

INT. BEDROOM

ADAM is laying on his bed dreaming about a girl. She is 15 years old with long brown hair. He has been having these dreams every night. He is abruptly woken up by a sound from the kitchen. ADAM sits up putting his hand to his forehead. He wants to find his little sister but knows he must go about his day. He also finds a note that was left on his bed from his sister. After hearing more noise from the kitchen, he gets up and heads to the kitchen quietly. ADAM steps into the kitchen in a swift motion. There he encounters his long time friend, JAKE, who seems to have hurt his leg in an accident.

JAKE

Woah woah woah! Stop!

ADAM

Jake?? I almost punched you straight in the face! what are you doing in my apartment?

JAKE

Your apartment?

JAKE looks at ADAM with a confused look.

ADAM

Yeah... this is my apartment Jake. You should know that.

JAKE

Yeah... sorry. I'm just shocked is all.

ADAM walks over to a cabinet looking for some aspirin.

JAKE

What are you looking for?

ADAM

Aspirin. I have a bit of a headache. I had a bad dream is all. What happened to you?

ADAM points over to JAKE's leg.

JAKE

Nevermind that. What was the dream about?

ADAM

It was about... my little sister...

JAKE is confused.

JAKE
You mean Zoey?

ADAM
Yeah. She's still missing. I need to
find her. I found this on my bed when
I woke up.

ADAM hands JAKE the note. Jake notices that it is a mere receipt he left on the bed. However, he decides to play along.

JAKE
I can't make that out.

ADAM
I can't really either but I think it
looks like "it's okay"?

JAKE comes to a certain realization.

JAKE
What does it mean?

ADAM
I'm not sure but I have to find out.
WE have to find out...

JAKE
We?

ADAM
Yeah I can't do this without you, man.

JAKE
(jokingly) Well I suppose you can't.

JAKE starts to walk off.

JAKE (CONT'D)
Let me get my jacket.

ADAM pats JAKE on the shoulder. JAKE stares and at his shoulder a bit confused. He goes to grab his jacket.

JAKE (CONT'D)
Let's get going.

ADAM
Awesome! I'll drive.

JAKE
Actually, I' will be the one doing the driving.

ADAM
Suit yourself.

EXT. FRONT YARD

ADAM and JAKE get into the car and drive to the store. They arrive at the store.

EXT.FLOWER SHOP

JAKE is still worried about the current situation. JAKE leads ADAM to go buy some flowers.

INT. FLOWER SHOP

ADAM
Those flowers for a special someone?

ADAM makes a creepy/sexual face to insinuate something. JAKE lets out a weak laugh.

JAKE
Yeah... I guess you could say that.

ADAM
Well get those flowers and lets get---

ADAM's head suddenly starts hurting. He sees flashes of things but can't make them out. He puts his hands to his head and starts breathing heavily.

JAKE
Yo! Adam you all right?!

ADAM
Yeah... my head just hurts. I'm fine though.

ADAM composes himself. They both head to the register to pay for the flowers and head back to the car.

EXT.FLOWER SHOP

JAKE

What was that about??

ADAM
I'm not sure. My head won't stop hurting...

JAKE
Hmmm...

ADAM
What are you thinking?

JAKE
Nothing. Let's go.

JAKE starts the car.

ADAM (CONT'D)
Wait...

JAKE
What's wrong?

ADAM's head starts to hurt again.

ADAM
Agh... what is.... happening...

While ADAM is holding his head, he hears the sound of a car crash.

ADAM (CONT'D)
I remember... something....

JAKE
What is it??

ADAM
I'm not sure... Just the sound of a crash.

JAKE
A crash? What kind of crash?

ADAM
A car crash I think.

JAKE looks at ADAM with a worried look.

JAKE
I think I might have an idea of what

you're talking about...

ADAM
Really? (confused) How could you know?

JAKE pauses.

JAKE
It's better if we just go there...

ADAM nods at JAKE. JAKE starts to drive off. Moments later they arrive at a cemetery.

EXT. CEMETERY

ADAM
(in a sad tone) What is this...?

JAKE
Adam...

ADAM
(confused) Why are we at a cemetery?

JAKE pauses for a minute and takes a deep breath to reveal the truth.

JAKE
Zoey's dead, man.

There's an eerie silence. ADAM stares at JAKE blankly.

ADAM
That can't be possible... I don't remember this....

ADAM falls to his knees while clasping his head one more. His face is filled with anguish.

JAKE
She wasn't the only one...

ADAM's eyes widen and he hears the sound of a car crash again. He then comes to the realization that he is also dead.

ADAM
What... what are you talking about...?

JAKE
You know what I'm talking about but it wasn't your fault...

ADAM closes his eyes and can hear the accident playing in his mind.

JAKE (CONT'D)
(faintly) If only I had driven maybe
you'd still be here...

JAKE gets down on one knee in front of ADAM.

JAKE (CONT'D)
I'm sorry, Adam. I've hated myself to
this very day. I came out with a
shattered leg and you and Zoey...

JAKE starts to cry. ADAM starts to fade. He puts his hand on
JAKE's shoulder and looks at him.

ADAM
It's okay man. I don't blame you and
neither does Zoey. We couldn't prevent
what happened but now you need to
forgive yourself. (pause) I've already
forgiven you.

Beat.

ADAM
I'll see you around okay?

JAKE still looks down while ADAM vanishes.

FADE TO BLACK.

THE END.
