, Mal. I'm sure they'll
ace this test.

CUT TO:

INT. OBSTACLE COURSE #3 - DAY

The gang is preparing for the final course. They soon start, and suddenly, they begin outsmarting and dodging every weapon that was built for this test. After they finish, they hear some applause. That sound came from CALLIE, who enters back into the room with MALLORY.

CALLIE
Very impressive, everyone. You
know, I believe that all of you are
ready.

HUEY
Really? I thought we're gonna get
more training than that.

CALLIE
Nope. That's all your training.

LOUIE
So, what now? Do we need some
gadgets or something?

CALLIE
We don't use silly gadgetry here.

LOUIE
Oh.

CALLIE
But we do use weapons. Follow me.

CUT TO:

INT. WEAPON ROOM - DAY

CLAW and the Bandits quietly sneak inside the weapon room.

CLAW
(quietly)
Okay, Bandits. Remember our plan?

SYDNEY

(quietly)

Yes, we do. We're here to track
down the F.O.W.L.

DR. MO is holding a can of gold paint and dumps it, covering his body. The others look at him with sheer confusion.

XANADU

Mo, what are you doing?

DR. MO

Camouflaging myself in this gold
paint so that I can capture one of
the ducks, that way nobody in the
F.O.W.L. would notice.

SYDNEY

This isn't even our plan, Doc.
We're here to track down the
F.O.W.L., not to do arts and
crafts.

DR. MO

Well, Sydney, this is my part of
the plan. Think about it. We'll use
one of them as a guinea pig for the
brainwashing gun.

CLAW

You know, he does have a point.

The Bandits and CLAW overhear footsteps.

CLAW (CONT'D)

Uh-oh. They're coming. Hurry up so
that you can capture them.

DR. MO camouflages as part of the room's walls and begins to stay silent. The other Bandits and CLAW soon escape by climbing up through the roof of the building. CALLIE leads the gang through the room and takes a look around.

WEBBY

Whoa.

SCROOGE

That is a lot of weapons.

MALLORY

I know, right?

HUEY grabs a magnum and shows it to CALLIE.

HUEY
So I can pick this one?

CALLIE
Uh, yeah.

HUEY
Sweet.

Soon, everyone in the room picks a weapon of their choice.

DONALD
Uh, are you sure this is a good
idea? What if someone gets shot?

CALLIE
Don't worry, Donald. These firearms
are defensive. They're only for
assignments, not for personal gain.

DONALD
Hmm.

Without noticing, DONALD walks past DR. MO, who slowly opens his eyes and peeks at him. DONALD begins to walk back and DR. MO immediately shuts his eyes.

DONALD then chooses a shotgun and examines it. DR. MO quickly grabs DONALD and holds him hostage. DONALD quacks in panic as the rest of the gang begins to notice the situation.

DONALD (CONT'D)
Help! Let me go!

HUEY
Uncle Donald!

Soon, DR. MO climbs through the roof with DONALD in his arms.

SCROOGE
We must stop him!

The gang begins to chase after them, but CALLIE halts them.

CALLIE
Wait a second, guys.

WEBBY
Why?! Donald is taken hostage, for
Christ's sake!

CALLIE
Don't worry. We have snowmobiles.

CUT TO:

EXT. F.O.W.L. HEADQUARTERS - DAY

Outside, the Bandits and CLAW are waiting for DR. MO in their helicopter. Soon, DR. MO hurries to the helicopter with DONALD and climbs aboard.

CUT TO:

INT. HELICOPTER - DAY

CLAW
Good work, Doc.

DR. MO
Let's get out of here!

CUT TO:

EXT. F.O.W.L. HEADQUARTERS - DAY

The helicopter flies off. Soon, a set of nine snowmobiles barge through the garage doors and begins a high-speed chase through Alaska, tailing the helicopter.

DEWEY
This is so cool! We're chasing
after a helicopter in snowmobiles!

LOUIE
Don't you think we already know
that?

CALLIE takes out a pair of binoculars and spots the Bandits inside their helicopter with DONALD.

CALLIE
Should've known. The Bandits have
taken Donald. We're gonna have to
get close to them.

WEBBY
Got it.

The snowmobiles begin to get a bit closer to the helicopter.

CUT TO:

INT. HELICOPTER - DAY

XANADU sees the snowmobiles gaining closer to them. She then turns to the rest of the Bandits.

XANADU

Oh, great. Those F.O.W.L. numb skulls are after us. We should we do, Claw?

CLAW

You know what to do. Take them out, one by one.

XANADU

All right. Come on, Bandits!

The Bandits grab three sharpshooters and aims it at the snowmobiles. They soon begin to fire at them.

CUT TO:

EXT. ALASKA - DAY

The bullets fly rapidly to the snowmobiles.

LOUIE

Look out!

All of the snowmobiles begin to dodge the bullets.

CUT TO:

INT. HELICOPTER - DAY - CONTINUOUS

DONALD

Get me out of here!

DR. MO

I'm afraid your demands won't work on me, duck!

DONALD spots a bucket of water and grabs it. He splashes the water all over DR. MO'S face, washing all of the gold paint off.

DR. MO (CONT'D)

(screaming)

I'm melting! I'm melting!
(panting heavily)

DONALD hurries to the edge of the helicopter, but XANADU violently shrugs his shirt.

XANADU
You're not going anywhere!

DONALD
In your dreams! The F.O.W.L. will
come and rescue me. Just you wait!

CUT TO:

EXT. ALASKA - DAY

Back outside, HUEY grabs a grappling hook and attaches it to the railings of the helicopter. He climbs towards the helicopter and hangs on to the rails.

CUT TO:

INT. HELICOPTER - DAY

SYDNEY
Hey, Claw. Looks like we've got
company. Should we invite him over?

CLAW
Yes, I guess we should.

HUEY throws a punch at SYDNEY.

SYDNEY
You dare throw a punch at the
beautiful Sydney?

HUEY
Oh, please. Frankenstein's monster
is more beautiful than you.

SYDNEY
How dare you speak to me that way,
you insensitive brat?!

SYDNEY does a standing kick at HUEY'S neck, but backfires.

HUEY
Is that the best you got? You fight
like a five year-old.

SYDNEY
Why you!

HUEY jumps high in the air and does a flying kick at SYDNEY'S mid-section, sending her to the floor. SYDNEY tries throwing a punch at HUEY'S chest, but HUEY grabs her fist and throws her to the helicopter's controls, shorting them out.

CLAW
Sydney, you imbecile!

CUT TO:

EXT. ALASKA - DAY

WEBBY
Guys, we've gotta help Huey! He could be in danger!

DEWEY
You're right!

Both WEBBY and DEWEY head close to the helicopter and hangs onto HUEY'S grappling hook. They climb inside the helicopter.

CUT TO:

INT. HELICOPTER - DAY

SYDNEY
Oh, great. **More** company.

DEWEY
Leave my brother alone!

WEBBY
Yeah!

SYDNEY
Ah, brother, schmother. I'll take you two down like I'm doing to him.

Soon, WEBBY and DEWEY charge towards SYDNEY, but she violently shoves both of them off from the helicopter.

HUEY
So much for helping me out.

SYDNEY throws a punch at HUEY'S cheek, which causes him to slip off from the edge of the helicopter.

CUT TO:

EXT. ALASKA - DAY

HUEY hangs on to the rails and SYDNEY walks to him.

SYDNEY
Enjoyed your flight?

SYDNEY crushes HUEY'S hand.

HUEY
(grunts)
Stop it!

SYDNEY
Oh, does that hurt? Good. It should
hurt. I mean, for you, of course.
(imitating Harrison Ford)
Now, get off my chopper!

SYDNEY pushes HUEY off from the helicopter.

HUEY
Aah...!

WEBBY
Huey!

WEBBY hurries towards HUEY falling from the helicopter and catches him inside her snowmobile.

HUEY
Thanks, Webster.

CUT TO:

INT. HELICOPTER - DAY

SYDNEY
Xanadu, take 'em down.

XANADU grabs a missile launcher and aims it towards the snowmobiles. Then, she fires a missile at the icy river, causing it to explode.

WEBBY
Oh, no!

CALLIE
Hang on!

Soon, the ice begins to melt away by cracking open tons of water. The gang slips off from their snowmobiles and falls into the cold water.

CUT TO:

INT. OCEAN - DAY

Inside the ocean, the gang is struggling to swim to the surface, but they keep sinking deeper into the depths of the ocean.

CUT TO:

EXT. ALASKA - DAY

Back outside, a sleek silver sports car drives towards the helicopter. A grappling hook is attached to the helicopter.

CUT TO:

INT. HELICOPTER - DAY

Back in the helicopter, DR. MO looks at the empty snowmobiles through his pair of binoculars.

DR. MO

The F.O.W.L. has been vanished,
Claw.

CLAW

Excellent.

DONALD

No! Not my boys!
(to CLAW)
You'll pay for this, Claw!

CLAW

Xanadu, shut him up, please.

XANADU shoves an oily rag into DONALD'S beak and ties him up tightly with a large piece of rope.

CLAW (CONT'D)

Now, with the F.O.W.L. out of the picture, we can finally use this wretched duck as a guinea pig for our brainwashing gun. Better watch out, Duckburg, 'cause Claw's coming to town.

CLAW grins a menacing smile. Suddenly, CLAW feels the nozzle of a magnum on the back of his head.

CLAW (CONT'D)

Huh?

VOICE (O.S.)

Give it up, bitch.

CLAW turns around to see the silhouetted figure.

CLAW

You!

CLAW throws a punch at a silhouetted figure, and it throws one back at him.

CUT TO:

EXT. ALASKA - DAY

CLOSE UP on the front of the sports car, which pulls out a machine gun and aims it at the helicopter. It then begins to shoot at it.

The helicopter dodges its bullets. Next, a missile launcher is pulled out from the top of the vehicle. The launcher fires the missile as it flies towards the helicopter.

CUT TO:

INT. HELICOPTER - DAY

The two individuals continue to fight each other. Just then, the missile is being seen by SYDNEY.

VOICE (O.S.)

Catch ya later!

CUT TO:

EXT. ALASKA - DAY

The figure jumps out from the helicopter and slides back inside the car.

CUT TO:

INT. HELICOPTER - DAY

SYDNEY

Incoming!

CUT TO:

EXT. ALASKA - DAY

The missile explodes after the helicopter dodges it. The vehicle then stops as the helicopter flies off in the distance. The door opens, revealing a woman wearing a sleek cat suit.

VOICE (O.S.)

Shit! They got away. Oh, well. They won't be alive for long.

She approaches the icy river the gang has sunk into.

FADE IN TO:

INT. LOG CABIN - NIGHT - MUCH LATER

The gang wakes up and realizes that they're inside a log cabin.

MALLORY

Ugh. What happened? Where are we?

BELLE (O.S.)

Oh, good. You're awake.

The gang turns to BELLE ROBINSON, 22, an ordinary young woman. She is carrying eight bowls of hot soup over to them.

BELLE (CONT'D)

I was preparing some soup for all of you while you were asleep.

DAISY

Uh, thanks. What's your name, by the way?

BELLE

Oh, where are my manners? My name's Belle Robinson. I'm a housekeeper.

CALLIE shakes hands with BELLE.

CALLIE

Callie Briggs. Thank you for saving us, Belle. We owe you our gratitude.

BELLE

It's the least I can do. Tell me, what brings you all here to Alaska?

CALLIE

We're trying to catch a criminal known as the Claw.

BELLE

Who's this Claw person?

MALLORY

(shouting)

A bitch, that's what he is!

CALLIE

Easy, Mal.

BELLE

Well, whoever he is, I'm sure he's obviously a bad guy.

CALLIE

Yep. Oh, and also, a friend of ours has been taken hostage by Claw.

BELLE

That's terrible! What can I do to help?

DEWEY

Is there an airplane we can borrow? We need to get back to Duckburg. And fast!

BELLE

Well, I do have a spare biplane outside. I can take you guys to Duckburg if you want me to.

CALLIE

Sounds great! You know, you do look familiar. Have I seen you before?

BELLE

I don't know.

HUEY approaches the window. WEBBY notices and follows him.

SCROOGE

Word of advice, Belle. Don't give any piloting duties to Launchpad.

BELLE

Why?

SCROOGE

Well, last time when he was steering a cruise ship over the summer, he accidentally crashed into the St. Canard pier.

LAUNCHPAD

Oh, yeah.
(laughs, then stops)
Hey!

BELLE

Give me a minute. I need to fill up the gas tank.

BELLE grabs some gasoline and hurries outside. Meanwhile, HUEY takes a moment to look through the window. WEBBY reaches him.

WEBBY

Hey, Hue.

HUEY

Hi, Webby. Hey, thanks for saving me back there.

WEBBY

Oh, anything for a friend. Feelin' okay, Hue?

HUEY

(sighs)
I don't know, Webster. Somehow, I have this feeling that Claw might be able to pull this one off.

WEBBY

Why would you think that?

HUEY

Well, Claw has already captured Uncle D and I bet he's gonna brainwash him any time soon.

HUEY feels a hard slap through the cheek from WEBBY.

HUEY (CONT'D)

Ow! The hell was that for?!

WEBBY

That's for predicting such a ridiculous plot point! Look, Hue, we'll rescue Donald soon enough. Don't you worry. Remember, we're doing this together. You know, as a team.

HUEY

You know, you're right. And when you're right, you're right.

(pauses)

You know, I'm glad we got back together.

WEBBY

Me too.

Both HUEY and WEBBY stare at each other. As they get closer, they begin to pucker their lips. Then, both LOUIE and DEWEY start to interrupt them off-screen

DEWEY

(yawns)

Are you guys done yet?

LOUIE

(as Dina Meyer)

I'm dyin'!

The two ducks turn around to glare at them.

HUEY

(annoyed)

Seriously?

CUT TO:

EXT. ALASKA - NIGHT

Outside, BELLE hurries to her sports car and transforms it into a silver biplane. Then, she quickly fills its gas tank with the gasoline. As the gang heads outside, they hop inside and BELLE ignites the engine.

LAUNCHPAD

Will we get to Duckburg on time?

BELLE

Let's hope so. It's a long way away from Alaska. Don't you worry, guys. I'll take you there as soon as possible.

DAISY

We couldn't have done it without you, Belle. Now let's go. We've got a claw to catch!

The plane begins to fly off from Alaska.

CUT TO:

INT. CLAW'S LAIR - LABORATORY - NIGHT - LATER

Meanwhile, DONALD wakes up and realizes that he is inside CLAW'S lair. Speaking of CLAW, him and the Bandits walk in.

DONALD

Where am I?

CLAW

Welcome to my humble abode. I hope that you're comfortable because I have something special for you.

DONALD

What are you gonna do to me?

CLAW

You'll see. The microchip, please.

XANADU gives CLAW the microchip and attaches it inside the brainwashing gun. CLAW switches it on and places a headband onto DONALD'S forehead.

CLAW (CONT'D)

Not to worry. This will only hurt a lot.

(chuckles)

CLAW dials a knob to a level that reads "RAMPAGE" and DONALD soon transforms into a hideous creature. His light blue eyes start to change to a bright ruby red color and his body is beginning to transform into a Jekyll and Hyde-like creature.

CLAW (CONT'D)

Yes. Yes!

The brainwashed DONALD lets out a frightening roar, nearly scaring the Bandits to death.

SYDNEY

Oh my God.

CLAW

Isn't he a beauty?

(to DONALD)

Now, Donald, as my personal servant, I order you to destroy Duckburg!

DONALD

(in a distorted voice)

Yes, my master.

Soon, DONALD crashes through the walls of the lair and makes his way to Duckburg.

CLAW

I can't believe it finally works!
Bandits, starting tonight, Duckburg will be ours!

(cackles)

DR. MO

When are we conquering Duckburg again? I wasn't listening.

CLAW and the rest of the Bandits face palm in disappointment.

CUT TO:

EXT. PACIFIC OCEAN - NIGHT - MUCH LATER

Meanwhile, the gang flies past the full moon through the Pacific Ocean. Suddenly, tons of black smoke emerges from below.

LOUIE

(coughing)

What's with all of this smoke?

WEBBY

Where is it coming from anyway? Is this the Fourth of July?

HUEY

Uh, guys? I think we're too late.

DAISY

Why?

HUEY points down at Duckburg, which is now covered in a sea of fire.

DAISY (CONT'D)
 (softly)
 Donald.

CUT TO:

EXT. DOWNTOWN DUCKBURG - NIGHT

In Duckburg, DONALD is causing a rampage by destroying the city. He stomps through its streets letting out a dinosaur-like roar. Many people start fleeing from the hideous creature.

DONALD spits out round balls of fire towards tons of buildings and vehicles, causing them to blow up. Soon, the gang lands downward to the road and dismounts from the plane.

LAUNCHPAD
 I don't like the looks of this.

BELLE
 What's going on? What happened to Donald?

MALLORY
 It's Claw. He brainwashed him with the gun. We've gotta stop him before he can brainwash anyone else.

SCROOGE
 Right!

The gang hurries back to the plane and takes off for CLAW'S lair.

CUT TO:

INT. LABORATORY - NIGHT

The Bandits return inside with the gang. CLAW is waiting for them.

CLAW
 Ah, if it isn't the F.O.W.L. themselves. I knew I should've grabbed my autograph book. Very nice of you to drop by, isn't it?
 No?

DEWEY
 You won't get away with this, Claw!

CLAW

Oh, trying to stop me from taking
over the world, I see? Bandits, tie
them up.

DR. MO

With pleasure, boss.

The Bandits grabs some rope and ties the gang against the
ceiling.

CALLIE

Just so you know, you'll never get
away with this.

XANADU

Ooh, a cliched line of dialogue.
We'll be aware of that.

Fighting back tears, DAISY breaks through the ropes and
charges towards CLAW, trying to stop him.

DAISY

(growls angrily)
You son of a bitch! I'll kill you!

CLAW

Shut up!

CLAW smacks DAISY hard, sending her to the floor.

DAISY

Aah!

HUEY

Daisy!

SYDNEY lifts her off the ground and ties her back up to the
ceiling.

DAISY

Bastard!

CLAW

Come on, let's get out of here.

The Bandits and CLAW exit.

LOUIE

Great. Now we're stuck here.

CUT TO:

EXT. CLAW'S LAIR - NIGHT

CLAW and the Bandits exit the lair with the brainwashing gun.

CLAW
Look out, Duckburg. Claw's coming
for ya!

CUT TO:

EXT. ROOF - NIGHT

The Bandits and CLAW climb to the roof of a large building. CLAW aims the gun down at numerous Duckburg citizens and switches the gun on, blasting out a huge circular sonic wave.

Soon, all of the people of Duckburg begins to get brainwashed by the gun. Their eyes glow a red color and they start walking like a swarm of mindless zombies. Then, the minions begin to trash the city.

CLAW
That's right, my minions. Turn this
city into a wasteland!
(laughs)

One of the minions grabs a machine gun and a flamethrower and begins shooting flames at numerous buildings.

CLAW (CONT'D)
Whoa!
(chuckles)
Okay, that was pretty cool. Now,
let's create an army of minions
across the globe!

DR. MO
Good plan, even though this kind of
cliché has been done billions of
times before us.

XANADU
You can say that again.

DISSOLVE TO:

INT. CLAW'S LAIR - LABORATORY - LATER

Back in the lair, the gang is busy struggling to break off the rope, but backfires.

LAUNCHPAD
 (strains; pants)
 It won't budge. Maybe I should just
 trying biting ourselves out.

LAUNCHPAD tries to reach the rope with his teeth, but
 accidentally bites DEWEY'S arm instead.

DEWEY
 Aah! Watch what you're doing!

LAUNCHPAD
 Sorry.

WEBBY
 There's gotta be some way for us to
 get outta here.
 (to HUEY)
 Huey, got any ideas?

HUEY
 Hmm. I'm not sure, but I have this
 pocket knife with me.

LOUIE
 You have a pocket knife?

MALLORY
 Good thinking, Huey.

HUEY starts to cut through the rope. This succeeds as HUEY is
 dropped from the other half of the rope and later begins to
 cut open the rest of the rope, letting himself out.

LOUIE
 That's my boy!

CALLIE
 Great work, Huey. Now, try to cut
 ourselves out.

HUEY
 Whoa, whoa, whoa! Cut yourselves
 out? This is a Disney movie, not an
 R-rated schlock fest.

CALLIE
 No, I'm saying cut the rope so that
 the rest of us can get out.

HUEY
 Oh, now I understand.

After HUEY cuts the rope open, the rest of the gang hops out.

MALLORY
Nice thinkin', Hue. Now to catch
Claw.

CALLIE
You're right. Let's move!

CUT TO:

EXT. CLAW'S LAIR - NIGHT

As the gang hurries outside, the minions continue to approach them.

LOUIE
Uh-oh.

DAISY
Well, this is just great.

LAUNCHPAD
(as the Robot)
Danger, Will Robinson! Danger!

DEWEY looks at him confusingly.

DEWEY
Who's Will Robinson?

SCROOGE
No time for jokes, lad! We've got
to get past these mindless freaks
in order to catch up to Claw.

LOUIE
But how?

MALLORY then begins fighting the minions.

MALLORY
Simple. We take 'em down.

The others soon join in on the fight. After that, more
minions start approaching them.

WEBBY
What?! **More** of them?!

MALLORY
Good, 'cause they just requested
the main course.

So, the gang continues to fight them off.

CUT TO:

EXT. ROOF - NIGHT

Back on top of the roof, CLAW watches his minions being taken down by the gang. He is not impressed.

CLAW
How? How did the F.O.W.L. escape?!
(to SYDNEY)
Sydney, how did they let themselves
out?! Tell me!

SYDNEY
(stammering)
I...I have no idea, Claw.

CLAW
Well, they're not getting off that
easy.

CUT TO:

EXT. CLAW'S LAIR - NIGHT

The gang finishes fighting the minions.

CALLIE
Nice work, guys, but we still have
to get to Claw.

DAISY
Good idea, but how are we gonna
help Donald?

HUEY comes up with a plan.

HUEY
I've got an idea. Dew, Lou, you're
comin' with me.

The boys reach the plane.

DEWEY
Wait, Hue! Where are we going?

HUEY
To save Uncle D. Come on.

They hop back inside the plane. DAISY follows them.

DAISY
Boys, wait!

She embraces them. Tears leak from her eyes.

DAISY (CONT'D)
Be careful.

The plane takes off.

CUT TO:

INT. MCDUCK MANOR - LABORATORY - DAY - CONTINUOUS

The boys enter the McDuck Manor laboratory.

LOUIE
What're we doing here?

HUEY
Making a quick pit stop.

HUEY scatters around the room, looking for something. He soon reaches the closet.

DEWEY
Hue, this is no time for you to be lollygagging. Uncle D's brainwashed, remember?

LOUIE
I mean, what're we gonna do?

HUEY opens the closet and draws a smile on his face.

HUEY
Bingo.

HUEY whips out a reversal gun.

DEWEY
What're we doing with that?

HUEY
Simple. We're gonna bring Uncle D back to normal.

LOUIE
That's actually not a bad idea.

DEWEY
Yeah, I agree.

HUEY
Let's roll.

CUT TO:

EXT. DOWNTOWN DUCKBURG - TWILIGHT - LATER

In downtown Duckburg, the minions are busy roaming the streets in a zombie-like manner. The boys soon arrive at the scene.

LOUIE
Whoa. That's a lot of minions out there.

HUEY
Yeah, you're tellin' me. All right, let's do this.

As the minions slowly roam past the team, HUEY begins to load up the reversal gun and aims it directly at the mindless crowd.

HUEY (CONT'D)
Here goes nothin'!

HUEY pulls the trigger and blasts a row of sound waves at the crowd. Soon, they start to change back to normal, including DONALD.

They appear to be exhausted and starts to wake up from their long "nap", like they're having a strange dream. The crowd soon begins to murmur among themselves. Just in time, the rest of the gang arrives on the scene.

CALLIE
How's it goin' so far?

DEWEY
We're making sure this works.

LADY
(groans)
What happened?

JENNY
I don't know what happened.

CUT TO:

EXT. ROOF - DAY - CONTINUOUS

Back on the rooftop, CLAW notices that his minions were being returned to normal. He appears to be furious.

CLAW
(furiously)
No. No! How did they change back to
normal?! How?!
(growls; screams)
That's it!

CLAW leaps off the roof and takes the brainwashing gun with him. The Bandits soon follow him.

CUT TO:

EXT. ROOF OF THE LAIR - DAY - CONTINUOUS

After returning to the lair, CLAW and the Bandits climb to the roof of the building and finds the helicopter.

CUT TO:

INT. HELICOPTER - DAY - CONTINUOUS

They hop on board the helicopter and SYDNEY ignites the engine.

CUT TO:

EXT. CLAW'S LAIR - DAY - CONTINUOUS

The helicopter begins to fly away from the lair.

CUT TO:

EXT. DOWNTOWN DUCKBURG - TWILIGHT

Soon, DONALD wakes up, now back to normal.

DONALD
(groans)
What happened?

Just then, DONALD turns to the gang in sheer relief.

DONALD (CONT'D)
Boys!

DEWEY

Uncle D!

He hurries over to the gang and embraces them.

DAISY

Thank God you're OK!

SCROOGE

Good to have you back, Donald.

LAUNCHPAD

Yep.

DONALD

Aw, shucks, guys.

They then hear a familiar voice in the b.g.

VOICE (O.S.)

Uh, excuse me?

They turn to see LYDIA in the crowd. They appear to be confused.

LYDIA

Mind telling us what's going on here?

HUEY steps in front of the gang, beginning to speak to the crowd.

HUEY

Look, we all know why you're probably confused right now, and we understand you. The fact is, Claw has brainwashed you and made you his mindless slaves.

The crowd gasps in horror and begins to panic like crazy. Then, HUEY tries to calm them down.

HUEY (CONT'D)

Whoa, whoa! Hey, come on! I'm sure you'll all get your chance to take care of Claw soon. Believe me, we've got you guys covered, but now's not the time for panicking, running like cowards or hiding in fear. We've gotta stay strong and not be afraid of anything.

Behind him, the gang feels signs of hope and trust. HUEY continues speaking.

HUEY (O.S.) (CONT'D)
 The only way we can do that is by
 working together and we can
 accomplish anything.

DONALD sheds a tear from his eye.

DONALD
 That's my boy.

Suddenly, the helicopter flies past the streets. CLAW reaches out and grabs DONALD, once again taking him hostage.

DAISY
 Donald!

BELLE
 Not again!

CALLIE
 C'mon!

The gang quickly exits the scene.

CUT TO:

INT. HELICOPTER - NIGHT - CONTINUOUS

Inside, XANADU ties DONALD to the railing of the helicopter tightly with three neckties. He's struggling to get out, but the neckties are beginning to grow tighter.

DONALD
 Let me go, Claw!

CLAW
 Oh, I don't think so, duck! You've gotten your thirteen seconds of freedom, but you're gonna be with me from now on.

DR. MO
 Claw, the F.O.W.L.'s on our tail.

CLAW
 Go faster, Xanadu! I have a duck to cook up.

XANADU
 Yes, Claw.

CUT TO:

EXT. DOWNTOWN DUCKBURG - TWILIGHT

Back outside, the gang continues to chase after the helicopter in the RV. The helicopter then begins to fly further away from them.

CUT TO:

INT. RV - TWILIGHT

LOUIE

The helicopter's getting away!

DAISY

Got any ideas?

HUEY then develops a plan.

HUEY

I got an idea.

(to DAISY)

Daisy, it's time to catch up to them.

DAISY

Are you sure about this, Huey? I mean, there's many other ideas you can think of, but...

HUEY

Just do it!

DAISY

You got it, boss. Hang on, guys!

HUEY

Webster, hand me your grappling hook.

WEBBY

OK, but I need it back when you're done.

WEBBY hands her grappling hook over to HUEY. DAISY slowly presses her foot onto the gas pedal and speeds the vehicle up to turbo speed.

DEWEY

I feel a chase song comin' on!

DEWEY pulls up a radio and switches it on, playing the "Power Rangers Turbo" theme song.

CALLIE

Ugh! What's this horrible song?!

Both LOUIE and HUEY look at each other in realization.

LOUIE

The sweet sound of annoyance.

HUEY

The sweet sound of annoyance.

LOUIE covers his ears.

DAISY

(shouting)

Would you please turn that off?!

CUT TO:

EXT. INTERSECTION - TWILIGHT

BELLE throws the radio out the window and a speeding truck destroys it.

CUT TO:

INT. RV - TWILIGHT - CONTINUOUS

HUEY

Dewey, Louie, we're goin' in.

LOUIE

You sure about this, Hue-man?

HUEY

It's the only way to rescue Uncle Donald. We've got no time to waste!

DEWEY

He's right, Lou.

CUT TO:

EXT. CITY STREET - TWILIGHT

Outside, HUEY aims the hook at the helicopter's railings.

HUEY

If I can just get the perfect aim...

He pulls the trigger on the hook and it attaches to the railing, where DONALD is being taken hostage.

HUEY (CONT'D)

Yes!

Both LOUIE and DEWEY grab onto HUEY'S back.

HUEY (CONT'D)

OK, guys, hang on.

The boys fly off from the RV and lands on the railings.

CUT TO:

INT. RV - TWILIGHT - CONTINUOUS

DAISY

Good luck.

CUT TO:

EXT. HELICOPTER - DAY

The boys hang on to the railings and finds DONALD being tied up by the neckties.

DONALD

Boys! You came!

Suddenly, the sound of a GUN is being clicked behind DONALD. He turns around to see SYDNEY pointing a magnum at the back of his head.

DONALD (CONT'D)

Uh-oh!

DEWEY

Oh, no you don't!

DEWEY does a spinning kick at SYDNEY'S neck and punches her in the cheek, sending her to the floor. He then takes out a pocket knife and begins to cut the neckties off of DONALD.

DEWEY (CONT'D)

Don't worry, Uncle D. We're busting you outta here!

CUT TO:

INT. HELICOPTER - DAY - CONTINUOUS

SYDNEY

Claw! The brats are here!

CLAW

What?!

CLAW violently snatches DONALD from the boys with his claw.

HUEY

Uncle Donald!

The boys climb inside the helicopter and confronts CLAW.

DEWEY

Let him go, Claw!

CLAW

That's not gonna happen. Bandits,
take care of them.

The Bandits corner the boys.

XANADU

With pleasure, Claw.
(chuckles)

The boys begin to fight them off and the Bandits soon join in.

DONALD

Yeah, boys! Tear 'em apart!

Both HUEY and LOUIE pack punches on SYDNEY and DEWEY tackles DR. MO violently, sending them flying towards the helicopter's controls.

The two smashes most of them and begins to shorten them out, causing the helicopter to spiral out of control! CLAW is furious!

CLAW

Dr. Mo, you incompetent idiot!

CUT TO:

INT. RV - DAY

Back in the RV, the rest of the gang sees the helicopter flying uncontrollably towards a building.

CALLIE

Daisy, park right there!

CUT TO:

EXT. ROOF - DAY

The helicopter crashes onto the edge of the roof. It slips slightly towards a billboard. Just then, DEWEY throws DR. MO through the glass windows. HUEY and LOUIE finishes cutting the neckties off of DONALD and embraces him in the process.

CLAW

That's it! I've had enough of this!

CLAW violently grabs DONALD by the neck and tries to choke him.

LOUIE

No!

CLAW reaches the edge of the roof and leads DONALD to his doom.

CLAW

See this, boys? Your uncle is about to be a pancake if you don't surrender to me, along with the rest of the F.O.W.L.

DONALD

(straining)
Let me go!

CLAW

So, boys, you have two choices. Either kneel before me and become my slaves or this duck's toast. You've got ten seconds.

DEWEY

Don't worry, Uncle D! We'll think of something to get you outta there!

(to LOUIE)

What do we do? We can't just be Claw's servants and let the world fall into the wrong hands.

LOUIE

You're right, but...

CLAW

(impatiently)
Five seconds remaining, boys. Let's go!

With five seconds to go and counting, the boys try to hurry up and make a decision.

They can't just let their uncle die and kneel before Claw at the same time. They appear to have sweat flowing down their faces.

CLAW (CONT'D)

Four...

DEWEY begins to get sick to his stomach, as if he was about to throw up. LOUIE can't even decide and is now all out of options.

CLAW (CONT'D)

Three...

HUEY wasn't sure if he wants to work for CLAW, but he wants to do the right thing by saving DONALD.

CLAW (CONT'D)

Two...

DONALD

No. Please, boys! Don't do this!

As DONALD looks down from the building, he sees the gang exiting the RV, looking up in horror. Behind them are a swarm of Duckburg citizens, watching the whole situation. DAISY appears to have tears flowing down her eyes.

DAISY

Oh, Donald...
(crying)

CLAW

One.

HUEY (O.S.)

Wait!

CLAW turns to see HUEY, who is walking towards him.

HUEY (CONT'D)

We've made a decision, and...
(sighs)
We'll kneel before you.

DEWEY

Are you crazy?!

CLAW smiles and slowly puts DONALD down.

CLAW

That's what I like to hear. Isn't it right, Bandits?

SYDNEY

Sure is, boss.
(laughs)

HUEY kneels down to the ground and begins to weep. DONALD hurries over to him.

LOUIE

(softly)
Huey.

HUEY

(sobbing)
I'm sorry, Uncle Donald.

DONALD

I know, but it's gonna be OK.

HUEY

No, it's not. I wanted to do the right thing, but I didn't know what else to do.
(sniffles)

DONALD

Don't you see, Huey? You've been doing the right thing.

HUEY

You...
(sniffs)
You really think so?

DONALD

Of course. By doing what's right, you can be more than just a good guy defeating an enemy. You can be a hero if you can just believe in yourself and never give up, and I'm very proud of you just by doing that.

HUEY smiles, wipes his tears and embraces DONALD.

HUEY

You're right, Uncle Donald.

CLAW

Oh, enough with the teary-eyed moments!

In a truly odd move, the Bandits start to wail. Wow, they're going a bit out of character here, aren't they?

XANADU

It's so touching! I can't take it anymore!

CLAW

(baffled)

What is with you three?

(groans in frustration)

Are you worthless fools gonna kneel before me, or what?

LOUIE

You know what, Claw? We don't care what you have to say, and by that, we don't need the audacity to work for you!

CLAW grows furious.

CLAW

You worthless little...

CLAW charges towards the boys and DONALD. He tackles HUEY to the ground and tries to choke him.

CLAW (CONT'D)

I'm gonna kill you for this!

DONALD

Oh, no you don't, Claw!

DONALD begins to fight CLAW by picking him up from the ground and punching him in the face. LOUIE and DEWEY soon join him, but are captured by the Bandits.

XANADU

Where do you think you're goin' ducks?

BOTH

Away from you!

They both do flying kicks at the Bandits and then they punch them continuously.

SYDNEY

Why you little...

SYDNEY tackles LOUIE and DEWEY to the floor and takes out her gun. She then begins to shoot them, but they keep dodging the bullets. HUEY paints half of his face in a dark blue color (ala MEL GIBSON) and lets out his so-called "battle cry".

HUEY
 (shouting)
 For Duckburg!

He lifts SYDNEY from the ground and spins her around. He then throws her to the wrecked helicopter.

CLAW
 What are you three goons doing?!
 Stop them!

LOUIE, DEWEY and DONALD soon join HUEY.

DEWEY
 Ready?

DONALD
 Ready!

They let out battle cries as they charge towards the rest of the Bandits.

DR. MO
 Run for it, Xanadu!

XANADU
 I'm comin'!

XANADU and DR. MO retreat from them. Soon, a chase begins and the boys start to fight them off. Suddenly, CLAW takes out his magnum and tries to shoot them, but they keep missing the bullets.

DONALD
 (sing-song)
 Oh, Claw...

DONALD peeks from behind the helicopter and blows a raspberry at CLAW.

CLAW
 (growls)
 You immature fowl!

As CLAW charges towards him, DONALD violently punches him in the face, sending him to the edge of the building. CLAW struggles to hang on, but HUEY confronts him.

HUEY
 Look, Claw, I'm not here to listen to your cliched dialogue, okay? I just want the microchip so that we can give it back to the President.

CLAW
 OK, you can have it, but, um...
 (chuckles)
 ...you're gonna have to kill me
 first.

HUEY
 Oh, I'm not gonna kill you yet,
 Claw. But first...
 (to LOUIE)
 Hey, Lou. Bring me the brainwashing
 gun, please?

LOUIE
 One brainwashing gun, comin' up.

LOUIE hands the brainwashing gun over to HUEY.

CLAW
 Hey, be careful with that! That's
 my latest invention.

HUEY
 And this'll be your last, Claw.

HUEY sees the microchip from the back of the gun and removes
 it. He then gives it to DONALD.

HUEY (CONT'D)
 Keep it in a safe place, will ya?
 (to CLAW)
 And now, say bye-bye to your work.

HUEY throws the gun from the building and falls to the
 ground.

CLAW
 No!

As it reaches the ground, the gun is smashed into
 smithereens.

XANADU
 The gun. It's destroyed.

SYDNEY
 No shit, Sherlock.

HUEY grabs CLAW'S left arm.

HUEY
 I don't think you'll be needing
 this anymore.

CLAW

No. Not my precious claw. Please,
Huey, anything but that.

HUEY removes the claw from CLAW'S left arm and lets him fall
to his death.

CLAW (CONT'D)

(screaming)

Huey...!

CLAW falls into a gasoline truck and it explodes. The Bandits
watch this in unbelievable horror.

BANDITS

Claw!

HUEY brushes his hands off.

HUEY

Well, that about wraps things up.

LOUIE

Uh, one question, Hue.

HUEY

What's that?

LOUIE

How do we get down?

HUEY

Ooh, um...

(brief pause)

...I'm not sure.

Suddenly, the helicopter begins to slip further away from the
ground.

DONALD

The helicopter! It's starting to
fall!

DEWEY

Let's go!

They hear a familiar voice in the b.g.

XANADU (O.S.)

Wait!

The boys turn to see the Bandits, feeling guilty.

XANADU (CONT'D)

Mind if we...help?

LOUIE

And why do **you** want to help?

DR. MO

Well, we heard that inspiring speech Donald gave ya, and we were thinkin' that maybe we can be the good guys. You know, like redeeming ourselves. So, yeah. What do ya say?

The boys look at each other.

DONALD

I don't see why not.

LOUIE

(sighs in frustration)

Come on.

The boys and the Bandits race to the helicopter and hops inside.

CUT TO:

INT. HELICOPTER - DAY

DONALD tries to find the ignition switch.

DONALD

Where's the ignition on this thing?

DR. MO

It should be around here somewhere.

DR. MO sees the ignition switch and tries to turn it on. Suddenly, the controls begin to burst and it starts to catch on fire.

DR. MO (CONT'D)

Crap!

DEWEY

What happened?!

XANADU

Controls are down!

CUT TO:

EXT. ROOF - DAY - CONTINUOUS

The billboard starts to tilt over, dragging the helicopter with it.

CUT TO:

EXT. CITY STREET - DAY - CONTINUOUS

The crowd looks up at what's happening. They're in shock.

LYDIA

Oh my goodness!

CALLIE

Please tell me this isn't happening.

DAISY

Boys!

CUT TO:

INT. HELICOPTER - DAY - CONTINUOUS

The fire grows bigger and the controls suddenly explode.

HUEY

What're we gonna do?! The flame's growing worse!

SYDNEY

I'm afraid there's nothing we can do.

The gang feels a strong jolt.

ALL

Whoa!

CUT TO:

EXT. ROOF - DAY - CONTINUOUS

The helicopter and the billboard continues to tilt over.

CUT TO:

INT. HELICOPTER - DAY - CONTINUOUS

Everyone starts to hold each other's hands as the helicopter begins to tip over along with the billboard.

CUT TO:

EXT. CITY STREET - DAY

The crowd watches in horror.

SCROOGE

Oh, no. It's gonna tip over!
Everyone get back! Run!

They start to back away. CALLIE immediately covers her eyes.

CALLIE

I can't watch!

DAISY

(shrieking)
Boys! No!

CUT TO:

EXT. ROOF - DAY - CONTINUOUS

The helicopter explodes complete with tons of electricity crackling from inside. It then begins to tip over along with the billboard. More flames and debris begin to spill from above.

CUT TO:

INT. HELICOPTER - DAY

Everyone cradles each other tightly.

CUT TO:

EXT. BUILDING - DAY - LOW ANGLE

Both the helicopter and the billboard begin to fall towards the ground. Everyone in the crowd continues to back away. The gang couldn't even watch, but a few members resisted, including DAISY, who flows tears from her eyes as she watches in both horror and sadness.

CUT TO:

EXT. CITY STREET - DAY

With tons of space cleared out from the audience, both the helicopter and the billboard crash violently, exploding in the process. Tons of smoke and debris fills the air. DAISY, in a mix of horror and sadness, hurries over to the wrecked helicopter.

DAISY
(crying)
Boys!

She drags the boys out one by one. She then discovers the Bandits and drags them out as well. She then races over to DONALD, who is severely injured, along with the nephews.

DAISY (CONT'D)
(sobbing)
Donald! Boys! Speak to me, please!

DAISY tries to wake them up, but there was no response. More tears start to flow from her eyes.

DAISY (CONT'D)
Please don't do this to me!
(sniffles)

She kneels down, leans towards DONALD and begins to cry softly.

DAISY (CONT'D)
(crying softly)

The sadden crowd begins to lower their heads down in silence as the smoke begins to clear. WEBBY embraces SCROOGE and LAUNCHPAD.

WEBBY
(sobbing)
Oh, Uncle Scrooge!

She begins to weep. Suddenly, DONALD touches DAISY'S hand. DAISY opens her eyes.

DAISY
(sniffs)
Donald?

DONALD finally wakes up in exhaustion.

DONALD
(groans)
Where am I?

DONALD looks at DAISY.

DONALD (CONT'D)
D...Daisy?

Then, the boys wake up as well. The crowd took notice of this.

LOUIE
Wow, I never thought we'd survive
that crash.
(laughs)

LADY
They're alive!

BEETLEJUICE
Whoopee! Hallelujah! The duck's
alive!

They start cheering and applauding. The rest of the gang rushes over to them.

MALLORY
Oh my God! I knew you'd be OK!

DAISY
Thank goodness you're all right!

DONALD
Yeah. I guess we are. Right, boys?

HUEY
Absolutely.

DEWEY
I guess the mission's accomplished.

LOUIE
Yep.
(laughs)
Hey, where are the Bandits?

The Bandits soon wake up from the rubble.

DR. MO
(groans)
How long were we out?

XANADU
I dunno.

They are soon spotted by a bright light from the sky, which comes from a helicopter.

After that, they hear the sound of SIRENS in the distance. As it grows louder, four police cars arrive at the scene.

VOICE (O.S.)

Bandits, this is the police! We have you surrounded! Come out with your hands up!

SYDNEY

Oh, shit!

LOUIE

I guess they're goin' away for a long time.

HUEY

Sure is.
(laughs)

DISSOLVE TO:

EXT. WHITE HOUSE, WASHINGTON, D.C. - AFTERNOON - MOMENTS LATER

Later that day, the gang arrives at the White House in Washington, D.C. in a limo. As they exit, they discover that tons of people have been waiting for them.

They've already got out their cameras and starts to clamor around them, taking lots of pictures.

REPORTER

Huey! What was it like defeating the Claw?

REPORTER #2

Daisy, can you tell us about how you and the rest of the family joined a spy agency?

REPORTER #3

Do you have any experiences with being secret agents?

HUEY

Please, settle down, everyone. You'll get your autographs later.

LOUIE

Same old Huey.

DEWEY

Yep.

CALLIE

We won't be taking any questions right now. Thank you. Let's go, guys.

The gang walks past the "we're reporters and we need answers" type of crowd and steps inside the White House.

CUT TO:

INT. PRESIDENT'S OFFICE - AFTERNOON - CONTINUOUS

Inside, the gang enters the President's office. CALLIE carefully places the microchip back in the golden case and the President locks it up.

PRESIDENT

(sighs in relief)

Thank goodness the microchip is finally back where it belongs, and it's all thanks to you. If it wasn't for you, the microchip would've fallen into the wrong hands. Well, in even **wronger** hands, I meant.

MALLORY

It was our pleasure, boss.

CALLIE

Agreed, Mal. But it wouldn't have been possible without the Duck family.

DONALD

Aw, it was nothin'.

DAISY

Well, we did manage to track down Claw and defeat him in the process.

DONALD

Mm-hmm.

CALLIE

Well, you all did very well, especially your boys right here. Seriously, if it weren't for you, Duckburg, or the world, would've been swarmed with Claw's minions. And for that, I'm gonna give each of you...

CALLIE lays a briefcase down on the desk and opens it up, revealing eight F.O.W.L. pins. She then sticks them on each of the gang's clothes.

CALLIE (CONT'D)
 Congratulations. You're all now
 official members of the F.O.W.L.

HUEY
 Yes!

LOUIE
 Whoo-hoo!

CALLIE
 Oh, and Mallory? Can I have a word
 with you for just a sec?

MALLORY
 Sure, Cal.

CALLIE
 You know, I've been thinking this
 over and I was wondering if you'd
 like to join the F.O.W.L.

MALLORY
 Wait, you want me to join the
 F.O.W.L.?

CALLIE
 Yep.

MALLORY
 Well, Callie Briggs, I'm truly
 honored.

CALLIE shakes hands with MALLORY.

CALLIE
 It's official, Mallory McMallard.
 Welcome to the F.O.W.L.

MALLORY
 Thanks.

CALLIE
 So, you thinkin' about heading back
 to Anaheim?

MALLORY
 Well...

Just then, a hologram of WILDWING appears on MALLORY'S watch.

WILDWING (V.O.)
Hey, Mal.

MALLORY
 Wildwing! What a surprise.

WILDWING (V.O.)
*How was your mission? Did you guys
 beat the Claw yet?*

MALLORY
 Yep, the Claw's dead. And, even
 better, I just got accepted into
 the F.O.W.L.

WILDWING (V.O.)
*That's great, Mal. I'm happy for
 you.*

MALLORY
 Thanks. So, how are things going in
 Anaheim?

WILDWING (V.O.)
*Went pretty well. We just took care
 of Dr. Droid from world domination.
 So, you thinking about coming back?
 The others miss you, especially
 Tanya.*

TANYA suddenly pops out in front of WILDWING.

TANYA (V.O.)
 (gasps)
*Is that Mallory? Lemme say "Hi" to
 her, Wildwing. Oh, pretty please,
 with a cherry on top?*

WILDWING (V.O.)
 (sighs)
Go ahead.

TANYA (V.O.)
Hi, Mal!

MALLORY (V.O.)
 Hey, Tanya.

TANYA (V.O.)
Oh, I miss you so much!

MALLORY
 (chuckles)
 I miss you, too.

WILDWING (V.O.)
So, Anaheim, then?

MALLORY
 Actually, I was thinking about staying here in Duckburg.

WILDWING (V.O.)
Really? You sure about that?

MALLORY
 Well, yeah. You see, even though I still got you guys, these guys over here are some of the coolest people I've ever met. And I just joined the F.O.W.L. not too long ago, so, yeah, I'm stayin' here.

TANYA starts bawling next to WILDWING.

TANYA (V.O.)
 (sobbing)
That was beautiful!
 (sniffs)

WILDWING (V.O.)
Oh, boy.

MALLORY
 (chuckles)
 Don't worry, Tanya. I'll come over and visit. Promise.

WILDWING (V.O.)
We understand. Well, we'd better get going. Another crime alert. Catch ya later, and good luck at the F.O.W.L.

MALLORY
 See ya later, Wildwing.

The watch shouts off automatically, and MALLORY lets out a sigh of relief. WEBBY feels like something's wrong with the picture. BELLE is nowhere to be seen.

WEBBY
 I'd hate to be a killjoy, guys, but what ever happened to Belle?

MALLORY
 I dunno.

They eventually spot BELLE receiving a phone call from someone. She quickly turns around and hides her phone like nothing's happening. The gang appears to be suspicious.

BELLE

Oh! Guys, you've scared me!

CALLIE

OK, Belle Robinson, spill the beans.

BELLE

Callie, what're you talking about?

SCROOGE

Belle, what's going on here?

BELLE couldn't resist, so she decides to tell them the truth.

BELLE

Guess it's time for me to spill the beans, huh?

(sighs)

Remember the time when I took you guys in my cabin back in Alaska and the fact that you said that I look familiar?

CALLIE

Yeah.

BELLE

Well, you may remember me, Callie.

CALLIE

Wait, you don't mean...

BELLE takes out her wallet and opens it. She then takes out a badge, revealing BELLE'S true identity.

BELLE

Yes. My name's not Belle Robinson. It's Belle Ryder, Callie's rightful partner for the F.O.W.L.!

CALLIE gasps in sheer disbelief. The boys' jaws dropped.

HUEY

You mean **you're** from the F.O.W.L.?!

BELLE

That's right.

CALLIE

But...

(stammering)

...we thought you were dead!

BELLE

I did, but I've managed to survive all this time. Sure has been a while since we've seen each other, though.

CALLIE embraces BELLE in relief.

CALLIE

Oh, I thought I'd never see you again!

DONALD

You could've told us this from the beginning, Belle.

BELLE

You're right. I should've.

Just then, the gang overhears the sound of BEEPING. CALLIE notices as she grabs her cell phone from her pocket

CALLIE

Hello? Mm-hmm. I see. We'll be right over.

She then places her cell phone back in her pocket.

CALLIE (CONT'D)

Guys, we've gotta go.

DAISY

What's the situation?

CALLIE

A group of terrorists trying to hack into Russia's technology system.

DONALD

That doesn't sound good.

MALLORY

Not at all.

CALLIE

So, guys, ready for your first F.O.W.L. assignment?

HUEY thinks is over for a minute, then proceeds to respond.

HUEY

Actually, Callie, I was thinking about taking a break from all of this crazy spy stuff. After all, we may need some rest and relaxation.

(to DONALD)

Right, Uncle D?

DONALD

Huh?

MALLORY

You sure about this, Huey?

HUEY

I think me and my brothers could agree.

LOUIE

Uh, yeah.

HUEY

Besides, we'll be back to the F.O.W.L. soon enough, but, for now, we've gotta get home.

CALLIE

How about we give you guys a ride?

DAISY

Okay.

LOUIE

Daisy, I think you'd better start clicking your heels three times.

DISSOLVE TO:

EXT. DONALD DUCK'S HOUSE - MUCH LATER - DAY

In the F.O.W.L. helicopter, the gang arrives at DONALD'S house. They hop out from the helicopter, while CALLIE, BELLE and MALLORY remain inside.

WEBBY

Well, I guess this is it.

BELLE

Yeah, it is.

CALLIE
We can't thank you enough for your
help.

CALLIE shakes hands with HUEY.

HUEY
Our pleasure, Callie. Take care.

CALLIE
(giggles)
You too, boys.
(to MALLORY)
OK, Mal, take off!

MALLORY gives CALLIE a "thumbs up" as BELLE shuts the door.
The helicopter then takes off and leaves, while the Duck
family waves good-bye.

LOUIE
(sighs)
Sure am gonna miss them.

HUEY
Yeah, but at least we'll keep 'em
in touch.

DISSOLVE TO:

INT. DONALD DUCK'S HOUSE - ATTIC - SUNSET - MUCH LATER

The boys are in their attic, lying in their normal beds.

DEWEY
(sighs deeply)
It's good to be back home.

HUEY
Well, we did get back from having a
spy mission, for crying out loud.

LOUIE
(laughs)
Remember when we all were chasing
after Claw and the Bandits in
snowmobiles?

HUEY
(chuckles)
Yeah, that was pretty bad-ass.

Just then, they hear DONALD in the b.g.

DONALD (O.S.)
 Hey, boys! Come downstairs quick!

CUT TO:

INT. LIVING ROOM - SUNSET - CONTINUOUS

The boys rush over to the living room, where the others are waiting for them.

LOUIE
 What's goin' on here?

DAISY
 Shh! Come watch.

They are watching a news report on television. ALICE WONDERS is on-screen.

ALICE
 (on TV)
I'm standing outside the Duckburg City Hall, where Mayor Hogwilde is now giving a speech revolving around a group of unlikely heroes who managed to defeat a ruthless criminal known as the Claw and his henchmen, the Bandits of Duckburg, three days earlier. Let's take a moment to watch.

As ALICE turns around, we see MAYOR HOGWILDE speaking in front of a crowd.

MAYOR HOGWILDE
 (on TV)
Citizens of Duckburg, we have gathered here today to give our thanks to these unusual heroes who have stepped up and took their chances to take down the horrid Claw and his gruesome Bandits. And so, I say to those heroes, wherever they are, thank you for saving our planet.

ALICE turns back to the camera.

ALICE
 (on TV)
So, there you have it, folks. You've just witnessed a new beginning for these heroes.
 (MORE)

ALICE (CONT'D)

*The only question that remains is:
"What will they do next?" For
Channel 28 News, this is Alice
Wonders reporting...*

DONALD switches the television off.

DONALD

(excited)

Ya hear that, boys? We're heroes!

LOUIE

I'm actually surprised to hear
that, Uncle D.

DAISY

You know what? This calls for a
celebration.

DEWEY

I agree. What do you say we head
down to Chez Swann? I heard that
they have the "Gwumpki Special" on
the menu.

WEBBY

Sounds good to me.

CUT TO:

EXT. NEIGHBORHOOD STREET - SUNSET

The gang is walking down the street.

HUEY

Hey, Uncle D?

DONALD

Huh?

HUEY

Do you think Claw's gonna come back
anytime soon?

LOUIE

Now why would you think that, Hue?
Y'know that he's dead, right?

HUEY

You're right, Lou-Lou. Why would I
ask such a question?

DEWEY

Hey, I have a question?

LOUIE

What's that, Dew?

DEWEY

When are we gonna get a sequel?

DAISY

You do know that Disney's not gonna agree to this, right? What if this movie wasn't a hit at the box office?

DONALD

Yeah.

DEWEY

You're probably right about that, Daisy.

(to HUEY)

Hey, Hue, doesn't Ludwig Von Drake live right across from us?

HUEY

Uh, yeah. Why?

DEWEY

I just need to borrow some inventions for a science project.

HUEY

Wait a minute, you never told me about a science project.

DEWEY

Yes, I did!

HUEY

Oh, yeah? When?

DEWEY

Uh...

HUEY

That's what I thought.

The gang head off into the sunset, continuing to talk as we
FADE OUT.

THE END
