INT. BEDROOM - MORNING

An alarm is heard fading from black to picture. A mans hand can be seen pressing on the phone and the alarm stops.

We later see someone standing out of the bed, walking against the bathroom. He opens the mirror and when he closes it he notices that there is something wrong with his face. He does not recognize himself. He knows he is Lucifer Morningstar but now he was someone else.

LUCIFER

EXT. OUTSIDE - DAY

Lucifer is outside, walking strangely because he does not recognize where he is until he sees all the people. He then ask someone.

LUCIFER
Where am I?

STRANGER
What?

Lucifer looks with a strange face expression on the stranger. He then ask his next question a bit more aggressively.

LUCIFER
WHAT PLANET AM I ON?

STRANGER
Planet earth, weirdo.

Lucifer looks away while he has his hands on the strangers shoulders.

LUCIFER
Planet earth...

He whispers...

He lets go of the stranger and the stranger leaves.

Lucifer later look up in the sky and ask.

LUCIFER (CONT'D)
 Why... did you put me on earth? Was
 it something I did.

People around Lucifer looks at him. Standing still.

LUCIFER (CONT'D)
 WHAT ARE YOU LOOKING AT???

People continue walking and looks at the ground.

INT. COFFEE SHOP - MOMENTS LATER

Lucifer is seen buying coffee, just because he is from hell
 it does not mean he don't know how to buy coffee.

Lucifer walks to an table, sitting down next to a girl. Picks
 up his phone and searches up about hell.

The girl stares carefully at the phone and when Lucifer
 notices her she looks away.

Lucifer talks to himself.

LUCIFER
 How do this thing work.

While he slams his phone and dips it in his coffee.

STRANGER
 Here, use mine.

Lucifer looks to his right, where the girl is sitting.

He accepts the phone and stranger then says.

STRANGER (CONT'D)
 Hi, im Amber.

She tries to shake his hand but Lucifer just takes the tip of
 his fingers shaking one of her fingers.

AMBER
 Alright... so I live here in this
 city... where do you live?

Lucifer continues pressing the phone.

AMBER (CONT'D)
 Okey, do you c...

Lucifer interrupts her.

LUCIFER
I don't communicate with humans.

AMBER
You still got my phone though.

Lucifer returns the phone and leaves the coffee shop.

Amber continue following him and bumps in to him from behind walking with him.

LUCIFER
Did I not just say, I don't
communicate with humans.

AMBER
Yeah, you said that and...

Lucifer interrupts her again.

LUCIFER
Is that girl walking against me?

The girl walks up and hugs Lucifer.

LUCIFER (CONT'D)
Do I know you?

THE GIRL
Don't be stupid Simon.

Lucifer looks weirdly at the girl and continue looking weirdly at Amber.

LUCIFER
Get this... thing of me.

AMBER
You really are strange.

Lucifer thinks...

He pushes off the girl and introduce himself.

LUCIFER
Nice to meet you, my name is
Lucifer Morningstar. What's yours?

THE GIRL
Simon that's not funny. And who is
this girl?

LUCIFER
Uhm... my girl.

The girl looks at Amber and back on Lucifer, she then slaps Lucifer in the face and walks away.

AMBER
So Im your girl now?

Lucifer continues walking away and Amber follows him.

EXT. OUTSIDE - NIGHT

Amber still follows Lucifer but this time with her phone in her hand. Lucifer turns around and Amber ends up bumping into him.

LUCIFER
Please stop following me, I have to figure out what Im doing here.

AMBER
I can help you with that.

LUCIFER
How can you help me with that?

AMBER
What do you need help with?

LUCIFER
Your confusing. Girls like you end up down there with me.

AMBER
Well I would not say no to that.

Lucifer whispers for himself.

LUCIFER
Im lost...

AMBER
What?

LUCIFER
Nothing.

AMBER
Well you said something...

Lucifer turns around and talks loudly.

LUCIFER

Look, Im not from here. I don't have a home here.

AMBER

Well you could have said that. I thought we were on our way home to your place.

AMBER (CONT'D)

But hey listen, I don't live far from here. You can sleep at my place and we figure everything out in the morning.

Lucifer stops and thinks a minute and then accept Amber's offer.

INT. AMBERS HOUSE - NIGHT

Lucifer and Amber arrives and walks in.

LUCIFER

Do you live alone?

AMBER

Yeah, well my parents are out of town.

Lucifer follows Amber to the kitchen.

Amber opens the fridge.

AMBER (CONT'D)

So... are you hungry?

LUCIFER

I guess so...

AMBER

So what do you want?

Lucifer looks away while Amber asks that question and he later walks away. We see Lucifer looking around in the house and later sits down.

When he sits down he notices a picture. A picture of God.

He stands up, looks straight into the eyes of God on the picture and someone touches his shoulder. Lucifer grabs the arm and spins around. Nearly braking the arm of the one who touched him.

AMBER (CONT'D)
Ouch Lucifer its just me!

LUCIFER
Sorry...

Lucifer drops Amber so she falls on the floor. While she lays there he walks up to the painting again.

AMBER
So, you believe in God?

LUCIFER
Well... I believe that he is a bad person.

AMBER
You know he created everything. He even made you.

LUCIFER
WELL WHO SAID I WANTED TO BE HIS SON.

AMBER
Everyone is his kids, the kids who follows their purpose on earth and later arrives into the paradise called heaven.

LUCIFER
Some of us do not go to that place.

AMBER
Have you been a bad person? Got anything that you feel guilt about?

LUCIFER
Except the amount of people I torture everyday? Not really...

AMBER
You are funny. This thing "Lucifer Morningstar" are you pretending to be the devil?

LUCIFER
I am the devil.

AMBER
Alright, you can go with your role Im okay with that.

LUCIFER
It is not a role.

AMBER
Anyyyywaayy... I prepared some stuff
in the kitchen.

Amber and Lucifer walks to the kitchen. He sits down and
Amber does too.

Lucifer looks at the bowl of objects.

LUCIFER
What is this...

AMBER
Have you never eaten noodles?

INT. BEDROOM - MOMENTS LATER

We see Lucifer sleeping on the couch. Looking up and thinks
about how he came to earth.

A guy then grabs him and pulls him off the sofa. He tries to
fight the man and end up slamming into glass.

Amber walks in, turning on the light.

AMBER
What the hell are you doing?

Lucifer stands there trying to fight nothing.

LUCIFER
There was someone here.

AMBER
Go to sleep. You should be grateful
that you get to sleep here.

Amber walks back and slams her door.

INT. AMBERS ROOM - MOMENTS LATER

Amber is seen sleeping. Then we see her quilt being pulled
down. She then gets dragged of the bed.

INT. LIVING ROOM - MORNING

Lucifer walks up, finds his way to the kitchen and makes a
coffee. He then walks upstairs and knocks on Ambers door.

LUCIFER
Ambeeeeerrr time to waky waky.

Amber does not reply.

Lucifer then opens the door and finds Amber on the ground. He runs up to her and grab her head.

LUCIFER (CONT'D)
Amber?

Amber still does not reply.

Lucifer closes his eyes and then opens.

Amber breathes loud and comes back to life.

AMBER
Oh my god. I... saw hell.

LUCIFER
Yes you did.

AMBER
But how?

LUCIFER
Because I am the devil.

AMBER
Not funny. It felt like I was dead.

LUCIFER
And it seems like the port to hell
is open.

Lucifer is looking at the wall. Red text is written "im coming for you".

EXT. COFFEE SHOP - MOMENTS LATER

AMBER
So you really are the devil?

LUCIFER
Yes.

AMBER
Can you fly?

LUCIFER
Not here.

AMBER
Are you immortal?

LUCIFER
Probably not.

AMBER
Can you send people to hell?

LUCIFER
Please Amber, how do you think I got you back? This body may restrict me but my connection to hell is still there.

AMBER
I still don't believe that you are from hell.

LUCIFER
Are you sure?

AMBER
Well you don't have proof.

LUCIFER
Please. Stop. Wait...

Lucifer is looking at Amber phone and reads about an article about a person who was launched up in the air and stuck onto a tree.

LUCIFER (CONT'D)
I know how we can find the ports to hell.

INT. AMBERS HOUSE - MOMENTS LATER

Lucifer is drawing pictures of where murders have been all the time Lucifers been back. He draws lines between them and puts them in a pattern.

LUCIFER
I still don't understand... how is the port open and where is it.

AMBER
Maybe you have too look at it in another perspective.

LUCIFER
How?

AMBER

Well...

Amber touches Lucifer.

LUCIFER

Amber... what are you doing?

AMBER

I think this Lucifer thing is kinda hot.

Amber jumps on Lucifer and makes out with him.

LUCIFER

Amber? What are you doing...

AMBER

Come on Lucifer. Just play along.

Lucifer and Amber continues making out and Lucifers shirt is removed. He later jumps with Amber and she gets slammed into the roof with Lucifer.

Lucifer later sees, the pattern of the murders.

LUCIFER

Now I see what you mean with another perspective.

AMBER

OH MY GOD WE ARE IN THE ROOF. You really are the devil... OH MY YOU ARE THE DEVIL GET OFF ME.

Lucifer and Amber slams down onto the floor again. She runs out and Lucifer still lays there. She returns with a knife pointing it at Lucifer.

AMBER (CONT'D)

GET OUT! GET OUT YOU ARE THE DEVIL!

LUCIFER

Calm down Amber. Im not that bad.

AMBER

OH PLEASE GOD PROTECT ME, COME HERE AN...

Lucifer stands up grabs Ambers knife and pushes her against him.

LUCIFER

Calm down.

AMBER
You... are the devil... I kissed
the devil?

 LUCIFER
Well yes...

EXT. OUTSIDE - DAY

Amber is walking behind Lucifer as last time. While asking
him questions.

 AMBER
So the devil? So you torture
people?

 LUCIFER
Well not all of them, I have my
demons who does it too.

 AMBER
What was that thing that attacked
me?

 LUCIFER
Well, either a pissed of demon or
just a pissed off dead man.

 AMBER
So they got out... of hell?

 LUCIFER
Apparently I came through a port to
this place. Got put in this body
and here we are. I don't remember
how or when but here I am.

 AMBER
Okay so...

Lucifer stops.

 LUCIFER
Schhh.

 AMBER
Don't schh me I have many
questions.

 LUCIFER
No look!

Amber and Lucifer looks at the portal. Right in the end of the valley.

LUCIFER (CONT'D)
You see those shadows, they are souls. Escaping from hell.

AMBER
Oh my...

Lucifer then runs into the portal. Leading all the demons into it. He enters hell and finds his home and all the cells that are empty.

Amber looks at the portal and she is later seen entering the portal.

AMBER (CONT'D)
LUCIFER!

LUCIFER
No Amber! You should not be here.

Amber is later seen taken by a demon and back to earth.

Lucifers appearance changes. Looks almost like Simon but a bit different.

His wings comes out and he flies against the portal. The portal later closes but Lucifer just got out in time.

Amber is standing there. Just looking at Lucifer. He also sees that he is not on earth anymore. There is just... nothing here.

LUCIFER (CONT'D)
You are not Amber are you?

AMBER
No, congratulations you found out!

A soul leaves Amber and Amber falls to the ground.

SOUL
There is nothing you can do.

LUCIFER
Why did you do this?

SOUL
Why did I do this? You have tortured me, for multiple years.
AND YOU ASK WHY?

Lucifer looks up at the soul. He then fly against it and the soul disappear.

Lucifers environment now changes. And now he is in heaven. Not knowing how. He sees himself being kicked out of heaven by God and sent to hell.

SOUL (CONT'D)

Poor Lucifer. Let's see what happens next.

Lucifer sees himself again, this time in hell. And he meets this man. A man who had raped multiple kids and he sees how the man is tortured by Lucifer.

LUCIFER

So... my first soul. Hank.

HANK

Congrats. Now you figured it out.

Hank now shows himself. We also see Amber lying on the ground again in the black environment.

LUCIFER

Amber!

HANK

You still believe that there is hope? Hah, you know she was a good girl. She ended up in heaven, just like the other girls a raped too.

Lucifer looks at Hank, furious.

LUCIFER

You know why you went to hell... you where a bad person. And sadly bad persons are not more powerful than me.

Lucifer stands up, his eyes filled with anges and the whole floor becomes fire.

LUCIFER (CONT'D)

Its time... you go back where you belong.

Lucifer burns Hank, but Hank tries to run away but the fire continue following him.

LUCIFER (CONT'D)

YOU CANT RUN, YOU CANT HIDE.

Fire surrounds Hank and he got no where to run. Now this time Hank is scared.

HANK

No, please don't do this.

LUCIFER

Is that what the girls said to you?
Is that what Amber said too you?
And all those kids, this is what
you deserve.

Lucifer brings a blade from the back of his pants. The blade who sends the demons back to death.

Lucifer walks up to Hank and put the blade right through him. Killing him. He dissolves and is gone. The environment shakes. He's now back into real life in the alley. Amber still lying on the floor. He looks at Amber.

LUCIFER (CONT'D)

You did not deserve this.

Lucifer looks up in the sky.

LUCIFER (CONT'D)

Dad, please bring her back.

A light is being seen onto Ambers dead body. Something, a light can be seen streaming through the light beam on her body. A soul was transfered to Ambers body, Ambers soul.

Amber wakes up and the light disappear.

AMBER

Lucifer?

LUCIFER

Yes Amber?

AMBER

Will you go back to hell?

LUCIFER

...I might actually stay here...

Lucifer and Amber can be seen while camera pans upwards. Moments later showing us heaven where a women can be heard saying.

WOMAN

Welcome to heaven... HANK.

Hank can be seen. END.
